

CHAPTER.....

AN ACT relating to education; abolishing the P-20W Advisory Council; creating the P-20W Research Data System Advisory Committee; prescribing the membership and duties of the Committee; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

In 2007, the P-16 Advisory Council was created to assist in the coordination between elementary, secondary and higher education in this State. (Section 6 of chapter 522, Statutes of Nevada 2007, pp. 3156-57) In 2013, the membership of the P-16 Advisory Council was revised and the Council was renamed the P-20W Advisory Council. (Section 1 of chapter 139, Statutes of Nevada 2013, pp. 475-76)

Existing law requires the P-20W Advisory Council to address, in part: (1) methods to ensure the successful transition of children from early childhood education programs to elementary school; (2) the development and oversight of a statewide longitudinal data system that links data relating to early childhood education programs and K-12 public education with data relating to postsecondary education and the State’s workforce; and (3) a plan for collaborative research using data from the statewide longitudinal data system. (NRS 400.040)

Section 9 of this bill abolishes the Council and repeals provisions relating to the meetings and duties of the Council. **Section 3** of this bill instead creates the P-20W Research Data System Advisory Committee, consisting of three ex officio members and such additional members as the Governor determines are necessary or desirable. **Section 4** of this bill requires the Committee to: (1) develop and oversee a statewide longitudinal data system that links data relating to early childhood education programs and K-12 public education with data relating to postsecondary education and the workforce in this State; (2) develop a plan for collaborative research using data from the statewide longitudinal data system; and (3) advise and assist certain entities with certain duties relating to the operation of the statewide longitudinal data system and the work of the Committee. **Section 6** of this bill requires the Committee to: (1) prepare and post a biennial report of its activities and any recommendations on the Internet website maintained by the Department of Employment, Training and Rehabilitation; and (2) submit the written report to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature and the Governor. **Section 7** of this bill makes a conforming change.

Senate Bill No. 516 of this session, if enacted, would require the Executive Director of the Office of Workforce Innovation in the Office of the Governor to maintain and oversee the statewide longitudinal data system that links data relating to early childhood education programs and K-12 public education with data relating to postsecondary education and the State’s workforce. **Sections 6.5, 7.3 and 7.7** of this bill, which become effective only if Senate Bill No. 516 is enacted and becomes effective, make conforming changes to this bill to require: (1) the Office of Workforce Innovation to provide any necessary administrative support for the P-20W Research Data System Advisory Committee; (2) the Committee to support and advise the Executive Director of the Office of Workforce Innovation as he or she maintains and oversees the statewide longitudinal data system; and (3) the Committee to post its biennial report on the website of the Office of Workforce Innovation.
