Legislative Counsel’s Digest:

Senate Bill No. 377 of the 2017 Legislative Session created the Nevada Right to Counsel Commission consisting of 13 voting members appointed by the Governor, the Legislature and the Nevada Supreme Court. The Chief Justice of the Supreme Court or his or her designee was to serve as an ex officio nonvoting member of the Commission. The Commission was charged with conducting a study during the 2017-2019 interim concerning issues relating to the provision of legal representation of indigent persons in criminal cases in this State. (Chapter 460, Statutes of Nevada 2017, p. 2940) The Commission is set to expire on July 1, 2019. In its place, section 6 of this bill creates the Board on Indigent Defense Services and designates the manner in which members must be appointed, in the same manner as the Commission, except that: (1) no member may be a Legislator or other state officer or employee; and (2) the Governor may appoint up to two additional nonvoting members. Members of the Board serve without compensation, except for per diem allowance and travel expenses. Section 7 of this bill provides for the organization of the Board, whose voting members will serve for terms of 3 years and may be reappointed. Voting members
may be removed by the Governor for incompetence, neglect of duty and certain acts. **Section 8** of this bill sets forth the duties of the Board, which include overseeing the Executive Director of the Office of Indigent Defense Services, which is created in **section 9** of this bill within the Office of the Governor. The Executive Director of the Office serves at the pleasure of the Board. The Board is required to review information concerning indigent defense services in the State and establish: (1) minimum standards for the delivery of indigent defense services; and (2) procedures for receiving and resolving complaints concerning the provision of indigent defense services. The Board is further required to establish standards for providing indigent defense services, which include continuing education requirements for attorneys who provide indigent defense services, uniform tracking of information by such attorneys and guidelines for maximum caseloads of such attorneys. **Section 8** further requires the Board to work with the Dean of the William S. Boyd School of Law of the University of Nevada, Las Vegas, to determine incentives to recommend offering law students and attorneys to encourage them to provide indigent defense services, especially in rural areas of the State.

**Section 10** of this bill establishes the duties of the Executive Director of the Office of Indigent Defense Services, which include overseeing the functions of the Office, serving as Secretary of the Board, reporting to the Board regarding the work of the Office, developing the budget for the Office and preparing an annual report for submission to the Nevada Supreme Court, the Legislature and the Governor.

**Section 11** of this bill requires the Executive Director to select two deputy directors. **Section 12** of this bill makes one deputy director responsible for overseeing the provision of indigent defense services in certain smaller counties. This includes having oversight of the State Public Defender, who is moved from the Department of Health and Human Services to the Office of Indigent Defense Services in **sections 17-19, 21 and 24-26** of this bill. In addition, **section 12** charges this deputy director with determining whether attorneys are eligible to provide indigent defense services in accordance with the requirements established by the Board. This deputy director will also develop and provide continuing legal education programs for attorneys who provide indigent defense services and identify and encourage best practices for delivering effective indigent defense services.

**Section 13** of this bill makes the second deputy director responsible for reviewing the manner in which indigent defense services are provided throughout the State. This deputy director will collect information from attorneys about caseloads, salaries and other information and will conduct on-site visits to determine whether indigent defense services are being provided in the most efficient and constitutional manner. If the deputy director determines that a county is not providing such services in a manner which satisfies minimum standards that are established by the Board, **section 13** requires the deputy director to establish a corrective action plan with the board of county commissioners for the county. **Section 14** of this bill requires such a plan to be agreed to by the board of county commissioners and the deputy director and submitted to and approved by the Board. If the board of county commissioners will have to spend more money than was budgeted in the previous year plus inflation to comply with the plan, **section 14** requires the Executive Director to include the additional amount in the budget for the Office to help support the county in providing indigent defense services. If additional money is needed before the next budget cycle, the Executive Director is required to submit a request to the Interim Finance Committee for money from the Contingency Account. If the budget is not approved with the additional amount for the county, (i.e.) a county that is not required to have an office of public defender, which currently means a county other than Clark and Washoe Counties, has the option to continue providing indigent defense services or transfer responsibility for providing such services to the State Public Defender. In addition, if the county fails to meet the minimum standards for the provision of indigent defense services within the time set in the corrective action plan, **section 14** requires the deputy director to inform the Executive Director, who may then recommend establishing another corrective action plan or recommend requiring the county to transfer responsibility for provision of indigent defense services to the State Public Defender. Any recommendation of the Executive Director is required to be submitted to and approved by the Board. Once approved, the county is required to comply with the decision of the Board. In addition, **section 8** requires the Board to establish a formula for determining the maximum amount that a county may be required to pay for the provision of indigent defense services. This cap also applies when determining the county responsibility in **sections 14 and 23** of this bill.
Sections 20 and 28 of this bill remove obsolete language which requires the State Public Defender and the county public defender to provide indigent defense services within the limits of available money to conform with the provisions of this bill that require appropriate representation be provided to indigent defendants in every case. Existing law provides for a State Public Defender and requires certain large counties to establish an office of public defender. (NRS 180.010, 260.010) Smaller counties are authorized, but not required, to establish an office of public defender. (NRS 260.010) Sections 22 and 27 of this bill revise these provisions to address their applicability when a county is required to transfer responsibility for the provision of indigent defense services to the State Public Defender. (NRS 180.090, 260.010) Section 27 further requires each board of county commissioners to cooperate with the Board on Indigent Defense Services and the Office of Indigent Defense Services.

