

THE TWENTY-NINTH DAY

Assembly called to order at 11:56 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblymen Moore, Munford, and Stewart, who were excused.

Prayer by the Chaplain, Pastor Ben Fleming.

Heavenly Father, as we begin this new week, let us be reminded of the words of the Apostle James who wrote, "If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given to him." Your servants here today need wisdom. They need wisdom to make decisions that are good for all people in our great state. We ask that You give wisdom to each person here today. Give them wisdom that comes from You. Give them wisdom that creates unity and harmony with their fellow legislators. Give them wisdom that blesses the people of Nevada.

I pray these things in the Name of Your Son Jesus Christ.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Paul Anderson moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

MOTIONS, RESOLUTIONS AND NOTICES

By Assemblymen Silberkraus, Dickman, Gardner, O'Neill, Seaman and Titus:

Assembly Joint Resolution No. 5—Proposing to amend the Nevada Constitution to authorize the Governor to reduce or veto appropriations or authorizations to expend money.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That section 35 of article 4 of the Nevada Constitution be amended to read as follows:

~~{See}~~ *Sec. 35. 1.* Every bill which may have passed the Legislature, shall, before it becomes a law be presented to the Governor. If he approve it, he shall sign it, but if not he shall return it with his objections, to the House in which it originated, which House shall cause such objections to be entered upon its journal, and proceed to reconsider it; If after such reconsideration it again pass both Houses by yeas and nays, by a vote of two thirds of the members elected to each House it shall become a law notwithstanding the Governors objections. ~~{H}~~ *Except as otherwise provided in subsection 2 and 3*, if any bill shall not be returned within five days after it shall have been presented to him (Sunday excepted) exclusive of the day on which he received it, the same shall be a law, in like manner as if he had signed it, unless the Legislature by its final adjournment, prevent such return, in which case it shall be a law, unless the Governor within ten days next after the adjournment (Sundays excepted) shall file such bill with his objections thereto, in the office of the Secretary of State, who shall lay the same before the Legislature at its next Session, in like manner as if it had been returned by the Governor, and if the same shall receive the vote of two-thirds of the members elected to each branch of the Legislature, upon a vote taken by yeas and nays to be entered upon the journals of each house, it shall become a law.

2. If any bill so presented to the Governor contains one or more appropriations of money from the State Treasury or authorizations to expend money drawn from another source, the Governor may reduce or strike from the bill any or all of these items without objecting to the bill as a whole. If the Governor so reduces or strikes out, the Governor shall:

(a) Append to the bill a statement of the items reduced or stricken out and the reasons for the reduction or striking out; and

(b) Within 48 hours after the bill is presented to the Governor and before the Legislature finally adjourns, transmit a copy of the statement to the House in which the bill originated. Each appropriation or authorization not reduced or stricken out becomes law in the same manner as a bill to which the Governor does not object. If the Governor fails to transmit a copy of the statement to the House in which the bill originated within the time allowed or before the Legislature finally adjourns, each appropriation or authorization reduced or stricken out likewise becomes law.

3. The Legislature may, by the same vote as for bills to which the Governor objects:

(a) Cause any one or more of the individual appropriations or authorizations to become law notwithstanding the Governor striking it out; or

(b) Restore the original amount appropriated or authorized, or insert any other amount not less than that approved by the Governor or more than that originally appropriated or authorized, notwithstanding the Governor reducing it. If the Legislature does not so act, any appropriation or authorization stricken from the bill by the Governor shall be deemed not appropriated or authorized and any amount to which an appropriation or authorization was reduced by the Governor shall be deemed so appropriated or authorized.

Assemblyman Silberkraus moved that the resolution be referred to the Committee on Legislative Operations and Elections.

Motion carried.
