#### SECOND READING AND AMENDMENT

Senate Bill No. 2.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 49.

SUMMARY—Revises provisions relating to the surrender of a newborn child to a provider of emergency services. (BDR 38-39)

AN ACT relating to the protection of children; revising provisions relating to the voluntary surrender of a newborn child to a provider of emergency services; revising provisions relating to the transfer of certain identifying information relating to parents of such children; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a provider of emergency services to take possession of a child who appears to be not more than 30 days old when a parent voluntarily surrenders the child with no intent to return. (NRS 432B.630) Commonly known as the "Safe Haven Law," this provision authorizes the

agency which provides child welfare services to begin the process of terminating parental rights.

Section 7 of this bill prohibits a provider of emergency services from transferring identifying information about the parent who delivers a child to a provider of emergency services under the Safe Haven Law, thereby allowing the parent to retain anonymity, except when reasonable cause exists to believe that the child has been abused or neglected. Section 7 also requires such anonymity to be provided to the parent who delivers a child to a provider of emergency services regardless of whether the parent specifically makes a request for anonymity.

Under existing law, a parent who delivers a child to a provider of emergency services under the Safe Haven Law is entitled to notice that the child has been placed in protective custody and to notice of proceedings related to the termination of parental rights and other similar matters, unless the location of the parent is unknown. (NRS 128.060, ~~128.070~~, 432B.470, 432B.490, 432B.520, ~~432B.550~~, 432B.580, 432B.590) Sections 1 ~~6~~ 5 and 6.3-9 of this bill remove that right with respect to the parent who voluntarily delivers a child under the Safe Haven Law. A parent of the child who does not participate in the delivery, however, remains entitled to such notice if the location of that parent is known and to notice by publication if not known.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.470 is hereby amended to read as follows:

432B.470 1. A child taken into protective custody pursuant to NRS 432B.390 must be given a hearing, conducted by a judge, master or special master appointed by the judge for that particular hearing, within 72 hours, excluding Saturdays, Sundays and holidays, after being taken into custody, to determine whether the child should remain in protective custody pending further action by the court.

2. Except as otherwise provided in this subsection, notice of the time and place of the hearing must be given to a parent or other person responsible for the child's welfare:

- (a) By personal service of a written notice;
- (b) Orally; or

(c) If the parent or other person responsible for the child's welfare cannot be located after a reasonable effort, by posting a written notice on the door of the residence of the parent or other person.

↪ If the child was delivered to a provider of emergency services pursuant to NRS 432B.630, ~~[and the location of the parent is unknown, to the agency which provides child welfare services,]~~ the parent who delivered the child to the provider shall be deemed to have waived any right to notice of the hearing conducted pursuant to this section.

3. If notice is given by means of paragraph (b) or (c) of subsection 2, a copy of the notice must be mailed to the person at the last known address of the person within 24 hours after the child is placed in protective custody.

Sec. 2. NRS 432B.490 is hereby amended to read as follows:

432B.490 1. An agency which provides child welfare services:

(a) In cases where the death of a parent of the child is or may be the result of an act by the other parent that constitutes domestic violence pursuant to NRS 33.018, shall within 10 days after the hearing on protective custody initiate a proceeding in court by filing a petition which meets the requirements set forth in NRS 432B.510;

(b) In cases where a court issues an order keeping the child in protective custody pursuant to paragraph (b) of subsection 1 of NRS 432B.480, shall within 10 days after the hearing on protective custody, unless good cause exists, initiate a proceeding in court by filing a petition which meets the requirements set forth in NRS 432B.510 or recommend against any further action in court; or

(c) In cases where an investigation is made under NRS 432B.010 to 432B.400, inclusive, and a determination is made that the child is in need of protection but is not in imminent danger, may file a petition which meets the requirements set forth in NRS 432B.510.

2. If the agency recommends against further action, the court may, on its own motion, initiate proceedings when it finds that it is in the best interests of the child.

3. If a child has been placed in protective custody and if further action in court is taken, an agency which provides child welfare services shall make recommendations to the court concerning whether the child should be returned to the person responsible for the welfare of the child pending further action in court.

4. If, in a case described in paragraph (b) of subsection 1, an agency which provides child welfare services fails to initiate a proceeding in court by filing a petition which meets the requirements set forth in NRS 432B.510 within 10 days after the hearing on protective custody:

(a) The agency may recommend against further action and return the child to the custody of the person responsible for the welfare of the child; or

(b) Any party to the proceeding may schedule an additional hearing with the court which must take place before the next scheduled court date to determine whether the child should be returned to the person responsible for the welfare of the child pending further action by the court.

5. Except as otherwise provided in this subsection, notice of the time and place of a hearing scheduled pursuant to paragraph (b) of subsection 4 must be given to a parent or other person responsible for the welfare of the child:

(a) By personal service of a written notice;

(b) Orally; or

(c) If the parent or other person responsible for the welfare of the child cannot be located after a reasonable effort, by posting a written notice on the door of the residence of the parent or other person.

