Legislative Counsel’s Digest:

1 Existing law authorizes a registered voter to request an absent ballot to vote at an election
2 and sets forth various requirements and procedures to be used for voting and processing
3 absent ballots. (NRS 293.3088-293.340, 293C.304-293C.340) Existing law also provides that
4 a county or city clerk may designate certain election precincts as mailing precincts or absent
5 ballot mailing precincts and all registered voters who live in such an election precinct are
6 mailed a mailing ballot and may vote by mailing ballot. (NRS 293.343-293.355, 293C.342-
7 293C.352) Existing law further provides that for elections that are affected by certain
8 emergencies or disasters, the county and city clerks are required to mail each registered voter
9 a mail ballot and sets forth requirements and procedures to be used for mail ballots. (NRS
10 293.8801-293.8887) **Section 91** of this bill repeals the existing provisions for absent ballots,

11 mailing ballots and mail ballots. **Sections 2, 3-17 and 51-63** of this bill: (1) require the county
12 and city clerks to send each active registered voter and each person who registers to vote or
13 updates his or her voter registration information not later than 14 days before an election a
14 mail ballot for all elections; and (2) reenact, with certain changes, various requirements
15 relating to the preparation and distribution of mail ballots and procedures for voting,
16 returning, verifying and counting mail ballots. **Sections 18-24, 30-33, 35-45, 47-49, 66-69, 72,**
17 **73, 76-79 and ~~81-86~~ 81-84, 85 and 86** of this bill make conforming changes to revise
18 references to absent ballots, mailing ballots and mail ballots for affected elections.

19 **Sections 3 and 51** of this bill provide that a voter may elect not to receive a mail ballot by
20 submitting a written notice to the county or city clerk which must be received by the county or
21 city clerk, as applicable, not later than 60 days before the day of the election.

22 **Sections 2.2 and 2.4** of this bill require the county clerk to establish a minimum number
23 of polling places for primary elections and general elections in the county for early voting by
24 personal appearance and polling places for voting on the day of the election based on the
25 population of the county.

26 Existing law provides that an absent ballot or mail ballot that is mailed to the county or
27 city clerk must be postmarked on or before the day of the election and received by 5 p.m. on
28 the seventh day following the election. (NRS 293.317, 293.8861, 293C.319) **Sections 8 and**
29 **56** of this bill revise this deadline to instead require a mail ballot that is mailed to the county
30 or city clerk to be received by 5 p.m. on the fourth day following an election. **Sections 8 and**
31 **56** also require the county and city clerk to establish ballot drop boxes at every polling
32 location in the county or city, as applicable. **Section 45** of this bill makes it a category E
33 felony for a person other than a county clerk or city clerk to establish a ballot drop box.

34 Existing law establishes a process for county and city clerks to verify signatures on absent
35 ballots, mailing ballots and mail ballots. (NRS 293.325, 293.355, 293.8874, 293C.325,
36 293C.352) **Sections 11 and 59** of this bill authorize the county and city clerks to review the
37 signature of a voter manually or by electronic means and establish requirements for an
38 electronic device to verify the signature of a voter.

39 **Sections 16 and 64** of this bill require each county clerk and city clerk and all members
40 of their staff whose duties include administering an election to complete a class on forensic
41 signature verification that is approved by the Secretary of State at least once each year.
42 **Sections 17 and 65** of this bill provide that if a county or city clerk uses an electronic device
43 to verify signatures on mail ballots, the clerk must: (1) conduct a test of the accuracy of every
44 electronic device before the election; (2) perform daily audits of the electronic device during
45 the processing of ballots for the election; and (3) prepare an audit report. **Sections 34 and 80**
46 of this bill require the audit reports to be deposited in the vaults of the county or city with
47 other election materials.

