AN ACT relating to education; abolishing the achievement school district; requiring an existing achievement charter school to convert to a charter school under the sponsorship of an authorized sponsor or cease operations; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Assembly Bill No. 448 of the 2015 Legislative Session established the  
2 Achievement School District within the Department of Education, authorized the  
3 conversion of certain public schools to achievement charter schools and  
4 made various other changes relating to such schools. (Chapter 539, Statutes of  
5 Nevada 2015, p. 3775) **Sections 1-35** of this bill effectively rescind Assembly  
6 Bill No. 448 by repealing the new provisions added by that bill and reverting the  
7 various statutes to the former language. **Section 37** of this bill requires the  
8 State Public Charter School Authority to administer each existing contract to  
9 operate an achievement charter school, beginning on the effective date of this  
10 bill.

11 Existing law authorizes the board of trustees of a school district that has been  
12 approved by the Department, a college or university within the Nevada System of  
13 Higher Education that has been approved by the Department or the State Public  
14 Charter School Authority to sponsor charter schools. (NRS 388A.220) **Section**  
15 **37** requires the governing body of an achievement charter school to obtain the  
16 sponsorship of such an entity and operate under existing law governing charter  
17 schools by July 1, 2020. If an achievement charter school does not obtain  
18 the sponsorship of such an entity, **section 37** provides that the contract to operate

19 the achievement charter school becomes void on that date, thereby requiring the  
20 achievement charter school to cease operations.

43 ~~—(d)}~~ The determination made for the charter school to the  
44 institution that sponsors the charter school if a charter school is

1 sponsored by a college or university within the Nevada System of  
2 Higher Education.

3 3. If the number of pupils in a particular group who are  
4 enrolled in a public school is insufficient to yield statistically  
5 reliable information:

6 (a) The Department shall not determine that the school has  
7 failed to meet the performance targets established pursuant to the  
8 statewide system of accountability for public schools based solely  
9 upon that particular group.

10 (b) The pupils in such a group must be included in the overall  
11 count of pupils enrolled in the school who took the examinations.

12 ➤ The Department shall use the mechanism approved by the United