↪ If the child was delivered to a provider of emergency services pursuant to the provisions of NRS 432B.630, ~~and the location of the parent is unknown,~~

~~to the agency which provides child welfare services,]~~ the parent who delivered the child to the provider shall be deemed to have waived any *right to* notice of the hearing conducted pursuant to this section.

6. If notice of a hearing scheduled pursuant to paragraph (b) of subsection 4 is given by means of paragraph (b) or (c) of subsection 5, a copy of the notice must be mailed to the parent or other person responsible for the welfare of the child at his or her last known address within 24 hours after the petition is filed.

7. The court shall hold a hearing scheduled pursuant to paragraph (b) of subsection 4 to decide whether there remains reasonable cause to believe that it would be:

(a) Contrary to the welfare of the child for the child to reside at his or her home; or

(b) In the best interests of the child to keep the child outside of his or her home.

Sec. 3. NRS 432B.513 is hereby amended to read as follows:

432B.513 1. Except as otherwise provided in subsection 3, a person who submits a report or information to the court for consideration in a proceeding held pursuant to NRS 432B.466 to 432B.468, inclusive, or 432B.500 to 432B.590, inclusive, shall provide a copy of the report or information, to the extent that the data or information in the report or information is available pursuant to NRS 432B.290, to each parent or guardian of the child who is the subject of the proceeding and to the attorney of each parent or guardian not later than 72 hours before the proceeding.

2. If a person does not provide a copy of a report or information to a parent or guardian of a child and an attorney of the parent or guardian before a proceeding if required by subsection 1, the court or master:

(a) Shall provide the parent or guardian and the attorney of the parent or guardian an opportunity to review the report or information; and

(b) May grant a continuance of the proceeding until a later date that is agreed upon by all the parties to the proceeding if the parent or guardian or the attorney of the parent or guardian requests that the court grant the continuance so that the parent or guardian and the attorney of the parent or guardian may properly respond to the report or information.

3. If a child was delivered to a provider of emergency services pursuant to NRS 432B.630, ~~and the location of the parent of the child is unknown, to the agency which provides child welfare services,]~~ a copy of a report or information described in subsection 1 need not be sent to ~~that~~ the parent who delivered the child to the provider or the attorney of ~~that~~ ~~the~~ parent pursuant to subsection 1.

4. As used in this section, "person" includes, without limitation, a government, governmental agency or political subdivision of a government.

Sec. 4. NRS 432B.520 is hereby amended to read as follows:

432B.520 1. After a petition has been filed, the court shall direct the clerk to issue a summons requiring the person who has custody or control of

the child to appear personally and bring the child before the court at a time and place stated in the summons. If the person so summoned is other than a parent or guardian of the child, then the parent or guardian, or both, must also be notified by a similar summons of the pendency of the hearing and of the time and place appointed.

2. Summons may be issued requiring the appearance of any other person whose presence, in the opinion of the court, is necessary.

3. Each summons must include notice of the right of parties to counsel at the adjudicatory hearing. A copy of the petition must be attached to each summons.

4. Except as provided in subsection 5, the summons must be served by:

- (a) Personal service of a written notice; or
- (b) Registered or certified mail to the last known address of the person.

5. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 *by one parent* and the location of the *other parent who did not deliver the child* is unknown ~~to~~ *to the agency which provides child welfare services*, the summons must be served on ~~the~~ *that* parent by publication at least once a week for 3 consecutive weeks in a newspaper published in the county and if no such newspaper is published, then a newspaper published in this state that has a general circulation in the county. The failure of the parent to appear in the action after the service of summons on the parent pursuant to this paragraph shall be deemed to constitute a waiver by the parent of any further notice of the proceedings that would otherwise be required pursuant to this chapter. *The parent who delivered the child to a provider of emergency services pursuant to NRS 432B.630 shall be deemed to have waived any right to notice pursuant to this section.*

6. If it appears that the child is in such condition or surroundings that the welfare of the child requires that custody be immediately assumed by the court, the court may order, by endorsement upon the summons, that the person serving it shall at once deliver the child to an agency which provides child welfare services in whose custody the child must remain until the further order of the court.

7. If the summons cannot be served or the person who has custody or control of the child fails to obey it, or:

(a) In the judge's opinion, the service will be ineffectual or the welfare of the child requires that the child be brought forthwith into the custody of the court; or

(b) A person responsible for the child's welfare has absconded with the child or concealed the child from a representative of an agency which provides child welfare services, the court may issue a writ for the attachment of the child's person, commanding a law enforcement officer or a representative of an agency which provides child welfare services to place the child in protective custody.

Sec. 5. NRS 432B.550 is hereby amended to read as follows:

432B.550 1. If the court finds that a child is in need of protection, it may, by its order, after receipt and review of the report from the agency which provides child welfare services:

(a) Permit the child to remain in the temporary or permanent custody of the parents of the child or a guardian with or without supervision by the court or a person or agency designated by the court, and with or without retaining jurisdiction of the case, upon such conditions as the court may prescribe;

(b) Place the child in the temporary or permanent custody of a relative, a fictive kin or other person the court finds suitable to receive and care for the child with or without supervision, and with or without retaining jurisdiction of the case, upon such conditions as the court may prescribe; or

(c) Place the child in the temporary custody of a public agency or institution authorized to care for children, the local juvenile probation department, the local department of juvenile services or a private agency or institution licensed by the Department of Health and Human Services or a county whose population is 100,000 or more to care for such a child.

