

Senate Bill No. 315—Senators Woodhouse, Ratti, Cannizzaro,
Dondero Loop, Parks; Brooks, Cancela and Denis

CHAPTER.....

AN ACT relating to public health; creating the Rare Disease Advisory Council within the Department of Health and Human Services; requiring information concerning the importance of annual physical examinations for children to be provided in certain programs, activities, notifications and courses; providing for the issuance of special license plates to increase awareness of childhood cancer; exempting the special license plates from certain provisions otherwise applicable to special license plates; requiring certain licensing boards to encourage continuing education in the diagnosis of rare diseases and disseminate information concerning childhood cancers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain programs to improve public health in this State. (NRS 439.495-439.5297) **Section 2** of this bill creates the Rare Disease Advisory Council within the Department of Health and Human Services to study issues relating to the prevalence and treatment of rare diseases in this State. **Section 3** of this bill prescribes the duties of the Council, which include annually compiling a public report. **Section 3** requires the report to contain a summary of the activities of the Council and any recommendations of the Council for legislation and other policies.

Existing law requires the Division of Public and Behavioral Health of the Department of Health and Human Services to take necessary measures to prevent the spread of sickness and disease and enforce all health laws and regulations. (NRS 439.170) **Section 4** of this bill requires the Division to include information concerning the importance of annual physical examinations by a provider of health care for children in appropriate public health programs and activities. **Section 5** of this bill requires the board of trustees of a school district or the governing body of a charter school to include such information in any written communication with the parents or guardians of pupils related to the health of pupils.

Existing law requires health and physical education to be taught in all public schools in this State. (NRS 389.018) **Section 6** of this bill requires those courses to include instruction concerning the importance of annual physical examinations by a provider of health care and the appropriate response to unusual aches and pains.

Section 7 of this bill requires the Department of Motor Vehicles to design, prepare and issue special license plates to increase awareness of childhood cancer. A person wishing to obtain the special license plates must pay to the Department fees for initial issuance of \$60 and fees for renewal of \$30, along with all applicable registration and license fees and governmental services taxes. **Section 7** requires a portion of those fees to be credited to the Department and used to pay any expenses of the Rare Disease Advisory Council and other programs and services related to childhood cancer. A person wishing to obtain the special license

plates may also request that the plates be combined with personalized prestige plates if the person pays the additional fees for the personalized prestige plates.

Under existing law, certain special license plates: (1) must be approved by the Department, based on a recommendation from the Commission on Special License Plates; (2) are subject to a limitation on the number of separate designs of special license plates which the Department may issue at any one time; and (3) may not be designed, prepared or issued by the Department unless a certain number of applications for the plates are received. (NRS 482.367004, 482.367008, 482.36705) **Sections 11-13** of this bill exempt the special license plates to increase awareness of childhood cancer from each of the preceding requirements. **Sections 7.5-10 and 14-16** of this bill make conforming changes.

Existing law requires physicians, physician assistants and registered nurses to receive certain continuing education. (NRS 630.253, 632.343, 633.471) **Sections 18, 20 and 22** of this bill require the Board of Medical Examiners, the State Board of Nursing and the State Board of Osteopathic Medicine to encourage physicians, physician assistants and advanced practice registered nurses to receive, as a portion of that continuing education, training and education in the diagnosis of rare diseases. **Sections 17, 19 and 21** of this bill require those licensing boards to annually disseminate to physicians, physician assistants and registered nurses who care for children information concerning the signs of pediatric cancer.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 439 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. *The Rare Disease Advisory Council is hereby created within the Department of Health and Human Services. The Council consists of:*

(a) The Chair of the State of Nevada Advisory Council on Palliative Care and Quality of Life created by NRS 232.4855 or his or her designee; and

(b) The following members appointed by the Director:

(1) Not more than three physicians who practice in the area of cardiology, emergency care, neurology, oncology, orthopedics, pediatrics or primary care and provide care to patients with rare diseases;

(2) Two registered nurses who provide care to patients with rare diseases;

(3) Not more than two administrators of hospitals that provide care to patients with rare diseases or their designees;

(4) One representative of the Division who provides education concerning rare diseases or the management of chronic conditions;

(5) *The employee of the Division who is responsible for epidemiology services;*

(6) *Two persons over 18 years of age who have suffered from or currently suffer from a rare disease;*

(7) *Two parents or guardians who each have experience caring for a child with a rare disease;*

(8) *One representative of an organization dedicated to providing services to patients suffering from rare diseases in northern Nevada; and*

(9) *One representative of an organization dedicated to providing services to patients suffering from rare diseases in southern Nevada.*

2. *The Council may, by affirmative vote of a majority of its members, request the Director to appoint to the Council additional members who have expertise on issues studied by the Council. Such members serve for a period determined by the Council.*

3. *A vacancy in the membership of the Council must be filled in the same manner as the initial appointment.*

4. *The members of the Council serve without compensation and are not entitled to the per diem and travel expenses provided for state officers and employees generally.*

5. *Each member of the Council who is an officer or employee of this State or a political subdivision of this State must be relieved from his or her duties without loss of regular compensation so that the officer or employee may prepare for and attend meetings of the Council and perform any work necessary to carry out the duties of the Council in the most timely manner practicable. A state agency or political subdivision of this State shall not require an officer or employee who is a member of the Council to make up the time the officer or employee is absent from work to carry out duties as a member of the Council or use annual leave or compensatory time for the absence.*

6. *The Department shall provide such administrative support to the Council as is necessary to carry out the duties of the Council.*

7. *The Council shall:*

(a) *Elect a Chair from among its members; and*

(b) *Meet at least once every 3 months at the times and places specified by a call of the Chair and may meet at such further times as deemed necessary by the Chair.*

Sec. 3. 1. *The Rare Disease Advisory Council created by section 2 of this act shall:*

(a) Perform a statistical and qualitative examination of the incidence, causes and economic burden of rare diseases in this State;

(b) Receive and consider reports and testimony concerning rare diseases from persons, the Division, community-based organizations, providers of health care and other local and national organizations whose work relates to rare diseases;

