4 improvement, maintenance, decommissioning, operation and ownership of certain
5 transportation facilities and utility infrastructure. **Sections 20 and 37.1** of this bill
6 create the Bank within the Department of Transportation and provide for its
7 governance by a Board of Directors. **Section 21** of this bill establishes certain
8 powers and duties of the Board of Directors. **Section 21** further authorizes the
9 Board of Directors to issue bonds or other securities to raise money to carry out its
10 statutory purposes and powers. **Section 21** also requires the Board of Directors to
11 act in a commercially reasonable manner and authorizes the Board of Directors to
12 rely on certain information if it is prepared or presented by certain people or
13 entities. **Section 22** of this bill requires the Governor, to the extent that money is
14 available from public or private sources for administrative costs, to appoint an
15 Executive Director to administer, manage and conduct the affairs of the Bank and
16 establishes the powers and duties of the Executive Director. **Section 22** also
17 requires that the Executive Director and any employees hired be paid from money
18 allocated to the Bank and appropriated or authorized by the Legislature or the
19 Interim Finance Committee. **Section 23** of this bill creates the Nevada State
20 Infrastructure Bank Fund to be administered by the Board of Directors and used
21 exclusively to capitalize and carry out the statutory powers and purpose of the
22 Bank.

23 **Section 24** of this bill establishes certain procedures relating to: (1) applications
24 for a loan or other financial assistance from the Bank in connection with a project
25 to develop, construct, repair, improve, operate, maintain, decommission or own a
26 transportation facility or utility infrastructure; (2) the determination by the
27 Executive Director of eligible projects; and (3) selection by the Board of Directors
28 of projects that qualify to obtain such a loan or assistance. **Section 25** of this bill
29 requires a borrower whose project is qualified to receive a loan or other financial
30 assistance to enter into a financing agreement with the Bank and, in case of a loan,
31 to issue some kind of security to the Bank that evidences the borrower's obligation
32 to repay the loan.

33 **Section 26** of this bill authorizes the Bank to act as an insurer or reinsurer in
34 connection with a loan or satisfaction of a related obligation made by the Bank.
35 **Section 27** of this bill authorizes the Bank to provide security for any revenue
36 bonds issued by the Bank.

37 **Section 28** of this bill provides that any debt or obligation issued by the Bank is
38 not a debt, liability or obligation of this State or of any political subdivision thereof,
39 or a pledge of the faith and credit of this State or a political subdivision, other than
40 the Bank itself.

41 If a borrower who has received a loan from the Bank fails to make a payment
42 of any money owed to the Bank, **section 29** of this bill authorizes the Bank, under
43 certain circumstances, to require other state agencies that are in possession of
44 money of the State or other money that is allotted or appropriated to the borrower to
45 withhold that money from that borrower and remit it to the Bank to use the money
46 to make the necessary payment to the Bank.

47 **Section 30** of this bill provides a grant of immunity from civil liability to the
48 Board of Directors of the Bank or the officers and employees of the Bank for
49 certain official acts under certain circumstances. **Section 31** of this bill exempts the
50 Bank from certain procedural prerequisites that would otherwise be applicable to its
51 actions. **Section 32** of this bill exempts the property of the Bank and its income
52 from taxation. **Section 33** of this bill exempts the bonds and other securities issued
53 by the Bank from most forms of taxation.

54 **Section 34** of this bill provides that any authority given to a governmental
55 borrower to issue bonds by this bill is supplemental to, and not in lieu of, any
56 existing authority to issue bonds.

57 **Section 35** of this bill also provides that the provisions of this bill are intended
58 to supplement, not supplant, other existing laws concerning the development,

59 construction, repair, improvement, maintenance, decommissioning, operation and
60 ownership of transportation facilities and utility infrastructure and the issuance of
61 bonds and other securities by this State and political subdivisions thereof. However,
62 **section 35** also provides that if there is a conflict between those laws and this bill,
63 the provisions of this bill control. **Section 35** also provides that a contract for
64 construction on a qualified project funded in whole or in part by a loan or other
65 financial assistance from the Bank is subject to the prevailing wage requirement.

66 **Section 36** of this bill requires the Bank to submit an annual report concerning
67 its activities to the Governor and the Legislature. **Section 36.5** of this bill authorizes
68 the divisions of the Department of Transportation, to the extent that money is
69 available for that purpose, to provide technical advice, support and assistance to the
70 Bank.

71 Existing law creates the Oversight Panel for Convention Facilities to perform
72 certain functions related to the oversight of the renovation or expansion of the Las
73 Vegas Convention Center. (Section 53 of chapter 2, Statutes of Nevada 2016, 30th
74 Special Session, p. 54) Under existing law, the Las Vegas Convention and Visitors
75 Authority is required to submit to the Oversight Panel an annual third-party audit of
76 the use of certain revenues for the expansion or renovation of the Convention
77 Center. This audit must be submitted to the Oversight Panel on or before August 31
78 of each year. (Section 54 of chapter 2, Statutes of Nevada 2016, 30th Special
79 Session, p. 55) **Section 37.8** of this bill revises the due date for the audit so that the
80 audit must be submitted to the Oversight Panel not later than 5 months after the end
81 of the fiscal year for which the audit is performed.

82 Existing law requires certain taxes on the rental of transient lodging and certain
83 other revenue to be pledged for the payment of bonds issued to defray the cost of
84 the renovation or expansion of the Las Vegas Convention Center. (Sections 56-58
85 of chapter 2, Statutes of Nevada 2016, 30th Special Session, pp. 56-57) Under
86 existing law, if the proceeds of certain taxes on the rental of transient lodging which
87 must be pledged to the payment of such bonds will generate sufficient revenue to
88 meet or exceed a debt service coverage ratio of 1.5 times the anticipated annual
89 debt service for the term of the bonds, the bonds must be issued in accordance with
90 certain provisions of existing law. (Section 61 of chapter 2, Statutes of Nevada
91 2016, 30th Special Session, p. 58) **Section 37.9** of this bill provides that the
92 revenue pledged for the payment of such bonds include available proceeds from
93 other taxes imposed on the rental of transient lodging that will be pledged to the
94 payment of such bonds and certain other revenues that will be pledged for the
95 payment of such bonds. (Section 56 of chapter 2, Statutes of Nevada 2016, 30th
96 Special Session, p. 56)