↪ In carrying out this subsection, the court may, in its sole discretion and in compliance with the requirements of chapter 159 of NRS, consider an application for the guardianship of the child. If the court grants such an application, it may retain jurisdiction of the case or transfer the case to another court of competent jurisdiction.

2. If, pursuant to subsection 1, a child is placed other than with a parent:

(a) The parent retains the right to consent to adoption, to determine the child's religious affiliation and to reasonable visitation, unless restricted by the court. If the custodian of the child interferes with these rights, the parent may petition the court for enforcement of the rights of the parent.

(b) The court shall set forth good cause why the child was placed other than with a parent.

3. If, pursuant to subsection 1, the child is to be placed with a relative or fictive kin, the court may consider, among other factors, whether the child has resided with a particular relative or fictive kin for 3 years or more before the incident which brought the child to the court's attention.

4. Except as otherwise provided in this subsection, a copy of the report prepared for the court by the agency which provides child welfare services must be sent to the custodian and the parent or legal guardian. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 ~~and the location of the~~ :

~~(a) The parent is unknown, to the agency which provides child welfare services, the report need not be sent to that the parent, who delivered the child to the provider shall be deemed to have waived his or her right to a copy of the report; and~~

~~(b) A copy of the report must be sent to the parent who did not deliver the child to the provider, if the location of such parent is known.~~

5. In determining the placement of a child pursuant to this section, if the child is not permitted to remain in the custody of the parents of the child or guardian:

(a) It must be presumed to be in the best interests of the child to be placed together with the siblings of the child.

(b) Preference must be given to placing the child in the following order:

(1) With any person related within the fifth degree of consanguinity to the child or a fictive kin, and who is suitable and able to provide proper care and guidance for the child, regardless of whether the relative or fictive kin resides within this State.

(2) In a foster home that is licensed pursuant to chapter 424 of NRS.

6. Any search for a relative with whom to place a child pursuant to this section must be completed within 1 year after the initial placement of the child outside of the home of the child. If a child is placed with any person who resides outside of this State, the placement must be in accordance with NRS 127.330.

7. Within 60 days after the removal of a child from the home of the child, the court shall:

(a) Determine whether:

(1) The agency which provides child welfare services has made the reasonable efforts required by paragraph (a) of subsection 1 of NRS 432B.393; or

(2) No such efforts are required in the particular case; and

(b) Prepare an explicit statement of the facts upon which its determination is based.

8. As used in this section, "fictive kin" means a person who is not related by blood to a child but who has a significant emotional and positive relationship with the child.

Sec. 6. NRS 432B.560 is hereby amended to read as follows:

432B.560 1. The court may also order:

(a) The child, a parent or the guardian to undergo such medical, psychiatric, psychological, or other care or treatment as the court considers to be in the best interests of the child.

(b) A parent or guardian to refrain from:

(1) Any harmful or offensive conduct toward the child, the other parent, the custodian of the child or the person given physical custody of the child; and

(2) Visiting the child if the court determines that the visitation is not in the best interest of the child.

(c) A reasonable right of visitation for a grandparent of the child if the child is not permitted to remain in the custody of the parents of the child.

2. The court shall order a parent or guardian to pay to the custodian an amount sufficient to support the child while the child is in the care of the custodian pursuant to an order of the court, unless the child was delivered to a provider of emergency services pursuant to NRS 432B.630, ~~and the location~~

~~of the parent is unknown to the agency which provides child welfare services.~~

Payments for the obligation of support must be determined in accordance with NRS 125B.070 and 125B.080, but must not exceed the reasonable cost of the child's care, including food, shelter, clothing, medical care and education. An order for support made pursuant to this subsection must:

- (a) Require that payments be made to the appropriate agency or office;
- (b) Provide that the custodian is entitled to a lien on the obligor's property in the event of nonpayment of support; and

*Sec. 6.3. NRS 432B.580 is hereby amended to read as follows:*

432B.580 1. Except as otherwise provided in this section and NRS 432B.513, if a child is placed pursuant to NRS 432B.550 other than with a parent, the placement must be reviewed by the court at least semiannually, and within 90 days after a request by a party to any of the prior proceedings. Unless the parent, guardian or the custodian objects to the referral, the court may enter an order directing that the placement be reviewed by a panel appointed pursuant to NRS 432B.585.

2. An agency acting as the custodian of the child shall, before any hearing for review of the placement of a child, submit a report to the court, or to the panel if it has been designated to review the matter, which includes:

(a) An evaluation of the progress of the child and the family of the child and any recommendations for further supervision, treatment or rehabilitation.

