AN ACT relating to gaming; revising provisions related to the preparation of a credit report in connection with a person who is seeking certain employment with a gaming licensee; revising provisions governing the disclosure of certain information by a reporting agency; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing state and federal law prohibits a credit reporting agency from
2 disclosing in the credit report of a person information related to a bankruptcy filing
3 that is more than 10 years old and certain other negative credit information that is
4 more than 7 years old. (NRS 598C.150; 15 U.S.C. § 1681c) However, existing
5 federal law provides certain exceptions to the preceding federal prohibition,
6 including an exception for a credit report prepared in connection with the
7 employment of an individual whose salary will be greater than \$75,000. (15 U.S.C.
8 § 1681c(b)(3))
9 **Sections 1 and 2** of this bill create a similar exception in state law for a credit
10 report prepared for a gaming licensee in connection with a person who is seeking
11 employment with the licensee or employment in a position connected directly with
12 the licensee’s operations. **Section 2** also removes the prohibition against disclosing
13 a record of conviction of a crime which is more than 7 years old, meaning that there
14 is no limitation of time for which such a record may be disclosed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
