

Assembly Bill No. 320–Assemblymen  
Frierson and Fumo

CHAPTER.....

AN ACT relating to education; revising provisions relating to pupil data as a component of the statewide performance evaluation system for employees; requiring certain educational personnel to develop learning goals for pupils to measure pupil growth; providing for a review of the statewide performance evaluation system and the manner in which a school carries out certain evaluations; increasing the percentage of an evaluation of certain educational personnel that is based on pupil growth; revising the manner in which such evaluations are conducted; revising provisions relating to the number of evaluations that certain educational personnel are required to receive; revising provisions relating to the Teachers and Leaders Council; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires the State Board of Education to adopt regulations establishing a statewide performance evaluation system for evaluating the performance of certain employees. (NRS 391.465) **Section 1.1** of this bill requires each teacher, principal, vice principal and other administrator who provides direct instructional services to pupils at a school to develop learning goals for such pupils. **Section 1.1** requires the Department of Education to establish a list of assessments that may be used by a school or school district to measure the achievement of these learning goals. **Section 1.1** also requires: (1) the board of trustees of each school district to ensure that the learning goals measure pupil growth in accordance with the criteria established by regulation of the State Board; and (2) that each teacher and administrator who establishes learning goals be evaluated in accordance with the criteria established by the State Board to determine the extent to which the learning goals of the pupils were achieved.

Existing law requires the statewide performance evaluation system to: (1) require that an employee’s overall performance be determined to be highly effective, effective, minimally effective or ineffective; and (2) include a process for peer evaluation of teachers. (NRS 391.465) **Section 2** of this bill: (1) removes the term “minimally effective” and replaces it with the term “developing”; and (2) changes the term “peer evaluation” to “peer observation.” **Sections 1, 1.5 and 3.5-5.7** of this bill make conforming changes. **Section 2** also provides that an administrator at the district level who provides direct supervision of the principal of a school and who also serves as the superintendent of schools of a school district must not be evaluated using the statewide performance evaluation system.

Existing law generally requires the statewide performance evaluation system to include a requirement that pupil achievement data account for at least 40 percent of an evaluation and that such data be derived both from statewide examinations and assessments and certain assessments approved by the board of trustees of a school district. (NRS 391.465) **Section 2** instead requires pupil growth, as determined pursuant to **section 1.1**, to account for this portion of the evaluation. **Section 5.9** of

this bill provides that, for the 2017-2018 school year, pupil growth must account for 20 percent of the evaluation of a teacher or administrator.

**Section 1.2** of this bill requires the: (1) State Board to annually review the statewide performance evaluation system to ensure accuracy and reliability; and (2) board of trustees of each school district to annually review the manner in which a school in the school district carries out the evaluation of teachers and administrators pursuant to the statewide performance evaluation system. **Section 1.2** also authorizes the Department to review the manner in which the statewide performance evaluation system is carried out by each school district.

Existing law establishes the Teachers and Leaders Council of Nevada and prescribes the membership of the Council. (NRS 391.455) **Section 1.3** of this bill adds an additional member to the Council, who must be a school counselor, psychologist, speech-language pathologist, audiologist or social worker.

Existing law requires each postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as effective or highly effective to receive one evaluation in the next school year. (NRS 391.690, 391.710) **Sections 4 and 5** of this bill instead require a postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as highly effective for 2 consecutive school years to: (1) participate in one observation cycle in the school year immediately following the school year in which the postprobationary teacher or administrator receives a second consecutive evaluation designating his or her performance as highly effective and; (2) receive one evaluation in the school year immediately following the school year in which the postprobationary teacher or administrator participated in the observation cycle.