(b) Information concerning the placement of the child in relation to the child's siblings, including, without limitation:

- (1) Whether the child was placed together with the siblings;
- (2) Any efforts made by the agency to have the child placed together with the siblings;
- (3) Any actions taken by the agency to ensure that the child has contact with the siblings; and

3. Except as otherwise provided in this subsection, a copy of the report submitted pursuant to subsection 2 must be given to the parents, the guardian ad litem and the attorney, if any, representing the parent or the child. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the parent has not appeared in the action, the report need not be sent to that parent.

4. After a plan for visitation between a child and the siblings of the child submitted pursuant to subparagraph (4) of paragraph (b) of subsection 2 has been approved by the court, the agency which provides child welfare services must request the court to issue an order requiring the visitation set forth in the plan for visitation. If a person refuses to comply with or disobeys an order issued pursuant to this subsection, the person may be punished as for a contempt of court.

5. The court or the panel shall hold a hearing to review the placement, unless the parent, guardian or custodian files a motion with the court to dispense with the hearing. If the motion is granted, the court or panel may make its determination from any report, statement or other information submitted to it.

6. Except as otherwise provided in ~~this~~ subsection 7 and subsection 5 of NRS 432B.520, notice of the hearing must be given by registered or certified mail to:

- (a) All the parties to any of the prior proceedings;
- (b) Any persons planning to adopt the child;

- (d) Any other relatives of the child or providers of foster care who are currently providing care to the child.

7. The notice of the hearing required to be given pursuant to subsection 6:

(d) Need not be given to a parent who delivered a child to a provider of emergency services pursuant to NRS 432B.630.

8. The court or panel may require the presence of the child at the hearing and shall provide to each person to whom notice was given pursuant to subsection 6 a right to be heard at the hearing.

9. The court or panel shall review:

- (a) The continuing necessity for and appropriateness of the placement;
- (b) The extent of compliance with the plan submitted pursuant to subsection 2 of NRS 432B.540;
- (c) Any progress which has been made in alleviating the problem which resulted in the placement of the child; and
- (d) The date the child may be returned to, and safely maintained in, the home or placed for adoption or under a legal guardianship.

10. The provision of notice and a right to be heard pursuant to this section does not cause any person planning to adopt the child, any sibling of the child or any other relative, any adoptive parent of a sibling of the child or a provider of foster care to become a party to the hearing.

*Sec. 6.7. NRS 432B.590 is hereby amended to read as follows:*

432B.590 1. Except as otherwise provided in subsection 2 and NRS 432B.513, the court shall hold a hearing concerning the permanent placement of a child:

- (a) Not later than 12 months after the initial removal of the child from the home of the child and annually thereafter.
- (b) Within 30 days after making any of the findings set forth in subsection 3 of NRS 432B.393.

↪ Notice of this hearing must be given by registered or certified mail to all the persons to whom notice must be given pursuant to subsection 6 of NRS 432B.580.

2. A parent who delivered a child to a provider of emergency services pursuant to NRS 432B.630 shall be deemed to have waived any right to notice pursuant to this section.

3. The court may require the presence of the child at the hearing and shall provide to each person to whom notice was given pursuant to subsection 1 a right to be heard at the hearing.

~~3.4.~~ 4. At the hearing, the court shall review any plan for the permanent placement of the child adopted pursuant to NRS 432B.553 and, if the goal of the plan is a permanent living arrangement other than reunification with his or her parents, placement for adoption, placement with a legal guardian or placement with a relative, ask the child about his or her desired permanent living arrangement. After doing so, the court must determine:

- (a) Whether the agency with legal custody of the child has made the reasonable efforts required by subsection 1 of NRS 432B.553;
- (b) Whether, and if applicable when:
  - (1) The child should be returned to the parents of the child or placed with other relatives;
  - (2) It is in the best interests of the child to:

(I) Initiate proceedings to terminate parental rights pursuant to chapter 128 of NRS so that the child can be placed for adoption;

(II) Initiate proceedings to establish a guardianship pursuant to chapter 159 of NRS; or

(III) Establish a guardianship in accordance with NRS 432B.466 to 432B.468, inclusive; or

(3) The agency with legal custody of the child has produced documentation of its conclusion that there is a compelling reason for the placement of a child who has attained the age of 16 years in another permanent living arrangement;

(c) If the child will not be returned to the parents of the child, whether the agency with legal custody of the child fully considered placement options both within and outside of this State;

(d) If the child has attained the age of 14 years, whether the child will receive the services needed to assist the child in transitioning to independent living; and

(e) If the child has been placed outside of this State, whether the placement outside of this State continues to be appropriate for and in the best interests of the child.

~~4~~ 5. The court shall prepare an explicit statement of the facts upon which each of its determinations is based pursuant to subsection ~~3~~ 4. If the court determines that it is not in the best interests of the child to be returned to his or her parents, or to be placed for adoption, with a legal guardian or with a relative, the court must include compelling reasons for this determination and an explanation of those reasons in its statement of the facts.

~~5~~ 6. If the court determines that it is in the best interests of the child to terminate parental rights, the court shall use its best efforts to ensure that the procedures required by chapter 128 of NRS are completed within 6 months after the date the court makes that determination, including, without limitation, appointing a private attorney to expedite the completion of the procedures.

