AN ACT relating to industrial insurance; establishing the substantive right of an injured employee to choose a treating health care provider under the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act; revising provisions governing the panel of treating physicians and chiropractors established by the Administrator of the Division of Industrial Relations of the Department of Business and Industry to require the inclusion of certain health care providers; authorizing the Administrator to select a rating physician or chiropractor for an injured employee upon request; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

In 2007, the Nevada Supreme Court held that the Nevada Industrial Insurance Act does not entitle a claimant for compensation under that Act to his or her choice of treating physician as a substantive right. (Valdez v. Employers Ins. Co. of Nev., 123 Nev. 170 (2007)) Section 2 of this bill provides that the choice of a treating health care provider, defined as a physician, osteopathic physician, chiropractor, physical therapist or psychologist, is a substantive right of an injured employee who has a claim under the Nevada Industrial Insurance Act (chapters 616A-616D of NRS) or the Nevada Occupational Diseases Act (chapter 617 of NRS). Section 2 does not revise certain existing provisions to grant an injured employee the choice of physician or chiropractor in the performance of certain examinations or certifications or ratings of disability. Section 2 requires an insurer to: (1) include in its list of health care providers from which an injured employee may choose to receive treatment a certain percentage or number of health care providers from the panel of health care providers established and maintained by the Administrator of the Division of Industrial Relations of the Department of Business and Industry; and (2) update and file its list of health care providers with the Administrator.
annually. **Section 2** also requires the Administrator to provide a copy of an insurer’s list to any member of the public upon request or post a copy of each such list on an Internet website for viewing, printing or downloading by the public. **Section 2** sets forth procedures and limitations governing the removal of a health care provider from an insurer’s list. Finally, **section 2** provides that, except under certain circumstances, an injured employee may continue to receive treatment from a health care provider who has been removed from a list.

**Sections 3-7, 9-25 and 28-35** of this bill revise provisions referencing treating physicians or chiropractors to instead reference treating health care providers for consistency with **section 2**.

Existing law requires the Administrator to establish a panel of physicians and chiropractors to treat injured employees under chapters 616A to 616D, inclusive, or chapter 617 of NRS. Existing law also provides that an injured employee may receive treatment by more than one physician or chiropractor if the insurer provides written authorization. (NRS 616C.090) **Section 8** of this bill revises these provisions to: (1) require the Administrator to annually update the panel; (2) require the inclusion of physicians, chiropractors, osteopathic physicians, physical therapists and psychologists on the panel maintained by the Administrator; and (3) provide that an injured employee may receive treatment by more than one health care provider if the insurer provides written authorization or by order of a hearing officer or appeals officer.

Existing law sets forth procedures under which an insurer selects a physician or chiropractor to determine an injured employee’s percentage of disability. (NRS 616C.490) **Section 26** of this bill additionally authorizes an injured employee or his or her legal representative to request that the Administrator select a rating physician or chiropractor.

10. Unless a health care provider is removed from an insurer’s list of health care providers pursuant to subsection 9, an injured employee may continue to receive treatment from that health care provider even if:

(a) The employer of the injured employee changes insurers or administrators.

The Administrator shall adopt regulations for the manner of compliance by an insurer with the other provisions of subsection 1.

3. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

3. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

Sec. 7. NRS 616C.075 is hereby amended to read as follows:

616C.075 1. If an employee is properly directed to submit to a physical examination and the employee refuses to permit the treating [physician or chiropractor] health care provider to make an examination and to render medical attention as may be required immediately, no compensation may be paid for the injury claimed to result from the accident.

2. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.
Sec. 8. NRS 616C.090 is hereby amended to read as follows:

616C.090 1. The Administrator shall establish, maintain and update not less frequently than annually on or before July 1 of each year, a panel of [physicians and chiropractors] health care providers who have demonstrated special competence and interest in industrial health to treat injured employees under chapters 616A to 616D, inclusive, or chapter 617 of NRS. The Administrator shall maintain the following information relating to each health care provider on the panel:

(a) The name of the health care provider.
(b) The title or degree of the health care provider.
(c) The street address of the office of the health care provider.
(d) The telephone number of the office of the health care provider.
(e) The discipline or specialization practiced by the health care provider.

2. Every employer whose insurer has not entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 shall maintain a list of those [physicians and chiropractors] health care providers on the panel who are reasonably accessible to his or her employees.

[2-] 3. An injured employee whose employer’s insurer has not entered into a contract with an organization for managed care or with providers of health care services pursuant to NRS 616B.527 may choose a treating [physician or chiropractor] health care provider from the panel of [physicians and chiropractors] health care providers. If the injured employee is not satisfied with the first [physician or chiropractor] health care provider he or she so chooses, the injured employee may make an alternative choice of [physician or chiropractor] health care provider from the panel if the choice is made within 90 days after his or her injury. The insurer shall notify the first [physician or chiropractor] health care provider in writing. The notice must be postmarked within 3 working days after the insurer receives knowledge of the change. The first [physician or chiropractor] health care provider must be reimbursed only for the services the [physician or chiropractor, as applicable] health care provider rendered to the injured employee up to and including the date of notification. Except as otherwise provided in this subsection, any further change is subject to the approval of the insurer, which must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of [physician or chiropractor] health care provider must include the name of the new [physician or chiropractor] health care provider
chosen by the injured employee. If the treating [physician or chiropractor] health care provider refers the injured employee to a specialist for treatment, the treating [physician or chiropractor] health care provider shall provide to the injured employee a list that includes the name of each [physician or chiropractor] health care provider with that specialization who is on the panel. After receiving the list, the injured employee shall, at the time the referral is made, select a [physician or chiropractor] health care provider from the list.

