

Assembly Bill No. 169–Assemblymen Jauregui;  
Brooks and Carrillo

CHAPTER.....

AN ACT relating to county recorders; providing that a county recorder has discretion to accept and record a document that does not meet certain formatting requirements; revising certain fees collected by a county recorder; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Under existing law, certain documents submitted to a county recorder must meet certain formatting requirements and the county recorder is authorized to charge and collect a fee for documents which do not meet those formatting requirements. (NRS 247.110, 247.305) **Section 1** of this bill provides that a county recorder has the discretion to accept and record a document that does not meet formatting requirements. **Section 2** of this bill removes the fee charged for documents which do not comply with the formatting requirements.

Existing law requires the county recorder to charge and collect certain other fees for recording a document, including fees based on the number of pages in the document, certain indexing fees and an additional fee. (NRS 247.305) **Section 2** revises the fees collected for recording certain documents and eliminates the additional fee for recording documents that are more than one page. **Section 2** also increases the additional fee collected for recording certain documents from \$3 to \$5.

Existing law requires the county recorder to charge certain fees for recording certain documents relating to a mining claim. (NRS 247.310) **Section 2.5** of this bill provides that the fee for recording a notice or certificate of location of a mining claim, or an amended notice or certificate of the location of a mining claim is \$10 and eliminates the additional fee for recording such documents that are more than one page.
