GENERAL FILE AND THIRD READING

Senate Bill No. 10.

Remarks by Senators Goicoechea and Settelmeyer.

SENATOR GOICOECHEA:

Senate Bill No. 10 increases the amount a member of a board of trustees of a General Improvement District may be compensated annually from \$6,000 to \$9,000. The measure further increases the amount a member of a board of trustees of a General Improvement District that is granted certain powers relating to sewer, waste and water may be compensated annually from \$9,000 to \$12,000. Compensation is defined as salary and wages. There was no opposition to the bill in testimony.

SENATOR SETTELMAYER:

Having represented the county with the largest number of General Improvement Districts in the State, I am curious if this allows stacking. We have people who serve on multiple General Improvement Districts in my county, and I would like to know the answer to this question.

SENATOR GOICOECHEA:

I did not bring this bill forward. As I interpret it, yes, it would allow a person to serve on more than one General Improvement District.

Roll call on Senate Bill No. 10:

Senate Bill No. 17.

Bill read third time.

Remarks by Senator Hammond.

Senate Bill No. 17 revises provisions relating to the enforcement of child support obligations. The bill requires, under certain circumstances, the district attorney or other public agency collecting child support to report to the Department of Wildlife the name of a person who, after receiving notice, fails to comply with a subpoena or warrant related to paternity or child support proceedings or who is in arrears in child support payments. Upon receipt of such a report, the Department must suspend a person's license or permit to hunt, fish or trap unless he or she provides certain proof of compliance with the subpoena or warrant or satisfaction of the arrearage. Finally, the bill removes the exception to suspend licenses or permits that expire less than six months after issuance, making any license or permit to hunt, fish or trap subject to suspension for failure to comply with a subpoena or warrant related to paternity or child support proceedings or due to arrearage in child support payments.

Roll call on Senate Bill No. 17:

NAYS—None.

Senate Bill No. 75.

Bill read third time.

Remarks by Senators Ohrenschall and Seevers Gansert.

SENATOR OHRENSCHALL:

Senate Bill No. 75 establishes a procedure for pursuing the redemption of unclaimed United States savings bonds by the State Treasurer. Under this proposed procedure, a savings bond that has been abandoned and unclaimed for three years escheats to the State, and all property rights and legal title to and ownership of the bond and its proceeds vest in the State. After redeeming the bond, the net proceeds are to be deposited in the State General Fund for credit to the Abandoned Property Trust Account. Additionally, the State Treasurer, in his or her capacity as administrator of unclaimed property, is authorized to pay certain persons who have filed a claim to the proceeds of such escheated and redeemed bonds. This bill passed unanimously in the Judiciary Committee.

SENATOR SEEVERS GANSERT:

I had a question regarding this bill relating to whether the administrator must or may pay the claim, less expenses. I would like to thank the State Treasurer for coming over on short notice and clarifying that the administrator has a fiduciary responsibility to pay the claim if it has been

validated. The "may" pertains to whether the expenses or costs could be charged to provide those funds as they have to go through a process to be able to take unclaimed property. I would like to thank the Treasurer for this information, and I will be supporting the bill

I am honored today to stand before you and inform the Body that the Nevada Senate Democrats have unanimously elected Senator Nicole Cannizzaro as our Majority Leader. Senator Cannizzaro is a revered member of the Nevada State Senate, and our caucus is united behind her. There is no one better suited to lead us following Senator Atkinson's departure. In both her job as a prosecutor and as a Senator, she has a long record of accomplishments while maintaining a reputation for being fair and balanced. Senator Cannizzaro has proven time and again she is a champion for hardworking Nevadans. This is why we have chosen her as our next Majority Leader. We have full confidence in her ability to lead us going forward. Please join me in recognizing and honoring Senator Cannizzaro as our Majority Leader.

I have asked my colleague from District 13, Senator Julia Ratti, to serve as Assistant Majority Leader for the remainder of the 80th Legislative Session. Please recognize my colleague and thank her for being willing to come on this journey with all of us and certainly with me.

I would also like to recognize my colleague from District 10, Senator Yvanna Cancela, who will be filling the position of Co-Majority Whip. She will be part of an incredible leadership team. Her ability to tackle big pieces of policy and speak for working Nevadans is exceptional. I thank her for being willing to step into this position for the remainder of this Legislative Session.
