

NEVADA LEGISLATURE

Eightieth Session, 2019

SENATE DAILY JOURNAL

THE EIGHTY-SEVENTH DAY

CARSON CITY (Wednesday), May 1, 2019

Senate called to order at 11:49 a.m.

President Marshall presiding.

Roll called.

All present.

Prayer by the Chaplain, Minister Brian Underwood.

Dear Heavenly Father, unto whom all desires are known and from whom no secrets are hidden, we humbly come before You this day to give You thanks and praise for all of the blessings You give us and seek how we can serve You with integrity in all that we do.

Your Word encourages us to walk in the truth and the light, and in this way, we call upon You to be that light in our lives that casts absolute clarity as shadows attempt to creep in. Lord, please teach us to be leaders that witness and govern in ways that insist upon truth. Your Word reminds us that better is a poor person who walks in his integrity than one who is crooked in speech and is a fool. In the same vein, You also remind us to work heartily unto You, and not for men, knowing that faithfulness to You will grant us Your reward.

Bless this Body, Lord, and the sacrifices they make to serve You. You and You alone, know the pressure and strife that come with service such as this. So I ask, that while imparting truth to them, You would also grant them peace in knowing You are with them always. Be with them today to show them Your will and ways.

In Your most precious Name,

AMEN.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

SENATOR HANSEN:

Assembly Bill No. 207 revises various provisions relating to business entities, such as private corporations, nonprofit corporations and limited-liability companies. Provisions regarding private corporations revised in the bill include registered agents and the maintenance of records; stocks and other securities, such as fractional shares; the acquisition of a controlling interest of the corporation; the amendment and restatement of articles of incorporation; the procedure for dissolution; the liability of a stockholder, director or officer for the debt or liability of the corporation; and the discretionary and mandatory indemnification of officers, directors, employees and agents.

Provisions relating to nonprofit corporations are revised, including those governing the maintenance of records required at the principal office or with custodian of records; the inspection and copying of records; and the denial of request for inspection of records. Lastly, provisions relating to limited-liability companies are amended to include new language regarding the alter ego of a limited liability company.

SENATOR PICKARD:

I rise in support of Assembly Bill No. 207. This bill seeks to modernize our statutes regarding corporations and LLCs. There was a lot of discussion about the alter ego doctrine as it applies to LLCs. In Nevada, LLCs have traditionally enjoyed significant protections that are easier to comply with than the traditional corporation rules. We use an alter ego doctrine to pierce those protections in litigation. This bill adopts the language regarding the alter ego doctrine from Nevada Revised Statute (NRS) 78, the traditional corporate form, into NRS 86, the statute establishing LLC form. When the legislature copies language from one chapter into another, it is standard practice in the courts to bring with that decision all law surrounding that language. It was mentioned in the hearing that the intent of this bill is not to adopt the case law wholesale that was developed in relation to the provisions in NRS 78. Instead, this is new law, and we should not assume simply because we are using similar language from NRS 78 that we are also adopting the case law so we can maintain the protections LLCs enjoy in Nevada.
