AN ACT relating to collective bargaining; increasing the amount of time within which the Local Government Employee-Management Relations Board must conduct a hearing relating to certain complaints; removing certain restrictions on payment of compensation or monetary benefits upon expiration of a collective bargaining agreement; revising various provisions relating to negotiations between a school district and an employee organization representing teachers or educational support personnel; revising provisions relating to bargaining concessions for certain employee leave; repealing certain provisions governing school administrators; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law: (1) generally authorizes the Local Government Employee-Management Relations Board to hear and determine any complaint arising under the provisions of law governing collective bargaining by a local government employer, local government employee or employee organization; (2) generally requires the Board to conduct a hearing within 180 days after it decides to hear a complaint; and (3) requires the Board, unless waived by the parties, to hear a complaint not later than 45 days after the Board decides to hear the complaint if a complaint alleges that a local government employer or an employee organization willfully refused to bargain collectively in good faith. (NRS 288.110) Section 1 of this bill removes the requirement for the Board to conduct a hearing not later than 45 days after deciding to hear the complaint for those specific circumstances.

Existing law authorizes any controversy concerning a prohibited practice relating to collective bargaining to be submitted to the Local Government Employee-Management Relations Board. (NRS 288.280) Existing law also provides that if the controversy involves an alleged failure to provide certain required information relating to the collective bargaining, the Board must conduct a hearing as soon as possible after the complaint is filed and, in any case, not later than 45 days after the Board decides to hear the complaint, unless the parties agree to waive the requirement. Section 7 of this bill removes the provision which requires the Board to conduct such a hearing not later than 45 days after the Board decides to hear the complaint.

Existing law prohibits a local government employer, with limited exceptions, from increasing any compensation or monetary benefits paid to or on behalf of employees in the affected bargaining unit upon the end of the term stated in a collective bargaining agreement and until the successor agreement becomes effective. (NRS 288.155) Section 3 of this bill removes this prohibition and instead authorizes collective bargaining agreements entered into between local government employers and employee organizations to remain in effect beyond the term of office of any member or officer of the local government employer.

Existing law: (1) generally requires a local government employer to engage in collective bargaining with the recognized employee organization, if any, for each bargaining unit among its employees; and (2) excludes from membership in a bargaining unit, any school administrator whose annual salary, adjusted for
inflation is greater than $120,000, thus prohibiting such a school administrator from engaging in collective bargaining with their employer. (NRS 288.170) Section 4 of this bill removes this prohibition and instead requires employees in certain supervisory and administrative positions, including certain school administrators, to be members of a different bargaining unit from the employees they supervise.

Existing law requires an employee organization to give written notice of its desire to negotiate to the local government employer. If the subject of negotiation requires the budgeting of money by the local government employer, the notice must be given by the employee organization either: (1) on or before February 1; or (2) if the employee organization represents teachers or educational support personnel, on or before January 1. (NRS 288.180) Section 5 of this bill removes the distinct date for the notice requirement given by an employee organization that represents teachers or educational support personnel so that the date for giving written notice to the local government employer concerning such negotiations is February 1 for all employee organizations.

Existing law requires the parties in a negotiation between a school district and an employee organization representing teachers and educational support personnel to: (1) have eight sessions of negotiation before the issues are submitted to an arbitrator; (2) select an arbitrator not later than 330 days before the end of the term stated in the existing collective bargaining agreement; and (3) schedule a hearing of not less than 3 consecutive business days. (NRS 288.217) Section 6 of this bill: (1) removes the latter two of those three requirements; (2) decreases the required number of negotiation sessions to four sessions before the issues are submitted to an arbitrator; and (3) requires the arbitrator to hold a hearing concerning the dispute after giving 7 days' written notice to the parties and within 30 days after being selected.

Existing law authorizes a local government employer to provide leave to any of its employees for time spent by an employee in providing services for an employee organization, conditioned upon: (1) payment or reimbursement of the cost of the leave by the affected employee organization; or (2) bargaining concessions by the employee organization which offset the cost of the leave. (NRS 288.225) Section 6.5 of this bill provides that if such leave was provided by a local government employer as of June 1, 2015, to a given number of employees, bargaining concessions are deemed to have been made by the employee organization for the past, present and future costs of providing the leave to that number of employees.

Section 20 of this bill repeals provisions: (1) concerning the at-will status of a principal during certain periods of employment by a school district and the principal, under certain circumstances, being subject to immediate dismissal by the board of trustees of the school district; and (2) requiring certain post probationary school administrators to apply to the superintendent of the school district for reappointment to his or her administrative position every 5 years.

