AN ACT relating to mental health; revising provisions governing the use of chemical restraints on persons with disabilities; establishing procedures for placing a person on and releasing a person from a mental health crisis hold; revising provisions governing the emergency admission of a person to a mental health facility or hospital; revising provisions governing involuntary court-ordered admission to a mental health facility and assisted outpatient treatment; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

- 1 Existing law defines the term “chemical restraint” to mean the administration of
- 2 drugs for the specific and exclusive purpose of controlling an acute or episodic
- 3 aggressive behavior when alternative intervention techniques have failed to limit or
- 4 control the behavior. (NRS 388.476, 394.355, 433.5456, 449A.206) Existing law
- 5 prescribes the conditions under which a medical facility, facility for the dependent,
- 6 psychiatric hospital or psychiatric unit of a hospital or public or private school may
- 7 use a chemical restraint on a person with a disability and prohibits the use of a
- 8 chemical restraint on such a person under certain circumstances. (NRS 388.473,
- 9 388.497, 394.354, 394.366, 433.5486, 433.549, 433.5503, 449A.236, 449A.245,
- 10 449A.248) **Sections 2, 65, 66 and 68** of this bill redefine the term “chemical
- 11 restraint” for those purposes.
- 12 Existing law uses the term “consumer” to describe persons who receive various
- 13 mental health services. (Chapter 433A of NRS) **Section 3.5** of this bill specifically

14 defines that term to mean any person who voluntarily or involuntarily seeks and
15 may benefit from certain mental health services.

16 Existing law authorizes an officer authorized to make arrests in this State,
17 certain providers of health care, or the spouse, parent, adult child or legal guardian
18 of a person alleged to be a person in a mental health crisis to apply for the
19 emergency admission of a person alleged to be a person in a mental health crisis to
20 a mental health facility or hospital. (NRS 433A.160) Existing law requires the
21 release of a person admitted under an emergency admission within 72 hours after
22 the submission of the application for emergency admission unless: (1) a petition is
23 filed for the involuntary court-ordered admission of the person; or (2) the admission
24 is changed to a voluntary admission. (NRS 433A.145, 433A.150, 433A.200)

25 **Section 6** of this bill defines the term "mental health crisis hold" to mean the
26 detention of a person alleged to be a person in a mental health crisis for transport to,
27 and assessment, evaluation, intervention and treatment at, a public or private mental
28 health facility or hospital. **Section 4** of this bill defines the term "emergency
29 admission" to mean the involuntary admission of a person who has been placed on
30 a mental health crisis hold to a public or private mental health facility or a hospital.
31 **Sections 9, 10 and 28-35** of this bill prescribe separate processes for the detention
32 of a person on a mental health crisis hold and the emergency admission of such a
33 person. Specifically, **section 30** of this bill authorizes an officer authorized to make
34 arrests in this State or certain providers of health care to place a person alleged to
35 be a person who is in a mental health crisis on a mental health crisis hold. **Section 9**
36 of this bill authorizes such an officer or provider of health care, certain family
37 members, a person who is providing case management, support and supervision to
38 a person who has been conditionally released from a mental health facility or any
39 other person with a legitimate interest in a person alleged to be a person in a mental
40 health crisis to petition for a court order to place a person alleged to be a person
41 with a mental illness on a mental health crisis hold. **Section 29** of this bill
42 prescribes the conditions under which a person may be detained if the person is
43 placed on a mental health crisis hold. **Section 35** of this bill prescribes the
44 requirements for releasing a person from a mental health crisis hold. **Sections 10,**
45 **28, 31 and 32** of this bill prescribe the procedure for admitting a person to a mental
46 health facility or hospital under an emergency admission. **Sections 10, 28 and 29**
47 require the release of a person placed on a mental health crisis hold within 72 hours
48 after the initiation of the hold, regardless of whether the person is admitted under an
49 emergency admission, unless: (1) a petition is filed for the involuntary court-
50 ordered admission of the person; or (2) the admission is changed to a voluntary
51 admission. **Sections 1, 23, 37, 40, 55, 64, 67 and 70-72** of this bill make
52 conforming changes.