48 Existing law allows a voter who has failed to affix his or her signature on an absent,
49 mailing or mail ballot or for whom there is a reasonable question of fact as to whether the
50 signature used for the absent, mailing or mail ballot matches the signature of the voter to
51 provide a signature or confirmation not later than 5 p.m. on the seventh day following an
52 election or the ninth day following an affected election. (NRS 293.325, 293.355, 293.8874,
53 293C.325, 293C.352) **Sections 11 and 59** revise this deadline to require a voter to provide a
54 signature or confirmation by the sixth day following an election. **Sections 11 and 59** also
55 establish methods by which the county or city clerk may verify the identity of a voter for
56 whom there is a reasonable question of fact as to whether the signature used on his or her
57 mailing ballot matches the voter's signature.

58 Existing law requires certain persons who register to vote to show certain proof of
59 identity and residency the first time voting in an election for federal office in this State. A
60 person who registers to vote at the Department of Motor Vehicles using the process
61 commonly known as the Automatic Voter Registration System is not required to show proof
62 of identity or residency the first time voting in an election for federal office in this State if the
63 person presented to the Department of Motor Vehicles certain proof of identity and residency.
64 (NRS 293.2725, 293.5742) **Section 25** of this bill makes a technical change to clarify that a
65 person who registers to vote at the Department of Motor Vehicles using the Automatic Voter
66 Registration System is not required to show proof of identity or residency the first time voting
67 in an election for federal office in this State if the person presented to the Department of
68 Motor Vehicles certain proof of identity and residency.

69 Existing law authorizes an Indian tribe to submit a request for the establishment of a
70 polling place within the boundaries of an Indian reservation or Indian colony, which must be
71 submitted by the first Friday in January for a primary election and the first Friday in July for a
72 general election. (NRS 293.2733, 293.3572, 293C.2675, 293C.3572) **Sections 26, 28, 70 and**
73 **74** of this bill revise the deadline for the request for the establishment of a polling place within
74 the boundaries of an Indian reservation or Indian colony for early voting and the day of a
75 primary election or general election to March 1 for a primary election and August 1 for a
76 general election. **Sections 26 and 70** also authorize an Indian tribe to submit a request for the
77 establishment of a ballot drop box within the boundaries of an Indian reservation or Indian
78 colony by the same deadlines.

79 Existing law provides that if the signature of a voter who appears to vote in person at the
80 polls does not match the voter's signature on file, the voter must be identified by answering
81 questions covering the personal data reported on an application to register to vote or providing
82 other personal data. (NRS 293.285, 293.3585, 293C.275, 293C.3585) **Sections 27, 29, 71 and**
83 **75** of this bill provide that the questions covering the personal data of a voter may include the
84 voter's date of birth.

85 Existing law authorizes a person to register to vote through the Thursday preceding the
86 day of the election by submitting an application to register to vote by computer using the
87 system established by the Secretary of State before the person appears at a polling place to
88 vote in person using a provisional ballot. (NRS 293.560, 293.5837, 293C.527) **Sections 42.5,**
89 **43 and 80.5** of this bill extend this deadline to allow a person to register to vote using this
90 method through the day of the election.

91 Existing law requires the Secretary of State to establish and maintain the statewide voter
92 registration list. (NRS 293.675) **Section 44** of this bill requires the Secretary of State to enter
93 into a cooperative agreement with the State Registrar of Vital Statistics to match information
94 in the statewide voter registration list with the records from the State Registrar of Vital
95 Statistics concerning the death of residents of the State to maintain the statewide voter
96 registration list.

97 Existing law authorizes certain persons to obtain a court order to require a county
98 assessor, county recorder, county clerk, city clerk or Secretary of State to maintain the
99 personal information of the person contained in their records in a confidential manner. (NRS
100 247.530, 247.540, 250.130, 250.140, 293.908) **Sections 46, 87 and 88** of this bill authorize a
101 county or city clerk or registrar of voters charged with the powers and duties relating to
102 elections and any deputy appointed by the county or city clerk or registrar of voters in the
103 elections division to request a court order to require a county assessor, county recorder, county
104 clerk, city clerk or the Secretary of State maintain the personal information of the person
105 contained in their records in a confidential manner.

