

THE EIGHTEENTH DAY

CARSON CITY (Thursday), February 19, 2015

Assembly called to order at 11:52 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Nick Emery.

To all those gathered here today, we continue to seek the Lord, for His strength and for His wisdom, as you conduct the business of our great state, Nevada.

Lord, You are our shepherd—our leader, our protector, and our sure foundation. Apart from You, we do not need a thing. Help us, Lord, to understand this truth in more meaningful and personal ways today. Help us, God, to draw close to You. Let us not be too consumed with the things of this day and forget to pursue You.

Your beauty and love chase after us every day of our lives, and we can be home in Your presence. May we walk in Your truth from Psalm 23:6 that says: “Surely goodness and loving-kindness will follow me all the days of my life, and I will dwell in the house of the Lord forever.”

We love You Lord and it is in Your name we pray.

God bless you and may God bless Nevada.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Paul Anderson moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 15.

Bill read third time.

Remarks by Assemblymen Spiegel, Joiner, and Ellison.

ASSEMBLYWOMAN SPIEGEL:

Assembly Bill 15 creates the Account for the Protection and Rehabilitation of the Stewart Indian School in the State General Fund. The Account is to be administered by the Director of the State Department of Conservation and Natural Resources for the purposes of repairing and maintaining the historic state buildings and grounds of the Stewart Indian School. The bill authorizes the Administrator of the Division of State Lands to make a direct sale of two parcels of state land for the purpose of funding the Account. The bill is effective upon passage and approval.

ASSEMBLYWOMAN JOINER:

I rise in support of Assembly Bill 15, because I believe that the Stewart Indian School is an extremely important cultural and heritage site in Nevada. However, I would like to express my continued concern, which I raised in committee, that the way this project is being funded is incredibly short-sighted. This bill, in section 5, would sell off a piece of state land and provide a pot of money for a very limited amount of time for the maintenance and repair of this school. It is my hope that as a body, we would fund important projects such as this under our normal means such as the budget and our CIP [Capital Improvement Program] process. I would hope that selling off our public land to private developers is not a precedent that we fall into time and again every time we need a pot of money. That being said, I do plan to vote for this bill because of the extreme importance of this particular project.

ASSEMBLYMAN ELLISON:

I stand in support of Assembly Bill 15. The presentation of the Director regarding the Stewart Indian School expressed their feeling that disposal of the two parcels was the best use for maintaining that facility. That was brought through their committees so I stand in support. Thank you.

Roll call on Assembly Bill No. 15:
