SECOND READING AND AMENDMENT

Assembly Bill No. 7.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 135.

AN ACT relating to gaming; revising certain definitions relating to gaming, including establishing provisions relating to the approval of games or gambling games; revising the definition of “game” and “gambling game”; revising the definition of “associated equipment” to include inter-casino linked systems; revising, removing and repealing various provisions related to inter-casino linked systems; revising provisions relating to the confidentiality of certain information and data of manufacturers, distributors and operators; requiring certain persons involved in the manufacturing or distribution of associated equipment to register with the Nevada Gaming Control Board; requiring the amount of live entertainment tax to be displayed on tickets for admission to live entertainment at certain licensed gaming establishments; repealing provisions relating to business entities who place race book and sports pool wagers; repealing provisions concerning personnel of labor organizations for gaming casino employees; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Nevada Gaming Commission to issue licenses to certain persons for the operation of inter-casino linked systems. (NRS 463.170) Existing law requires an operator of an inter-casino linked system to pay an initial licensing fee of $500 and an annual renewal fee of $500, in addition to the proportionate share of certain other licensing fees. (NRS
Existing law defines an “operator of an inter-casino linked system” as a person who under certain agreements places and operates an inter-casino linked system upon the premises of two or more licensed gaming establishments and who is authorized to share in the revenue from the linked games without needing a license to conduct gaming at the establishment. (NRS 463.01805) Moreover, existing law defines an “inter-casino linked system” as a network of electronically interfaced similar games located at two or more licensed gaming establishments and linked to conduct gaming activities, contests or tournaments. (NRS 463.01643)

Existing law defines “associated equipment” as any equipment or certain contrivances, components or machines used remotely or directly in connection with gaming, any game, race book or sports pool that would not otherwise be classified as a gaming device. (NRS 463.0136) Existing law defines “manufacturer” to mean any person who operates, carries on, conducts or maintains any form of manufacture. (NRS 463.0172) Moreover, existing law defines “manufacture” to include: (1) manufacturing, producing, programming, designing, controlling the design of or making modifications to associated equipment; (2) directing or controlling the methods and processes used to design, develop, program, assemble, produce, fabricate, compose and combine the components and other tangible objects of associated equipment; (3) assembling, or controlling the assembly of associated equipment; or (4) assuming responsibility for any such act. (NRS 463.01715)

Section 2 of this bill revises the definition of “associated equipment” to include inter-casino linked systems, thereby making inter-casino linked systems subject to the same regulation and control as associated equipment, except that section 9 of this bill retains certain provisions related to the authority of the Commission to adopt certain regulations related to inter-casino linked systems. Sections [1, 5, 4, 6-8, 10-13, 15-19, 21 and 23] of this bill remove or repeal all other provisions with individual references to inter-casino linked systems.

Existing law: (1) requires manufacturers and distributors of associated equipment to register with the Nevada Gaming Control Board under certain circumstances; (2) establishes a maximum fee of $1,000 for any application, issuance or renewal of such registration; and (3) authorizes the Board to require any person who is not otherwise required to be licensed as a manufacturer or distributor of associated equipment, and who is directly or indirectly involved in the sale, transfer or offering for use or play in Nevada of associated equipment, to file an application for a finding of suitability. (NRS 463.665) Section 20 of this bill: (1) requires persons who have a significant involvement in the manufacturing or distribution of associated equipment to register with the Board under certain circumstances; (2) removes the limitation on the fee that may be charged for the application or renewal of registration for a manufacturer or distributor of associated equipment; and (3) removes the
authorization for a finding of suitability for certain persons involved in the
sale, transfer or offering for use or play in Nevada of associated equipment.

Existing law defines the terms “game” or “gambling game” to include a
game or device approved by the Commission. (NRS 463.0152) Section 1 of
this bill sets forth various procedures relating to a recommendation for
and approval of a game or gambling game. Specifically, section 1
authorizes the Board to recommend a game or gambling game for the
approval of the Commission, and authorizes the game or gambling game
to be played immediately upon the issuance of the recommendation by the
Board, subject to the final disposition of the Commission. Section 1
requires the Commission to make a final disposition regarding the
approval or disapproval of the game or gambling game within 60 days
after the issuance of the recommendation by the Board. If the Commission
does not make a final disposition within 60 days after the recommendation
of the Board is rendered, the game or gambling game is deemed approved
for play. Section 1 also requires the Commission to adopt regulations
relating to the approval of games or gambling games. Section 3 of this bill
revises this makes a conforming change to the definition to include a game
or device approved by the Board instead of the Commission of “game” or
“gambling game” relating to the procedures established in section 1.

Existing law defines the terms “associated equipment,” “game” or
“gambling game” and “gambling device” to include references to
electromechanical contrivances, components, machines, devices, displays or
units, as applicable. (NRS 463.0136, 463.0152, 463.0155) Sections 2, 3 and 5
of this bill revise these definitions by removing certain electromechanical
references.

Existing law imposes an excise tax on admission to certain facilities where
there is live entertainment and provides that the rate of the tax is 9 percent of
the admission charge to the facility. Existing law requires: (1) each admissions
ticket to any such facility to display the admission charge on the ticket; or (2)
the seller of the ticket to display the admission charge at the box office or other
like place. (NRS 368A.200) Existing law defines “admission charge” as the
total amount of consideration paid for the right or privilege to enter or have
access to live entertainment at a facility. (NRS 368A.020) Section 2 of this
bill requires the admission ticket or the seller to display the amount of the live
entertainment tax, instead of the admission charge, if the ticket is for admission
to a facility for live entertainment in certain licensed gaming establishments.

Existing law provides that information and data obtained by the Board
from a manufacturer, distributor or operator relating to the
manufacturing of gaming devices is confidential under certain
circumstances. (NRS 463.120) Section 8 of this bill expands such
confidentiality provisions to include information and data obtained by a
manufacturer, distributor or operator relating to any other technology
regulated by the Board.
Existing law authorizes certain business entities to place race book and sports pool wagers under certain circumstances. Existing law also authorizes the Commission to adopt regulations governing the acceptance of such wagers. (NRS 463.800) Section 23 of this bill repeals this provision. Section 14 of this bill makes a conforming change to reflect the repealed section.

Existing law regulates the personnel of labor organizations for gaming casino employees. (Chapter 463A of NRS) Section 22 repeals the provisions of chapter 463A of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 463 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, a licensee shall not offer a game or gambling game for play unless the game or gambling game has received a recommendation from the Board or an approval of the Commission.

2. The Board may recommend a game or gambling game for the approval of the Commission, and upon the issuance of any such recommendation, a licensee may immediately offer the game or gambling game for play, subject to the final disposition of the Commission pursuant to subsection 3.

3. Not later than 60 days after the issuance of a recommendation of the Board pursuant to subsection 2, the Commission shall render a final disposition relating to the approval or disapproval of the game or gambling game. If the Commission does not render a final disposition within such time, the game or gambling game is deemed to be approved by the Commission.

4. The Commission shall adopt regulations governing the approval of games or gambling games.

Section 1.5. NRS 463.0129 is hereby amended to read as follows:

463.0129 1. The Legislature hereby finds, and declares to be the public policy of this state, that:
(a) The gaming industry is vitally important to the economy of the State and the general welfare of the inhabitants.
(b) The continued growth and success of gaming is dependent upon public confidence and trust that licensed gaming and the manufacture, sale and distribution of gaming devices and associated equipment are conducted honestly and competitively, that establishments which hold restricted and nonrestricted licenses where gaming is conducted and where gambling devices are operated do not unduly impact the quality of life enjoyed by residents of the surrounding neighborhoods, that the rights of the creditors of licensees are protected and that gaming is free from criminal and corruptive elements.
(c) Public confidence and trust can only be maintained by strict regulation of all persons, locations, practices, associations and activities related to the operation of licensed gaming establishments and the manufacture, sale or distribution of gaming devices and associated equipment. All establishments where gaming is conducted and where gaming devices are operated, and manufacturers, sellers and distributors of certain gaming devices and equipment must therefore be licensed, controlled and assisted to protect the public health, safety, morals, good order and general welfare of the inhabitants of the State, to foster the stability and success of gaming and to preserve the competitive economy and policies of free competition of the State of Nevada.

(d) All establishments where gaming is conducted and where gaming devices are operated, and manufacturers, sellers and distributors of certain gaming devices and equipment, and operators of inter-casino linked systems, must therefore be licensed, controlled and assisted to protect the public health, safety, morals, good order and general welfare of the inhabitants of the State, to foster the stability and success of gaming and to preserve the competitive economy and policies of free competition of the State of Nevada.

(e) To ensure that gaming is conducted honestly, competitively and free of criminal and corruptive elements, all gaming establishments in this state must remain open to the general public and the access of the general public to gaming activities must not be restricted in any manner except as provided by the Legislature.

The burden of proving an applicant’s qualification to receive any license, be found suitable or receive any approval required by this chapter is on the applicant.

2. An application to receive a license or be found suitable must not be granted unless the Commission is satisfied that the applicant is:
   (a) A person of good character, honesty and integrity;

unsuitable.
4. An application to receive a license or be found suitable constitutes a
request for a determination of the applicant’s general character, integrity, and
ability to participate or engage in, or be associated with gaming or the
operation of a charitable lottery, as appropriate. Any written or oral statement
made in the course of an official proceeding of the Board or Commission by
any member thereof or any witness testifying under oath which is relevant to
the purpose of the proceeding is absolutely privileged and does not impose
liability for defamation or constitute a ground for recovery in any civil action.

publicly traded corporation which has registered with the Commission, or a
limited-liability company, or business trust or organization or other association
of a quasi-corporate character is eligible to receive or hold any license under
this chapter unless all persons having any direct or indirect interest therein of
any nature whatever, whether financial, administrative, policymaking or
supervisory, are individually qualified to be licensed under the provisions of
this chapter.
7. The Commission may, by regulation:
(a) Limit the number of persons who may be financially interested and the
nature of their interest in any corporation, other than a publicly traded
corporation, limited partnership, limited-liability company or other organization or association licensed under this chapter; and

8. Any person granted a license or found suitable by the Commission shall continue to meet the applicable standards and qualifications set forth in this section and any other qualifications established by the Commission by regulation. The failure to continue to meet such standards and qualifications constitutes grounds for disciplinary action.

Sec. 12. NRS 463.245 is hereby amended to read as follows:

463.245 1. Except as otherwise provided in this section:

(a) An affiliated licensed race book or sports pool; or

(b) The licensee of an establishment at which the race book or sports pool holds or obtains a license to operate pursuant to this section.
This subsection does not prohibit an operator of a race book or sports pool from entering into an agreement with another person for the provision of shared services relating to advertising or marketing.

5. Nothing in this section limits or prohibits an operator of an inter-casino linked system from placing and operating such a system on the premises of two or more gaming licensees and receiving, either directly or indirectly, any compensation or any percentage or share of the money or property played from the linked games in accordance with the provisions of this chapter and the regulations adopted by the Commission. An inter-casino linked system must not be used to link games other than slot machines, unless such games are located at an establishment that is licensed for games other than slot machines.

7. The provisions of this section do not apply to a license to operate interactive gaming.

Sec. 13. NRS 463.305 is hereby amended to read as follows:

4. The Commission shall adopt regulations relating to gaming devices and their significant modification, and inter-casino linked systems.

Sec. 14. NRS 463.360 is hereby amended to read as follows:

Conviction by a court of competent jurisdiction of a person for a violation of, an attempt to violate, or a conspiracy to violate any of the provisions of this chapter or of chapter 463B, 464 or 465 of NRS may act as an immediate revocation of all licenses which have been issued to the violator, and, in addition, the court may, upon application of the district attorney of the
county or of the Commission, order that no new or additional license under
this chapter be issued to the violator, or be issued to any person for the room
or premises in which the violation occurred, for 1 year after the date of the
revocation.

provided in NRS 193.130. In addition to any other penalty, the court shall order
the person to pay restitution.

3. Except as otherwise provided in subsection 4, a person who willfully
violates, attempts to violate, or conspires to violate any of the provisions of
subsection 1 of NRS 463.160 is guilty of a category B felony
and shall be punished by imprisonment in the state prison for a minimum term
of not less than 1 year and a maximum term of not more than 10 years, by a
fine of not more than $50,000, or by both fine and imprisonment.

4. A licensee who puts additional games or slot machines into play or
displays additional games or slot machines in a public area without first
obtaining all required licenses and approval is subject only to the penalties
provided in NRS 463.270 and 463.310 and in any applicable ordinance of the
county, city or town.

5. A person who willfully violates any provision of a regulation adopted
pursuant to NRS 463.125 is guilty of a category C felony and shall be punished

which is not specifically fixed in this chapter, is a gross misdemeanor.

Sec. 15. NRS 463.370 is hereby amended to read as follows:

463.370 1. Except as otherwise provided in NRS 463.373, the Commission shall charge and collect from each licensee a license fee based
upon all the gross revenue of the licensee as follows:

(a) Three and one-half percent of all the gross revenue of the licensee which
does not exceed $50,000 per calendar month;

(b) Four and one-half percent of all the gross revenue of the licensee which
exceeds $50,000 per calendar month and does not exceed $134,000 per
calendar month; and

(c) Six and three-quarters percent of all the gross revenue of the licensee
which exceeds $134,000 per calendar month.

2. Unless the licensee has been operating for less than a full calendar
month, the Commission shall charge and collect the fee prescribed in
subsection 1, based upon the gross revenue for the preceding calendar month,
on or before the 15th day of the following month. Except for the fee based on
the first full month of operation, the fee is an estimated payment of the license
fee for the third month following the month whose gross revenue is used as its
basis.
3. When a licensee has been operating for less than a full calendar month, the Commission shall charge and collect the fee prescribed in subsection 1, based on the gross revenue received during that month, on or before the 15th day of the following calendar month of operation. After the first full calendar month of operation, the Commission shall charge and collect the fee based on the gross revenue received during that month, on or before the 15th day of the following calendar month. The payment of the fee due for the first full calendar month of operation must be accompanied by the payment of a fee equal to three times the fee for the first full calendar month. This additional amount is an estimated payment of the license fees for the next 3 calendar months. Thereafter, each license fee must be paid in the manner described in subsection 2. Any deposit held by the Commission on July 1, 1969, must be treated as an advance estimated payment.

4. All revenue received from any game or gaming device which is operated on the premises of a licensee, regardless of whether any portion of the revenue is shared with any other person, must be attributed to the licensee for the purposes of this section and counted as part of the gross revenue of the licensee. Any other person, including, without limitation, an operator of an inter-casino linked system, who is authorized to receive a share of the revenue from any game or gaming device that is operated on the premises of a licensee is liable to the licensee for that person’s proportionate share of the license fees paid by the licensee pursuant to this section and shall remit or credit the full proportionate share to the licensee on or before the 15th day of each calendar month. The proportionate share of an operator of an inter-casino linked system must be based on all compensation and other consideration received by the operator of the inter-casino linked system, including, without limitation, amounts that accrue to the meter of the primary progressive jackpot of the inter-casino linked system and amounts that fund the reserves of such a jackpot, subject to all appropriate adjustments for deductions, credits, offsets and exclusions that the licensee is entitled to take or receive pursuant to the provisions of this chapter. A licensee is not liable to any other person authorized to receive a share of the licensee’s revenue from any game or gaming device that is operated on the premises of the licensee for that person’s proportionate share of the license fees to be remitted or credited to the licensee by that person pursuant to this section.

5. An operator of an inter-casino linked system shall not enter into any agreement or arrangement with a licensee that provides for the operator of the inter-casino linked system to be liable to the licensee for less than its full proportionate share of the license fees paid by the licensee pursuant to this section, whether accomplished through a rebate, refund, charge-back or otherwise.

—6— Any person required to pay a fee pursuant to this section shall file with the Commission, on or before the 15th day of each calendar month, a report
showing the amount of all gross revenue received during the preceding calendar month. Each report must be accompanied by:

(a) The fee due based on the revenue of the month covered by the report; and

(b) An adjustment for the difference between the estimated fee previously paid for the month covered by the report, if any, and the fee due for the actual gross revenue earned in that month. If the adjustment is less than zero, a credit must be applied to the estimated fee due with that report.

If the amount of license fees required to be reported and paid pursuant to this section is later determined to be greater or less than the amount actually reported and paid, the Commission shall:

(a) Charge and collect the additional license fees determined to be due, with interest thereon until paid; or

(b) Refund any overpayment to the person entitled thereto pursuant to this chapter, with interest thereon.

Interest pursuant to paragraph (a) must be computed at the rate prescribed in NRS 17.130 from the first day of the first month following the due date of the additional license fees until paid. Interest pursuant to paragraph (b) must be computed at one-half the rate prescribed in NRS 17.130 from the first day of the first month following the date of overpayment until paid.

Failure to pay the fees provided for in this section shall be deemed a surrender of the license at the expiration of the period for which the estimated payment of fees has been made, as established in subsection 2.

Except as otherwise provided in NRS 463.386, the amount of the fee prescribed in subsection 1 must not be prorated.

Except as otherwise provided in NRS 463.386, if a licensee ceases operation, the Commission shall:

(a) Charge and collect the additional license fees determined to be due with interest computed pursuant to paragraph (a) of subsection 6; or

(b) Refund any overpayment to the licensee with interest computed pursuant to paragraph (b) of subsection 6, based upon the gross revenue of the licensee during the last 3 months immediately preceding the cessation of operation, or portions of those last 3 months.

If in any month, the amount of gross revenue is less than zero, the licensee may offset the loss against gross revenue in succeeding months until the loss has been fully offset.

If in any month, the amount of the license fee due is less than zero, the licensee is entitled to receive a credit against any license fees due in succeeding months until the credit has been fully offset.

Sec. 16. NRS 463.3715 is hereby amended to read as follows:

1. In calculating gross revenue, any prizes, premiums, drawings, benefits or tickets that are redeemable for money or merchandise or other promotional allowance, except money or tokens paid at face value
directly to a patron as the result of a specific wager, must not be deducted as losses from winnings at any game except a slot machine.

2. In calculating gross revenue, the amount of cash paid to fund periodic payments may be deducted as losses from winnings for any game.

3. In calculating gross revenue from slot machines, keno and bingo, the actual cost to the licensee of any personal property distributed to a patron as the result of a specific legitimate wager may be deducted as a loss, but not travel expenses, food, refreshments, lodging or services.

4. In calculating gross revenue from bingo, a licensee who provides a patron with additional play at bingo as the result of an initial wager may deduct as losses from winnings all money or tokens paid directly to that patron as a result of such additional play.

5. In calculating gross revenue, a licensee may deduct its pro rata share of a payout from a game played in an inter-casino linked system except for a payout made in conjunction with a card game. The amount of the deduction must be determined based upon the written agreement among the licensed gaming establishments participating in the inter-casino linked system and the operator of the system. All cash prizes and the value of noncash prizes awarded during a contest or tournament conducted in conjunction with an inter-casino linked system are also deductible on a pro rata basis to the extent of the compensation received for the right to participate in that contest or tournament. The deductions may be taken only by those participating licensed gaming establishments that held an active gaming license at any time during the month in which the payout was awarded.

Sec. 17. NRS 463.375 is hereby amended to read as follows:

463.375 1. In addition to any other state gaming license fees provided for in this chapter, before issuing a state gaming license to an applicant for a nonrestricted operation, the Commission shall charge and collect from the applicant a license fee of $80 for each slot machine for each calendar year.

2. The Commission shall charge and collect the fee prescribed in subsection 1, at the rate of $20 for each slot machine for each calendar quarter:

5. Any other person, including, without limitation, an operator of an inter-casino linked system, who is authorized to receive a share of the revenue from any slot machine that is operated on the premises of a licensee is liable to the licensee for that person’s proportionate share of the license fees paid by
the licensee pursuant to this section and shall remit or credit the full proportionate share to the licensee on or before the dates set forth in subsection 2. A licensee is not liable to any other person authorized to receive a share of the licensee’s revenue from any slot machine that is operated on the premises of a licensee for that person’s proportionate share of the license fees to be remitted or credited to the licensee by that person pursuant to this section.

Sec. 18. NRS 463.385 is hereby amended to read as follows:

463.385 1. In addition to any other license fees and taxes imposed by this chapter, there is hereby imposed upon each slot machine operated in this State an annual excise tax of $250. If a slot machine is replaced by another, the replacement is not considered a different slot machine for the purpose of imposing this tax.

2. The Commission shall:

(a) Collect the tax annually on or before June 30, as a condition precedent to the issuance of a state gaming license to operate any slot machine for the ensuing fiscal year beginning July 1, from a licensee whose operation is continuing.

(b) Collect the tax in advance from a licensee who begins operation or puts additional slot machines into play during the fiscal year, prorated monthly after July 31.

(c) Include the proceeds of the tax in its reports of state gaming taxes collected.

3. Any other person [including, without limitation, an operator of an inter-casino linked system,] who is authorized to receive a share of the revenue from any slot machine that is operated on the premises of a licensee is liable to the licensee for that person’s proportionate share of the license fees paid by the licensee pursuant to this section and shall remit or credit the full proportionate share to the licensee on or before the dates set forth in subsection 2. A licensee is not liable to any other person authorized to receive a share of the licensee’s revenue from any slot machine that is operated on the premises of a licensee for that person’s proportionate share of the license fees to be remitted or credited to the licensee by that person pursuant to this section.

4. The Commission shall pay over the tax as collected to the State Treasurer to be deposited to the credit of the State Education Fund, and of the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education, which are hereby created in the State Treasury as special revenue funds, in the amounts and to be expended only for the purposes specified in this section, or for any other purpose authorized by the Legislature if sufficient money is available in the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education on July 31 of each year to pay the principal and interest due in that fiscal year on the bonds described in subsection 6.

5. During each fiscal year, the State Treasurer shall deposit the tax paid over to him or her by the Commission as follows:
(a) The first $5,000,000 of the tax in the Capital Construction Fund for Higher Education;
(b) Twenty percent of the tax in the Special Capital Construction Fund for Higher Education; and
(c) The remainder of the tax in the State Education Fund.

6. There is hereby appropriated from the balance in the Special Capital Construction Fund for Higher Education on July 31 of each year the amount necessary to pay the principal and interest due in that fiscal year on the bonds issued pursuant to section 5 of chapter 679, Statutes of Nevada 1979, as amended by chapter 585, Statutes of Nevada 1981, at page 1251, the bonds authorized to be issued by section 2 of chapter 643, Statutes of Nevada 1987, at page 1503, the bonds authorized to be issued by section 2 of chapter 614, Statutes of Nevada 1989, at page 1377, the bonds authorized to be issued by section 2 of chapter 718, Statutes of Nevada 1991, at page 2382, the bonds authorized to be issued by section 2 of chapter 629, Statutes of Nevada 1997, at page 3106, and the bonds authorized to be issued by section 2 of chapter 514, Statutes of Nevada 2013, at page 3391. If in any year the balance in that Fund is not sufficient for this purpose, the remainder necessary is hereby appropriated on July 31 from the Capital Construction Fund for Higher Education. The balance remaining unappropriated in the Capital Construction Fund for Higher Education on August 1 of each year and all amounts received thereafter during the fiscal year must be transferred to the State General Fund for the support of higher education. If bonds described in this subsection are refunded and if the amount required to pay the principal of and interest on the refunding bonds in any fiscal year during the term of the bonds is less than the amount that would have been required in the same fiscal year to pay the principal of and the interest on the original bonds if they had not been refunded, there is appropriated to the Nevada System of Higher Education an amount sufficient to pay the principal of and interest on the original bonds, as if they had not been refunded. The amount required to pay the principal of and interest on the refunding bonds must be used for that purpose from the amount appropriated. The amount equal to the saving realized in that fiscal year from the refunding must be used by the Nevada System of Higher Education to defray, in whole or in part, the expenses of operation and maintenance of the facilities acquired in part with the proceeds of the original bonds.

7. After the requirements of subsection 6 have been met for each fiscal year, when specific projects are authorized by the Legislature, money in the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education must be transferred by the State Controller and the State Treasurer to the State Public Works Board for the construction of capital improvement projects for the Nevada System of Higher Education, including, but not limited to, capital improvement projects for the community colleges of the Nevada System of Higher Education. As used in this subsection, “construction” includes, but is not limited to, planning, designing, acquiring and developing a site, construction, reconstruction,
furnishing, equipping, replacing, repairing, rehabilitating, expanding and remodeling. Any money remaining in either Fund at the end of a fiscal year does not revert to the State General Fund but remains in those Funds for authorized expenditure.

8. The money deposited in the State Education Fund under this section must be apportioned as provided in NRS 387.030 among the several school districts and charter schools of the State at the times and in the manner provided by law.

9. The Board of Regents of the University of Nevada may use any money in the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education for the payment of interest and amortization of principal on bonds and other securities, whether issued before, on or after July 1, 1979, to defray in whole or in part the costs of any capital project authorized by the Legislature.

Assembly Bill No. 73.

The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 12.
AN ACT relating to dietetics; revising provisions relating to licensure to engage in the practice of dietetics; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law provides for the licensing and regulation of the practice of dietetics by the State Board of Health. (Chapter 640E of NRS) Existing law requires an application for a license to engage in the practice of dietetics to include written evidence that the applicant meets certain criteria and has completed certain educational requirements and certain training and experience in the practice of dietetics. (NRS 640E.150)
bill replaces those existing requirements for an application for such a license with a requirement that an applicant provide evidence that the applicant is a registered dietitian in good standing with the Commission on Dietetic Registration [of the Academy of Nutrition and Dietetics] , or its successor organization. (NRS 640E.080) Sections 1, 1.3, 2 and 6.5 of this bill update the names of the national entities for credentialing dieticians and accrediting dietetics education programs.

Existing law authorizes a person who has completed certain educational requirements and certain training and experience in the practice of dietetics, but who has not passed the examination required for licensure, to engage in the practice of dietetics without a license under the direct supervision of a licensed dietitian. (NRS 640E.170) Section 2 of this bill replaces these qualifications for such unlicensed practice of dietetics with the qualification that the person is eligible to take, but has not successfully completed, the Registration Examination for Dietitians administered by the Commission on Dietetic Registration [of the Academy of Nutrition and Dietetics] , or its successor organization.

Existing law authorizes the Board to issue a provisional license to engage in the practice of dietetics to an applicant who meets the educational requirements but does not meet all the other qualifications for full licensure. (NRS 640E.180) Section 3 of this bill replaces the existing documentation of education required from an applicant who completed the educational requirements at a college or university that is located in a foreign country with a requirement for the submission of an evaluation conducted by an independent national evaluation agency approved by the Division of Public and Behavioral Health of the Department of Health and Human Services indicating that the foreign degree is equivalent to a degree obtained at an accredited college or university in the United States. Qualifications for the issuance of a provisional license with the qualification that an applicant must be eligible to take, but have not successfully completed, the Registration Examination for Dietitians administered by the Commission on Dietetic Registration, or its successor organization.

Section 4 of this bill removes a requirement in existing law that a licensed dietitian who fails to submit an application for the renewal of his or her license within 2 years after the date of the expiration of the license must take the Registration Examination for Dietitians before renewing the license. (NRS 640E.220)

Existing law requires the Board to establish by regulation certain fees relating to licensure, including a fee for the examination of an applicant for a license. (NRS 640E.240) Because section 1.5 requires an applicant for a license to be a registered dietitian, for which a prerequisite is successful completion of the Registration Examination for Dietitians, section 5 of this bill removes the requirement that the Board establish a fee for the examination of an applicant for a license. Section 5 also removes the requirement that the
Board establish fees for: (1) the late renewal of a license; and (2) the issuance of a duplicate license.

Sections 6 and 7 of this bill make conforming changes as a result of the changes in the requirements for an application for licensure in sections 1.5 and 3.

The following amendment was proposed by the Committee on Natural Resources:
Amendment No. 294.
AN ACT relating to agriculture; revising provisions relating to the control of noxious weeds; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes the State Quarantine Officer to declare by regulation which weeds of the State are noxious weeds but prohibits the State Quarantine Officer from designating a weed as noxious if the weed is so well established in the State that the State Quarantine Officer judges its control to be impracticable. (NRS 555.130) This bill removes the prohibition, thereby authorizing the State Quarantine Officer to declare any weed to be noxious by regulation. **This bill additionally authorizes the State Quarantine Officer to limit a declaration or temporary designation to a specific geographic**
area or to specific geographic areas in this State so that a declaration or temporary designation would only apply to those specific geographic areas and not to the entire State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 555.130 is hereby amended to read as follows:

555.130  1. Except as otherwise provided in subsection 2, the State Quarantine Officer may declare by regulation the weeds of the state that are noxious weeds, but a weed must not be designated as noxious which is already introduced and established in the State to such an extent as to make its control impracticable in the judgment of the State Quarantine Officer.

2. The State Quarantine Officer may temporarily designate a weed as a noxious weed if he or she determines that immediate control of the weed is necessary. A temporary designation expires 18 months after the State Quarantine Officer makes the designation.

3. The State Quarantine Officer may limit a declaration made pursuant to subsection 1 or a temporary designation made pursuant to subsection 2 to a specific geographic area or to specific geographic areas in this State.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 444.
AN ACT relating to land use planning; authorizing cities and counties to establish a simplified procedure for the vacation and abandonment of certain easements; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law sets forth a procedure for the vacation or abandonment of streets and easements owned by a city or county. Existing law further authorizes the governing body of a city or county to establish by ordinance a simplified procedure for the vacation or abandonment of an easement for a public utility owned or controlled by the governing body. (NRS 278.480) This bill authorizes the governing body of a city or county to establish by ordinance a simplified procedure for the vacation or abandonment of any easement owned or controlled by the city or county. This bill also provides that unless the vacation or abandonment of the easement is for a public utility owned or controlled by the governing body, the simplified procedure must: (1) require that a petition be filed with the governing body that requests the vacation or
abandonment and contains the notarized signature of each owner of property abutting or underlying the easement; (2) prohibit the vacation or abandonment unless the staff of the city or county makes certain determinations; (3) authorize any person aggrieved by the decision on whether to approve the vacation or abandonment to appeal the decision to the governing body; and (4) provide that the vacation or abandonment is not effective until the order of approval is recorded in the office of the county recorder. Lastly, this bill provides that the simplified procedure does not apply to the vacation or abandonment of any street, drainage easement, sidewalk or other pedestrian right of way.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.480 is hereby amended to read as follows:

Section 278.480 1. Except as otherwise provided in subsections 11 and 12, any abutting owner or local government desiring the vacation or abandonment of any street or easement owned by a city or a county, or any portion thereof, shall file a petition in writing with the planning commission or the governing body having jurisdiction.

2. The governing body may establish by ordinance a procedure by which, after compliance with the requirements for notification of public hearing set forth in this section, a vacation or abandonment of a street or an easement may be approved in conjunction with the approval of a tentative map pursuant to NRS 278.349.

3. A government patent easement which is no longer required for a public purpose may be vacated by:
   (a) The governing body; or
   (b) The planning commission, hearing examiner or other designee, if authorized to take final action by the governing body,

   without conducting a hearing on the vacation if the applicant for the vacation obtains the written consent of each owner of property abutting the proposed vacation and any utility that is affected by the proposed vacation.

4. Except as otherwise provided in subsections 3 and 11, if any right-of-way or easement required for a public purpose that is owned by a city or a county is proposed to be vacated, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall, not less than 10 business days before the public hearing described in subsection 5:
   (a) Notify each owner of property abutting the proposed abandonment. Such notice must be provided by mail pursuant to a method that provides confirmation of delivery and does not require the signature of the recipient.
   (b) Cause a notice to be published at least once in a newspaper of general circulation in the city or county, setting forth the extent of the proposed abandonment and setting a date for public hearing.
5. Except as otherwise provided in subsections 6 and 11, if, upon public hearing, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, is satisfied that the public will not be materially injured by the proposed vacation, it shall order the street or easement vacated. The governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, may make the order conditional, and the order becomes effective only upon the fulfillment of the conditions prescribed. An applicant or other person aggrieved by the decision of the planning commission, hearing examiner or other designee may appeal the decision in accordance with the ordinance adopted pursuant to NRS 278.3195.

6. In addition to any other applicable requirements set forth in this section, before vacating or abandoning a street, the governing body of the local government having jurisdiction over the street, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall provide each public utility and video service provider serving the affected area with written notice that a petition has been filed requesting the vacation or abandonment of the street. After receiving the written notice, the public utility or video service provider, as applicable, shall respond in writing, indicating either that the public utility or video service provider, as applicable, does not require an easement or that the public utility or video service provider, as applicable, wishes to request the reservation of an easement. If a public utility or video service provider indicates in writing that it wishes to request the reservation of an easement, the governing body of the local government having jurisdiction over the street that is proposed to be vacated or abandoned, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, shall reserve and convey an easement in favor of the public utility or video service provider, as applicable, and shall ensure that such easement is recorded in the office of the county recorder before or as a part of the order vacating or abandoning the street.

7. The order must be recorded in the office of the county recorder, if all the conditions of the order have been fulfilled, and upon the recordation, title to the street or easement reverts to the abutting property owners in the approximate proportion that the property was dedicated by the abutting property owners or their predecessors in interest. In the event of a partial vacation of a street where the vacated portion is separated from the property from which it was acquired by the unvacated portion of it, the governing body may sell the vacated portion upon such terms and conditions as it deems desirable and in the best interests of the city or county. If the governing body sells the vacated portion, it shall afford the right of first refusal to each abutting property owner as to that part of the vacated portion which abuts his or her property, but no action may be taken by the governing body to force the owner to purchase that portion and that portion may not be sold to any person other
than the owner if the sale would result in a complete loss of access to a street from the abutting property.

8. If the street was acquired by dedication from the abutting property owners or their predecessors in interest, no payment is required for title to the proportionate part of the street reverted to each abutting property owner. If the street was not acquired by dedication, the governing body may make its order conditional upon payment by the abutting property owners for their proportionate part of the street of such consideration as the governing body determines to be reasonable. If the governing body determines that the vacation has a public benefit, it may apply the benefit as an offset against a determination of reasonable consideration which did not take into account the public benefit.

9. If an easement for light and air owned by a city or a county is adjacent to a street vacated pursuant to the provisions of this section, the easement is vacated upon the vacation of the street.

10. In any vacation or abandonment of any street owned by a city or a county, or any portion thereof, the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, may reserve and except therefrom all easements, rights or interests therein which the governing body, or the planning commission, hearing examiner or other designee, if authorized to take final action by the governing body, deems desirable for the use of the city or county.

11. The governing body may establish by local ordinance a simplified procedure for the vacation or abandonment of an easement owned or controlled by the governing body without conducting a hearing on the vacation or abandonment. Unless the vacation or abandonment of an easement is for a public utility owned or controlled by the governing body, the simplified procedure must:

(a) Require that a petition be filed with the governing body that requests the vacation or abandonment of the easement and contains the notarized signature of each owner of property abutting or underlying the easement;

(b) Prohibit the vacation or abandonment of the easement unless the staff of the city or county determines that:

(1) The easement has been superseded by relocation or is no longer needed by the city or county; and

(2) The vacation or abandonment will not substantially, unduly or unreasonably impair the access of any owner of property;

(c) Authorize any applicant or other person aggrieved by a decision on whether to approve the vacation or abandonment of the easement to appeal the decision to the governing body; and

(d) Provide that if the vacation or abandonment of the easement is approved, the vacation or abandonment is not effective until the order of approval is recorded in the office of the county recorder.
A simplified procedure established pursuant to this subsection must not apply to the vacation or abandonment of any street, drainage easement, sidewalk or other pedestrian right of way.

12. The governing body may establish by local ordinance a simplified procedure for the vacation or abandonment of a street for the purpose of conforming the legal description of real property to a recorded map or survey of the area in which the real property is located. Any such simplified procedure must include, without limitation, the requirements set forth in subsection 6.

13. As used in this section:
   (a) “Government patent easement” means an easement for a public purpose owned by the governing body over land which was conveyed by a patent.
   (b) “Public utility” has the meaning ascribed to it in NRS 360.815.
   (c) “Video service provider” has the meaning ascribed to it in NRS 711.151.