53 Existing law establishes a procedure for the involuntary court-ordered
54 admission of a person to a mental health facility or a program of community-based
55 or outpatient services. (NRS 433A.200-433A.330) **Section 24** of this bill replaces
56 the term "program of community-based or outpatient services" with the term
57 "assisted outpatient treatment," which is defined to mean outpatient services
58 provided pursuant to a court order to a person with a mental illness for the purpose
59 of treating the mental illness, assisting the person to live and function in the
60 community or prevent a relapse or deterioration. **Sections 11-21** of this bill
61 prescribe a separate process for the issuance of a court order requiring a person to
62 receive assisted outpatient treatment. Specifically, **section 11** of this bill authorizes:
63 (1) the Administrator of the Division of Public and Behavioral Health of the
64 Department of Health and Human Services, certain providers of health care and
65 certain persons who have an interest in a person to petition the district court to
66 commence a proceeding for the issuance of a court order requiring assisted
67 outpatient treatment of the person; and (2) a criminal defendant or the district
68 attorney to make a motion to the district court to commence a proceeding for the

69 issuance of a court order requiring assisted outpatient treatment of the defendant or
70 the district court to commence such a proceeding on its own motion. **Section 11**
71 prescribes the criteria for determining whether a person may be ordered to receive
72 assisted outpatient treatment. **Section 13** of this bill requires certain persons who
73 have evaluated a person who is the subject of a petition or motion for assisted
74 outpatient treatment to submit to the court a recommended treatment plan for the
75 person. **Section 14** of this bill requires a person who is the subject of a petition or
76 motion for assisted outpatient treatment to be represented by counsel at all stages of
77 the proceedings. **Section 18** of this bill authorizes a court to order a person to
78 receive assisted outpatient treatment if: (1) at the conclusion of the proceedings,
79 there is clear and convincing evidence that the person to be treated meets the
80 applicable criteria for the initiation or renewal of such treatment; and (2) a person
81 professionally qualified in the field of psychiatric mental health is able to treat the
82 person in the county where the person to receive the treatment resides. If a person
83 who has been ordered to receive assisted outpatient treatment fails to comply with
84 the order after reasonable efforts to solicit compliance and, as a result, may harm
85 himself or herself or others, **section 20.5** of this bill authorizes the person
86 responsible for providing the outpatient treatment to submit a petition for a court to
87 order that the person be taken into custody to determine whether he or she is a
88 person in a mental health crisis. **Section 21** of this bill prescribes a procedure for
89 renewing an order for assisted outpatient treatment. **Section 23.5** of this bill revises
90 the definition of "person professionally qualified in the field of psychiatric mental
91 health" for purposes relating to eligibility to provide assisted outpatient treatment
92 and certain other purposes. **Sections 1, 27, 38, 41, 44, 45, 49, 51-54, 57-63, 69 and**
93 **72-75** of this bill make conforming changes.

94 **Section 26** of this bill requires the Division and the Attorney General to
95 approve all forms for the detention, evaluation, treatment and conditional release
96 of any person under chapter 433A of NRS and furnish the forms to the clerks of
97 district courts in each county. **Section 36** of this bill revises requirements governing
98 a petition for involuntary court-ordered admission. **Section 39** of this bill requires a
99 person who submits such a petition to notify the court if the subject of the petition
100 is currently admitted to a mental health facility or hospital and is transferred to
101 another mental health facility or hospital.

