**Legislative Counsel’s Digest:**

Existing law establishes provisions relating to: (1) the transfer of jurisdiction of a guardianship of an adult to or from another state; and (2) the registration and recognition of guardianship orders concerning adults that were issued in another state. (NRS 159.2023-159.2027) **Sections 2-5** of this bill establish such provisions for the guardianship of minors.

**Section 2** of this bill authorizes a guardian appointed in this State to petition a court to transfer the jurisdiction of the guardianship to another state and requires the court to issue an order provisionally granting the petition if the court makes certain findings. **Section 2** also requires the court to issue a final order confirming the transfer and terminating the guardianship upon a petition for termination and the filing of a provisional order accepting the proceeding from the court to which the proceeding is to be transferred.

**Section 3** of this bill requires a guardian or other interested party who wishes to transfer jurisdiction of a guardianship from another state to this State to petition a court of this State to accept guardianship and requires that such a petition contain certain information. **Section 3** generally requires the court to issue a provisional order granting such a petition after a hearing is held and to issue a final order granting guardianship upon the filing of a final order issued by the other state that terminates the proceedings in that state and transfers the proceedings to this State. **Section 3** additionally requires the court to determine whether the guardianship needs to be modified to conform to the laws of this State and, if so, to order any such modifications.

**Section 4** of this bill provides that: (1) if a petition for the appointment of a guardian is not pending in this State and a guardian has been appointed in another state, the guardian is authorized to petition the court to register the guardianship order in this State; and (2) after a hearing on the petition, the court is required to issue an order granting the petition if there is no contest to the petition. **Section 5** of this bill authorizes the guardian, after the registration of such a guardianship, to exercise all powers authorized in the order of appointment except as otherwise prohibited by law. **Section 5** also requires a court of this State to recognize and enforce such a registered guardianship but prohibits the court from modifying such a registered guardianship.

**Section 6** of this bill revises the definition of “home state” for the purposes of determining the home state of a child who is less than 6 months of age. **Section 7** of this bill authorizes a court to appoint: (1) a guardian of the person or guardian of the person and estate for a minor whose home state is not this State under certain circumstances if the minor is physically present in Nevada; and (2) a guardian of the person, guardian of the estate, or guardian of the person and estate for a minor if
