AN ACT relating to state business licenses; providing that a person is not required to obtain a state business license if the sole activity in this State of the person’s business is to respond to a request for vehicles or equipment in response to certain emergencies; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires a person to obtain a state business license and pay a fee
2 before conducting business within this State, unless exempted from the business
3 license requirement. (NRS 76.100) Existing law further prohibits a person from
4 entering into a contract with the State of Nevada unless he or she holds a state
5 business license. (NRS 353.007) **Section 1** of this bill provides that a person is
6 deemed not to be conducting business in this State, and thus is not required to
7 obtain a state business license, if the sole activity of the person’s business in this
8 State is to provide, on a short-term basis, vehicles or equipment in response to a
9 wildland fire, a flood, an earthquake or another emergency. **Section 2** of this bill
10 authorizes such a person to enter into a contract with the State of Nevada without
11 obtaining a state business license.
