AN ACT relating to industrial insurance; authorizing the use of money in the Fund for Workers’ Compensation and Safety in the State Treasury to make certain payments; revising the authority of the Administrator of the Division of Industrial Relations of the Department of Business and Industry to make certain payments from the Uninsured Employers’ Claim Account in the Fund for Workers’ Compensation and Safety; revising provisions providing for an annual increase in benefits for permanent total disability; authorizing assessments against certain employers to defray the costs of certain compensation for permanent total disability; repealing provisions authorizing annual payments to certain persons who are entitled to compensation for permanent total disability; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law provides for an annual increase in compensation in the amount of  
2 2.3 percent to claimants or dependents thereof who are entitled to compensation for  
3 permanent total disability under industrial insurance for an industrial injury or  
4 disablement from an occupational disease that occurs on or after January 1, 2004.  
5 (NRS 616C.473) Existing law provides for a single annual payment to claimants  
6 and their dependents who are entitled to receive compensation for permanent total  
7 disability but are not entitled to the 2.3 percent annual increase in that  
8 compensation because the industrial injury or disablement occurred before  
9 January 1, 2004. (NRS 616C.453) Existing law provides that such annual payments  
10 are paid from the Uninsured Employers’ Claim Account in the Fund for Workers’  
11 Compensation and Safety in the State Treasury, an account which is funded by

12 assessments against insurers and certain employers who provide accident benefits  
13 for injured employees. (NRS 616A.430)

14 Existing law sets forth the uses of money and securities in the Fund for  
15 Workers' Compensation and Safety. (NRS 616A.425) **Section 1** of this bill  
16 provides that money in the Fund may also be used to: (1) reimburse insurers and  
17 employers for payments of an annual increase in compensation for permanent total  
18 disability to claimants and dependents of claimants who are entitled to such  
19 compensation due to an industrial injury or disablement which occurred before  
20 January 1, 2004, to the extent income realized on the investment of the assets in the  
21 Uninsured Employers' Claim Account in the Fund is sufficient to pay that  
22 compensation; and (2) pay the salary and other expenses of administering the  
23 payment of increased compensation to claimants and dependents of claimants who  
24 are entitled to compensation for permanent total disability caused by industrial  
25 injuries and disablements from occupational diseases that occurred before  
26 January 1, 2004.

27 **Section 2.5** of this bill authorizes an insurer or employer who pays an annual  
28 increase in compensation for permanent total disability to a claimant or dependent  
29 who is entitled to such compensation due to an industrial injury or disablement  
30 which occurred before January 1, 2004, to obtain reimbursement from the  
31 Administrator of the Division of Industrial Relations of the Department of Business  
32 and Industry and establishes the procedure for obtaining such a reimbursement.  
33 Under **section 2.5**, reimbursements approved by the Administrator are required to  
34 be paid from the income realized on the investment of the assets in the Uninsured  
35 Employers' Claim Account in the Fund for Workers' Compensation and Safety in  
36 the State Treasury. If the income realized on the investment of the assets in that  
37 Account is insufficient to fund the annual increase in compensation, the remainder  
38 of the reimbursements are required to be paid from certain assessments levied on  
39 insurers and employers by the Administrator.

40 **Section 3** of this bill provides for a 2.3 percent annual increase in compensation  
41 for permanent total disability to claimants and dependents of claimants who are  
42 entitled to such compensation due to an industrial injury or disablement which  
43 occurred before January 1, 2004, with compensation to be increased on January 1,  
44 2020, and on January 1 each year thereafter.

45 **Section 4** of this bill provides that assessments against employers who provide  
46 accident benefits for injured employees may be used to pay reimbursement to  
47 insurers for the cost of the annual increase in compensation payable to claimants  
48 and dependents of claimants who are entitled to such compensation due to an  
49 industrial injury or disablement which occurred before January 1, 2004, to the  
50 extent that income realized on the investment of the assets in the Uninsured  
51 Employers' Claim Account is insufficient to pay that reimbursement.

52 **Section 5** of this bill repeals provisions which authorize a single annual  
53 payment to claimants and their dependents who are entitled to receive  
54 compensation for permanent total disability but are not entitled to the 2.3 percent  
55 annual increase in that compensation. **Section 2** of this bill eliminates the authority  
56 of the Administrator of the Division of Industrial Relations of the Department of  
57 Business and Industry to make the annual payments from the Uninsured  
58 Employers' Claim Account in the Fund for Workers' Compensation and Safety  
59 and, instead, authorizes the reimbursements authorized by **section 2.5** to be paid  
60 from the Account.

33 NRS 616C.265.

34 7. The Commissioner shall assign an actuary to review the

3 benefit, the Administrator shall allocate a portion of the amount  
4 necessary for that expense to be payable by each of the relevant  
5 group of insurers, based upon the expected annual expenditures for  
6 claims of each group of insurers. After allocating the amounts  
7 payable among each group of insurers for all the expenses from  
8 which each group receives benefit, the Administrator shall apply an  
9 assessment rate to the:

22 616C.265 that reflect the relative hazard of the employments  
23 covered by those employers, results in an equitable distribution of  
24 costs among the employers and is based upon expected annual  
25 expenditures for claims.

26 ↪ The Administrator shall adopt regulations that establish the  
27 formula for the assessment and for the administration of payment,  
28 and any penalties that the Administrator determines are necessary to  
29 carry out the provisions of this subsection. The formula may use  
30 actual expenditures for claims. As used in this subsection, the term  
31 "group of insurers" includes the group of employers who provide  
32 accident benefits for injured employees pursuant to NRS 616C.265.

#### **616C.453 Additional annual payment to certain claimants and dependents of claimants who are entitled to receive compensation for permanent total disability; adoption of regulations to determine amount of payment.**

1. If a claimant or a dependent of a claimant is entitled to receive compensation pursuant to chapters 616A to 617, inclusive, of NRS for a permanent total disability and the claimant or dependent is not entitled to an annual increase in that compensation pursuant to NRS 616C.473, the claimant or dependent is entitled to an annual payment for that permanent total disability in an amount determined by the Administrator pursuant to subsection 3, but such annual payments may not exceed \$1,200 per claimant or dependent. Except as otherwise provided in subsection 5, the total payments made pursuant to this section may not exceed \$500,000 per year.

2. Each year, the Administrator shall withdraw from the Uninsured Employers' Claim Account established pursuant to NRS 616A.430 an amount of the income realized from the investment of the assets in the Account that is necessary to fund the payments calculated pursuant to subsection 3.

3. The Administrator shall adopt regulations establishing a method for the equitable distribution of the money withdrawn from the Account pursuant to subsection 2. The regulations must provide for payments that result in the largest proportional share of the money being paid to claimants and dependents who receive the lowest amount of compensation pursuant to chapters 616A to 617, inclusive, of NRS for the permanent total disability. The Administrator may adopt any other regulations that are necessary to carry out the provisions of this section.

4. Except as otherwise provided in subsection 5, the Administrator shall make the payment required by this section to each claimant and dependent of the claimant who is entitled to the payment not later than October 1 of each year. Any payment received by the claimant or dependent of the claimant pursuant to this section is in addition to any compensation to which the claimant or dependent of the claimant is otherwise entitled by law.

5. The Administrator may make a payment from the Account to a claimant or a dependent of a claimant that would have been payable in a prior year pursuant to subsection 3 if the Administrator determines that the claimant or dependent was entitled to the payment pursuant to subsection 1.
