AN ACT relating to criminal procedure; eliminating the statute of limitations for the prosecution of sexual assault if the identity of the person accused of committing the crime is established by DNA evidence; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law generally requires an indictment for sexual assault to be found, or
2 an information or complaint to be filed, within 20 years after the commission of the
3 offense. (NRS 171.085) Existing law also provides that there is no limitation of
4 time within which a prosecution for sexual assault is required to be commenced if,
5 during the 20-year period of limitation, the victim of the sexual assault or a person
6 authorized to act on behalf of the victim files with a law enforcement officer a
7 written report concerning the sexual assault. (NRS 171.083)
8 **Section 1** of this bill additionally provides that there is no limitation of time
9 within which a prosecution for sexual assault is required to be commenced if the
10 identity of a person who is accused of committing the sexual assault is established
11 by DNA evidence. **Section 4** of this bill provides that such an exception applies to a
12 person who: (1) committed a sexual assault before October 1, 2019, if the statute of
13 limitations has not expired on October 1, 2019; or (2) commits a sexual assault on
14 or after October 1, 2019.