   Legislative Counsel’s Digest:
   [Sections 2-7 of this bill provide for an Emergency Response Employees Mental Health Commission within the Division of Public and Behavioral Health]
Health of the Department of Health and Human Services. Section 4 of this bill creates the Commission, prescribes its membership and establishes the terms of the appointed members. Section 10 of this bill provides for the initial appointment of the members. Section 5 of this bill requires the Commission to meet at least once each quarter and requires the Division to provide administrative support to the Commission. Existing law prescribes certain requirements relating to employers of emergency response employees. (NRS 450B.340-450B.390) Existing law defines the term “emergency response employee” to include persons who perform certain duties or who respond to emergencies in this State. (NRS 450B.0703)

Section 6 of this bill requires the Commission to authorize a governmental entity which licenses and regulates emergency response employees, within the limits of available money, to enter into a contract with a nonprofit organization to establish a program to provide peer support counseling to emergency response employees. Section 6 requires a nonprofit organization that establishes such a program to: (1) establish and operate a toll-free hotline for emergency response employees who are experiencing mental health issues as a result of the nature of their work; Section 6 requires the hotline to connect a person who calls the hotline with a peer support counselor. Section 6 also requires the Commission to: (1) establish and maintain a network of peer support counselors to provide peer support counseling to persons who call the hotline; and (2) adopt regulations establishing qualifications and training requirements for peer support counselors. Section 6 additionally requires the Commission to: (3) establish and maintain an Internet website and design and update, as necessary, a poster that provides certain information relating to mental health issues associated with emergency response work. Section 7 of this bill provides, with certain exceptions, that any communications made between a peer support counselor and an emergency response employee using the hotline are confidential. Section 7 also provides immunity from liability for: (1) a peer support counselor who discloses certain communications; and (2) a governmental entity that employs a peer support counselor. Section 7 also provides that any notes, records or reports of any communication between a peer support counselor and an emergency response employee using the hotline are not public records. The confidentiality of communications and immunity provided by section 7 is similar to that provided for communications during counseling provided through a peer support program for law enforcement or public safety personnel. (NRS 281.805) Section 9 of this bill makes a conforming change relating to the confidentiality of the information in section 7. post on an Internet website
maintained by the Division certain information concerning support
groups for mental health issues and the telephone number of each toll-free
hotline established as part of a program to provide peer support
counseling to emergency response employees. Section 6 also requires the
Division, to the extent money is available, to: (1) collect information
regarding suicide and attempted suicide among emergency response
employees; and (2) report any information collected to the Chief Medical
Officer. Section 11.5 of this bill expands the types of employees to whom
certain provisions of law relating to emergency response employees,

Legislative Counsel's Digest:
Under existing law, the State Environmental Commission is required to establish standards of water quality, effluent limitations for point sources and primary drinking water standards with maximum permissible levels for contaminants in public water systems. Section 4 of this bill requires the Commission to establish effluent limitations for discharges of perfluoroalkyl and polyfluoroalkyl substances into the waters of the State. Section 5 of this bill requires the Commission to establish maximum permissible levels in drinking water for perfluoroalkyl and polyfluoroalkyl substances in public water systems and sets forth certain criteria for the Commission to use in establishing the maximum permissible levels. Section 1 of this bill defines the term “perfluoroalkyl and polyfluoroalkyl substances.”
Section 11 of this bill requires a person who operates a facility or other structure that uses or stores perfluoroalkyl and polyfluoroalkyl substances, including class B firefighting foam that contains such a substance, to obtain a certificate of registration from the Division of Environmental Protection of the
State Department of Conservation and Natural Resources. Section 11 also requires the Commission to adopt regulations: (1) setting forth requirements for a certificate of registration for any person who uses or stores perfluoroalkyl and polyfluoroalkyl substances; (2) establishing standards for the capture and disposal of perfluoroalkyl and polyfluoroalkyl substances; and (3) establishing a schedule of penalties for the failure to obtain a certificate of registration or comply with the standards for the capture and disposal of perfluoroalkyl and polyfluoroalkyl substances.

Existing law establishes various requirements for the regulation of hazardous waste, hazardous materials and hazardous substances. (Chapter 459 of NRS) Section 12 of this bill prohibits, with certain exceptions, a person, political subdivision, local government or state or local agency from discharging, using or releasing, or allowing its employees or independent contractors to discharge, use or release, Class B firefighting foam that contains intentionally added perfluoroalkyl and polyfluoroalkyl substances for testing or firefighting training purposes.

Section 13 of this bill prohibits the use of Class B firefighting foam that contains intentionally added perfluoroalkyl and polyfluoroalkyl substances at certain airports. Section 14 of this bill prohibits a person from knowingly manufacturing, selling, offering for sale, distributing for sale or distributing for use any Class B firefighting foam that contains intentionally added perfluoroalkyl and polyfluoroalkyl substances to notify the Division of Environmental Protection of the State Department of Conservation and Natural Resources within 24 hours after the discharge, use or release.

Section 14.5 of this bill requires the Division to establish a working group to study issues relating to environmental contamination resulting from perfluoroalkyl and polyfluoroalkyl substances.

Sections 8 and 9 of this bill respectively define “class B firefighting foam” and “perfluoroalkyl and polyfluoroalkyl substances.” define various terms relating to the provisions of sections 7-14.5 of this bill.

Section 10 of this bill provides an exception to the requirements and prohibitions set forth in sections 12 and 13 to the extent that those provisions are preempted by or conflict with federal law.

Section 24 of this bill prohibits, with certain exceptions, the knowing manufacture, sale, offering for sale, distribution for sale or distribution for use of a children’s product, upholstered residential furniture, residential textile, business textile or mattress containing any flame-retardant organohalogenated chemical in any product component in amounts greater than 1,000 parts per million. Section 25 of this bill prohibits, with certain exceptions, a manufacturer from replacing such a flame-retardant organohalogenated chemical with any other chemical that is known or suspected with a high
degree of probability to: (1) harm the normal development of a fetus or child; (2) cause cancer, genetic damage or reproductive harm; (3) disrupt the endocrine system; or (4) damage the nervous system, immune system or organs or cause other systemic toxicity. Section 26 of this bill makes a person who willfully and knowingly violates section 24 or 25 subject to a maximum civil penalty of $1,000. Amendment No. 337.
AN ACT relating to state lands; [eliminating the requirement to impose an administrative fee for] revising certain requirements relating to the issuance to certain veterans of an annual permit for entering, camping and boating in state parks and recreational areas; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, the Division of State Parks of the State Department of Conservation and Natural Resources is required to issue an annual permit for entering, camping and boating in all state parks and recreational areas in this State to certain persons including a bona fide resident of this State who has incurred a permanent service-connected disability of 10 percent or more and has been honorably discharged from the Armed Forces of the United States. The permit must be issued without charge, but the Division is required to impose an administrative fee to cover the costs of issuing the permit. (NRS 407.065) This bill eliminates the requirement [for the Division to impose an administrative fee on an annual permit issued to such qualified veterans] that the permanent service-connected disability rating be of 10 percent or more.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 407.065 is hereby amended to read as follows:
407.065 1. The Administrator, subject to the approval of the Director:
(a) Except as otherwise provided in this paragraph and NRS 407.066, may establish, name, plan, operate, control, protect, develop and maintain state parks, monuments and recreational areas for the use of the general public. The name of an existing state park, monument or recreational area may not be changed unless the Legislature approves the change by statute.
(b) Shall protect state parks and property controlled or administered by the Division from misuse or damage and preserve the peace within those areas. The Administrator may appoint or designate certain employees of the Division to have the general authority of peace officers.
(c) May allow multiple use of state parks and real property controlled or administered by the Division for any lawful purpose, including, but not limited to, grazing, mining, development of natural resources, hunting and fishing, in accordance with such regulations as may be adopted in furtherance of the purposes of the Division.
(d) Except as otherwise provided in this section, shall impose and collect reasonable fees for entering, camping and boating in state parks and
recreational areas. The Division shall issue an annual permit for entering, camping and boating in all state parks and recreational areas in this State:

(1) Upon application therefor and proof of residency and age, to any bona fide resident of the State of Nevada who is 65 years of age or older. (The permit must be issued without charge, except that the Division shall charge and collect an administrative fee for the issuance of the permit in an amount sufficient to cover the costs of issuing the permit.)

(2) Upon application therefor and proof of residency and proof of status as described in subsection 5 of NRS 361.091, to a bona fide resident of the State of Nevada who has incurred a permanent service-connected disability (of 10 percent or more) and has been honorably discharged from the Armed Forces of the United States.

The permit must be issued without charge, except that the Division shall charge and collect an administrative fee for the issuance of the permit in an amount sufficient to cover the costs of issuing the permit.

(e) May conduct and operate such special services as may be necessary for the comfort and convenience of the general public, and impose and collect reasonable fees for such special services.

(f) May rent or lease concessions located within the boundaries of state parks or of real property controlled or administered by the Division to public or private corporations, to groups of natural persons, or to natural persons for a valuable consideration upon such terms and conditions as the Division deems fit and proper, but no concessionaire may dominate any state park operation.

(g) May establish such capital projects construction funds as are necessary to account for the parks improvements program approved by the Legislature. The money in these funds must be used for the construction and improvement of those parks which are under the supervision of the Administrator.

(h) In addition to any concession specified in paragraph (f), may establish concessions within the boundaries of any state park to provide for the sale of food, drinks, ice, publications, sundries, gifts and souvenirs, and other such related items as the Administrator determines are appropriately made available to visitors. Any money received by the Administrator for a concession established pursuant to this paragraph must be deposited in the Account for State Park Interpretative and Educational Programs and Operation of Concessions created by NRS 407.0755.

2. The Administrator:

(a) Shall issue an annual permit to a person who pays a reasonable fee as prescribed by regulation which authorizes the holder of the permit to enter each state park and each recreational area in this State and, except as otherwise provided in subsection 4, use the facilities of the state park or recreational area without paying the entrance fee; and

(b) May issue an annual permit to a person who pays a reasonable fee as prescribed by regulation which authorizes the holder of the permit to enter a specific state park or specific recreational area in this State and, except as
otherwise provided in subsection 4, use the facilities of the state park or recreational area without paying the entrance fee.

   (b) Specify the circumstances under which a pupil and any person accompanying a pupil may use the annual permit to enter a state park or recreational area; and
   (c) Include any other requirement which the Administrator determines is necessary to establish and carry out the program pursuant to this subsection.

4. An annual permit issued pursuant to subsection 2 or 3 does not authorize the holder of the permit to engage in camping or boating, or to attend special events. The holder of such a permit who wishes to engage in camping or boating, or to attend special events, must pay any fee established for the respective activity.

5. During each Public Lands Day observed pursuant to NRS 236.053, and upon proof of residency in this State, the Division shall allow a resident of this State to enter, camp and boat in any state park or recreational area without the payment of any fees for those activities. The free day of camping authorized pursuant to this subsection must include either the Friday night before Public Lands Day or overnight on the night of Public Lands Day, as determined by the Administrator for each state park and recreational area. 6. Except as otherwise provided in subsection 1 of NRS 407.0762 and subsection 1 of NRS 407.0765, the fees collected pursuant to paragraphs (d), (e) and (f) of subsection 1 or subsection 2 must be deposited in the State General Fund.

Sec. 2. 1. This section becomes effective upon passage and approval.

2. Section 1 of this act becomes effective:
   (a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

SUMMARY—Revises provisions relating to parentage; domestic relations. (BDR 11-118)
AN ACT relating to parentage; domestic relations; authorizing one or more adults to petition a court for the adoption of a child; authorizing a court to waive the hearing on a petition for the adoption of a child in certain circumstances; requiring that additional information must be included in a petition for the adoption of a child who currently resides in the home of the petitioners; authorizing a court to determine in certain circumstances that more than two people have a parent and child relationship with a child; establishing provisions concerning custody and visitation, adoption and the termination of parental rights in cases in which a child has more than two parents; requiring the Committee to Review Child Support Guidelines to review the guidelines established by regulation for the support of one or more children to determine the amount of required support in cases in which a child has more than two parents and provide any recommendations for revisions to the Administrator of the Division of Welfare and Supportive Services of the Department of Health and Human Services; requiring the Administrator to review and consider any such recommendations and revise or adopt any necessary regulations; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law provides the manners in which the legal relationship of a mother and child can be established, including: (1) except in the case of a gestational agreement, proof that a woman gave birth to a child; (2) an adjudication that a woman is the mother of a child; (3) proof that a woman has adopted a child; (4) an unrebutted presumption of a woman’s maternity; (5) the consent of a woman to assisted reproduction that resulted in the birth of a child; or (6) an adjudication confirming a woman as a parent of a child born to a gestational carrier. (NRS 126.041) Existing law also provides the manners in which the legal relationship of a father and child can be established, including: (1) an adjudication that a man is the father of a child; (2) proof that a man has adopted a child; (3) the consent of a man to assisted reproduction that resulted in the birth of a child; (4) an adjudication confirming a man as a parent of a child born to a gestational carrier; (5) a presumption of paternity that arises if a man was married to or cohabiting with the natural mother of a child or resides with and holds out a child as his natural child; (6) genetic testing establishing a man as the father of a child; or (7) a voluntary acknowledgment of paternity by a man. (NRS 126.041, 126.051, 126.052)
Section 2 of this bill authorizes a court to determine that more than two people have a parent and child relationship with a child if the court finds that recognizing only two people as having a parent and child relationship with the
child will be detrimental to the child. Section 2 requires a court to consider all relevant factors when making such a determination, including the harm that may occur to a child by removing him or her from a stable environment with a person who has fulfilled the physical needs of the child and psychological needs of the child for care and affection and has assumed that role for a substantial period.

If a court determines pursuant to section 2 that a child has more than two parents: (1) section 1 of this bill requires a court that is making a determination regarding the legal or physical custody of the child to allocate custody and visitation among the parents based on the best interest of the child; (2) section 4 of this bill prohibits a court from granting a petition for adoption of a child unless each parent of the child provides his or her written consent; and (3) section 6 of this bill provides that, with respect to the termination of parental rights, if the mother of the child relinquishes or proposes to relinquish the child for adoption and all other parents have not consented to the adoption or relinquished the child for adoption, the court must determine whether any such parent and child relationship should be terminated.

Existing law establishes provisions governing the adoption of children. (NRS 127.010-127.186) Existing law authorizes any adult or married couple to petition a court for the adoption of a child. (NRS 127.030) Section 5.2 of this bill instead provides that one or more adults may petition a court for the adoption of a child and requires that each prospective adopting adult and legal parent seeking to retain his or her parental rights be joined as a petitioner. Section 5.2 also authorizes a court to: (1) waive the hearing on a petition for the adoption of a child if the petitioner is related to the child within the third degree of consanguinity; and (2) determine that a child has a legal relationship with more than two petitioners. Sections 5.1, 5.3-5.6 and 5.7-5.85 of this bill make conforming changes to reflect that a child may have a legal relationship with more than two parents.

Existing law requires that a petition for the adoption of a child who currently resides in the home of the petitioners must contain certain information. (NRS 127.110) Section 5.65 of this bill requires the petition also to include a statement that there are no known signs that the child is currently experiencing victimization from human trafficking, exploitation or abuse.

Section 8 of this bill generally provides that, for the purposes of the Nevada Revised Statutes, if a court determines pursuant to section 2 that a child has more than two persons have a parent and child relationship with a child pursuant to a prior court order, any reference to (1) the parents of a child or a parent of a child must be interpreted to include any person whom a court has determined to be a parent of the child, and (2) a parent of a child must be interpreted to include any person whom a court has determined to be a parent of a child and to whom the reference can logically be applied.
Existing law requires: (1) the Administrator of the Division of Welfare and Supportive Services of the Department of Health and Human Services to adopt regulations that establish the guidelines in this State for the support of one or more children; and (2) the Committee to Review Child Support Guidelines to review such guidelines not less than quadrennially. (NRS 425.620) Existing law requires courts to apply such guidelines to determine the amount of required support in any case involving the support of children or to change the amount of required support. (NRS 125B.080) Section 9 of this bill requires the Committee to: (1) review the guidelines not later than 90 days after the effective date of this bill for the purpose of determining the amount of required support in cases in which a court determines that a child has more than two parents; and (2) provide any recommendations for revisions to the guidelines to the Administrator. Section 9 also requires the Administrator to review and consider any recommendations of the Committee and revise or adopt any necessary regulations.

Whereas, Most children have two parents, but in rare cases, a child has more than two people who are that child’s parent in every way; and
Whereas, Separating a child from a parent has a devastating psychological and emotional impact on the child, and courts must have the power to protect children from such harm; and
Whereas, This act does not change any of the requirements for establishing a claim to parentage, but rather provides that if more than two people have claims to parentage, a court may determine that a child has more than two parents if recognizing only two people as having a parent and child relationship with the child will be detrimental to the child; and
Whereas, It is the intent of the Legislature that the amendatory provisions of this act will only apply in the rare cases where a child truly has more than two parents, and a finding that a child has more than two parents is necessary to protect the child from the detriment of being separated from one of his or her parents; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 125C of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding any other provision of law, if a court determines pursuant to section 2 of this act that more than two people have a parent and child relationship with a child, a court making a determination regarding the legal or physical custody of the child shall allocate custody and visitation among the parents based on the best interest of the child, including, without limitation, by addressing the need of the child for continuity and stability by preserving established patterns of care and emotional bonds. This section must not be construed to require a court to order that all parents share legal or physical custody of a child. (Deleted by amendment.)
Sec. 2. Chapter 126 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A court may determine that more than two people have a parent and child relationship with a child if the court finds that recognizing only two people as having a parent and child relationship with the child will be detrimental to the child.

3. A finding of the unfitness of a parent or person with a claim to parentage is not required for a court to make a finding pursuant to subsection 1 that recognizing only two people as having a parent and child relationship with the child will be detrimental to the child.

2. “Nonsupporting parent” means the parent of a child born out of wedlock who has failed to provide an equitable share of his or her child’s necessary maintenance, education and support.

It includes the mother and child relationship and the father and child relationship. This subsection does not preclude a determination by a court that a child has such a legal relationship with more than two persons pursuant to section 2 of this act.

Sec. 4. Chapter 127 of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding any other provision of law, and except as otherwise provided in NRS 127.090, if a court determines pursuant to section 2 of this act that more than two people have a parent and child relationship with a child, a court shall not grant a petition for adoption of a child unless each parent of the child has provided his or her written consent to the specific
adoption proposed by the petition or for relinquishment to an agency authorized to accept relinquishments in accordance with the provisions of this chapter. (Deleted by amendment.)

SUMMARY—[@]
[@]Directs the Legislative Commission to appoint a committee to conduct an interim study on certain actions for summary eviction. (BDR [2-736] S-736)
AN ACT relating to property; directing the Legislative Commission to appoint a committee to conduct an interim study on certain actions for summary eviction; [under certain circumstances; making various changes relating to actions for summary eviction;] and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law establishes a supplemental remedy through an action for summary eviction when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent due by the month or a shorter period defaults in the payment of the rent. (NRS 40.253, 40.254) Section 17 of this bill eliminates actions for summary eviction in such circumstances, meaning that a landlord who wishes to evict a tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent due by the month or a shorter period who defaults in the payment of the rent, is required to proceed through a formal action for unlawful detainer. Sections 1-8 and 10-14 of this bill make conforming changes related to the elimination of such actions for summary eviction.

Existing law provides that certain tenants may dispute the amount of costs claimed by a landlord or asset management company, as applicable, for the inventory, moving and storage of personal property left at the premises. (NRS 40.253, 118A.460, 645H.520) Sections 9 and 15 of this bill make conforming changes related to the elimination of actions for summary eviction pursuant to
section 17 of this bill by retaining the dispute procedure for circumstances related to formal actions for eviction and certain other situations.

Existing law requires a landlord to provide a former tenant with a reasonable opportunity to retrieve essential personal effects from a premises for a 5-day period following an eviction. Existing law provides a procedure for the former tenant to dispute the reasonableness of the landlord. (NRS 40.253, 118A.460) Section 9 makes a conforming change related to the elimination of actions for summary eviction pursuant to section 17 of this bill by retaining the dispute procedure for circumstances related to formal actions for eviction.

Section 16 of this bill provides that the amendatory provisions of this bill do not apply to actions for summary eviction filed under the law as it existed before July 1, 2021. (NRS 40.253) Existing law also establishes a supplemental remedy of summary eviction for tenants of any dwelling unit, part of a low-income housing program operated by a public housing authority, a mobile home or a recreational vehicle who: (1) possesses the premises after the expiration of the lease term; (2) possesses the premises after the expiration of a notice to surrender; (3) assigns or sublets a leased premises contrary to the terms of the lease; (4) commits or permits waste upon the premises; (5) commits certain acts relating to nuisances; (6) commits certain offenses relating to controlled substances; or (7) fails to perform a condition or covenant of a lease. (NRS 40.254) This bill directs the Legislative Commission to appoint a committee to conduct an interim study of actions for summary eviction pursuant to NRS 40.253 and 40.254. This bill also: (1) establishes the membership of the committee; (2) establishes the subjects that the committee is required to study; and (3) requires the Legislative Commission to report the findings of the interim study to the Legislature.

WHEREAS, Housing is the largest single expenditure for most households and is often one of the most significant factors in determining financial security; and

WHEREAS, Unaffordable and unstable housing has harmful effects on low-income households and dramatically reduces household spending on food, transportation, health care and other basic necessities; and

WHEREAS, Eviction and subsequent homelessness is one of the most extreme consequences of housing instability; and

WHEREAS, It is important to determine whether actions for summary eviction pursuant to NRS 40.253 and 40.254 perpetuate the harmful effects of unstable housing; now, therefore,

(b) “Eviction case court file” means all records relating to an action for summary eviction which are maintained by the court, including, without limitation, the affidavit of complaint and any other pleadings, proof of service, findings of the court, any order made on motion as provided in Nevada Rules of Civil Procedure, Justice Court Rules of Civil Procedure and local rules of practice and all other papers, records, proceedings and evidence, including exhibits and transcript of the testimony. For each service for which a constable is otherwise entitled pursuant to subsection 1 to a fee based on the mileage necessarily and actually traveled in performing the service, a board of county commissioners may provide by ordinance for the constable to be entitled, at the option of the person paying the fee, to a flat fee for the travel costs of that service.

4. Deputy sheriffs acting as constables are not entitled to retain for their own use any fees collected by them, but the fees must be paid into the county treasury on or before the fifth working day of the month next succeeding the month in which the fees were collected.

5. Except as otherwise provided in subsection 6, constables shall, on or before the fifth working day of each month, account for and pay to the county treasurer all fees collected during the preceding month, except fees which may be retained as compensation.

6. Every 5 business days, constables in an office established by the board of county commissioners as an enterprise fund shall account for and pay to the county treasurer any fee collected during the preceding period. (Deleted by amendment.)

TEXT OF REPEALED SECTIONS

40.253 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant for default in payment of rent.

1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.250 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord’s agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

As used in this subsection, “day of service” means the day the landlord or the landlord’s agent personally delivers the notice to the tenant. If personal service was not so delivered, the “day of service” means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the “day of service” shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord’s agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2512. If the notice cannot be delivered in person, the landlord or the landlord’s agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and
(b) After the notice has been posted and mailed, may deliver the notice to
the sheriff or constable for service in the manner set forth in subsection 1 of
NRS 40.280. The sheriff or constable shall not accept the notice for service
unless it is accompanied by written evidence, signed by the tenant when the
tenant took possession of the premises, that the landlord or the landlord’s agent
informed the tenant of the provisions of this section which set forth the lawful
procedures for eviction from a short-term tenancy. Upon acceptance, the
sheriff or constable shall serve the notice within 48 hours after the request for
service was made by the landlord or the landlord’s agent.

3. A notice served pursuant to subsection 1 or 2 must:
(a) Identify the court that has jurisdiction over the matter; and
(b) Advise the tenant:
(1) Of the tenant’s right to contest the matter by filing, within the time
specified in subsection 1 for the payment of the rent or surrender of the
premises, an affidavit with the court that has jurisdiction over the matter stating
that the tenant has tendered payment or is not in default in the payment of the
rent;
(2) That if the court determines that the tenant is guilty of an unlawful
detainer, the court may issue a summary order for removal of the tenant or an
order providing for the nonadmittance of the tenant, directing the sheriff or
constable of the county to post the order in a conspicuous place on the premises
not later than 24 hours after the order is received by the sheriff or constable.
The sheriff or constable shall remove the tenant not earlier than 24 hours but
not later than 36 hours after the posting of the order; and
(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a
landlord unlawfully removes the tenant from the premises or excludes the
tenant by blocking or attempting to block the tenant’s entry upon the premises
when the tenant willfully interrupts or causes or permits the interruption of an essential
service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the
notice, the landlord or the landlord’s agent, after receipt of a file-stamped copy
of the affidavit which was filed, shall not provide for the nonadmittance of the
tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:
(a) The landlord or the landlord’s agent may apply by affidavit of complaint
for eviction to the justice court of the township in which the dwelling,
apartment, mobile home or recreational vehicle are located or to the district
court of the county in which the dwelling, apartment, mobile home or
recreational vehicle are located, whichever has jurisdiction over the matter.
The court may thereupon issue an order directing the sheriff or constable of
the county to post the order in a conspicuous place on the premises not later
than 24 hours after the order is received by the sheriff or constable. The sheriff
or constable shall remove the tenant not earlier than 24 hours but not later than
36 hours after the posting of the order. The affidavit must state or contain
(1) The date the tenancy commenced.
(2) The amount of periodic rent reserved.
(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month’s rent, by the tenant.
(4) The date the rental payments became delinquent.
(5) The length of time the tenant has remained in possession without paying rent.
(6) The amount of rent claimed due and delinquent.
(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.
(8) A copy of the written notice served on the tenant.
(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit, described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord’s agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord’s agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:
   (a) The tenant has vacated or been removed from the premises; and
   (b) A copy of those charges has been requested by or provided to the tenant, whichever is later.
8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant’s property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant’s essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than $2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord’s conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord’s agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney’s fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, “security” has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.
As used in this section, “close of business” means the close of business of the court that has jurisdiction over the matter.

40.254 Unlawful detainer: Supplemental remedy of summary eviction and exclusion of tenant from certain types of property.

1. Except as otherwise provided by specific statute, in addition to the remedy provided in NRS 40.290 to 40.420, inclusive, when the tenant of a dwelling unit, part of a low-rent housing program operated by a public housing authority, a mobile home or a recreational vehicle is guilty of an unlawful detainer pursuant to NRS 40.250, 40.251, 40.2514 or 40.2516, the landlord or the landlord’s agent may utilize the summary procedures for eviction as provided in NRS 40.253 except that written notice to surrender the premises must:

(a) Be given to the tenant in accordance with the provisions of NRS 40.280;
(b) Advise the tenant of the court that has jurisdiction over the matter; and
(c) Advise the tenant of the tenant’s right to:
   (1) Contest the notice by filing before the court’s close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or
   (2) Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord’s agent submitted to the justice court or the district court must state or contain:

(a) The date when the tenancy commenced, the term of the tenancy and, if any, a copy of the rental agreement. If the rental agreement has been lost or destroyed, the landlord or the landlord’s agent may attach an affidavit or declaration, signed under penalty of perjury, stating such loss or destruction.
(b) The date when the tenancy or rental agreement allegedly terminated.
(c) The date when written notice to surrender was given to the tenant pursuant to the provisions of NRS 40.251, 40.2514 or 40.2516, together with any facts supporting the notice.
(d) The date when the written notice was given, a copy of the notice and a statement that notice was served in accordance with NRS 40.280 and, if applicable, a copy of the notice of change of ownership served on the tenant pursuant to NRS 40.255 if the property has been purchased as a residential foreclosure.
(e) A statement that the claim for relief was authorized by law.

3. If the tenant is found guilty of unlawful detainer as a result of the tenant’s violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any reasonable attorney’s fees incurred by the landlord or the landlord’s agent as a result of a hearing, if any, held pursuant to subsection 6 of NRS 40.252 wherein the tenant contested the eviction.

Assembly Bill No. 170.
Bill read second time.
The following amendment was proposed by the Committee on Natural Resources:
   Amendment No. 339.
   AN ACT relating to animals; requiring the State Department of Agriculture to create certain written notices relating to impounded animals; requiring county or city jails or detention facilities to post and maintain such notices; authorizing certain employees of animal shelters to enforce certain provisions in existing law; requiring certain notices of a right to request a hearing to be provided upon the lawful issuance of a citation or arrest for certain offenses relating to cruelty to animals; providing for a hearing to make certain determinations relating to an impounded animal; authorizing an animal rescue organization, an animal shelter and certain other persons to sell at auction, humanely destroy or continue to care for certain animals; requiring the State Department of Agriculture to create and maintain certain written notices relating to impounded animals; providing that any evidence derived from testimony during certain hearings is inadmissible during certain subsequent proceedings, except for purposes of impeachment or rebuttal; providing that municipal courts have jurisdiction of hearings related to certain citations or arrests for animal cruelty; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law provides that if a person is lawfully arrested and detained, other than for a violation of certain acts which constitute engaging in cruelty to animals, and the county, city or local government impounds any animal owned or possessed by the person, the county, city or local government may under certain circumstances, within 10 days after the arrest: (1) allow another person who is able to provide adequate care and shelter to care temporarily for the animal; or (2) take possession of the animal. Existing law requires the State to create and maintain a written notice which: (1) informs the person or the public that an animal owned or possessed by the person may have been impounded; (2) provides the current contact information of each animal shelter in each county, city or other local government responsible for impounding the animal; (3) is made available in certain languages; (4) is provided to each county or city jail or detention facility; and (5) is posted in a conspicuous place in each county or city jail or detention facility. (NRS 171.1539) Section 1 of this bill requires the State Department of Agriculture to create the written notice. Section 1 requires each county or city jail or detention facility to:
post the written notice in a conspicuous place in the county or city jail or detention facility; and (2) maintain the written notice. 

Existing law authorizes any board of county commissioners or governing body of a city to designate certain persons, including animal control officers, to prepare, sign and serve written citations on persons accused of violating a county or city ordinance. (NRS 171.17751) Section 1.3 of this act authorizes an animal control officer employed or officially designated by a board of county commissioners or governing body of a city to prepare, sign and serve written citations on persons to enforce existing law that prohibits: (1) leaving a pet unattended in a parked or standing motor vehicle in certain situations; and (2) cruelty to animals. Section 1.3 provides that such an animal control officer may include an employee of an animal shelter who is officially designated by a board of county commissioners or governing body of a city to enforce such existing laws.

If a person is lawfully arrested for instigating or attending fights between animals or for torturing, overdriving, injuring or abandoning an animal and an animal owned or possessed by the person is impounded by the county, city or other local government in connection with the arrest, existing law requires certain notices to be provided to the person, including notice of his or her right to request a hearing to determine whether the person is the owner of the animal and whether the person is able to provide adequate care and shelter to the animal. Existing law requires a person to request such a hearing within 5 days after receipt of the notice. If the person makes such a request, existing law requires the court to hold such a hearing within 15 judicial days after receiving notice of the request. (NRS 574.203) Section 3 of this bill requires that a notice of the right to request a hearing also be provided if the person is lawfully issued a citation for such violations and clarifies that the hearing occurs in a court of competent jurisdiction. Section 2 of this bill similarly makes a conforming change to clarify that the hearing occurs in a court of competent jurisdiction. Furthermore, section 3 provides that the hearing is to determine by clear and convincing evidence whether the person who is issued a citation or arrested for the violations: (1) is the owner of the impounded animal; and (2) committed the applicable violation; and (3) if applicable, is able and fit to provide adequate care and shelter to the animal. Section 3 additionally provides that any evidence derived from testimony made during a hearing is inadmissible during certain subsequent proceedings, except for the purposes of impeachment or rebuttal. Section 1.7 of this bill provides that a municipal court has jurisdiction over such hearings.

Existing law provides that, if a person who has received a notice of his or her right to request a hearing does not request a hearing or the owner of the impounded animal has not been identified within 5 days of the arrest, the county, city or other local government shall transfer ownership of the animal to an animal rescue organization, animal shelter or another person who is able
to provide adequate care and shelter to the animal. (NRS 574.203) Section 3 authorizes the animal rescue organization, animal shelter or person to whom the ownership of the animal is transferred to sell the animal at auction, humanely destroy the animal or continue to care for the animal, as the organization, shelter or person sees fit.

Existing law provides that if a person is lawfully arrested and detained in a county, city or other local government, other than for a violation of certain acts which constitute engaging in cruelty to animals, and the county impounds any animal owned or possessed by the person, the county may, under certain circumstances, within 10 days after the arrest: (1) allow another person who is able to provide adequate care and shelter to care for the animal temporarily; or (2) take possession of the animal. Existing law requires the State to create and maintain a written notice which: (1) informs the person or the public that an animal owned or possessed by the person may have been impounded; (2) provides the current contact information of an animal shelter in each county, city or other local government responsible for impounding the animal; (3) is made available in certain languages; (4) is provided to each county or city jail or detention facility; and (5) is posted in a conspicuous place in each county or city jail or detention facility. (NRS 171.1539) Section 1 of this bill requires the State Department of Agriculture to create and maintain the written notice.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 286.
AN ACT relating to courts; requiring courthouses to contain lactation rooms for use by members of the public under certain circumstances; making an appropriation; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law requires each public body in this State to provide an employee who is the mother of a child under 1 year of age with a place, other than a bathroom, that is reasonably free from dirt or pollution, protected from the view of others and free from intrusion by others where the employee may express breast milk. (NRS 281.755) Existing federal law requires, with certain exceptions, that federal buildings, including, without limitation, federal courthouses, contain a lactation room that is made available for use by members of the public to express breast milk. (40 U.S.C. § 3318) This Section 1 of this bill enacts provisions based on this federal law to require each courthouse to contain a lactation room that may be used by members of the public to express breast milk. This bill Section 1 provides an exception to the requirement if the person who is responsible for the operation of the courthouse determines that: (1) the courthouse does not contain a lactation room for employees; (2) the courthouse does not have a room or other space that could be repurposed or privatized as a lactation room; or (3) new construction would be required to provide the lactation room and the cost of the construction is unfeasible. This bill defines “lactation room” as a hygienic place, other than a bathroom, that: (1) is shielded from view; (2) is free from intrusion; and (3) contains a chair, a working surface and an electrical outlet.

Section 1.5 of this bill makes an appropriation from the State General Fund to the Interim Finance Committee for allocation as grants to
municipal courts and justice courts for the costs of complying with section 1.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 1 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, each courthouse must contain a lactation room that members of the public may use to express breast milk.

2. The requirements of subsection 1 do not apply to a courthouse if the person who is responsible for the operation of the courthouse determines that:
   (a) The courthouse does not contain a lactation room for employees;
   (b) The courthouse does not have:
      (1) A room that could be repurposed as a lactation room; or
      (2) A space that could be made private at a reasonable cost using portable materials; or
   (c) New construction would be required to create the lactation room and the cost of such construction is unfeasible.

3. Nothing in this section shall be construed to authorize a person to enter a courthouse if the person is not authorized to enter the courthouse.

4. As used in this section, “lactation room” means a hygienic place, other than a bathroom, that:
   (a) Is shielded from the view of others;
   (b) Is free from intrusion by others; and
   (c) Contains:
      (1) A chair;
      (2) A working surface; and
      (3) An electrical outlet.

Sec. 1.5. 1. There is hereby appropriated from the State General Fund to the Interim Finance Committee the sum of $500,000 for allocation pursuant to subsection 2 for the purpose of awarding grants of money to municipal courts and justice courts for the costs of complying with section 1 of this act.

2. To the extent that money is available from the appropriation made by subsection 1, allocation of the money appropriated by subsection 1 as a grant is contingent upon matching money being provided by the court applying for such a grant from sources other than the appropriation made by subsection 1, including, without limitation, gifts, grants and donations to the court from private and public sources of money. The Interim Finance Committee shall not distribute any money from the appropriation made by subsection 1 until the court submits to the Interim Finance Committee proof satisfactory to the Committee that matching money in an equivalent amount has been committed.
3. Upon acceptance of the money allocated as a grant pursuant to subsection 2, the court that was awarded the grant agrees to:
   (a) Prepare and transmit a report to the Interim Finance Committee on or before December 16, 2022, that describes each expenditure made from the money allocated pursuant to subsection 2 from the date on which the money was received by the court through December 1, 2022;
   (b) Prepare and transmit a final report to the Interim Finance Committee on or before September 15, 2023, that describes each expenditure made from the money allocated pursuant to subsection 2 from the date on which the money was received by the court through June 30, 2023; and
   (c) Upon request of the Legislative Commission, make available to the Legislative Auditor any of the books, accounts, claims, reports, vouchers or other records of information, confidential or otherwise, of the court, regardless of their form or location, that the Legislative Auditor deems necessary to conduct an audit of the use of the money allocated pursuant to subsection 2.
4. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2023, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 15, 2023, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 15, 2023.

Sec. 2. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 3. 1. This section and section 1.5 of this act become effective on July 1, 2021.
   2. Sections 1 and 2 of this act become effective on January 1, 2022.

Legislative Counsel's Digest:
Existing law prohibits various actions that result in cruelty to animals. (NRS 574.050-574.200) Section 1 of this bill prohibits a person from removing or disabling the claws of a cat by performing or causing to be performed certain procedures, including declawing the cat. Section 1 authorizes the removal or disabling of the claws of a cat if the procedure is necessary to address the physical medical condition of the cat, including addressing an existing or recurring illness, infection, disease, injury or abnormal condition, as determined by a licensed veterinarian. Section 1 provides that a person shall not remove or disable the claws of a cat for cosmetic or aesthetic reasons or for reasons of convenience in keeping or handling the cat.

Section 1 requires a licensed veterinarian who determines that the removal or disabling of the claws of a cat is necessary to address the physical medical condition of the cat to: (1) prepare and file a written statement with the Nevada State Board of Veterinary Medical Examiners setting forth the purpose for performing the procedure and providing the name and address of the owner or keeper of the cat; and (2) provide a copy of the statement to the owner or keeper of the cat. Section 1 imposes the following civil penalties on any person who violates section 1 by unlawfully performing or causing to be performed certain procedures for removing or disabling the claws of a cat: (1) for the first violation, a civil penalty of not more than $1,000; (2) for the second violation, a civil penalty of not more than $1,500; and (3) for the third or subsequent violation, a civil penalty of not more than $2,500. Section 1 imposes the following civil penalties on any licensed veterinarian for a violation of section 1 related to the written statement required to be filed with the Nevada State Board of Veterinary Medical Examiners: (1) for the first violation, a civil penalty of not more than $100; (2) for the second violation, a civil penalty of not more than $150; and (3) for the third or subsequent violation, a civil penalty of not more than $250. Section 1 additionally provides that a licensed veterinarian who violates any provision of section 1 is subject to disciplinary action by the Nevada State Board of Veterinary Medical Examiners. Section 5 of this bill makes a conforming change by listing the violation of
section 1 as a ground for disciplinary action. (NRS 638.140) If the Board determines that a licensed veterinarian has violated section 1, the Board may: (1) refuse to issue a license; (2) refuse to renew a license; (3) revoke a license; (4) suspend a license for a definite period; (5) impose a fine of not more than $10,000 for each act; (6) place a licensed veterinarian on probation; (7) administer a public reprimand; (8) limit the practice of the licensed veterinarian to specified branches of veterinary medicine; or (9) require the licensed veterinarian to take a competency examination or a mental or physical examination. Legislative Counsel’s Digest:

Existing law requires the board of trustees of each school district and the governing bodies of certain charter schools in this State to prepare an annual report of accountability. Section 3 also requires the board of trustees of each school district and the governing bodies of certain charter schools to develop a plan to address access to feminine hygiene menstrual products. Section 3 sets forth various requirements of the plan. Finally, section 3 requires the board of trustees or governing body to submit a report on the plan to the Director of the Legislative Counsel Bureau for transmittal to the Legislature in each odd-numbered year.

Section 3.3 of this bill requires 25 percent of the middle schools, junior high schools and high schools in each school district and 25 percent of the charter schools with the same sponsor that operate as a middle school, junior high school or high school to provide menstrual products at no cost to pupils in a certain number of restrooms.

Section 3.7 of this bill directs the Legislative Commission to appoint a committee to conduct an interim study concerning the effects of section 3.3 and access to menstrual products in middle schools, junior high schools and high schools in this State.
Section 1. Chapter 385A of NRS is hereby amended by adding thereto a new section to read as follows:

The annual report of accountability prepared pursuant to NRS 385A.070 must include, for each middle school, junior high school and high school in the school district and for each charter school that operates as a middle school, junior high school or high school, an evaluation of access to feminine hygiene menstrual products.

Sec. 2. NRS 385A.070 is hereby amended to read as follows:

385A.070 1. The board of trustees of each school district in this State, in cooperation with associations recognized by the State Board as representing licensed educational personnel in the district, shall adopt a program providing for the accountability of the school district to the residents of the district and to the State Board for the quality of the schools and the educational achievement of the pupils in the district, including, without limitation, pupils enrolled in charter schools sponsored by the school district. The board of trustees of each school district shall report the information required by NRS 385A.070 to 385A.320, inclusive, and section 1 of this act for each charter school sponsored by the school district. The information for charter schools must be reported separately.

The board of trustees of each school district shall, on or before December 31 of each year, prepare for the immediately preceding school year a single annual report of accountability concerning the educational goals and objectives of the school district, the information prescribed by NRS 385A.070 to 385A.320, inclusive, and section 1 of this act and such other information as is directed by the Superintendent of Public Instruction. The Department shall use the mechanism approved by the United States Department of Education for the statewide system of accountability for public schools for determining the minimum number of pupils that must be in a group for that group to yield statistically reliable information.

3. The State Public Charter School Authority and each college or university within the Nevada System of Higher Education that sponsors a charter school shall, on or before December 31 of each year, prepare for the immediately preceding school year an annual report of accountability of the charter schools sponsored by the State Public Charter School Authority or institution, as applicable, concerning the accountability information prescribed by the Department pursuant to this section. Section 1 of this bill requires a governing body to establish by an ordinance related to zoning reasonable, uniform hours at which construction work in areas zoned for commercial or residential use may begin, which must not be before 5 a.m. on Mondays through Fridays during the months of May through September. Section 2 of
this bill makes a conforming change to indicate the placement of section 1 in the Nevada Revised Statutes.

Existing law authorizes the governing body of a county or city to adopt ordinances regulating excessive noise. (NRS 244.363, 268.412)

Sections 5 and 6 of this bill provide that an ordinance regulating excessive noise must be consistent with a zoning ordinance adopted in accordance with the requirements of section 1.

Existing law requires the unit-owners’ association of a common-interest community to adopt bylaws and authorizes an association to amend bylaws and adopt rules and regulations concerning the community. (NRS 116.3102)

Section 3 of this bill prohibits the executive board and the governing documents of an association from restricting the hours in which construction may begin during the period beginning on May 1 and ending on September 30 to any hours other than those hours which are authorized by an ordinance adopted by the governing body of a county or city pursuant to section 1, if any. (NRS 233A.092, [233A.097) Existing law requires, with certain exceptions, that the proceeds of a fee for any authorization to use state land must be paid into the State Treasury for credit to the State General Fund. (NRS 322.160) 233A.097, 233A.300) Section 2.5 of this bill requires the Museum Director of the Stewart Indian School Cultural Center and Museum to enter into an agreement with the State Land Registrar or any other state agency that receives an assignment of the buildings and grounds of the former Stewart Indian School to: (1) designate which buildings and grounds of the former Stewart Indian School under the management of the Museum Director are appropriate for special events; and (2) authorize the Museum Director to grant special use permits to hold special events at or on the designated buildings and grounds.

Sections 1, 2 and 2.5 of this bill require that the proceeds of any fee charged for authorization to use the money received for special events held at or on the buildings or grounds of the former Stewart Indian School be paid
into the State Treasury for credit to the Nevada Indian Commission’s Gift Fund for the purpose of carrying out programs to preserve and maintain the buildings and grounds of the former Stewart Indian School.

(NRS 381.239) Section 6 of this bill eliminates the prohibition on spending or transferring the reserved principal of the Fund.

Existing law authorizes the Department of Corrections and any other state agency to which an assignment of the historic property of the Nevada State Prison is made to grant a special use permit or enter into an agreement with a nonprofit corporation, pursuant to which the corporation is authorized to conduct tours and engage in other activities relating to that property. (NRS 381.241) Section 7 of this bill requires that any such permit or agreement provide that any income received by the corporation from grants made to the corporation for certain purposes belong solely to the corporation.

Existing law requires the Board of Museums and History to create a trust fund for the deposit of certain money that becomes available from grants, donations and gifts to be used for further study and development of the historic property of the Nevada State Prison. Legislative Counsel’s Digest:
Existing law provides that all persons are entitled to the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of any place of public accommodation, without discrimination or segregation on the ground of race, color, religion, national origin, disability, sexual orientation, sex or gender identity or expression. (NRS 651.070) Existing law provides that a place of public accommodation means any establishment or place to which the public is invited or which is intended for public use, including, without limitation, inns, hotels, motels, restaurants, bars, gasoline stations, theaters, convention centers, bakeries, grocery stores, laundromats, museums, libraries, parks, zoos, nurseries, private schools or universities, day care centers, senior citizen centers, gymnasiums, health spas and bowling alleys. (NRS 651.050) If such a place of public accommodation provides a single-stall restroom to the public, section 1 of this bill requires the single-stall restroom to be as inclusive and accessible as possible to a person of any gender identity or expression, including, without limitation, by allowing: (1) a parent or guardian of a child to enter the single-stall restroom with the child; (2) a person with a disability to enter the single-stall restroom with his or her caregiver, if applicable; and (3) a person of any gender identity or expression to use the single-stall restroom as needed. Section 1: (1) prohibits the owner or operator of the place of public accommodation from labeling the single-stall restroom with signage that indicates the restroom is for a specific gender; and (2) authorizes the labeling
of the single-stall restroom as available for use by any person, including, without limitation, by posting a sign which reads “All-Gender Bathroom” or “All-Accessible Bathroom.” **Section 1** provides that a single-stall restroom is a restroom that: (1) is intended for individual use; and (2) contains a single toilet or a single urinal or contains both a toilet and a urinal.

**Sections 2, 3 and 15** of this bill make conforming changes relating to the applicability of **section 1** and the placement of **section 1** in the Nevada Revised Statutes. **Section 4** of this bill provides that any person who deprives, interferes with or punishes another person for accessing such single-stall restrooms is guilty of a misdemeanor. **Section 5** of this bill provides that any person who deprives, interferes with or punishes another person for accessing such single-stall restrooms is liable to the person whose access is affected for actual damages that are recoverable by a civil action. **Section 6** of this bill authorizes any county or incorporated city of this State to adopt a local ordinance that prohibits an infringement of a person’s rights, privileges or access to such single-stall restrooms. In addition to these changes, **section 1** allows any person who believes he or she has been denied full and equal use of a single-stall restroom because of discrimination or segregation to file a complaint to that effect with the Nevada Equal Rights Commission. (NRS 651.110)

**Section 9** of this bill requires each county, city and any other governmental entity that adopts a building code, including school districts in larger counties, to include in its respective building code a requirement that any single-stall restroom made available to the public and contained in a permanent building or facility used by the public and that is constructed on or after October 1, 2021, comply with provisions relating to the inclusivity and accessibility and signage of single-stall restrooms that are identical to the provisions that apply to places of public accommodations in **section 1**. **Section 9** provides that if a county or city has no building code, the county or city is required to adopt such requirements by ordinance. **Sections 7, 8 and 10** of this bill make conforming changes relating to the applicability of the requirements contained in **section 9** as well as the placement of **section 9** in the Nevada Revised Statutes.

**Sections 11 and 12** of this bill also make provisions relating to the inclusivity and accessibility and signage of single-stall restrooms that are identical to the provisions that apply to places of public accommodations in **section 1** apply to: (1) a public building or facility owned by a public body that provides a single-stall restroom to the public; and (2) an area leased by or on behalf of a public body and used primarily to provide a service to the public and certain leased areas within a state park. **Section 12** provides that a contract for such a leased area that does not satisfy these requirements which is entered into on or after October 1, 2021, is void and unenforceable. **Section 13** of this bill makes a conforming change relating to the placement of **section 12** in the Nevada Revised Statutes. **Section 14** of this bill authorizes a person to report a violation of **section 12** to the Attorney General, who is required to notify the public body responsible for the alleged violation. If the public body fails to

Section 15.5 of this bill provides that sections 4, 5 and 14, which are the enforcement provisions of this bill, do not become effective until February 1, 2022.

Legislative Counsel’s Digest:
Existing law authorizes certain persons to obtain declaratory relief under a deed, written contract or testamentary instrument or with respect to the administration of a trust or certain estates for certain purposes. (NRS 30.040, 30.060) Sections 1 and 2 of this bill authorize a principal or person granted authority to act for a principal under a power of attorney to obtain declaratory relief under the power of attorney.

Existing law generally requires a seller of residential property to provide a disclosure form to the purchaser of the property, but provides that such a requirement does not apply in certain circumstances. (NRS 113.130) Section 3 of this bill exempts from such a requirement certain fiduciaries who take temporary possession or control of or title to residential property solely to facilitate the sale of the property on behalf of a person who is deceased or incapacitated.

Sections 4-14 of this bill revise various provisions governing electronic wills. Section 9 of this bill revises provisions governing the revocation of an electronic will. Section 11 of this bill revises provisions relating to a qualified custodian of an electronic will ceasing to serve in that capacity and the appointment of a successor qualified custodian. Section 13 of this bill revises...
provisions concerning the destruction of the electronic record of an electronic will. Section 14 of this bill establishes provisions relating to the conversion of: (1) an electronic will into a certified paper original of the electronic will; and (2) an electronic revocation of a will into a certification of revocation.

Existing law authorizes the administration of an estate to be granted to one or more qualified persons not otherwise entitled to serve as an administrator if a qualified person who is entitled to serve as an administrator files a written request with the court. (NRS 139.050) Section 15 of this bill requires the requester to provide his or her current address and telephone number in the written request and provides that failure to provide such information voids the written request. Existing law requires a petition for letters of administration to include certain information. (NRS 139.090) Section 16 of this bill additionally requires such a petition to include the names and addresses of the proposed appointed administrators and any associated coadministrator. Existing law also requires notice of the hearing on the petition to be given to the heirs of the decedent and the Director of the Department of Health and Human Services. (NRS 139.100) Section 16.5 of this bill additionally provides that if the petitioner is not the surviving spouse or certain kindred or nominated by the surviving spouse or such kindred, notice must be given to the public administrator of the county or a similar person.

Section 18 of this bill establishes the circumstances in which a person is required to accept or not accept certified letters of administration or letters testamentary and provides that a person who unlawfully refuses to accept such certified letters is subject to a court order requiring acceptance of the certified letters and liability for reasonable attorney’s fees and costs incurred in an action or proceeding confirming the validity of the court order and mandating the acceptance of the certified letters. Section 18 authorizes a person, after accepting certified letters of administration or letters testamentary, to subsequently request newly certified letters after a certain period for the purpose of validating the continued authority of the personal representative.

Section 19 of this bill authorizes a person holding property of a decedent to request the presentation of only certain items as a prerequisite to transferring such property in accordance with a court order providing to whom such property is to be transferred. Section 19 requires the person to accept and comply with such a court order not later than 10 business days after the presentation of all requested items unless certain circumstances exist or if the person does not request the presentation of any items, not later than 10 days after being presented with such a court order. Section 19 provides that a person who unlawfully refuses to accept and comply with such a court order is subject to a court order requiring acceptance of the order, liability for reasonable attorney’s fees and costs incurred in an action or proceeding confirming the validity of the court order and any damages resulting from the delay.

Existing law establishes provisions concerning the effect of the absence or disability of a personal representative on acts taken by one or more other
personal representatives when more than one personal representative has been appointed. (NRS 143.010) **Section 20** of this bill provides that if there are two personal representatives, one of whom has a conflict of interest, the acts of the other personal representative alone are valid, and if there are more than two personal representatives, the acts of a majority of the personal representatives are sufficient.

Existing law establishes provisions concerning the continuation of the operation of a decedent’s business by a personal representative. (NRS 143.050, 143.520) **Sections 21 and 26** of this bill make various changes to such provisions.

Existing law authorizes a court to require a person to post a bond when obtaining an ex parte order that restrains a personal representative from performing certain actions, exercising any powers or discharging any duties of the office, or any other order to secure proper performance of the duties of the office. (NRS 143.165) **Section 22** of this bill provides that a public administrator or similar person must not be required to post a bond for obtaining any such order.

Existing law requires the notice of a hearing on a petition filed by a personal representative for full or limited authority to administer an estate to be given to certain persons in certain circumstances. (NRS 143.345) Existing law generally requires the court to grant the authority requested unless an interested person timely objects and shows good cause why the authority should not be granted. (NRS 143.350) **Section 24** of this bill requires notice to be given to the public administrator of the county or a similar person in certain circumstances, and **section 25** of this bill provides that a person who receives notice is an interested person for purposes of having the ability to object to the granting of authority. **Section 25 also authorizes, instead of requires, the court to grant the requested authority.**

**Existing law generally authorizes a personal representative who has been granted full authority to administer an estate to sell property of the estate for such a price and upon such terms and conditions as he or she determines. (NRS 143.380)** Section 25.5 of this bill provides that if the personal representative determines that the sale of real property of the estate will be less than 90 percent of the appraised value: (1) all interested persons must consent in writing to the sale; and (2) the sale must be confirmed by the court.

Existing law authorizes a decedent’s estate to be set aside without administration if the value of the estate does not exceed $100,000. (NRS 146.070) **Section 27** of this bill additionally authorizes all or part of a decedent’s estate to be set aside without administration if the decedent’s will directs that such portion be distributed to the trustee of a nontestamentary trust established by the decedent and in existence at the decedent’s death, and provides that the portion of the estate that is set aside is generally subject to creditors of the estate.
Existing law entitles an attorney for a personal representative to reasonable compensation for his or her services, paid from a decedent’s estate, and sets forth the calculation for determining the allowable compensation in certain circumstances. (NRS 150.060) Section 28 of this bill requires a court to allow the compensation of the attorney in the amount calculated.

Existing law provides that the transfer of property for less than fair market value is generally presumed to be void if the transfer is made to certain transferees, including the person who drafted the transfer instrument, and establishes the circumstances in which such a presumption does not apply, including if a transfer instrument is reviewed by an independent attorney who takes certain actions. (NRS 155.097, 155.0975) Section 29 of this bill revises the definition of the term “independent attorney” to include the drafting attorney representing the transferor in preparation of the transfer instrument if the drafting attorney is not otherwise disqualified from being an independent attorney.

Existing law authorizes any person requesting to nominate another person to be appointed as his or her guardian to complete a form requesting to nominate a guardian. (NRS 159.0753) Existing law also authorizes the nomination of a guardian of the estate in a power of attorney and a guardian of the person in a power of attorney for health care in certain circumstances. (NRS 162A.250, 162A.800) Section 30 of this bill revises provisions concerning a form requesting to nominate a guardian to reference the nomination of a guardian in any such power of attorney.

Section 31 of this bill allows a governing trust instrument to authorize a trustee to reimburse a settlor for all or a portion of tax on trust income or principal that is to be paid by the settlor and authorizes the trustee to pay the settlor directly or pay the appropriate taxing authority on behalf of the settlor. Section 31 also provides that the [authority] power of a trustee to make such a payment or [to determination by] the decision of a trustee to exercise such [authority] power in favor of the settlor [does not make] must not cause the settlor to be treated as a beneficiary for the purposes of Nevada law.

Existing law authorizes a trust to be created by a declaration by the owner of property that he or she or another person holds the property as trustee. (NRS 163.002) Section 32 of this bill provides that a declaration by the owner of property that he or she or another person holds all the property of the declarant in trust is sufficient to create a trust over all the property of the declarant that is reliably identified as belonging to the declarant at the time of his or her death.

Existing law provides that: (1) a trust is irrevocable unless a right to amend or revoke the trust is expressly reserved by the settlor or granted to one or more other persons under the terms of the trust instrument; and (2) the power of appointment or power to add or remove beneficiaries, appoint, remove or replace the trustee or make administrative amendments does not make a trust revocable. (NRS 163.004) Section 33 of this bill instead provides that a trust is irrevocable unless a right to revoke the trust is expressly reserved by the
settlor under the terms of the trust instrument, and that any authority, power or right granted to any person other than the settlor under the terms of the trust instrument or by law, including the power or right to amend the trust, does not render or make a trust revocable. **Section 47** of this bill provides that such provisions apply to any trust created or amended before, on or after October 1, 2021.

**Section 34** of this bill establishes the circumstances in which the custodian of an electronic trust may convert the electronic trust into a certified paper original of the electronic trust and the method by which an electronic trust may be converted into a certified paper original. **Section 34** also authorizes the custodian to destroy the electronic record of the electronic trust after converting the electronic trust into a certified paper original if the custodian first takes certain actions.

Existing law generally authorizes a trustee to combine two or more trusts into a single trust or divide a trust into two or more separate trusts in certain circumstances after giving notice to certain persons. (NRS 163.025) **Section 35** of this bill provides that if the terms of the trust instrument do not expressly authorize such a combination or division of trusts, the combination or division is required to be made by court order or after giving such notice.

Existing law provides that a trust instrument may grant certain powers to an investment trust adviser. (NRS 163.5557) **Section 37** of this bill provides that the power to value non-publicly traded investments held in trust that are subject to the investment management authority of the investment trust adviser may also be granted to an investment trust adviser.

Existing law prohibits a creditor of a settlor from seeking to satisfy a claim against the settlor from the assets of a trust in certain circumstances unless the creditor can prove that trust property transferred by the settlor was transferred fraudulently or was otherwise wrongful as to the creditor. (NRS 163.5559) **Section 38** of this bill establishes additional circumstances that generally prohibit a creditor from seeking to satisfy a claim against the settlor from the assets of the trust and provides that such a prohibition does not preclude a creditor from seeking to satisfy a claim against the settlor of a spendthrift trust if the creditor can prove by clear and convincing evidence that trust property transferred by the settlor was fraudulent as to the creditor or violates a legal obligation owed to the creditor under a contract or valid court order.

**Section 39** of this bill provides that a trustee may act at the direction or with the consent of another party pursuant to the terms of a trust instrument to appoint property of one trust to another trust and revises other provisions relating to the appointment of such property. **Section 39** also revises the definition of the term “second trust” for the purposes of the appointment of such property.

Existing law authorizes a trustee to provide notice to certain persons after a revocable trust becomes irrevocable and generally prohibits any person who is provided notice from bringing an action to contest the validity of the trust more than 120 days after notice is served. (NRS 164.021) **Section 40** of this bill
provides that such a prohibition exists regardless of whether a petition for the assumption of jurisdiction of a trust by a court is served upon the person after such notice is provided.

Existing law authorizes a trustee of a nontestamentary trust to provide notice to creditors after the death of the settlor, establishes forms for a claim against the settlor or the trust and requires a creditor to file a claim with the trustee within a certain period or the claim is barred. (NRS 164.025) **Section 41** of this bill establishes a form for a claim against the settlor and the trust and provides that a claim filed with the trustee is presumed to be timely filed if it meets certain requirements. **Section 41** also establishes provisions concerning the discovery of the existence of an additional creditor after the initial notice to creditors is provided.

Existing law provides that if a trust has an unrepresented minor or incapacitated beneficiary, the custodial parent or guardian of the estate of the minor or incapacitated beneficiary is authorized to provide representation in any judicial proceeding or nonjudicial matter pertaining to the trust. (NRS 164.038) **Section 42** of this bill instead provides that any custodial parent or the guardian of the estate can provide such representation.

**Section 44** of this bill requires a lender, trustee or assignee of an encumbrance against real property to provide to the Director of the Department of Health and Human Services or a public administrator or similar person a statement containing the identifying number and account balance of any encumbrance against real property on which the name of a decedent appears and authorizes a reasonable fee to be charged for providing such a statement to a public administrator or similar person. **Section 45** of this bill requires a financial institution to provide a public administrator or similar person with access to a safe deposit box of a decedent for the purpose of inspecting and removing any will or instructions for disposition of the remains of the decedent. **Section 46** of this bill requires county health officers to include the residential addresses of all deceased persons in a written list filed with a public administrator or similar person.

   (c) The person has actual knowledge that the person presenting the court order is not a personal representative of the estate of the decedent.

4. The lack of legal or actual notice of the court proceeding resulting in the issuance of the court order providing to whom property is to be transferred is not a defense to not complying with the order unless an actual dispute exists over title to the property.

5. A person who timely complies with a court order in accordance with this section shall be held harmless.

6. A person who refuses to accept and comply with a court order in violation of this section is subject to:
   (a) A court order requiring acceptance of the order; and

Notwithstanding any other provision of law, if it appears to the court that the personal representative otherwise may take action that would jeopardize unreasonably the interest of the petitioner, of some other interested person or the estate, the court may enter the ex parte
order. A person with whom the personal representative may transact business may be made a party to the ex parte order.

2. Any ex parte orders entered pursuant to subsection 1 must be set for hearing within 10 days after entry of the ex parte order, unless the parties otherwise agree, or on a date the court otherwise determines is in the best interest of the estate.

3. 2. If the interested person has shown good cause why only limited authority should be granted, the court may grant limited authority.

Sec. 25.5. NRS 143.380 is hereby amended to read as follows:

(e) The efforts of the personal representative to obtain the highest and best price for the property reasonably attainable.
3. The requirements applicable to court confirmation of sales of real property and sales of personal property do not apply to a sale pursuant to this section.

4. If the personal representative determines that the sale of real property pursuant to this section will be less than 90 percent of the appraised value of the real property:
   (a) All interested persons must consent in writing to the sale before the personal representative may proceed with the sale; and

4. The personal representative who has limited authority or full authority has the power to continue to exercise any shareholder, partnership or membership rights owned by the decedent at the time of death to which the personal representative has succeeded during the administration of the estate.

5. Except as otherwise provided in subsection 4, the personal representative may exercise the powers described in subsections 1 [and 2] to 4, inclusive, without giving notice of the proposed action pursuant to NRS 143.700 to 143.760, inclusive.

6. The personal representative shall give notice of a proposed action pursuant to NRS 143.700 to 143.760, inclusive, if the personal representative continues as a general partner under subsection 1 [or a manager or managing member under subsection 2] or continues the operation of any unincorporated business or joint venture under subsection 3, for a period of more than 6 months after the date on which letters are first issued to a personal representative.

146.070 1. All or part of the estate of a decedent may be set aside without administration by the order of the court as follows:
(a) If the value of a decedent’s estate does not exceed $100,000, the estate may be set aside without administration by the order of the court; or
(b) If a decedent’s will directs that all or part of the decedent’s estate is to be distributed to the trustee of a nontestamentary trust established by the decedent and in existence at the decedent’s death, the portion of the estate subject to such direction may be set aside without administration. Any portion of a decedent’s estate set aside to the nontestamentary trust pursuant to this paragraph is subject to creditors of the estate unless the petitioner provides proof to the court that the trustee has published or mailed the requisite notice to such creditors on behalf of the nontestamentary trust and settlor pursuant to NRS 164.025.

2. Except as otherwise provided in subsection 3, the whole estate set aside pursuant to paragraph (a) of subsection 1 must be assigned and set apart in the following order:

6. In exercising the discretion granted in this section, the court shall consider the needs and resources of the surviving spouse and minor child or minor children, including any assets received by or for the benefit of the
surviving spouse or minor child or minor children from the decedent by nonprobate transfers.

7. For the purpose of this section, a nonprobate transfer from the decedent to one or more trusts or custodial accounts for the benefit of the surviving spouse or minor child or minor children shall be considered a transfer for the benefit of such spouse or minor child or minor children.

8. Proceedings taken under this section must not begin until at least 30 days after the death of the decedent and must be originated by a petition containing:
   (a) A specific description of all property in the decedent’s estate;

   (f) If the decedent left a will, a statement concerning all evidence known to the petitioner that tends to prove that the will is valid.

9. If the petition seeks to have the estate set aside for the benefit of the decedent’s surviving spouse or minor child or minor children without payment to creditors, the petition must also contain:
   (a) A specific description and estimated value of property passing by one or more nonprobate transfers from the decedent to the surviving spouse or minor child or minor children; or

10. When property is distributed pursuant to an order granted under this section, the court may allocate the property on a pro rata basis or a non-pro rata basis.

11. The clerk shall set the petition for hearing and the petitioner shall give notice of the petition and hearing in the manner provided in NRS 155.010 to the decedent’s heirs and devisees and to the Director of the Department of Health and Human Services. 13. At the hearing on a petition under this section, the court may require such additional evidence as the court deems necessary to make the findings required under subsection 14.

14. The order granting the petition shall include:

(a) A parent of such minor child, with or without the filing of any bond;

(b) A custodian under chapter 167 of NRS; or

(c) A court-appointed guardian of the estate, with or without bond.

16. For the purposes of this section, the value of property must be the fair market value of that property, reduced by the value of all enforceable liens and encumbrances. Property values and the values of liens and encumbrances must be determined as of the date of the decedent’s death.

Sec. 28. NRS 150.060 is hereby amended to read as follows:

150.060 1. An attorney for a personal representative is entitled to reasonable compensation for the attorney’s services, to be paid out of the decedent’s estate.

2. An attorney for a personal representative may be compensated based on:

(a) The applicable hourly rate of the attorney;

(b) The value of the estate accounted for by the personal representative;

(c) An agreement as set forth in subsection 4 of NRS 150.061; or

(d) Any other method preapproved by the court pursuant to a request in the initial petition for the appointment of the personal representative.

3. If the attorney is requesting compensation based on the hourly rate of the attorney, he or she may include, as part of that compensation for ordinary services, a charge for legal services or paralegal services performed by a person under the direction and supervision of the attorney.

4. If the attorney is requesting compensation based on the value of the estate accounted for by the personal representative, the court shall...
allow compensation of the attorney for ordinary services as follows:

(a) For the first $100,000, at the rate of 4 percent;
(b) For the next $100,000, at the rate of 3 percent;
(c) For the next $800,000, at the rate of 2 percent;
(d) For the next $9,000,000, at the rate of 1 percent;
(e) For the next $15,000,000, at the rate of 0.5 percent; and
(f) For all amounts above $25,000,000, a reasonable amount to be determined by the court.

5. Before an attorney may receive compensation based on the value of the estate accounted for by the personal representative, the personal representative must sign a written agreement as required by subsection 8. The agreement must be prepared by the attorney and must include detailed information, concerning, without limitation:

(a) The schedule of fees to be charged by the attorney;
(b) The manner in which compensation for extraordinary services may be charged by the attorney; and
(c) The fact that the court is required to approve the compensation of the attorney pursuant to subsection 8 before the personal representative pays any such compensation to the attorney.

6. For the purposes of determining the compensation of an attorney pursuant to subsection 4, the value of the estate accounted for by the personal representative:

(a) Is the total amount of the appraisal of property in the inventory, plus:
   (1) The gains over the appraisal value on sales; and
   (2) The receipts, less losses from the appraisal value on sales; and
(b) Does not include encumbrances or other obligations on the property of the estate.

7. In addition to the compensation for ordinary services of an attorney set forth in this section, an attorney may also be entitled to receive compensation for extraordinary services as set forth in NRS 150.061.

8. The compensation of the attorney must be fixed by written agreement between the personal representative and the attorney, and is subject to approval by the court, after petition, notice and hearing as provided in this section. If the personal representative and the attorney fail to reach agreement, or if the attorney is also the personal representative, the amount must be determined and allowed by the court. The petition requesting approval of the compensation of the attorney must contain specific and detailed information supporting the entitlement to compensation, including:

(a) If the attorney is requesting compensation based upon the value of the estate accounted for by the personal representative, the attorney must provide the manner of calculating the compensation in the petition; and
(b) If the attorney is requesting compensation based on an hourly basis, or is requesting compensation for extraordinary services, the attorney must provide the following information to the court:
(1) Reference to time and hours;
(2) The nature and extent of services rendered;
(3) Claimed ordinary and extraordinary services;
(4) The complexity of the work required; and
(5) Other information considered to be relevant to a determination of entitlement.

9. The clerk shall set the petition for hearing, and the petitioner shall give notice of the petition to the personal representative if he or she is not the petitioner and to all known heirs in an intestacy proceeding and devisees in a will proceeding. The notice must be given for the period and in the manner provided in NRS 155.010. If a complete copy of the petition is not attached to the notice, the notice must include a statement of the amount of the fee which the court will be requested to approve or allow.

10. On similar petition, notice and hearing, the court may make an allowance to an attorney for services rendered up to a certain time during the proceedings. If the attorney is requesting compensation based upon the value of the estate as accounted for by the personal representative, the court may apportion the compensation as it deems appropriate given the amount of work remaining to close the estate.

11. An heir or devisee may file objections to a petition filed pursuant to this section, and the objections must be considered at the hearing.

12. Except as otherwise provided in this subsection, an attorney for minor, absent, unborn, incapacitated or nonresident heirs is entitled to compensation primarily out of the estate of the distributee so represented by the attorney in those cases and to such extent as may be determined by the court. If the court finds that all or any part of the services performed by the attorney for the minor, absent, unborn, incapacitated or nonresident heirs was of value to the decedent’s entire estate as such and not of value only to those heirs, the court shall order that all or part of the attorney’s fee be paid to the attorney out of the money of the decedent’s entire estate as a general administrative expense of the estate. The amount of these fees must be determined in the same manner as the other attorney’s fees provided for in this section.

Sec. 31. Chapter 163 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A governing trust instrument may authorize the trustee, in the sole discretion of the trustee or at the direction or with the consent of a directing trust adviser, to reimburse a settlor for all or a portion of tax on trust income or principal that is payable by the settlor under the law imposing such tax.
In the sole discretion of the trustee, the trustee may pay such amount to the settlor directly or to an appropriate taxing authority on behalf of the settlor.

2. A trustee or directing trust adviser is not liable to any person for a result of determining whether, in exercising such discretion to reimburse or not reimburse a settlor for all or a portion of tax payable by the settlor on trust income or principal that is payable by the settlor pursuant to subsection 1.

3. The authority of a trustee to make a payment to or for the benefit of a settlor, or a determination by the trustee to exercise such authority in accordance with subsection 1, does not cause the settlor to be treated as a beneficiary for purposes of the laws of this State. As used in this subsection, “beneficiary” has the meaning ascribed to it in NRS 163.4147.

Sec. 32. NRS 163.002 is hereby amended to read as follows:

163.002 1. Except as otherwise provided by specific statute or any regulatory or contractual restrictions, a trust may be created by any of the following methods:

(a) A declaration by the owner of property that he or she or another person holds the property as trustee. In the absence of a contrary declaration by the owner of the property or of a transfer of the property to a third party and regardless of formal title to the property:

(1) Property declared to be trust property, together with all income therefrom and the reinvestment thereof, must remain trust property; and

(2) If the property declared to be trust property includes an account, contract, certificate, note, judgment, business interest, contents of a safe deposit box or other property interest that is subject to additions or contributions, all subsequent additions and contributions to the property are also trust property.

(b) A transfer of property by the owner during his or her lifetime to another person as trustee.

(c) A testamentary transfer of property by the owner to another person as trustee.

(d) An exercise of a power of appointment in trust.

(e) An enforceable promise to create a trust.

2. A declaration pursuant to paragraph (a) of subsection 1 may, but is not required, to include a schedule or list of trust assets that is signed by the owner of the property or that is incorporated by reference into a document that is signed by the owner of the property.

3. A declaration by the owner of property pursuant to paragraph (a) of subsection 1 that he or she or another person holds all the property of the declarant in trust is sufficient to create a trust over all the property of the declarant that is reliably identified through the use of extrinsic evidence as belonging to the declarant at the time of his or her death.
Section 33. NRS 163.004 is hereby amended to read as follows:

163.004 1. Except as otherwise provided by law, the terms of a trust instrument may expand, restrict, eliminate or otherwise vary the rights and interests of beneficiaries in any manner that is not illegal or against public policy, including, without limitation:

(a) The right to be informed of the beneficiary’s interest for a period of time;
(b) The grounds for the removal of a fiduciary;
(c) The circumstances, if any, in which the fiduciary must diversify investments;
(d) A fiduciary’s powers, duties, standards of care, rights of indemnification and liability to persons whose interests arise from the trust instrument; and
(e) The provisions of general applicability to trusts and trust administration.

2. A trust is irrevocable except to the extent that a right to amend the trust or a right to revoke the trust is expressly reserved by the settlor or is granted to one or more other persons under the terms of the trust instrument.

Notwithstanding the provisions of this subsection, the following powers do not render or make a trust revocable:

(a) Power of appointment;
(b) Power to add or remove beneficiaries;
(c) Power to appoint, remove or replace the trustee; or
(d) Power to make administrative amendments.

3. Nothing in this section shall be construed to:

(a) Authorize the exculpation or indemnification of a fiduciary for the fiduciary’s own willful misconduct or gross negligence; or
(b) Preclude a court of competent jurisdiction from removing a fiduciary because of the fiduciary’s willful misconduct or gross negligence.

4. The rule that statutes in derogation of the common law are to be strictly construed has no application to this section. This section must be liberally construed to give maximum effect to the principle of freedom of disposition and to the enforceability of trust instruments.

Section 34. NRS 163.0095 is hereby amended to read as follows:

163.0095 1. An electronic trust is a trust instrument that:

(e) Meets the requirements set forth in this chapter for a valid trust.
2. Regardless of the physical location of the settlor, an electronic trust shall be deemed to be executed in this State and will be governed by the laws of this State and subject to the jurisdiction of the courts of this State if the electronic trust is:
   (a) Transmitted to and maintained by a custodian designated in the trust instrument at the custodian’s place of business in this State or at the custodian’s residence in this State; or
   (b) Maintained by the settlor at the settlor’s place of business in this State or at the settlor’s residence in this State, or by the trustee at the trustee’s place of business in this State or at the trustee’s residence in this State.

3. Notwithstanding the provisions of subsection 2, the validity of a notarial act performed by an electronic notary public must be determined by applying the laws of the jurisdiction in which the electronic notary public is commissioned or appointed.

4. The provisions of this section do not apply to a testamentary trust.

5. The custodian of an electronic trust may convert the electronic trust into a certified paper original of the electronic trust under the following circumstances:
   (a) At the direction of the settlor or the trustee; or
   (b) Except as otherwise provided in subsection 8, with 30 days’ written notice, delivered to the last known address of the settlor or trustee, that the custodian intends to convert the electronic trust into a certified paper original.

6. An electronic trust may be converted into a certified paper original by creating a tangible document that contains the following:
   (a) The text of the electronic trust; and

      (1) That the electronic record was created at the time the settlor executed the electronic trust;
      (2) The identities of all custodians who have had custody of the electronic record since the execution of the electronic trust;
      (3) That the certified paper original is a true, correct and complete tangible manifestation of the electronic trust; and
      (4) That the electronic record of the electronic trust is presently in the custody of the custodian.

7. The custodian of an electronic trust may destroy the electronic record of the electronic trust after converting the electronic trust into a certified paper original if the custodian:
   (a) Provides 30 days’ written notice, delivered to the last known address of the settlor or trustee, that the custodian intends to destroy the record and the settlor or trustee does not object within the 30-day period; and
   (b) Makes a reasonable effort to provide the electronic record to the settlor or trustee before destroying the electronic record.

8. Before the expiration of the 30 days after the custodian gives notice to the settlor or trustee pursuant to paragraph (b) of subsection 5, if the settlor
or trustee objects to the conversion of the electronic trust into a certified paper original and agrees to take custody of the electronic trust, the custodian shall not convert the electronic trust into a certified paper original and shall deliver the electronic record of the electronic trust to the settlor or trustee or to such other person as the settlor or trustee may direct.

9. As used in this section:
   (a) “Authentication characteristic” has the meaning ascribed to it in NRS 133.085.
   (b) “Authentication method” means a method of identification using any applicable method authorized or required by law, including, without limitation, a digital certificate using a public key or a physical device, including, without limitation, a smart card, flash drive or other type of token, an authentication characteristic or another commercially reasonable method.
   (c) “Certified paper original” means a tangible document that contains the text of an electronic trust.
   (d) “Public key” has the meaning ascribed to it in NRS 720.110.

Sec. 35. NRS 163.025 is hereby amended to read as follows:
163.025 1. Except as otherwise provided by the terms of the trust instrument, a trustee may combine two or more trusts into a single trust or divide a trust into two or more separate trusts if the combination or division does not:
   (a) Impair the rights of any beneficiary;
   (b) Substantially affect the accomplishment of the purposes of the trust or trusts; or
   (c) Violate the rule against perpetuities applicable to the trust or trusts.

2. If the terms of the trust instrument do not expressly authorize the combination or division of trusts, then the combination or division of trusts must be made by court order or after giving notice of the proposed action and following the procedure set forth in NRS 164.725. The notice of the proposed action must include a summary of the anticipated tax consequences, if any, of the proposed combination or division.

Sec. 36. NRS 163.553 is hereby amended to read as follows:
163.553 As used in NRS 163.553 to 163.556, inclusive, and section 31 of this act, unless the context otherwise requires, the words and terms defined in NRS 163.5533 to 163.5547, inclusive, have the meanings ascribed to them in those sections.

Sec. 38. NRS 163.5559 is hereby amended to read as follows:

163.5559 1. Except as otherwise provided in subsection 2, a creditor of a settlor may not seek to satisfy a claim against the settlor from the assets of a trust [if the settlor’s sole interest in the trust is because of the existence of [a] [(a) A discretionary power granted to a person other than the settlor by the terms of the trust or by operation of law or to reimburse the settlor for any tax on trust income or principal which is payable by the settlor under the law imposing such tax [1];

(b) A power allowing the settlor to reacquire the trust corpus by substituting other property of an equivalent value; or
(c) A power allowing the settlor to borrow trust corpus or income, directly or indirectly, without adequate interest or without adequate security.

2. The provisions of subsection 1 do not apply to preclude a creditor from seeking to satisfy a claim against the settlor of a spendthrift trust from trust property transferred by the settlor to the extent [a] the creditor can prove by clear and convincing evidence that the transfer was fraudulent as to that creditor pursuant to chapter 112 of NRS or [was otherwise wrongful as to] violates a legal obligation owed to that creditor under a contract or a valid court order that is legally enforceable by that creditor.

3. For purposes of this section, a beneficiary of a trust shall be deemed to not be a settlor of a trust because of a lapse, waiver or release of the beneficiary’s right to withdraw part or all of the trust property if the value of the property which could have been withdrawn by exercising the right of withdrawal in any calendar year does not, at the time of the lapse, waiver or release, exceed the greater of the amount provided in 26 U.S.C. § 2041(b)(2), 26 U.S.C. § 2503(b) or 26 U.S.C. § 2514(e), as amended, or any successor provision.

2. The second trust to which a trustee appoints property of the original trust may only have as beneficiaries one or more of the beneficiaries of the original trust:
   (a) To or for whom a distribution of income or principal may be made from the original trust;
   (b) To or for whom a distribution of income or principal may be made in the future from the original trust at a time or upon the happening of an event specified under the original trust; or
   (c) Both paragraphs (a) and (b).

3. A trustee may not appoint property of the original trust to a second trust if:

      (2) A trust for which a charitable deduction has been taken for federal or state income, gift or estate tax purposes; or

   (b) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust’s power of withdrawal is unchanged with respect to the trust property.
   (c) [Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.]
   (d) A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust provides that the
beneficiary’s remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.

4. A trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:
   (a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:
      (1) The trustee does not have discretion to make distributions to himself or herself;

6. The provisions of subsections 4 and 5 do not prohibit a trustee who is not a beneficiary of the original trust or who may not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary from exercising the authority to appoint property of the original trust to a second trust pursuant to the provisions of subsection 1.

7. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court’s approval must include the trustee’s
opinion of how the appointment of property will affect the trustee’s compensation and the administration of other trust expenses.

8. The trust instrument of the second trust may:
   (a) Grant a general or limited power of appointment to one or more of the beneficiaries of the second trust who are beneficiaries of the original trust.
   (b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

9. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

10. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee’s creditors, the trustee’s estate or the creditors of the trustee’s estate and the provisions of NRS 111.1031 apply to such power of appointment.

11. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law

   or under the terms of the original trust.

12. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

13. The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.

14. A trustee’s power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

15. A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

16. The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also exercise the powers granted pursuant to this section with respect to the second trust.

17. Except as otherwise provided under the terms of the trust, the power of a trustee to appoint property to another trust is in addition to any other powers conferred by the terms of the trust or under the laws of this State. This section does not expand, restrict, eliminate or otherwise alter any power that, with respect to a trust, a person holds in a nonfiduciary capacity.

18. The power of a trustee to appoint property to another trust is an administrative act under this section and, therefore, regardless of whether a trust applies the laws of this State for construction or validity issues, this section applies to a trust that is governed by, sitused in or administered under the laws of this State, whether the trust is initially governed by, sitused in or
administered under the laws of this State pursuant to the terms of the trust instrument or whether the governing law, situs or administration of the trust is moved to this State from another state or foreign jurisdiction.

19. The power to appoint property to a second trust pursuant to this section may be exercised to appoint property to a second trust that is a special needs trust, pooled trust or third-party trust.

19. As used in this section:

(b) “Pooled trust” means a trust described in 42 U.S.C. § 1396p(d)(4)(C) that meets the requirements for such a trust under any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(c) “Second trust” means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the original trust. The second trust may be a trust created under:

(1) That the original trust instrument, as modified after an appointment of property made pursuant to this section, or

(2) A different trust instrument. If the second trust is created under the original trust instrument, as modified after an appointment of property made pursuant to this section, and is therefore the modified original trust, a trustee may exercise the power to appoint the trust property from the original trust to the second trust without an actual distribution of the property subject to the appointment.

(d) “Special needs trust” means a trust under 42 U.S.C. § 1396p(d)(4)(A) that meets the requirements for such a trust under any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(e) “Third-party trust” means a trust that is:

(1) Established by a third party with the assets of the third party to provide for the supplemental needs of a person who is eligible for needs-based public assistance at or after the time of the creation of the trust; and

(2) Exempt from the provisions of any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid.

   (d) Any information required to be included in the notice expressly provided by the trust instrument; and
   (e) A statement set forth in a separate paragraph, in 12-point boldface type or an equivalent type which states: “You may not bring an action to contest the trust more than 120 days from the date this notice is served upon you.”

3. The trustee shall cause notice pursuant to this section to be provided in accordance with the provisions of NRS 155.010.

4. No person upon whom notice is served pursuant to this section may bring an action to contest the validity of the trust more than 120 days from the date the notice pursuant to this section is provided, regardless of whether a petition under NRS 164.010 is subsequently served upon the person, unless the person proves that he or she was not provided notice in accordance with this section.

Sec. 41. NRS 164.025 is hereby amended to read as follows:

Except as otherwise provided in subsection 4, a person having a claim, due or to become due, against a settlor or the trust, as applicable, must file the claim with the trustee within 90 days after the mailing, for those required to be mailed, or 90 days after publication of the first notice to creditors. A claim filed within the applicable period is presumed timely filed if it contains on the first page of the claim a title stating it is a “Claim Pursuant to NRS 164.025” in a minimum 12-point bold type and it is mailed to the trustee at the address set forth in the notice with a return receipt or the creditor obtains written confirmation of receipt signed by the trustee or trustee’s counsel. Any claim against a settlor or the trust estate, as applicable, that is not timely filed within that time is forever barred. After the expiration of the time to file a claim as provided in this section, subsection or, if applicable, subsection 4, the trustee may distribute the assets of the trust to its beneficiaries without personal liability for any claim which has not been timely filed with the trustee. A claim not complying with the requirements of this subsection is rebuttably presumed to be untimely.

5. If the trustee knows or has reason to believe that the settlor received public assistance during the lifetime of the settlor, the trustee shall, whether or not the trustee gives notice to other creditors, give notice within 30 days after the death to the Department of Health and Human Services in the manner provided in NRS 155.010. If notice to the Department is required by this subsection but is not given, the trust estate and any assets transferred to a beneficiary remain subject to the right of the Department to recover public assistance received.

6. If a claim is rejected by the trustee, in whole or in part, the trustee must, within 10 days after the rejection, notify the claimant of the rejection by written notice forwarded by registered or certified mail to the mailing address of the claimant. The claimant must bring suit in the proper court against the trustee within 60 days after the notice is given, whether the claim is due or not, or the claim is barred forever and the trustee may distribute the assets of the trust to its beneficiaries without personal liability to any creditor whose claim is barred forever.

164.038 1. Unless otherwise represented by counsel, a minor, incapacitated person, unborn person or person whose identity or location is unknown and not reasonably ascertainable may be represented by another person who has a substantially similar interest with respect to the question or dispute.

2. A person may only be represented by another person pursuant to subsection 1 if there is no material conflict of interest between the person and the representative with respect to the question or dispute for which the person is being represented. AN ACT relating to elections; establishing procedures for the use of mail ballots in every election; establishing various requirements relating to mail ballots; revising the requirements for signature verification of mail ballots; revising the deadline to submit a request for the establishment of a polling place within an Indian reservation or Indian colony for an election; revising the personal data that may be requested if a voter’s signature is challenged at the polls; requiring the Secretary of State to enter into a cooperative agreement with the State Registrar of Vital Statistics to obtain certain information relating to the statewide voter registration list; authorizing a county clerk, city clerk or
registrar of voters and deputies thereof charged with powers and duties relating to elections to request certain personal information be maintained in a confidential manner; repealing provisions related to absent ballots, mailing ballots and affected elections; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes a registered voter to request an absent ballot to vote at an election and sets forth various requirements and procedures to be used for voting and processing absent ballots. (NRS 293.3088-293.340, 293C.304-293C.340) Existing law also provides that a county or city clerk may designate certain election precincts as mailing precincts or absent ballot mailing precincts and all registered voters who live in such an election precinct are mailed a mailing ballot and may vote by mailing ballot. (NRS 293.343-293.355, 293C.342-293C.352) Existing law further provides that for elections that are affected by certain emergencies or disasters, the county and city clerks are required to mail each registered voter a mail ballot and sets forth requirements and procedures to be used for mail ballots. (NRS 293.8801-293.8887) **Section 91** of this bill repeals the existing provisions for absent ballots, mailing ballots and mail ballots. **Sections [2-17] 2, 3-17 and 51-63** of this bill: (1) require the county and city clerks to send each active registered voter and each person who registers to vote or updates his or her voter registration information not later than 14 days before an election a mail ballot for all elections; and (2) reenact, with certain changes, various requirements relating to the preparation and distribution of mail ballots and procedures for voting, returning, verifying and counting mail ballots. **Sections 18-24, 30-33, 35-45, 47-49, 66-69, 72, 73, 76-79 and 81-86** of this bill make conforming changes to revise references to absent ballots, mailing ballots and mail ballots for affected elections.

**Sections 3 and 51** of this bill provide that a voter may elect not to receive a mail ballot by submitting a written notice to the county or city clerk, which must be received by the county or city clerk, as applicable, not later than 60 days before the day of the election.

**Sections 2.2 and 2.4** of this bill require the county clerk to establish a minimum number of polling places for primary elections and general elections in the county for early voting by personal appearance and polling places for voting on the day of the election based on the population of the county.

Existing law provides that an absent ballot or mail ballot that is mailed to the county or city clerk must be postmarked on or before the day of the election and received by 5 p.m. on the seventh day following the election. (NRS 293.317, 293.8861, 293C.319) **Sections 8 and 56** of this bill revise this deadline to instead require a mail ballot that is mailed to the county or city clerk to be received by 5 p.m. on the fourth day following an election. **Sections 8 and 56** also require the county and city clerk to establish ballot drop boxes at every polling location in the county or city, as applicable. **Section**
45 of this bill makes it a category E felony for a person other than a county clerk or city clerk to establish a ballot drop box.

Existing law establishes a process for county and city clerks to verify signatures on absent ballots, mailing ballots and mail ballots. (NRS 293.325, 293.355, 293.8874, 293C.325, 293C.352) Sections 11 and 59 of this bill authorize the county and city clerks to review the signature of a voter manually or by electronic means and establish requirements for an electronic device to verify the signature of a voter.

Sections 16 and 64 of this bill require each county clerk and city clerk and all members of their staff whose duties include administering an election to complete a class on forensic signature verification that is approved by the Secretary of State at least once each year. Sections 17 and 65 of this bill provide that if a county or city clerk uses an electronic device to verify signatures on mail ballots, the clerk must: (1) conduct a test of the accuracy of every electronic device before the election; (2) perform daily audits of the electronic device during the processing of ballots for the election; and (3) prepare an audit report. Sections 34 and 80 of this bill require the audit reports to be deposited in the vaults of the county or city with other election materials.

Existing law allows a voter who has failed to affix his or her signature on an absent, mailing or mail ballot or for whom there is a reasonable question of fact as to whether the signature used for the absent, mailing or mail ballot matches the signature of the voter to provide a signature or confirmation not later than 5 p.m. on the seventh day following an election or the ninth day following an affected election. (NRS 293.325, 293.355, 293.8874, 293C.325, 293C.352) Sections 11 and 59 revise this deadline to require a voter to provide a signature or confirmation by the sixth day following an election. Sections 11 and 59 also establish methods by which the county or city clerk may verify the identity of a voter for whom there is a reasonable question of fact as to whether the signature used on his or her mailing ballot matches the voter’s signature.

Existing law requires certain persons who register to vote to show certain proof of identity and residency the first time voting in an election for federal office in this State. A person who registers to vote at the Department of Motor Vehicles using the process commonly known as the Automatic Voter Registration System is not required to show proof of identity or residency the first time voting in an election for federal office in this State if the person presented to the Department of Motor Vehicles certain proof of identity and residency. (NRS 293.2725, 293.5742) Section 25 of this bill makes a technical change to clarify that a person who registers to vote at the Department of Motor Vehicles using the Automatic Voter Registration System is not required to show proof of identity or residency the first time voting in an election for federal office in this State if the person presented to the Department of Motor Vehicles certain proof of identity and residency.

Existing law authorizes an Indian tribe to submit a request for the establishment of a polling place within the boundaries of an Indian reservation
or Indian colony, which must be submitted by the first Friday in January for a
primary election and the first Friday in July for a general election. (NRS
293.2733, 293.3572, 293C.2675, 293C.3572) Sections 26, 28, 70 and 74 of
this bill revise the deadline for the request for the establishment of a polling
place within the boundaries of an Indian reservation or Indian colony for early
voting and the day of a primary election or general election to April 1 for a
primary election and August 1 for a general election. Sections 26 and 70 also authorize an Indian tribe to submit a request for
the establishment of a ballot drop box within the boundaries of an Indian
reservation or Indian colony by the same deadlines.

Existing law provides that if the signature of a voter who appears to vote in
person at the polls does not match the voter’s signature on file, the voter must
be identified by answering questions covering the personal data reported on an
application to register to vote or providing other personal data. (NRS 293.285,
293.3585, 293C.275, 293C.3585) Sections 27, 29, 71 and 75 of this bill
provide that the questions covering the personal data of a voter may include the voter’s date of birth.

Existing law authorizes a person to register to vote through the
Thursday preceding the day of the election by submitting an application
to register to vote by computer using the system established by the
Secretary of State before the person appears at a polling place to vote in
person using a provisional ballot. (NRS 293.560, 293.5837, 293C.527)
Sections 42.5, 43 and 80.5 of this bill extend this deadline to allow a
person to register to vote using this method through the day of the
election.

Existing law requires the Secretary of State to establish and maintain the
statewide voter registration list. (NRS 293.675) Section 44 of this bill requires
the Secretary of State to enter into a cooperative agreement with the State
Registrar of Vital Statistics to match information in the statewide voter
registration list with the records from the State Registrar of Vital Statistics
concerning the death of residents of the State to maintain the statewide voter
registration list.

Existing law authorizes certain persons to obtain a court order to require a
county assessor, county recorder, county clerk, city clerk or Secretary of State
to maintain the personal information of the person contained in their records
in a confidential manner. (NRS 247.530, 247.540, 250.130, 250.140, 293.908)
Sections 46, 87 and 88 of this bill authorize a county or city clerk or registrar
of voters charged with the powers and duties relating to elections and any
deputy appointed by the county or city clerk or registrar of voters in the
elections division to request a court order to require a county assessor, county
recorder, county clerk, city clerk or the Secretary of State maintain the personal
information of the person contained in their records in a confidential manner.

Existing law authorizes certain persons to request that the Department of
Motor Vehicles display an alternate address on the person’s driver’s license,
commercial driver’s license or identification card. (NRS 481.091) Section 89
of this bill authorizes a county clerk, city clerk, registrar of voters charged with
powers and duties related to elections and any deputy in the elections division
of the county or city to also request that the Department display an alternate
address on the person’s driver’s license, commercial driver’s license or
identification card.

Sec. 11. 1. 2. To check the signature used for a mail ballot by electronic means:
   (a) The electronic device must take a digital image of the signature used for the mail ballot and compare the digital image with the signatures of the voter from his or her application to register to vote or application to preregister to vote available in the records of the county clerk.
   (b) If the electronic device does not match the signature of the voter, the signature shall be reviewed manually pursuant to the provisions of subsection 3.

3. To check the signature used for a mail ballot manually, the county clerk shall use the following procedure:

4. For purposes of subsection 3:
   (a) There is a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter if the signature used for the mail ballot differs in multiple, significant and obvious respects from the signatures of the voter available in the records of the clerk.
   (b) There is not a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter if:
      1) The signature used for the mail ballot is a variation of the signature of the voter caused by the substitution of initials for the first or middle name, the substitution of a different type of punctuation in the first, middle or last name, the use of a common nickname or the use of one last name for a person who has two last names and it does not otherwise differ in multiple, significant and obvious respects from the signatures of the voter available in the records of the clerk; or
      2) There are only slight dissimilarities between the signature used for the mail ballot and the signatures of the voter available in the records of the clerk.

5. Except as otherwise provided in subsection 6, if the clerk determines that the voter is entitled to cast the mail ballot, the clerk shall deposit the mail ballot in the proper ballot box or place the mail ballot, unopened, in a container that must be securely locked or under the control of the clerk at all times. The clerk shall deliver the mail ballots to the mail ballot central counting board to be processed and prepared for counting.

6. If the clerk determines when checking the signature used for the mail ballot that the voter failed to affix his or her signature or failed to affix it in the manner required by law for the mail ballot or that there is a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter, but the voter is otherwise entitled to cast the mail ballot, the clerk shall contact the voter and advise the voter of the procedures to provide a signature or a confirmation that the signature used for the mail ballot belongs to the voter, as applicable. For the mail ballot to be counted, the voter must provide a signature or a confirmation, as applicable, not later than 5 p.m. on the sixth day following the election.

7. The clerk shall prescribe procedures for a voter who failed to affix his or her signature or failed to affix it in the manner required by law for the mail ballot, or for whom there is a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter, in order to:
(a) Contact the voter;
(b) Allow the voter to provide a signature or a confirmation that the signature used for the mail ballot belongs to the voter, as applicable; and
(c) After a signature or a confirmation is provided, as applicable, ensure the mail ballot is delivered to the mail ballot central counting board.

8. If there is a reasonable question of fact as to whether the signature used for the mail ballot matches the signature of the voter, the voter must be identified by:
   (a) Answering questions from the county clerk covering the personal data which is reported on the application to register to vote;
   (b) Providing the county clerk, orally or in writing, with other personal data which verifies the identity of the voter; or
   (c) Providing the county clerk with proof of identification as described in NRS 293.277 other than the voter registration card issued to the voter.

9. The procedures established pursuant to subsection 7 for contacting a voter must require the clerk to contact the voter, as soon as possible after receipt of the mail ballot, by:
   (a) Mail;
   (b) Telephone, if a telephone number for the voter is available in the records of the clerk; and
   (c) Electronic means, which may include, without limitation, electronic mail, if the voter has provided the clerk with sufficient information to contact the voter by such means.

Sec. 12. 1. The county clerk shall appoint a mail ballot central counting board for the election.
2. The clerk shall appoint and notify voters to act as election board officers for the mail ballot central counting board in such numbers as the clerk determines to be required by the volume of mail ballots required to be sent to each active registered voter in the county for the election. The voters appointed as election board officers for the mail ballot central counting board must not all be of the same political party. No candidate for nomination or election or a relative of the candidate within the second degree of consanguinity or affinity may be appointed as such an election board officer.
3. The clerk’s deputies who perform duties in connection with elections shall be deemed officers of the mail ballot central counting board.
4. The mail ballot central counting board is under the direction of the clerk.

Sec. 13. 1. The mail ballot central counting board may begin counting the received mail ballots 15 days before the day of the election. The board must complete the count of all mail ballots on or before the seventh day following the election. The counting procedure must be public.
2. If two or more mail ballots are found folded together to present the appearance of a single ballot, they must be laid aside. If a majority of the inspectors are of the opinion that the mail ballots folded together were voted
Sec. 14. Except as otherwise provided in NRS 293D.200, each mail ballot central counting board shall process the mail ballots in the following manner:

1. The name of the voter, as shown on the return envelope, must be checked as if the voter were voting in person;
2. [If the board determines that the voter is entitled to cast a mail ballot, the return envelope must be opened, the numbers on the mail ballot and return envelope compared, the number strip or stub detached from the mail ballot and, if the numbers are the same, the mail ballot must be counted;]
3. If the board determines the voter is entitled to cast a mail ballot and all other processing steps have been completed, the return envelope must be opened and the mail ballot counted;
4. An election board officer shall indicate “Voted” by the name of the voter; and
5. When all mail ballots delivered to the board have been voted or rejected, except as otherwise provided in NRS 293D.200, the empty envelopes and the envelopes containing rejected mail ballots must be returned to the clerk. On all envelopes containing rejected mail ballots, the cause of rejection must be noted and the envelope signed by an election board officer.

Sec. 15. 1. The voting results of the mail ballot vote in each precinct must be certified and submitted to the county clerk, who shall have the results added to the votes of the precinct that were not cast by mail ballot. The returns of the mail ballot vote must be reported separately from the other votes that were not cast by mail ballot in the precinct unless reporting the returns separately would violate the secrecy of a voter’s ballot.
2. The clerk shall develop a procedure to ensure that each mail ballot is kept secret.
3. No voting results of mail ballots may be released until all polling places are closed and all votes have been cast on the day of the election. Any person who disseminates to the public in any way information pertaining to the count of mail ballots before all polling places are closed and all votes have been cast on the day of the election is guilty of a misdemeanor.

Sec. 16. At least once each year, each county clerk and all members of his or her staff whose duties include administering an election must complete a training class on forensic signature verification that is approved by the Secretary of State.

Sec. 17. If a county clerk uses an electronic device in an election to verify signatures on mail ballots:
1. The county clerk must conduct a test of the accuracy of the electronic devices before the election. The test must be conducted in a manner that ensures the electronic device will use the same standards for determining the validity of a signature as would be used by a natural person verifying the signature pursuant to section 11 of this act.

2. The county clerk must perform daily audits of each electronic device during the processing of mail ballots for the election. The daily audit must include a review of a sample of at least 1 percent of the signatures verified each day. The county clerk shall appoint election board officers who must not all be of the same political party to manually review the signatures. The county clerk must prepare a report of each daily audit.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 195.

AN ACT relating to cannabis; authorizing [the Cannabis Compliance Board] a district attorney or city attorney to [impose bring certain penalties] a civil action against a person for engaging in [the business of] certain activities relating to cannabis establishment without a license [or registration card issued by the Cannabis Compliance Board]; requiring advertising by a cannabis establishment to include the name and license number or other unique identifier of the cannabis establishment; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law prohibits a person from possessing, delivering or producing marijuana or paraphernalia, or aiding and abetting another in doing so, but creates an exemption from state prosecution for such crimes in certain circumstances for persons who are at least 21 years of age or hold a registry identification card, letter of approval, cannabis establishment agent registration card, adult-use cannabis establishment license or medical cannabis establishment license. A person who engages in [the business of] activities relating to cannabis establishment for which a license or registration card is required without [the appropriate license or registration card] does not qualify for such an exemption and is therefore subject to prosecution for such crimes. (NRS 453.316, 453.321, 453.336, 453.337, 453.339, 453.3393, 678C.200, 678D.200) Existing law additionally prohibits a person from engaging in the business of a medical cannabis establishment or adult-use
cannabis establishment without a license issued by the Cannabis Compliance Board. (NRS 678B.210, 678B.250) If a licensee has violated the provisions of law relating to the regulation of cannabis, the Board may impose certain penalties, including the revocation of the license of the licensee and the imposition of a civil penalty. (NRS 678A.600) Section [1.5] of this bill additionally authorizes the Board to impose certain penalties, in addition to any criminal prosecution, for engaging in the business of a medical cannabis establishment or adult-use cannabis establishment. If a person engages in certain activities relating to cannabis without a license, if a person violates such provisions, the Board may require the person to pay: (1) court costs; (2) reasonable costs of the investigation of the violation by the Board; (3) damages caused as a result of the violation up to the amount of the pecuniary gain of the person from the violation; or (4) any combination of these penalties or registration card issued by the Board in violation of the provisions of existing law governing the regulation of cannabis, the district attorney or city attorney for the jurisdiction in which the violation occurred is authorized to bring an action against the person to recover a civil penalty of not more $50,000 for each violation. Section 1.5 also authorizes a district attorney or city attorney to bring an action to enjoin such violations.

Under existing law, certain activities concerning advertising by a cannabis establishment are prohibited or required, such as prohibiting a cannabis establishment from engaging in advertising which contains a statement or illustration that is false or misleading and requiring advertising to contain a warning that cannabis is for use only by adults who are 21 years of age or older. (NRS 678B.520) Section 2 of this bill requires that all advertising by a cannabis establishment contain: (1) the name of the cannabis establishment; and (2) the adult-use cannabis establishment license number or other unique identifier or the medical cannabis establishment license number or other unique identifier of the cannabis establishment.

The following amendment was proposed by the Committee on Government
Affairs:

Amendment No. 332.
AN ACT relating to land use planning; establishing certain requirements for
judicial review of certain land use planning decisions of a governing body,
commission or board; exempting, under certain circumstances, the retention
or detention of developed stormwater flow from certain appropriation
procedures; under certain circumstances, provisions related to the
appropriation of water; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law authorizes the governing bodies of cities and counties to regulate and restrict land use within their jurisdictions, which may include requirements for the retention or detention of stormwater before approving the development, division or subdivision of a parcel of land. (NRS 278.020) Existing law prohibits the filing of an action against a governing body, commission or board with respect to any final action, decision or order related to land use planning unless the action is commenced within 25 days after the filing of the notice of a final action, decision or order. (NRS 278.0235)

Section 1 of this bill establishes deadlines for: (1) filing a memorandum of points and authorities; (2) serving and filing a reply memorandum of points and authorities; and (3) requesting a hearing. Section 1 authorizes the court to extend the deadlines and requires all memoranda of points and authorities to comply with Rule 28 of the Nevada Rules of Appellate Procedure.

Existing law requires that, subject to existing rights, the appropriation of any water in this State is subject to the provisions of chapter 533 of NRS, which, among other things, require any person seeking to appropriate water to obtain a permit to do so. (NRS 533.030, 533.325) Section 2 of this bill provides that if the governing body of a county or city requires the retention or detention of stormwater before approving the development, division or subdivision of land, the retention or detention of stormwater is exempted from the requirements of chapter 533 of NRS so that the stormwater may be retained or detained without a water right or permit to appropriate water. Section 2.5 of this bill provides that in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County), the requirements of chapter 533 of NRS do not apply to the retention or detention of developed stormwater flow for the purpose of flood control or stormwater management if: (1) the governing body of the county or city requires such retention or detention as a condition of the approval of a development; and (2) such retention or detention does not impair the predevelopment flow or predevelopment recharge of the relevant sources of surface water or groundwater. Sections 3 and 4 of this bill make conforming changes related to exempting such retention or detention of developed stormwater flow from the general requirements of chapter 533 of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 321.

AN ACT relating to crimes; authorizing a justice court or municipal court to establish a program of treatment for a defendant who is charged with misdemeanor battery which constitutes domestic violence; enacting various provisions pertaining to the program of treatment; eliminating the prohibition on plea bargaining by a prosecuting attorney if a person is charged with battery which constitutes domestic violence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law authorizes the establishment of various programs for treatment, including for the treatment of alcohol or other substance use disorders, for the treatment of mental illness or intellectual disabilities and for the treatment of veterans and members of the military who suffer from certain conditions. (NRS 176A.230, 176A.250, 176A.280) Section 3 of this bill authorizes a justice court or municipal court to establish a program for the treatment of defendants convicted of misdemeanor battery which constitutes domestic violence. Section 3 provides that: (1) the assignment of a defendant to a program must include the terms and conditions for successful completion of the program; and (2) progress reports must be provided at intervals set by the court to ensure that the defendant is making satisfactory progress towards completion of the program.

Section 4 of this bill provides that if a defendant pleads guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill
a misdemeanor battery which constitutes domestic violence, after hearing arguments from the parties, the court may, without entering a judgment of conviction and with the consent of the defendant, suspend further proceedings upon terms and conditions that must include completion of a program established pursuant to section 3. Section 4 also: (1) requires the court to allow a victim or prosecuting attorney to be heard before assigning the defendant to the program and to consider the safety of the victim in determining whether to assign the defendant to the program; (2) sets forth the circumstances under which a defendant is ineligible for the program; (3) authorizes the court to take certain actions upon a violation of a term or condition by a defendant; (4) provides that upon fulfillment of the terms and conditions, the court is required to discharge the defendant and conditionally dismiss the charges; and (5) sets forth the effect of such a discharge and conditional dismissal. Section 5 of this bill requires the court to order the sealing of the records of the case of a defendant who successfully completes a program, except that the court is prohibited from ordering a law enforcement agency or prosecuting attorney to seal the records sooner than 7 years after the conditional dismissal. Sections 6-9 of this bill make conforming changes relating to the sealing of the records of the case of a defendant who successfully completes a program.

Existing law provides that if a person is charged with committing a battery which constitutes domestic violence: (1) a prosecuting attorney is prohibited from dismissing such a charge in exchange for a plea of guilty, guilty but mentally ill or nolo contendere to a lesser charge or for any other reason unless the prosecuting attorney knows, or it is obvious, that the charge is not supported by probable cause or cannot be proved at the time of trial; and (2) a court is prohibited from granting probation to or suspending the sentence of the person, except that a justice court or municipal court may suspend the sentence of a person under certain circumstances and a court may grant probation to or suspend the sentence of a person to assign the person to a program for the treatment of veterans and members of the military if the charge is for a first offense punishable as a misdemeanor. (NRS 200.485) Section 10 of this bill: (1) eliminates the prohibition on plea bargaining by a prosecuting attorney; and (2) authorizes a court to suspend a sentence to assign a person to a program established pursuant to section 3.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. As used in sections 2 to 5, inclusive, of this act, unless the context otherwise requires, “misdemeanor battery which constitutes domestic violence” means:

1. A violation of NRS 200.485 that is punishable as a misdemeanor; or
2. A violation of a county or municipal ordinance which prohibits the
same conduct that is prohibited under NRS 200.485 and which is punishable
as a misdemeanor.

Sec. 3. 1. A justice court or municipal court may establish an
appropriate program for the treatment of defendants who are charged with
or convicted of misdemeanor battery which constitutes domestic violence
who would benefit from assignment to the program.

2. The assignment of a defendant to a program pursuant to this section
must:
(a) Include the terms and conditions for successful completion of the
program; and
(b) Provide for progress reports at intervals set by the court to ensure that
the defendant is making satisfactory progress towards completion of the
program.

Sec. 4. 1. If a defendant tenders a plea of guilty, guilty but mentally ill
or nolo contendere to, or is found guilty or guilty but mentally ill of, a
misdemeanor battery which constitutes domestic violence, after hearing
argument from the parties, the court may, without entering a judgment of
conviction and with the consent of the defendant, suspend further
proceedings upon terms and conditions that must include attendance and
successful completion of a program established pursuant to section 3 of this
act.

2. The court shall:
(a) Allow the prosecuting attorney and the victim a reasonable
opportunity to be heard before the court considers assigning the defendant
to a program established pursuant to section 3 of this act; and
(b) Consider the safety of the victim in determining whether to assign the
defendant to a program established pursuant to section 3 of this act.

3. A defendant is not eligible for assignment to a program established
pursuant to section 3 of this act if:
(a) The defendant was previously convicted of misdemeanor battery
which constitutes domestic violence or previously completed a program
established pursuant to section 3 of this act; or
(b) The defendant entered into a plea agreement with a prosecuting
attorney, unless the plea agreement allows the defendant to complete a
program established pursuant to section 3 of this act.

4. Upon violation of a term or condition:
(a) The court may impose sanctions against the defendant for the
violation, but allow the defendant to remain in the program. Before imposing
a sanction, the court shall notify the defendant of the violation and provide
the defendant an opportunity to respond. Any sanction imposed pursuant
to this paragraph may include, without limitation, imprisonment in a county or
city jail or detention facility for a term set by the court, which must not
exceed 6 months.
(b) The court may enter a judgment of conviction, if applicable, and proceed as provided in the section pursuant to which the defendant was charged.

3. Upon fulfillment of the terms and conditions, the court shall discharge the defendant and dismiss the proceedings.

4. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal may conditionally dismiss the charges. If a court conditionally dismisses the charges, the court shall notify the defendant that the conditionally dismissed charges are a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail in a future case, but are not a conviction for purposes of employment, civil rights or any statute, regulation, license or questionnaire or for any other public or private purpose. Conditional dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, complaint, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, complaint, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

Sec. 5. 1. Except as provided in subsection 3, after a case is conditionally dismissed pursuant to section 4 of this act, the court shall order sealed all documents, papers and exhibits in the defendant’s record, minute book entries and entries on dockets, and other documents relating to the case in the custody of such other agencies and officers as are named in the court’s order if the defendant fulfills the terms and conditions imposed by the court.

2. The court shall send a copy of the order to each agency or officer named in the order. Each such agency or officer shall notify the justice court or municipal court, as applicable, in writing of its compliance with the order.

3. The court shall not order any law enforcement agency or prosecuting attorney to seal any records pursuant to this section sooner than 7 years after the conditional dismissal of the charges. Any records that are not sealed pursuant to this subsection are confidential and must not be disclosed except for any purpose for which disclosure is authorized by section 4 of this act.

Sec. 6. NRS 179.245 is hereby amended to read as follows:

179.245 1. Except as otherwise provided in subsection 6 and NRS 176.211, 176A.245, 176A.265, 176A.295, 179.247, 179.259, 201.354 and 453.3365, and section 5 of this act, a person may petition the court in which the person was convicted for the sealing of all records relating to a conviction of:

4. If the prosecuting attorney who prosecuted the petitioner for the crime stipulates to the sealing of the records after receiving notification pursuant to subsection 3 and the court makes the findings set forth in subsection 5, the court may order the sealing of the records in accordance with subsection 5 without a hearing. If the prosecuting attorney does not stipulate to the sealing of the records, a hearing on the petition must be conducted.

5. If the court finds that, in the period prescribed in subsection 1, the petitioner has not been charged with any offense for which the charges are pending or convicted of any offense, except for minor moving or standing traffic violations, the court may order sealed all records of the conviction which are in the custody of any agency of criminal justice or any public or private agency, company, official or other custodian of records in the State of Nevada, and may also order all such records of the petitioner returned to the file of the court where the proceeding was commenced from, including, without limitation, the Federal Bureau of Investigation and all other agencies of criminal justice which maintain such records and which are reasonably known by either the petitioner or the court to have possession of such records.

SUMMARY—Revises provisions relating to substance use disorders.

drug paraphernalia. (BDR 40-978)

AN ACT relating to substance use disorders; authorizing the establishment of a program for the prevention of overdoses and disease under certain circumstances; requiring the operator of such a program to report certain information to the health authority, the board of county commissioners and the State Board of Health; providing for the confidentiality of certain information concerning such a program; exempting operators, employees, volunteers and participants of such a program from certain penalties; prohibiting a
practitioner, other than a veterinarian, from prescribing an opioid to certain patients unless the prescription is medically necessary; requiring such a practitioner to prescribe an opioid antagonist along with an opioid in certain circumstances; drug paraphernalia; excluding fentanyl test strips from the list of drug paraphernalia that is prohibited for delivery, sale, possession, manufacture, advertising or use in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes a governmental entity, a nonprofit corporation, a public health program, a medical facility and certain other entities to establish a sterile hypodermic device program. (NRS 439.987) Such a program is authorized to provide: (1) sterile hypodermic devices and other related materials for safe injection drug use; and (2) information concerning certain services for persons experiencing a substance use disorder. (NRS 439.991) Existing law additionally authorizes certain providers of health care to dispense opioid antagonists with or without a prescription. (NRS 453C.110, 453C.120) Existing law also exempts a person who, in good faith, seeks medical assistance for a person who is experiencing a drug or alcohol overdose or other medical emergency or who seeks such assistance for himself or herself, or who is the subject of a good faith request for such assistance, from certain criminal liability. (NRS 453C.100) Sections 2-10 of this bill authorize the establishment of programs for the prevention of overdoses and disease, which provide a hygienic space where persons who are at least 18 years of age may consume drugs that they have obtained before arriving in the space. Sections 2-5 of this bill define relevant terms. Section 6 of this bill authorizes the board of county commissioners in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to authorize the establishment of a program for the prevention of overdoses and disease that operates at one fixed or mobile site upon determining that the program is likely to achieve certain purposes relating to the reduction of harm caused by the consumption of drugs. If such a program operates continuously in such a county for 2 years and achieves those goals, section 6 authorizes the State Board of Health to allow the board of county commissioners of a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) to authorize the establishment of such a program in the county. Section 6 prohibits a board of county commissioners from authorizing such a program to operate at more than one fixed or mobile site and from establishing additional programs until one program has operated successfully and continuously in the county for 4 years. Section 6 requires a board of county commissioners to hold an open, public hearing before approving the establishment of a new program for the prevention of overdoses and disease or the operation of an existing program for the prevention of overdoses and disease at an additional fixed or mobile site.