~~6~~ 7. The provisions of this section do not limit the jurisdiction of the court to review any decisions of the agency with legal custody of the child regarding the permanent placement of the child.

~~7~~ 8. If a child has been placed outside of the home and has resided outside of the home pursuant to that placement for 14 months of any 20 consecutive months, the best interests of the child must be presumed to be served by the termination of parental rights.

~~8~~ 9. This hearing may take the place of the hearing for review required by NRS 432B.580.

Sec. 8. NRS 128.060 is hereby amended to read as follows:

128.060 1. 2. ~~The~~ Except as otherwise provided in subsection 4, the following persons must be personally served with the notice:

(a) The father or mother of the minor person, if residing within this State, and if his or her place of residence is known to the petitioner, or, if there is no parent so residing, or if the place of residence of the father or mother is not known to the petitioner, then the nearest known relative of that person, if there is any residing within the State, and if his or her residence and relationship are known to the petitioner; and

(b) The minor's legal custodian or guardian, if residing within this State and if his or her place of residence is known to the petitioner.

3. If the petitioner or the child is receiving public assistance, the petitioner shall mail a copy of the notice of hearing and a copy of the petition to the Chief of the Child Support Enforcement Program of the Division of Welfare and Supportive Services of the Department of Health and Human Services by registered or certified mail return receipt requested at least 45 days before the hearing.

4. A parent who delivered a child to a provider of emergency services pursuant to NRS 432B.630 shall be deemed to have waived any right to notice pursuant to this section.

Sec. 9. NRS 128.070 is hereby amended to read as follows:

128.070 1. ~~When~~ Except as otherwise provided in subsection 6, when the father or mother of a minor child or the child's legal custodian or guardian resides out of the State, has departed from the State, or cannot, after due diligence, be found within the State, or conceals himself or herself to avoid the service of the notice of hearing, and the fact appears, by affidavit, to the satisfaction of the court thereof, and it appears, either by affidavit or by a verified petition on file, that the named father or mother or custodian or guardian is a necessary or proper party to the proceedings, the court may grant an order that the service be made by the publication of the notice of hearing. When the affidavit is based on the fact that the father or mother or custodian or guardian resides out of the State, and his or her present address is unknown, it is a sufficient showing of that fact if the affiant states generally in the affidavit that:

(a) At a previous time the person resided out of this State in a certain place (naming the place and stating the latest date known to the affiant when the person so resided there);

(b) That place is the last place in which the person resided to the knowledge of the affiant;

(c) The person no longer resides at that place;

(d) The affiant does not know the present place of residence of the person or where the person can be found; and

(e) The affiant does not know and has never been informed and has no reason to believe that the person now resides in this State.

➔ In such case, it shall be presumed that the person still resides and remains out of the State, and the affidavit shall be deemed to be a sufficient showing of due diligence to find the father or mother or custodian or guardian.

2. The order must direct the publication to be made in a newspaper, to be designated by the court, for a period of 4 weeks, and at least once a week during that time. In case of publication, where the residence of a nonresident or absent father or mother or custodian or guardian is known, the court shall also direct a copy of the notice of hearing and petition to be deposited in the post office, directed to the person to be served at his or her place of residence. When publication is ordered, personal service of a copy of the notice of hearing and petition, out of the State, is equivalent to completed service by publication and deposit in the post office, and the person so served has 20 days after the service to appear and answer or otherwise plead. The service of the notice of hearing shall be deemed complete in cases of publication at the expiration of 4 weeks from the first publication, and in cases when a deposit of a copy of the notice of hearing and petition in the post office is also required, at the expiration of 4 weeks from the deposit.

3. Personal service outside the State upon a father or mother over the age of 18 years or upon the minor's legal custodian or guardian may be made in any action where the person served is a resident of this State. When the facts appear, by affidavit, to the satisfaction of the court, and it appears, either by affidavit or by a verified petition on file, that the person in respect to whom the service is to be made is a necessary or proper party to the proceedings, the court may grant an order that the service be made by personal service outside the State. The service must be made by delivering a copy of the notice of hearing together with a copy of the petition in person to the person served. The methods of service are cumulative, and may be utilized with, after or independently of other methods of service.

4. Whenever personal service cannot be made, the court may require, before ordering service by publication or by publication and mailing, such further and additional search to determine the whereabouts of the person to be served as may be warranted by the facts stated in the affidavit of the petitioner to the end that actual notice be given whenever possible.

5. If one or both of the parents of the minor is unknown, or if the name of either or both of the parents of the minor is uncertain, then those facts must be set forth in the affidavit and the court shall order the notice to be directed and addressed to either the father or the mother of the person, and to all persons claiming to be the father or mother of the person. The notice, after the caption, must be addressed substantially as follows: "To the father and mother of the above-named person, and to all persons claiming to be the father or mother of that person."

6. A parent who delivered a child to a provider of emergency services pursuant to NRS 432B.630 shall be deemed to have waived any right to notice pursuant to this section.