(c) Increase awareness of the burden caused by rare diseases in this State;

(d) Identify evidence-based strategies to prevent and control rare diseases;

(e) Determine the effect of delayed or inappropriate treatment on the quality of life for patients suffering from rare diseases and the economy of this State;

(f) Study the effect of early treatment for rare diseases on the quality of life for patients suffering from rare diseases, the provision of services to such patients and reimbursement for such services;

(g) Increase awareness among providers of health care of the symptoms of and care for patients with rare diseases;

(h) Evaluate the systems for delivery of treatment for rare diseases in place in this State and develop recommendations to increase the survival rates and quality of life of patients with rare diseases;

(i) Determine effective methods of collecting data concerning cases of rare diseases in this State for the purpose of conducting epidemiological studies of rare diseases in this State;

(j) Establish a comprehensive plan for the management of rare diseases in this State, which must include, without limitation, recommendations for the Department, the Division, local health districts, public and private organizations, businesses and potential sources of funding, and update the comprehensive plan as necessary; and

(k) Develop a registry of rare diseases diagnosed in this State to determine the genetic and environmental factors that contribute to such rare diseases.

2. The Council shall compile an annual report which must include, without limitation, a summary of the activities of the Council and any recommendations of the Council for legislation or other policies. The Council shall:

(a) Post the report on an Internet website maintained by the Department; and

(b) Submit the report to the Department, the Governor and the Director of the Legislative Counsel Bureau for transmittal to:

(1) In even-numbered years, the next regular session of the Legislature; and

(2) In odd-numbered years, the Legislative Committee on Health Care.

3. As used in this section, "provider of health care" has the meaning ascribed to it in NRS 629.031.

Sec. 4. NRS 439.170 is hereby amended to read as follows:

439.170 **1.** The Division shall take such measures as may be necessary to prevent the spread of sickness and disease, and shall possess all powers necessary to fulfill the duties and exercise the authority prescribed by law and to bring actions in the courts for the enforcement of all health laws and lawful rules and regulations.

2. The Division shall include in appropriate public health programs and activities information concerning the importance of an annual physical examination by a provider of health care for children.

Sec. 5. Chapter 388 of NRS is hereby amended by adding thereto a new section to read as follows:

The board of trustees of a school district or the governing body of a charter school shall include in any written communication with the parent or guardian of a pupil related to the health of pupils information concerning the importance of an annual physical examination by a provider of health care for children.

Sec. 6. NRS 389.018 is hereby amended to read as follows:

389.018 **1.** The following subjects are designated as the core academic subjects that must be taught, as applicable for grade levels, in all public schools, the Caliente Youth Center, the Nevada Youth Training Center and any other state facility for the detention of children that is operated pursuant to title 5 of NRS:

- (a) English language arts;
- (b) Mathematics;
- (c) Science; and
- (d) Social studies, which includes only the subjects of history, geography, economics and government.

2. Except as otherwise provided in this subsection, a pupil enrolled in a public high school must enroll in a minimum of:

- (a) Four units of credit in English language arts;
- (b) Four units of credit in mathematics, including, without limitation, Algebra I and geometry, or an equivalent course of study that integrates Algebra I and geometry;

(c) Three units of credit in science, including two laboratory courses; and

(d) Three units of credit in social studies, including, without limitation:

- (1) American government;
- (2) American history; and
- (3) World history or geography.

↪ A pupil is not required to enroll in the courses of study and credits required by this subsection if the pupil, the parent or legal guardian of the pupil and an administrator or a counselor at the school in which the pupil is enrolled mutually agree to a modified course of study for the pupil and that modified course of study satisfies at least the requirements for a standard high school diploma, an adjusted diploma or an alternative diploma, as applicable.

3. Except as otherwise provided in this subsection, in addition to the core academic subjects, the following subjects must be taught as applicable for grade levels and to the extent practicable in all public schools, the Caliente Youth Center, the Nevada Youth Training Center and any other state facility for the detention of children that is operated pursuant to title 5 of NRS:

- (a) The arts;
- (b) Computer education and technology;
- (c) Health; and
- (d) Physical education.

↪ If the State Board requires the completion of course work in a subject area set forth in this subsection for graduation from high school or promotion to the next grade, a public school shall offer the required course work. Except as otherwise provided for a course of study in health prescribed by subsection 1 of NRS 389.021, unless a subject is required for graduation from high school or promotion to the next grade, a charter school is not required to comply with this subsection.

4. Instruction in health and physical education provided pursuant to subsection 3 must include, without limitation, instruction concerning the importance of annual physical examinations by a provider of health care and the appropriate response to unusual aches and pains.

Sec. 7. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Department, in cooperation with organizations selected by the Department whose work relates to childhood cancer, shall design, prepare and issue license plates to increase

awareness of childhood cancer using any colors and designs which the Department deems appropriate. The design of the license plates must include the phrase "Cure Childhood Cancer."

2. The Department shall issue license plates to increase awareness of childhood cancer for a passenger car or light commercial vehicle upon application by a person who is entitled to license plates pursuant to NRS 482.265 and who otherwise complies with the requirements for registration and licensing pursuant to this chapter. A person may request that personalized prestige license plates issued pursuant to NRS 482.3667 be combined with license plates to increase awareness of childhood cancer if that person pays the fees for the personalized prestige license plates in addition to the fees for the license plates to increase awareness of childhood cancer pursuant to subsections 3 and 4.

3. The fee for license plates to increase awareness of childhood cancer is \$35, in addition to all other applicable registration and license fees and governmental services taxes. The license plates are renewable upon the payment of \$10.

4. In addition to all other applicable registration and license fees and governmental services taxes and the fee prescribed pursuant to subsection 3, a person who requests a set of license plates to increase awareness of childhood cancer must pay for the issuance of the plates an additional fee of \$25 and for each renewal of the plates an additional fee of \$20, to be deposited in accordance with subsection 8.