102 Existing law: (1) requires the transfer of proceedings for the involuntary
103 admission of a person if professionals who are qualified to examine the person are
104 not available in the county where the petition is filed; and (2) provides that the
105 expense of proceedings for involuntary admission are to be paid by the county
106 where the petition is filed or, if the subject of the petition does not reside in that
107 county, the county of the State where he or she last resided. (NRS 433A.260)
108 **Section 41.5** of this bill imposes specific requirements for the transfer of
109 proceedings from a county where qualified professionals are not available to
110 conduct the examination to a county where qualified professionals are available.
111 **Section 41.5** also revises requirements governing the payment of the cost of
112 proceedings for involuntary admission to require such cost to be paid by the county
113 in which the subject of the petition resides. **Section 42** of this bill removes a
114 requirement that the same counsel must continue to represent a person who is
115 involuntarily admitted to a program of community-based or outpatient services
116 until the person is unconditionally released. **Section 43** of this bill provides that,
117 once a person is involuntarily admitted to a mental health facility: (1) the admitting
118 court is prohibited from transferring the case; and (2) the mental health facility is
119 required to notify the court if the person is transferred. **Section 50** of this bill
120 prohibits the transfer of a consumer who has been admitted to a mental health
121 facility or required to receive assisted outpatient treatment to another facility or
122 provider of treatment, as applicable, unless arrangements relating to the costs of

123 treatment are made between the facility or provider and the consumer or the person
124 who requested the admission or treatment.

125 **Section 47** of this bill: (1) requires the notification of the court when a person
126 who has been involuntarily admitted to a mental health facility is conditionally
127 released; (2) revises the criteria for determining whether such a person may be
128 conditionally released; and (3) authorizes the court to periodically review the terms
129 of the conditional release. **Sections 39 and 47** of this bill revise the procedure for
130 admitting a person who has been conditionally released to a mental health facility
131 or hospital when conditional release is no longer appropriate. **Section 48** of this
132 bill: (1) abolishes a requirement that an evaluation team evaluate a person who is
133 involuntarily admitted by court order to a mental health facility or required to
134 receive assisted outpatient treatment before the person may be unconditionally
135 released before the expiration of the order; and (2) makes certain other minor
136 revisions concerning unconditional release. **Sections 39, 47, 48 and 48.5** of this bill
137 impose specific requirements concerning notification of the guardian of a person
138 who is released from a mental health facility or assisted outpatient treatment under
139 certain circumstances.

140 Existing law requires a court to seal all records related to the admission and
141 treatment of any person admitted to a mental health facility or a program of
142 community-based or outpatient services. (NRS 433A.715) **Section 56** of this bill
143 additionally requires a court to seal records governing any other proceedings
144 conducted under chapter 433A of NRS.

When a person is conditionally released pursuant to subsection 1, the State of Nevada, the agents and employees of the State or a mental health facility, the professionals responsible for providing or coordinating programs of community-based or outpatient services and any other professionals providing mental health services are not liable for any debts or contractual obligations incurred, medical or otherwise, or damages caused by the actions of the person who is released.

3. A person who is involuntarily admitted to a program of community-based or outpatient services may be conditionally released only if, at the time of the release, written notice is given to the court which ordered the person to participate in the program, to the attorney of the person and to the district attorney of the county in which the proceedings for admission were held.

4. Except as otherwise provided in subsection 6, the professional responsible for providing or coordinating the program of community-based or outpatient services shall order a person who is conditionally released pursuant to subsection 1 to resume participation in the program if the professional determines that the conditional release is no longer appropriate because that person presents a substantial likelihood of serious harm to himself or herself or others, as determined pursuant to NRS 433A.0195. Except as otherwise provided in this subsection, the professional responsible for providing or coordinating the program of community-based or outpatient services shall, at least 3 days before the issuance of the order to resume participation, give written notice of the order to the court that admitted the person to the program. If an emergency exists in which the person presents a substantial likelihood of serious harm to himself or herself or others, the order must be submitted to the court not later than 1 business day after the order is issued.

5. The court shall review an order submitted pursuant to subsection 4 and the current condition of the person who was ordered to resume participation in a program of community-based or outpatient services at the next regularly scheduled hearing for the review of petitions for involuntary admissions, but in no event later than 5 judicial days after participation in the program is resumed. The court shall serve notice on the person who was ordered to resume participation in the program and to his or her attorney of the time, date and place of the hearing and of the facts necessitating that the person resume participation in the program.

6. The provisions of subsection 4 do not apply if the period of conditional release has expired.