4. An injured employee whose employer’s insurer has entered into a contract with an organization for managed care or with providers of health care [services] pursuant to NRS 616B.527 must choose a treating [physician or chiropractor] health care provider pursuant to the terms of that contract. If the injured employee is not satisfied with the first [physician or chiropractor] health care provider he or she so chooses, the injured employee may make an alternative choice of [physician or chiropractor] health care provider pursuant to the terms of the contract without the approval of the insurer if the choice is made within 90 days after his or her injury. If the injured employee, after choosing a treating [physician or chiropractor] health care provider, moves to a county which is not served by the organization for managed care or providers of health care [services] named in the contract and the insurer determines that it is impractical for the injured employee to continue treatment with the [physician or chiropractor] health care provider, the injured employee must choose a treating [physician or chiropractor] health care provider who has agreed to the terms of that contract unless the insurer authorizes the injured employee to choose another [physician or chiropractor] health care provider. If the treating [physician or chiropractor] health care provider refers the injured employee to a specialist for treatment, the treating [physician or chiropractor] health care provider shall provide to the injured employee a list that includes the name of each [physician or chiropractor] health care provider with that specialization who is available pursuant to the terms of the contract with the organization for managed care or with providers of health care [services] pursuant to NRS 616B.527, as appropriate. After receiving the list, the injured employee shall, at the time the referral is made, select a [physician or chiropractor] health care provider from the list. If the employee fails to select a [physician or chiropractor] health care provider, the insurer may select a [physician or chiropractor] health care provider with that specialization. If a [physician or chiropractor] health care provider with that specialization is not available pursuant to the terms of the contract, the organization for managed care or the provider of health care [services] may select a
[physician or chiropractor] health care provider with that specialization.

[4.] 5. If the injured employee is not satisfied with the [physician or chiropractor] health care provider selected by himself or herself or by the insurer, the organization for managed care or the provider of health care [services] pursuant to subsection [3.] 4, the injured employee may make an alternative choice of [physician or chiropractor] health care provider pursuant to the terms of the contract. A change in the treating [physician or chiropractor] health care provider may be made at any time but is subject to the approval of the insurer, which must be granted or denied within 10 days after a written request for such a change is received from the injured employee. If no action is taken on the request within 10 days, the request shall be deemed granted. Any request for a change of [physician or chiropractor] health care provider must include the name of the new [physician or chiropractor] health care provider chosen by the injured employee. If the insurer denies a request for a change in the treating [physician or chiropractor] health care provider under this subsection, the insurer must include in a written notice of denial to the injured employee the specific reason for the denial of the request.

[5.] 6. Except when emergency medical care is required and except as otherwise provided in NRS 616C.055, the insurer is not responsible for any charges for medical treatment or other accident benefits furnished or ordered by any [physician, chiropractor] health care provider or other person selected by the injured employee in disregard of the provisions of this section or for any compensation for any aggravation of the injured employee’s injury attributable to improper treatments by such [physician, chiropractor] health care provider or other person.

[6.] 7. The Administrator may order necessary changes in a panel of [physicians and chiropractors] health care providers and shall suspend or remove any [physician or chiropractor] health care provider from a panel for good cause shown [7.]; or

in accordance with section 2 of this act.

8. An injured employee may receive treatment by more than one [physician or chiropractor] health care provider:

(a) If the insurer provides written authorization for such treatment [8.]; or

(b) By order of a hearing officer or appeals officer.

9. The Administrator shall design a form that notifies injured employees of their right pursuant to subsections [2.] 3, [and] 4 and 5 to select an alternative treating [physician or chiropractor] health care provider...
care provider and make the form available to insurers for distribution pursuant to subsection 2 of NRS 616C.050.

10. As used in this section, "health care provider" has the meaning ascribed to it in section 2 of this act.

2. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

(a) Requested by the insurer or employer; or
(b) Ordered by an appeals officer or a hearing officer,
submit to a medical examination at a time and from time to time at a place reasonably convenient for the employee, and as may be provided by the regulations of the Division.

2. If the insurer has reasonable cause to believe that an injured employee who is receiving compensation for a permanent total disability is no longer disabled, the insurer may request the employee to submit to an annual medical examination to determine whether the disability still exists. The insurer shall pay the costs of the examination.

3. The request or order for an examination must fix a time and place therefor, with due regard for the nature of the medical examination, the convenience of the employee, the employee’s physical condition and the employee’s ability to attend at the time and place fixed.

4. The employee is entitled to have a [physician—or chiropractor.] health care provider, provided and paid for by the employee, present at any such examination.

5. If the employee refuses to submit to an examination ordered or requested pursuant to subsection 1 or 2 or obstructs the examination, the right of the employee to compensation is suspended until the examination has taken place, and no compensation is payable during or for the period of suspension.

6. Any [physician or chiropractor] health care provider who makes or is present at any such examination may be required to testify as to the result thereof.

7. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

(c) Conduct hearings expeditiously and informally.

2. The notice must include a statement that the injured employee may be represented by a private attorney or seek assistance and advice from the Nevada Attorney for Injured Workers.

3. If necessary to resolve a medical question concerning an injured employee’s condition or to determine the necessity of treatment for which authorization for payment has been denied, the hearing officer may order an independent medical examination, which must not involve treatment, and refer the employee to a physician or chiropractor of his or her choice who has demonstrated special competence to treat the particular medical condition of the employee, whether or not the physician or chiropractor is on the insurer’s panel of providers of health care. If the medical question concerns the rating of a permanent disability, the hearing officer may refer the employee to a rating physician or chiropractor. The rating physician or chiropractor must be selected in rotation from the list of qualified physicians and chiropractors maintained by the Administrator pursuant to subsection 2 of NRS 616C.490, unless the insurer and injured employee otherwise agree to a rating physician or chiropractor. The insurer shall pay the costs of any medical examination requested by the hearing officer.

6. The hearing officer shall order an insurer, organization for managed care or employer who provides accident benefits for injured employees pursuant to NRS 616C.265 to pay to the appropriate person the charges of a provider of health care if the conditions of NRS 616C.138 are satisfied.

7. The hearing officer may allow or forbid the presence of a court reporter and the use of a tape recorder in a hearing.

11. Except as otherwise provided in NRS 616C.380, the decision of the hearing officer is not stayed if an appeal from that decision is taken unless an application for a stay is submitted by a party. If such an application is submitted, the decision is automatically stayed until a determination is made on the application. A determination on the application must be made within 30 days after the filing of the application. If, after reviewing the application, a stay is not granted by the hearing officer or an appeals officer, the decision must be complied with within 10 days after the refusal to grant a stay.

These fees must be paid by the insurer.

2. The appeals officer must hear any matter raised before him or her on its merits, including new evidence bearing on the matter.