5. The provisions of NRS 482.36705 do not apply to license plates described in this section.

6. If, during a registration period, the holder of license plates issued pursuant to the provisions of this section disposes of the vehicle to which the plates are affixed, the holder shall:

(a) Retain the plates and affix them to another vehicle that meets the requirements of this section if the holder pays the fee for the transfer of the registration and any registration fee or governmental services taxes due pursuant to NRS 482.399; or

(b) Within 30 days after removing the plates from the vehicle, return them to the Department.

7. The Department may accept any gifts, grants and donations or other sources of money for the production and issuance of the special license plates pursuant to this section.

8. The Department shall deposit the additional fees collected pursuant to subsection 4 with the State Treasurer for credit to the

Department of Health and Human Services. The money may be used by the Department of Health and Human Services only:

(a) To pay any expenses of the Rare Disease Advisory Council created by section 2 of this act; and

(b) For other programs and services related to childhood cancer.

Sec. 7.5. NRS 482.2065 is hereby amended to read as follows:
482.2065 1. A trailer may be registered for a 3-year period as provided in this section.

2. A person who registers a trailer for a 3-year period must pay upon registration all fees and taxes that would be due during the 3-year period if he or she registered the trailer for 1 year and renewed that registration for 2 consecutive years immediately thereafter, including, without limitation:

(a) Registration fees pursuant to NRS 482.480 and 482.483.

(b) A fee for each license plate issued pursuant to NRS 482.268.

(c) Fees for the initial issuance, reissuance and renewal of a special license plate pursuant to NRS 482.265, if applicable.

(d) Fees for the initial issuance and renewal of a personalized prestige license plate pursuant to NRS 482.367, if applicable.

(e) Additional fees for the initial issuance and renewal of a special license plate issued pursuant to NRS 482.3667 to 482.3823, inclusive, *and section 7 of this act* which are imposed to generate financial support for a particular cause or charitable organization, if applicable.

(f) Governmental services taxes imposed pursuant to chapter 371 of NRS, as provided in NRS 482.260.

(g) The applicable taxes imposed pursuant to chapters 372, 374, 377 and 377A of NRS.

3. A license plate issued pursuant to this section will be reissued as provided in NRS 482.265 except that such reissuance will be done at the first renewal after the license plate has been issued for not less than 8 years.

4. As used in this section, the term "trailer" does not include a full trailer or semitrailer that is registered pursuant to subsection 3 of NRS 482.483.

Sec. 8. NRS 482.216 is hereby amended to read as follows:

482.216 1. Except as otherwise provided in NRS 482.2155, upon the request of a new vehicle dealer, the Department may authorize the new vehicle dealer to:

(a) Accept applications for the registration of the new motor vehicles he or she sells and the related fees and taxes;

(b) Issue certificates of registration to applicants who satisfy the requirements of this chapter; and

(c) Accept applications for the transfer of registration pursuant to NRS 482.399 if the applicant purchased from the new vehicle dealer a new vehicle to which the registration is to be transferred.

2. A new vehicle dealer who is authorized to issue certificates of registration pursuant to subsection 1 shall:

(a) Transmit the applications received to the Department within the period prescribed by the Department;

(b) Transmit the fees collected from the applicants and properly account for them within the period prescribed by the Department;

(c) Comply with the regulations adopted pursuant to subsection 5; and

(d) Bear any cost of equipment which is necessary to issue certificates of registration, including any computer hardware or software.

3. A new vehicle dealer who is authorized to issue certificates of registration pursuant to subsection 1 shall not:

(a) Charge any additional fee for the performance of those services;

(b) Receive compensation from the Department for the performance of those services;

(c) Accept applications for the renewal of registration of a motor vehicle; or

(d) Accept an application for the registration of a motor vehicle if the applicant wishes to:

(1) Obtain special license plates pursuant to NRS 482.3667 to 482.3823, inclusive ~~§~~, *and section 7 of this act*; or

(2) Claim the exemption from the governmental services tax provided pursuant to NRS 361.1565 to veterans and their relations.

4. The provisions of this section do not apply to the registration of a moped pursuant to NRS 482.2155.

5. The Director shall adopt such regulations as are necessary to carry out the provisions of this section. The regulations adopted pursuant to this subsection must provide for:

(a) The expedient and secure issuance of license plates and decals by the Department; and

(b) The withdrawal of the authority granted to a new vehicle dealer pursuant to subsection 1 if that dealer fails to comply with the regulations adopted by the Department.

Sec. 9. NRS 482.2703 is hereby amended to read as follows:

482.2703 1. The Director may order the preparation of sample license plates which must be of the same design and size as

regular license plates or license plates issued pursuant to NRS 482.384. The Director shall ensure that:

(a) Each license plate issued pursuant to this subsection, regardless of its design, is inscribed with the word SAMPLE and an identical designation which consists of the same group of three numerals followed by the same group of three letters; and

(b) The designation of numerals and letters assigned pursuant to paragraph (a) is not assigned to a vehicle registered pursuant to this chapter or chapter 706 of NRS.

2. The Director may order the preparation of sample license plates which must be of the same design and size as any of the special license plates issued pursuant to NRS 482.3667 to 482.3823, inclusive ~~§~~, *and section 7 of this act*. The Director shall ensure that:

(a) Each license plate issued pursuant to this subsection, regardless of its design, is inscribed with the word SAMPLE and the number zero in the location where any other numerals would normally be displayed on a license plate of that design; and

(b) The number assigned pursuant to paragraph (a) is not assigned to a vehicle registered pursuant to this chapter or chapter 706 of NRS.

3. The Director may establish a fee for the issuance of sample license plates of not more than \$15 for each license plate.

4. A decal issued pursuant to NRS 482.271 may be displayed on a sample license plate issued pursuant to this section.

5. All money collected from the issuance of sample license plates must be deposited in the State Treasury for credit to the Motor Vehicle Fund.

6. A person shall not affix a sample license plate issued pursuant to this section to a vehicle. A person who violates the provisions of this subsection is guilty of a misdemeanor.