106 Existing law authorizes, under certain circumstances, a petition for initiative or
107 referendum to be withdrawn. Once a petition for initiative or referendum is withdrawn,
108 no further action may be taken on that petition. (NRS 295.026) Section 84.5 of this bill
109 provides that a notice of withdrawal of: (1) a petition for initiative that proposes a
110 statute or an amendment to a statute must be submitted to the Secretary of State not
111 later than 90 days before the election at which the question of approval or disapproval of
112 the initiative will appear on the ballot; (2) a petition for initiative that proposes an
113 amendment to the Constitution must be submitted to the Secretary of State not later

116 submitted to the Secretary of State not later than 90 days before the election at which the
117 question of approval or disapproval of the referendum will appear on the ballot.

118 Existing law authorizes certain persons to request that the Department of Motor Vehicles
119 display an alternate address on the person's driver's license, commercial driver's license or
120 identification card. (NRS 481.091) **Section 89** of this bill authorizes a county clerk, city clerk,
121 registrar of voters charged with powers and duties related to elections and any deputy in the
122 elections division of the county or city to also request that the Department display an alternate
123 address on the person's driver's license, commercial driver's license or identification card.

124 **Section 89.5** of this bill makes an appropriation to the Office of the Secretary of State for
125 the costs of ballot stock, postage and postcard notifications to carry out the provisions of this
126 bill.

48 *be securely locked or under the control of the clerk at all times. The clerk shall*
49 *deliver the mail ballots to the mail ballot central counting board to be processed*
50 *and prepared for counting.*

51 **6.** *If the clerk determines when checking the signature used for the mail*

53 *manner required by law for the mail ballot or that there is a reasonable question*

1 of fact as to whether the signature used for the mail ballot matches the signature
2 of the voter, but the voter is otherwise entitled to cast the mail ballot, the clerk
3 shall contact the voter and advise the voter of the procedures to provide a
4 signature or a confirmation that the signature used for the mail ballot belongs to
5 the voter, as applicable. For the mail ballot to be counted, the voter must provide
6 a signature or a confirmation, as applicable, not later than 5 p.m. on the sixth
7 day following the election.

8 7. The clerk shall prescribe procedures for a voter who failed to affix his or
9 her signature or failed to affix it in the manner required by law for the mail
10 ballot, or for whom there is a reasonable question of fact as to whether the
11 signature used for the mail ballot matches the signature of the voter, in order to:

12 (a) Contact the voter;

13 (b) Allow the voter to provide a signature or a confirmation that the
14 signature used for the mail ballot belongs to the voter, as applicable; and

15 (c) After a signature or a confirmation is provided, as applicable, ensure the
16 mail ballot is delivered to the mail ballot central counting board.

17 8. If there is a reasonable question of fact as to whether the signature used
18 for the mail ballot matches the signature of the voter, the voter must be identified
19 by:

20 (a) Answering questions from the city clerk covering the personal data which
21 is reported on the application to register to vote;

22 (b) Providing the city clerk, orally or in writing, with other personal data
23 which verifies the identity of the voter; or

24 (c) Providing the city clerk with proof of identification as described in NRS
25 293C.270 other than the voter registration card issued to the voter.

26 9. The procedures established pursuant to subsection 7 for contacting a
27 voter must require the clerk to contact the voter, as soon as possible after receipt
28 of the mail ballot, by:

29 (a) Mail;

30 (b) Telephone, if a telephone number for the voter is available in the records
31 of the clerk; and

32 (c) Electronic means, which may include, without limitation, electronic mail,
33 if the voter has provided the clerk with sufficient information to contact the voter
34 by such means.

35 **Sec. 60.** 1. The city clerk shall appoint a mail ballot central counting
36 board for the election.