3. If there is a medical question or dispute concerning an injured employee’s condition or concerning the necessity of treatment for which authorization for payment has been denied, the appeals officer may:
   (a) Order an independent medical examination and refer the employee to a physician or chiropractor of his or her choice who has demonstrated special competence to treat the particular medical condition of the employee, whether or not the physician or chiropractor is on the insurer’s panel of providers of health care. If the medical question concerns the rating of a permanent disability, the appeals officer may refer the employee to a rating physician or chiropractor. The rating physician or chiropractor must be selected in rotation from the list of qualified physicians or chiropractors maintained by the Administrator pursuant to subsection 2 of NRS 616C.490, unless the insurer and the injured employee otherwise
agree to a rating physician or chiropractor. The insurer shall pay the costs of any examination requested by the appeals officer.

(b) If the medical question or dispute is relevant to an issue involved in the matter before the appeals officer and all parties agree to the submission of the matter to an independent review organization, submit the matter to an independent review organization in accordance with NRS 616C.363 and any regulations adopted by the Commissioner.

4. The appeals officer may consider the opinion of an examining physician or chiropractor, in addition to the opinion of an authorized treating health care provider, in determining the compensation payable to the injured employee. As used in this subsection, “health care provider” has the meaning ascribed to it in section 2 of this act.

5. If an injured employee has requested payment for the cost of obtaining a second determination of his or her percentage of disability pursuant to NRS 616C.100, the appeals officer shall decide whether the determination of the higher percentage of disability made pursuant to NRS 616C.100 is appropriate and, if so, may order the insurer to pay to the employee an amount equal to the maximum allowable fee established by the Administrator pursuant to NRS 616C.260 for the type of service performed, or the usual fee of that physician or chiropractor for such service, whichever is less.

6. The appeals officer shall order an insurer, organization for managed care or employer who provides accident benefits for injured employees pursuant to NRS 616C.265 to pay to the appropriate person the charges of a provider of health care if the conditions of NRS 616C.138 are satisfied.

7. Any party to the appeal or contested case or the appeals officer may order a transcript of the record of the hearing at any time before the seventh day after the hearing. The transcript must be filed within 30 days after the date of the order unless the appeals officer otherwise orders.

10. The appeals officer may affirm, modify or reverse any decision made by a hearing officer and issue any necessary and proper order to give effect to his or her decision.

Sec. 23. NRS 616C.363 is hereby amended to read as follows:

616C.363 1. Not later than 5 business days after the date that an independent review organization receives a request for an external review, the independent review organization shall:

(a) Review the documents and materials submitted for the external review; and

(b) Notify the injured employee, his or her employer and the insurer whether the independent review organization needs any additional information to conduct the external review.

2. The independent review organization shall render a decision on the matter not later than 15 business days after the date that it receives all information that is necessary to conduct the external review.

3. In conducting the external review, the independent review organization shall consider, without limitation:

(a) The medical records of the insured;

(b) Any recommendations of the [physician] health care provider, as defined in section 2 of this act, of the insured; and

(c) Any other information approved by the Commissioner for consideration by an independent review organization.

4. In its decision, the independent review organization shall specify the reasons for its decision. The independent review organization shall submit a copy of its decision to:

(a) The injured employee;

(b) The employer;

(c) The insurer; and

(d) The appeals officer, if any.

5. The insurer shall pay the costs of the services provided by the independent review organization.

6. The Commissioner may adopt regulations to govern the process of external review and to carry out the provisions of this section. Any regulations adopted pursuant to this section must provide that:

(a) All parties must agree to the submission of a matter to an independent review organization before a request for external review may be submitted;

(b) A party may not be ordered to submit a matter to an independent review organization; and
(c) The findings and decisions of an independent review organization are not binding.

Sec. 24. NRS 616C.390 is hereby amended to read as follows:

616C.390 Except as otherwise provided in NRS 616C.392:

1. If an application to reopen a claim to increase or rearrange compensation is made in writing more than 1 year after the date on which the claim was closed, the insurer shall reopen the claim if:
   (a) A change of circumstances warrants an increase or rearrangement of compensation during the life of the claimant;
   (b) The primary cause of the change of circumstances is the injury for which the claim was originally made; and
   (c) The application is accompanied by the certificate of a [physician or a chiropractor] health care provider showing a change of circumstances which would warrant an increase or rearrangement of compensation.

2. After a claim has been closed, the insurer, upon receiving an application and for good cause shown, may authorize the reopening of the claim for medical investigation only. The application must be accompanied by a written request for treatment from the [physician or chiropractor] health care provider treating the claimant, certifying that the treatment is indicated by a change in circumstances and is related to the industrial injury sustained by the claimant.

3. If a claimant applies for a claim to be reopened pursuant to subsection 1 or 2 and a final determination denying the reopening is issued, the claimant shall not reapply to reopen the claim until at least 1 year after the date on which the final determination is issued.

4. Except as otherwise provided in subsection 5, if an application to reopen a claim is made in writing within 1 year after the date on which the claim was closed, the insurer shall reopen the claim only if:
   (a) The application is supported by medical evidence demonstrating an objective change in the medical condition of the claimant; and
   (b) There is clear and convincing evidence that the primary cause of the change of circumstances is the injury for which the claim was originally made.

5. An application to reopen a claim must be made in writing within 1 year after the date on which the claim was closed if:
   (a) The claimant did not meet the minimum duration of incapacity as set forth in NRS 616C.400 as a result of the injury; and
   (b) The claimant did not receive benefits for a permanent partial disability.
If an application to reopen a claim to increase or rearrange compensation is made pursuant to this subsection, the insurer shall reopen the claim if the requirements set forth in paragraphs (a), (b) and (c) of subsection 1 are met.

6. If an employee’s claim is reopened pursuant to this section, the employee is not entitled to vocational rehabilitation services or benefits for a temporary total disability if, before the claim was reopened, the employee:
(a) Retired; or
(b) Otherwise voluntarily removed himself or herself from the workforce,
for reasons unrelated to the injury for which the claim was originally made.

7. One year after the date on which the claim was closed, an insurer may dispose of the file of a claim authorized to be reopened pursuant to subsection 5, unless an application to reopen the claim has been filed pursuant to that subsection.