6. 288.155 (a) A collective bargaining agreement:

Agreements entered into between local government employers and employee organizations pursuant to this chapter may extend beyond the term of office of any member or officer of the local government employer.

Sec. 4. NRS 288.170 is hereby amended to read as follows:

288.170 1. Each local government employer which has recognized one or more employee organizations shall determine, after consultation with the recognized organization or organizations, which group or groups of its employees constitute an appropriate unit or units for negotiating. The primary criterion for that determination must be the community of interest among the employees concerned.
2. A school administrator whose annual salary, adjusted for inflation as provided in this subsection, is greater than $120,000 must be excluded from any bargaining unit. The annual salary provided in this subsection must be adjusted on July 1 of each year for the period beginning that day and ending on June 30 of the following year in a rounded dollar amount corresponding to the percentage of increase or decrease in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year. On April 1 of each year, the Commissioner shall determine the amount of the increase or decrease required by this subsection, establish the adjusted amount to take effect on July 1 of that year and notify each school district of the adjusted amount.

3. A principal, assistant principal or other school administrator below the rank of superintendent, associate superintendent or assistant superintendent shall not be a member of the same bargaining unit with public school teachers unless the school district employs fewer than five principals but may join with other officials of the same specified ranks to negotiate as a separate bargaining unit.

3. A head of a department of a local government, an administrative employee or a supervisory employee must not be a member of the same bargaining unit as the employees under the direction of that department head, administrative employee or supervisory employee. Any dispute between the parties as to whether an employee is a supervisor must be submitted to the Board. An employee organization which is negotiating on behalf of two or more bargaining units consisting of firefighters or police officers, as defined in NRS 288.215, may select members of the units to negotiate jointly on behalf of each other, even if one of the units consists of supervisory employees and the other unit does not.

4. Confidential employees of the local government employer must be excluded from any bargaining unit but are entitled to participate in any plan to provide benefits for a group that is administered by the bargaining unit of which they would otherwise be a member.

5. If any employee organization is aggrieved by the determination of a bargaining unit, it may appeal to the Board. Subject to judicial review, the decision of the Board is binding upon the local government employer and employee organizations involved. The Board shall apply the same criterion as specified in subsection 1.

6. As used in this section:

[Except as otherwise provided in this subsection, if the subject of negotiation requires the budgeting of money by the local government employer, the employee organization shall give notice on or before February 1. If an employee organization representing teachers or educational support personnel desires to negotiate concerning any matter which is subject to negotiation pursuant to this chapter, it shall give the notice required by this subsection on or before January 1.]

2. Following the notification provided for in subsection 1, the employee organization or the local government employer may request reasonable information concerning any subject matter included in the scope of mandatory bargaining which it deems necessary for and relevant to the negotiations. The information requested must be furnished without unnecessary delay. The information must be accurate, and must be presented in a form responsive to the request and in the format in which the records containing it are ordinarily kept. If the employee organization requests financial information concerning a metropolitan police department, the local government employers which form that department shall furnish the information to the employee organization.

3. The parties shall promptly commence negotiations. As the first step, the parties shall discuss the procedures to be followed if they are unable to agree on one or more issues.

4. This section does not preclude, but this chapter does not require, informal discussion between an employee organization and a local government employer of any matter which is not subject to negotiation or contract under this chapter. Any such informal discussion is exempt from all requirements of notice or time schedule.

Sec. 6. NRS 288.217 is hereby amended to read as follows:

288.217  1. The provisions of this section govern negotiations between school districts and employee organizations representing teachers and educational support personnel.
2. [Not later than 330 days before the end of the term stated in their collective bargaining agreement, the parties shall select an arbitrator in the manner provided in subsection 2 of NRS 288.200 to conduct a hearing in the event that an impasse is declared pursuant to subsection 3. The parties and the arbitrator shall schedule a hearing of not less than 3 consecutive business days, to begin not later than June 10 immediately preceding the end of the term stated in the collective bargaining agreement or 60 days before the end of that term, whichever is earlier. As a condition of his or her selection, the arbitrator must agree to render a decision, if the hearing is held, within the time required by subsection 9. If the arbitrator fails or refuses to agree to any of the conditions stated in this subsection, the parties shall immediately proceed to select another arbitrator in the manner provided in subsection 2 of NRS 288.200 until an arbitrator is selected who agrees to those conditions.

