Legislative Counsel’s Digest:

- 1 Existing law defines the words “to trap” and the derivatives “trapping” and
- 2 “trapped” to mean to set or operate any device, mechanism or contraption that is
- 3 designed, built or made to close upon or hold fast any wildlife and every act of
- 4 assistance to any person so doing. (NRS 501.090) Existing law defines the term
- 5 “wildlife” to mean any wild mammal, wild bird, fish, reptile, amphibian, mollusk or
- 6 crustacean found naturally in a wild state, whether indigenous to Nevada or not and
- 7 whether raised in captivity or not. (NRS 501.097) **Section 1** of this bill revises the
- 8 definition of “to trap,” “trapping” and “trapped” by deleting the term “wildlife” and
- 9 substituting the term “animal.”
- 10 Existing law sets forth certain legislative declarations regarding wildlife. (NRS
- 11 501.100) **Section 2** of this bill amends existing law by adding to those declarations
- 12 a statement indicating that the prohibition of trapping on public lands will achieve
- 13 the goal of preserving animals in the State of Nevada.
- 14 Existing law authorizes the Department of Wildlife to determine methods of
- 15 obtaining necessary data from hunters, trappers and anglers relative to their

16 activities and success. The methods may include a return of reports attached to
17 licenses and tags or questionnaires addressed to license holders. (NRS 501.119)
18 **Section 3** of this bill requires any report or questionnaire returned to the
19 Department by the holder of a trapping license to include a statement setting forth
20 the amount of profit obtained by him or her from trapping and the amount of any
21 applicable sales tax collected.

22 Under existing law, a person is guilty of a misdemeanor if the person performs
23 an act or attempts to perform an act which is made unlawful by a provision of title
24 45 of NRS governing wildlife. (NRS 501.385) Existing law makes it unlawful for a
25 person to hunt any fur-bearing mammal other than by trap, gun or bow and arrow.
26 (NRS 503.450) **Section 4** of this bill makes it unlawful for any person at any time
27 to trap any animals on public lands. **Section 4** defines "public lands" to include any
28 land that is owned or leased by a city or county or the State of Nevada and any land
29 that is managed and controlled in this State by the Bureau of Land Management,
30 the Bureau of Reclamation, the National Park Service, the United States
31 Department of Defense, the United States Department of Energy and the United
32 States Forest Service. **Section 5** of this bill makes a conforming change.