Existing law requires the public defender for a county to make an annual report to the board of county commissioners. (NRS 260.070) Section 29 of this bill also requires the public defender to make an annual report to the Office of Indigent Defense Services and further requires the board of county commissioners of a county that has a public defender or which contracts for indigent defense services to provide an annual report to the Office with such information as requested by the Office.

Sections 17, 18 and 30 of this bill remove the State Public Defender and employees of the State Public Defender from the classified or unclassified service of the State. Section 31 of this bill continues certain definitions applicable to the chapter governing the State Public Defender that were set to expire. Section 31.3 of this bill staggers the terms of the members of the Board so that approximately 30 percent of the members will be appointed each year. Section 31.5 of this bill makes an appropriation to allow the Office of Indigent Defense Services to award grants to counties that require assistance to comply with the plan established for the provision of indigent defense services.

WHEREAS, Section 1 of Article 1 of the Nevada Constitution recognizes the inalienable right of persons to defend life and liberty; and

WHEREAS, The State is committed to protecting the individual liberties of persons in this State; and

WHEREAS, Section 2 of Article 1 of the Nevada Constitution acknowledges that the paramount allegiance of every citizen is due to the Federal Government in the exercise of all its constitutional powers as have been or may be defined by the Supreme Court of the United States; and

WHEREAS, Under the Sixth and Fourteenth Amendments to the Constitution of the United States, the obligation to provide effective representation to accused indigent persons at each critical stage of criminal and delinquency proceedings rests with the states; and

WHEREAS, Accordingly, it is the obligation of the Legislature to provide the general framework and resources necessary for the provision of indigent defense services in this State; and

WHEREAS, Although various counties in the State have accepted a large part of the responsibility for the provision of indigent defense, the State remains ultimately responsible for ensuring that such indigent defense services are properly funded and carried out; and

WHEREAS, The Legislature must ensure that adequate public funding is made available so that indigent defense services are provided by qualified and competent counsel in a manner that is fair and consistent throughout the State and at all critical stages of a criminal proceeding; and

WHEREAS, The Legislature must further ensure proper oversight of the provision of defense to indigent persons in this State and respond quickly, effectively and adequately to guarantee that the constitutional mandate of effective assistance of counsel is met; now, therefore

Sec. 14. 1. If a corrective action plan is recommended pursuant to section 13 of this act, the deputy director and the board of county commissioners must agree on the manner in which the county will meet the minimum standards for the provision of indigent defense services and the time by which the county must meet those minimum standards. Any disagreement must be resolved by the Board.

Each corrective action plan must be submitted to and approved by the Board.

2. If the plan established pursuant to subsection 1 will cause the county to expend more money than budgeted by the county in the previous budget year plus...
inflation for the provision of indigent defense services, the Executive Director shall include the additional amount needed by the county in the next budget for the Office of Indigent Defense Services to help support the indigent defense services provided by the county. If additional money is needed to carry out the plan before the next budget cycle, the Executive Director shall submit a request to the Interim Finance Committee for an allocation from the Contingency Account pursuant to NRS 353.266 to cover the additional costs.

3. [¶] For any county that is not required to have an office of public defender pursuant to NRS 260.010, if the additional amount included in the budget of the Office pursuant to subsection 2 is not approved, the board of county commissioners for the county to which the amount applies may determine whether to continue providing indigent defense services for the county or enter into an agreement with the Executive Director to transfer responsibility for the provision of such services to the State Public Defender.

4. If a county does not meet the minimum standards for the provision of indigent defense services within the period established in the corrective action plan for the county, the deputy director shall inform the Executive Director.

5. Upon being informed by the deputy director pursuant to subsection 4 that a county has not complied with a corrective action plan, the Executive Director must review information regarding the provision of indigent defense services in the county and determine whether to recommend establishing another corrective action plan with the board of county commissioners of the county or to require the board of county commissioners to transfer responsibility for the provision of all indigent defense services for the county to the State Public Defender. The recommendation of the Executive Director must be submitted to and approved by the Board. Once approved, the board of county commissioners shall comply with the decision of the Board.

6. If a county is required to transfer or voluntarily transfers responsibility for the provision of all indigent defense services for the county to the State Public Defender:

   (a) The board of county commissioners for the county shall notify the State Public Defender in writing on or before March 1 of the next odd-numbered year and the responsibilities must transfer at a specified time on or after July 1 of the same year in which the notice was given, as determined by the Executive Director.

   (b) The board of county commissioners for the county shall pay the State Public Defender in the same manner and in an amount determined in the same manner as other counties for which the State Public Defender has responsibility for the provision of indigent defense services. The amount that a county may be required to pay must not exceed the maximum amount determined using the formula established by the Board pursuant to section 8 of this act.

Sec. 15. 1. A county that transfers responsibility for the provision of indigent defense services to the State Public Defender pursuant to section 14 of this act may seek to have the responsibility transferred back to the county by submitting a request to the Executive Director in writing on or before December 31 of an even-numbered year.

2. Upon finding that the county is able to meet minimum standards for the provision of indigent defense services, the Executive Director shall approve transferring the responsibility for the provision of indigent defense services to the county.

3. If the Executive Director denies a request to transfer responsibility for the provision of indigent defense services to a county, the Executive Director must inform the board of county commissioners for the county of the reasons for
the denial and the issues that must be resolved before the responsibility for the
provision of indigent defense services will be transferred to the county.

4. If the Executive Director approves a request to transfer responsibility for
the provision of indigent defense services to the county, the board of county
commissioners for the county shall notify the State Public Defender in writing on
or before March 1 of the next odd-numbered year and the responsibilities must
transfer at a specified time on or after July 1 of the same year in which the notice
was given, as determined by the Executive Director.
