Legislative Counsel's Digest:

Existing law provides for the licensure and regulation by the State Board of Cosmetology of persons engaged in the practice of various branches of cosmetology, cosmetological establishments, schools of cosmetology and instructors at such schools. (Chapter 644A of NRS) Among the persons licensed and regulated by the Board are persons engaged in the practice of esthetics, which existing law defines generally to include certain practices involving the care of the skin, the application of cosmetics and the removal of superfluous hair from the body. (NRS 644A.075) This bill provides for the licensure and regulation of: (1) persons designated by **section 7** of this bill as advanced estheticians, who, in addition to the practice of esthetics, engage in certain specified advanced esthetic procedures; and (2) instructors of advanced estheticians.

Existing law requires the Board to hold examinations to determine the qualifications of all applicants for licenses issued by the Board. (NRS 644A.300-644A.535) **Section 19** of this bill sets forth certain requirements for admission to examination for a license as an advanced esthetician. **Section 20** of this bill sets forth certain requirements for the examination for licensure as an advanced esthetician.

Section 6 of this bill designates certain procedures as advanced esthetic procedures. Among these procedures is a nonablative esthetic medical procedure, which is defined in **sections 11 and 18** of this bill to mean a procedure performed for esthetic purposes using certain medical devices and which is not expected to excise, vaporize, disintegrate or remove living tissue. **Section 22** of this bill sets forth certain requirements for the performance of a nonablative esthetic medical procedure by an advanced esthetician. **Section 22** also prohibits an advanced esthetician from performing an ablative esthetic medical procedure, which is defined in **sections 5 and 11** of this bill to mean a procedure performed for esthetic

purposes using certain medical devices and which is expected to excise, vaporize, disintegrate or remove living tissue.

Existing law sets forth various requirements for the operation of schools of cosmetology. (NRS 644A.700-644A.755) **Section 23** of this bill requires the Board to adopt regulations prescribing a curriculum for a course of study in advanced esthetics to be used by a licensed school of cosmetology that wishes to offer such a course of study and sets forth certain requirements for the curriculum. Existing law imposes certain requirements for admission to examination for a license as an instructor of cosmetology, instructor of estheticians and instructor in nail technology. (NRS 644A.420-644A.430) **Section 21** of this bill imposes similar requirements for admission to examination for a license as an instructor of advanced estheticians. **Section 42** of this bill requires a student advanced esthetician to complete a certain number of hours of instruction before commencing work on members of the public.

Existing law exempts a person authorized to practice medicine, dentistry, osteopathic medicine, chiropractic or podiatry from the provisions of existing law regarding cosmetology. (NRS 644A.150) **Section 26** of this bill revises that exemption for the purposes of allowing only a physician or osteopathic physician, a physician assistant or an advanced practice registered nurse to engage in the practice of advanced esthetics without being subject to the requirements set forth in this bill.

Section 25 of this bill includes advanced esthetician within the occupations encompassed by the definition of "cosmetology" set forth in existing law. (NRS 644A.040) **Section 3** of this bill includes a person licensed as an advanced esthetician among the persons exempt from the provisions of existing law governing massage therapy. (NRS 640C.100) **Section 27** of this bill authorizes a person licensed as an advanced esthetician to be appointed to the Board.

Section 29 of this bill provides for the issuance of a provisional license as an instructor to certain licensed advanced estheticians under certain circumstances. **Section 30** of this bill authorizes the Board to issue a limited license to certain persons who are licensed as advanced estheticians, which allows for the practice of advanced esthetics subject to certain restrictions.

Section 32 of this bill revises provisions relating to the language in which examinations for licenses issued by the Board are given to apply to the examinations for a license as an advanced esthetician and an instructor of advanced estheticians.

Sections 31 and 34 of this bill establish certain fees for the examination and issuance of a license as an advanced esthetician and an instructor of advanced estheticians. **Sections 36-38** of this bill revise provisions relating to the expiration and renewal of licenses issued by the Board to apply to a license as an advanced esthetician and an instructor of advanced estheticians.

Sections 39-41 of this bill make certain provisions relating to the operation of cosmetological establishments applicable to cosmetological establishments at which advanced estheticians practice. **Section 39** also requires a holder of a license to operate a cosmetological establishment to display at each establishment he or she operates a sign indicating that the establishment is not a medical facility.

Existing law prescribes grounds for disciplinary action against holders of licenses issued by the Board. (NRS 644A.850) **Section 43** of this bill makes these provisions applicable to the holder of a license as an advanced esthetician or an instructor of advanced estheticians. **Section 43** also authorizes disciplinary action for failure to comply with the requirements of **section 39**.

Sections 45 and 46 of this bill set forth processes by which the Board is authorized to issue a license as an advanced esthetician or a license as an instructor

of advanced estheticians to certain applicants who do not meet the requirements set forth in this bill but who: (1) hold a license as an esthetician or a license as an instructor of cosmetology or instructor of estheticians, as applicable, issued by the Board on or before October 1, 2023; (2) apply for licensure on or before October 1, 2023; and (3) meet certain other requirements.

Sections 5-18 of this bill define words and terms applicable to the provisions of this bill. **Sections 24, 33 and 44** of this bill make conforming changes to properly indicate the placement of new language in the Nevada Revised Statutes.
