18 Interest and Redemption Account in the Consolidated Bond Interest  
19 and Redemption Fund on or before September 17, 2021.

20 **Sec. 8.** 1. Except as otherwise provided in subsection 2, the  
21 State Board of Finance shall issue general obligation bonds of the  
22 State of Nevada in the face amount of not more than \$42,016,797

25 Construct New Department of Motor Vehicles Service Office, Reno.  
26 The provisions of the State Securities Law, NRS 349.150 to  
27 349.364, inclusive, apply to the bonds authorized by this subsection.

28 2. The State Board of Finance shall not issue the bonds  
29 described in subsection 1 unless the Board determines that the  
30 money budgeted or to be budgeted pursuant to subsection 3 will be  
31 sufficient to pay the bond repayment costs of the bonds authorized  
32 by subsection 1. In making its determination under this subsection,  
33 the State Board of Finance shall be entitled to rely on a certification  
34 of the Director of the Office of Finance in the Office of the  
35 Governor that the money budgeted and to be budgeted pursuant to  
36 subsection 3 will be sufficient to pay the bond repayment costs of  
37 the bonds authorized by subsection 1. Any determination by the  
38 State Board of Finance under this subsection shall be conclusive. As  
39 used in this subsection, "bond repayment costs" means the principal  
40 of and interest on the bonds and any other costs related to the  
41 payment of the bonds or compliance with covenants made in  
42 connection with those bonds, as estimated by the State Treasurer.

43 3. The Legislature intends that 12.0 percent of the annual bond  
44 repayment costs of the bonds authorized by subsection 1, and any  
45 bonds directly or indirectly, through a series of refundings,

1 refunding those bonds, will be paid from the Pollution Control  
2 Account created by NRS 445B.830, and 88.0 percent of those  
3 annual bond repayment costs will be paid from annually available  
4 money in the State Highway Fund. The Director of the Office of  
5 Finance in the Office of the Governor, the Director of the  
6 Department of Transportation and the Director of the Department of  
7 Motor Vehicles are hereby directed to budget for payment of such  
8 bond repayment costs from the sources and in the proportions stated  
9 in this subsection in each budget or other spending plan presented to  
10 the Legislature for the expenditure of amounts in the Pollution  
11 Control Account created by NRS 445B.830 and the State Highway  
12 Fund after the effective date of this section until the bonds  
13 authorized by subsection 1 and any bonds directly or indirectly  
14 refunding those bonds are no longer outstanding. The money so  
15 budgeted to pay the annual bond repayment costs of the bonds  
16 authorized by subsection 1, and any bonds directly or indirectly,  
17 through a series of refundings, refunding those bonds, are hereby  
18 appropriated in each year to the Consolidated Bond Interest and  
19 Redemption Fund to pay such bond repayment costs. As used in this  
20 subsection, "annually available money in the State Highway Fund"  
21 means money remaining in the State Highway Fund in any year

23 408.273 in that year have been paid or provision for such payment  
24 has been made.

25 **Sec. 9.** Any remaining balance of the allocated amounts  
26 authorized in section 8 of this act must not be committed for

38 2. The State Board of Finance shall not issue the bonds  
39 described in subsection 1 unless the Board determines that the  
40 money budgeted or to be budgeted pursuant to subsection 3 will be  
41 sufficient to pay the bond repayment costs of the bonds authorized  
42 by subsection 1. In making its determination under this subsection,  
43 the State Board of Finance shall be entitled to rely on a certification  
44 of the Director of the Office of Finance in the Office of the  
45 Governor that the money budgeted and to be budgeted pursuant to

1 subsection 3 will be sufficient to pay the bond repayment costs of  
2 the bonds authorized by subsection 1. Any determination by the  
3 State Board of Finance under this subsection shall be conclusive. As  
4 used in this subsection, "bond repayment costs" means the principal  
5 of and interest on the bonds and any other costs related to the  
6 payment of the bonds or compliance with covenants made in  
7 connection with those bonds, as estimated by the State Treasurer.

