**Legislative Counsel’s Digest:**

1 Existing law authorizes a registered voter to request an absent ballot to vote at an election  
2 and sets forth various requirements and procedures to be used for voting and processing  
3 absent ballots. (NRS 293.3088-293.340, 293C.304-293C.340) Existing law also provides that  
4 a county or city clerk may designate certain election precincts as mailing precincts or absent  
5 ballot mailing precincts and all registered voters who live in such an election precinct are  
6 mailed a mailing ballot and may vote by mailing ballot. (NRS 293.343-293.355, 293C.342-  
7 293C.352) Existing law further provides that for elections that are affected by certain  
8 emergencies or disasters, the county and city clerks are required to mail each registered voter  
9 a mail ballot and sets forth requirements and procedures to be used for mail ballots. (NRS  
10 293.8801-293.8887) **Section 91** of this bill repeals the existing provisions for absent ballots,

11 mailing ballots and mail ballots. **Sections 2, 3-17 and 51-63** of this bill: (1) require the county  
12 and city clerks to send each active registered voter and each person who registers to vote or  
13 updates his or her voter registration information not later than 14 days before an election a  
14 mail ballot for all elections; and (2) reenact, with certain changes, various requirements  
15 relating to the preparation and distribution of mail ballots and procedures for voting,  
16 returning, verifying and counting mail ballots. **Sections 18-24, 30-33, 35-45, 47-49, 66-69, 72,**  
17 **73, 76-79 and 81-86** of this bill make conforming changes to revise references to absent  
18 ballots, mailing ballots and mail ballots for affected elections.

19 **Sections 3 and 51** of this bill provide that a voter may elect not to receive a mail ballot by  
20 submitting a written notice to the county or city clerk which must be received by the county or  
21 city clerk, as applicable, not later than 60 days before the day of the election.

22 **Sections 2.2 and 2.4** of this bill require the county clerk to establish a minimum number  
23 of polling places for primary elections and general elections in the county for early voting by  
24 personal appearance and polling places for voting on the day of the election based on the  
25 population of the county.

26 Existing law provides that an absent ballot or mail ballot that is mailed to the county or  
27 city clerk must be postmarked on or before the day of the election and received by 5 p.m. on  
28 the seventh day following the election. (NRS 293.317, 293.8861, 293C.319) **Sections 8 and**  
29 **56** of this bill revise this deadline to instead require a mail ballot that is mailed to the county  
30 or city clerk to be received by 5 p.m. on the fourth day following an election. **Sections 8 and**  
31 **56** also require the county and city clerk to establish ballot drop boxes at every polling  
32 location in the county or city, as applicable. **Section 45** of this bill makes it a category E  
33 felony for a person other than a county clerk or city clerk to establish a ballot drop box.

34 Existing law establishes a process for county and city clerks to verify signatures on absent  
35 ballots, mailing ballots and mail ballots. (NRS 293.325, 293.355, 293.8874, 293C.325,  
36 293C.352) **Sections 11 and 59** of this bill authorize the county and city clerks to review the  
37 signature of a voter manually or by electronic means and establish requirements for an  
38 electronic device to verify the signature of a voter.

39 **Sections 16 and 64** of this bill require each county clerk and city clerk and all members  
40 of their staff whose duties include administering an election to complete a class on forensic  
41 signature verification that is approved by the Secretary of State at least once each year.  
42 **Sections 17 and 65** of this bill provide that if a county or city clerk uses an electronic device  
43 to verify signatures on mail ballots, the clerk must: (1) conduct a test of the accuracy of every  
44 electronic device before the election; (2) perform daily audits of the electronic device during  
45 the processing of ballots for the election; and (3) prepare an audit report. **Sections 34 and 80**  
46 of this bill require the audit reports to be deposited in the vaults of the county or city with  
47 other election materials.

48 Existing law allows a voter who has failed to affix his or her signature on an absent,  
49 mailing or mail ballot or for whom there is a reasonable question of fact as to whether the  
50 signature used for the absent, mailing or mail ballot matches the signature of the voter to  
51 provide a signature or confirmation not later than 5 p.m. on the seventh day following an  
52 election or the ninth day following an affected election. (NRS 293.325, 293.355, 293.8874,  
53 293C.325, 293C.352) **Sections 11 and 59** revise this deadline to require a voter to provide a  
54 signature or confirmation by the sixth day following an election. **Sections 11 and 59** also  
55 establish methods by which the county or city clerk may verify the identity of a voter for  
56 whom there is a reasonable question of fact as to whether the signature used on his or her  
57 mailing ballot matches the voter's signature.

58 Existing law requires certain persons who register to vote to show certain proof of  
59 identity and residency the first time voting in an election for federal office in this State. A  
60 person who registers to vote at the Department of Motor Vehicles using the process  
61 commonly known as the Automatic Voter Registration System is not required to show proof  
62 of identity or residency the first time voting in an election for federal office in this State if the  
63 person presented to the Department of Motor Vehicles certain proof of identity and residency.  
64 (NRS 293.2725, 293.5742) **Section 25** of this bill makes a technical change to clarify that a  
65 person who registers to vote at the Department of Motor Vehicles using the Automatic Voter  
66 Registration System is not required to show proof of identity or residency the first time voting  
67 in an election for federal office in this State if the person presented to the Department of  
68 Motor Vehicles certain proof of identity and residency.

69 Existing law authorizes an Indian tribe to submit a request for the establishment of a  
70 polling place within the boundaries of an Indian reservation or Indian colony, which must be  
71 submitted by the first Friday in January for a primary election and the first Friday in July for a  
72 general election. (NRS 293.2733, 293.3572, 293C.2675, 293C.3572) **Sections 26, 28, 70 and**

74 the boundaries of an Indian reservation or Indian colony for early voting and the day of a  
75 primary election or general election to March 1 for a primary election and August 1 for a  
76 general election. **Sections 26 and 70** also authorize an Indian tribe to submit a request for the  
77 establishment of a ballot drop box within the boundaries of an Indian reservation or Indian  
78 colony by the same deadlines.

79 Existing law provides that if the signature of a voter who appears to vote in person at the  
80 polls does not match the voter's signature on file, the voter must be identified by answering  
81 questions covering the personal data reported on an application to register to vote or providing  
82 other personal data. (NRS 293.285, 293.3585, 293C.275, 293C.3585) **Sections 27, 29, 71 and**  
83 **75** of this bill provide that the questions covering the personal data of a voter may include the

86 day of the election by submitting an application to register to vote by computer using the  
87 system established by the Secretary of State before the person appears at a polling place to  
88 vote in person using a provisional ballot. (NRS 293.560, 293.5837, 293C.527) **Sections 42.5,**

92 registration list. (NRS 293.675) **Section 44** of this bill requires the Secretary of State to enter  
93 into a cooperative agreement with the State Registrar of Vital Statistics to match information

96 registration list.

97 Existing law authorizes certain persons to obtain a court order to require a county  
98 assessor, county recorder, county clerk, city clerk or Secretary of State to maintain the

103 elections division to request a court order to require a county assessor, county recorder, county  
104 clerk, city clerk or the Secretary of State maintain the personal information of the person  
105 contained in their records in a confidential manner.

115 or committing or offering to make a monetary contribution during such periods.

2 of the voter, but the voter is otherwise entitled to cast the mail ballot, the clerk  
3 shall contact the voter and advise the voter of the procedures to provide a
