**Legislative Counsel's Digest:**

Existing law requires a court to transmit to the Central Repository for Nevada Records of Criminal History a record of any court order, judgment, plea or verdict concerning the involuntary admission of a person to a mental health facility, the appointment of a guardian for a person with a mental defect, a finding that a person is incompetent to stand trial, a verdict acquitting a defendant by reason of insanity or a plea or finding of guilty but mentally ill, along with a statement that the record is being transmitted for inclusion in all appropriate databases of the National Instant Criminal Background Check System. (NRS 159.0593, 174.035, 175.533, 175.539, 178.425, 433A.310) **Sections 1-4, 13 and 17** of this bill require such records to be transmitted to the Central Repository within 5 business days.

Existing law requires the inclusion, correction and removal of information in records of criminal history in each appropriate database of the National Instant Criminal Background Check System. (NRS 179A.163, 179A.165, 179A.167, 433A.310) **Sections 8-10** of this bill also authorize or require, as appropriate, the inclusion, correction and removal of such information in each appropriate database

of the National Crime Information Center. **Section 5** of this bill defines “National Crime Information Center” to mean the computerized information system created and maintained by the Federal Bureau of Investigation pursuant to 28 U.S.C. § 534.

Existing law requires each agency of criminal justice to submit information relating to records of criminal history within the period described by the Director of the Department of Public Safety. (NRS 179A.075) **Section 7** of this bill requires the submission of such information within 60 days after the date of the conviction.

Existing law authorizes a private person who wishes to transfer a firearm to another person to request the Central Repository to perform a background check on the person who wishes to acquire the firearm. (NRS 202.254) **Section 14** of this bill prohibits the Central Repository from charging a fee to perform a background check for such a transfer. **Section 14** further provides immunity from civil and criminal liability to a person who does not request a background check or who requests a background check for any act or omission that was taken in good faith and without malicious intent. Finally, **section 14** allows the Director of the Department of Public Safety to request an allocation from the Contingency Account in the State General Fund if necessary to cover the cost of providing background checks without the imposition of a fee.

Existing law prohibits a person who has been adjudicated as mentally ill, has been committed to any mental health facility or is illegally or unlawfully in the United States from possessing or having custody or control of a firearm. (NRS 202.360) **Section 15** of this bill also prohibits a person who has entered a plea of guilty but mentally ill, has been found guilty but mentally ill or has been acquitted by reason of insanity from possessing or having custody or control of a firearm.

Existing law prohibits a person from selling or otherwise disposing of any firearm or ammunition to another person if he or she has actual knowledge that the other person: (1) is under indictment for, or has been convicted of, a felony; (2) is a fugitive from justice; (3) has been adjudicated as mentally ill or has been committed to a mental health facility; or (4) is illegally or unlawfully in the United States. (NRS 202.362) **Section 16** of this bill prohibits a person from selling, transferring or otherwise disposing of any firearm or ammunition to another person or purchasing a firearm on behalf of or for another person with the intent to transfer the firearm to that person if he or she has reasonable cause to believe that the other person meets any of those listed conditions, if the other person is otherwise prohibited from possessing a firearm or if the other person is a member of a criminal gang.

Existing law provides that, except as otherwise provided by specific statute, the Legislature reserves for itself such rights and powers as are necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in this State, and further provides that no county, city or town may infringe upon those rights and powers. (NRS 244.364, 268.418, 269.222) **Sections 16.3-16.7** of this bill expand such rights and powers of the Legislature to include those necessary to: (1) regulate the carrying and storage of firearms, firearm accessories and ammunition; and (2) define all such terms. **Sections 16.3-16.7** provide that certain ordinances or regulations which are inconsistent with these rights and powers of the Legislature are null and void and require the governing bodies of certain political subdivisions of this State to repeal any such ordinance or regulation. **Sections 16.3-16.7** also authorize any person who is adversely affected by the enforcement of any such ordinance or regulation on or after the effective date of these sections to file suit in the appropriate court for declarative and injunctive relief and damages. Such a person is entitled to certain damages depending on whether and when the relevant governing body of a political subdivision repeals such an ordinance or a regulation.

Existing law also requires certain political subdivisions of this State in a county whose population is 700,000 or more (currently Clark County), which adopted ordinances or regulations before June 13, 1989, that require the registration of firearms capable of being concealed, to make certain amendments to such registration provisions. (NRS 244.364, 268.418, 269.222) **Sections 16.3-16.7** additionally delete the provisions requiring certain political subdivisions of this State to make such amendments.

Existing law provides that a patient has a privilege to refuse to disclose and to prevent any other person from disclosing confidential communications between the patient and the patient's psychologist or doctor. (NRS 49.209, 49.225) **Sections 11 and 12** of this bill provide exceptions to the privilege for certain determinations which are now required pursuant to this bill.

Existing law: (1) designates the Department of Health and Human Services as the official state agency for developing and administering outpatient mental health services; and (2) requires the Department to perform certain functions relating to mental health. (NRS 433C.130) **Section 18** of this bill requires the Department to also assist and consult with local governments and all local law enforcement agencies in this State in providing community mental health services.

Existing law imposes various requirements and duties on certain health care professionals. (Chapter 629 of NRS) **Section 19** of this bill provides that if a patient of a mental health professional makes an explicit threat of imminent serious physical harm or death to a person, and the mental health professional believes the patient has the intent and ability to carry out the threat, the mental health professional must: (1) apply for the emergency admission of the patient to a mental health facility; or (2) notify the threatened person and the appropriate law enforcement agency. A mental health professional who exercises reasonable care in determining whether or not to provide notice of such a threat is not subject to civil or criminal liability or disciplinary action by a professional licensing board for disclosing confidential or privileged information or for any damages caused by the actions of a patient.

Assembly Bill No. 147 of the 1989 Legislative Session (A.B. 147) reserved for the Legislature the rights and powers necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in this State. (Chapter 308, Statutes of Nevada 1989, p. 652) However, section 5 of A.B. 147 provided that the preemptive effect of the bill applied only to ordinances or regulations adopted by certain political subdivisions on or after June 13, 1989. **Section 20** of this bill amends section 5 of A.B. 147 to include and preempt ordinances or regulations adopted by certain political subdivisions before June 13, 1989.
