Legislative Counsel’s Digest:
Existing law requires the State Board of Education to establish a statewide performance evaluation system for evaluating the performance of educational employees. (NRS 391.465) Section 1 of this bill requires the Department of Education to develop an electronic tool for providing documents concerning such evaluations to educational employees. Section 2 of this bill makes a conforming change.

Existing law prescribes separate requirements concerning the evaluation of teachers and administrators, including: (1) administrators who provide primarily administrative services at the school level; and (2) administrators at the district level who provide direct supervision of the principal of a school. (NRS 391.680-391.720) Existing law additionally authorizes the State Board to provide for evaluations of counselors, librarians and other licensed educational personnel, except for teachers and administrators. (NRS 391.675) Section 6 of this bill instead requires such other licensed educational personnel to be evaluated annually in a similar manner to teachers. Sections 3, 5 and 7 of this bill make conforming changes.

Existing law requires pupil growth to account for 40 percent of the evaluation of a teacher or administrator who provides direct instructional services to pupils at a school. (NRS 391.465, 391.480) Section 4 of this bill instead requires pupil growth to account for 15 percent of the evaluation of a teacher or such an administrator beginning with the 2019-2020 school year. Section 4 also requires an administrator who performs such an evaluation to consider any effects of the ratios of pupils per teacher that exceed the recommended ratios prescribed by the State Board. Section 10 of this bill requires the Department, in collaboration with the Teachers and Leaders Council, to make recommendations to the State Board concerning the necessary changes to the statewide performance evaluation system to address the reduced weight of pupil growth in evaluations.
Existing law requires the overall performance of an educational employee to be designated as highly effective, effective, developing or ineffective. (NRS 391.465) Existing law: (1) authorizes a school district not to renew the contract of a probationary teacher or certain administrators whose performance is designated as developing or ineffective; and (2) requires a postprobationary employee whose performance is designated as developing or ineffective for 2 consecutive years to serve an additional probationary period. (NRS 391.725, 391.730) Section 7 of this bill removes authorization for a school district not to renew the contract of a probationary teacher or administrator whose performance is designated as developing. Section 8 of this bill removes the requirement that a postprobationary employee whose performance is designated as developing for 2 consecutive years must serve an additional probationary period. Section 9 of this bill requires the Department to enter into a contract with a consultant to study the impact and validity of the statewide performance evaluation system.