37 2. The clerk shall appoint and notify voters to act as election board officers
38 for the mail ballot central counting board in such numbers as the clerk
39 determines to be required by the volume of mail ballots required to be sent to
40 each active registered voter in the city for the election. The voters appointed as
41 election board officers for the mail ballot central counting board must not all be
42 of the same political party. No candidate for nomination or election or a relative
43 of the candidate within the second degree of consanguinity or affinity may be
44 appointed as such an election board officer.

45 3. The clerk's deputies who perform duties in connection with elections
46 shall be deemed officers of the mail ballot central counting board.

47 4. The mail ballot central counting board is under the direction of the clerk.

48 **Sec. 61.** 1. The mail ballot central counting board may begin counting
49 the received mail ballots 15 days before the day of the election. The board must
50 complete the count of all mail ballots on or before the seventh day following the
51 election. The counting procedure must be public.

52 2. If two or more mail ballots are found folded together to present the
53 appearance of a single ballot, the mail ballots must be rejected and placed in an

1 *envelope, upon which must be written the reason for their rejection. The envelope*
2 *must be signed by an election board officer and placed in the container or ballot*
3 *box after the count is completed.*

4 **Sec. 62.** *Except as otherwise provided in NRS 293D.200, each mail ballot*
5 *central counting board shall process the mail ballots in the following manner:*

6 *1. The name of the voter, as shown on the return envelope, must be checked*
7 *as if the voter were voting in person;*

8 *2. An election board officer shall indicate in the roster "Received" by the*
9 *name of the voter;*

10 *3. If the board determines the voter is entitled to cast a mail ballot and all*
11 *other processing steps have been completed, the return envelope must be opened*
12 *and the mail ballot counted;*

13 *4. An election board officer shall indicate "Voted" by the name of the voter;*
14 *and*

15 *5. When all mail ballots delivered to the board have been voted or rejected,*
16 *except as otherwise provided in NRS 293D.200, the empty envelopes and the*
17 *envelopes containing rejected mail ballots must be returned to the clerk. On all*
18 *envelopes containing rejected mail ballots, the cause of rejection must be noted*
19 *and the envelope signed by an election board officer.*

20 **Sec. 63.** *1. The voting results of the mail ballot vote in each precinct must*
21 *be certified and submitted to the city clerk, who shall have the results added to the*
22 *votes of the precinct that were not cast by mail ballot. The returns of the mail*
23 *ballot vote must be reported separately from the other votes that were not cast by*
24 *mail ballot in the precinct unless reporting the returns separately would violate*
25 *the secrecy of a voter's ballot.*

26 *2. The clerk shall develop a procedure to ensure that each mail ballot is*
27 *kept secret.*

28 *3. No voting results of mail ballots may be released until all polling places*
29 *are closed and all votes have been cast on the day of the election. Any person who*
30 *disseminates to the public in any way information pertaining to the count of mail*
31 *ballots before all polling places are closed and all votes have been cast on the day*
32 *of the election is guilty of a misdemeanor.*

33 **Sec. 64.** *At least once each year, each city clerk and all members of his or*
34 *her staff whose duties include administering an election must complete a training*
35 *class on forensic signature verification that is approved by the Secretary of State.*

36 **Sec. 65.** *If a city clerk uses an electronic device in an election to verify*
37 *signatures on mail ballots:*

38 *1. The city clerk must conduct a test of the accuracy of the electronic*
39 *devices before the election. The test must be conducted in a manner that ensures*
40 *the electronic device will use the same standards for determining the validity of a*
41 *signature as would be used by a natural person verifying the signature pursuant*
42 *to section 59 of this act.*

43 *2. The city clerk must perform daily audits of each electronic device during*
44 *the processing of mail ballots for the election. The daily audit must include a*
45 *review of a sample of at least 1 percent of the signatures verified each day. The*
46 *city clerk shall appoint election board officers who must not all be of the same*
47 *political party to manually review the signatures. The city clerk must prepare a*
48 *report of each daily audit.*
