Senate called to order at 11:20 a.m.

President pro Tempore Denis presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Bruce Henderson.

Father, we are glad it is Friday. Those who are superstitious say it is bad luck to get a haircut or move into a new home on Friday, but it has been a long week; we are glad it is Friday. These weeks remind us that we cannot do this on our own. We need Your presence, compassion and endurance. I pray for safe travel and renewed strength because You know how Mondays can be. Help us, O Lord.

In Your precious and loving Name, we pray.

AMEN.

Pledge of Allegiance to the Flag was led by Lincoln Kieckhefer.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President pro Tempore and Secretary are authorized to make the necessary corrections and additions.

Senator Parks moved the adoption of the amendment.

Remarks by Senator Parks.

Amendment No. 20 to Senate Bill No. 13 relates to the formation of a nonprofit corporation to aid a county during an emergency. The amendment clarifies the bylaws of such a nonprofit corporation must provide that the purpose of the nonprofit corporation is limited to aiding the county during a county-declared emergency, and all money received by the nonprofit corporation must be used to benefit the victims of the emergency. A person who is appointed to serve as a member of board of directors who is not otherwise a public officer is not a public officer by virtue of such an appointment. Finally, the amendment requires the board of directors of the nonprofit corporation to submit an annual report to the Board of County Commissioners, which must include a summary of the activities during the preceding year, a statement of its finances during the preceding year and a list of the current members of the board of directors. The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 98.

SUMMARY—Revises provisions relating to ~~persons with intellectual and developmental disabilities;~~ jobs and day training services. (BDR 39-198)

AN ACT relating to services for persons with intellectual and developmental disabilities; revising the financial information that a provider of jobs and day training services is required to submit to be certified to provide such services; ~~revising provision governing assistance provided to certain caregivers;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a partnership, firm, corporation or association that wishes to provide jobs and day training services to persons with intellectual or developmental disabilities to be certified by the Aging and Disability Services Division of the Department of Health and Human Services. (NRS 435.225) Existing law requires such a partnership, firm, corporation or association, before being issued a certificate and annually thereafter as a condition of certification, to: (1) be on file and in good standing with the Secretary of State and organized according to Nevada law; and (2) submit to the Division an annual financial audit and certain additional documentation if the partnership, firm, corporation or association is a nonprofit organization. (NRS 435.227) This bill removes the requirements to submit an annual financial audit and the additional documentation if the partnership, firm, corporation or association is a nonprofit organization. Instead, this bill requires a partnership, firm, corporation or association that provides or wishes to be certified to provide such jobs and day training services to submit any financial documents and statements requested by the Division for the purpose of evaluating the financial solvency of the partnership, firm, corporation or association.

~~Existing law makes it possible for certain relatives who care for a person who has been diagnosed with a profound or severe intellectual disability or with a developmental disability to receive assistance from the Aging and Disability Services Division to the extent that money is available for that purpose. (NRS 435.465) Section 2 of this bill revises this provision to include only caregivers of a person who has been diagnosed with an intellectual disability.~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 3. This act becomes effective:

1. Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. On October 1, 2019, for all other purposes.

Senator Ratti moved the adoption of the amendment.

Remarks by Senators Ratti and Hammond.

SENATOR RATTI:

Amendment No. 98 to Senate Bill No. 18 revises the bill to delete sections that would have changed existing law related to assistance provided to caregivers of people with a profound or severe intellectual disability or with a developmental disability.

SENATOR HAMMOND:

We have deleted much of the language of this bill. What is the practical effect of the language on which we are voting? We are taking out protections and audit language from section 1, subsection 2 of the bill. I do not think it is needed, but I want to be sure about the practical applicability of the bill.

SENATOR RATTI:

I agree that a significant portion of this bill was removed and little is left. The one piece left reduces the reporting requirement from the providers to the Department. There was broad agreement in the room this was no longer necessary.

SENATOR HAMMOND:

This provides the clarification I needed. Thank you.

Amendment adopted.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 28.

SUMMARY—Revises provisions governing local emergency management. (BDR 36-355)

AN ACT relating to emergency management; creating the Nevada Tribal Emergency Coordinating Council; prescribing the membership and duties of the Council; revising provisions governing a local organization for emergency management; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Chief of the Division of Emergency Management of the Department of Public Safety to coordinate the activities of all organizations for emergency management within Nevada. (NRS 414.040) Section 1 of this bill creates the Nevada Tribal Emergency Coordinating Council within the Division. Section 1 requires the Chief of the Division to appoint not more than ~~15~~ 27 members to the Council, each of whom must be a member of a different federally recognized Indian tribe or nation which is located within Nevada. Section 1 requires the Council to: (1) advise the Chief regarding emergency management on tribal lands; (2) assist in the coordination of mitigation, preparedness, response and recovery activities relating to an emergency on tribal lands; and (3) submit an annual report to the Chief detailing the Council's activities during the immediately preceding calendar year and recommendations relating to emergency management on tribal lands.

