Ah Lord God, great and mighty God, great in counsel and mighty in deed! You have made the heavens and the earth by Your great power! Nothing is too difficult for You!

We come to You today and ask for Your grace and wisdom. Help us to trust in You and seek You first above all else. May all we do and say be acceptable in Your sight, O God. May we be a blessing to our fellow workers and friends, showing love, respect, kindness, and consideration to all.

Bless and protect our families and those serving in harm's way. God bless everyone who serves the people of our great state of Nevada.

And finally, a St. Patrick's Day blessing:

May the road rise up to meet you.

May the wind be always at your back.

Assemblyman Paul Anderson moved that Assembly Bill No. 70 be taken from the Chief Clerk's desk and placed on the General File.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 76.

Bill read third time.

Remarks by Assemblywoman Diaz.

ASSEMBLYWOMAN DIAZ:

Assembly Bill 76 requires that the Department of Education shares with the Interagency Council on Veterans Affairs aggregate data collected concerning each pupil whose parent or guardian is a member of the Armed Forces of the United States, a reserve component thereof, or the National Guard. The bill also encourages the Board of Regents of the Nevada System of Higher Education to foster a culture that recognizes and supports veterans, and extends from two years to five years the time period a veteran who has been honorably discharged is eligible for resident or in-state fee charges.

Finally, A.B. 76 requires that the Board of Regents submit, on or before November 30 of each year, a report to the Legislature, or the Legislative Committee on Education when the Legislature is not in regular session, concerning the participation of students who are veterans in the Nevada System of Higher Education. This bill is effective on July 1, 2015.

I just want to clarify that the net effect of this bill is that veterans will be treated in the same manner as residents who do not pay tuition but who do pay fees.

Roll call on Assembly Bill No. 76:

YEAS—42.

NAYS—None.

Assembly Bill No. 76 having received a constitutional majority, Mr. Speaker declared it passed, as amended.

Bill ordered immediately transmitted to the Senate.

Assembly Bill No. 70.

Bill read third time.

Remarks by Assemblymen Armstrong and Carlton.

Potential conflict of interest declared by Assemblyman Ohrenschaal.

ASSEMBLYMAN ARMSTRONG:

Assembly Bill 70 provides for administration enforcement provisions related to the excise taxes on the sale of marijuana, edible marijuana products, and marijuana infused products by medical marijuana establishments that were originally approved by the Legislature in Senate Bill 374 of the 2013 Session. The administrative provisions contained within this bill are similar to the currently existing provisions used by the Department of Taxation for other taxes and fees currently administered by the Department. Assembly Bill 70 additionally removes provisions requiring the Department of Taxation to periodically review the excise tax rate and to provide recommendations to the Legislature relating to adjustments to the rate.

ASSEMBLYMAN OHRENSCHALL:

I need to make a disclosure to the body regarding Assembly Bill 70. Because we are considering Assembly Bill 70, which makes changes related to medical marijuana and its taxation, I would like to advise this body that my spouse lobbies on behalf of an association of marijuana dispensary owners. Although Assembly Bill 70 does not affect her clients any differently than any other dispensary owners or associations, I am making this disclosure and am abstaining from voting on Assembly Bill 70 out of an abundance of caution.

ASSEMBLYWOMAN CARLTON:

I rise in opposition to Assembly Bill 70. This body, a long time ago, decided that we would not tax medicine. Here we are making a huge sea change and actually taxing medicine in this state, and I am absolutely opposed to it. I feel it is the wrong path to go. If you want to tax this particular product, there are a number of bills out there that would allow us to do it in a legal, regulated way, and we could recognize it as we do other legal drugs and substances in this state. But to actually tax what is being classified as a medicine, I believe is absolutely wrong for the path of this state.