Section 7 of this bill prescribes the required elements of a program for the prevention of overdoses and disease, which, in addition to a hygienic site for
the consumption of drugs, must include: (1) staffing and monitoring by trained personnel; (2) the distribution and administration of opioid antagonists; (3) the distribution and disposal of hypodermic devices; (4) the administration of first aid; and (5) upon request, consultation concerning treatment for a substance use disorder and referral for such treatment. Section 7 also authorizes a program for the prevention of overdoses and disease to provide education in certain subjects relating to substance use disorders. Section 8 of this bill requires the operator of a program for the prevention of overdoses and disease to report certain information concerning the program to the health authority, the board of county commissioners and the State Board of Health annually.

Sections 9 and 11 of this bill provide for the confidentiality of certain information relating to programs for the prevention of overdoses and disease. Section 10 of this bill exempts: (1) operators, staff and volunteers of a program for the prevention of overdoses and disease from certain civil or criminal liability or other penalties; and (2) persons who possess and consume drugs at a hygienic site operated by such a program from criminal liability or civil forfeiture.

Existing law requires a practitioner, other than a veterinarian, who prescribes or dispenses to a patient more than certain amounts of a controlled substance for the treatment of pain to document the reasons for prescribing or dispensing that amount in the medical record of the patient. Existing law also prohibits such a practitioner from prescribing more than certain amounts of a controlled substance for the treatment of pain unless medically necessary. (NRS 630.2391) Section 12 of this bill prohibits such a practitioner from prescribing an opioid to a patient who is also being prescribed or has been recently prescribed a benzodiazepine or has a history of opioid use disorder or opioid overdose unless the prescription is medically necessary. Section 12 requires a practitioner who prescribes an opioid to such a patient to: (1) additionally prescribe an opioid antagonist for the patient; and (2) document in the medical record of the patient the reasons why the prescription is medically necessary and why the benefits of prescribing the opioid outweigh the risks. Section 12 additionally requires a practitioner to prescribe an opioid antagonist to a patient who is also prescribed an amount of an opioid that exceeds 50 morphine milligram equivalents per day.

Existing law makes it a felony to deliver, sell, possess with intent to sell or manufacture with intent to deliver or sell drug paraphernalia when the person engaging in the delivery, sale, possession or manufacture knows or reasonably should know that the drug paraphernalia will be used as such. (NRS 453.560) Existing law further makes it a felony for a person to deliver drug paraphernalia to a minor who is at least 3 years younger than the person. (NRS 453.562) Existing law additionally makes it a misdemeanor for a person to: (1) advertise drug paraphernalia in print where one knows or should know that the advertisement is for the purpose of promoting objects designed or intended for use as drug paraphernalia; (2) use drug paraphernalia as such; or (3) possess drug paraphernalia

An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium;

Amendment No. 342.

SUMMARY—Makes various changes relating to the conservation of water.

AN ACT relating to water; creating and setting forth the requirements for the Program for the Conservation of Water; creating the Account for Purchasing and Retiring Water Rights; authorizing the State Engineer to purchase and retire certain water rights with money from the Account; prohibiting, with certain exceptions, the use of water from the Colorado River to irrigate nonfunctional turf on certain property; requiring the Board of Directors of the Southern Nevada Water Authority to develop a plan for the removal of nonfunctional turf on certain property; creating and setting forth the duties of the Nonfunctional Turf Removal Advisory Committee; requiring the Legislative Committee on Public Lands to conduct a study concerning water conservation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, any person who wishes to appropriate public waters, or to change the place of diversion, manner of use or place of use of water already appropriated must apply to the State Engineer for a permit to do so. (NRS 533.325) Existing law further provides that the failure to use beneficially all or part of a water right may result in the forfeiture of the unused water. (NRS 534.090)

Sections 2-18 of this bill create a voluntary program for water conservation which allows certain persons holding perfected water rights that are used for irrigation to apply to the State Engineer for an allocation of conserved water based on conservation measures implemented by the person which allow the person to conserve water. The conserved water will be allocated between the applicant and the source of the water to create a reserve of water in each basin.

Section 7 of this bill creates the Program for the Conservation of Water and prohibits the State Engineer from requiring any person to conserve water pursuant to, or otherwise participate in, the Program.
Sections 3-6 of this bill define various terms related to the Program. Section 8 of this bill sets forth the requirements for a person or group of persons who hold one or more perfected water rights which list irrigation as the manner of use, to submit an application to the State Engineer for participation in the Program in order to obtain an allocation of conserved water resulting from one or more conservation measures. The application must: (1) propose one or more conservation measures that the applicant will implement if the application is approved; or (2) describe one or more conservation measures that the applicant has already implemented. Section 9 of this bill requires the State Engineer to reject an application if any conservation measure was implemented more than 5 years before the date on which the application is submitted.

Section 30 of this bill sets forth a fee to apply for participation in the Program.

Section 10 of this bill requires the State Engineer to publish a notice of an application for participation in the Program.

Section 11 of this bill: (1) authorizes any person to object to an allocation of conserved water proposed in an application by filing a written protest with the State Engineer; and (2) requires the State Engineer to consider any such protest.

Section 12 of this bill sets forth the requirements for the State Engineer in reviewing an application for an allocation of conserved water, which include determining the quantity of conserved water that will result from the conservation measures if the application is approved and whether there will be any conflicts or impacts on other existing water rights or protectable interests in domestic wells that require mitigation. Section 12 also requires the State Engineer to deny an application if the State Engineer determines that the proposed allocation of conserved water to the applicant will result in a conflict with any existing water right or protectable interest in a domestic well or otherwise threaten the public interest. Section 25 of this bill authorizes the State Engineer to consider the consumptive use of a water right and the consumptive use of a proposed beneficial use of water in determining whether the proposed allocation of conserved water creates such a conflict.

Section 13 of this bill provides that if an application is approved, the State Engineer will issue to the applicant a new certificate for the remainder of the existing water right and, once the conservation measure is fully implemented, a new permit for the allocation of conserved water. Section 12 also provides that the priority date of the new certificate and permit is the same as the priority date of the original water right.

Section 14 of this bill requires the State Engineer to reserve conserved water allocated to the source until 10 percent of the perennial yield of the basin has been reserved. Such reserved water is not available for any use. Section 20 of this bill makes a conforming change to provisions that require the reserve of groundwater under certain circumstances.
Section 15 of this bill provides that a person is not required to submit an application for a permit to change the place of diversion, manner of use or place of use in relation to any conserved water. Section 23 of this bill makes a conforming change to the general requirement to submit such an application.

Section 16 of this bill provides that a person who receives an allocation of conserved water may: (1) reserve the water for future use; or (2) use, sell, lease or transfer the conserved water. An allocation of conserved water that is reserved for future use is not subject to cancellation, forfeiture or abandonment. Sections 22, 27-29 and 35 of this bill make conforming changes to provisions relating to cancellation, forfeiture and abandonment.

Section 17 of this bill authorizes a political subdivision to purchase or accept a gift of a right to the use of conserved water. Section 17 also provides that the political subdivision may request that the water remain in the source and the right to the use of such conserved water that remains in the source is not subject to appropriation, cancellation, forfeiture or abandonment. Sections 21, 22, 24-26, 29 and 35 of this bill make conforming changes relating to appropriation, cancellation, forfeiture and abandonment.

Section 18 of this bill requires the State Engineer to adopt regulations to carry out the Program for the Conservation of Water.

Section 31 of this bill authorizes a person who is aggrieved by a decision of the State Engineer in regards to the Program for the Conservation of Water to seek judicial review.

Section 19 of this bill revises the policies of the State to include various provisions relating to water conservation.

Section 33 of this bill creates the Account for Purchasing and Retiring Water Rights and requires that the money in the Account only be expended for the purchase of water rights in groundwater basins that are over-appropriated. Section 34 of this bill establishes the Purchasing and Retiring Water Rights Program, administered by the State Engineer, and establishes requirements for the purchase and retirement of water rights by the State Engineer. Sections 21, 24 and 26 of this act prohibit the appropriation of water that has been withdrawn pursuant to the Purchasing and Retiring Water Rights Program.

Existing law authorizes public agencies to enter into cooperative agreements to perform any governmental service, activity or undertaking which the public agency is authorized to perform under law and, pursuant to which, the Southern Nevada Water Authority was created. (NRS 277.080-277.180) Section 39 of this bill prohibits, with certain exceptions, the waters of the Colorado River that are distributed by the Southern Nevada Water Authority from being used to irrigate nonfunctional turf on any property that is not zoned exclusively for a single-family residence on and after January 1, 2027. Section 39 also requires the Board of Directors of the Southern Nevada Water Authority to: (1) define nonfunctional and functional turf for the purposes of this prohibition; and (2) develop a plan to identify and facilitate the removal of nonfunctional turf within the service area of the Southern Nevada Water Authority on
property that is not zoned exclusively for a single-family residence before December 31, 2026, in phases based on the categories of water users. Section 39 further authorizes the Board of Directors to approve an extension or waiver from: (1) the prohibition on the use of waters from the Colorado River to irrigate nonfunctional turf; and (2) the provisions of the plan developed by the Board of Directors for the removal of nonfunctional turf.

Section 40 of this bill creates the Nonfunctional Turf Removal Advisory Committee. Section 41 of this bill sets forth the duties of the Advisory Committee.

Sections 37 and 38 of this bill define certain terms for the purposes of sections 36-41 of this bill.

Under existing law, the Legislative Committee on Public Lands is authorized to review and comment on laws, regulations and policies relating to the use, allocation and management of water in this State. (NRS 218E.525) Section 42 of this bill requires the Legislative Committee on Public Lands to conduct a study concerning water conservation and to submit a report of its findings and any recommendations for legislation to the 82nd Session of the Nevada Legislature.

Sec. 5. "Perfected water right" means a water right that has been finalized through the issuance of:
   1. A certificate of appropriation; or
   2. A court decree. (Deleted by amendment.)

Sec. 6. "Program" means the Program for the Conservation of Water created by section 7 of this act. (Deleted by amendment.)

Sec. 7. 1. The Program for the Conservation of Water is hereby created.
   2. The provisions of sections 2 to 18, inclusive, of this act apply to the Program.
   3. The State Engineer shall not require any person to conserve water pursuant to, or otherwise participate in, the Program. (Deleted by amendment.)

Sec. 8. Except as otherwise provided in subsection 1, a person or group of persons who hold one or more perfected water rights which list irrigation as the manner of use may submit an application to the State Engineer for participation in the Program in order to obtain an allocation of conserved water for one or more conservation measures that:
   (a) The person or group intends to implement if the application is approved by the State Engineer; or
   (b) Were implemented by the person or group not more than 5 years before the date on which the person submits the application.

3. An application submitted pursuant to subsection 1 must include the following:
   (a) For a conservation measure that will be implemented if the application is approved:
      (1) A description of the conservation measure.
      (2) A description of the existing works of diversion and an estimate of the amount of water that can be diverted at the works of diversion.

      (4) The amount of conserved water expected from the implementation of the conservation measure.
      (5) The proposed allocation of the conserved water between the applicant and the source of the water. The proposed allocation must reserve at least 25 percent of any conserved water back to the source.
      (6) The intended use of the conserved water allocated to the applicant if the application is approved.
      (7) If any of the applicant’s perfected water rights are for surface water located within the boundaries of an irrigation district, evidence that a majority of the board of directors of the irrigation district has approved a request to submit the application pursuant to subsection 3.
      (8) Any other information the State Engineer considers necessary to evaluate the application.
(b) For a conservation measure that was implemented before the application was submitted:

1. A description of the conservation measure and the date on which the conservation measure was implemented by the applicant.
2. A description of the works of diversion before the conservation measure was implemented and the amount of water that could be diverted at the works of diversion before the conservation measure was implemented.
3. The amount of water that the applicant uses for irrigation since the implementation of the conservation measure.
4. The amount of conserved water that resulted from the implementation of the conservation measure.
5. The proposed allocation of the conserved water between the applicant and the source of the water. The proposed allocation must reserve at least 25 percent of any conserved water back to the source.
6. The intended use of the conserved water allocated to the applicant if the application is approved.
7. If the applicant's perfected water right is for surface water located within the boundaries of an irrigation district, evidence that a majority of the board of directors of the irrigation district has approved a request to submit the application pursuant to subsection 1.

3. If any of the perfected water right or rights are for surface water located within the boundaries of an irrigation district, the person or group must obtain approval to submit an application for participation in the Program to the board of directors of the irrigation district before submitting an application to the State Engineer. If a majority of the board of directors of the irrigation district approves the request to submit an application for participation in the Program, the person or group may submit an application to the State Engineer pursuant to subsection 1.

Sec. 9. If an applicant submits an application for participation in the Program that relates to a conservation measure that was implemented by the applicant more than 5 years before the date on which the application is filed with the State Engineer:

1. Must immediately reject the application and
2. Must not publish the application pursuant to section 10 of this act. (Deleted by amendment.)

Sec. 10. Except as otherwise provided in section 9 of this act, within 30 days after the receipt of an application submitted pursuant to section 8 of this act, the State Engineer shall publish once a week for 4 consecutive weeks in a newspaper of general circulation in the county where the point of diversion is located, a notice of the application which sets forth:
(a) That the application has been filed;
(b) The date of the filing;
(c) The name and address of the applicant;
(d) The name of the source of the perfected water right to which the application pertains;
(e) The location of the point of diversion, described by:
(1) Legal subdivision or metes and bounds; and
(2) A physical description;
(f) The applicant’s intended use of his or her allocation of conserved water if the application is approved.

The publisher shall add to the notice the date of the first publication and the date of the last publication.

2. Proof of publication must be filed within 30 days after the final day of publication. The State Engineer shall pay for the publication from the publication fee required pursuant to NRS 523.425. If the application is cancelled for any reason before publication, the State Engineer shall return to the applicant the fee collected for publication.

Sec. 11.
1. Any person may object to the allocation of conserved water proposed in an application for the Program by filing a written protest with the State Engineer. The protest must set forth with reasonable certainty the grounds of such protest and be verified by the affidavit of the protestant, or an agent or attorney thereof.

2. Upon receipt of a protest that complies with the requirements of subsection 1, the State Engineer shall notify the applicant of the protest by certified mail.

3. The State Engineer shall consider the protest and may, in his or her discretion hold a hearing and require the filing of such evidence as the State Engineer deems necessary for a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed not less than 15 days before the date set for the hearing.

4. The applicant and protestant shall, in accordance with a schedule established by the State Engineer, provide to the State Engineer and to each other the information required by the State Engineer relating to the application or protest.

5. If the State Engineer holds a hearing pursuant to subsection 3, the State Engineer shall render a decision on the application not later than 240 days after the later of:
(a) The date all transcripts of the hearing become available to the State Engineer;
(b) The date specified by the State Engineer for the filing of any additional information, evidence, studies or compilations requested by the State Engineer. The State Engineer may, for good cause shown, extend any applicable period.
6. Any hearing must be held in accordance with the rules of practice adopted by the State Engineer pursuant to subsection 7 of NRS 533.365.

Sec. 12. 1. The State Engineer shall determine:
(a) The quantity of conserved water that will result from the conservation measures if the State Engineer approves the application;
(b) Whether the approval of the application will result in a conflict with any other existing water rights or with protectable interests in existing domestic wells, or otherwise threatens to prove detrimental to the public interest; and
(c) Whether there is any need to mitigate the conservation impacts of the application on other existing water rights or protectable interests in existing domestic wells.

2. The State Engineer shall deny the application if the State Engineer determines the allocation of conserved water to the applicant will result in a conflict with any existing water right or protectable interest in a domestic well or otherwise threatens the public interest.

Sec. 13. 1. If the State Engineer approves an application for an allocation of conserved water, the State Engineer must:
(a) Issue the applicant a new certificate for the unaffected portion of his or her original perfected water right; and
(b) Issue the applicant a new permit to appropriate water for the allocation of conserved water as soon as the applicant demonstrates that the conservation measure has been fully implemented.

2. The priority date of the new certificate and permit issued by the State Engineer pursuant to this section is the same as the priority date of the original perfected water right.

3. A certificate or permit for the allocation of conserved water issued pursuant to this section has the same legal status as any other water right for which a permit or certificate has been issued pursuant to the provisions of chapter 533 of NRS, regardless of whether the conserved water is reserved for future use or managed in the source.

Sec. 14. 1. The State Engineer shall notify the applicant and any other person who has requested notice of the disposition of the application and the allocation of conserved water proposed by the State Engineer. If the State Engineer approves an application, he or she must allocate at least 25 percent of the conserved water to the source.

2. In each hydrographic basin, the State Engineer:
(a) Shall reserve all conserved water allocated to the source pursuant to the Program until 10 percent of the perennial yield of the basin has been reserved pursuant to this section and NRS 533.0241. The conserved water held in reserve is not available for any use.
(b) May make any conserved water not held in reserve available for appropriation in accordance with the provisions of NRS 533.324 to 533.435, inclusive.
Sec. 15. A person is not required to submit an application for a permit to change the place of diversion, manner of use or place of use pursuant to NRS 533.345 in relation to any conserved water.

Sec. 16. Any person who has been allocated conserved water pursuant to the Program may:
   (a) Reserve the conserved water for future use;
   (b) Use the conserved water on another property owned by the person or
   (c) Sell, lease or transfer the right to the use of the conserved water.

2. If a person sells, leases or transfers the right to the use of the conserved water:
   (a) The person must notify the State Engineer; and
   (b) The provisions of NRS 533.382 to 533.387, inclusive, apply to the conveyance.

3. Any permit or right to conserved water that is reserved for future use is not subject to cancellation pursuant to NRS 533.390, 533.395 or 533.410 or to abandonment or forfeiture pursuant to NRS 533.060 or 534.090.

Sec. 17. A political subdivision of this State may:
   (a) Purchase a right to the use of conserved water or accept a gift of a right to the use of conserved water; and
   (b) Request that any conserved water held by the political subdivision remain in the source.

2. If a political subdivision of this State requests that conserved surface water remain in the source, the State Engineer, water commissioner, water master or other entity responsible for the distribution of the conserved water must manage the conserved water to ensure that the conserved water remains in the source. Such water is not available for any use.

3. Any permit or right to conserved water that is managed in the source pursuant to this section is not subject to cancellation pursuant to NRS 533.390, 533.395 or 533.410 or to abandonment or forfeiture pursuant to NRS 533.060 or 534.090.

Sec. 18. The State Engineer shall adopt regulations to carry out the provisions of sections 2 to 18, inclusive, of this act, which may include, without limitation, formulas or other criteria to:
   1. Evaluate the effects of an allocation of conserved water on existing water rights and protectable interests in domestic wells; and
   2. Determine to what extent mitigation of the impact of an allocation of conserved water on existing water rights or protectable interests in domestic wells may be required to avoid a conflict.

Sec. 19. NRS 533.024 is hereby amended to read as follows:

533.024 The Legislature declares that:
   1. It is the policy of this State:
      (a) To encourage and promote the use of effluent, where that use is not contrary to the public health, safety or welfare, and where that use does not interfere with federal obligations to deliver water of the Colorado River.
(b) To recognize the importance of domestic wells as appurtenances to private homes, to create a protectable interest in such wells and to protect their supply of water from unreasonable adverse effects which are caused by municipal, quasi-municipal or industrial uses and which cannot reasonably be mitigated.

(c) To encourage the State Engineer to consider the best available science in rendering decisions concerning the available surface and underground sources of water in Nevada.

(d) To encourage and promote the use of water to prevent or reduce the spread of wildfire or to rehabilitate areas burned by wildfire, including, without limitation, through the establishment of vegetative cover that is resistant to fire.

(e) To manage conjunctively the appropriation, use and administration of all waters of this State, regardless of the source of the water.

(f) To recognize, encourage and promote the conservation and efficient use of water for current and future needs by reducing consumptive waste, improving water quality and allowing for the reservation of water within a stream or groundwater system.

(g) To encourage local cooperation and coordination in the development of conservation projects to provide incentives for increased water efficiency.

(h) To encourage the highest and best use of water by allowing the sale, lease or transfer of conserved water.

2. The procedures in this chapter for changing the place of diversion, manner of use or place of use of water, and for confirming a report of conveyance, are not intended to have the effect of quieting title to or changing ownership of a water right and that only a court of competent jurisdiction has the power to determine conflicting claims to ownership of a water right.

(Deleted by amendment.)

Sec. 20. (NRS 533.0241 is hereby amended to read as follows:

533.0241  1. For each basin in which there is groundwater that has not been committed for use, including, without limitation, pursuant to a permit, certificate or by any other water user in the basin, as of June 5, 2019, the State Engineer shall reserve 10 percent of the total remaining groundwater that has not been committed for use in the basin. The amount of groundwater required to be reserved pursuant to this section includes any amount allocated to the source by the State Engineer pursuant to section 14 of this act.

2. The groundwater in the basin from the reserve created pursuant to subsection 1 is not available for any use. (Deleted by amendment.)

Sec. 21. (NRS 533.030 is hereby amended to read as follows:

533.030  1. Subject to existing rights, and except as otherwise provided in this section and NRS 533.0241 and 533.027, and sections 2 to 18, inclusive, of this act and section 34 of this act, all water may be appropriated for beneficial use as provided in this chapter and not otherwise.

2. The use of water, from any stream system as provided in this chapter and from underground water as provided in NRS 534.080, for any recreational
purpose, or the use of water from the Muddy River or the Virgin River to create any developed shortage supply or intentionally created surplus, is hereby declared to be a beneficial use. As used in this subsection:

(a) “Developed shortage supply” has the meaning ascribed to it in Volume 73 of the Federal Register at page 19884, April 11, 2008, and any subsequent amendment thereto.

(b) “Intentionally created surplus” has the meaning ascribed to it in Volume 73 of the Federal Register at page 19884, April 11, 2008, and any subsequent amendment thereto.

3. Except as otherwise provided in subsection 4, in any county whose population is 700,000 or more:

(a) The board of county commissioners may prohibit or restrict by ordinance the use of water and effluent for recreational purposes in any artificially created lake or stream located within the unincorporated areas of the county.

(b) The governing body of a city may prohibit or restrict by ordinance the use of water and effluent for recreational purposes in any artificially created lake or stream located within the boundaries of the city.

4. In any county whose population is 700,000 or more, the provisions of subsection 1 and of any ordinance adopted pursuant to subsection 3 do not apply to:

(a) Water stored in an artificially created reservoir for use in flood control, in meeting peak water demands or for purposes relating to the treatment of sewage;

(b) Water used in a mining reclamation project; or

(c) A body of water located in a recreational facility that is open to the public and owned or operated by the United States or the State of Nevada. (Deleted by amendment.)

Sec. 22. NRS 533.060 is hereby amended to read as follows:

533.060 1. Rights to the use of water must be limited and restricted to as much as may be necessary, when reasonably and economically used, for irrigation and other beneficial purposes, irrespective of the carrying capacity of the ditch. The balance of the water not so appropriated must be allowed to flow in the natural stream from which the ditch draws its supply of water, and must not be considered as having been appropriated thereby.

2. Rights to the use of surface water shall not be deemed to be lost or otherwise forfeited for the failure to use the water therefrom for a beneficial purpose.

3. A surface water right that is appurtenant to land formerly used primarily for agricultural purposes is not subject to a determination of abandonment if the surface water right:

(a) Is appurtenant to land that has been converted to urban use; or

(b) Has been dedicated to or acquired by a water purveyor, public utility or public body for municipal use.
4. A surface water right that has been reserved or requested to remain in the source pursuant to the Program for the Conservation of Water created by section 7 of this act is not subject to a determination of abandonment.

5. In a determination of whether a right to use surface water has been abandoned, a presumption that the right to use the surface water has not been abandoned is created upon the submission of records, photographs, receipts, contracts, affidavits or any other proof of the occurrence of any of the following events or actions within a 10-year period immediately preceding any claim that the right to use the water has been abandoned:
   (a) The delivery of water;
   (b) The payment of any costs of maintenance and other operational costs incurred in delivering the water;
   (c) The payment of any costs for capital improvements, including works of diversion and irrigation;
   (d) The actual performance of maintenance related to the delivery of the water.

6. A prescriptive right to the use of the water or any of the public water appropriated or unappropriated may not be acquired by adverse possession. Any such right to appropriate any of the water must be initiated by applying to the State Engineer for a permit to appropriate the water as provided in this chapter.

7. The State of Nevada reserves for its own present and future use all rights to the use and diversion of water acquired pursuant to chapter 462, Statutes of Nevada 1963, or otherwise existing within the watersheds of Marlette Lake, Franktown Creek and Hobart Creek and not lawfully appropriated on April 26, 1963, by any person other than the Marlette Lake Company. Such a right must not be appropriated by any person without the express consent of the Legislature. (Deleted by amendment.)

Sec. 23. NRS 533.325 is hereby amended to read as follows:

533.325 Except as otherwise provided in NRS 533.027 and 534.065, and section 15 of this act, any person who wishes to appropriate any of the public waters, or to change the place of diversion, manner of use or place of use of water already appropriated, shall, before performing any work in connection with such appropriation, change in place of diversion or change in manner or place of use, apply to the State Engineer for a permit to do so. (Deleted by amendment.)

Sec. 24. NRS 533.370 is hereby amended to read as follows:

533.370 Except as otherwise provided in this section and NRS 533.0241, 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:
   (a) The application is accompanied by the prescribed fees;
   (b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and
(c) The applicant provides proof satisfactory to the State Engineer of the applicant's:

(1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) Financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in subsection 10, the State Engineer shall reject an application and refuse to issue the requested permit if:

(a) There is no unappropriated water in the proposed source of supply;

(b) The groundwater that has not been committed for use has been reserved pursuant to NRS 522.0241;

(c) The water has been reserved or requested to remain in the source pursuant to the Program for the Conservation of Water created by section 7 of this act;

(d) The groundwater has been withdrawn pursuant to section 34 of this act; or

(e) The proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

3. In addition to the criteria set forth in subsections 1 and 2, in determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) Any other factor the State Engineer determines to be relevant.

4. Except as otherwise provided in this subsection and subsections 6 and 10 and NRS 522.365, the State Engineer shall approve or reject each application within 2 years after the final date for filing a protest. The State Engineer may postpone action:
(a) Upon written authorization to do so by the applicant.
(b) If an application is protested.
(c) If the purpose for which the application was made is municipal use.
(d) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.268.
(e) Where court actions or adjudications are pending, which may affect the outcome of the application.
(f) In areas in which adjudication of vested water rights is deemed necessary by the State Engineer.
(g) On an application for a permit to change a vested water right in a basin where vested water rights have not been adjudicated.
(h) Where authorized entry to any land needed to use the water for which the application is submitted is required from a governmental agency.
(i) On an application for which the State Engineer has required additional information pursuant to NRS 533.275.
5. If the State Engineer does not act upon an application in accordance with subsections 4 and 6, the application remains active until approved or rejected by the State Engineer.
6. Except as otherwise provided in this subsection and subsection 10, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may postpone action on the application pursuant to subsection 4.
7. If the State Engineer has not approved, rejected or held a hearing on an application within 7 years after the final date for filing a protest, the State Engineer shall cause notice of the application to be republished pursuant to NRS 533.360 immediately preceding the time at which the State Engineer is ready to approve or reject the application. The cost of the republication must be paid by the applicant. After such republication, a protest may be filed in accordance with NRS 533.365.
8. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection 11, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the
application is rejected, the applicant may take no steps toward the prosecution
of the proposed work or the diversion and use of the public water while the
rejection continues in force.
9. If a person is the successor in interest of an owner of a water right or an
owner of real property upon which a domestic well is located and if the former
owner of the water right or real property on which a domestic well is located
had previously filed a written protest against the granting of an application, the
successor in interest must be allowed to pursue that protest in the same manner
as if the successor in interest were the former owner whose interest he or she
succeeded. If the successor in interest wishes to pursue the protest, the
successor in interest must notify the State Engineer in a timely manner on a
form provided by the State Engineer.
10. The provisions of subsections 1 to 9, inclusive, do not apply to an
application for an environmental permit or a temporary permit issued pursuant
to NRS 533.426 or 533.504.
11. The provisions of subsection 8 do not authorize the recipient of an
approved application to use any state land administered by the Division of
State Lands of the State Department of Conservation and Natural Resources
without the appropriate authorization for that use from the State Land
Registrar.
12. As used in this section, “domestic well” has the meaning ascribed to it
in NRS 534.350.4 (Deleted by amendment.)

Sec. 25. NRS 533.3703 is hereby amended to read as follows:
533.3703 1. The State Engineer may consider the consumptive use of a
water right and the consumptive use of a proposed beneficial use of water in
determining whether [a]:
(a) A proposed change in the place of diversion, manner of use or place of
use complies with the provisions of subsection 2 of NRS 533.3703; or
(b) A proposed allocation of conserved water conflicts with existing rights
or with protectable interests in existing domestic wells, or threatens to prove
detrimental to the public interest pursuant to the Program for the
Conservation of Water created by section 7 of this act.
2. The provisions of this section:
(a) Must not be applied by the State Engineer in a manner that is
inconsistent with any applicable federal or state decree concerning
consumptive use.
(b) Do not apply to any decreed, certified or permitted right to appropriate
water which originates in the Virgin River or the Muddy River.4 (Deleted by
amendment.)

Sec. 26. NRS 533.371 is hereby amended to read as follows:
533.371 1. The State Engineer shall reject the application and refuse to issue
a permit to appropriate water for a specified period if the State Engineer
determines that:
(a) The application is incomplete;
(b) The prescribed fees have not been paid,
3. The proposed use is not temporary;
4. There is no water available from the proposed source of supply without exceeding the perennial yield or safe yield of that source;
5. The groundwater that has not been committed for use from the proposed source of supply has been reserved pursuant to NRS 533.0241;
6. The available water has been reserved or requested to remain in the source pursuant to the Program for the Conservation of Water created by section 7 of this act;
7. The groundwater has been withdrawn pursuant to section 34 of this act;
8. The proposed use conflicts with existing rights; or
9. The proposed use threatens to prove detrimental to the public interest.

Sec. 27. (NRS 533.390 is hereby amended to read as follows:
533.390  1. Any person holding a permit from the State Engineer shall, on or before the date set for the completion of the work, file in detail a description of the work as actually constructed. This statement must be verified by the affidavit of the applicant or the applicant's agent or attorney.
2. Except as otherwise provided in sections 16 and 17 of this act, should any person holding a permit from the State Engineer fail to file with the State Engineer the proof of completion of work, as provided in this chapter, the State Engineer shall advise the holder of the permit, by registered or certified mail, that it is held for cancellation, and should the holder, within 30 days after the mailing of such advice, fail to file the required affidavit, the State Engineer shall cancel the permit. For good cause shown, upon application made prior to the expiration of the 30-day period, the State Engineer may, in his or her discretion, grant an extension of time in which to file the instruments. (Deleted by amendment.)

Sec. 28. (NRS 533.395 is hereby amended to read as follows:
533.395  1. Except as otherwise provided in sections 16 and 17 of this act, if, at any time in the judgment of the State Engineer, the holder of any permit to appropriate the public water is not proceeding in good faith and with reasonable diligence to perfect the appropriation, the State Engineer shall require the submission of such proof and evidence as may be necessary to show compliance with the law. If, in the judgment of the State Engineer, the holder of a permit is not proceeding in good faith and with reasonable diligence to perfect the appropriation, the State Engineer shall cancel the permit, and advise the holder of its cancellation. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the appropriation.
2. If any permit is cancelled under the provisions of this section or NRS 523.290 or 523.410, the holder of the permit may within 60 days of the cancellation of the permit file a written petition with the State Engineer requesting a review of the cancellation by the State Engineer at a public
hearing. The State Engineer may, after receiving and considering evidence, affirm, modify or rescind the cancellation.

3. If the decision of the State Engineer modifies or rescinds the cancellation of a permit, the effective date of the appropriation under the permit is vacated and replaced by the date of the filing of the written petition with the State Engineer.

4. The cancellation of a permit may not be reviewed or be the subject of any judicial proceedings unless a written petition for review has been filed and the cancellation has been affirmed, modified or rescinded pursuant to subsection 2.

5. For the purpose of this section, the measure of reasonable diligence is the steady application of effort to perfect the appropriation in a reasonably expedient and efficient manner under all the facts and circumstances. When a project or integrated system is comprised of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.

6. The appropriation of water or the acquisition or lease of appropriated water from any:

(a) Stream system as provided for in this chapter, or

(b) Underground water as provided for in NRS 534.080, by a political subdivision of this State or a public utility, as defined in NRS 704.020, to serve the present or the reasonably anticipated future municipal, industrial or domestic needs of its customers for water, as determined in accordance with a master plan adopted pursuant to chapter 279 of NRS or a plan approved by the State Engineer, must be considered when reviewing an extension of time.

Sec. 29. NRS 533.410 is hereby amended to read as follows:

Sec. 31. NRS 533.450 is hereby amended to read as follows:

533.450  1. Except as otherwise provided in NRS 533.353, any person feeling aggrieved by any order or decision of the State Engineer, acting in person or through the assistant of the State Engineer or the water commissioner, affecting the person’s interests, when the order or decision relates to the administration of determined rights or is made pursuant to NRS 533.270 to 533.415, inclusive, and sections 2 to 18, inclusive, of this act, or NRS 533.401, 534.102, 535.200 or 536.200, may have the same reviewed by a proceeding for that purpose, insofar as may be in the nature of an appeal, which must be initiated in the proper court of the county in which the matters affected or a portion thereof are situated, but on stream systems where a decree of court has been entered, the action must be initiated in the court that entered the decree. The order or decision of the State Engineer remains in full force and effect unless proceedings to review the same are commenced in the proper court within 30 days after the rendition of the order or decision in question and notice thereof is given to the State Engineer as provided in subsection 3.

2. The proceedings in every case must be heard by the court, and must be informal and summary, but full opportunity to be heard must be had before judgment is pronounced.

3. No such proceedings may be entertained unless notice thereof, containing a statement of the substance of the order or decision complained of, and of the manner in which the same injuriously affects the petitioner’s interests, has been served upon the State Engineer, personally or by registered or certified mail, at the Office of the State Engineer at the State Capital within
30 days following the rendition of the order or decision in question. A similar notice must also be served personally or by registered or certified mail upon the person who may have been affected by the order or decision.

4. Where evidence has been filed with, or testimony taken before, the State Engineer, a transcribed copy thereof, or of any specific part of the same, duly certified as a true and correct transcript in the manner provided by law, must be received in evidence with the same effect as if the reporter were present and testified to the facts so certified. A copy of the transcript must be furnished on demand, at actual cost, to any person affected by the order or decision, and to all other persons on payment of a reasonable amount therefor, to be fixed by the State Engineer.

5. An order or decision of the State Engineer must not be stayed unless the petitioner files a written motion for a stay with the court and serves the motion personally or by registered or certified mail upon the State Engineer, the applicant or other real party in interest and each party of record within 10 days after the petitioner files the petition for judicial review. Any party may oppose the motion and the petitioner may reply to any such opposition. In determining whether to grant or deny the motion for a stay, the court shall consider:

(a) Whether any nonmoving party to the proceeding may incur any harm or hardship if the stay is granted;

(b) Whether the petitioner may incur any irreparable harm if the stay is denied;

(c) The likelihood of success of the petitioner on the merits; and

(d) Any potential harm to the members of the public if the stay is granted.

6. Except as otherwise provided in this subsection, the petitioner must file a bond in an amount determined by the court, with sureties satisfactory to the court and conditioned in the manner specified by the court. The bond must be filed within 5 days after the court determines the amount of the bond pursuant to this subsection. If the petitioner fails to file the bond within that period, the stay is automatically denied. A bond must not be required for a public agency of this State or a political subdivision of this State.

7. Costs must be paid as in civil cases brought in the district court, except by the State Engineer or the State.

8. The practice in civil cases applies to the informal and summary character of such proceedings, as provided in this section.

9. Appeals may be taken to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution from the judgment of the district court in the same manner as in other civil cases.

10. The decision of the State Engineer is prima facie correct, and the burden of proof is upon the party attacking the same.

11. Whenever it appears to the State Engineer that any litigation, whether now pending or hereafter brought, may adversely affect the rights of the public in water, the State Engineer shall request the Attorney General to appear and protect the interests of the State. (Deleted by amendment.)
Sec. 32. Chapter 534 of NRS is hereby amended by adding thereto the provisions set forth as sections 33 and 34 of this act. (Deleted by amendment.)

Sec. 33. 1. The Account for Purchasing and Retiring Water Rights is hereby created in the State General Fund.

2. The State Engineer shall administer the Account and may apply for and accept any gift, grant, donation, bequest or other source of money for deposit in the Account.

3. The money in the Account must only be used to purchase water rights pursuant to section 34 of this act.

4. The interest and income earned on the money in the Account, after deducting any applicable charges, must be credited to the Account.

5. Any money remaining in the Account at the end of a fiscal year does not revert to the State General Fund, and the balance in the Account must be carried forward to the next fiscal year.

6. The State Engineer may request an allocation by the Interim Finance Committee from the Contingency Account pursuant to NRS 353.266, 353.268 and 353.269 if:

(a) The balance in the Account is less than $250,000; or

(b) The balance in the Account is not sufficient to purchase water rights pursuant to section 34 of this act. (Deleted by amendment.)

Sec. 34. 1. The Purchasing and Retiring Water Rights Program is hereby established for the purpose of purchasing and retiring water rights in groundwater basins where there is an insufficient supply of water available to serve all vested rights, claims of vested rights, permits, certificates and protectable interests in domestic wells in the basin.

2. The Program must be administered by the State Engineer. In administering the Program, the State Engineer shall, to the extent money is available in the Account for Purchasing and Retiring Water Rights created by section 33 of this act, purchase and retire water rights from persons willing to sell according to the following priority:

(a) Groundwater basins where the water rights exceed the available water supply by 200 percent or more and where pumping has exceeded the available water supply in the preceding 5 years is the first priority.

(b) Groundwater basins where groundwater withdrawals have exceeded the available supply of water in the previous 5 years is the second priority.

(c) Groundwater basins where the water rights exceed the available supply of water by 150 percent or more is the third priority.