Sec. 10. NRS 482.274 is hereby amended to read as follows:

482.274 1. The Director shall order the preparation of vehicle license plates for trailers in the same manner provided for motor vehicles in NRS 482.270, except that a vehicle license plate prepared for a full trailer or semitrailer that is registered pursuant to subsection 3 of NRS 482.483 is not required to have displayed upon it the month and year the registration expires.

2. The Director shall order preparation of two sizes of vehicle license plates for trailers. The smaller plates may be used for trailers with a gross vehicle weight of less than 1,000 pounds.

3. The Director shall determine the registration numbers assigned to trailers.

4. Any license plates issued for a trailer before July 1, 1975, bearing a different designation from that provided for in this section, are valid during the period for which such plates were issued.

5. Any license plates issued for a trailer before January 1, 1982, are not subject to reissue pursuant to subsection 2 of NRS 482.265.

6. The Department shall not issue for a full trailer or semitrailer that is registered pursuant to subsection 3 of NRS 482.483 a special license plate available pursuant to NRS 482.3667 to 482.3823, inclusive ~~H~~, *and section 7 of this act.*

Sec. 11. NRS 482.367004 is hereby amended to read as follows:

482.367004 1. There is hereby created the Commission on Special License Plates. The Commission is advisory to the Department and consists of five Legislators and three nonvoting members as follows:

(a) Five Legislators appointed by the Legislative Commission:

(1) One of whom is the Legislator who served as the Chair of the Assembly Standing Committee on Transportation during the most recent legislative session. That Legislator may designate an alternate to serve in place of the Legislator when absent. The alternate must be another Legislator who also served on the Assembly Standing Committee on Transportation during the most recent legislative session.

(2) One of whom is the Legislator who served as the Chair of the Senate Standing Committee on Transportation during the most recent legislative session. That Legislator may designate an alternate to serve in place of the Legislator when absent. The alternate must be another Legislator who also served on the Senate Standing Committee on Transportation during the most recent legislative session.

(b) Three nonvoting members consisting of:

(1) The Director of the Department of Motor Vehicles, or a designee of the Director.

(2) The Director of the Department of Public Safety, or a designee of the Director.

(3) The Director of the Department of Tourism and Cultural Affairs, or a designee of the Director.

2. Each member of the Commission appointed pursuant to paragraph (a) of subsection 1 serves a term of 2 years, commencing on July 1 of each odd-numbered year. A vacancy on the Commission must be filled in the same manner as the original appointment.

3. Members of the Commission serve without salary or compensation for their travel or per diem expenses.

4. The Director of the Legislative Counsel Bureau shall provide administrative support to the Commission.

5. The Commission shall recommend to the Department that the Department approve or disapprove:

(a) Applications for the design, preparation and issuance of special license plates that are submitted to the Department pursuant to subsection 1 of NRS 482.367002;

(b) The issuance by the Department of special license plates that have been designed and prepared pursuant to NRS 482.367002; and

(c) Except as otherwise provided in subsection 7, applications for the design, preparation and issuance of special license plates that have been authorized by an act of the Legislature after January 1, 2007.

↳ In determining whether to recommend to the Department the approval of such an application or issuance, the Commission shall consider, without limitation, whether it would be appropriate and feasible for the Department to, as applicable, design, prepare or issue the particular special license plate. For the purpose of making recommendations to the Department, the Commission shall consider each application in the chronological order in which the application was received by the Department.

6. On or before September 1 of each fiscal year, the Commission shall compile a list of each special license plate for which the Commission, during the immediately preceding fiscal year, recommended to the Department that the Department approve the application for the special license plate or approve the issuance of the special license plate. The list so compiled must set forth, for each such plate, the cause or charitable organization for which the special license plate generates or would generate financial support, and the intended use to which the financial support is being put or would be put. The Commission shall transmit the information described in this subsection to the Department and the Department shall make that information available on its Internet website.

7. The provisions of paragraph (c) of subsection 5 do not apply with regard to special license plates that are issued pursuant to NRS 482.3746, 482.3751, 482.3752, 482.3757, 482.3783, 482.3785, 482.3787 or 482.37901 **or section 7 of this act.**

8. The Commission shall:

(a) Recommend to the Department that the Department approve or disapprove any proposed change in the distribution of money received in the form of additional fees. As used in this paragraph,

“additional fees” means the fees that are charged in connection with the issuance or renewal of a special license plate for the benefit of a particular cause, fund or charitable organization. The term does not include registration and license fees or governmental services taxes.

(b) If it recommends a proposed change pursuant to paragraph (a) and determines that legislation is required to carry out the change, recommend to the Department that the Department request the assistance of the Legislative Counsel in the preparation of a bill draft to carry out the change.

Sec. 12. NRS 482.367008 is hereby amended to read as follows:

482.367008 1. As used in this section, “special license plate” means:

(a) A license plate that the Department has designed and prepared pursuant to NRS 482.367002 in accordance with the system of application and petition described in that section;

(b) A license plate approved by the Legislature that the Department has designed and prepared pursuant to NRS 482.3747, 482.37903, 482.37905, 482.37917, 482.379175, 482.37918, 482.37919, 482.3792, 482.3793, 482.37933, 482.37934, 482.37935, 482.379355, 482.379365, 482.37937, 482.379375, 482.37938, 482.37939, 482.37945 or 482.37947; and

(c) Except for a license plate that is issued pursuant to NRS 482.3746, 482.3751, 482.3752, 482.3757, 482.3783, 482.3785, 482.3787 or 482.37901, *or section 7 of this act*, a license plate that is approved by the Legislature after July 1, 2005.

2. Notwithstanding any other provision of law to the contrary, and except as otherwise provided in subsection 3, the Department shall not, at any one time, issue more than 30 separate designs of special license plates. Whenever the total number of separate designs of special license plates issued by the Department at any one time is less than 30, the Department shall issue a number of additional designs of special license plates that have been authorized by an act of the Legislature or the application for which has been recommended by the Commission on Special License Plates to be approved by the Department pursuant to subsection 5 of NRS 482.367004, not to exceed a total of 30 designs issued by the Department at any one time. Such additional designs must be issued by the Department in accordance with the chronological order of their authorization or approval by the Department.