8. An increase or rearrangement of compensation is not effective before an application for reopening a claim is made unless good cause is shown. The insurer shall, upon good cause shown, allow the cost of emergency treatment the necessity for which has been certified by a health care provider.

9. A claim that closes pursuant to subsection 2 of NRS 616C.235 and is not appealed or is unsuccessfully appealed pursuant to the provisions of NRS 616C.305 and 616C.315 to 616C.385, inclusive, may not be reopened pursuant to this section.

10. The provisions of this section apply to any claim for which an application to reopen the claim or to increase or rearrange compensation is made pursuant to this section, regardless of the date of the injury or accident to the claimant. If a claim is reopened pursuant to this section, the amount of any compensation or benefits provided must be determined in accordance with the provisions of NRS 616C.425.

11. As used in this section:
(a) “Governmental program” means any program or plan under which a person receives payments from a public form of retirement. Such payments from a public form of retirement include, without limitation:
(1) Social security received as a result of the Social Security Act, as defined in NRS 287.120;
(2) Payments from the Public Employees’ Retirement System, as established by NRS 286.110;
(3) Payments from the Retirees’ Fund, as defined in NRS 287.04064;
1. Except as otherwise provided in this section, NRS 616C.175 and 616C.390, every employee in the employ of an employer, within the provisions of chapters 616A to 616D, inclusive, of NRS, who is injured by accident arising out of and in the course of employment, or his or her dependents, is entitled to receive for the period of temporary total disability, 66 2/3 percent of the average monthly wage.

2. Except as otherwise provided in NRS 616B.028 and 616B.029, an injured employee or his or her dependents are not entitled to accrue or be paid any benefits for a temporary total disability during the time the injured employee is incarcerated. The injured employee or his or her dependents are entitled to receive such benefits when the injured employee is released from incarceration if the injured employee is certified as temporarily totally disabled by a physician or chiropractor.

3. If a claim for the period of temporary total disability is allowed, the first payment pursuant to this section must be issued by the insurer within 14 working days after receipt of the initial certification of disability and regularly thereafter.

4. Any increase in compensation and benefits effected by the amendment of subsection 1 is not retroactive.

5. Payments for a temporary total disability must cease when:
(a) A physician or chiropractor determines that the employee is physically capable of any gainful employment for which the employee is suited, after giving consideration to the employee’s education, training and experience;

(b) The employer offers the employee light-duty employment or employment that is modified according to the limitations or restrictions imposed by a physician or chiropractor, or the employee’s treating health care provider, pursuant to subsection 7;

(c) Except as otherwise provided in NRS 616B.028 and 616B.029, the employee is incarcerated.

6. Each insurer may, with each check that it issues to an injured employee for a temporary total disability, include a form approved by the Division for the injured employee to request continued compensation for the temporary total disability.

7. A certification of disability issued by a physician or chiropractor or the employee’s treating health care provider must:

(a) Include the period of disability and a description of any physical limitations or restrictions imposed upon the work of the employee;

(b) Specify whether the limitations or restrictions are permanent or temporary; and

(c) Be signed by the [treating] physician or chiropractor, or the employee’s treating health care provider authorized pursuant to NRS 616B.527 or appropriately chosen pursuant to subsection [3-or] 4 or 5 of NRS 616C.090.

8. If the certification of disability specifies that the physical limitations or restrictions are temporary, the employer of the employee at the time of the employee’s accident may offer temporary, light-duty employment to the employee. If the employer makes such an offer, the employer shall confirm the offer in writing within 10 days after making the offer. The making, acceptance or rejection of an offer of temporary, light-duty employment pursuant to this subsection does not affect the eligibility of the employee to receive vocational rehabilitation services, including compensation, and does not exempt the employer from complying with NRS 616C.545 to 616C.575, inclusive, and 616C.590 or the regulations adopted by the Division governing vocational rehabilitation services. Any offer of temporary, light-duty employment made by the employer must specify a position that:

(a) Is substantially similar to the employee’s position at the time of his or her injury in relation to the location of the employment and the hours the employee is required to work;

(b) Provides a gross wage that is:
(1) If the position is in the same classification of employment, equal to the gross wage the employee was earning at the time of his or her injury; or

(2) If the position is not in the same classification of employment, substantially similar to the gross wage the employee was earning at the time of his or her injury; and

(c) Has the same employment benefits as the position of the employee at the time of his or her injury.

9. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

Sec. 26. NRS 616C.490 is hereby amended to read as follows:

616C.490 1. Except as otherwise provided in NRS 616C.175, every employee, in the employ of an employer within the provisions of chapters 616A to 616D, inclusive, of NRS, who is injured by an accident arising out of and in the course of employment is entitled to receive the compensation provided for permanent partial disability. As used in this section, “disability” and “impairment of the whole person” are equivalent terms.

2. Except as otherwise provided in subsection 3:

(a) Within 30 days after receiving from a physician or chiropractor a report indicating that the injured employee may have suffered a permanent disability and is stable and ratable, the insurer shall schedule an appointment with the rating physician or chiropractor selected pursuant to this subsection to determine the extent of the employee’s disability.

(b) Unless the insurer and the injured employee otherwise agree to a rating physician or chiropractor:

[(a)] (1) The insurer shall select the rating physician or chiropractor from the list of qualified rating physicians and chiropractors designated by the Administrator, to determine the percentage of disability in accordance with the American Medical Association’s Guides to the Evaluation of Permanent Impairment as adopted and supplemented by the Division pursuant to NRS 616C.110.

[(b)] (2) Rating physicians and chiropractors must be selected in rotation from the list of qualified physicians and chiropractors designated by the Administrator, according to their area of specialization and the order in which their names appear on the list unless the next physician or chiropractor is currently an employee of the insurer making the selection, in which case the insurer must select the physician or chiropractor who is next on the list and who is not currently an employee of the insurer.

3. Notwithstanding any other provision of law, an injured employee or the legal representative of an injured employee may, at any time, without limitation, request that the Administrator
select a rating physician or chiropractor from the list of qualified physicians and chiropractors designated by the Administrator. The Administrator, upon receipt of the request, shall immediately select for the injured employee the rating physician or chiropractor who is next in rotation on the list, according to the area of specialization.

