AN ACT relating to the state personnel system; revising provisions governing the temporary limited appointment of persons with disabilities by state agencies; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law encourages and authorizes agencies of the Executive Department of the State Government and counties and cities to make temporary limited appointments of certified persons with disabilities to positions in government service for a period not to exceed 700 hours even though the positions being filled are continuing positions. This provision of existing law is commonly referred to as the “700-hour program.” Under existing law, if a person appointed pursuant to the program is subsequently appointed to a permanent position during or after the 700-hour period, the 700 hours or the portion of the 700 hours completed counts toward the employee’s probationary period. (NRS 245.185, 268.4065, 284.327) With limited exceptions, this bill requires rather than authorizes appointing authorities for positions in the state service to make such temporary limited appointments. This bill further requires each such appointing authority to ensure that at least one person on the staff of the appointing authority satisfies certain training requirements.