3. In addition to the special license plates described in subsection 2, the Department may issue not more than five separate

designs of special license plates in excess of the limit set forth in that subsection. To qualify for issuance pursuant to this subsection:

(a) The Commission on Special License Plates must have recommended to the Department that the Department approve the design, preparation and issuance of the special plates as described in paragraphs (a) and (b) of subsection 5 of NRS 482.367004; and

(b) The special license plates must have been applied for, designed, prepared and issued pursuant to NRS 482.367002, except that:

(1) The application for the special license plates must be accompanied by a surety bond posted with the Department in the amount of \$20,000; and

(2) Pursuant to the assessment of the viability of the design of the special license plates that is conducted pursuant to this section, it is determined that at least 3,000 special license plates have been issued.

4. Except as otherwise provided in this subsection, on October 1 of each year the Department shall assess the viability of each separate design of special license plate that the Department is currently issuing by determining the total number of validly registered motor vehicles to which that design of special license plate is affixed. The Department shall not determine the total number of validly registered motor vehicles to which a particular design of special license plate is affixed if:

(a) The particular design of special license plate was designed and prepared by the Department pursuant to NRS 482.367002; and

(b) On October 1, that particular design of special license plate has been available to be issued for less than 12 months.

5. If, on October 1, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

(a) In the case of special license plates not described in subsection 3, less than 1,000; or

(b) In the case of special license plates described in subsection 3, less than 3,000,

↳ the Director shall provide notice of that fact in the manner described in subsection 6.

6. The notice required pursuant to subsection 5 must be provided:

(a) If the special license plate generates financial support for a cause or charitable organization, to that cause or charitable organization.

(b) If the special license plate does not generate financial support for a cause or charitable organization, to an entity which is involved in promoting the activity, place or other matter that is depicted on the plate.

7. If, on December 31 of the same year in which notice was provided pursuant to subsections 5 and 6, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

(a) In the case of special license plates not described in subsection 3, less than 1,000; or

(b) In the case of special license plates described in subsection 3, less than 3,000,

↳ the Director shall, notwithstanding any other provision of law to the contrary, issue an order providing that the Department will no longer issue that particular design of special license plate. Except as otherwise provided in subsection 2 of NRS 482.265, such an order does not require existing holders of that particular design of special license plate to surrender their plates to the Department and does not prohibit those holders from renewing those plates.

Sec. 13. NRS 482.36705 is hereby amended to read as follows:

482.36705 1. Except as otherwise provided in subsection 2:

(a) If a new special license plate is authorized by an act of the Legislature after January 1, 2003, other than a special license plate that is authorized pursuant to NRS 482.379375, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Department receives at least 1,000 applications for the issuance of that plate within 2 years after the effective date of the act of the Legislature that authorized the plate.

(b) In addition to the requirements set forth in paragraph (a), if a new special license plate is authorized by an act of the Legislature after July 1, 2005, the Legislature will direct that the license plate not be issued by the Department unless its issuance complies with subsection 2 of NRS 482.367008.

(c) In addition to the requirements set forth in paragraphs (a) and (b), if a new special license plate is authorized by an act of the Legislature after January 1, 2007, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Commission on Special License Plates recommends to the Department that the Department approve the application for the authorized plate pursuant to NRS 482.367004.

2. The provisions of subsection 1 do not apply with regard to special license plates that are issued pursuant to NRS 482.3746,

482.3751, 482.3752, 482.3757, 482.3783, 482.3785, 482.3787 or 482.37901 **[H] or section 7 of this act.**

Sec. 14. NRS 482.38276 is hereby amended to read as follows:

482.38276 “Special license plate” means:

1. A license plate that the Department has designed and prepared pursuant to NRS 482.367002 in accordance with the system of application and petition described in that section;

2. A license plate approved by the Legislature that the Department has designed and prepared pursuant to NRS 482.3747, 482.37903, 482.37904, 482.37905, 482.37917, 482.379175, 482.37918, 482.37919, 482.3792, 482.3793, 482.37933, 482.37934, 482.37935, 482.379355, 482.379365, 482.37937, 482.379375, 482.37938, 482.37939, 482.37945 or 482.37947; and

3. Except for a license plate that is issued pursuant to NRS 482.3746, 482.3757, 482.3785, 482.3787 or 482.37901 **[H] or section 7 of this act**, a license plate that is approved by the Legislature after July 1, 2005.

Sec. 15. NRS 482.399 is hereby amended to read as follows:

482.399 1. Upon the transfer of the ownership of or interest in any vehicle by any holder of a valid registration, or upon destruction of the vehicle, the registration expires.

2. Except as otherwise provided in NRS 482.2155 and subsection 3 of NRS 482.483, the holder of the original registration may transfer the registration to another vehicle to be registered by the holder and use the same regular license plate or plates or special license plate or plates issued pursuant to NRS 482.3667 to 482.3823, inclusive, **and section 7 of this act**, or 482.384, on the vehicle from which the registration is being transferred, if the license plate or plates are appropriate for the second vehicle, upon filing an application for transfer of registration and upon paying the transfer registration fee and the excess, if any, of the registration fee and governmental services tax on the vehicle to which the registration is transferred over the total registration fee and governmental services tax paid on all vehicles from which he or she is transferring ownership or interest. Except as otherwise provided in NRS 482.294, an application for transfer of registration must be made in person, if practicable, to any office or agent of the Department or to a registered dealer, and the license plate or plates may not be used upon a second vehicle until registration of that vehicle is complete.

3. In computing the governmental services tax, the Department, its agent or the registered dealer shall credit the portion

of the tax paid on the first vehicle attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the second vehicle or on any other vehicle of which the person is the registered owner. If any person transfers ownership or interest in two or more vehicles, the Department or the registered dealer shall credit the portion of the tax paid on all of the vehicles attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner. The certificates of registration and unused license plates of the vehicles from which a person transfers ownership or interest must be submitted before credit is given against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner.

