Legislative Counsel’s Digest:

Existing law requires each proposal for a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas), to include an employment plan which must include: (1) a description of the existing opportunities for employment within the area; (2) a projection of the effect that the redevelopment project will have on employment opportunities within the area; (3) a description of the manner in which an employer relocating a business into the area plans to employ certain persons, including persons who have a physical disability; (4) a description of the manner in which the developer will, in hiring for construction jobs for the project, use its best efforts to hire certain persons; and (5) a description of the manner in which each employer relocating a business into the area will use its best efforts to hire certain persons living within certain areas. (NRS 279.482)

Sections 2 and 5 of this bill reorganize existing requirements for an employment plan that apply to a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas). **Section 2** requires the employment plan to include: (1) certain information about persons with any disability; and (2) a description of how the developer will seek the participation in the redevelopment project of local small business contractors and subcontractors who are licensed in this State and whose place of business is located within 100 miles of the project. **Section 2** also requires that a redevelopment agency submit the employment plan to the Nevada Commission on Minority Affairs and the Southern Nevada Enterprise Community Board. **Section 2** further provides that an employment plan is a public record.

Sections 3 and 4 of this bill require, respectively, developers and businesses that receive incentives from an agency for a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas) to submit progress reports on the employment plan to the agency. **Sections 3 and 4** also require the progress reports to be submitted by the agency to the Nevada Commission on Minority Affairs and the Southern Nevada Enterprise Community Board. **Sections 3 and 4** also provide that the progress reports are public records.

Section 6 of this bill provides that **sections 2-4** apply only to a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas).

Existing law requires, with certain exceptions, a redevelopment plan adopted on or after January 1, 1991, and any amendments to the plan to terminate not later than 30 years after the date on which the original redevelopment plan is adopted. (NRS 279.439) **Section 4.3** of this bill requires that such a redevelopment plan, and any amendments to the plan, of a county whose population is 700,000 or more (currently Clark County) terminates not later than after 45 years after the date on which the original redevelopment plan is adopted.

Existing law authorizes a city to enact its own procedural ordinance and exercise certain powers related to redevelopment. (NRS 279.444) **Section 4.7** of this bill allows a community, which is defined as a county or a city, to enact its own procedural ordinance and exercise such powers. (NRS 279.392)

Existing law requires a public agency that uses redevelopment funds for the design or construction of a redevelopment project being built as a public work in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas) to submit an employment plan. (NRS 279.6094) **Section 7** of this bill provides that the employment plan must meet the requirements of **section 2**.

Section 8 of this bill requires the Nevada Commission on Minority Affairs to analyze the information provided in the employment plans and progress reports that it receives pursuant to **sections 2-4**.

The Southern Nevada Enterprise Community Infrastructure Improvement Act establishes the Southern Nevada Enterprise Community Board to carry out certain duties relating to the Southern Nevada Enterprise Community. Two of the nine members of the Board must be residents of the Community. (Sections 8 and 9 of chapter 407, Statutes of Nevada 2007, as amended by chapter 481, Statutes of Nevada 2009, at pages 2771-72) **Section 9.5** of this bill provides instead that these two members of the Board must be persons who are residents of the Community or residents of an area that is located within 10 miles of the Community.