Existing law authorizes each county and city in Nevada to establish a local organization for emergency management. A local organization for emergency management is responsible for performing functions of emergency management within the territorial limits of the political subdivision within which it is organized and, if required, outside those territorial limits. (NRS 414.090) Section 2 of this bill makes it mandatory for a county to establish a local organization for emergency management, but, in lieu of each county establishing its own local organization for emergency management, section 2 authorizes the

boards of county commissioners of two or more counties to enter into an interlocal agreement establishing one local organization for emergency management for all the counties that are parties to the agreement.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 414 of NRS is hereby amended by adding thereto a new section to read as follows:

1. *The Nevada Tribal Emergency Coordinating Council, consisting of not more than ~~15~~ 27 members appointed by the Chief, is hereby created within the Division of Emergency Management of the Department of Public Safety. The Chief shall appoint ~~members~~ each member from ~~any~~ a different federally recognized Indian tribe or nation, all or part of which is located within the boundaries of this State. Not more than one member of the Council may be from the same federally recognized Indian tribe or nation.*

2. *The term of office of each member of the Council is 2 years.*

3. *The Council shall meet at the call of the Chief and at least once every 3 months.*

4. *The Division of Emergency Management shall provide the Council with administrative support.*

5. *The Council shall:*

(a) *Advise the Chief regarding emergency management on tribal lands;*

(b) *Assist in the coordination of mitigation, preparedness, response and recovery activities related to an emergency on tribal lands; and*

(c) *Submit an annual report to the Chief on or before January 31 of each year which must include, without limitation:*

(1) *A summary of the activities of the Council during the immediately preceding calendar year; and*

(2) *Recommendations relating to emergency management on tribal lands.*

6. *The Attorney General shall enter into any agreements necessary to carry out the provisions of this section.*

Sec. 2. NRS 414.090 is hereby amended to read as follows:

414.090 1. ~~[Each political subdivision]~~ *Except as otherwise provided in subsection 2, each county of this state shall, and each city of this state may, establish a local organization for emergency management in accordance with the state emergency management plan and program for emergency management. Such a political subdivision may confer or authorize the conferring upon members of the auxiliary police the powers of police officers, subject to such restrictions as it imposes. Each local organization for emergency management must have a director who must be appointed by the executive officer or governing body of the political subdivision, and who has direct responsibility for the organization, administration and operation of the local organization for emergency management subject to the direction and control of the executive officer or governing body. Each local organization for*

emergency management shall perform functions of emergency management within the territorial limits of the political subdivision within which it is organized, and, in addition, shall conduct such functions outside of such territorial limits as may be required pursuant to the provisions of NRS 414.100.

2. *In lieu of establishing a local organization for emergency management pursuant to subsection 1, the boards of county commissioners of two or more counties may enter into an interlocal agreement that:*

(a) Establishes a local organization for emergency management for the counties that are parties to the agreement; and

(b) Ensures compliance with the requirements of subsection 1.

3. In carrying out the provisions of this chapter, each political subdivision in which any emergency or disaster described in NRS 414.020 occurs may enter into contracts and incur obligations necessary to combat such an emergency or disaster, protect the health and safety of persons and property and provide emergency assistance to the victims of such an emergency or disaster. Each political subdivision may exercise the powers vested under this section in the light of the exigencies of the extreme emergency or disaster without regard to time-consuming procedures and formalities prescribed by law, except constitutional requirements, pertaining to the performance of public work, entering into contracts, the incurring of obligations, the employment of temporary workers, the rental of equipment, the purchase of supplies and materials, the levying of taxes, and the appropriation and expenditure of public funds.

Sec. 3. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 4. This act becomes effective upon passage and approval.

Senator Parks moved the adoption of the amendment.

Remarks by Senator Parks.

Amendment No. 28 to Senate Bill No. 67 relates to emergency management and increases the number of members on the Nevada Tribal Emergency Coordinating Council from not more than 15 to not more than 27 members. This will allow each federally recognized tribe in Nevada the ability to have no more than one member represent them on the Council. I urge your support.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 106.

