AN ACT relating to motor vehicles; authorizing completion of a hands-on defensive driving course in lieu of certain supervised driving experience for any applicant for a driver’s license who is under 18 years of age; requiring the Department of Motor Vehicles to approve and maintain a list of such courses; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the issuance of a driver’s license to a person who is 16 or 17 years of age under certain circumstances, including, with certain exceptions, completion by the person of a course in automobile driver education or a course provided by a school for training drivers that is licensed in this State. Such a person must also provide proof of at least 50 hours of supervised driving experience. (NRS 483.2521) Section 3 of this bill allows any person under the age of 18 years to complete an approved hands-on course in defensive driving in lieu of completing 50 hours of supervised driving experience to obtain a driver’s license. Section 2 of this bill requires the Department of Motor Vehicles to approve for the purposes of
this provision any hands-on defensive driving course that: (1) includes both theory
of defensive driving and practical experience in defensive driving skills and
maneuvers; (2) is provided by a school for training drivers that is licensed in this
State; and (3) is conducted by a person who is licensed in this State as an instructor
for a school for training drivers. Section 2 also requires the Department to place a
list of approved courses on the Internet website of the Department. Sections 6-10 of
this bill make conforming changes. Section 10.7 of this bill makes an appropriation
to the Department for the personnel and operating costs to approve and audit the
hands-on courses in defensive driving.