(d) Groundwater basins where the water rights exceed the available water supply by 100 percent or more is the fourth priority.

(e) Groundwater basins where the water rights exceed the available water supply by 50 percent or more is the fifth priority.

3. The State Engineer shall purchase a water right based upon the fair market value of the water right at the time of purchase.
4. The State Engineer shall retire all water rights purchased pursuant to this section and withdraw that groundwater from appropriation. Groundwater that has been withdrawn pursuant to this section is not available for any use. (Deleted by amendment.)

Sec. 35. [NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section 14 and sections
of this act, failure for 5 successive years after April 15, 1967, on
the part of the holder of any right, whether it is an adjudicated right, an
unadjudicated right or a right for which a certificate has been issued pursuant
to NRS 533.425, and further whether the right is initiated after or before March
25, 1939, to use beneficially all or any part of the underground water for the
purpose for which the right is acquired or claimed, works a forfeiture of both
undetermined rights and determined rights to the use of that water to the extent
of the nonuse.

2. If the records of the State Engineer or any other documents obtained by
or provided to the State Engineer indicate 4 or more consecutive years of
nonuse of any part of a water right which is governed by this chapter:
(a) The State Engineer shall notify the owner of the water right, as
determined in the records of the Office of the State Engineer, by registered or
certified mail of the nonuse and that the owner has 1 year after the date of the
notice of nonuse in which to use the water right beneficially and to provide
proof of such use to the State Engineer or apply for relief pursuant to
subsection 3 to avoid forfeiting the water right.

(b) If, after 1 year after the date of the notice of nonuse pursuant to
paragraph (a), proof of resumption of beneficial use is not filed in the Office
of the State Engineer, the State Engineer shall, unless the State Engineer has
granted a request to extend the time necessary to work a forfeiture of the water
right, send a final notice to the owner of the water right, as determined in the
records of the Office of the State Engineer, by registered or certified mail, that
the water right is held for forfeiture. If the owner of the water right, within 30
days after the date of each final notice, fails to file the required proof of
resumption of beneficial use or an application for an extension of time to
prevent forfeiture, the State Engineer shall declare the right, or the portion of
the right not returned to beneficial use, forfeited. The State Engineer shall send
notice of the declaration of forfeiture, by registered or certified mail, to the
owner of record, as determined in the records of the Office of the State
Engineer, of the water right that has been declared forfeited.

(c) If, after receipt of a notice of the declaration of forfeiture pursuant to
paragraph (b), the owner of record of the water right fails to appeal the ruling
in the manner provided for in NRS 533.450, and within the time provided for
therein, the forfeiture becomes final. Upon the forfeiture of the water right, the
water reverts to the public and is available for further appropriation, subject to
existing rights.

2. The State Engineer may, upon the request of the holder of any right
described in subsection 1, extend the time necessary to work a forfeiture under
subsection 2 if the request is made before the expiration of the time necessary to work a forfeiture. Except as otherwise provided in subsection 4, the State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has submitted proof and evidence that the holder is proceeding in good faith and with reasonable diligence to resume use of the water beneficially for the purpose for which the holder’s right is acquired or claimed;

(b) The number of years during which the water has not been put to the beneficial use for which the right is acquired or claimed;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) Whether the water right is located in a basin within a county under a declaration of drought by the Governor, United States Secretary of Agriculture or the President of the United States;

(e) Whether the holder has demonstrated efforts to conserve water which have resulted in a reduction in water consumption;

(f) Whether the water right is located in a basin that has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 524.110;

(g) The date of priority of the water right as it relates to the potential curtailment of water use in the basin;

(h) The availability of water in the basin, including, without limitation, whether withdrawals of water consistently exceed the perennial yield of the basin; and

(i) Any orders restricting use or appropriation of water in the basin.

The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether the State Engineer has granted or denied the holder’s request for an extension pursuant to this subsection. If the State Engineer grants an extension pursuant to this subsection and, before the expiration of that extension, proof of resumption of beneficial use or another request for an extension is not filed in the Office of the State Engineer, the State Engineer shall send a final notice to the owner of the water right, by registered or certified mail, that the water right will be declared forfeited if the owner of the water right fails to file the required proof of resumption of beneficial use or an application for an extension of time to prevent forfeiture within 30 days after the date of the final notice. If the owner of the water right fails to file the required proof of resumption of beneficial use or an application for an extension of time to prevent forfeiture within 30 days after the date of such final notice, the State Engineer shall declare the water right, or the portion of the right not returned to beneficial use, forfeited.
4. If the State Engineer grants an extension pursuant to subsection 2 in a basin:

(a) Where withdrawals of groundwater consistently exceed the perennial yield of the basin;

(b) That has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 534.110.

A single extension must not exceed 3 years, but any number of extensions may be granted to the holder of such right.

5. The failure to receive a notice pursuant to subsection 2 or 3 does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

6. Except as otherwise provided in sections 2 to 18, inclusive, of this act, a right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 522.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

Sec. 36. As used in sections 36 to 41, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 37 and 38 of this act have the meanings ascribed in those sections.

(2) Establish deadlines within the service area of the Southern Nevada Water Authority for existing customers to remove nonfunctional turf on property that is not zoned exclusively for a single-family residence before December 31, 2026.

3. The Board of Directors may approve an extension or a waiver from:
   (a) The prohibition set forth in subsection 1; and
   (b) The provisions of the plan developed pursuant to subsection 2.

4. The provisions of this section do not prohibit a person from:
   (a) Complying with any requirement adopted by the governing body of a county or city pursuant to chapter 278 of NRS to maintain open space or drought tolerant landscaping on any property that is not zoned exclusively for a single family residence; or
   (b) Using alternative sources of water to irrigate nonfunctional turf on and after January 1, 2027, on any property that is not zoned exclusively for a single-family residence.

May provide written recommendations to the Board of Directors regarding the plan developed pursuant to section 39 of this act, including, without limitation, any recommendations for waivers or exemptions to the provisions of section 39 of this act. Any recommendation made by the Advisory Committee must be approved by a majority vote of all of the voting members of the Advisory Committee. Any dissenting opinion of a
member of the Advisory Committee to a recommendation must be fully documented and included with the recommendation to the Board of Directors.

Amendment No. 324.

SUMMARY—Revises provisions relating to prohibited acts concerning the use of marijuana and the operation of a vehicle or vessel.

AN ACT relating to public safety; revising provisions relating to prohibited acts concerning the use of marijuana and the operation of a vehicle or vessel; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law prohibits a person from driving or being in actual physical control of a vehicle or commercial motor vehicle on a highway or on premises to which the public has access or operating or being in actual physical control of a vessel under power or sail on the waters of this State if the person: (1) is under the influence of intoxicating liquor or a controlled substance; (2) has specified amounts of certain prohibited substances in his or her blood or urine; or (3) has specified amounts of marijuana or marijuana metabolite in his or her blood. (NRS 484C.110, 484C.120, 488.410) Sections 1, 2 and 6 of this bill remove the prohibition against such a person having specified amounts of marijuana or marijuana metabolite in his or her blood, thereby providing that a person who uses marijuana is subject to the general prohibition against driving or being in actual physical control of a vehicle or commercial motor vehicle on a highway or on premises to which the public has access or operating or being in actual physical control of a vessel under power or sail on the waters of this State if the person is under the influence of a controlled substance. Sections 3-5 and 7-16 of this bill make conforming changes to remove references in the Nevada Revised Statutes to marijuana or marijuana metabolite in a person’s blood.
Existing law prohibits a child who is taken into custody or a person who is arrested for violating a temporary or extended order for protection against domestic violence, stalking, aggravated stalking, harassment or sexual assault from being released from custody or admitted to bail, as applicable, sooner than 12 hours after being taken into custody or arrested in certain circumstances, including if the child or person has, at the time of or within 2 hours after the violation, an amount of marijuana or marijuana metabolite in his or her system that is equal to or greater than the amount that prohibits a person from driving or being in actual physical control of a vehicle on a highway or on premises to which the public has access. (NRS 62C.020, 178.484) Under the conforming changes made in sections 11 and 14 of this bill, respectively, a child who is taken into custody or a person who is arrested for violating any such order for protection and is under the influence of marijuana is no longer subject to such a prohibition.

Existing law provides that in certain circumstances compensation is not payable to employees in this State for an injury that occurred while an employee was under the influence of a controlled or prohibited substance unless the employee can prove that being under the influence of a controlled or prohibited substance was not the proximate cause of the injury. Existing law specifies when an employee is under the influence of a controlled or prohibited substance for the purpose of such a provision when the employee has an amount of certain prohibited substances, including marijuana or marijuana metabolite, in his or her system that is equal to or greater than the amount that prohibits a person from driving or being in actual physical control of a vehicle on a highway or on premises to which the public has access and for which the employee does not have a current and lawful prescription. (NRS 616C.230) Under the conforming changes made in section 17 of this bill, an employee who is under the influence of marijuana is no longer subject to such a provision retains the amounts of such prohibited substances that are currently set forth in existing law for the purpose of determining whether an employee is under the influence of a prohibited substance, but removes the specified amount of marijuana metabolite.

  2. For the purposes of this section, an order or injunction is in the nature of a temporary or extended order for protection against domestic violence if it grants relief that might be given in a temporary or extended order issued pursuant to NRS 33.017 to 33.100, inclusive.

Sec. 13. NRS 171.1225 is hereby amended to read as follows:
  171.1225 1. When investigating an act of domestic violence, a peace officer shall:
  (a) Make a good faith effort to explain the provisions of NRS 171.137 pertaining to domestic violence and advise victims of all reasonable means to prevent further abuse, including advising each person of the availability of a shelter or other services in the community.
  (b) Provide a person suspected of being the victim of an act of domestic violence with a written copy of the following statements:
    (1) My name is Officer ......................... (naming the investigating officer). Nevada law requires me to inform you of the following information.
    (2) If I have probable cause to believe that a battery has been committed against you, your minor child or the minor child of the person believed to have committed the battery in the last 24 hours by your spouse, your former spouse, any other person to whom you are related by blood or marriage, a person with whom you have had or are having a dating relationship or a person with whom you have a child in common, I am required, unless mitigating circumstances exist, to arrest the person suspected of committing the battery.
    (3) If I am unable to arrest the person suspected of committing the battery, you have the right to request that the prosecutor file a criminal complaint against the person. I can provide you with information on this procedure. If convicted, the person who committed the battery may be placed on probation, ordered to see a counselor, put in jail or fined.
(4) The law provides that you may seek a court order for the protection of you, your minor children or any animal that is owned or kept by you, by the person who committed or threatened the act of domestic violence or by the minor child of either such person against further threats or acts of domestic violence. You do not need to hire a lawyer to obtain such an order for protection.

(5) An order for protection may require the person who committed or threatened the act of domestic violence against you to:

   (I) Stop threatening, harassing or injuring you or your children;
   (II) Move out of your residence;
   (III) Stay away from your place of employment;
   (IV) Stay away from the school attended by your children;
   (V) Stay away from any place you or your children regularly go;
   (VI) Avoid or limit all communication with you or your children;
   (VII) Stop physically injuring, threatening to injure or taking possession of any animal that is owned or kept by you or your children, either directly or through an agent; and
   (VIII) Stop physically injuring or threatening to injure any animal that is owned or kept by the person who committed or threatened the act or his or her children, either directly or through an agent.

(6) A court may make future orders for protection which award you custody of your children and require the person who committed or threatened the act of domestic violence against you to:

   (I) Pay the rent or mortgage due on the place in which you live;
   (II) Pay the amount of money necessary for the support of your children;
   (III) Pay part or all of the costs incurred by you in obtaining the order for protection; and
   (IV) Comply with the arrangements specified for the possession and care of any animal owned or kept by you or your children or by the person who committed or threatened the act or his or her children.

(7) To get an order for protection, go to room number ....... (state the room number of the office at the court) at the court, which is located at ......................... (state the address of the court). Ask the clerk of the court to provide you with the forms for an order of protection.

(8) If the person who committed or threatened the act of domestic violence against you violates the terms of an order for protection, the person may be arrested and, if:

   (I) The arresting officer determines that such a violation is accompanied by a direct or indirect threat of harm;
   (II) The person has previously violated a temporary or extended order for protection; or
   (III) At the time of the violation or within 2 hours after the violation, the person has a concentration of alcohol of 0.08 or more in the person’s blood or breath or an amount of a prohibited substance in the person’s blood or urine,
as applicable, that is equal to or greater than the amount set forth in subsection 3 or 4 of NRS 484C.110, the person will not be admitted to bail sooner than 12 hours after arrest.

(9) You may obtain emergency assistance or shelter by contacting your local program against domestic violence at ................. (state name, address and telephone number of local program) or you may call, without charge to you, the Statewide Program Against Domestic Violence at ................... (state toll-free telephone number of Statewide Program).

2. The failure of a peace officer to carry out the requirements set forth in subsection 1 is not a defense in a criminal prosecution for the commission of an act of domestic violence, nor may such an omission be considered as negligence or as causation in any civil action against the peace officer or the officer’s employer.

3. As used in this section:
   (a) “Act of domestic violence” means any of the following acts committed by a person against his or her spouse, former spouse, any other person to whom he or she is related by blood or marriage, a person with whom he or she has had or is having a dating relationship, a person with whom he or she has a child in common, the minor child of any of those persons or his or her minor child:

   (1) A battery.

Sec. 14. NRS 178.484 is hereby amended to read as follows:

178.484 1. Except as otherwise provided in this section, a person arrested for an offense other than murder of the first degree must be admitted to bail.

2. A person arrested for a felony who has been released on probation or parole for a different offense must not be admitted to bail unless:
   (a) A court issues an order directing that the person be admitted to bail;
   (b) The State Board of Parole Commissioners directs the detention facility to admit the person to bail; or
   (c) The Division of Parole and Probation of the Department of Public Safety directs the detention facility to admit the person to bail.

3. A person arrested for a felony whose sentence has been suspended pursuant to NRS 4.373 or 5.055 for a different offense or who has been sentenced to a term of residential confinement pursuant to NRS 4.3762 or 5.076 for a different offense must not be admitted to bail unless:
   (a) A court issues an order directing that the person be admitted to bail; or
   (b) A department of alternative sentencing directs the detention facility to admit the person to bail.

4. A person arrested for murder of the first degree may be admitted to bail unless the proof is evident or the presumption great by any competent court or magistrate authorized by law to do so in the exercise of discretion, giving due weight to the evidence and to the nature and circumstances of the offense.

5. A person arrested for a violation of NRS 484C.110, 484C.120, 484C.130, 484C.430, 488.410, 488.420 or 488.425 who is under the influence of intoxicating liquor must not be admitted to bail or released on the person’s own recognizance unless the person has a concentration of alcohol of less than 0.04 in his or her breath. A test of the person’s breath pursuant to this subsection to determine the concentration of alcohol in his or her breath as a condition of admission to bail or release is not admissible as evidence against the person.

6. A person arrested for a violation of NRS 484C.110, 484C.120, 484C.130, 484C.430, 488.410, 488.420 or 488.425 who is under the influence of a controlled substance, is under the combined influence of intoxicating liquor and a controlled substance, or inhales, ingests, applies or otherwise uses any chemical, poison or organic solvent, or any compound or combination of any of these, to a degree which renders the person incapable of safely driving or exercising actual physical control of a vehicle or vessel under power or sail must not be admitted to bail or released on the person’s own recognizance sooner than 12 hours after arrest.

7. A person arrested for a battery that constitutes domestic violence pursuant to NRS 33.018 must not be admitted to bail sooner than 12 hours after arrest. If the person is admitted to bail more than 12 hours after arrest, without appearing personally before a magistrate or without the amount of bail having been otherwise set by a magistrate or a court, the amount of bail must be:
(a) Three thousand dollars, if the person has no previous convictions of battery that constitute domestic violence pursuant to NRS 33.018 and there is no reason to believe that the battery for which the person has been arrested resulted in substantial bodily harm or was committed by strangulation;

(b) Five thousand dollars, if the person has:
   (1) No previous convictions of battery that constitute domestic violence pursuant to NRS 33.018, but there is reason to believe that the battery for which the person has been arrested resulted in substantial bodily harm or was committed by strangulation; or
   (2) One previous conviction of battery that constitutes domestic violence pursuant to NRS 33.018, but there is no reason to believe that the battery for which the person has been arrested resulted in substantial bodily harm or was committed by strangulation; or

(c) Fifteen thousand dollars, if the person has:
   (1) One previous conviction of battery that constitutes domestic violence pursuant to NRS 33.018 and there is reason to believe that the battery for which the person has been arrested resulted in substantial bodily harm or was committed by strangulation; or
   (2) Two or more previous convictions of battery that constitute domestic violence pursuant to NRS 33.018.

The provisions of this subsection do not affect the authority of a magistrate or a court to set the amount of bail when the person personally appears before the magistrate or the court, or when a magistrate or a court has otherwise been contacted to set the amount of bail. For the purposes of this subsection, a person shall be deemed to have a previous conviction of battery that constitutes domestic violence pursuant to NRS 33.018 if the person has been convicted of such an offense in this State or has been convicted of violating a law of any other jurisdiction that prohibits the same or similar conduct.

8. A person arrested for violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or for violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or for violating a temporary or extended order for protection against stalking, aggravated stalking or harassment issued pursuant to NRS 200.591, or for violating a temporary or extended order for protection against sexual assault pursuant to NRS 200.378 must not be admitted to bail sooner than 12 hours after arrest if:

(a) The arresting officer determines that such a violation is accompanied by a direct or indirect threat of harm;

(b) The person has previously violated a temporary or extended order for protection of the type for which the person has been arrested; or

(c) At the time of the violation or within 2 hours after the violation, the person has:
(1) A concentration of alcohol of 0.08 or more in the person’s blood or breath; or
(2) An amount of a prohibited substance in the person’s blood or urine, as applicable, that is equal to or greater than the amount set forth in subsection 3 or 4 of NRS 484C.110.

9. If a person is admitted to bail more than 12 hours after arrest, pursuant to subsection 8, without appearing personally before a magistrate or without the amount of bail having been otherwise set by a magistrate or a court, the amount of bail must be:

(a) Three thousand dollars, if the person has no previous convictions of violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or of violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or of violating a temporary or extended order for protection against stalking, aggravated stalking or harassment issued pursuant to NRS 200.591, or of violating a temporary or extended order for protection against sexual assault pursuant to NRS 200.378;

(b) Five thousand dollars, if the person has one previous conviction of violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or of violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or of violating a temporary or extended order for protection against stalking, aggravated stalking or harassment issued pursuant to NRS 200.591, or of violating a temporary or extended order for protection against sexual assault pursuant to NRS 200.378;

or

(c) Fifteen thousand dollars, if the person has two or more previous convictions of violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or of violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or of violating a temporary or extended order for protection against stalking, aggravated stalking or harassment issued pursuant to NRS 200.591, or of violating a temporary or extended order for protection against sexual assault pursuant to NRS 200.378.

The provisions of this subsection do not affect the authority of a magistrate or a court to set the amount of bail when the person personally appears before the magistrate or the court or when a magistrate or a court has otherwise been contacted to set the amount of bail. For the purposes of this subsection, a person shall be deemed to have a previous conviction of violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or of violating a restraining order or injunction that is in the nature of a temporary or extended order for protection
against domestic violence issued in an action or proceeding brought pursuant
to title 11 of NRS, or of violating a temporary or extended order for protection
against stalking, aggravated stalking or harassment issued pursuant to NRS
200.591, or of violating a temporary or extended order for protection against
sexual assault pursuant to NRS 200.378, if the person has been convicted of
such an offense in this State or has been convicted of violating a law of any
other jurisdiction that prohibits the same or similar conduct.
10. The court may, before releasing a person arrested for an offense
punishable as a felony, require the surrender to the court of any passport the
person possesses.
11. Before releasing a person arrested for any crime, the court may impose
such reasonable conditions on the person as it deems necessary to protect the
health, safety and welfare of the community and to ensure that the person will
appear at all times and places ordered by the court, including, without
limitation:
(a) Requiring the person to remain in this State or a certain county within
this State;
(b) Prohibiting the person from contacting or attempting to contact a
specific person or from causing or attempting to cause another person to
contact that person on the person’s behalf;
(c) Prohibiting the person from entering a certain geographic area; or
(d) Prohibiting the person from engaging in specific conduct that may be
harmful to the person’s own health, safety or welfare, or the health, safety or
welfare of another person.
⇒ In determining whether a condition is reasonable, the court shall consider
the factors listed in NRS 178.4853.
12. If a person fails to comply with a condition imposed pursuant to
subsection 11, the court may, after providing the person with reasonable notice
and an opportunity for a hearing:
(a) Deem such conduct a contempt pursuant to NRS 22.010; or
(b) Increase the amount of bail pursuant to NRS 178.499.
13. An order issued pursuant to this section that imposes a condition on a
person admitted to bail must include a provision ordering any law enforcement
officer to arrest the person if the officer has probable cause to believe that the
person has violated a condition of bail.
14. Before a person may be admitted to bail, the person must sign a
document stating that:
(a) The person will appear at all times and places as ordered by the court
releasing the person and as ordered by any court before which the charge is
subsequently heard;
(b) The person will comply with the other conditions which have been
imposed by the court and are stated in the document; and
(c) If the person fails to appear when so ordered and is taken into custody
outside of this State, the person waives all rights relating to extradition
proceedings.
The signed document must be filed with the clerk of the court of competent jurisdiction as soon as practicable, but in no event later than the next business day.

15. If a person admitted to bail fails to appear as ordered by a court and the jurisdiction incurs any cost in returning the person to the jurisdiction to stand trial, the person who failed to appear is responsible for paying those costs as restitution.

16. For the purposes of subsections 8 and 9, an order or injunction is in the nature of a temporary or extended order for protection against domestic violence if it grants relief that might be given in a temporary or extended order issued pursuant to NRS 33.017 to 33.100, inclusive.

17. As used in this section, “strangulation” has the meaning ascribed to it in NRS 200.481.

Sec. 15. NRS 200.378 is hereby amended to read as follows:

200.378 1. In addition to any other remedy provided by law, a person who reasonably believes that the crime of sexual assault has been committed against him or her by another person may petition any court of competent jurisdiction for a temporary or extended order directing the person who allegedly committed the sexual assault to:

   (a) A temporary order is guilty of a gross misdemeanor.
   (b) An extended order is guilty of a category C felony and shall be punished as provided in NRS 193.130.

   (b) It is within the ability of the employee to correct the nonindustrial condition or injury.

   The compensation must be suspended until the injured employee is able to resume treatment, testing or examination for the industrial injury. The insurer may elect to pay for the treatment of the nonindustrial condition or injury.

6. As used in this section, “prohibited substance” means any of the following substances if the person who uses the substance has not been issued a valid prescription to

Assembly Bill No. 405.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 325. AN ACT relating to gaming; creating a legislative declaration regarding the use of digital and electronic signatures in the gaming industry; codifying and revising certain provisions of the regulations of the Nevada Gaming Commission; revising provisions relating to the filing of certain reports with the Nevada Gaming Control Board; revising the definition of “global risk management”; prohibiting certain acts relating to gaming; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Nevada Gaming Commission and the Nevada Gaming Control Board to administer state gaming licenses and manufacturer’s, seller’s and distributor’s licenses and to perform various acts relating to the regulation and control of gaming. (NRS 463.140) Existing law also authorizes the use of digital and electronic signatures. (Chapters 719 and 720 of NRS) Section 1 of this bill creates a legislative declaration evidencing the intent of the Legislature regarding the use of digital and electronic signatures in the gaming industry.

The regulations of the Commission authorize an affiliated company which is a publicly traded corporation to apply for approval of a continuous or delayed public offering of the securities of the company under certain circumstances and for a period of not more than 3 years. (Nev. Gaming Comm’n § 16.115) Section 2 of this bill codifies the existing regulations and extends the period for such approvals to not more than 5 years. Section 2 also
grants the Chair of the Board discretion to require a licensee to submit a new application for licensure or to hold hearings on such an application, or both.

Existing law requires a licensee who participates in foreign gaming to file certain documents, reports and other information with the Board at certain periodic times. (NRS 463.710) Section 3 of this bill: (1) removes the requirement to file any amendments to the accounting and internal control systems utilized in the foreign gaming operation as soon as such amendments are made; and (2) revises the time for filing of certain reports and information to require instead that such reports and information be filed during the regular auditing of the regulatory compliance procedures of the licensee.

Existing law defines the term “global risk management” as an operation, by a person who has been issued a license to operate a race book or sports pool, of certain risk management services between and among permissible jurisdictions through communications technology for the purpose of providing the management, or consultation or instruction in the management, of wagering pools and the transmission of information relating to wagering pools or other similar information. (NRS 463.810) Section 4 of this bill adds an affiliate of such a person to the definition for purposes relating to the adoption of regulations governing global risk management.

Existing law makes it unlawful for a person to engage in certain actions relating to gaming and provides that a person who engages in such actions is guilty of: (1) a category C felony for the first offense; and (2) a category B for a second or subsequent offense. (NRS 465.070, 465.088) Section 5 of this bill makes it unlawful for a person to engage in any of the statutorily prescribed offenses relating to gaming: (1) through an agreement with certain persons; and (2) with the intent that such an agreement is made to use less than the best efforts of the person to win, judge, referee, manage, coach or officiate, to limit a margin of victory or to adversely affect the outcome of a sporting event.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds and declares that:

1. Nevada is recognized internationally as the gaming capital of the world.
2. Nevada is a leader in regulatory structure and the integrity of the gaming industry is of paramount importance.
3. It is the intent of the Legislature:
   (a) To facilitate economic and efficient delivery of documentation in the gaming industry through means of reliable electronic messages.
   (b) To enhance public confidence in the use of digital and electronic signatures in the gaming industry.
   (c) To minimize the incidence of forged digital and electronic signatures and fraud in electronic commerce.
   (d) To foster the development of electronic commerce through the use of digital and electronic signatures.

Sec. 2. Chapter 463 of NRS is hereby amended by adding thereto a new section to read as follows:

1. An affiliated company which is a publicly traded corporation may apply for approval of a continuous or delayed public offering of its securities if such an affiliated company:
   (a) Has a class of securities listed on either the New York Stock Exchange, the American Stock Exchange, the National Association of Securities Dealers Automatic-Quotation System or has stockholders’ equity in an amount of $10 million or more as reported in its most recent report on Form 10-K or Form 10-Q filed with the United States Securities and Exchange Commission immediately preceding the application; and
   (b) Has filed all reports required to be filed by section 13 or section 15(d) of the Federal Securities Exchange Act, or in the case of a foreign issuer or foreign private issuer, pursuant to Regulations 13d-16 and 15a-16 of the Federal Securities Exchange Act, during the immediately preceding 12 months or for any shorter period that the affiliated company is required to file such reports.

2. The Commission may, without a hearing, grant an approval of a continuous or delayed offering for a period of not more than 5 years. An approval granted pursuant to this section does not constitute an approval of other related transactions for which a separate Board or Commission approval is otherwise required pursuant to this chapter or the regulations adopted by the Commission. Upon such an approval, the Chair of the Board retains the discretion to require a new application for a license, or a hearing, or both, upon any investigation which is presented to the Board not less than 6 months before the expiration of the approval.

3. If an application is approved, the affiliated company shall notify the Board of its intent to make the public offering and identify the type and amount of securities it proposes to sell and the date on which it is anticipated the sale will occur. If such notification is not written, it must be followed, as soon as practicable, with a written confirmation which need not precede such sale. (Deleted by amendment.)

Sec. 3. NRS 463.710 is hereby amended to read as follows:

463.710 Unless otherwise ordered by the Board or Commission, a licensee who participates in foreign gaming shall file with the Board:

1. As soon as participation in foreign gaming begins:

(s) Any arrest of an employee of the foreign gaming operation involving cheating or theft, related to gaming, in the foreign jurisdiction; and

(t) Any arrest or conviction of an officer, director, key employee or owner of equity in the foreign gaming operation for an offense that would constitute a gross misdemeanor or felony in this state.

4. Such other information as the Commission requires by regulation.

(Deleted by amendment.)

Assemblywoman Bilbray-Axelrod moved the adoption of the amendment.
Remarks by Assemblywoman Bilbray-Axelrod.
Amendment adopted.
Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 436.
Bill read second time.
The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 374.
AN ACT relating to health care; prohibiting an insurer from entering into a contract with a provider of vision care that contains certain provisions; requiring an insurer to provide certain information to a provider of vision care before entering into a contract to include the provider in the network of the insurer; prescribing certain requirements concerning the advertising and marketing of vision coverage; authorizing the imposition of an administrative penalty; limiting the rates that a provider of vision care may charge to patients for vision care provided out of network; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law prohibits certain unfair trade practices in the business of insurance. (NRS 686A.010-686A.280) Section 1 of this bill prohibits an insurer from entering into a contract with a provider of vision care that [places certain requirements on the provider of vision care] places certain limitations on coverage, [or provides for unreasonably low or nominal rates of reimbursement.]
Section 1 also requires an insurer to provide to a provider of vision care a list of the rates of reimbursement that the insurer provides for covered vision care before entering into a contract to include the provider of vision care in the network of the insurer. Section 1 additionally: (1) requires an insurer to disclose in any policy of vision insurance or related materials any ownership or other pecuniary interest of the insurer in a manufacturer of goods covered by the policy or in a provider of vision care; and (2) imposes certain restrictions on the manner in which an insurer may advertise a policy of insurance that covers vision care. Sections 2 and 3 of this bill authorize the Commissioner of Insurance to enforce the requirements of section 1 in the same manner as other provisions governing the trade practices of insurers. Specifically, section 2 authorizes the Commissioner to hold a hearing if he or she has cause to believe that a violation of section 1 has occurred. If the Commissioner finds after that hearing that a violation has occurred and the insurer in violation knew or should have known of the violation, section 3 authorizes the Commissioner to impose an administrative penalty or take action against the license of the insurer. Sections 4-9 of this bill provide that certain entities that provide vision coverage, including local governments and the Public Employees’ Benefits Program, are subject to the provisions of section 1.
[Sections 10-12 of this bill prohibit a physician, osteopathic physician or optometrist from charging a patient who is covered by a policy of vision insurance for which the physician, osteopathic physician or optometrist is out-of-network for vision care an amount that exceeds the usual and customary rate that the physician, osteopathic physician or optometrist charges uninsured patients for that vision care. A physician, osteopathic physician or optometrist who willfully charges a patient a prohibited rate would be subject to professional discipline. (NRS 630.3065, 633.131, 626.285)]

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 686A of NRS is hereby amended by adding thereto a new section to read as follows:

1. An insurer shall not enter into a contract with a provider of vision care that [places certain requirements on the provider of vision care] places certain limitations on coverage, [or provides for unreasonably low or nominal rates of reimbursement.]

   (a) Authorizes the insurer to set or limit the amount that the provider of vision care may charge for vision care that is not reimbursed under the contract;
(b) Requires the provider of vision care to participate in the network of providers of vision care of the insurer or any other insurer as a condition of including that provider of vision care in the network of providers of medical services of the insurer;

c) Requires the provider of vision care to use a specific laboratory as the manufacturer of ophthalmic devices or materials provided to covered persons;

d) Conditions any rate of reimbursement for vision care on the provider of vision care prescribing ophthalmic devices or materials in which the insurer has an ownership or other pecuniary interest or increases the rate of reimbursement if the provider of vision care prescribes such ophthalmic devices or materials.

e) Provides for unreasonably low or nominal rates of reimbursement for vision care.

2. Before entering into a contract with a provider of vision care to include the provider of vision care in the network of an insurer, the insurer must provide to the provider of vision care a list of the rates of reimbursement for each service covered by the contract.

3. An insurer shall disclose in any policy of insurance that covers vision care or any description of benefits covered by such a policy, whether written or electronic, any ownership or other pecuniary interest of the insurer in a supplier of ophthalmic devices or materials or a provider of vision care. The disclosure must appear in a conspicuous and clear manner.

4. An insurer that does not provide reimbursement for specific vision care shall not claim in any advertisement or other material that the insurer covers that vision care or that such vision care is available at a discount or with a copayment or coinsurance in an amount that is in addition to the copayment or coinsurance that a covered person is typically required to pay for covered services.

5. An insurer shall not, in any advertisement or similar communication, place providers of vision care in tiers or similar designations designed to influence the choice of a covered person concerning a provider of vision care unless those designations are based on criteria related to quality of care that are expressly prescribed in the contract.

6. As used in this section:
   (a) “Provider of vision care” means a physician who provides vision care or an optometrist.
   (b) “Vision care” means:
      (1) [Services for the diagnosis, prevention, treatment, care or relief of a health condition, illness, injury or disease related to the eye.] Routine ophthalmological evaluation of the eye, including refraction.
      (2) Ophthalmic devices or materials, including, without limitation, lenses, frames, mountings or other specially fabricated ophthalmic devices.
The term “vision care” does not include the initiation of treatment or diagnosis pursuant to a program of medical care.

(b) Suspension or revocation of the person’s license if the person knew or reasonably should have known that he or she was in violation of NRS 686A.010 to 686A.310, inclusive, and section 1 of this act.

3. After the expiration of the time allowed for taking an appeal, if no petition for review has been filed, the Commissioner may at any time, after notice and opportunity for hearing, reopen and alter, modify or set aside, in whole or in part, any order issued by him or her under this section whenever in the opinion of the Commissioner conditions of fact or of law have so changed as to require such action or if the public interest so requires.
Sec. 4. NRS 686A.520 is hereby amended to read as follows:

686A.520 1. The provisions of NRS 683A.341, 683A.451, 683A.461 and 686A.010 to 686A.310, inclusive, and section 1 of this act apply to companies.

2. For the purposes of subsection 1, unless the context requires that a section apply only to insurers, any reference in those sections to “insurer” must be replaced by a reference to “company.”

(c) An evidence of coverage shall be deemed to be deceptive if the evidence of coverage taken as a whole, and with consideration given to typography and format as well as language, shall be such as to cause a reasonable person not possessing special knowledge regarding health care plans and evidences of coverage therefor to expect benefits, services, charges or other advantages which the evidence of coverage does not provide or which the health care plan issuing such evidence of coverage does not regularly make available for enrollees covered under such evidence of coverage.
2. NRS 686A.010 to 686A.310, inclusive, and section 1 of this act shall be construed to apply to health maintenance organizations, health care plans and evidences of coverage except to the extent that the nature of health maintenance organizations, health care plans and evidences of coverage render the sections therein clearly inappropriate.

3. An enrollee may not be cancelled or not renewed except for the failure to pay the charge for such coverage or for cause as determined in the master contract.

4. No health maintenance organization, unless licensed as an insurer, may use in its name, contracts, or literature any of the words “insurance,” “casualty,” “surety,” “mutual” or any other words descriptive of the insurance, casualty or surety business or deceptively similar to the name or description of any insurance or surety corporation doing business in this State.

(j) NRS 680B.025 to 680B.039, inclusive, concerning premium tax, premium tax rate, annual report and estimated quarterly tax payments. For the purposes of this subsection, unless the context otherwise requires that a section apply only to insurers, any reference in those sections to “insurer” must be replaced by a reference to “prepaid limited health service organization.”

(k) Chapter 692C of NRS, concerning holding companies.

(l) NRS 689A.637, concerning health centers.

2. For the purposes of this section and the provisions set forth in subsection 1, a prepaid limited health service organization is included in the meaning of the term “insurer.”
Sec. 8. NRS 287.010 is hereby amended to read as follows:

287.010  1. The governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada may:
(a) Adopt and carry into effect a system of group life, accident or health insurance, or any combination thereof, for the benefit of its officers and employees, and the dependents of officers and employees who elect to accept the insurance and who, where necessary, have authorized the governing body to make deductions from their compensation for the payment of premiums on the insurance.
(b) Purchase group policies of life, accident or health insurance, or any combination thereof, for the benefit of such officers and employees, and the dependents of such officers and employees, as have authorized the purchase, from insurance companies authorized to transact the business of such insurance in the State of Nevada, and, where necessary, deduct from the compensation of officers and employees the premiums upon insurance and pay the deductions upon the premiums.
(c) Provide group life, accident or health coverage through a self-insurance reserve fund and, where necessary, deduct contributions to the maintenance of the fund from the compensation of officers and employees and pay the deductions into the fund. The money accumulated for this purpose through deductions from the compensation of officers and employees and contributions of the governing body must be maintained as an internal service fund as defined by NRS 354.543. The money must be deposited in a state or national bank or credit union authorized to transact business in the State of Nevada. Any independent administrator of a fund created under this section is subject to the licensing requirements of chapter 683A of NRS, and must be a resident of this State. Any contract with an independent administrator must be approved by the Commissioner of Insurance as to the reasonableness of administrative charges in relation to contributions collected and benefits provided. The provisions of NRS 687B.408, 689B.030 to 689B.050, inclusive, 689B.287 and 689B.500 and section 1 of this act apply to coverage provided pursuant to this paragraph, except that the provisions of NRS 689B.0378, 689B.03785 and 689B.500 only apply to coverage for active officers and employees of the governing body, or the dependents of such officers and employees.
(d) Defray part or all of the cost of maintenance of a self-insurance fund or of the premiums upon insurance. The money for contributions must be budgeted for in accordance with the laws governing the county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada.
2. If a school district offers group insurance to its officers and employees pursuant to this section, members of the board of trustees of the school district must not be excluded from participating in the group insurance. If the amount of the deductions from compensation required to pay for the group insurance
exceeds the compensation to which a trustee is entitled, the difference must be paid by the trustee.

3. In any county in which a legal services organization exists, the governing body of the county, or of any school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada in the county, may enter into a contract with the legal services organization pursuant to which the officers and employees of the legal services organization, and the dependents of those officers and employees, are eligible for any life, accident or health insurance provided pursuant to this section to the officers and employees, and the dependents of the officers and employees, of the county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency.

