AN ACT relating to health care professionals; prohibiting certain health care professionals from providing sexual orientation or gender identity conversion therapy to a minor; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law regulates homeopathic physicians, advanced practitioners of homeopathy, homeopathic assistants and certain mental health professionals including psychiatrists, psychologists, licensed marriage and family therapists, certain registered nurses and certain licensed clinical or independent social workers. (Chapters 630, 630A, 632, 633 and 641-641B of NRS) This bill prohibits homeopathic physicians, advanced practitioners of homeopathy, homeopathic assistants and certain mental health professionals from providing ~~sexual orientation or gender identity~~ conversion therapy to a person who is under 18 years of age.

**This bill defines “conversion therapy” to mean any practice or treatment that seeks to change the sexual orientation or gender identity of a person, including any practice or treatment that seeks to change behaviors or gender expressions or to eliminate or reduce sexual or romantic attractions or feelings toward persons of the same gender. However, this bill excludes from the definition of “conversion therapy” providing spiritual or other support and guidance to a person which uses speech alone to assist the person in discussing or achieving the desired sexual orientation or gender identity.**