4. If an insurer contacts a treating physician or chiropractor to determine whether an injured employee has suffered a permanent disability, the insurer shall deliver to the treating physician or chiropractor that portion or a summary of that portion of the American Medical Association’s Guides to the Evaluation of Permanent Impairment as adopted by the Division pursuant to NRS 616C.110 that is relevant to the type of injury incurred by the employee.

5. At the request of the insurer, the injured employee shall, before an evaluation by a rating physician or chiropractor is performed, notify the insurer of:

(a) Any previous evaluations performed to determine the extent of any of the employee’s disabilities; and

(b) Any previous injury, disease or condition sustained by the employee which is relevant to the evaluation performed pursuant to this section.

The notice must be on a form approved by the Administrator and provided to the injured employee by the insurer at the time of the insurer’s request.

6. Unless the regulations adopted pursuant to NRS 616C.110 provide otherwise, a rating evaluation must include an evaluation of the loss of motion, sensation and strength of an injured employee if the injury is of a type that might have caused such a loss. Except in the case of claims accepted pursuant to NRS 616C.180, no factors other than the degree of physical impairment of the whole person may be considered in calculating the entitlement to compensation for a permanent partial disability.

7. The rating physician or chiropractor shall provide the insurer with his or her evaluation of the injured employee. After receiving the evaluation, the insurer shall, within 14 days, provide the employee with a copy of the evaluation and notify the employee:

(a) Of the compensation to which the employee is entitled pursuant to this section; or

(b) That the employee is not entitled to benefits for permanent partial disability.

8. Each 1 percent of impairment of the whole person must be compensated by a monthly payment:

(a) Of 0.5 percent of the claimant’s average monthly wage for injuries sustained before July 1, 1981;
(b) Of 0.6 percent of the claimant’s average monthly wage for injuries sustained on or after July 1, 1981, and before June 18, 1993;
(c) Of 0.54 percent of the claimant’s average monthly wage for injuries sustained on or after June 18, 1993, and before January 1, 2000; and
(d) Of 0.6 percent of the claimant’s average monthly wage for injuries sustained on or after January 1, 2000.

Compensation must commence on the date of the injury or the day following the termination of temporary disability compensation, if any, whichever is later, and must continue on a monthly basis for 5 years or until the claimant is 70 years of age, whichever is later.

[8.] 9. Compensation benefits may be paid annually to claimants who will be receiving less than $100 a month.

[9.] 10. Except as otherwise provided in subsection [10.], if there is a previous disability, as the loss of one eye, one hand, one foot, or any other previous permanent disability, the percentage of disability for a subsequent injury must be determined by computing the percentage of the entire disability and deducting therefrom the percentage of the previous disability as it existed at the time of the subsequent injury.

[10.] 11. If a rating evaluation was completed for a previous disability involving a condition, organ or anatomical structure that is identical to the condition, organ or anatomical structure being evaluated for the present disability, the percentage of disability for a subsequent injury must be determined by deducting the percentage of the previous disability from the percentage of the present disability, regardless of the edition of the American Medical Association’s Guides to the Evaluation of Permanent Impairment as adopted by the Division pursuant to NRS 616C.110 used to determine the percentage of the previous disability. The compensation awarded for a permanent disability on a subsequent injury must be reduced only by the awarded or agreed upon percentage of disability actually received by the injured employee for the previous injury regardless of the percentage of the previous disability.

[11.] 12. The Division may adopt schedules for rating permanent disabilities resulting from injuries sustained before July 1, 1973, and reasonable regulations to carry out the provisions of this section.

[12.] 13. The increase in compensation and benefits effected by the amendment of this section is not retroactive for accidents which occurred before July 1, 1973.

[13.] 14. This section does not entitle any person to double payments for the death of an employee and a continuation of
payments for a permanent partial disability, or to a greater sum in
the aggregate than if the injury had been fatal.

Sec. 27. NRS 616C.495 is hereby amended to read as follows:

616C.495 1. Except as otherwise provided in NRS 616C.380, an award for a permanent partial disability may be paid in a lump
sum under the following conditions:

(a) A claimant injured on or after July 1, 1973, and before
July 1, 1981, who incurs a disability that does not exceed 12 percent
may elect to receive his or her compensation in a lump sum. A
claimant injured on or after July 1, 1981, and before July 1, 1995,
who incurs a disability that does not exceed 30 percent may elect to
receive his or her compensation in a lump sum.

(b) The spouse, or in the absence of a spouse, any dependent
child of a deceased claimant injured on or after July 1, 1973, who is
not entitled to compensation in accordance with NRS 616C.505, is
entitled to a lump sum equal to the present value of the deceased
claimant’s undisbursed award for a permanent partial disability.

(c) Any claimant injured on or after July 1, 1981, and before
July 1, 1995, who incurs a disability that exceeds 30 percent may
elect to receive his or her compensation in a lump sum equal to the
present value of an award for a disability of 30 percent. If the
claimant elects to receive compensation pursuant to this paragraph,
the insurer shall pay in installments to the claimant that portion of
the claimant’s disability in excess of 30 percent.

(d) Any claimant injured on or after July 1, 1995, and before
January 1, 2016, who incurs a disability that:

(1) Does not exceed 25 percent may elect to receive his or
her compensation in a lump sum.

(2) Exceeds 25 percent may:

(I) Elect to receive his or her compensation in a lump sum
equal to the present value of an award for a disability of 25 percent.
If the claimant elects to receive compensation pursuant to this sub-
subparagraph, the insurer shall pay in installments to the claimant
that portion of the claimant’s disability in excess of 25 percent.

(II) To the extent that the insurer has offered to provide
compensation in a lump sum up to the present value of an award for
disability of 30 percent, elect to receive his or her compensation in a
lump sum up to the present value of an award for a disability of 30
percent. If the claimant elects to receive compensation pursuant to
this sub-subparagraph, the insurer shall pay in installments to the
claimant that portion of the claimant’s disability in excess of 30
percent.

(e) Any claimant injured on or after January 1, 2016, and before
July 1, 2017, who incurs a disability that:
(1) Does not exceed 30 percent may elect to receive his or her compensation in a lump sum.

(2) Exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of 30 percent. If the claimant elects to receive compensation pursuant to this subparagraph, the insurer shall pay in installments to the claimant that portion of the claimant’s disability in excess of 30 percent.

