Legislative Counsel’s Digest:

- 1 Existing law generally provides for the imposition of various penalties for
- 2 violations of law relating to motor carriers after a person is provided a hearing
- 3 before the Nevada Transportation Authority (NTA), the Taxicab Authority (TA) or

* S B 4 0 1 *

4 the Taxicab Administrator, as applicable. (NRS 706.011-706.791, 706.881-
5 706.885) **Sections 2 and 5** of this bill provide that any person employed by the
6 NTA or the TA, respectively, who is authorized to issue citations may issue a
7 citation to any person suspected of violating a provision of law or a regulation
8 subject to the jurisdiction of the NTA or the TA, as applicable. Such a citation shall
9 be deemed to be a lawful complaint upon the filing of the original citation with a
10 court of competent jurisdiction. After such a citation is filed with a court of
11 competent jurisdiction, the citation may only be disposed of by a hearing in that
12 court or other official action by a judge of that court. **Sections 2 and 5** set forth the
13 information that such a citation is required to include and require a person who
14 issues such a citation to sign the citation on behalf of the NTA or the TA,
15 respectively. **Sections 2 and 5** also require the NTA and the TA, respectively, to
16 adopt any regulations necessary to carry out the provisions of those sections.
17 **Sections 9-19, 22, 23 and 26-33** of this bill make conforming changes to reflect the
18 procedure established in **sections 2 and 5**.

19 **Sections 3 and 6** of this bill provide that any person employed by the NTA or
20 the TA, respectively, who is authorized to stop a vehicle for a suspected violation
21 of a provision of law or a regulation subject to the jurisdiction of the NTA or the
22 TA, as applicable, is prohibited from stopping any such vehicle unless the person
23 has probable cause to believe that a violation has occurred.

24 Existing law requires the NTA to impound a vehicle used as a taxicab,
25 limousine or other passenger vehicle in passenger service or to provide towing
26 services or the transportation of household goods if a certificate of public
27 convenience and necessity is required to be issued to authorize the operation of any
28 such vehicle but has not been issued to authorize its operation. (NRS 706.476)
29 Similarly, existing law requires the TA to impound a vehicle used as a taxicab,
30 limousine or other passenger vehicle in passenger service if a certificate of public
31 convenience and necessity has not been issued authorizing the operation of such a
32 vehicle. (NRS 706.88395) **Section 35** of this bill repeals such provisions and
33 **sections 4 and 7** of this bill, respectively, prohibit the NTA and the TA from
34 impounding any such vehicle.

35 Existing law provides that if the NTA imposes an administrative fine against a
36 person, the NTA is required to provide notice to the person which indicates that if
37 the person fails to pay the amount owed, the NTA is required to notify the
38 Department of Motor Vehicles of such failure to pay and the Department may
39 suspend the driver's license of the person. (NRS 706.772) Existing law also
40 establishes the procedure for the suspension of the driver's license of a person by
41 the Department after receiving such notice from the NTA. (NRS 483.441) **Section**
42 **35** of this bill repeals such provisions.
