AN ACT relating to unfair trade practices; requiring certain notice to be provided to the Attorney General before the consummation of certain transactions involving a group practice or health carrier; revising provisions relating to proceedings instituted by the Attorney General under the Nevada Unfair Trade Practice Act; revising provisions relating to noncompetition covenants; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Nevada Unfair Trade Practice Act sets forth various activities that constitute a contract, combination or conspiracy in restraint of trade and authorizes the Attorney General to investigate and take certain actions against persons who engage in such activities, which may include, without limitation, criminal prosecution and the imposition of civil penalties. (Chapter 598A of NRS) This bill makes various changes to the Nevada Unfair Trade Practice Act.

Sections 2-10 of this bill impose certain notification requirements relating to certain transactions involving health carriers or certain business entities consisting of health care practitioners, which are designated by **section 4.2** of this bill as “group practices.” **Section 6.5** of this bill requires any party conducting business in this State who is a party to a reportable health care or health carrier transaction to, at least 30 days before the consummation of the transaction, submit to the Attorney General a notification with certain specified information relating to the transaction. **Section 5.6** of this bill defines “reportable health care or health carrier transaction” to generally mean a transaction that: (1) results in a material change to the business or corporate structure of a group practice or health carrier; and (2) causes, as a

17 result of the transaction, a group practice or health carrier to provide within a
18 geographic market 50 percent or more of any health care service or health carrier
19 service.

20 The federal Hart-Scott-Rodino Antitrust Improvements Act of 1976 requires
21 certain persons who intend to engage in certain mergers or acquisitions to file a
22 notification with the Federal Trade Commission and the United States Department
23 of Justice. (15 U.S.C. § 18a) **Section 7** of this bill requires a person who is required
24 to file such a notification regarding any transaction involving any assets of a group
25 practice or health carrier in this State to simultaneously submit a copy of the filing
26 to the Attorney General. **Section 8** of this bill provides that nothing in the
27 provisions of **sections 2-10** limits the power of the Attorney General to issue
28 written investigative demands in connection with an investigation under the Nevada
29 Unfair Trade Practice Act. **Section 9** of this bill provides that any information
30 received by the Attorney General pursuant to **sections 2-10** is confidential and
31 authorized to be disclosed only under certain circumstances. **Section 10** of this bill
32 provides for the imposition of a civil penalty of up to \$1,000 per day for willful
33 violations of the notification requirements set forth in **sections 2-10**.

34 **Sections 16, 17, 19 and 20** of this bill revise provisions relating to proceedings
35 instituted by the Attorney General under the Nevada Unfair Trade Practice Act to
36 generally authorize additional equitable relief for violations of the Act. **Section 18**
37 of this bill requires public officers and employees to provide certain information to
38 the Attorney General relating to such proceedings upon request.

39 Existing law requires a state agency to provide to the Executive Director of the
40 Patient Protection Commission such information as the Executive Director may
41 request. (NRS 439.914) **Sections 17.5 and 21.5** of this bill provide that the
42 Attorney General is not required to provide to the Executive Director information
43 obtained by the Attorney General under the Nevada Unfair Trade Practice Act.

44 Existing law provides that a noncompetition covenant is void and
45 unenforceable unless the noncompetition covenant meets certain requirements.
46 Under existing law, a noncompetition covenant is prohibited from restricting a
47 former employee from providing service to a former customer or client under
48 certain circumstances. (NRS 613.195) **Section 22.5** of this bill also prohibits an
49 employer from bringing an action to restrict a former employee from providing
50 service to a former customer or client under certain circumstances. **Section 22.5**
51 also prohibits a noncompetition covenant from applying to an employee who is
52 paid solely on an hourly wage basis, exclusive of any tips or gratuities. Finally,
53 **section 22.5** requires a court, in an action to enforce or challenge a noncompetition
54 covenant, to award reasonable attorney's fees and costs to the employee if the court
55 finds that the noncompetition covenant applies to an employee paid on an hourly
56 wage basis or that the employer has impermissibly restricted or attempted to restrict
57 the employee from providing services to a former customer or client.

