AN ACT relating to public welfare; prohibiting recipients of certain public assistance from using benefits received in certain businesses and in certain manners; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Federal law requires states participating in the program to provide Temporary
2 Assistance to Needy Families to maintain policies and practices as necessary to
3 prevent benefits provided to recipients of aid pursuant to the program from using
4 those benefits in: (1) a liquor store; (2) a casino or gaming establishment; or (3) a
5 strip club. (42 U.S.C. § 608(a)(12)) Existing law requires the Division of Welfare
6 and Supportive Services of the Department of Health and Human Services to
7 establish a written plan for personal responsibility for a household receiving
8 benefits pursuant to the program for Temporary Assistance to Needy Families.
9 (NRS 422A.535) **Section 1** of this bill requires any written plan for personal
10 responsibility to prohibit recipients from using benefits in a business or in a manner
11 that federal law requires the State to prohibit. **Section 1** also prohibits a person
12 from knowingly accepting a public assistance electronic benefit transfer card,
13 which is a card issued by the Division to a recipient of benefits pursuant to the
14 program to allow the recipient to access and process transactions using his or her