Senator Manendo moved the adoption of the amendment.

Remarks by Senator Manendo.

Amendment No. 49 to Senate Bill No. 2 clarifies that: the parent who delivers a child to a provider of emergency services waives his or her right to a copy of the dispositional report, and if the location of the other parent is unknown to the child welfare agency, the report need not be sent to that parent; and information obtained on the non-delivering parent must be provided to the child welfare agency to assist the agency with the notification and service of report.

This amendment also adds a child welfare agency to the list of entities that may take possession of a child less than 30 days old when voluntarily surrendered by a parent with no intent to return.

Amendment No. 90.

SUMMARY—Revises provisions governing Medicaid payments for ground emergency medical transportation services. (BDR 38-411)

AN ACT relating to Medicaid; ~~requiring~~ authorizing the Director of the Department of Health and Human Services to include in the State Plan for Medicaid voluntary programs through which certain governmental entities and Indian tribes may obtain supplemental payments for providing ground emergency medical transportation services to recipients of Medicaid; requiring a participating governmental entity or Indian tribe to reimburse the Department for the costs of implementing and administering ~~the~~ any such program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Federal law requires the Federal Government to pay to each state for which the Federal Government has approved a State Plan for Medicaid a certain percentage of the total amount expended as medical assistance under the State Plan. The states are responsible for the remaining share of such expenditures. (42 U.S.C. § 1396b(a)) Federal law also allows certain governmental entities and federally recognized Indian tribes to receive supplemental reimbursements in addition to the federal payments discussed above for certain health care services, including ground emergency medical transportation services, pursuant to a State Plan for Medicaid. (42 U.S.C. §§ 1396a and 1396b; 42 C.F.R. §§ 433.50-433.74)

Section 10 of this bill ~~requires~~ authorizes the Director of the Department of Health and Human Services to include in the State Plan for Medicaid a voluntary program whereby such a governmental entity or Indian tribe may receive supplemental reimbursements, in addition to the payments the governmental entity or Indian tribe would otherwise receive from Medicaid,

for ground emergency medical transportation services which are provided to recipients of Medicaid. In order to receive such reimbursements, the governmental entity or Indian tribe must: (1) hold a permit to operate an ambulance or vehicle of a fire-fighting agency; (2) participate in the State Plan for Medicaid; (3) enter into an agreement with the Department to reimburse the Department for the costs of implementing and administering the program; (4) pay the nonfederal share of the expenditures arising from providing such services; (5) certify that the claimed expenditures are eligible for federal financial participation; (6) submit to the Department any required evidence of the claimed expenditures; and (7) maintain any records required by the Department.

Section 11 of this bill ~~requires~~ authorizes the Director to include in the State Plan a voluntary program to provide increased "capitation" (per patient) payments to a governmental entity or Indian tribe for ground emergency medical transportation services which are rendered pursuant to a contract or other arrangement with a Medicaid managed care plan. In order to participate in ~~the~~ such a program, a governmental entity, Indian tribe or managed care plan is required to enter into an agreement with the Department to: (1) comply with any request made by the Department to provide any information or data necessary to claim federal money or obtain federal approval; and (2) reimburse the Department for the administrative costs of the Department for implementing and administering the program. ~~The~~ A program would require the governmental entity or Indian tribe to make intergovernmental transfers of money to the Department in an amount corresponding with the amount of money spent rendering ground emergency medical transportation services. The Department would then use that money and money from the Federal Government to make increased capitation payments. ~~Section~~ If a program to provide increased capitation payments is established, section 11 ~~also~~ requires the Department to collect from each intergovernmental transfer a fee of 20 percent of the nonfederal share paid to the Department.

Sections 10 and 11 also provide that supplemental reimbursements and increased capitation payments will be paid only to the extent approved by the Federal Government.

Senator Spearman moved the adoption of the amendment.

Remarks by Senator Spearman.

Amendment No. 90 revises the provisions of Senate Bill No. 60 to authorize, rather than require, the Director of the Department of Health and Human Services to include in the State Plan for Medicaid voluntary programs to provide supplemental reimbursement for ground emergency medical transportation services provided to Medicaid recipients and provide increased capitation payments to governmental providers and Medicaid-managed care plans for such services under a Medicaid-managed care plan. This amendment authorizes the Department to establish the voluntary program and provide the increased capitation payments, rather than requiring it.

Sec. 3. This act becomes effective on July 1, 2017.

Senator Manendo moved the adoption of the amendment.

Remarks by Senator Manendo.

Amendment No. 111 to Senate Bill No. 320 removes provisions requiring the owner of the real property or an authorized agent at a residential complex to be present at the time of a tow and for the tow-car operator to securely attach a notice to the vehicle owner's residence door. Instead, the amendment provides that the owner of the real property or an authorized agent at a residential complex shall notify the owner of the vehicle to be towed 48 hours prior to the vehicle being towed by placing a sticker on the vehicle.