8 3. The Legislature intends that the annual bond repayment  
9 costs of the bonds authorized by subsection 1, and any bonds  
10 directly or indirectly, through a series of refundings, refunding those  
11 bonds, will be paid from the State General Fund. The Director of the  
12 Office of Finance in the Office of the Governor is hereby directed to  
13 budget for payment of such bond repayment costs from the source  
14 stated in this subsection in each budget or other spending plan  
15 presented to the Legislature for the expenditure of amounts in the  
16 State General Fund after the effective date of this section until the  
17 bonds authorized by subsection 1 and any bonds directly or  
18 indirectly refunding those bonds are no longer outstanding. The  
19 money so budgeted to pay the annual bond repayment costs of the  
20 bonds authorized by subsection 1, and any bonds directly or  
21 indirectly, through a series of refundings, refunding those bonds, are  
22 hereby appropriated in each year to the Consolidated Bond Interest  
23 and Redemption Fund to pay such bond repayment costs.

24 **Sec. 11.** Any remaining balance of the allocated amounts  
25 authorized in section 10 of this act must not be committed for  
26 expenditure after June 30, 2021, and must be reverted to the Bond  
27 Interest and Redemption Account in the Consolidated Bond Interest

3 2. The amount authorized to be issued under subsection 1 shall  
4 equal the difference between the amount authorized to be issued for  
5 the specific purposes identified in section 1 of chapter 437, Statutes  
6 of Nevada 2011, at page 2638, and the amount actually issued for  
7 those specific purposes before the effective date of this section.

8 **Sec. 29.** The State Board of Finance shall issue general  
9 obligation bonds of the State of Nevada in the face amount of not  
10 more than \$1,000,000 in the 2017-2019 biennium as provided in  
11 NRS 349.986 for the program for providing grants for water  
12 conservation and capital improvements to certain water systems.

13 **Sec. 30.** 1. An ad valorem tax of 15.45 cents on each 100 of  
14 assessed valuation of taxable property is hereby levied for Fiscal  
15 Year 2017-2018, and an ad valorem tax of 15.45 cents on each \$100  
16 of assessed valuation is hereby levied for Fiscal Year 2018-2019.  
17 The taxes levied must be collected in the manner provided in  
18 chapter 361 of NRS on all taxable property in this State, including,  
19 without limitation, the net proceeds of minerals and excluding such  
20 property as is by law exempt from taxation. Notwithstanding the  
21 provisions of NRS 361.453 to the contrary, 0.45 cents of the levies  
22 imposed pursuant to this subsection must not be included in  
23 calculating the limitation set forth in subsection 1 of NRS 361.453  
24 on the total ad valorem tax levied for all public purposes.

25 2. An ad valorem tax of 1.55 cents on each \$100 of assessed  
26 valuation of taxable property is hereby levied for Fiscal Year 2017-  
27 2018, and an ad valorem tax of 1.55 cents on each \$100 of assessed  
28 valuation is hereby levied for Fiscal Year 2018-2019. The taxes  
29 levied must be collected in the manner provided in chapter 361 of  
30 NRS on all taxable property in this State, including, without  
31 limitation, the net proceeds of minerals and excluding such property  
32 as is by law exempt from taxation. The proceeds of the taxes levied  
33 pursuant to this subsection must be used exclusively for the  
34 repayment of bonded indebtedness issued pursuant to the provisions  
35 of chapter 6, Statutes of Nevada 2001, 17th Special Session, at page  
36 104. Notwithstanding the provisions of NRS 361.453 to the  
37 contrary, the levies imposed pursuant to this subsection must not be  
38 included in calculating the limitation set forth in subsection 1 of  
39 NRS 361.453 on the total ad valorem tax levied for all public  
40 purposes.

41 3. The proceeds of the taxes levied by this section are hereby  
42 appropriated in each fiscal year to the Consolidated Bond Interest  
43 and Redemption Fund to discharge the obligations of the State of  
44 Nevada as they are respectively due in that fiscal year. Any balance

1 of the money appropriated by this section remaining at the end of  
2 the respective fiscal years does not revert to the State General Fund.

3 **Sec. 31.** 1. On or before July 1, 2017, and July 1, 2018, the  
4 State Treasurer shall estimate the amount of proceeds of the taxes  
5 levied by section 30 of this act. If the sum of that estimate and the  
6 balance of ad valorem reserves in the Consolidated Bond Interest  
7 and Redemption Fund is less than the total obligation of the State of  
8 Nevada for payment of the interest on and principal of bonds  
9 which will become due in the fiscal year, the State Treasurer shall  
10 ask the State Controller to reserve in the State General Fund an  
11 amount which is sufficient to pay the remainder of the total  
12 obligation. The State Treasurer may revise the estimate and amount  
13 reserved.