(f) Any claimant injured on or after July 1, 2017, who incurs a disability that exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of up to 30 percent. If the claimant elects to receive compensation pursuant to this paragraph, the insurer shall pay in installments to the claimant that portion of the claimant’s disability in excess of 30 percent.

(g) If the permanent partial disability rating of a claimant seeking compensation pursuant to this section would, when combined with any previous permanent partial disability rating of the claimant that resulted in an award of benefits to the claimant, result in the claimant having a total permanent partial disability rating in excess of 100 percent, the claimant’s disability rating upon which compensation is calculated must be reduced by such percentage as required to limit the total permanent partial disability rating of the claimant for all injuries to not more than 100 percent.

2. If the claimant elects to receive his or her payment for a permanent partial disability in a lump sum pursuant to subsection 1, all of the claimant’s benefits for compensation terminate. The claimant’s acceptance of that payment constitutes a final settlement of all factual and legal issues in the case. By so accepting the claimant waives all of his or her rights regarding the claim, including the right to appeal from the closure of the case or the percentage of his or her disability, except:

(a) The right of the claimant to:

(1) Reopen his or her claim in accordance with the provisions of NRS 616C.390; or

(2) Have his or her claim considered by his or her insurer pursuant to NRS 616C.392;

(b) Any counseling, training or other rehabilitative services provided by the insurer; and

(c) The right of the claimant to receive a benefit penalty in accordance with NRS 616D.120.

The claimant, when he or she demands payment in a lump sum, must be provided with a written notice which prominently displays a statement describing the effects of accepting payment in a lump sum of an entire permanent partial disability award, any portion of such
an award or any uncontested portion of such an award, and that the
claimant has 20 days after the mailing or personal delivery of the
notice within which to retract or reaffirm the demand, before
payment may be made and the claimant’s election becomes final.

3. Any lump-sum payment which has been paid on a claim
incurred on or after July 1, 1973, must be supplemented if necessary
to conform to the provisions of this section.

4. Except as otherwise provided in this subsection, the total
lump-sum payment for disablement must not be less than one-half
the product of the average monthly wage multiplied by the
percentage of disability. If the claimant received compensation in
installment payments for his or her permanent partial disability
before electing to receive payment for that disability in a lump sum,
the lump-sum payment must be calculated for the remaining
payment of compensation.

5. The lump sum payable must be equal to the present value of
the compensation awarded, less any advance payment or lump sum
previously paid. The present value must be calculated using monthly
payments in the amounts prescribed in subsection [7] 8 of NRS
616C.490 and actuarial annuity tables adopted by the Division. The
tables must be reviewed annually by a consulting actuary and must
be adjusted accordingly on July 1 of each year by the Division
using:

(a) The most recent unisex “Static Mortality Tables for Defined
Benefit Pension Plans” published by the Internal Revenue Service;
and

(b) The average 30-Year Treasury Constant Maturity Rate for
March of the current year as reported by the Board of Governors of
the Federal Reserve System.

6. If a claimant would receive more money by electing to
receive compensation in a lump sum than the claimant would if he
or she receives installment payments, the claimant may elect to
receive the lump-sum payment.

Sec. 28. NRS 616C.545 is hereby amended to read as follows:
616C.545 1. If an employee does not return to work for 28
consecutive calendar days as a result of an injury arising out of and
in the course of his or her employment or an occupational disease,
the insurer shall contact the treating [physician or chiropractor] health care provider to determine whether:

1. (a) There are physical limitations on the injured employee’s
ability to work; and

2. (b) The limitations, if any, are permanent or temporary.

2. As used in this section, “health care provider” has the
meaning ascribed to it in section 2 of this act.
Sec. 29. NRS 616C.550 is hereby amended to read as follows:

616C.550 1. If benefits for a temporary total disability will be paid to an injured employee for more than 90 days, the insurer or the injured employee may request a vocational rehabilitation counselor to prepare a written assessment of the injured employee’s ability or potential to return to:

(a) The position the employee held at the time that he or she was injured; or
(b) Any other gainful employment.

2. Before completing the written assessment, the counselor shall:

(a) Contact the injured employee and:

(1) Identify the injured employee’s educational background, work experience and career interests; and
(2) Determine whether the injured employee has any existing marketable skills.

(b) Contact the injured employee’s treating [physician—or chiropractor] health care provider and determine:

(1) Whether the employee has any temporary or permanent physical limitations;
(2) The estimated duration of the limitations;
(3) Whether there is a plan for continued medical treatment; and
(4) When the employee may return to the position that the employee held at the time of his or her injury or to any other position. The treating [physician—or chiropractor] health care provider shall determine whether an employee may return to the position that the employee held at the time of his or her injury.

3. Except as otherwise provided in NRS 616C.542 and 616C.547, a vocational rehabilitation counselor shall prepare a written assessment not more than 30 days after receiving a request for a written assessment pursuant to subsection 1. The written assessment must contain a determination as to whether the employee is eligible for vocational rehabilitation services pursuant to NRS 616C.590. If the insurer, with the assistance of the counselor, determines that the employee is eligible for vocational rehabilitation services, a plan for a program of vocational rehabilitation must be completed pursuant to NRS 616C.555.

4. The Division may, by regulation, require a written assessment to include additional information.

5. If an insurer determines that a written assessment requested pursuant to subsection 1 is impractical because of the expected duration of the injured employee’s total temporary disability, the insurer shall:
(a) Complete a written report which specifies the insurer’s reasons for the decision; and
(b) Review the claim at least once every 60 days.

6. The insurer shall deliver a copy of the written assessment or the report completed pursuant to subsection 5 to the injured employee, his or her employer, the treating [physician or chiropractor] health care provider and the injured employee’s attorney or representative, if applicable.

7. For the purposes of this section, “existing marketable skills” include, but are not limited to:
(a) Completion of:
(1) A program at a trade school;
(2) A program which resulted in an associate’s degree; or
(3) A course of study for certification,
if the program or course of study provided the skills and training necessary for the injured employee to be gainfully employed on a reasonably continuous basis in an occupation that is reasonably available in this State.
(b) Completion of a 2-year or 4-year program at a college or university which resulted in a degree.
(c) Completion of any portion of a program for a graduate’s degree at a college or university.
(d) Skills acquired in previous employment, including those acquired during an apprenticeship or a program for on-the-job training.