Additionally, the amendment removes the provisions requiring the tow-car operator to leave certain information about the tow with the owner of the vehicle. The amendment also adds language to specify that a vehicle may be towed for a registration violation only after the registration has been expired for 60 days. Finally, the amendment specifies that a delay in towing a vehicle is not required for an issue related to the health and safety of the residents of the complex.

#### MESSAGE TO THE LEGISLATURE OF NEVADA SEVENTY-NINTH SESSION, 2017

Friends, it is great to be home.

Thank you, Governor Sandoval, for being here and for your leadership. I know this is your final Legislative Session, and I would be remiss if I did not thank you for your service to the State of Nevada and to the rest of our Country. It has always been a pleasure working with you, and I look forward to continuing the rest of the year-and-a-half working with you to make Nevada better. Thank you, Mr. Governor.

Thank you, President pro Tempore Denis, constitutional officers, Speaker Frierson, Majority Leaders Benitez-Thompson and Ford, Minority Leaders Roberson and Anderson, members of the Senate and Assembly and the entire LCB staff, thank you so much. And to all the freshmen, congratulations.

As I look around this Chamber, I see friends; I see former colleagues, and I see many great Nevadans. But, I also see the diversity of America, people of all colors, ages, gender, sexual orientation, political ideology and from all walks of life. I am proud of Nevada for having one of the most diverse, if not the most diverse, legislatures in the entire Country. Leadership in both Houses are people of color. The first African-American Speaker of the Nevada Assembly, Jason Frierson, we are proud of you. Forty percent of the members of the Legislature are women. all this in a State with a Latino Governor, a Latina U.S. Senator, two Congresswomen and myself in the House of Representatives. It is this diversity that makes Nevada and America strong. I ask you to join me in continuing to celebrate and preserve such diversity.

It feels like yesterday, that I was sitting right here in this Chamber, right there where my friend Assemblywoman Woodbury is sitting, as a freshman member of the Nevada Legislature almost ten years ago. I remember having Senator Atkinson look at me every day and say, hey, freshman, get to work. I had Assemblyman Carpenter to the left of me talking about his Suzi-Q boat and about rural Nevada. I had the opportunity to serve with, and learn from several true Nevada statesmen and women, people who never hesitated to put their State before their party, including the legendary Senator Bill Raggio, who taught us all a thing or two about compromise, negotiating and how to master the rules to pass legislation. Speaker Barbara Buckley, whom I had the honor to vote for as the first female Speaker in our State's history; Assemblyman Bernie Anderson, who taught me to never lose my integrity and credibility because sometimes that is all we have, and he took me to the Woodshed a few times; Assemblyman John Carpenter, a champion for rural Nevada and the person responsible for my induction into the Assembly's Cowboy Hall of Fame; and many others. I have also made lifelong friends, many of you who are here today, including my brother from another mother and former roommate Senator Mo Denis, whom I had the honor to cofound the Nevada Hispanic Legislative Caucus with.

As many of you know, I am the proud son of a housekeeper and a former farmworker. My family came to America when I was eight years old. We came here in pursuit of the American Dream. We came to this Country because we knew that in America, if you worked hard, sacrificed and played by the rules, you could become anything and achieve anything you want. Today, that eight-year-old kid who came here with no money, with no connections, no friends, no job, is a member of the United States House of Representatives. That is the American Dream. Growing up in a working-class neighborhood in North Las Vegas, I never imagined serving in this Body, in the State Legislature, let alone stand here as a United States Congressman. It is truly the greatest honor of my life to serve the people of Nevada. After three months in Congress, I have a much greater appreciation of the time that I spent here in the Legislature, not just because I miss the wings or bread pudding at Firkin & Fox or karaoke nights at Jimmy G's with Senator Ford—and if you all have not seen him sing, you all have to see him sing—but because we got things done here in the Legislature.

Rarely, a day goes by where I do not tell folks in Washington about the work done here in Carson City; Washington could take some lessons from all of you. The idea of Democrats and Republicans coming together to make as large an investment in education as we did last Session is foreign in Washington, D.C. But here, we came together to do what is best for Nevada's children. We put our parties aside and put our children first.

I often talk about working with my friend Senator Kieckhefer to pass the first ever need-based grants for Nevada's college students. I am proud to see that this program has been a big success and that the Governor has requested more funding to grow the program, because making college more affordable is critical to the future of our State. We all know that we will not have a diversified economy without a well-trained and well-educated workforce.

The steps this Body has taken to diversify our State's economy should serve as a model for the Country. Working together, you all are paving the way forward for Nevada. I am excited in my new role in Congress to share our State's success with the rest of the Nation.

Before I was elected, I promised that I would be available and accessible to all of my constituents, urban, rural, suburban. I kept that promise, setting off on a district-wide tour and listening to Nevada residents from Las Vegas to Yerington and Pahrump to Mesquite. Next week, I will embark on the second part of that district tour and visit Ely, Caliente and other eastern Nevada cities. Giving constituents in the 4th Congressional District a voice. Protecting their rights is my number one priority in Congress. Since arriving in Congress, I have been committed to working on solutions to the challenges that our Nation and the District are facing. As you can imagine, Washington, D.C. is an interesting place to be right now.

