

CHAPTER.....

AN ACT relating to business organizations; revising provisions governing the initial and annual lists filed with the Secretary of State by business entities; revising provisions relating to a series created by a limited-liability company; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires each business entity organizing under the laws of this State or transacting business in this State to: (1) file with the Secretary of State an initial and an annual list of the directors and officers of the entity or the persons holding the equivalent office; and (2) pay a fee for that filing. Under existing law, the initial list must be filed with the Secretary of State on or before the last day of the month after the entity is organized or begins transacting business in this State or on an alternative date approved by the Secretary of State. (NRS 78.150, 80.110, 82.523, 86.263, 86.5461, 87.510, 87.541, 87A.290, 87A.560, 88.395, 88.591, 88A.600, 88A.732, 89.250) **Sections 1-3, 8 and 11-20** of this bill require: (1) a domestic entity to file the initial list at the time that the domestic entity files its organizational documents with the Secretary of State or on the alternate date; and (2) a foreign entity to file the initial list at the time that the foreign entity registers with the Secretary of State to transact business in this State or on the alternate date. Under **sections 1-3, 8 and 11-20**, if an entity files an amended list within 60 days after the filing of its initial list, the Secretary of State must not charge a fee for filing that amended list.

Existing law authorizes the articles of organization or operating agreement of a limited-liability company to create one or more series of members with separate rights, powers or duties with respect to the property or obligations of the company. (NRS 86.296) **Section 7** of this bill requires a limited-liability company, if the company intends to create one or more series, to include in its articles of organization a statement to that effect. If the articles of organization include such a statement, **section 9** of this bill authorizes a series to be created by the articles of organization or adoption of an operating agreement by the members of the series. **Section 4** of this bill provides that if the articles of organization or operating agreement of a limited-liability company creates one or more series, the registered agent of the limited-liability company shall be deemed to be the registered agent of any series of the company.

Under existing law, the liabilities of a series are enforceable only against the assets of that series and not against the assets of the company or any other series if: (1) the articles of organization or an amendment to those articles contain certain statements indicating that the company is to have one or more such series; and (2) separate and distinct records are maintained for each series and the assets associated with each series are held, directly or indirectly, and accounted for separately from the other assets of the company and any other series. (NRS 86.161, 86.296) Existing law further provides that property owned or purchased by a limited-liability company must be held, owned and conveyed in the name of the company. (NRS 86.311)

Section 10 of this bill clarifies that a series may purchase, own and convey property in the name of the series, as an asset of the series. **Section 10** also specifies the persons who are authorized to bind a series to an instrument or record providing for the acquisition, mortgage or disposition of property by the series.

Section 9 expands the powers of a series to authorize a series to sue and be sued in its own name, make contracts in its own name and purchase, own and convey property. **Section 9** also clarifies that the liabilities of a series are enforceable only against the assets of that series and not against the assets of the company or any other series if: (1) the articles of organization contain a statement indicating that the company is authorized to have one or more series; (2) separate and distinct records are maintained for each series and the assets associated with each series are held and accounted for separately; and (3) the articles of organization or operating agreement indicates that the liabilities with respect to a particular series are enforceable against only the assets of that series.

Existing law requires that a person doing business in this State under an assumed or fictitious name which is different from the legal name of each person who owns an interest in the business must file a certificate with the county clerk of each county in which the business is being conducted. (NRS 602.010) **Section 21** of this bill provides that a series shall be deemed to be doing business under an assumed name if the name of the series does not indicate: (1) that it is a series; and (2) the name of the limited-liability company which created the series. **Section 22** of this bill requires a series to provide certain information in the certificate required to be filed pursuant to **section 21**.