30 *section 9 of this act*, sections 35, 38 and 41 of chapter 478, Statutes
31 of Nevada 2011 and section 2 of chapter 391, Statutes of Nevada
32 2013 and unless otherwise declared by law to be confidential, all
33 public books and public records of a governmental entity must be
34 open at all times during office hours to inspection by any person,
35 and may be fully copied or an abstract or memorandum may be
36 prepared from those public books and public records. Any such
37 copies, abstracts or memoranda may be used to supply the general
38 public with copies, abstracts or memoranda of the records or may be
39 used in any other way to the advantage of the governmental entity or
40 of the general public. This section does not supersede or in any
41 manner affect the federal laws governing copyrights or enlarge,
42 diminish or affect in any other manner the rights of a person in any
43 written book or record which is copyrighted pursuant to federal law.
44 2. A governmental entity may not reject a book or record
45 which is copyrighted solely because it is copyrighted.

1 3. A governmental entity that has legal custody or control of a
2 public book or record shall not deny a request made pursuant to
3 subsection 1 to inspect or copy or receive a copy of a public book or
4 record on the basis that the requested public book or record contains
5 information that is confidential if the governmental entity can
6 redact, delete, conceal or separate, including, without limitation,
7 electronically, the confidential information from the information
8 included in the public book or record that is not otherwise
9 confidential.

10 4. If requested, a governmental entity shall provide a copy of a
11 public record in an electronic format by means of an electronic
12 medium. Nothing in this subsection requires a governmental entity
13 to provide a copy of a public record in an electronic format or by
14 means of an electronic medium if:

15 (a) The public record:

16 (1) Was not created or prepared in an electronic format; and

17 (2) Is not available in an electronic format; or

18 (b) Providing the public record in an electronic format or by
19 means of an electronic medium would:

20 (1) Give access to proprietary software; or

21 (2) Require the production of information that is confidential
22 and that cannot be redacted, deleted, concealed or separated from
23 information that is not otherwise confidential.

24 5. An officer, employee or agent of a governmental entity who
25 has legal custody or control of a public record:

26 (a) Shall not refuse to provide a copy of that public record in the
27 medium that is requested because the officer, employee or agent has
28 already prepared or would prefer to provide the copy in a different
29 medium.

30 (b) Except as otherwise provided in NRS 239.030, shall, upon
31 request, prepare the copy of the public record and shall not require
32 the person who has requested the copy to prepare the copy himself
33 or herself.

34 **Sec. 21.5.** NRS 439.914 is hereby amended to read as follows:

35 439.914 1. The Governor shall appoint the Executive
36 Director of the Commission within the Office of the Governor. The
37 Executive Director:

38 (a) Must have experience in health care or health insurance;

39 (b) Is in the unclassified service of the State; and

40 (c) Serves at the pleasure of the Governor.

41 2. The Executive Director shall:

42 (a) Perform the administrative duties of the Commission and
43 such other duties as are directed by the Commission; and

44 (b) To the extent that money is available for this purpose,
45 appoint employees to assist the Executive Director in carrying out

1 the duties prescribed in paragraph (a). Such employees serve at the
2 pleasure of the Executive Director and are in the unclassified service
3 of the State.

4 3. The Executive Director may request any information
5 maintained by a state agency that is necessary for the performance
6 of his or her duties, including, without limitation, information that is
7 otherwise declared confidential by law. ~~[Fo]~~ *Except as otherwise*
8 *provided in NRS 598A.110, to* the extent authorized by the Health
9 Insurance Portability and Accountability Act of 1996, Public Law
10 104-191, and the regulations adopted pursuant thereto, an agency
11 from which such information is requested shall provide the
12 information to the Executive Director.

13 4. The Executive Director:

14 (a) Shall maintain any information obtained pursuant to
15 subsection 3 under the same conditions as the information is
16 maintained by the agency that provided the information; and

17 (b) Except as otherwise provided in this paragraph, shall not
18 disclose any confidential information obtained pursuant to
19 subsection 3 to any other person or entity, including, without
20 limitation, the Commission or a member thereof. The Executive
21 Director may disclose or publish aggregated information in a
22 manner that does not reveal the identity of any person.

