Joint Sponsor: Senator Segerblom

CHAPTER.....

AN ACT relating to intercollegiate athletics; enacting the Revised Uniform Athlete Agents Act (2015); repealing the Uniform Athletes' Agents Act; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law enacted and subsequently amended the Uniform Athletes' Agents Act. Generally, the Uniform Athletes' Agent Act requires an athlete agent to register with the Secretary of State and prohibits certain conduct by athlete agents. (NRS 398.400-398.620) This bill repeals the Uniform Athletes' Agents Act and enacts the Revised Uniform Athlete Agents Act (2015), except that **section 20.3** maintains existing law governing the applicability of the provisions of law governing athlete agents and **section 20.7** maintains existing law governing the confidentiality of certain information or documents obtained by, or filed with, the Secretary of State.

Section 5 of this bill generally defines an athlete agent subject to the provisions of the Revised Uniform Athlete Agents Act (2015) as an individual who: (1) directly or indirectly induces or attempts to induce a student athlete to enter an agency contract; (2) for compensation procures or attempts to procure employment for a student athlete as a professional athlete; (3) for compensation or the anticipation of compensation advises a student athlete on his or her finance or business affairs; or (4) in anticipation of representing a student athlete gives something of value to the athlete or another person.

Section 22 of this bill prohibits an individual from acting as an athlete agent without registering with the Secretary of State. **Section 23** of this bill requires an applicant for such registration to disclose certain information including, without limitation, training, experience and education, any conviction of a crime that involves moral turpitude or a felony, any administrative or judicial determination that the applicant has made a false or deceptive representation and whether the applicant's license as an athlete agent has been denied, suspended or revoked in any state or has been the subject or cause of any sanction, suspension or declaration of ineligibility.

Sections 23 and 24 of this bill require reciprocal registration of an athlete agent if: (1) the agent is issued a certificate of registration by another state and the registration has not been suspended or revoked; (2) no action involving the athlete agent's conduct as an athlete agent is pending in any state; and (3) the application and registration requirements of the other state are substantially similar to or more restrictive than the law in this State.

Section 29 of this bill maintains existing law by requiring the Secretary of State to establish by regulation fees for the registration or renewal of registration as an athlete agent.

Sections 30-32 of this bill contain the requirements for entering an agency contract. **Section 30** requires such a contract to include, without limitation, a statement that the athlete agent is registered in the state in which the contract is signed, list any other state in which the agent is registered and set forth compensation of the athlete agent. The contract must be accompanied by a separate

record signed by the student athlete acknowledging that signing the contract may result in the loss of eligibility to participate in the athlete's sport. **Section 31** requires both the agent and the student athlete to give notice of the contract to the athletic director of the affected educational institution within 72 hours of signing the agreement or before the athlete's next scheduled event, whichever occurs first. **Section 31** further specifies additional circumstances under which an athlete agent or student athlete must notify an athletic director or educational institution of information concerning the relationship between the athlete agent and the student athlete. **Section 32** provides a student athlete with a right to cancel an agency contract not more than 14 days after the contract is signed.

Section 33 of this bill requires athlete agents to maintain executed contracts and other specified records for a period of 5 years, including information about represented individuals and recruitment.

Section 34 of this bill prohibits an athlete agent from: (1) providing materially false or misleading information, promises or representations with the intent of influencing a student athlete to enter into an agency contract; (2) furnishing anything of value to a student athlete before that athlete enters into an agency contract; (3) furnishing anything of value to an individual other than a student athlete; (4) initiating contact with a student athlete unless registered under the Revised Uniform Athlete Agents Act (2015); (5) failing to create, retain or permit inspection of required records; (6) failing to register where required; (7) providing materially false or misleading information in an application for registration or renewal thereof; (8) predating or postdating an agency contract; (9) failing to notify a student athlete that signing an agency contract may make the student athlete ineligible to participate as a student athlete in that sport; or (10) encouraging another individual to take on behalf of the agent an action the agent is prohibited from taking. **Section 35** of this bill provides that a person who violates any provision of **section 34** of this bill is guilty of a misdemeanor and must be required to pay restitution. **Section 36** of this bill authorizes a student athlete or educational institution to bring a civil action against an athlete agent for damages, and authorizes the student athlete or educational institution to be awarded actual damages, as well as costs and reasonable attorney's fees.

Sections 39-41 of this bill revise provisions governing the enforcement of the Uniform Athletes' Agents Act so that those provisions apply to the enforcement of the provisions of this bill. **Section 40** further increases the maximum administrative fine that may be imposed by the Secretary of State from \$25,000 to \$50,000.