3. If the parties to a negotiation pursuant to this section have failed to reach an agreement after at least eight four sessions of negotiation, either party may declare the negotiations to be at an impasse and, after 5 days’ written notice is given to the other party, submit the issues remaining in dispute to the arbitrator selected pursuant to subsection 2. The arbitrator must be selected in the manner provided in subsection 2 of NRS 288.200 and has the powers provided for fact finders in NRS 288.210.

4. The arbitrator shall, within 30 days after the arbitrator is selected, and after 7 days’ written notice is given to the parties, hold a hearing to receive information concerning the dispute. The hearing must be held in the county in which the school district is located and the arbitrator shall arrange for a full and complete record of the hearing.

5. The parties to the dispute shall each pay one-half of the costs of the arbitration.

6. A determination of the financial ability of a school district must be based on:

(a) All existing available revenues as established by the school district and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the school district to provide an education to the children residing within the district.

(b) Consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multi-year contract the arbitrator must consider the ability to pay over the life of the contract being negotiated or arbitrated.

Once the arbitrator has determined in accordance with this subsection that there is a current financial ability to grant monetary
benefits, the arbitrator shall consider, to the extent appropriate, compensation of other governmental employees, both in and out of this State.

6. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearing for a period of 3 weeks. If an agreement is reached, it must be submitted to the arbitrator, who shall certify it as final and binding.

7. If the parties do not enter into negotiations or do not agree within 30 days after the hearing held pursuant to subsection 5, each of the parties shall submit a single written statement containing its final offer for each of the unresolved issues.

8. The arbitrator shall, within 10 days after the final offers are submitted, render a decision on the basis of the criteria set forth in NRS 288.200. The arbitrator shall accept one of the written statements and shall report the decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last contract between the parties.

9. The decision of the arbitrator must include a statement:
   (a) Giving the arbitrator’s reason for accepting the final offer that is the basis of the arbitrator’s award; and
   (b) Specifying the arbitrator’s estimate of the total cost of the award.

10. Within 45 days after the receipt of the decision from the arbitrator, the board of trustees of the school district shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
   (a) The issues submitted pursuant to subsection 2;
   (b) The statement of the arbitrator pursuant to subsection 9; and
   (c) The overall fiscal impact of the decision which must not include a discussion of the details of the decision.

11. The superintendent of the school district shall report to the board of trustees the fiscal impact of the decision. The report must include, without limitation, an analysis of the impact of the decision on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

12. As used in this section:
(a) “Educational support personnel” means all classified employees of a school district, other than teachers, who are represented by an employee organization.

(b) “Teacher” means an employee of a school district who is licensed to teach in this State and who is represented by an employee organization.

288.225 1. A local government employer may agree to provide leave to any of its employees for time spent by the employee in performing duties or providing services for an employee organization if the full cost of such leave is paid or reimbursed by the employee organization or is offset by the value of concessions made by the employee organization in the negotiation of an agreement with the local government employer pursuant to this chapter.

2. If such leave was provided by a local government employer as of June 1, 2015, the employee organization shall be deemed for the purposes of this section to have made concessions to offset the past, present and future costs of leave for the number of employees to whom leave was provided as of that date.

Sec. 7. NRS 288.280 is hereby amended to read as follows:

288.280 Any controversy concerning prohibited practices may be submitted to the Board in the same manner and with the same effect as provided in NRS 288.110, except that an alleged failure to provide information as provided by NRS 288.180 must be heard and determined by the Board as soon as possible after the complaint is filed with the Board, and, in any case, not later than 45 days after the Board decides to hear the complaint, unless the parties agree to waive this requirement.