Last month, when the American Health Care Act was introduced in Congress, I fought to protect health care for millions of Americans. The Affordable Care Act may not be perfect, but we should not cast aside all the progress we have made these last eight years just to score political points. The American people are tired of political brinkmanship; they are tired of hyper-partisanship. What we need to do is look for ways to improve access and get health care while bringing down the rising costs of premiums. That is how you tackle this issue.

I thank Governor Sandoval, once again, for being a strong voice for protecting the expansion of Medicaid, which is so critical here in Nevada, to ensure low-income families and rural Nevadans have access to health care. Right here in Nevada, the uninsured rate went down from 22 percent to 12 percent since the ACA implementation. I introduced an amendment aimed at protecting funding for vulnerable Nevadans, particularly low-income children who rely on Medicaid for critical health care needs. My amendment would have prevented cuts for providers, like pediatricians, that help keep our kids healthy.

My work in Washington has not only focused on protecting our most vulnerable, but also working to pay back what we owe our veterans for the countless contributions they have made to our Country. They have made tremendous sacrifices so that we can enjoy the safety and tranquility here at home. Working to ensure our military and veteran families have the support they need must be a top priority for Congress.

That is why earlier this year, I introduced my first bill, the STEP for Veterans Act, which would help community colleges train veterans to fill desperately needed jobs in our local economy. Community colleges should have the tools they need to best serve those who risked their lives for our Country. I cannot think of a better-prepared group of people to help us fill the jobs of the future than our own veterans. I am also fighting to keep the Ely Community Clinic for veterans in my district open. It is a shame that our veterans fought for our Country and now have to fight to keep their clinic open. Veterans should not be forced to travel hundreds of miles to get the care they rely on and deserve. We should not be putting our veterans' health care at risk just to save a few bucks. Our American heroes deserve better.

I am proud of the work I have done alongside my colleagues in the Nevada Delegation to protect our beautiful public lands for future generations. Protecting monuments such as Gold Butte can create jobs, increase property values and improve quality of life for local residents. Federal and State governments should work together to protect this for the benefit of Nevadans and tourists alike.

The Nevada Delegation was also united in sponsoring the Nuclear Waste Informed Consent Act earlier this year, demanding that states be consulted before nuclear waste repositories can be built by the federal government anywhere in the Country. Let me be clear: I will fight every single day tirelessly with all the energy I have to ensure this administration cannot and will not revive Yucca Mountain as storage for the Country's nuclear waste. Nevada is not a waste dump.

I came to Congress to get things done and to continue fighting to defend Social Security and Medicare. We want to strengthen our economy and get Nevadans back to work, continue the fight to make higher education more affordable and accessible and to fight for comprehensive immigration reform. We should not be building walls; we should be building bridges, roads and schools. I look forward to working with both Democrats and Republicans on a bill that will invest in our infrastructure and put people back to work.

While I am here, I want to voice my support for a few of the bills you are working on. First of all, congratulations to my friend, and now my State Senator, Pat Spearman, who has been fighting tirelessly for years on the ratification of the Equal Rights Amendment. This is an important step forward for Nevada in the fight for women's rights. This is not a victory for Senator Spearman or the Democrats; this is a victory for every girl and every woman in Nevada and in our Country. Thank you, Senator Spearman, for your leadership.

I will continue to fight efforts to cut Medicaid funding, but I urge you to push forward and expand the program that helps 600,000 Nevadans obtain the health care they need. I support proposals ensuring paid sick leave to give economic security for families as they deal with illness and health care problems. No one—and I mean no one—should have to choose between a paycheck and their health.

I support legislation that will make it easier for small businesses to gain access to capital in order to grow and expand. Small businesses are the backbone of our economy, and we must continue to do everything possible to make it easier for people to start and expand their business. I urge you to continue growing Nevada's green energy economy and create thousands of good paying jobs by passing several of the renewable energy bills being proposed this Session. With so much land, wind and sun, Nevada can be the leader in the world in clean and renewable energy. This will help with our State's economic diversification efforts as well.

On education, I strongly urge you not to send desperately needed public money to private schools. Vouchers are bad policy, and our children deserve the best. Let us keep public money in our public schools. Let us instead invest in programs that have produced positive results for all of our children, such as full-day kindergarten, ZOOM schools, Victory schools and expand teacher training and STEM education.

Finally, I strongly support your efforts to pass a living wage in the State of Nevada. Our workers deserve a pay raise and an opportunity to provide for their families. We live in the greatest, most powerful and richest Country on the planet; no one who works full-time should live in poverty in America. America is better than that.

As you all continue your public service and taking care of our State's legislative matters, I want to give you a word of advice that somebody once gave me: remember, being in an elected office is not about you, it is about the people who elected you to represent them. Remember, public service is always about the people, because at the end of the day we are not Democrats or Republicans, we are not liberals or conservatives; we are Nevadans and Americans first.

Thank you everybody. God bless you and good luck with the rest of the Session. Thank you so much.
