EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to health care; authorizing the Board of Medical Examiners to take possession of the health care records of a licensee's patients under certain circumstances; requiring the Board to adopt policies and procedures for placing information on the Internet website of the Board; revising provisions relating to the requirement for certain persons to maintain a permanent mailing address with the Board; revising provisions requiring certain information be reported to the Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law requires certain providers of health care to retain the health care
2 records of patients for 5 years after their receipt or production. (NRS 629.051)
3 **Section 1** of this bill authorizes the Board of Medical Examiners to take possession
4 of the health care records of a licensee's patients in the event of the licensee's
5 death, disability, incarceration or other incapacitation that would render the licensee
6 unable to continue his or her practice. **Section 1** further authorizes the Board to
7 provide such records to the patient or to the patient's subsequent provider of health
8 care. **Section 1** also requires that certain disclosures regarding such records be
9 provided to patients.
- 10 Existing law provides for the maintenance of an Internet website by the Board
11 of Medical Examiners. (NRS 630.144) **Section 3** of this bill requires the Board to
12 adopt policies and procedures for placing information on its Internet website.
- 13 Existing law imposes a fine on a person who is licensed under chapter 630 of
14 NRS and fails to maintain a permanent mailing address with the Board of Medical

15 Examiners. (NRS 630.254) Existing law similarly imposes a fine on an inactive
16 registrant for such a failure. (NRS 630.255) **Sections 5 and 6** of this bill authorize,
17 rather than require, the Board to impose such fines.

18 Existing law requires persons who are licensed to practice medicine by the
19 Board of Medical Examiners to make certain reports to the Board concerning
20 surgeries requiring conscious sedation, deep sedation or general anesthesia which
21 were performed by the holder of the license and the occurrence of any sentinel
22 events arising from those surgeries. The Board is required to submit the reports to
23 the Division of Public and Behavioral Health of the Department of Health and
24 Human Services. (NRS 449.447, 630.30665) **Sections 8.5 and 10** of this bill revise
25 these reporting requirements.