4. If a contract is entered into pursuant to subsection 3, the officers and employees of the legal services organization:
   (a) Shall be deemed, solely for the purposes of this section, to be officers and employees of the county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency with which the legal services organization has contracted; and
   (b) Must be required by the contract to pay the premiums or contributions for all insurance which they elect to accept or of which they authorize the purchase.

5. A contract that is entered into pursuant to subsection 3:
   (a) Must be submitted to the Commissioner of Insurance for approval not less than 30 days before the date on which the contract is to become effective.
   (b) Does not become effective unless approved by the Commissioner.
   (c) Shall be deemed to be approved if not disapproved by the Commissioner within 30 days after its submission.

Legislative Counsel's Digest:
Existing law prescribes various requirements relating to the filing, submission and presentation of maps and related documents for purposes of the division of land.       (1) The document is sealed or stamped electronically using an electronically prepared seal or stamp; and

      (2) Secure encryption methods are in place to prevent the copying, transferring or removing of the seal or stamp, which must comply, without limitation, with any requirements for digital signatures set forth in chapter 720 of NRS and any regulations adopted pursuant thereto and any standards of the county recorder for such electronic documents.

   (d) A document be signed, the requirement is satisfied by the use of a digital signature if:

      (I) The digital signature complies with:

Assembly Bill No. 29.
Bill read second time.

The following amendment was proposed by the Committee on Revenue:
Amendment No. 256.

AN ACT relating to economic development; redesignating the Knowledge Account as the Nevada Innovation Account; requiring the Executive Director of the Office of Economic Development to establish a competitive grant program to provide grants for certain purposes related to the research and development of technology and address market gaps in the development of technology in this State; revising provisions governing commercialization revenue allocated between the Office, the research universities and the Desert Research Institute; revising the duties of the Executive Director; expanding the services that must be provided by a technology outreach program; and providing other matters properly relating thereto.
Existing law establishes the Knowledge Account, containing money which may be used to fund a program for the development and commercialization of research and technology at the University of Nevada, Las Vegas, the University of Nevada, Reno, and the Desert Research Institute. (NRS 231.1591-231.1597) Sections 1-7 of this bill redesignate the Knowledge Account as the Nevada Innovation Account.

Sections 1-7 of this bill redesignate the Knowledge Account as the Nevada Innovation Account. Existing law authorizes the Executive Director of the Office of Economic Development to allocate money in the Knowledge Account among certain entities to support commercialization and technology transfer to the private sector. (NRS 231.1592) Section 2 of this bill instead authorizes the Executive Director to establish one or more competitive grant programs to address market gaps in the development of technology in this State, to facilitate the operation of the technology outreach program established by the Executive Director or to facilitate the research and development of promising technologies that have reached a technology readiness level of at least 3, which, under section 1 of this bill, would be determined using the method of assessing the maturity level of technology used by the Federal Government. Section 2 also requires that not less than 80 percent of the grant money awarded pursuant to such competitive grant programs be awarded to the University of Nevada, Las Vegas, the University of Nevada, Reno, the Desert Research Institute or partnerships between private entities and the University of Nevada, Las Vegas, the University of Nevada, Reno or the Desert Research Institute.

Existing law requires commercialization revenue received by the Office pursuant to an agreement with a research university or the Desert Research Institute to be deposited in the Knowledge Account. (NRS 231.1593) Section 3 of this bill includes certain types of revenue as commercialization revenue and requires any stock or equity received pursuant to such an agreement to be transferred to a nonprofit corporation formed under existing law to promote, aid and encourage economic development and to be held for the benefit of the Nevada Innovation Account.

Existing law requires the Executive Director, in making allocations from the Knowledge Account, to consider certain factors, including whether each of the entities to whom an allocation can be made has received an equitable share of such allocations. (NRS 231.1594) Section 4 of this bill removes the requirement for the Executive Director to consider this factor. Section 4 also establishes the procedures for a research university, the Desert Research Institute, the technology outreach program established by existing law, private entities or a partnership between a private entity and a research university or the Desert Research Institute to apply for a grant pursuant to the competitive grant program established pursuant to section 2.

Existing law requires the Executive Director to take certain actions in consultation with the Board of Economic Development and the Chancellor of the Nevada System of Higher Education. (NRS 231.1595) Section 5 of this
bill adds to this list of actions a requirement to facilitate research and
development of technologies that have reached a certain technology readiness
level at the research universities and the Desert Research Institute and to offer
grants through a competitive grant program established pursuant to section 2.
Existing law requires the Executive Director to use money in the Knowledge
Account to establish a technology outreach program and to ensure that the
program provides certain services. (NRS 231.1596) Section 6 of this bill
expands the list of services which the technology outreach program must provide.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 231.1591 is hereby amended to read as follows:
231.1591 As used in NRS 231.1591 to 231.1597, inclusive, unless the
context otherwise requires:
1. “Chancellor” means the Chancellor of the Nevada System of Higher
Education or his or her designee.
2. “Private entity”:
   (a) Means a privately-owned corporation, limited-liability company,
   partnership or other business entity or association, including, without
   limitation, a nonprofit corporation.
   (b) Does not include a sole proprietorship.
3. “Research universities” means the University of Nevada, Las Veg as,
and the University of Nevada, Reno.
4. “Technology readiness level” means the level of maturity of a
technology as determined using the method for assessing such maturity that
is used by the Federal Government and is determined by the Office to be
most appropriate for assessing the maturity of the technology.

Sec. 2. NRS 231.1592 is hereby amended to read as follows:
231.1592 1. The [Knowledge] Nevada Innovation Account is hereby
created in the State General Fund.
2. The interest and income earned on:
   (a) Money in the [Knowledge] Nevada Innovation Account, after
deducting any applicable charges; and
   (b) Unexpended appropriations made to the Account from the State General
Fund,
   must be credited to the [Knowledge] Nevada Innovation Account.
3. Any money in the [Knowledge] Nevada Innovation Account and any
unexpended appropriations made to the Account from the State General Fund

The following amendment was proposed by the Committee on Education:
Amendment No. 477.

AN ACT relating to education; revising requirements governing input from interested persons concerning a program of career and technical education; exempting an advisory technical skills committee for such a program from certain requirements governing the meetings of a public body; revising requirements relating to work-based learning programs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law authorizes the board of trustees of a school district to establish a program of career and technical education and, if such a program has been established, requires the superintendent of the school district to appoint an advisory technical skills committee to perform certain duties relating to the program. (NRS 388.380, 388.385) Existing federal law makes federal funding for career and technical education contingent on a school district that has established such a program consulting with certain stakeholders concerning certain matters relating to the operation of the program. (20 U.S.C. § 2354) Section 1 of this bill authorizes the superintendent of a school district or his or her designee to consult with such stakeholders as an alternative to establishing an advisory technical skills committee. Section 1 also revises the membership of an advisory technical skills committee to include the stakeholders with whom a school district is required by federal law to consult. Section 1 additionally revises the duties of an advisory technical skills committee and the subjects concerning which the superintendent of a school district is required to consult stakeholders, as applicable, in accordance with federal law. Sections 1 and 3 of this bill exempt an advisory technical skills committee
from provisions of law requiring meetings of a public body to be open and public.

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon the approval of the State Board of Education. (NRS 389.167) Section 2 of this bill requires the application of a school district or charter school to offer a work-based learning program to include a description of the manner in which the performance of a participating pupil will be evaluated. Section 2 also revises the required contents of a work-based learning program.

Existing law requires the board of trustees of a school district or the governing body of a charter school that offers a work-based learning program to submit to the State Board and the Legislature a report concerning the manner in which the program has been carried out. (NRS 389.167) Section 2 requires that report to include: (1) the number of participating pupils disaggregated by certain subgroups; and (2) the types of work-based learning offered through the program.

Assembly Bill No. 45. Bill read second time and ordered to third reading.

Assembly Bill No. 47. Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 239:

AN ACT relating to unfair trade practices; requiring certain notice to be provided to the Attorney General before the consummation of certain mergers and acquisitions; making it unlawful to enter into certain agreements which restrain a natural person from engaging in a lawful profession, trade or business; providing that certain provisions in certain agreements or policies related to health care are void and unenforceable unless approved by the Attorney General; prescribing procedures and criteria for obtaining such approval; certain transactions involving a group practice or health carrier; revising provisions relating to proceedings instituted by the Attorney General under the Nevada Unfair Trade Practice Act; revising provisions relating to noncompetition covenants; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Unfair Trade Practice Act sets forth various activities that constitute a contract, combination or conspiracy in restraint of trade and authorizes the Attorney General to investigate and take certain actions against persons who engage in such activities, which may include, without limitation, criminal prosecution and the imposition of civil penalties. (Chapter 598A of NRS) This bill makes various changes to the Nevada Unfair Trade Practice Act.

Sections 2-10 of this bill impose certain notification requirements relating to certain transactions involving health carriers or certain business entities consisting of health care practitioners, which are designated by section 4.2 of this bill as “group practices.” Section 6.5 of this bill requires any party conducting business in this State who is a party to a reportable health care or health carrier transaction to, at least 30 days before the consummation of the transaction, submit to the Attorney General a notification with certain specified information relating to the transaction. Section 5.6 of this bill defines “reportable health care or health carrier transaction” to generally mean a transaction that: (1) results in a material change to the business or corporate structure of a group practice or health carrier; and (2) causes, as a result of the transaction, a group practice or health carrier to provide within a geographic market 50 percent or more of any health care service or health carrier service.
The federal Hart-Scott-Rodino Antitrust Improvements Act of 1976 requires certain persons who intend to engage in certain mergers or acquisitions to file a notification with the Federal Trade Commission and the United States Department of Justice. (15 U.S.C. § 18a) Sections 2-10 of this bill impose similar notification requirements for certain persons and transactions in this State. Section 6 of this bill requires all parties to an intended merger or acquisition to file a notice with the Attorney General at least 180 days before the merger or acquisition if any party to the transaction has had a certain amount of gross sales to consumers in this State and the transaction involves a certain amount of voting securities, assets and other interests. Section 7 of this bill requires a person who is required to file such a notification under the federal Hart-Scott-Rodino Antitrust Improvements Act of 1976 regarding any transaction involving any assets of a group practice or health carrier in this State to simultaneously submit a copy of the filing to the Attorney General. Section 8 of this bill provides that nothing in the provisions of sections 2-10 limits the power of the Attorney General to issue written investigative demands upon a party to the intended merger or acquisition within 30 days after receiving a notice in connection with an investigation under the Nevada Unfair Trade Practice Act. Section 9 of this bill provides that any information received by the Attorney General pursuant to sections 2-10 is confidential and authorized to be disclosed only under certain circumstances. Section 10 of this bill provides for the imposition of a civil penalty of up to $1,000 per day for willful violations of the notification requirements set forth in sections 2-10.

Existing law allows certain noncompetition agreements between an employer and employee to be enforceable under certain circumstances. (NRS 613.195) Section 11 of this bill makes it unlawful to enter into an agreement which restrains a natural person from engaging in a lawful profession, trade or business of any kind. Section 11 sets forth certain exceptions to this prohibition for certain agreements involving: (1) the sale of a business; (2) the dissolution of or dissociation from a partnership; or (3) the dissolution of or termination of an interest in a limited-liability company. Section 25 of this bill makes a conforming change to eliminate the provision in existing law relating to such agreements because section 11 now governs such agreements.

Section 12 of this bill requires a person who wishes to enter into certain agreements or adopt certain policies related to health care to submit the proposed agreement or policy to the Attorney General for approval if it contains certain provisions that: (1) relate to the exclusivity of a provider or provider organization; (2) prohibit certain purchases and sales of health care services; or (3) restrict the ability of a health carrier to encourage a person to obtain a health care service from certain hospitals or hospital systems. Section 12 requires the Attorney General to approve the proposed agreement or policy if he or she determines that: (1) the agreement or policy is likely to result in an increase in the welfare of consumers; (2) such increase cannot be accomplished through alternative means that are less restrictive; and (3) the agreement or
policy does not constitute a contract, combination or conspiracy in restraint of trade. Under section 12, any of the previously described provisions in any agreement or policy are void and unenforceable unless the agreement or policy is approved by the Attorney General. Section 24 of this bill requires all agreements or policies containing such provisions which are in effect on October 1, 2021, to be submitted to the Attorney General by June 1, 2022. If the Attorney General does not approve the agreement or policy before June 1, 2023, section 24 provides that such provisions are void and unenforceable on that date.

Section 15 of this bill provides that certain agreements or policies that restrict the ability of a provider to provide a health care service or restrict the amount of a health care service provided within certain geographic areas constitute a contract, combination or conspiracy in restraint of trade under certain circumstances.

Sections 16, 17, 19 and 20 of this bill revise provisions relating to proceedings instituted by the Attorney General under the Nevada Unfair Trade Practice Act to generally authorize additional equitable relief for violations of the Act. Section 18 of this bill requires public officers and employees to provide certain information to the Attorney General relating to such proceedings upon request.

Existing law requires a state agency to provide to the Executive Director of the Patient Protection Commission such information as the Executive Director may request. (NRS 439.914) Sections 17.5 and 21.5 of this bill provide that the Attorney General is not required to provide to the Executive Director information obtained by the Attorney General under the Nevada Unfair Trade Practice Act.

Existing law provides that a noncompetition covenant is void and unenforceable unless the noncompetition covenant meets certain requirements. Under existing law, a noncompetition covenant is prohibited from restricting a former employee from providing service to a former customer or client under certain circumstances. (NRS 613.195) Section 22.5 of this bill also prohibits an employer from bringing an action to restrict a former employee from providing service to a former customer or client under certain circumstances. Section 22.5 also prohibits a noncompetition covenant from applying to an employee who is paid solely on an hourly wage basis, exclusive of any tips or gratuities. Finally, section 22.5 requires a court, in an action to enforce or challenge a noncompetition covenant, to award reasonable attorney’s fees and costs to the employee if the court finds that the noncompetition covenant applies to an employee paid on an hourly wage basis or that the employer has impermissibly restricted or attempted to restrict the employee from providing services to a former customer or client.

7. 3. If a fine or an administrative penalty is imposed pursuant to this section, the costs of the proceeding, including investigative costs and attorney’s fees, may be recovered by the Labor Commissioner.

4. The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 347.
AN ACT relating to the City of North Las Vegas; providing for the creation, membership and duties of a Charter Committee; making certain grammatical and clarifying changes to the Charter of the City of North Las Vegas; revising provisions relating to special and emergency meetings of the City Council; revising the procedure for enacting city ordinances; making
various changes to the duties of the City Clerk; revising the powers of the City Council relating to animals; revising provisions relating to the removal of the City Attorney; authorizing the City Manager and City Attorney to take certain legal action for the collection and disposition of certain money; authorizing the City Council to appoint one or more Hearing Commissioners; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill: (1) requires the City Council of the City of North Las Vegas to establish a Charter Committee, which is required to prepare recommendations to be presented to the Legislature on behalf of the City concerning all necessary amendments to the Charter; and (2) sets forth requirements for the creation, membership and duties of the Charter Committee.

Sections 1, 1.5, 2, 5, 7, 9 and 15-21 of this bill make grammatical and clarifying changes to various provisions of the Charter of the City of North Las Vegas.

The existing Charter of the City of North Las Vegas: (1) authorizes the City Council to hold a special meeting on the call of the Mayor or by a majority of the City Council; and (2) prohibits the City Council from making certain contracts involving the expenditure of money or allowing claims at a special meeting. (North Las Vegas City Charter § 2.050) Section 3 of this bill eliminates this prohibition and authorizes the City Council to also hold an emergency meeting on the call of the Mayor or by a majority of the City Council.

The existing Charter of the City of North Las Vegas establishes the procedure for enacting an ordinance. (North Las Vegas City Charter § 2.100) Section 4 of this bill provides that if action on an introduced ordinance is postponed to a future meeting of the City Council, the City Council is not required to introduce the ordinance again before taking action on the ordinance at the next meeting of the City Council.

The existing Charter of the City of North Las Vegas authorizes the City Council to regulate and prevent in all public places: (1) the distribution and exhibition of handbills or signs; (2) any practice tending to annoy persons passing in such public places; and (3) public demonstrations and processions. (North Las Vegas City Charter § 2.200) Section 6 of this bill: (1) provides the City Council may regulate or prevent such behavior to the extent permissible under the Nevada Constitution and the United States Constitution; and (2) removes the provision authorizing the City Council to regulate practices tending to annoy persons. Section 6 also removes existing language authorizing the City Council to prevent riots or acts tending to promote riots.

The existing Charter of the City of North Las Vegas gives the City Council certain powers related to animals and poultry. (North Las Vegas City Charter § 2.250) Section 8 of this bill removes the reference to poultry and authorizes the City Council to establish an animal shelter rather than a pound.
The existing Charter of the City of North Las Vegas sets forth the duties of the City Clerk. (North Las Vegas City Charter § 3.040) **Section 10** of this bill revises the duties of the City Clerk.

The existing Charter of the City of North Las Vegas provides that the City Attorney may be removed by a vote of the majority of the entire City Council at any time. (North Las Vegas City Charter § 3.050) **Section 11** of this bill specifies that the removal of the City Attorney must also be in accordance with the terms of his or her employment contract.

The existing Charter of the City of North Las Vegas authorizes the City Council to take certain legal action for the collection and disposition of certain money. (North Las Vegas City Charter § 3.090) **Section 12** of this bill authorizes the City Manager and City Attorney to also take such legal action.

**Section 13** of this bill authorizes the City Council to appoint one or more Hearing Commissioners to hear and decide certain actions. **Section 14** of this bill makes a conforming change related to such an appointment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 7A.010 Legislative declaration. The Legislature by the inclusion of this article in this Charter declares that:

1. All of the property which is to be acquired by the City pursuant to this article must be owned, operated, administered and maintained for and on behalf of all of the people of the City.

2. The exercise by the City of the purposes, powers, rights, privileges, immunities and duties which are established, granted, conferred and imposed in this article promotes the public health, safety, prosperity, security, comfort, convenience and general welfare of all of the people of the State and will be of special benefit to the inhabitants of the City and the property within the City.

3. The provisions in this article which involve the purposes, powers, rights, privileges, immunities, liabilities, duties and disabilities with respect to the City will serve a public purpose.

4. The necessity for this article results from:
   (a) The large population growth in the urban areas which are included within the City and its environs, which constitutes in the aggregate a significant portion of the State’s population;
   (b) The numerous capital improvements and large amount of improved real property which is situated within the urban areas;
c) The need for capital improvements within certain areas within the
City to provide needed services, facilities and other improvements for
public use;

d) The existence of blighted or deteriorating areas within the City
which constitutes a serious and growing menace which is condemned as
injurious and inimical to the public health, safety and general welfare of
the people of the State, and particularly of the City;

e) The lack of municipally owned capital improvements and the
blighted or deteriorating areas which present difficulties and handicaps
beyond remedy and control solely by the regulatory processes in the

and reduce tax revenues, aggravate traffic hazards and the improvement
of the traffic facilities.

increasingly direct and substantial in its significance and effect.

6. The benefits which the City will derive from the remedying of
these deficiencies by making available additional revenues to defray
indirectly the costs of undertakings within the City which are authorized
by NRS 268.672 to 268.740, inclusive, the development of mixed-use and
transit-oriented communities, and the redevelopment of blighted or
deteriorating areas within the City will inure to the inhabitants and the
property owners of the City as a whole, will be of general benefit to those
people and will be of special benefit to the taxable real property within a
tax increment area and to the owners of that property.

7. The method of paying the bond requirements of the securities
which are issued pursuant to this article is equitable and enables the City
to issue securities to defray the cost of any project.

8. A general law cannot be made applicable to the City or to the
properties, powers, rights, privileges, immunities, liabilities, duties and
disabilities which pertain to the City, as provided in this article, because
of the number of atypical factors and special conditions with respect to
them.

9. For the accomplishment of the purposes which are provided in this
section, each of the provisions of this article must be broadly construed.

As used in this subsection, “initial assessed valuation” means the assessed value as shown on the assessment roll which was last equalized before the designation of the area.
3. The right-of-way property of a railroad company which is under the jurisdiction of the Interstate Commerce Commission must not be included in a tax increment area unless the inclusion of that property is mutually agreed upon by the City Council and the railroad company.

1.  The City may not acquire, as a part of its facilities, any property which, at the time of its acquisition, competes in any area with then-existing properties of a public body which provides the same or a similar function or service in the area, but the facilities of the City may complement the existing properties of a public body by providing in that area supplemental functions or services, if the existing properties provide inadequate functions or services.
2.  The City may acquire properties of any public body which are situated in the City as one undertaking or a project of the City or an interest in that undertaking or project.

be issued under the provisions of [NRS 350.500 to 350.720, inclusive, except as is otherwise provided in this article, without any compliance

provided in paragraph (b) of subsection 3, regardless of whether or not
they are also payable in the manner which is provided only in paragraph
(a) of that subsection or in both subsection 2 and paragraph (a) of
subsection 3, must be general obligations of the City, are in their issuance
subject to the debt limitation which is specified in subsection 1 of section
7.010 of this Charter or is otherwise imposed by law and, while they are
outstanding, exhaust the City’s debt-incurring power under subsection 1
of section 7.010 of this Charter or other law, and those securities may be
issued under NRS 350.500 to 350.720, inclusive, only after the issuance
of City bonds is approved under the provisions of:
(a) NRS 350.011 to 350.0165, inclusive; and
(b) NRS 350.020 to 350.070, inclusive, except for the issuance of notes

Amendment No. 240.

AN ACT relating to trade practices; increasing penalties for certain offenses relating to the use of a device for automatic dialing and announcing; establishing certain practices as deceptive trade practices; authorizing the imposition of additional civil penalties for certain deceptive trade practices in certain actions and proceedings under certain circumstances; revising provisions relating to the initiation of certain administrative hearings; revising the penalties for willfully and knowingly engaging in a deceptive trade practice; revising provisions relating to credit service organizations; revising provisions relating to credit service organizations; eliminating the statute of limitations for certain civil actions and criminal prosecutions involving deceptive trade practices which are brought by the Attorney General; authorizing the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to have access to certain records; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines activities that constitute deceptive trade practices and provides for the imposition of civil and criminal penalties against persons who engage in deceptive trade practices. (Chapter 598 of NRS) Sections 1, 3, 6.5, 7, 19 and 20 of this bill establish certain additional activities as deceptive trade practices.

Existing law makes it a misdemeanor to use a device for automatic dialing and announcing to disseminate a prerecorded message in a telephone call under certain circumstances. (NRS 597.814, 597.818) Section 1 of this bill increases the punishment for such action to make: (1) the first offense a misdemeanor; (2) the second offense a gross misdemeanor; and (3) the third or subsequent offense a category E felony. Additionally, section 1 provides that such action constitutes a deceptive trade practice and provides for a maximum civil penalty of $10,000. Additionally, section 1 provides that such action constitutes a deceptive trade practice and provides for a civil penalty of not more than $10,000.

Section 3 of this bill makes it a deceptive trade practice to sell, rent or offer to sell or rent certain goods and services during a state of emergency or declaration of disaster that has been in effect for 75 days or less for a price that is grossly in excess of the usual price for that good or service. Section 3 sets forth certain criteria for determining whether a price for a good or service is grossly in excess of its usual price. Section 3.5 of this bill requires the Attorney General to prepare a report for each state of emergency or declaration of disaster concerning complaints received by the Attorney General of deceptive trade practices of the type described in section 3.

Existing law makes it a deceptive trade practice to engage in certain actions during a solicitation by telephone or sales presentation. (NRS...
Section 6.5 of this bill: (1) expands the circumstances under which such actions constitute a deceptive trade practice to include a solicitation by text message; and (2) makes it a deceptive trade practice to engage in certain additional actions during a solicitation by telephone or text message or during a sales presentation. Section 7 of this bill makes it a deceptive trade practice to use an “unconscionable practice” in a transaction, which is generally defined to mean any act or practice which takes advantage of a consumer to a grossly unfair degree.

The Federal Pallone-Thune Robocall Abuse Criminal Enforcement and Deterrence Act requires the Federal Communications Commission to adopt certain regulations and take certain other actions to deter the use of automated and unauthenticated telephone calls. (Pub. L. No. 116-105) Section 4 of this bill makes it a deceptive trade practice to violate any provision of the Act or the regulations adopted pursuant thereto. Sections 32-35 of this bill make conforming changes to reflect the addition of the provisions of section 7.

Existing law imposes certain requirements on certain entities that handle personal nonpublic information relating to the security of such information. (NRS 603A.010-603A.290) Similarly, existing law imposes certain requirements on operators of Internet websites or online services relating to the collection and sale of personal information. (NRS 603A.300-603A.360) Sections 19 and 20 of this bill make it a deceptive trade practice to violate any of these provisions of existing law.

Existing law authorizes the Director of the Department of Business and Industry to impose certain penalties upon a person who has engaged in a deceptive trade practice after a hearing that is initiated by the Commissioner of Consumer Affairs serving an order upon the person. (NRS 598.0971) Section 12 of this bill authorizes the Attorney General to also initiate such a hearing before the Director and provides additional means for serving an order upon a person. If a person fails to comply with an order issued by the Director or his or her designee, existing law authorizes the Commissioner or the Director, through the Attorney General, to bring an action requesting a court enforce the order and requires the court to issue an order enforcing the order of the Director or his or her designee if the court makes certain findings. (NRS 598.0971) Section 12: (1) additionally authorizes the Attorney General to bring an action requesting a court to enforce an order issued by the Director or his or her designee; and (2) requires the court to issue an order enforcing the order of the Director or his or her designee if the court finds that the person has failed to comply with the order.

Existing law authorizes a court, in certain actions relating to the enforcement of the provisions prohibiting deceptive trade practices, to impose an additional maximum civil penalty of $12,500 if the court finds that a person has engaged in a deceptive trade practice directed toward an elderly person or a person with a disability. (NRS 598.0973) Section 13 of this bill authorizes such a civil penalty to be imposed by
the Director or his or her designee in a proceeding before the Director or his or her designee. Section 5 of this bill similarly authorizes a court to impose an additional maximum civil penalty in certain actions or proceedings if the court or the Director or his or her designee finds that a person has engaged in a deceptive trade practice directed toward a person who is 17 years of age or younger.

Section 17 of this bill revises the criminal penalties imposed for engaging in a deceptive trade practice. Under section 17, knowingly and willfully engaging in a deceptive trade practice is a misdemeanor, except if the offense involves a loss of property or services of at least $1,200. For those offenses, section 17 establishes a tier of penalties based on the value of the property or services which generally mirror the penalties for theft. (NRS 205.0835, 598.0999)

Sections 17.3-17.9 of this bill transfer authority for the registration and regulation of credit service organizations from the Division of Mortgage Lending of the Department of Business and Industry and the Commissioner of Mortgage Lending to the Consumer Affairs Division of the Department of Business and Industry and the Commissioner of Consumer Affairs, respectively.

Existing law sets forth limitations on the time in which certain civil actions and criminal prosecutions relating to deceptive trade practices are required to be commenced, within 4 years. (NRS 11.190, NRS 171.085, 171.090) Sections 25 and 26 of this bill eliminate these limitations and instead provide for exceptions to this requirement for actions brought by the Attorney General. Section 25 provides that there is no limitation on the time in which a civil action for a person alleged to have committed a deceptive trade practice is required to be commenced.

Section 31 of this bill authorizes the Consumer’s Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to have access to all records in the possession of any agency, board or commission of this State that he or she determines are necessary to exercise his or her powers relating to consumer protection.

Sections 6, 8-11, 14-16, 21 and 27 of this bill make conforming changes to indicate the proper placement of language added to the Nevada Revised Statutes by this bill.

Legislative Counsel's Digest:
Existing law authorizes the Office of Economic Development to approve an abatement or partial abatement of certain property taxes, business taxes and sales and use taxes in certain circumstances. (NRS 274.310, 274.320, 274.330, 360.750, 360.752, 360.753, 360.754, 360.889, 360.945) The Office is prohibited from approving an application for such an abatement unless the applicant has entered into an agreement with the Office establishing certain terms for the abatement, which, in certain cases, includes the date on which the abatement becomes effective. (NRS 274.310, 274.320, 274.330, 360.750, 360.752, 360.753, 360.754, 360.889, 360.945) Sections 1-6, 1.5-6 and 9-11 of this bill prohibit the effective date of an abatement or partial abatement, as established by the agreement, from being later than 1 year after the date on which the application for the abatement is approved. Sections 1-6, 1.5-6 and 9-11 also require an applicant to enter into the agreement with the Office within 1 year after the application is received by the Office and, if the applicant
fails to do so, requires the applicant to submit a new application to be eligible to receive approval for an abatement or partial abatement.

Section 1 of this bill provides that if the Office approves an application submitted by a business for certain abatements or partial abatements of sales and use taxes, the Department of Taxation is required to issue to the business a document: (1) certifying the abatement or partial abatement; and (2) clearly stating that the business is not required to pay sales and use taxes or the rate of sales and use tax that the business is required to pay. Section 1 authorizes a business for which the Office has approved certain abatements or partial abatements of sales and use taxes to seek a refund of the amount of sales and use taxes paid for which the business was entitled to an abatement if the business failed to present the certifying document. However, under section 1, if the failure of a business to present the certifying document results in a refund for 50 percent or more of the purchases for which the business is eligible for an abatement or partial abatement, the business is required to pay a penalty equal to 10 percent of the amount of sales and use taxes abated, and that penalty is required to be distributed proportionally to local governments affected by the refunds. Section 1 additionally authorizes a business to apply to the Department for a refund of an amount of sales and use taxes paid on purchases for which the business was entitled to an abatement if the purchase is made after the application for the abatement or partial abatement is submitted and before the document certifying the partial abatement is issued. Finally, section 1 provides that no interest may be paid on any refunds issued pursuant to section 1.

Section 12 of the bill provides that the amendatory provisions of this bill apply only to applications for an abatement that are submitted on or after July 1, 2021.

[Sections 7 and 8 of this bill make conforming changes to refer to subsections that have been renumbered by this bill.]

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

If the Office of Economic Development has issued to a business the document issued pursuant to subsection 1 and the failure of the business to present the document results in the business paying the full amount of sales and use tax on 50 percent or more of the purchases for which the business was eligible for the abatement:
   (a) The business shall be deemed to be out of compliance with the abatement agreement entered into by the business; and
   (b) The Department shall impose on the business a penalty equal to 10 percent of the total amount of the abatement. The Department shall distribute the proceeds of any penalty imposed pursuant to this paragraph to each local government affected by a refund issued pursuant to this subsection in proportion to the amount of the refunds for which the affected local government is responsible for paying.

3. If, after submitting an application for an abatement of sales and use taxes pursuant to NRS 360.950 or a partial abatement of any sales and use taxes pursuant to NRS 360.750, 360.753, 360.754 or 360.890 and before receiving the document issued pursuant to subsection 1, a business pays an amount of sales and use tax for which the business is entitled to an abatement, the business may apply to the Department for a refund of the amount of sales and use tax which the applicant paid for which the business is entitled to an abatement.

4. Notwithstanding any other provision of law, no interest is allowed on a refund made pursuant to subsection 2 or 3.

SUMMARY — [Requires counties to pay impact fees to certain local governments for projects of intercounty significance.] Directs the Legislative Commission to appoint a committee to conduct an interim study concerning the impacts of projects of intercounty significance.
(§§ 9-12)
AN ACT relating to local governments; requiring counties to determine whether projects are projects of intercounty significance; requiring counties to pay impact fees to certain local governments for certain costs incurred as a result of projects of intercounty significance; directing the Legislative Commission to appoint a committee to conduct an interim study concerning the impacts of projects of intercounty significance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes, under certain circumstances, certain local governments to impose an impact fee on new development to finance the costs of capital improvement or facility expansion necessitated by and attributable to the new development. (Chapter 278B of NRS) This bill sets forth a process for a county to pay an impact fee to certain local governments that are impacted by a project of intercounty significance.

Section 9 of this bill requires a county to determine if a project is a project of intercounty significance before the county takes any final action to approve the development, construction or expansion of a project. Section 9 also sets forth a process for a local government to dispute a county's finding that a project is not a project of intercounty significance.

Section 10 of this bill provides that before a county may take any final action to approve the development, construction or expansion of a project of intercounty significance, the county must: (1) notify and request an impact statement from every affected local government; and (2) allow every affected
local government a reasonable amount of time to submit an impact statement. An impact statement must include, without limitation, supporting documentation and set forth the costs that the affected local government reasonably expects to incur for the development, creation, construction, expansion or improvement of the following as a result of the project: (1) housing units; (2) transportation infrastructure and facilities; (3) educational facilities for kindergarten through grade 12; (4) facilities for water or sewer services; (5) facilities for flood control; (6) facilities and services related to public safety, health and criminal justice; and (7) social services.

Section 11 of this bill sets forth: (1) the methods by which a county must compensate an affected local government for the impacts caused by a project of intercounty significance; and (2) if the county and affected local government disagree on the amount of impact costs, the process for determining such costs.

Section 12 of this bill authorizes an affected local government to submit an impact statement to and request compensation from a county for not more than one project of intercounty significance that is already developed, constructed or in operation on July 1, 2021.

This bill directs the Legislative Commission to appoint a committee to conduct an interim study concerning state, regional and local impacts from projects of intercounty significance initiated in response to state-approved economic development incentives. This bill requires the committee to: (1) examine the impacts of such projects on local governments, the State and sources of state and local revenue; and (2) submit a report of its findings and any recommendations to the Legislature.

Assembly Bill No. 139.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 336.
AN ACT relating to local governments; authorizing the governing body of a county or city to transfer money from certain enterprise funds to pay the costs for constructing a fire station; requiring, under certain circumstances, the Committee on Local Government Finance to submit a report related to certain enterprise funds to the Director of the Legislative Counsel Bureau; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law requires, under certain circumstances, a local government to create an enterprise fund exclusively for building permit fees and fees imposed for the issuance of barricade permits and encroachment permits. Under existing law, money in such an enterprise fund must not be used for any purpose other than the actual direct and indirect costs of the program for the issuance of barricade permits, encroachment permits and building permits, including the cost of checking plans, issuing permits, inspecting buildings and administering the program. (NRS 354.59891)

Section 1 of this bill authorizes the governing body of a county or city to transfer money from the enterprise fund to pay the capital costs of constructing one fire station if: (1) the transfer does not cause the balance of the unreserved working capital in the enterprise fund to be less than 50 percent of the annual operating costs and capital expenditures for the program for the issuance of barricade permits, encroachment permits and building permits; and (2) the governing body finds that the construction of the fire station is necessary based on an analysis of the need for infrastructure prepared between January 1, 2020, and December 31, 2021. Section 1 also creates an exception to the requirement for the county or city to reduce the fees it charges for barricade permits, encroachment permits and building permits when the balance in the enterprise fund exceeds a certain amount. Section 1 further: (1) prohibits the transfer of money from the enterprise fund after December 31, 2021; (2) prohibits money transferred from the enterprise fund from being committed for expenditure after December 31, 2023; and (3) requires any portion of such money remaining to be reverted to the enterprise fund on January 1, 2024. Additionally, section 1 requires the Committee on Local Government Finance to: (1) review the fees imposed for the issuance of a building permit, barricade permit or encroachment permit by any local governing body that transfers money from an enterprise fund for the construction of a fire station to determine whether such fees are excessive; and (2) submit a report to the Director of the Legislative Counsel Bureau.

Section 2 of this bill indicates the placement of section 1 in the Nevada Revised Statutes.

Sections 3 and 4 of this bill create exceptions to existing provisions that restrict the transfer and use of money from an enterprise fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 354 of NRS is hereby amended by adding thereto a new section to read as follows:
1. The governing body of a county or city that has created an enterprise fund pursuant to NRS 354.59891 may transfer an amount of money from the enterprise fund to pay the capital costs of constructing one fire station if:

(b) The governing body finds that the construction of the fire station is necessary based on an analysis of the need for infrastructure prepared pursuant to NRS 278.02591 between January 1, 2020, and December 31, 2021.

2. Money transferred from an enterprise fund pursuant to subsection 1 must only be used to pay the capital costs of constructing one fire station.

3. The provisions of subsection 6 of NRS 354.59891 do not apply to a county or city that uses money from the enterprise fund to the extent that the excess of the amount authorized pursuant to paragraph (d) of subsection 4 of NRS 354.59891 is transferred from the enterprise fund to pay the capital costs of constructing one fire station pursuant to subsection 1.

4. No money may be transferred from an enterprise fund pursuant to subsection 1 after December 31, 2021. For the purposes of paragraph (c) of subsection 1, the Committee on Local Government Finance shall adopt regulations setting forth the extent to which general, overhead, administrative and similar expenses of a local government of a type described in paragraph (c) of subsection 1 may be allocated to an enterprise fund. The regulations must require that:
   (a) Each cost allocation makes an equitable distribution of all general, overhead, administrative and similar expenses of the local government among all activities of the local government, including the activities funded by the enterprise fund; and
   (b) Only the enterprise fund’s equitable share of those expenses may be treated as expenses of the enterprise fund and allocated to it pursuant to paragraph (c) of subsection 1.

9. Except as otherwise provided in subsections 10 and 11, if a local government has subsidized its general fund with money from an enterprise fund for the 5 fiscal years immediately preceding the fiscal year beginning on July 1, 2011, the provisions of subsection 1 do not apply to transfers from the enterprise fund to the general fund of the local government for the purpose of subsidizing the general fund if the local government:

10. On and after July 1, 2021, the provisions of subsection 1 apply to transfers from an enterprise fund described in subsection 9 to the general fund of a local government for the purpose of subsidizing the general fund unless:
   (a) On or before July 1, 2018, the Committee on Local Government Finance has approved a plan adopted by the governing body of the local government to eliminate transfers from an enterprise fund to subsidize the general fund of the local government that are not made in compliance with subsection 1, which must include, without limitation, a plan to reduce, by at least 3.3 percent each fiscal year during the term of the plan, the amount of the transfers from the enterprise fund to the general fund of the local government for the purpose of subsidizing the general fund; and

11. Each plan approved by the Committee on Local Government Finance pursuant to subsection 10 is subject to annual review by the Committee.

