AN ACT relating to education; requiring the board of trustees of each school district and the governing body of each charter school to prepare a plan to improve the literacy of pupils enrolled in certain grades; requiring the principal of each public elementary school to designate a learning strategist to train and assist teachers in providing intensive instruction to pupils who have been identified as deficient in the subject area of reading; requiring certain teachers at public schools to complete professional development concerning the subject area of reading; requiring certain interventions for pupils enrolled in kindergarten or grade 1, 2 or 3 who do not achieve adequate proficiency in reading; prohibiting a public school from promoting a pupil to grade 4 if the pupil does not achieve proficiency in reading; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 5 of this bill requires the board of trustees of each school district or the governing body of a charter school to prepare a plan to improve the literacy of pupils enrolled in kindergarten and grades 1, 2 and 3 and submit the plan to the Department of Education for its approval.

Section 6 of this bill requires the principal of a public elementary school, including, without limitation, a charter school, to designate a licensed teacher
employed by the school who has demonstrated leadership abilities to serve as a
learning strategist to train and assist teachers in providing intensive instruction to
driving the number of pupils who have been identified as deficient in the subject area of reading. Section
6 also requires each teacher employed by a school district or charter school to teach
kindergarten or grade 1, 2, 3 or 4 to complete professional development prescribed
by the State Board of Education concerning the subject area of reading.

Section 8 of this bill requires the principal of a school to provide notice that a
pupil exhibits a deficiency in the subject area of reading to the parent or guardian of
a pupil enrolled in kindergarten or grade 1, 2 or 3. Section 9 of this bill requires a
pupil enrolled in kindergarten or grade 1, 2 or 3 who has a deficiency in the subject
area of reading to: (1) receive intensive instruction in reading; and (2) have his or
her proficiency in reading assessed at the beginning of the next school year.

Existing law authorizes a pupil enrolled in a public school, other than a charter
school, to be retained in the same grade upon joint agreement by the pupil’s teacher
and principal. (NRS 392.125) Existing law also requires the governing body of a
charter school to adopt rules for the academic retention of pupils who are enrolled
in the charter school. (NRS 386.583) Section 10 of this bill provides that, unless a
pupil receives an exemption by the superintendent of schools of the school district
or the governing body of the charter school, as recommended by the principal, a
pupil enrolled in grade 3 must be retained in grade 3 rather than promoted to grade
4 if the pupil does not obtain the score prescribed by the State Board on the
criterion-referenced examination in reading. Section 10 also: (1) provides certain
good-cause exemptions for certain pupils to allow them to be promoted to grade 4
even if they did not obtain that score; and (2) requires the State Board to prescribe
an alternate examination for pupils who do not obtain that score. Section 11 of this
bill makes conforming changes. Section 3 of this bill similarly provides that a pupil
enrolled in grade 3 at a charter school must be retained in grade 3 rather than
promoted to grade 4 if the pupil does not obtain the score presented by the State
Board on the criterion-referenced examination unless the pupil receives a good-
cause exemption.

Section 11 of this bill requires the principal of a school to: (1) provide notice to
the parent or legal guardian of a pupil who will be retained in grade 3; (2) develop a
plan to monitor the progress of the pupil in achieving proficiency in reading; and
(3) ensure that the pupil receives intensive instructional services in the subject area
of reading. Section 11 requires the board of trustees of each school district or the
governing body of a charter school to prescribe the intensive instructional services
that the principal of a school is required to implement for a pupil who is retained in
grade 3. Section 11 also requires such instructional services to be provided by a
teacher who is: (1) different than the teacher who provided instructional services to
the pupil during the immediately preceding school year; and (2) highly effective, as
demonstrated by pupil performance data and performance evaluations.

Section 12 of this bill requires the principal of a school to offer the parent or
legal guardian of a pupil who is retained in grade 3 certain additional instructional
options. Sections 3 and 13 of this bill require the board of trustees of each school
district and the governing body of a charter school to prepare a report concerning
the number and percentage of pupils who are retained in grade 3 for deficiency in
reading and: (1) submit the report to the Department; and (2) post the report on the
Internet website maintained by the school district or charter school, as applicable.

Section 15 of this bill makes an appropriation for Fiscal Year 2015-2016 and
Fiscal Year 2016-2017 for distribution to elementary schools. Section 15 requires
schools that receive an allocation of money from the appropriation to use the
money for the literacy programs in kindergarten and grades 1, 2 and 3 to support
school-based efforts to ensure all pupils are proficient in reading by the end of the
third grade. Section 15 requires the board of trustees of a school district and the
governing body of a charter school that receives a grant of money to prepare and
submit to the Department of Education a report that includes: (1) a description of
the programs or services for which the money was used; and (2) the number of
pupils who participated in a program or received services. Section 15 also requires
the Department of Education to prepare a report concerning the programs for which
the money is used and submit the report to the Director of the Legislative Counsel
Bureau for transmittal to the 79th Session of the Nevada Legislature and to the
Governor.

5. Describe the policy and specific criteria adopted by the board of trustees of the school district or governing body of a charter school, as applicable, pursuant to section 11 of this act regarding the promotion of a pupil to grade 4 at any time during the school year if the pupil is retained in grade 3 pursuant to section 10 of this act.

governing body of a charter school, as applicable, may authorize

pupil:

on an alternative standardized reading assessment approved by the
State Board;

proficiency in reading at grade level, as evidenced by

she still demonstrates a deficiency in reading; and
      (3) He or she was previously retained in kindergarten or
grade 1, 2 or 3.
3. The parent or legal guardian of a pupil may request a
good-cause exemption pursuant to subsection 2 by submitting a
written request to the principal of the school. Upon receipt of such
a request:
   (a) The pupil’s teacher must provide documentation to the
principal of the school in which the pupil is enrolled indicating
whether the promotion of the pupil is appropriate, based upon the
record of the pupil. Such documentation must only consist of the
existing plan for monitoring the progress of the pupil, the pupil’s
individualized education program, if applicable, the pupil’s plan in
accordance with section 504 of the Rehabilitation Act of 1973, 29

5. As used in this section, “individualized education program” has the meaning ascribed to it in 20 U.S.C. § 1414(d)(1)(A).

Sec. 11. 1. If a pupil will be retained in grade 3 pursuant to section 10 of this act, the principal of the school must:

(a) Provide written notice to the parent or legal guardian of the pupil that the pupil will be retained in grade 3 unless the pupil receives a good-cause exemption pursuant to section 10 of this act. If a pupil is promoted after November 1 of a school year, he or she must demonstrate proficiency in reading at a level prescribed by the State Board.

5. If a principal of a school determines that a pupil is not academically ready for promotion to grade 4 after being retained in grade 3 and the pupil received intensive instructional services pursuant to this section, the school district in which the pupil is enrolled must allow the parent or legal guardian of the pupil to decide whether to place the pupil in a transitional instructional setting which is designed to produce learning gains sufficient for the pupil to meet the performance standards required for grade 4 while continuing to receive remediation in the subject area of reading.

Sec. 12. In addition to the intensive instructional services provided to a pupil who is retained in grade 3 pursuant to section 10 of this act, the principal of the school must offer the parent or legal guardian of the pupil at least one of the following instructional options:
