

THE NINETY-FIFTH DAY

CARSON CITY (Thursday), May 7, 2015

Assembly called to order at 11:48 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Peggy Locke.

You are God Almighty, gracious, loving, and faithful. You are awesome in deed and mighty to save.

Today we celebrate the 64th annual National Day of Prayer. It is a time for investing in hope and transforming our nation through prayer.

2 Chronicles 7:14 says If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

Father, we turn our hearts to You and ask for Your forgiveness and grace, that You would heal our land. Move in our hearts and in the hearts of our leaders toward Your will and for Your glory. We pray for our President, our nation, our state, our leaders, our troops, and for all those serving in law enforcement.

May we receive Your strength and wisdom for today. Help us to cast all our cares and burdens upon You and trust that You will lead us and guide us in the things that concern us. Open our hearts to love You Lord, and to love people.

May the words of our mouth and meditations of our heart be acceptable in Your sight O God, our Rock and our Redeemer. We give You thanks and praise.

In Jesus's Name we pray.

AMEN.

Presentation of the Colors by the Legislative Police Color Guard.

AN ACT relating to public safety; requiring the Department of Motor Vehicles to establish a registry of emergency contact information for certain persons who possess a driver's license, identification card or driver authorization card; requiring certain law enforcement personnel to use the registry to notify an emergency contact person regarding any persons involved in a motor vehicle accident; **authorizing certain law enforcement personnel to use the registry to notify an emergency contact person regarding any persons involved in an accident or emergency situation other than a motor vehicle accident;** providing immunity from liability to the Department and

others with access to the registry for certain acts and omissions related to the registry; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 8 of this bill requires the Department of Motor Vehicles to establish a registry on its Internet website to be known as the Next-of-Kin Registry. The Registry must include, in a secure portion of the website, a registry record unique to each registrant. Information in the Registry will be accessible to law enforcement, a coroner or medical examiner and the registrant, and parent or guardian of the registrant if the registrant is a minor. **Section 9** of this bill provides the requirements for a registrant to establish a registry record in the Next-of-Kin Registry and allows a registrant to submit emergency contact information for not more than two emergency contact persons. **Section 10** of this bill requires law enforcement personnel to search the Registry to identify and make reasonable efforts to make contact with the emergency contact person of a registrant if the registrant is unable to communicate after a serious motor vehicle accident. **Section 10** also allows a coroner or medical examiner to access the Registry to identify the next-of-kin of a decedent. **Section 10.5 of this bill authorizes law enforcement personnel to search the Registry to identify and make reasonable efforts to make contact with the emergency contact person of a registrant if the registrant is unable to communicate after an accident or emergency situation other than a motor vehicle accident.** **Sections 1, 2, 8 and 11** of this bill limit access to the information in the Registry to the registrant, law enforcement personnel, a coroner or medical examiner or his or her respective personnel and the Department, with certain exceptions, including other persons authorized by a court order. **Sections 11 and 21** of this bill further provide that the names, telephone numbers and addresses of emergency contact persons in the Registry are confidential, not public records for the purposes of the Open Meeting Law and not discoverable except upon a subpoena issued in a criminal matter. (See chapter 239 of NRS) **Section 12** of this bill limits the civil and criminal liability of those authorized to establish, maintain and access the Registry. **Section 13** of this bill authorizes the Department to adopt regulations necessary to implement and maintain the Next-of-Kin Registry. **Sections 14-20** of this bill require the Department, at the time of the application for or the renewal of a driver's license, identification card or driver authorization card, to provide the applicant a form to register with the Next-of-Kin Registry.

2. The Department may, in its discretion, issue a temporary driver's permit to an applicant for a driver's license permitting the applicant to drive a motor vehicle while the Department is completing its investigation and determination of all facts relative to the applicant's right to receive a driver's license. 3. The Department, upon receiving proper application, may, in its discretion, issue a restricted instruction permit effective for a school year, or for a more restricted period, to an applicant who is enrolled in a drivers' education program which includes practice driving and which is approved by the Department even though the applicant has not reached the legal age to be eligible for a driver's license. The instruction permit entitles the permittee, when the permittee has the permit in his or her immediate possession, to drive a motor vehicle only on a designated highway or within a designated area, but only when an approved instructor is occupying a seat beside the permittee.

4. *At the time of the issuance of a permit pursuant to this section, the Department shall provide to the permittee information instructing the permittee how to register with the Next-of-Kin Registry pursuant to section 9 of this act if he or she so chooses.*

Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.

3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate the confidential information from the information included in the public book or record that is not otherwise confidential.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

Sec. 21.5. As soon as practicable, upon determining that sufficient resources are available to enable the Department of Motor Vehicles to carry out the amendatory provisions of this act, the Director of the Department of Motor Vehicles shall notify the Governor and the Director of the Legislative Counsel Bureau of that fact, and shall publish on the Internet website of the Department notice to the public of that fact.

Sec. 22. This act becomes effective:

1. Upon passage and approval for the purposes of adopting regulations and performing any preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. Assemblyman Wheeler moved the adoption of the amendment.

Remarks by Assemblyman Wheeler.

ASSEMBLYMAN WHEELER:

Amendment 657 makes three changes to Senate Bill 3. It expands the notification provisions of the bill to permit a law enforcement officer or other authorized employee of a law enforcement agency to search the registry of emergency contact information during accidents or emergency situations other than motor vehicle accidents. It deletes the “double registry” provisions of subsection 3 of section 9, which require the DMV [Department of Motor Vehicles] to assign a registry record number and registry access code to a registrant because a registrant is already required to have an Internet portal account. Finally, it adds Assemblymen O’Neill and Silberkraus as joint sponsors to this bill.

Amendment adopted.