4. In computing the registration fee, the Department or its agent or the registered dealer shall credit the portion of the registration fee paid on each vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis against the registration fee due on the vehicle to which registration is transferred.

5. If the amount owed on the registration fee or governmental services tax on the vehicle to which registration is transferred is less than the credit on the total registration fee or governmental services tax paid on all vehicles from which a person transfers ownership or interest, the person may apply the unused portion of the credit to the registration of any other vehicle owned by the person. Any unused portion of such a credit expires on the date the registration of the vehicle from which the person transferred the registration was due to expire.

6. If the license plate or plates are not appropriate for the second vehicle, the plate or plates must be surrendered to the Department or registered dealer and an appropriate plate or plates must be issued by the Department. The Department shall not reissue the surrendered plate or plates until the next succeeding licensing period.

7. If application for transfer of registration is not made within 60 days after the destruction or transfer of ownership of or interest in any vehicle, the license plate or plates must be surrendered to the Department on or before the 60th day for cancellation of the registration.

8. Except as otherwise provided in subsection 2 of NRS 371.040, NRS 482.2155, subsections 7 and 8 of NRS 482.260 and

subsection 3 of NRS 482.483, if a person cancels his or her registration and surrenders to the Department the license plates for a vehicle, the Department shall:

(a) In accordance with the provisions of subsection 9, issue to the person a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis; or

(b) If the person does not qualify for a refund in accordance with the provisions of subsection 9, issue to the person a credit in the amount of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. Such a credit may be applied by the person to the registration of any other vehicle owned by the person. Any unused portion of the credit expires on the date the registration of the vehicle from which the person obtained a refund was due to expire.

9. The Department shall issue a refund pursuant to subsection 8 only if the request for a refund is made at the time the registration is cancelled and the license plates are surrendered, the person requesting the refund is a resident of Nevada, the amount eligible for refund exceeds \$100, and evidence satisfactory to the Department is submitted that reasonably proves the existence of extenuating circumstances. For the purposes of this subsection, the term “extenuating circumstances” means circumstances wherein:

(a) The person has recently relinquished his or her driver’s license and has sold or otherwise disposed of his or her vehicle.

(b) The vehicle has been determined to be inoperable and the person does not transfer the registration to a different vehicle.

(c) The owner of the vehicle is seriously ill or has died and the guardians or survivors have sold or otherwise disposed of the vehicle.

(d) Any other event occurs which the Department, by regulation, has defined to constitute an “extenuating circumstance” for the purposes of this subsection.

Sec. 16. NRS 482.500 is hereby amended to read as follows:

482.500 1. Except as otherwise provided in subsection 2 or 3 or specifically provided by statute, whenever upon application any duplicate or substitute certificate of registration, indicator, decal or number plate is issued, the following fees must be paid:

For a certificate of registration \$5.00
For every substitute number plate or set of plates 5.00

For every duplicate number plate or set of plates..... \$10.00
 For every decal displaying a county name50
 For every other indicator, decal, license plate sticker
 or tab..... 5.00

2. The following fees must be paid for any replacement number plate or set of plates issued for the following special license plates:

(a) For any special plate issued pursuant to NRS 482.3667, 482.367002, 482.3672, 482.3675, 482.370 to 482.3755, inclusive, **and section 7 of this act**, 482.376 or 482.379 to 482.3818, inclusive, a fee of \$10.

(b) For any special plate issued pursuant to NRS 482.368, 482.3765, 482.377 or 482.378, a fee of \$5.

(c) Except as otherwise provided in paragraph (a) of subsection 1 of NRS 482.3824, for any souvenir license plate issued pursuant to NRS 482.3825 or sample license plate issued pursuant to NRS 482.2703, a fee equal to that established by the Director for the issuance of those plates.

3. A fee must not be charged for a duplicate or substitute of a decal issued pursuant to NRS 482.37635.

4. The fees which are paid for replacement number plates, duplicate number plates and decals displaying county names must be deposited with the State Treasurer for credit to the Motor Vehicle Fund and allocated to the Department to defray the costs of replacing or duplicating the plates and manufacturing the decals.

Sec. 17. Chapter 630 of NRS is hereby amended by adding thereto a new section to read as follows:

The Board shall develop and disseminate annually to each licensed physician and physician assistant who cares for children information concerning the signs and symptoms of pediatric cancer.

Sec. 18. NRS 630.253 is hereby amended to read as follows:

630.253 1. The Board shall, as a prerequisite for the:

(a) Renewal of a license as a physician assistant; or

(b) Biennial registration of the holder of a license to practice medicine,

↪ require each holder to submit evidence of compliance with the requirements for continuing education as set forth in regulations adopted by the Board.

2. These requirements:

(a) May provide for the completion of one or more courses of instruction relating to risk management in the performance of medical services.

(b) Must provide for the completion of a course of instruction, within 2 years after initial licensure, relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction. The course must provide at least 4 hours of instruction that includes instruction in the following subjects:

(1) An overview of acts of terrorism and weapons of mass destruction;

(2) Personal protective equipment required for acts of terrorism;

(3) Common symptoms and methods of treatment associated with exposure to, or injuries caused by, chemical, biological, radioactive and nuclear agents;

(4) Syndromic surveillance and reporting procedures for acts of terrorism that involve biological agents; and

(5) An overview of the information available on, and the use of, the Health Alert Network.

(c) Must provide for the completion by a holder of a license to practice medicine of a course of instruction within 2 years after initial licensure that provides at least 2 hours of instruction on evidence-based suicide prevention and awareness as described in subsection 5.

↪ The Board may thereafter determine whether to include in a program of continuing education additional courses of instruction relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction.

3. The Board shall encourage each holder of a license who treats or cares for persons who are more than 60 years of age to receive, as a portion of their continuing education, education in geriatrics and gerontology, including such topics as:

(a) The skills and knowledge that the licensee needs to address aging issues;

(b) Approaches to providing health care to older persons, including both didactic and clinical approaches;

(c) The biological, behavioral, social and emotional aspects of the aging process; and

(d) The importance of maintenance of function and independence for older persons.