14 2. If the money in the Consolidated Bond Interest and  
15 Redemption Fund is insufficient to pay those obligations as they  
16 become due, the State Controller shall cause the money in reserve to  
17 be transferred from the State General Fund to the Consolidated  
18 Bond Interest and Redemption Fund. The amount reserved is hereby  
19 contingently appropriated for that purpose. Any balance of the sums  
20 appropriated by this subsection remaining at the end of the  
21 respective fiscal years must not be committed for expenditure after  
22 June 30 of the respective fiscal years and must be reverted to the  
23 State General Fund on or before September 21, 2018, and  
24 September 20, 2019, respectively.

25 3. The State Treasurer shall report to the Legislature or, if the  
26 Legislature is not in session, to the Interim Finance Committee:

27 (a) The amount of any estimate made pursuant to subsection 1  
28 and the amount of money reserved in the State General Fund based  
29 upon the estimate;

30 (b) The amount of money transferred from the State General  
31 Fund pursuant to subsection 2; and

32 (c) The amount of money which reverts to the State General  
33 Fund pursuant to subsection 2.

34 **Sec. 32.** The State Board of Finance, in its capacity as the  
35 State General Obligation Bond Commission and to the extent that  
36 money is available, shall pay the expenses related to the issuance of  
37 general obligation bonds approved by the 79th Session of the  
38 Nevada Legislature from the proceeds of those bonds.

39 **Sec. 33.** 1. Expenditure of the following sums not  
40 appropriated from the State General Fund or the State Highway  
41 Fund is hereby authorized from the Consolidated Bond Interest and  
42 Redemption Fund in the amount of \$146,628,280 for Fiscal Year  
43 2017-2018, and in the amount of \$141,157,898 for Fiscal Year  
44 2018-2019.

1 2. Notwithstanding the provisions of subsection 4 of NRS  
2 353.220, the approval of the Interim Finance Committee is not  
3 required for any request for the revision of a work program for any  
4 account within the Consolidated Bond Interest and Redemption  
5 Fund for the payment of principal, interest and related costs of  
6 issuance for securities approved by the State Legislature pursuant to  
7 the provisions of this act.

8 **Sec. 34.** 1. With the approval of the Interim Finance  
9 Committee, the State Public Works Division of the Department of  
10 Administration and the Nevada System of Higher Education may  
11 transfer appropriated, allocated and authorized money from one  
12 project to another within the same agency or within the Nevada  
13 System of Higher Education for those projects listed in sections 1, 3,  
14 6, 10, 15, 17, 19, 21 and 35 of this act.

15 2. Transfers of money pursuant to subsection 1 to or from  
16 projects that are also authorized in section 23 of this act must  
17 maintain the overall ratio of appropriated, allocated and authorized  
18 money in total for those projects.

19 **Sec. 35.** The money collected pursuant to the annual tax on  
20 slot machines imposed pursuant to NRS 463.385 that is distributed  
21 to the Special Capital Construction Fund for Higher Education,  
22 except any amount of that money which is needed to pay the  
23 principal and interest on bonds, is appropriated to the State Public  
24 Works Division of the Department of Administration in the sum of  
25 \$3,483,842 for the project numbered and described in the Executive  
26 Budget for the 2017-2019 biennium or otherwise described as  
27 project 17-M01, Deferred Maintenance, Nevada System of Higher  
28 Education.

29 **Sec. 36.** Any remaining balance of the appropriation made by  
30 section 35 of this act must not be committed for expenditure after  
31 June 30, 2021, by the entity to which the appropriation is made or  
32 any entity to which money from the appropriation is granted or  
33 otherwise transferred in any manner, and any portion of the  
34 appropriated money remaining must not be spent for any purpose  
35 after September 17, 2021, by either the entity to which the money  
36 was appropriated or the entity to which the money was subsequently  
37 granted or transferred, and must be reverted to the fund of origin on  
38 or before September 17, 2021.

39 **Sec. 37.** Section 23 of chapter 549, Statutes of Nevada 2015,