Sec. 15. NRS 391.755 is hereby amended to read as follows:
391.755 1. Whenever an administrator charged with supervision of a licensed employee believes it is necessary to admonish the employee for a reason that the administrator believes may lead to demotion or dismissal or may cause the employee not to be reemployed under the provisions of NRS 391.750, the administrator shall:
   (a) Except as otherwise provided in subsection 3, bring the matter to the attention of the employee involved, in writing, stating the reasons for the admonition and that it may lead to the employee’s demotion, dismissal or a refusal to reemploy him or her, and make a reasonable effort to assist the employee to correct whatever appears to be the cause for the employee’s potential demotion, dismissal or a potential recommendation not to reemploy him or her; and
   (b) Except as otherwise provided in NRS 391.760, allow reasonable time for improvement, which must not exceed 3 months for the first admonition.
   The admonition must include a description of the deficiencies of the teacher and the action that is necessary to correct those deficiencies.
2. An admonition issued to a licensed employee who, within the time granted for improvement, has met the standards set for the employee by the administrator who issued the admonition must be removed from the records of the employee together with all notations and indications of its having been issued. The admonition must be removed from the records of the employee not later than 3 years after it is issued.
3. An administrator need not admonish an employee pursuant to paragraph (a) of subsection 1 if his or her employment will be terminated pursuant to NRS 391.820.
4. A licensed employee is subject to immediate dismissal or a refusal to reemploy according to the procedures provided in NRS 391.650 to 391.830, inclusive, without the admonition required by this section, on grounds contained in paragraphs (b), (f), (g), (h), (p), (s) and (t) of subsection 1 of NRS 391.750.

Sec. 16. NRS 391.775 is hereby amended to read as follows:
391.775 1. At least 15 days before recommending to a board that it demote, dismiss or not reemploy a postprobationary employee, the superintendent shall give written notice to the employee, by
registered or certified mail, of the superintendent’s intention to make the recommendation.

2. The notice must:
   (a) Inform the licensed employee of the grounds for the recommendation.
   (b) Inform the employee that, if a written request therefor is directed to the superintendent within 10 days after receipt of the notice, the employee is entitled to a hearing before a hearing officer pursuant to NRS 391.765 to 391.800, inclusive, or if a dismissal of the employee will occur before the completion of the current school year or if the employee is deemed to be a probationary employee pursuant to NRS 391.730 and dismissal of the employee will occur before the completion of the current school year, the employee may request an expedited hearing pursuant to subsection 3.
   (c) Refer to chapter 391 of NRS.

3. If a postprobationary employee or an employee who is deemed to be a probationary employee pursuant to NRS 391.730 receives notice that he or she will be dismissed before the completion of the current school year, the employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization. If the employee elects to proceed under the expedited procedures, the provisions of NRS 391.770, 391.785 and 391.795 do not apply.

Sec. 17. NRS 391.820 is hereby amended to read as follows:

391.820 Except as otherwise provided in NRS 391.825:
1. A probationary employee is employed on a contract basis for three 1-year periods and has no right to employment after any of the three probationary contract years.
2. The board shall notify each probationary employee in writing during the first, second and third school years of the employee’s probationary period whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Such notice must be provided:
   (a) On or before May 1; or
   (b) On or before May 15 of an odd-numbered year so long as the board notifies the employee of the extension by April 1.
3. Failure of the board to notify the probationary employee in writing on or before May 1 or May 15, as applicable, in the first or second year of the probationary period does not entitle the employee to postprobationary status.
4. The employee must advise the board in writing during the first, second or third year of the employee’s probationary period of the employee’s acceptance of reemployment. Such notice must be provided:
   (a) On or before May 10 if the board provided its notice on or before May 1; or
   (b) On or before May 25 if the board provided a notice of an extension pursuant to paragraph (b) of subsection 2.

5. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in the first, second and third years of the employee’s probationary period, no later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify a probationary employee in writing within the prescribed period in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee’s acceptance of reemployment pursuant to this subsection constitutes rejection of the contract.

6. A probationary employee who:
   (a) Completes a 3-year probationary period;
   (b) Receives a designation of “highly effective” or “effective” on each of his or her performance evaluations for 2 consecutive school years; and
   (c) Receives a notice of reemployment from the school district in the third year of the employee’s probationary period,
   is entitled to be a postprobationary employee in the ensuing year of employment.

7. If a probationary employee is notified that the employee will not be reemployed for the school year following the 3-year probationary period, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

8. A new employee who is employed as an administrator to provide primarily administrative services at the school level and who does not provide primarily direct instructional services to pupils, regardless of whether the administrator is licensed as a teacher or administrator, including, without limitation, a principal
and vice principal, or a postprobationary teacher who is employed as an administrator to provide those administrative services shall be deemed to be a probationary employee for the purposes of this section and must serve a 3-year probationary period as an administrator in accordance with the provisions of this section. If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after any year of his or her probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed, the board of trustees of the school district shall, on or before May 1 or May 15, as applicable, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10 or May 25, as applicable. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

