10 statutory purposes and powers. **Section 21** also requires the Board of Directors to
11 act in a commercially reasonable manner and authorizes the Board of Directors to
12 rely on certain information if it is prepared or presented by certain people or
13 entities. **Section 22** of this bill requires the Governor, to the extent that money is
14 available from public or private sources for administrative costs, to appoint an
15 Executive Director to administer, manage and conduct the affairs of the Bank and
16 establishes the powers and duties of the Executive Director. **Section 22** also
17 requires that the Executive Director and any employees hired be paid from money
18 allocated to the Bank and appropriated or authorized by the Legislature or the
19 Interim Finance Committee. **Section 23** of this bill creates the Nevada State
20 Infrastructure Bank Fund to be administered by the Board of Directors and used
21 exclusively to capitalize and carry out the statutory powers and purpose of the
22 Bank.

23 **Section 24** of this bill establishes certain procedures relating to: (1) applications
24 for a loan or other financial assistance from the Bank in connection with a project
25 to develop, construct, repair, improve, operate, maintain, decommission or own a
26 transportation facility or utility infrastructure; (2) the determination by the
27 Executive Director of eligible projects; and (3) selection by the Board of Directors
28 of projects that qualify to obtain such a loan or assistance. **Section 25** of this bill
29 requires a borrower whose project is qualified to receive a loan or other financial
30 assistance to enter into a financing agreement with the Bank and, in case of a loan,
31 to issue some kind of security to the Bank that evidences the borrower's obligation
32 to repay the loan.

33 **Section 26** of this bill authorizes the Bank to act as an insurer or reinsurer in
34 connection with a loan or satisfaction of a related obligation made by the Bank.

35 **Section 27** of this bill authorizes the Bank to provide security for any revenue
36 bonds issued by the Bank.

37 **Section 28** of this bill provides that any debt or obligation issued by the Bank is
38 not a debt, liability or obligation of this State or of any political subdivision thereof,
39 or a pledge of the faith and credit of this State or a political subdivision, other than
40 the Bank itself.

41 If a borrower who has received a loan from the Bank fails to make a payment
42 of any money owed to the Bank, **section 29** of this bill authorizes the Bank, under
43 certain circumstances, to require other state agencies that are in possession of
44 money of the State or other money that is allotted or appropriated to the borrower to
45 withhold that money from that borrower and remit it to the Bank to use the money
46 to make the necessary payment to the Bank.

47 **Section 30** of this bill provides a grant of immunity from civil liability to the
48 Board of Directors of the Bank or the officers and employees of the Bank for
49 certain official acts under certain circumstances. **Section 31** of this bill exempts the
50 Bank from certain procedural prerequisites that would otherwise be applicable to its
51 actions. **Section 32** of this bill exempts the property of the Bank and its income
52 from taxation. **Section 33** of this bill exempts the bonds and other securities issued
53 by the Bank from most forms of taxation.

54 **Section 34** of this bill provides that any authority given to a governmental
55 borrower to issue bonds by this bill is supplemental to, and not in lieu of, any
56 existing authority to issue bonds.

57 **Section 35** of this bill also provides that the provisions of this bill are intended
58 to supplement, not supplant, other existing laws concerning the development,
59 construction, repair, improvement, maintenance, decommissioning, operation and
60 ownership of transportation facilities and utility infrastructure and the issuance of
61 bonds and other securities by this State and political subdivisions thereof. However,
62 **section 35** also provides that if there is a conflict between those laws and this bill,
63 the provisions of this bill control. **Section 35** also provides that a contract for

64 construction on a qualified project funded in whole or in part by a loan or other
65 financial assistance from the Bank is subject to the prevailing wage requirement.
66 **Section 36** of this bill requires the Bank to submit an annual report concerning
67 its activities to the Governor and the Legislature. **Section 36.5** of this bill authorizes
68 the divisions of the Department of Transportation, to the extent that money is
69 available for that purpose, to provide technical advice, support and assistance to the
70 Bank.