23 **Sec. 22.** (Deleted by amendment.)

24 **Sec. 22.5.** NRS 613.195 is hereby amended to read as follows:

25 613.195 1. A noncompetition covenant is void and
26 unenforceable unless the noncompetition covenant:

27 (a) Is supported by valuable consideration;

28 (b) Does not impose any restraint that is greater than is required
29 for the protection of the employer for whose benefit the restraint is
30 imposed;

31 (c) Does not impose any undue hardship on the employee; and

32 (d) Imposes restrictions that are appropriate in relation to the
33 valuable consideration supporting the noncompetition covenant.

34 2. A noncompetition covenant may not restrict , *and an*
35 *employer may not bring an action to restrict*, a former employee of
36 an employer from providing service to a former customer or client
37 if:

38 (a) The former employee did not solicit the former customer or
39 client;

40 (b) The customer or client voluntarily chose to leave and seek
41 services from the former employee; and

42 (c) The former employee is otherwise complying with the
43 limitations in the covenant as to time, geographical area and scope
44 of activity to be restrained, other than any limitation on providing
45 services to a former customer or client who seeks the services of the

1 former employee without any contact instigated by the former
2 employee.

3 ↪ Any provision in a noncompetition covenant which violates the
4 provisions of this subsection is void and unenforceable.

5 3. *A noncompetition covenant may not apply to an employee
6 who is paid solely on an hourly wage basis, exclusive of any tips or
7 gratuities.*

8 4. An employer in this State who negotiates, executes or
9 attempts to enforce a noncompetition covenant that is void and
10 unenforceable under this section does not violate the provisions of
11 NRS 613.200.

12 ~~[4.]~~ 5. If the termination of the employment of an employee is
13 the result of a reduction of force, reorganization or similar
14 restructuring of the employer, a noncompetition covenant is only
15 enforceable during the period in which the employer is paying the
16 employee's salary, benefits or equivalent compensation, including,
17 without limitation, severance pay.

18 ~~[5.]~~ 6. If an employer brings an action to enforce a
19 noncompetition covenant *or an employee brings an action to
20 challenge a noncompetition covenant* and the court finds the
21 covenant is supported by valuable consideration but contains
22 limitations as to time, geographical area or scope of activity to be
23 restrained that are not reasonable, ~~[impose]~~ *imposes* a greater
24 restraint than is necessary for the protection of the employer for
25 whose benefit the restraint is imposed ~~[and impose]~~ *or imposes*
26 undue hardship on the employee, the court shall revise the covenant
27 to the extent necessary and enforce the covenant as revised. Such
28 revisions must cause the limitations contained in the covenant as to
29 time, geographical area and scope of activity to be restrained to be
30 reasonable, *to not impose undue hardship on the employee* and to
31 impose a restraint that is not greater than is necessary for the
32 protection of the employer for whose benefit the restraint is
33 imposed.

34 ~~[6.]~~ 7. *If an employer brings an action to enforce a
35 noncompetition covenant or an employee brings an action to
36 challenge a noncompetition covenant and the court finds that the
37 noncompetition covenant applies to an employee described in
38 subsection 3 or that the employer has restricted or attempted to
39 restrict a former employee in the manner described in subsection
40 2, the court shall award the employee reasonable attorney's fees
41 and costs. Nothing in this subsection shall be construed as
42 prohibiting a court from otherwise awarding attorney's fees to a
43 prevailing party pursuant to NRS 18.010.*

44 8. As used in this section:

1 (a) "Employer" means every person having control or custody of
2 any employment, place of employment or any employee.

3 (b) "Noncompetition covenant" means an agreement between an
4 employer and employee which, upon termination of the employment
5 of the employee, prohibits the employee from pursuing a similar
6 vocation in competition with or becoming employed by a competitor
7 of the employer.