The skills set forth in paragraphs (a) to (d), inclusive, must have been acquired within the preceding 7 years and be compatible with the physical limitations of the injured employee to be considered existing marketable skills.

8. Each written assessment of an injured employee must be signed by a certified vocational rehabilitation counselor.

9. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

Sec. 30. NRS 616C.555 is hereby amended to read as follows:
1. A vocational rehabilitation counselor shall develop a plan for a program of vocational rehabilitation for each injured employee who is eligible for vocational rehabilitation services pursuant to NRS 616C.590. The counselor shall work with the insurer and the injured employee to develop a program that is compatible with the injured employee’s age, sex and physical condition.
2. If the counselor determines in a written assessment requested pursuant to NRS 616C.550 that the injured employee has existing marketable skills, the plan must consist of job placement assistance only. When practicable, the goal of job placement
assistance must be to aid the employee in finding a position which  
pays a gross wage that is equal to or greater than 80 percent of the  
gross wage that the employee was earning at the time of his or her  
injury. An injured employee must not receive job placement  
assistance for more than 6 months after the date on which the  
injured employee was notified that he or she is eligible only for job  
placement assistance because:
(a) The injured employee was physically capable of returning to  
work; or
(b) It was determined that the injured employee had existing  
marketable skills.
3. If the counselor determines in a written assessment  
requested pursuant to NRS 616C.550 that the injured employee does  
not have existing marketable skills, the plan must consist of a  
program which trains or educates the injured employee and provides  
job placement assistance. Except as otherwise provided in NRS  
616C.560, such a program must not exceed:
(a) If the injured employee has incurred a permanent disability  
as a result of which permanent restrictions on the ability of the  
injured employee to work have been imposed but no permanent  
physical impairment rating has been issued, or a permanent  
disability with a permanent physical impairment of 1 percent or  
more but less than 6 percent, 9 months.
(b) If the injured employee has incurred a permanent physical  
impairment of 6 percent or more, but less than 11 percent, 1 year.
(c) If the injured employee has incurred a permanent physical  
impairment of 11 percent or more, 18 months.

The percentage of the injured employee’s permanent physical  
impairment must be determined pursuant to NRS 616C.490.
4. A plan for a program of vocational rehabilitation must  
comply with the requirements set forth in NRS 616C.585.
5. A plan created pursuant to subsection 2 or 3 must assist the  
employee in finding a job or train or educate the employee and  
assist the employee in finding a job that is a part of an employer’s  
regular business operations and from which the employee will gain  
skills that would generally be transferable to a job with another  
employer.
6. A program of vocational rehabilitation must not commence  
before the treating [physician or chiropractor.] health care provider  
or an examining physician or chiropractor determines that the  
injured employee is capable of safely participating in the program.
7. If, based upon the opinion of a treating health care provider  
or an examining physician or chiropractor, the counselor determines  
that an injured employee is not eligible for vocational rehabilitation
services, the counselor shall provide a copy of the opinion to the
injured employee, the injured employee’s employer and the insurer.

8. A plan for a program of vocational rehabilitation must be
signed by a certified vocational rehabilitation counselor.

9. If an initial program of vocational rehabilitation pursuant to
this section is unsuccessful, an injured employee may submit a
written request for the development of a second program of
vocational rehabilitation which relates to the same injury. An insurer
shall authorize a second program for an injured employee upon
good cause shown.

10. If a second program of vocational rehabilitation pursuant to
subsection 9 is unsuccessful, an injured employee may submit a
written request for the development of a third program of vocational
rehabilitation which relates to the same injury. The insurer, with the
approval of the employer who was the injured employee’s employer
at the time of his or her injury, may authorize a third program for the
injured employee. If such an employer has terminated operations,
the employer’s approval is not required for authorization of a third
program. An insurer’s determination to authorize or deny a third
program of vocational rehabilitation may not be appealed.

11. The Division shall adopt regulations to carry out the
provisions of this section. The regulations must specify the contents
of a plan for a program of vocational rehabilitation.

12. As used in this section, “health care provider” has the
meaning ascribed to it in section 2 of this act.

Sec. 31. NRS 616C.590 is hereby amended to read as follows:

616C.590 1. Except as otherwise provided in this section, an
injured employee is not eligible for vocational rehabilitation
services, unless:

(a) The treating physician or chiropractor health care provider
approves the return of the injured employee to work but imposes
permanent restrictions that prevent the injured employee from
returning to the position that the employee held at the time of his or
her injury;

(b) The injured employee’s employer does not offer employment that:

(1) The employee is eligible for considering the restrictions
imposed pursuant to paragraph (a);

(2) Provides a gross wage that is equal to or greater than 80
percent of the gross wage that the employee was earning at the time
of injury; and

(3) Has the same employment benefits as the position of the
employee at the time of his or her injury; and

(c) The injured employee is unable to return to gainful
employment with any other employer at a gross wage that is equal
to or greater than 80 percent of the gross wage that the employee was earning at the time of his or her injury.

2. If the treating [physician or chiropractor] health care provider imposes permanent restrictions on the injured employee for the purposes of paragraph (a) of subsection 1, he or she shall specify in writing:
   (a) The medically objective findings upon which his or her determination is based; and
   (b) A detailed description of the restrictions.

3. If there is a question as to whether the restrictions imposed upon the injured employee are permanent, the employee may receive vocational rehabilitation services until a final determination concerning the duration of the restrictions is made.

4. Vocational rehabilitation services must cease as soon as the injured employee is no longer eligible for the services pursuant to subsection 1.

5. An injured employee is not entitled to vocational rehabilitation services solely because the position that the employee held at the time of his or her injury is no longer available.

6. An injured employee or the dependents of the injured employee are not entitled to accrue or be paid any money for vocational rehabilitation services during the time the injured employee is incarcerated.

7. Any injured employee eligible for compensation other than accident benefits may not be paid those benefits if the injured employee refuses counseling, training or other vocational rehabilitation services offered by the insurer. Except as otherwise provided in NRS 616B.028 and 616B.029, an injured employee shall be deemed to have refused counseling, training and other vocational rehabilitation services while the injured employee is incarcerated.