9. An administrator who has completed his or her probationary period pursuant to subsection 8 and is thereafter promoted to the position of principal must serve an additional probationary period of 2 years in the position of principal. If an administrator is promoted to the position of principal before completion of his or her probationary period pursuant to subsection 8, the administrator must serve the remainder of his or her probationary period pursuant to subsection 8 or an additional probationary period of 2 years in the position of principal, whichever is longer. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the probationary period or additional probationary period, as applicable, the board of trustees of the school district in which the person is employed shall, on or before May 1 or May 15, as applicable, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10 or May 25, as applicable. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

10. If a probationary employee receives notice that he or she will be dismissed before the completion of the current school year, the probationary employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization.
Sec. 18. NRS 391A.400 is hereby amended to read as follows:

391A.400 1. There is hereby created the Grant Fund for Incentives for Licensed Educational Personnel to be administered by the Department. The Department may accept gifts and grants from any source for deposit in the Grant Fund.

2. The board of trustees of each school district shall establish a program of incentive pay for licensed teachers, school psychologists, school librarians, school counselors and administrators employed at the school level which must be designed to attract and retain those employees. The program must be negotiated pursuant to chapter 288 of NRS \[\text{insofar as the provisions of that chapter apply to those employees}\] and must include, without limitation, the attraction and retention of:

(a) Licensed teachers, school psychologists, school librarians, school counselors and administrators employed at the school level who have been employed in that category of position for at least 5 years in this State or another state and who are employed in schools which are at-risk, as determined by the Department pursuant to subsection 8; and

(b) Teachers who hold a license or endorsement in the field of mathematics, science, special education, English as a second language or other area of need within the school district, as determined by the Superintendent of Public Instruction.

3. A program of incentive pay established by a school district must specify the type of financial incentives offered to the licensed educational personnel. Money available for the program must not be used to negotiate the salaries of individual employees who participate in the program.

4. If the board of trustees of a school district wishes to receive a grant of money from the Grant Fund, the board of trustees shall submit to the Department an application on a form prescribed by the Department. The application must include a description of the program of incentive pay established by the school district.

5. The Superintendent of Public Instruction shall compile a list of the financial incentives recommended by each school district that submitted an application. On or before December 1 of each year, the Superintendent shall submit the list to the Interim Finance Committee for its approval of the recommended incentives.

6. After approval of the list of incentives by the Interim Finance Committee pursuant to subsection 5 and within the limits of money available in the Grant Fund, the Department shall provide grants of money to each school district that submits an application pursuant to subsection 4 based upon the amount of money that is
necessary to carry out each program. If an insufficient amount of money is available to pay for each program submitted to the Department, the amount of money available must be distributed pro rata based upon the number of licensed employees who are estimated to be eligible to participate in the program in each school district that submitted an application.

7. An individual employee may not receive as a financial incentive pursuant to a program an amount of money that is more than $3,500 per year.

8. The Department shall, in consultation with representatives appointed by the Nevada Association of School Superintendents and the Nevada Association of School Boards, develop a formula for identifying at-risk schools for purposes of this section. The formula must be developed on or before July 1 of each year and include, without limitation, the following factors:

(a) The percentage of pupils who are eligible for free or reduced-price lunches pursuant to 42 U.S.C. §§ 1751 et seq.;
(b) The transiency rate of pupils;
(c) The percentage of pupils who are limited English proficient;
(d) The percentage of pupils who have individualized education programs; and
(e) The percentage of pupils who drop out of high school before graduation.

9. The board of trustees of each school district that receives a grant of money pursuant to this section shall evaluate the effectiveness of the program for which the grant was awarded. The evaluation must include, without limitation, an evaluation of whether the program is effective in recruiting and retaining the personnel as set forth in subsection 2. On or before December 1 of each year, the board of trustees shall submit a report of its evaluation to the:

(a) Governor;
(b) State Board;
(c) Interim Finance Committee;
(d) If the report is submitted in an even-numbered year, Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature; and
(e) Legislative Committee on Education.

Sec. 19. Insofar as they conflict with the provisions of such an agreement, the amendatory provisions of this act do not apply during the current term of any collective bargaining agreement entered into before the effective date of this act, but do apply to any extension or renewal of such an agreement and to any collective
bargaining agreement entered into on or after the effective date of this act. For the purposes of this section, the term of a collective bargaining agreement ends on the date provided in the agreement, notwithstanding any provision of the agreement that it remains in effect, in whole or in part, after that date until a successor agreement becomes effective.

**Sec. 20.** NRS 391.825 and 391.830 are hereby repealed.

**Sec. 21.** This act becomes effective upon passage and approval.