4. The Board shall encourage each holder of a license to practice medicine to receive, as a portion of his or her continuing

education, training concerning methods for educating patients about how to effectively manage medications, including, without limitation, the ability of the patient to request to have the symptom or purpose for which a drug is prescribed included on the label attached to the container of the drug.

5. The Board shall require each holder of a license to practice medicine to receive as a portion of his or her continuing education at least 2 hours of instruction every 4 years on evidence-based suicide prevention and awareness, which may include, without limitation, instruction concerning:

(a) The skills and knowledge that the licensee needs to detect behaviors that may lead to suicide, including, without limitation, post-traumatic stress disorder;

(b) Approaches to engaging other professionals in suicide intervention; and

(c) The detection of suicidal thoughts and ideations and the prevention of suicide.

6. *The Board shall encourage each holder of a license to practice medicine or as a physician assistant to receive, as a portion of his or her continuing education, training and education in the diagnosis of rare diseases, including, without limitation:*

(a) Recognizing the symptoms of pediatric cancer; and

(b) Interpreting family history to determine whether such symptoms indicate a normal childhood illness or a condition that requires additional examination.

7. A holder of a license to practice medicine may not substitute the continuing education credits relating to suicide prevention and awareness required by this section for the purposes of satisfying an equivalent requirement for continuing education in ethics.

~~7.~~ 8. A holder of a license to practice medicine may substitute not more than 2 hours of continuing education credits in pain management or addiction care for the purposes of satisfying an equivalent requirement for continuing education in ethics.

~~8.~~ 9. As used in this section:

(a) "Act of terrorism" has the meaning ascribed to it in NRS 202.4415.

(b) "Biological agent" has the meaning ascribed to it in NRS 202.442.

(c) "Chemical agent" has the meaning ascribed to it in NRS 202.4425.

(d) "Radioactive agent" has the meaning ascribed to it in NRS 202.4437.

(e) "Weapon of mass destruction" has the meaning ascribed to it in NRS 202.4445.

Sec. 19. NRS 632.120 is hereby amended to read as follows:

632.120 1. The Board shall:

(a) Adopt regulations establishing reasonable standards:

(1) For the denial, renewal, suspension and revocation of, and the placement of conditions, limitations and restrictions upon, a license to practice professional or practical nursing or a certificate to practice as a nursing assistant or medication aide - certified.

(2) Of professional conduct for the practice of nursing.

(3) For prescribing and dispensing controlled substances and dangerous drugs in accordance with applicable statutes.

(4) For the psychiatric training and experience necessary for an advanced practice registered nurse to be authorized to make the evaluations and examinations described in NRS 433A.160, 433A.240 and 433A.430 and the certifications described in NRS 433A.170, 433A.195 and 433A.200.

(b) Prepare and administer examinations for the issuance of a license or certificate under this chapter.

(c) Investigate and determine the eligibility of an applicant for a license or certificate under this chapter.

(d) Carry out and enforce the provisions of this chapter and the regulations adopted pursuant thereto.

(e) Develop and disseminate annually to each registered nurse who cares for children information concerning the signs and symptoms of pediatric cancer.

2. The Board may adopt regulations establishing reasonable:

(a) Qualifications for the issuance of a license or certificate under this chapter.

(b) Standards for the continuing professional competence of licensees or holders of a certificate. The Board may evaluate licensees or holders of a certificate periodically for compliance with those standards.

3. The Board may adopt regulations establishing a schedule of reasonable fees and charges, in addition to those set forth in NRS 632.345, for:

(a) Investigating licensees or holders of a certificate and applicants for a license or certificate under this chapter;

(b) Evaluating the professional competence of licensees or holders of a certificate;

(c) Conducting hearings pursuant to this chapter;

(d) Duplicating and verifying records of the Board; and

(e) Surveying, evaluating and approving schools of practical nursing, and schools and courses of professional nursing,

↳ and collect the fees established pursuant to this subsection.

4. For the purposes of this chapter, the Board shall, by regulation, define the term “in the process of obtaining accreditation.”

5. The Board may adopt such other regulations, not inconsistent with state or federal law, as may be necessary to carry out the provisions of this chapter relating to nursing assistant trainees, nursing assistants and medication aides - certified.

6. The Board may adopt such other regulations, not inconsistent with state or federal law, as are necessary to enable it to administer the provisions of this chapter.

Sec. 20. NRS 632.343 is hereby amended to read as follows:

632.343 1. The Board shall not renew any license issued under this chapter until the licensee has submitted proof satisfactory to the Board of completion, during the 2-year period before renewal of the license, of 30 hours in a program of continuing education approved by the Board in accordance with regulations adopted by the Board. Except as otherwise provided in subsection 3, the licensee is exempt from this provision for the first biennial period after graduation from:

- (a) An accredited school of professional nursing;
- (b) An accredited school of practical nursing;
- (c) An approved school of professional nursing in the process of obtaining accreditation; or
- (d) An approved school of practical nursing in the process of obtaining accreditation.

2. The Board shall review all courses offered to nurses for the completion of the requirement set forth in subsection 1. The Board may approve nursing and other courses which are directly related to the practice of nursing as well as others which bear a reasonable relationship to current developments in the field of nursing or any special area of practice in which a licensee engages. These may include academic studies, workshops, extension studies, home study and other courses.

3. The program of continuing education required by subsection 1 must include:

- (a) For a person licensed as an advanced practice registered nurse, a course of instruction to be completed within 2 years after initial licensure that provides at least 2 hours of instruction on suicide prevention and awareness as described in subsection 5.

(b) For each person licensed pursuant to this chapter, a course of instruction, to be completed within 2 years after initial licensure, relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction. The course must provide at least 4 hours of instruction that includes instruction in the following subjects:

(1) An overview of acts of terrorism and weapons of mass destruction;

(2) Personal protective equipment required for acts of terrorism;

(3) Common symptoms and methods of treatment associated with exposure to, or injuries caused by, chemical, biological, radioactive and nuclear agents;

(4) Syndromic surveillance and reporting procedures for acts of terrorism that involve biological agents; and

(5) An overview of the information available on, and the use of, the Health Alert Network.