SUMMARY—Revises provisions relating to autism spectrum disorders.
(BDR 38-33)

AN ACT relating to persons with disabilities; requiring agencies that oversee programs that provide services to persons with autism spectrum disorders to report certain information concerning such programs to the Commission; establishing the Nevada Commission on Autism Spectrum Disorders to review data and information and advise the Governor regarding the needs of persons with autism spectrum disorders and their families; ~~revising requirements concerning the assessment to determine whether a person has an autism spectrum disorder;~~ revising the required contents of a plan of treatment for a participant in the Autism Treatment Assistance Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 2007, the Legislature created the Nevada Autism Task Force to study and make recommendations to the Governor and the Legislature regarding the growing incidence of autism and ways to improve the delivery and coordination of autism services in this State. The Task Force was required to complete its review on or before August 1, 2008. (Section 40 of Assembly Bill No. 629, chapter 348, Statutes of Nevada 2007, at page 1674) Upon the expiration of the Task Force, the Governor issued an executive order establishing the Commission on Autism Spectrum Disorder to continue the work of the Task Force. (Executive Order Establishing the Commission on Autism Spectrum Disorder (11-19-2008)) The Governor has issued three additional executive orders extending the Commission through June 30, 2019. (Executive Orders 2011-21 (11-28-2011), 2015-26 (10-9-2015), 2018-29 (11-9-2018)) Sections 5 and 6 of this bill establish the Nevada Commission on Autism Spectrum Disorders in statute. Section 5 establishes the membership of the Commission and sets the terms of members at 3 years. Members serve without compensation. Section 6 requires the Commission to perform certain duties relating to autism spectrum disorders, including: (1) advising the Governor concerning services for persons with autism spectrum disorders and their families in this State; and (2) monitoring programs operated by governmental agencies that serve such persons. Sections 1 and 7 of this bill require the Division of Health Care Financing and Policy of the Department of Health and Human Services and the Aging and Disability Services Division of the Department to report to the Commission certain information relating to services for persons with autism spectrum disorders administered by those agencies.

~~Existing law requires the Aging and Disability Services Division to prescribe by regulation a statewide standard for measuring outcomes and assessing and evaluating persons with autism spectrum disorders through the age of 21 years who receive services through the State or a local government. Existing law requires those regulations to designate a protocol which includes at least one standardized assessment instrument that requires direct observation by the professional conducting the assessment for determining whether a person is a person with autism spectrum disorder. (NRS 427A.872)~~

~~Section 9 of this bill removes the requirement that such an assessment must be standardized.]~~

Existing law establishes the Autism Treatment Assistance Program within the Aging and Disability Services Division to serve as the primary autism program within the Department and to provide and coordinate services to persons under 20 years of age with autism spectrum disorders. The policies of the Program and any services provided by the Program must be developed in cooperation with and approved by the Task Force or its successor organization. (NRS 427A.875) Section 10 of this bill instead requires such policies and services to be developed in cooperation with the Commission. Sections 9 and 12 of this bill update certain other references to the Task Force to refer to the Commission. Sections 2-4, 8 and 11 of this bill make other conforming changes.

Existing law requires the Autism Treatment Assistance Program to develop a plan of treatment for a person who participates in the program. (NRS 427A.875) Section 10 of this bill requires such a plan to ensure that the person receives appropriate services after the person reaches 20 years of age and is thus no longer eligible to participate in the Program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 422 of NRS is hereby amended by adding thereto a new section to read as follows:

The Division shall submit to the Nevada Commission on Autism Spectrum Disorders created by section 5 of this act upon the request of the Commission a report containing the most current information available concerning:

1. *The number of persons receiving services for persons with autism spectrum disorders through the Medicaid program;*
2. *The outcomes of persons with autism spectrum disorders who receive services through the Medicaid program;*
3. *The expenditures made on behalf of the Medicaid program related to the provision of services for persons with autism spectrum disorders; and*
4. *The number of hours billed to the Medicaid program per week for each service provided to persons with autism spectrum disorders through the Medicaid program and the number of hours per week that each such service was actually provided to recipients of Medicaid.*

Sec. 2. Chapter 427A of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 7, inclusive, of this act.

Sec. 3. "Commission" means the Nevada Commission on Autism Spectrum Disorders created by section 5 of this act.

Sec. 4. "Early intervention services" has the meaning ascribed to it in 20 U.S.C. § 1432.

Sec. 5. 1. *The Nevada Commission on Autism Spectrum Disorders is hereby created within the Division. The Commission consists of*

seven members appointed by the Governor. The Governor shall appoint to the Commission:

- (a) Two members who are representatives of school districts in this State;
- (b) One member who is a behavior analyst;
- (c) One member who is the parent of a person with an autism spectrum disorder who is over 12 years of age;
- (d) One member who is the parent of a child with autism who is under 5 years of age;
- (e) One member who is the parent of a child with autism who resides in a county with a population of less than 100,000; and
- (f) One member who is a representative of the public at large.

2. After the initial term, the term of each member is 3 years. A member may be reappointed.

3. Members of the Commission serve without compensation and are not entitled to the per diem and travel expenses provided for state officers and employees generally. Each member of the Commission who is an officer or employee of a local government must be relieved from his or her duties without loss of his or her regular compensation so that the member may prepare for and attend meetings of the Commission and perform any work necessary to carry out the duties of the Commission in the most timely manner practicable. A local government shall not require an officer or employee who is a member of the Commission to make up the time the member is absent from work to carry out his or her duties as a member, and shall not require the member to take annual vacation or compensatory time for the absence.