8. If an insurer cannot locate an injured employee for whom it has ordered vocational rehabilitation services, the insurer may close his or her claim 21 days after the insurer determines that the employee cannot be located. The insurer shall make a reasonable effort to locate the employee.

9. The reappearance of the injured employee after his or her claim has been closed does not automatically reinstate his or her eligibility for vocational rehabilitation benefits. If the employee wishes to re-establish his or her eligibility for those benefits, the injured employee must file a written application with the insurer to
reinstate the claim. The insurer shall reinstate the employee’s claim
if good cause is shown for the employee’s absence.

10. As used in this section, “health care provider” has the
meaning ascribed to it in section 2 of this act.

Sec. 32. NRS 616D.330 is hereby amended to read as follows:

616D.330 1. An insurer, an employer, an organization for
managed care, a third-party administrator or the representative of
any of those persons, the Nevada Attorney for Injured Workers or
an attorney or other compensated representative of an injured
employee shall not initiate:

(a) Any oral communication relating to the medical disposition
of the claim of an injured employee with the injured employee’s

  treating health care provider or examining [or treating] physician
or chiropractor unless the initiator of the oral communication:

  (1) Maintains, in written form or in a form from which a
written record may be produced, a log that includes the date, time
and subject matter of the communication; and

  (2) Makes the log available, upon request, to each insurer,
organization for managed care and third-party administrator
interested in the claim or the representative of each of those persons,
the Administrator and the injured employee, the injured employee’s
representative and the injured employee’s employer; or

(b) Any written communication relating to the medical
disposition of the claim with the injured employee’s

  treating health care provider or examining [or treating] physician or chiropractor
unless a copy of the communication is submitted to the injured
employee or the injured employee’s representative in a timely
manner.

2. If the Administrator determines that a person has violated
the provisions of this section, the Administrator shall:

  (a) For an initial violation, issue a notice of correction.

  (b) For a second violation, impose an administrative fine of not
more than $250.

  (c) For a third or subsequent violation, impose an administrative
fine of not more than $1,000.

3. As used in this section, “health care provider” has the
meaning ascribed to it in section 2 of this act.

Sec. 33. NRS 617.352 is hereby amended to read as follows:

617.352 1. Except as otherwise provided in this section, a
treating [physician or chiropractor] health care provider shall,
within 3 working days after first providing treatment to an employee
who has incurred an occupational disease, complete and file a claim
for compensation with the employer of the employee and the
employer’s insurer. If the employer is a self-insured employer, the

treating [physician or chiropractor] health care provider shall file
the claim for compensation with the employer’s third-party administrator. If the [physician or chiropractor] health care provider files the claim for compensation by electronic transmission, the [physician or chiropractor] health care provider shall, upon request, mail to the insurer or third-party administrator the form that contains the original signatures of the employee and the [physician or chiropractor] health care provider. The form must be mailed within 7 days after receiving such a request.

2. A [physician or chiropractor] health care provider who has a duty to file a claim for compensation pursuant to subsection 1 may delegate the duty to a medical facility. If the [physician or chiropractor] health care provider delegates the duty to a medical facility:

(a) The medical facility must comply with the filing requirements set forth in this section; and

(b) The delegation must be in writing and signed by:

(1) The [physician or chiropractor] health care provider;

and

(2) An authorized representative of the medical facility.

3. A claim for compensation required by subsection 1 must be filed on a form prescribed by the Administrator.

4. If a claim for compensation is accompanied by a certificate of disability, the certificate must include a description of any limitation or restrictions on the employee’s ability to work.

5. Each [physician—chiropractor] health care provider and medical facility that treats employees who have incurred occupational diseases, each insurer, third-party administrator and employer, and the Division shall maintain at their offices a sufficient supply of the forms prescribed by the Administrator for filing a claim for compensation.

6. The Administrator may impose an administrative fine of not more than $1,000 for each violation of subsection 1 on:

(a) A [physician or chiropractor] health care provider; or

(b) A medical facility if the duty to file the claim for compensation has been delegated to the medical facility pursuant to this section.

7. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

Sec. 34. NRS 617.354 is hereby amended to read as follows:

617.354. 1. Except as otherwise provided in NRS 616B.727, within 6 working days after the receipt of a claim for compensation from a [physician—chiropractor] health care provider, or a medical facility if the duty to file the claim for compensation has been delegated to the medical facility pursuant to NRS 617.352, an employer shall complete and file with the employer’s insurer or
third-party administrator an employer’s report of industrial injury or occupational disease.

2. The report must:
   (a) Be filed on a form prescribed by the Administrator;
   (b) Be signed by the employer or the employer’s designee;
   (c) Contain specific answers to all questions required by the regulations of the Administrator; and
   (d) Be accompanied by a statement of the wages of the employee if the claim for compensation received from the treating physician or chiropractor, health care provider, or a medical facility if the duty to file the claim for compensation has been delegated to the medical facility pursuant to NRS 617.352, indicates that the employee is expected to be off work for 5 days or more.

3. An employer who files the report required by subsection 1 by electronic transmission shall, upon request, mail to the insurer or third-party administrator the form that contains the original signature of the employer or the employer’s designee. The form must be mailed within 7 days after receiving such a request.

4. The Administrator shall impose an administrative fine of not more than $1,000 against an employer for each violation of this section.

5. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

Sec. 35. NRS 617.364 is hereby amended to read as follows:

1. If, after a claim for compensation is filed pursuant to NRS 617.344:
   (a) The employee seeks treatment from a physician or chiropractor health care provider for a newly developed injury or disease; and
   (b) The employee’s medical records for the occupational disease reported do not include a reference to the injury or disease for which treatment is being sought,

⇒ the injury or disease for which treatment is being sought must not be considered part of the employee’s original claim for compensation unless the physician or chiropractor health care provider establishes by medical evidence a causal relationship between the injury and disease for which treatment is being sought and the occupational disease reported pursuant to NRS 617.344.

2. As used in this section, “health care provider” has the meaning ascribed to it in section 2 of this act.

Sec. 36. The amending provisions of this act apply prospectively with regard to any claim pursuant to chapters 616A to 616D, inclusive, or 617 of NRS which is open on the effective date of this act.
Sec. 37. This act becomes effective upon passage and approval.