↳ The Board may thereafter determine whether to include in a program of continuing education additional courses of instruction relating to the medical consequences of an act of terrorism that involves the use of a weapon of mass destruction.

4. The Board shall encourage each licensee who treats or cares for persons who are more than 60 years of age to receive, as a portion of their continuing education, education in geriatrics and gerontology, including such topics as:

(a) The skills and knowledge that the licensee needs to address aging issues;

(b) Approaches to providing health care to older persons, including both didactic and clinical approaches;

(c) The biological, behavioral, social and emotional aspects of the aging process; and

(d) The importance of maintenance of function and independence for older persons.

5. The Board shall require each person licensed as an advanced practice registered nurse to receive as a portion of his or her continuing education at least 2 hours of instruction every 4 years on evidence-based suicide prevention and awareness or another course of instruction on suicide prevention and awareness that is approved by the Board which the Board has determined to be effective and appropriate.

6. *The Board shall encourage each person licensed as an advanced practice registered nurse to receive, as a portion of his*

or her continuing education, training and education in the diagnosis of rare diseases, including, without limitation:

- (a) Recognizing the symptoms of pediatric cancer; and*
- (b) Interpreting family history to determine whether such symptoms indicate a normal childhood illness or a condition that requires additional examination.*

7. As used in this section:

- (a) "Act of terrorism" has the meaning ascribed to it in NRS 202.4415.
- (b) "Biological agent" has the meaning ascribed to it in NRS 202.442.
- (c) "Chemical agent" has the meaning ascribed to it in NRS 202.4425.
- (d) "Radioactive agent" has the meaning ascribed to it in NRS 202.4437.
- (e) "Weapon of mass destruction" has the meaning ascribed to it in NRS 202.4445.

Sec. 21. Chapter 633 of NRS is hereby amended by adding thereto a new section to read as follows:

The Board shall develop and disseminate annually to each licensed osteopathic physician and physician assistant who cares for children information concerning the signs and symptoms of pediatric cancer.

Sec. 22. NRS 633.471 is hereby amended to read as follows:

633.471 1. Except as otherwise provided in subsection 9 and NRS 633.491, every holder of a license issued under this chapter, except a temporary or a special license, may renew the license on or before January 1 of each calendar year after its issuance by:

- (a) Applying for renewal on forms provided by the Board;
- (b) Paying the annual license renewal fee specified in this chapter;
- (c) Submitting a list of all actions filed or claims submitted to arbitration or mediation for malpractice or negligence against the holder during the previous year;
- (d) Submitting evidence to the Board that in the year preceding the application for renewal the holder has attended courses or programs of continuing education approved by the Board in accordance with regulations adopted by the Board totaling a number of hours established by the Board which must not be less than 35 hours nor more than that set in the requirements for continuing medical education of the American Osteopathic Association; and
- (e) Submitting all information required to complete the renewal.

2. The Secretary of the Board shall notify each licensee of the requirements for renewal not less than 30 days before the date of renewal.

3. The Board shall request submission of verified evidence of completion of the required number of hours of continuing medical education annually from no fewer than one-third of the applicants for renewal of a license to practice osteopathic medicine or a license to practice as a physician assistant. Upon a request from the Board, an applicant for renewal of a license to practice osteopathic medicine or a license to practice as a physician assistant shall submit verified evidence satisfactory to the Board that in the year preceding the application for renewal the applicant attended courses or programs of continuing medical education approved by the Board totaling the number of hours established by the Board.

4. The Board shall require each holder of a license to practice osteopathic medicine to complete a course of instruction within 2 years after initial licensure that provides at least 2 hours of instruction on evidence-based suicide prevention and awareness as described in subsection ~~7-1~~ 8.

5. The Board shall encourage each holder of a license to practice osteopathic medicine to receive, as a portion of his or her continuing education, training concerning methods for educating patients about how to effectively manage medications, including, without limitation, the ability of the patient to request to have the symptom or purpose for which a drug is prescribed included on the label attached to the container of the drug.

6. *The Board shall encourage each holder of a license to practice osteopathic medicine or as a physician assistant to receive, as a portion of his or her continuing education, training and education in the diagnosis of rare diseases, including, without limitation:*

(a) Recognizing the symptoms of pediatric cancer; and

(b) Interpreting family history to determine whether such symptoms indicate a normal childhood illness or a condition that requires additional examination.

7. The Board shall require, as part of the continuing education requirements approved by the Board, the biennial completion by a holder of a license to practice osteopathic medicine of at least 2 hours of continuing education credits in ethics, pain management or addiction care.

~~7-1~~ 8. The Board shall require each holder of a license to practice osteopathic medicine to receive as a portion of his or her continuing education at least 2 hours of instruction every 4 years on

evidence-based suicide prevention and awareness which may include, without limitation, instruction concerning:

(a) The skills and knowledge that the licensee needs to detect behaviors that may lead to suicide, including, without limitation, post-traumatic stress disorder;

(b) Approaches to engaging other professionals in suicide intervention; and

(c) The detection of suicidal thoughts and ideations and the prevention of suicide.

~~8.1~~ **9.** A holder of a license to practice osteopathic medicine may not substitute the continuing education credits relating to suicide prevention and awareness required by this section for the purposes of satisfying an equivalent requirement for continuing education in ethics.

~~9.1~~ **10.** Members of the Armed Forces of the United States and the United States Public Health Service are exempt from payment of the annual license renewal fee during their active duty status.

Sec. 23. The Rare Disease Advisory Council created by section 2 of this act shall meet not later than 90 days after the effective date of this section.

Sec. 24. The provisions of subsection 1 of NRS 218D.380 do not apply to any provision of this act which adds or revises a requirement to submit a report to the Legislature.

Sec. 25. 1. This section and sections 1, 2, 3, 23 and 24 of this act become effective upon passage and approval.

2. Sections 4 to 22, inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

(b) On January 1, 2020, for all other purposes.
