AN ACT relating to criminal procedure; authorizing certain persons who are prohibited from owning, possessing or having under their custody or control any firearm or who have had certain civil rights taken away to petition the court to restore such rights in certain circumstances; authorizing a prosecuting attorney to inquire into, inspect and use as evidence certain sealed records in certain circumstances; adding a person who has been convicted of a misdemeanor crime of domestic violence to the list of persons who are prohibited from owning or having in their possession or under their custody or control any firearm; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits certain persons from owning or having in their possession or under their custody or control any firearm, including a person who has been convicted of a felony in this State or any other state, or in any political subdivision thereof, or of a felony in violation of the laws of the United States of America, unless the person has received a pardon and the pardon does not restrict his or her right to bear arms. (NRS 202.360) **Section 5** of this bill adds to such a list of persons a person who has been convicted in this State or any other state of a misdemeanor crime of domestic violence, as defined in federal law.

Section 2 of this bill establishes a procedure by which a person who: (1) is prohibited from owning or having in his or her possession or under his or her custody or control any firearm because the person has been convicted of a felony or a misdemeanor crime of domestic violence; or (2) has had his or her civil rights to vote, to serve as a juror in a civil or criminal action and to hold office taken away and has not had all such rights restored, may, after a certain applicable waiting period, petition the district court in the county in which the person resides or in which the person was convicted for the restoration of such rights. For a person to be eligible to have such rights restored: (1) the person must not currently be serving any sentence or facing any new charge for an offense which would cause the person to be ineligible to petition to have such rights restored; and (2) if the person is seeking the restoration of his or her firearm rights, the person must not otherwise be prohibited from possessing a firearm under any other applicable provision of the laws of this State.

Section 2 also requires that a date for a hearing on such a petition be set for not earlier than 30 days and not later than 120 days after a petition is filed, unless waived by the parties. The court is required to make a decision within 30 days after the hearing on the petition is completed.

Section 2 additionally requires the court to issue an order restoring a petitioner’s civil rights and the right to own, possess and control any firearm if: (1) the petitioner has never been convicted of a misdemeanor crime of domestic violence; (2) the petitioner has never been convicted of a category A, B or C felony; and (3) the only category D or E felony for which the person has ever been convicted did not include certain elements. A petitioner who does not meet such criteria but meets certain other criteria must prove to the court by clear and convincing evidence that he or she is rehabilitated and is unlikely to use the restoration of any rights for an unlawful purpose. If the court determines that the petitioner does not satisfy the burden of proof, the court is required to issue an order denying the restoration of such rights and to state the basis for such a denial. **Section 2** further authorizes such a petitioner to reapply for the restoration of such rights not earlier than 1 year after the date the court order is entered. Finally, **section 2 requires a person to accept a copy of a court order restoring a person’s civil rights or right to own, possess and control any firearm as proof that such rights have been restored to the person.**

Section 2 also authorizes a person who has lost his or her civil rights as a result of a conviction in another state to petition the district court for the restoration of such rights if the person would otherwise be eligible to petition the district court for the restoration of such rights if the conviction that resulted in the loss of such rights occurred in this State.

Section 11 of this bill requires a person whose right to own, possess and control any firearm has been restored pursuant to section 2 to carry on his or her person, any time the person is in possession of a firearm, a copy of the court order restoring such a right. This requirement expires by limitation on July 1, 2017.

Existing law authorizes certain persons to inquire into and inspect certain records that have been sealed in certain circumstances. (NRS 179.301) **Section 3** of this bill authorizes a prosecuting attorney to inquire into and inspect certain sealed records if the person who is the subject of the records has petitioned to have his or her right to own, possess and control any firearm restored pursuant to **section 2**. **Section 3** also authorizes a prosecuting attorney to use any such records as evidence during a hearing on such a petition.