Legislative Counsel's Digest:
Existing law sets forth various requirements to control water pollution in this State, including authorizing the State Environmental Commission to prescribe controls for diffuse sources of water pollution. (NRS 445A.570) Section 11 of this bill requires the Commission to prescribe controls for diffuse sources. Section 2 of this bill requires the State Department of Conservation and Natural Resources to establish a program to develop plans, recommendations and policies to reduce, manage, control and mitigate water pollution from diffuse sources in this State, which may include identifying the major categories of diffuse sources that contribute to water pollution in this State. Section 10 of this bill provides that the water quality standards adopted by the Commission must include numeric water quality criteria for the major categories of diffuse sources identified by the Department. Section 12 of this bill requires the Department to include in its continuing planning process for the waters of this State procedures to address water pollution resulting from diffuse sources.

Existing law provides for the issuance of a general permit or an individual permit for discharges or injections of fluids through a well. (NRS 445A.475, 445A.480) Section 2 of this bill requires: (1) an applicant for a general permit or individual permit to file a bond or other surety with the Department as a condition for approval of the permit; and (2) the Commission to adopt regulations relating to this bond requirement.

Section 3.5 of this bill sets forth a legislative declaration that the people of this State have a right to clean water and that it is the policy of this State to mitigate the degradation of the waters of the State.

Section 4 of this bill requires the Commission to adopt regulations for controlling the infiltration of contaminants into underground water resulting
from contaminated fluids or soil, if the underground water supplies, or may be reasonably expected to supply, a public water system, which must address, without limitation, sewage treatment and effluent disposal, wastewater management and community planning and the management of fluids, effluent and septic systems. Section 1 of this bill makes conforming changes to require the State Board of Health to adopt regulations consistent with the regulations adopted by the Commission, if such regulations impact residential individual systems for the disposal of sewage.

Section 4 also requires the Commission to consider any disproportionate impacts on marginalized or historically oppressed underserved communities when adopting regulations, standards of water quality and effluent limitations.

Existing law requires the Commission to publish notice of a hearing on a regulation that provides a standard of water quality or waste discharge at least once in a newspaper of general circulation in the area to which the standard will apply, if adopted. (NRS 445A.435) Section 5 of this bill requires the Commission to also publish notice of such a hearing at least once in a digital format that is generally accessible in the area and to any community impacted.

Existing law authorizes the Director of the Department to: (1) perform any acts consistent with the requirements of state and federal legislation concerning the control of the injection of fluids through a well and the control of water pollution; and (2) advise, consult and cooperate with other agencies of the State, the Federal Government, other states, interstate agencies and certain other persons to further certain purposes related to the control of water pollution. (NRS 445A.450) Section 6 of this bill authorizes the Director to also perform any acts necessary to control the infiltration of contaminants into underground water resulting from contaminated fluids or soil. Section 6 further authorizes the Director to consult and cooperate with Indian tribes when working to control water pollution.

Section 7 of this bill prohibits, with certain exceptions, the Department from issuing a permit to discharge a pollutant or inject fluids through a well if the discharge or injection will result in the degradation of biological, wildlife or cultural resources.

Section 8 of this bill provides that any permit issued by the Department must, with certain exceptions, ensure that the discharge or injection does not disproportionately impact historically oppressed or marginalized communities.

Section 9 of this bill requires the holders of certain permits whose production increases, process modifications or facility expansions result in the infiltration of contaminants into underground waters to report the contamination to the Department.

Existing law requires the Department to notify each interested person and appropriate governmental agency of each complete application for a permit.
Section 13 of this bill requires the Department to notify affected Indian tribes upon receiving a complete application for a permit. Section 14 of this bill requires the Commission to adopt regulations to provide for Indian tribes to request a public hearing on a permit application.

Existing law requires the Commission to establish water quality standards at a level designed to protect and ensure a continuation of the designated beneficial use or uses which the Commission has determined to be applicable to each stream segment or other body of surface water in the State. (NRS 445A.520) Section 10 of this bill provides that in addition to any other designated beneficial uses that the Commission finds applicable to a stream segment or other body of surface water, the Commission is required to establish water quality standards to protect the beneficial uses of propagation of wildlife and municipal or domestic supply for each stream segment or other body of surface water.

Sections 15-22 of this bill provide that the provisions of this bill are subject to the existing enforcement authority of the Department.

Section 23 of this bill provides that the provisions of this bill do not amend, modify or supersede the provisions of existing law relating to the appropriation of water.

2. Each permit must specify average and maximum daily or other appropriate quantitative limitations for the level of pollutants or contaminants in the authorized discharge or injection.

3. If an application is made to discharge from a point source into any waters of this State which flow directly or ultimately into an irrigation reservoir upstream from which are located urban areas in two or more counties and if each county has a population of 55,000 or more, the Department must give notice of the application to each city, county, unincorporated town and irrigation district located downstream from the point of discharge. 2. The Commission shall base its water quality standards on water quality criteria which numerically or descriptively define the conditions necessary to maintain the designated beneficial use or uses of the water. The water quality standards must reflect water quality criteria which define the conditions necessary to support, protect and allow the propagation of fish, shellfish and other wildlife and to provide for recreation in and on the water if these objectives are reasonably attainable.

3. The Commission may establish water quality standards for individual segments of streams or for other bodies of surface water which vary from standards based on recognized criteria if such variations are justified by the circumstances pertaining to particular places, as determined by biological monitoring or other appropriate studies.

2. The Department shall delegate, to each county or city which so requests, other than a county to which NRS 244A.571 and 244A.573 apply, or a city within such a county, the Administration of the Department's controls of diffuse sources, if the Director finds that the county or city has the necessary money and staff to administer the program effectively. If such a delegation is made both to a county and to a city within it, the city has authority within its
corporate limits and the county has authority outside those limits.] (Deleted by amendment.)

Amendment No. 96.
AN ACT relating to higher education; establishing provisions relating to
recruitment activities of certain institutions of higher education; requiring
certain institutions of higher education to have a policy for refunds that
requires the institution to refund a student all the money the student has paid
if the institution impairs the ability of the student to complete a training
program agreed upon in an enrollment agreement; provide certain
information to students; and providing other matters properly relating
thereto.
Legislative Counsel's Digest:
Existing law establishes the Commission on Postsecondary Education
within the Employment Security Division of the Department of Employment,
Training and Rehabilitation to license privately owned institutions of higher
education which are located in Nevada and, with certain exceptions, branches of public or private institutions of higher education of another state which are located in Nevada. (NRS 394.383, 394.415) Under existing law, institutions licensed by the Commission are required to have a policy for refunds that requires the institution to refund a student all the money that the student has paid if the institution has substantially failed to furnish a training program agreed upon in an enrollment agreement. (NRS 394.449) This Section 1.6 of this bill requires the policy to provide for a refund in circumstances where the institution has impaired the ability of a student to complete the training program within the period of time agreed to in the enrollment agreement by, without limitation, reducing the number of courses offered, reducing the authorized enrollment in courses or increasing the number of required courses. It defines when an institution has substantially failed to furnish a training program.

Section 1 of this bill: (1) prohibits a postsecondary educational institution from engaging in recruiting activities in certain circumstances; and (2) authorizes a postsecondary educational institution to engage in recruiting activities at certain locations.

Existing law sets forth various requirements for postsecondary educational institutions, including, without limitation, providing students with a catalog or brochure of information related to the institution and a copy of the agreement to enroll in the institution. (NRS 394.441) Section 1.3 of this bill sets forth additional requirements for postsecondary educational institutions, which include, without limitation: (1) requiring a postsecondary educational institution to provide a current and complete copy of a catalog or brochure to a student before signing an agreement to enroll; (2) various requirements for an agreement to enroll; (3) including a disclosure page or prominent link to the disclosure page on the main page of the Internet website of the postsecondary educational institution; and (4) including a statement indicating where a person can access the complaint policy of the postsecondary educational institution.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 394 of NRS is hereby amended by adding thereto a new section to read as follows:

A postsecondary educational institution:

1. Shall not engage in recruiting activities where prospective students cannot reasonably be expected to make informed decisions regarding enrollment.

2. May engage in recruiting activities at a center for employment opportunities operated by or with the support of the local, state or Federal Government and with the permission of the center for employment opportunities.

Sec. 1.3. NRS 394.441 is hereby amended to read as follows:

The information must be provided before signing an agreement to enroll.

(b) Provide each student who satisfactorily completes the training with appropriate educational credentials indicating:

(1) That the course of instruction or study has been satisfactorily completed by the student; and

(2) If the training does not lead to a degree, the number of hours of instruction or credits required of the student to complete the training.

(c) Unless otherwise authorized by the Commission, maintain adequate records at the licensed facility to reflect the attendance, progress and performance of each student at the facility.

(d) Provide each student with a current and complete copy of the agreement to enroll, dated and signed by the student or the student’s guardian and an officer of the institution, which must:

(1) Include a statement that the student or the student’s guardian and the officer of the institution have reviewed each section of the agreement and had the opportunity to ask questions;

(2) Be printed in at least 10-point font; and

(3) Include a cancellation policy that:

(I) Provides that an agreement to enroll may be cancelled not later than 3 days after signing the agreement; and

(II) Contains clear language explaining the process to cancel an agreement to enroll.

(e) For each program offered at the institution that does not lead to a degree, collect and maintain information concerning:

(1) The number of students enrolled in the program and the number and names of students who have obtained employment in related fields, with their locations of placement;

(2) The number of:

(I) Students enrolled in the program;

(II) Students who have graduated from the program; and

(III) Graduates who have obtained employment in fields related to the instruction offered in the program, with the average compensation of such graduates; or
For each such program offered to prepare students for a licensing examination:

1. The number of students enrolled in the program;
2. The number of such students who have graduated from the program; and
3. The number of such graduates who have passed the examination.

Select, from the information collected pursuant to [subsection 5, paragraph (e)], the information relating to any 6-month period within the 18-month period preceding its next date for enrollment. The information for the period selected must be set forth in written form and posted conspicuously at the institution.

Include a disclosure page or prominent link to the disclosure page on the main page of the Internet website of the postsecondary educational institution.

Include a statement indicating where a person can access the complaint policy of the postsecondary educational institution in the catalog or brochure of the institution or on the main page of the Internet website of the postsecondary educational institution.

The Commission shall adopt regulations imposing a fine against a postsecondary educational institution that fails to comply with paragraph (g) of subsection 1.

Sec. 1.6. NRS 394.449 is hereby amended to read as follows:

394.449 1. Each postsecondary educational institution shall have a policy for refunds which at least provides:

a. That if the institution has substantially failed to furnish the training program agreed upon in the enrollment agreement, the institution shall refund to a student all the money the student has paid.

b. That if a student cancels his or her enrollment before the start of the training program, the institution shall refund to the student all the money the student has paid, minus 10 percent of the tuition agreed upon in the enrollment agreement or $150, whichever is less, and that if the institution is accredited by a regional accrediting agency recognized by the United States Department of Education, the institution may also retain any amount paid as a nonrefundable deposit to secure a position in the program upon acceptance so long as the institution clearly disclosed to the applicant that the deposit was nonrefundable before the deposit was paid.

c. That if a student withdraws or is expelled by the institution after the start of the training program and before the completion of more than 60 percent of the program, the institution shall refund to the student a pro rata amount of the
tuition agreed upon in the enrollment agreement, minus 10 percent of the tuition agreed upon in the enrollment agreement or $150, whichever is less.

(d) That if a student withdraws or is expelled by the institution after completion of more than 60 percent of the training program, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.

2. If a refund is owed pursuant to subsection 1, the institution shall pay the refund to the person or entity who paid the tuition within 15 calendar days after the:
(a) Date of cancellation by a student of his or her enrollment;
(b) Date of termination by the institution of the enrollment of a student;
(c) Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or
(d) Last day of attendance of a student,
whichever is applicable.

3. Books, educational supplies or equipment for individual use are not included in the policy for refund required by subsection 1, and a separate refund must be paid by the institution to the student if those items were not used by the student. Disputes must be resolved by the Administrator for refunds required by this subsection on a case-by-case basis.

4. For the purposes of this section:
(a) The period of a student’s attendance must be measured from the first day of instruction as set forth in the enrollment agreement through the student’s last day of actual attendance, regardless of absences.
(b) The period of time for a training program is the period set forth in the enrollment agreement.
(c) Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that is listed separately from the tuition and fees.

5. As used in this section, “substantially failed to furnish” includes cancelling or changing a training program agreed upon in the enrollment agreement without:
   (a) Offering the student a fair chance to complete the same program or another program with a demonstrated possibility of placement equal to or higher than the possibility of placement of the program in which the student is enrolled within approximately the same period at no additional cost; or
   (b) Obtaining the written agreement of the student to the specified changes and a statement that the student is not being coerced or forced into accepting the changes,
unless the cancellation or change of a program is in response to a change in the requirements to enter an occupation.

Amendment No. 368.

SUMMARY—Revises provisions governing policies which provide for the payment of expenses which are not covered by Medicare. (BDR 57-857)

AN ACT relating to insurance; requiring the adoption of certain regulations to require insurers offering policies which provide for the payment of expenses which are not covered by Medicare to offer at least one such policy to provide coverage for certain persons with disabilities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing federal law provides for the Medicare program, which is a public health insurance program for persons 65 years of age and older and specified persons with disabilities who are less than 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing law requires the Commissioner of Insurance to adopt regulations relating to the form, content and sale of policies of insurance which provide for the payment of expenses which are not covered by Medicare. Amendment No. 117.

AN ACT relating to education; requiring the annual report of accountability to include certain information relating to restorative justice; revising provisions relating to the suspension or expulsion of pupils; requiring the [Office for a Safe and Respectful Learning Environment] Department of Education to provide certain guidance to the board of trustees of a school district; requiring the Department [of Education, in consultation with the Office] to adopt regulations relating to the discipline of pupils; exempting certain hearings relating to appeals of the suspension or expulsion of pupils from the provisions governing public meetings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, certain pupils may be suspended or expelled from school for various reasons. (NRS 392.466, 392.467) Existing law requires that, with certain exceptions, a pupil may not be suspended or expelled until the pupil has been given notice of the charges against him or her, an explanation of the evidence and an opportunity for a hearing. (NRS 392.467) Section 5 of this bill requires the board of trustees of each school district and the governing body of each charter school and university school for profoundly gifted pupils to adopt a policy that allows a pupil or, if the pupil is under 18 years of age, the parent or legal guardian of the pupil to appeal the suspension or expulsion of the pupil. Under section 5, the policy must provide, without limitation, that (1) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, may authorize the suspension or expulsion of a pupil [not later than 3 business days after the occurrence of the conduct that led to the suspension or expulsion] within the timeline established by the Department of Education; (2) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, shall notify the pupil and the parent or legal guardian of the pupil, as applicable, of the suspension or expulsion, the right to appeal the suspension or expulsion and information on the appeal policy; (3) the pupil, parent or legal guardian of the pupil, as
applicable, may appeal the suspension or expulsion [not later than 3 business days after receiving notice of the suspension or expulsion;] within the timeline established by the Department; (4) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, shall schedule a hearing on an appeal [not later than 3 business days after receiving notice of the appeal;] within the timeline established by the Department; and (5) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, may not increase the initial suspension or expulsion of a pupil after conducting a hearing. Section 5 also requires the board of trustees of a school district or the governing body of the charter school or university school, or a designee, as applicable, to post the appeal policy on the Internet website of the school district and each school within the district or the charter school or university school, as applicable.

Under existing law, certain hearings conducted by public bodies must be open to the public. (Chapter 241 of NRS) Sections 5 and 11 of this bill exempt any hearing conducted pursuant to section 5 from those requirements.

Sections 6 and 11 of this bill provide that a pupil who is suspended or expelled, and is appealing the suspension or expulsion, or a pupil who is being considered for suspension or expulsion is entitled to attend school until the suspension or expulsion is finalized, unless the pupil is found in possession of a firearm or a dangerous weapon or is deemed a danger to himself or herself or other pupils or school employees. Section 6 requires the board of trustees of a school district or the governing body of a charter school or university school, as applicable, or the principal of a school to enroll a pupil who is immediately removed from school in a program for behavioral intervention not later than 1 business day after the pupil is removed. Finally, section 6 of this bill provides that a pupil who is suspended or expelled or who is being considered for suspension or expulsion is entitled to receive an education in the least restrictive environment possible.

Sections 2 and 3 of this bill authorize a pupil of a charter school or university school or the parent or guardian of a pupil of a charter school or university school to appeal a suspension or expulsion in accordance with the policy adopted by the governing body of the charter school or university school, as applicable, pursuant to section 5. Sections 2 and 3 also require a charter school or university school to ensure a pupil who is suspended or expelled and is appealing the suspension or expulsion or a pupil who is being considered for suspension or expulsion continues to attend school and receives an appropriate education in the least restrictive environment possible in accordance with section 6.

Existing law creates the Office for a Safe and Respectful Learning Environment. (NRS 388.1322) Section 7 of this bill requires the Department to provide to the board of trustees of a school district guidance regarding the appeal policy adopted pursuant to section 5 in as many languages as possible for the benefit of pupils and their families.
Existing law requires the Department [of Education] to adopt regulations relating to restorative justice in disciplining pupils. Existing law also requires the Department to post on its Internet website certain guidance relating to the discipline of pupils, including, without limitation, restorative justice. (NRS 392.472) Section 8 of this bill [authorizes] requires the Department [, in consultation with the Office for a Safe and Respectful Learning Environment,] to adopt any necessary regulations relating to the discipline of pupils and the provisions of sections 5-8 of this bill. Section 10 of this bill makes a conforming change related to the role of the Office in providing consultation to the Department relating to restorative justice.

Existing law requires the board of trustees of each school district and the sponsor of each charter school to submit an annual report of accountability that includes, without limitation, certain information on the discipline of pupils. (NRS 385A.070, 385A.250) Section 1 of this bill requires that the report also include information on: (1) the plan for restorative justice and the process for progressive discipline used by the school; and (2) the manner in which the school trains employees on restorative justice and progressive discipline.

Existing law requires the principal of each school, in consultation with the employees of the school, to prepare a plan to improve the achievement of pupils enrolled in the school. (NRS 385A.650) Section 1.5 of this bill requires such a plan to be developed in accordance with existing law relating to academic and nonacademic supports for pupils.

Section 9 of this bill makes a conforming change to refer to provisions that have been renumbered by this bill.

The following amendment was proposed by the Committee on Education:
Amendment No. 199.
AN ACT relating to education; prohibiting the Board of Regents of the University of Nevada from fixing a tuition charge against certain students; providing that a student does not have to certify his or her citizenship or immigration status or complete the Free Application for Federal Student Aid to receive certain scholarships or grants; prohibiting certain college tuition and savings programs from excluding persons based solely on the citizenship or immigration status of the person or his or her family; authorizing the Board of Regents to use a percentage of appropriated money to administer the Silver State Opportunity Grant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, the Board of Regents of the University of Nevada may not fix tuition charges against certain students, including, without limitation, students whose families have been bona fide residents of this State for at least 12 months before the student matriculates at a university, state college or community college; and students whose parent, legal guardian or spouse...
was stationed at a military installation associated with Nevada on the date the student enrolled at a university, state college or community college. (NRS 396.540) Section 1 of this bill also prohibits the Board of Regents from fixing tuition charges against: (1) students whose parent, legal guardian or spouse was stationed at a military installation associated with Nevada on the date the student is admitted to a university, state college or community college; (2) students who are members of any federally recognized Indian tribe or nation in this State; and (2) students who graduated from a high school in this State, regardless of whether the student or the student’s family is a bona fide resident.

Existing law sets forth various requirements to obtain a scholarship or grant under the Governor Guinn Millennium Scholarship Program and the Silver State Opportunity Grant Program. These requirements include, without limitation, certifying that the applicant is a citizen of or legal immigrant to the United States to receive a Millennium Scholarship and completing the Free Application for Federal Student Aid to receive a Silver State Opportunity Grant. (NRS 396.930, 396.952, 396.956) Section 2 of this bill removes the requirement to certify that the applicant is a citizen of or legal immigrant to the United States to receive a Millennium Scholarship. Sections 3 and 4 of this bill remove the requirement to complete the Free Application for Federal Student Aid to receive a Silver State Opportunity Grant. Section 4.5 of this bill authorizes the Board of Regents to use not more than 5 percent of money received from a direct legislative appropriation to administer the Silver State Opportunity Grant Program.

Existing law requires that to be a recipient of a Silver State Opportunity Grant or a Nevada Promise Scholarship, a student must be a bona fide resident of this State for at least 12 months before matriculation of the student at a university, state college or community college. (NRS 396.952, 396.9665) Sections 3 and 5 of this bill provide that a student may also be a recipient of a Silver State Opportunity Grant or a Nevada Promise Scholarship if the student graduated from a high school located in this State.

Existing law requires the Board of Regents to distribute scholarships under the Nevada Promise Scholarship Program first to students who complete the Free Application for Federal Student Aid and then, if there is money remaining for additional distributions, to students who are prohibited by federal law from completing the Free Application for Federal Student Aid. (NRS 396.968) Section 6 of this bill removes this requirement.

Under existing federal law, a state may provide a qualified tuition program to help families pay for college education. (26 U.S.C. § 529) Existing state law establishes the Nevada Higher Education Prepaid Tuition Program and the Nevada College Savings Program. (NRS 353B.010-353B.190, 353B.300-353B.370) Section 7 of this bill prohibits a prepaid tuition program or college savings program from excluding a person or his or her family from participating in such a program based solely on the citizenship or immigration status of the person or his or her family.

AN ACT relating to employment; making it an unlawful employment practice for an employer to take certain actions against an employee who reports or reasonably requests the correction of or reasonably refuses to engage in certain conduct that is illegal or unsafe or who provides notice of certain safety or health violations; revising provisions governing periods of limitation in certain civil actions concerning unlawful employment practices; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
The Nevada Supreme Court has determined that under existing law an employer violates the public policy of this State protecting what is commonly referred to as whistleblowing if the employer terminates the employment of an at-will employee because the employee reports to the appropriate external authorities conduct by the employer that the employee reasonably and in good faith suspects may be illegal. However, the Court has also determined that this protection does not extend to a whistleblower who reports such conduct only to a supervisor or other person within the employer’s organization. (Wiltsie v. Baby Grand Corp., 105 Nev. 291, 293 (1989); Allum v. Valley Bank of America, 114 Nev. 1313, 1325 (1998)) Section 1 of this bill codifies in statute the whistleblower protections established by the Nevada Supreme Court for employees who report to appropriate external authorities, whether internal or external, or to the employer, conduct by the employer that the employee reasonably and in good faith suspects may be illegal. Section 1 also provides that those provisions apply to conduct by the employer that the employee reasonably and in good faith suspects may be unsafe. Section 1 further provides the same protections to employees who reasonably refuse to engage in such conduct.

Existing law establishes the Division of Industrial Relations within the Department of Business and Industry and, in addition to its other duties, requires the Division to supervise and regulate all matters relating to occupational safety and health. (NRS 232.510, 618.175) To carry out those duties under existing law, the Administrator of the Division and his representatives are authorized to inspect workplaces. (NRS 618.325) Existing law further provides that before or during such an inspection, any employee is entitled to notify the Division of a safety or health
violation that the employee has reason to believe exists in the workplace. (NRS 618.435) Section 1 extends its whistleblower protections to employees who notify the Division of such violations. Section 2 of this bill makes a conforming change to indicate the placement of section 1 within the Nevada Revised Statutes.

Under existing law, an employer may not discriminate against an employee in retaliation for the employee’s opposition to the employer’s engagement in certain unlawful employment practices or because the employee made a charge, testified, assisted or participated in any manner in an investigation, proceeding or hearing concerning such practices. (NRS 613.340) Section 3 of this bill provides that if a discharged employee makes a prima facie showing in a civil action against his or her employer that the employee was discharged in retaliation for opposing the employer’s engagement in certain unlawful practices or for participating in any manner in an investigation, proceeding or hearing concerning such practices, the burden of proof shifts to the employer to demonstrate that the employee engaged in other conduct in the workplace that constitutes gross misconduct sufficient to independently justify the discharge of the employee.

Under existing law, if, after a complaint alleging an unfair employment practice is filed with the Nevada Equal Rights Commission, the Commission does not conclude that an unfair employment practice has occurred, the person alleging such a practice has occurred is authorized to bring a civil action in the district court for an order granting or restoring to that person the rights to which the person is entitled. (NRS 613.420) Existing law prohibits a person from bringing such a civil action more than 180 days after the act constituting the unfair employment practice occurred or more than 90 days after the receipt of a right-to-sue letter issued by the Commission, whichever is later. Existing law further provides that the 90-day and 180-day periods of limitation are tolled during the pendency of the complaint before the Commission. (NRS 613.430) Section 4 of this bill extends the coverage of those provisions to: (1) actions in the district court for the occurrence of unlawful employment practices prohibited under Title VII of the Civil Rights Act of 1964; (2) issuance of right-to-sue letters by the federal Equal Employment Opportunity Commission; and (3) the tolling of the 90-day and 180-day periods of limitation during the pendency of a complaint before the federal Equal Employment Opportunity Commission.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 319.

ASSEMBLYMEN Krasner, Flores, C.H. Miller; Bilbray-Axelrod, McArthur, Nguyen, O’Neill, Orentlicher, Roberts and Thomas
JOINT SPONSORS: SENATORS Hardy; Buck, Donate, D. Harris and Oohrenschall

AN ACT relating to juvenile justice; requiring a peace officer or probation officer to ensure that a child in custody consults with a parent or guardian or an attorney before the commencement of a custodial interrogation of the child; establishing provisions relating to the expungement and destruction of certain records relating to children; repealing and revising certain provisions concerning the sealing of certain records relating to children; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
[Existing law authorizes a peace officer or probation officer to take a child into custody if: (1) the officer has probable cause to believe that the child is violating or has violated any state or local law, ordinance, or rule or regulation having the force of law; or (2) the conduct of the child indicates that the child is in need of supervision. (NRS 62C.010) Section 1 of this bill requires a peace officer or probation officer to ensure that a child in custody consults with a parent or guardian or an attorney before the commencement of a custodial interrogation of the child.]

Existing law authorizes a child who is less than 21 years of age, or a probation officer or parole officer on behalf of the child, to petition the juvenile court for the sealing of all records relating to the child if: (1) the petition is filed not earlier than 3 years after the child was last adjudicated in need of supervision, adjudicated delinquent or placed under the supervision of the juvenile court; and (2) at the time the petition is filed, the child does not have any delinquent or criminal charges pending. If the petition was timely filed, the child has not been convicted of a felony or of any misdemeanor involving moral turpitude and the child has been rehabilitated to the satisfaction of the juvenile court, existing law: (1) authorizes the juvenile court to order the sealing of all records relating to the child, if the child is less than 18 years of
age; and (2) requires the juvenile court to order the sealing of all records relating to the child, if the child is 18 years of age or older. (NRS 62H.130) Existing law also directs, with certain exceptions, that all records relating to a child be sealed automatically when the child reaches 21 years of age. (NRS 62H.140)

Under certain circumstances, however, existing law requires a child to wait until he or she reaches 30 years of age to petition a juvenile court to seal his or her records relating to unlawful acts which, if committed by an adult, would have constituted: (1) sexual assault; (2) battery with intent to commit sexual assault; (3) lewdness with a child; or (4) a felony involving the use or threatened use of force or violence. (NRS 62H.150)

Existing law also establishes procedures which are specific to the vacation and sealing of records relating to certain unlawful acts committed by children who are victims of human trafficking or involuntary servitude. (NRS 62E.275)

Section 4 of this bill requires every court or other agency with possession of expungable records relating to a child to destroy such records on the 18th birthday of the child, or at certain later dates, if the record relates to a pending charge or relate to an unlawful act for which the child is subject to the supervision of the juvenile court or agency. Section 4 defines “expungable record” as a record relating to an unlawful act that would have been a misdemeanor if committed by an adult. Sections 2, 3, 5 and 6 of this bill make conforming changes relating to the destruction of expungable records.

Section 7 of this bill makes various changes to the existing process of sealing records relating to children. Specifically, section 7 authorizes a child, or a probation officer or parole officer on behalf of the child, to petition the juvenile court for the sealing of records if, at the time the petition is filed: (1) the child is at least 18 years of age; (2) the record does not qualify for destruction pursuant to section 4; (3) the record is not a civil judgment relating to the payment of restitution which has not been satisfied or has expired; (4) the record does not relate to a pending charge; and (5) the record does not relate to an unlawful act for which the child is subject to the supervision of a juvenile court or other agency. Section 7 authorizes the juvenile court to grant the petition by ordering the sealing of the records. Sections 8 and 9 of this bill make conforming changes by revising and repealing certain provisions concerning the sealing of records relating to children. Section 4 authorizes a child 18 years of age or older to petition the juvenile court for an order expunging all records relating to: (1) an unlawful act that, if committed by an adult, would have been a misdemeanor; and (2) an act of a child in need of supervision. Under section 4, if a juvenile court enters an order expunging such records: (1) all proceedings recounted in the records are deemed never to have occurred; (2) the child may reply accordingly to any
inquiry concerning the proceedings and the acts which brought about the proceedings; and (3) all records must be destroyed within 60 days of the juvenile court issuing such an order. Section 4 also: (1) requires the juvenile court to notify the district attorney and the chief probation officer or the Chief of the Youth Parole Bureau, as applicable, if a petition is filed pursuant to section 4; and (2) authorizes certain persons who have evidence that is relevant to the consideration of the petition to testify at the hearing on the petition. Section 7 of this bill makes conforming changes related to the factors considered by the juvenile court in the hearing on the petition. Sections 5 and 6 of this bill make conforming changes to indicate the proper placement of section 4 within the Nevada Revised Statutes.

Section 7.5 of this bill replaces the requirement in existing law that certain records relating to a child be sealed automatically when the child reaches 21 years of age with the requirement that such records be sealed automatically: (1) within 60 days of the date the child reaches 18 years of age; or (2) if the records relate to a delinquent or unlawful act, criminal charge or act of a child in need of supervision for which a child is subject to the jurisdiction of a juvenile court or other agency when the child reaches 18 years of age, within 60 days of the termination of the jurisdiction of the juvenile court or other agency.

2. A child may file a petition pursuant to subsection 1 if the child was adjudicated delinquent for an unlawful act in violation of:

       (2) Involuntary servitude as described in NRS 200.463 or 200.4631; and
   (c) The petitioner files a petition pursuant to subsection 1 with due diligence after the petitioner has ceased being a victim of trafficking or involuntary servitude or has sought services for victims of such trafficking or involuntary servitude.

4. Before the court decides whether to grant a petition filed pursuant to subsection 1, the court shall:

7. If the juvenile court enters an order pursuant to subsection 6, the court shall also order sealed all records of the petitioner which relate to the adjudication being vacated in accordance with paragraph (b) of subsection 5.
regardless of whether any records relating to other adjudications are ineligible for sealing either by operation of law or because of a deficiency in the petition. 

8. A child may petition for the sealing of records pursuant to this section regardless of whether the records qualify for destruction pursuant to section 4 of this act. If a court grants the petition for the sealing of such records pursuant to this section, the records must remain sealed until such time that the records are destroyed pursuant to section 4 of this act. (Deleted by amendment.)

Sec. 3. NRS 62F.360 is hereby amended to read as follows:

If a petition is filed pursuant to subsection 1, the juvenile court shall notify the district attorney and the chief probation officer or the Chief of the Youth Parole Bureau, as applicable.

3. Upon the destruction of an expungable record pursuant to this section, the district attorney and the chief probation officer or any of their deputies, the Chief of the Youth Parole Bureau or his or her designee or any other person who has evidence that is relevant to the consideration of a petition filed pursuant to subsection 1 may testify at the hearing on the petition.

4. After the hearing on a petition filed pursuant to subsection 1, if the juvenile court finds that the child has been rehabilitated to the satisfaction of the juvenile court, the juvenile court shall enter an order expunging all records described in subsection 1. In determining whether a child has been rehabilitated to the satisfaction of the juvenile court, the juvenile court may consider the factors listed in subsection 5 of NRS 62H.130.
5. If the juvenile court enters an order expunging the records of a child pursuant to this section:

Assembly Bill No. 253.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 287.
AN ACT relating to governmental administration; revising provisions relating to when a subcommittee or working group of a public body is subject to the Open Meeting Law; setting forth certain requirements for meetings of public bodies that use remote technology systems; revising the notice requirements for a meeting of a public body; revising provisions relating to the privilege of certain persons to publish defamatory matter at a public meeting; revising requirements for notice of intent to act upon a regulation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a subcommittee or working group of at least two persons who are appointed by certain public bodies is subject to the requirements of the Open Meeting Law if: (1) a majority of the membership of the subcommittee or working group are members or staff of the public body that appointed the subcommittee or working group; or (2) the subcommittee or working group is authorized to make a recommendation to the public body to take any action. (NRS 241.015) Section 1 of this bill provides, instead, that a subcommittee or working group is subject to the requirements of the Open Meeting Law if: (1) a majority of the membership of the subcommittee or working group are members of the public body or staff; and (2) at least two members of the subcommittee or working group are members of the public body.

The Open Meeting Law authorizes a public body to conduct a meeting by means of teleconference or videoconference. (NRS 241.023) Section 3 of this bill authorizes, under certain circumstances, a public body to conduct a meeting using a remote technology system. Section 1 defines “remote technology system” as a system or other means of communication which uses electronic, digital or other similar technology to enable a person from a remote location to attend, participate, vote or take any other action in a meeting even though the person is not physically present at the meeting. Section 2 of this bill requires the notice of a public meeting that uses a remote technology system to include information about how a member of the public may hear, observe, participate in and provide public comment at the meeting through the remote technology system.

The Open Meeting Law sets forth the minimum public notice requirements of a meeting, which include posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting. (NRS 241.020) Section 2 of this bill requires, instead, that the public body post a copy of the notice at the principal office of the public body.

[The Open Meeting Law prohibits a public body from considering whether to take administrative action against a person unless the public body has given written notice to that person of the time and place of the meeting. (NRS 241.034) Section 4 of this bill defines “administrative action” to mean a]
decision by the public body that is uniquely personal to the person and may result in a negative change in circumstances for the person.) Additionally, sections 2 and 3 require that if a public body holds a meeting using a remote technology system and does not have a physical location for the meeting, the public body is required to have an Internet website and post on its Internet website the notice of the meeting and any supporting material for the material.

The Open Meeting Law provides that a witness who is testifying before a public body is absolutely privileged to publish defamatory matter as part of a public hearing. (NRS 241.0353) Section 5 of this bill provides, instead, that, subject to a qualified privilege, a witness who is testifying before a public body may publish defamatory matter as part of a public hearing.

Existing law requires certain agencies of the Executive Department of the State Government, at the time of giving notice of intent to act upon a regulation, under certain circumstances, to deposit one copy of the notice and text of the proposed regulation with the librarian of the main public library in the county. (NRS 233B.0607) Section 6 of this bill requires, instead, that the agency post a copy of the notice and text on the Internet website of the agency. Section 6 also requires that the agency provide in print or an electronic format a copy of the notice and text to any person who requests a copy from the agency.

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies at a physical location or by means of a remote technology system. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. If any portion of a meeting is open to the public, the public officers and employees responsible for the meeting must make reasonable efforts to ensure the facilities for the meeting are large enough to accommodate the anticipated number of attendees. No violation of this chapter occurs if a member of the public is not permitted to attend a public meeting because the facilities for the meeting have reached maximum capacity if reasonable efforts were taken to accommodate the anticipated number of attendees. Nothing in this subsection requires a public body to incur any costs to secure a facility outside the control or jurisdiction of the public body or to upgrade, improve or otherwise modify an existing facility to accommodate the anticipated number of attendees.

3. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting. If the meeting is held using a remote technology system pursuant to NRS 241.023 and has no physical location, the notice must include information on how a member of the public may:

1. Use the remote technology system to hear and observe the meeting;

2. Participate in the meeting by telephone; and

3. Provide live or recorded public comment during the meeting and, if authorized by the public body, provide prerecorded public comment.

(b) A list of the locations where the notice has been posted.

(c) The name, contact information and business address for the person designated by the public body from whom a member of the public may request the supporting material for the meeting described in subsection 7 and:

1. A list of the locations where the supporting material is available to the public; or

2. Information about how the supporting material may be found on the Internet website of the public body.

(d) An agenda consisting of:
(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items by placing the term “for possible action” next to the appropriate item or, if the item is placed on the agenda pursuant to NRS 241.0365, by placing the term “for possible corrective action” next to the appropriate item.

(3) Periods devoted to comments by the general public, if any, and discussion of those comments. Comments by the general public must be taken:
   
   (I) At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting; or
   
   (II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

   The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting. No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

   (II) The public body may combine two or more agenda items for consideration; and
   
   (III) The public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

(7) Any restrictions on comments by the general public. Any such restrictions must be reasonable and may restrict the time, place and manner of the comments, but may not restrict comments based upon viewpoint.

4. Minimum public notice is:

   (a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the
jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting; If the meeting is held using a remote technology system pursuant to NRS 241.023 and has no physical location, the public body must also post the notice to the Internet website of the public body not later than 9 a.m. of the third working day before the meeting is to be held unless the public body is unable to do so because of technical problems relating to the operation or maintenance of the Internet website of the public body.

(b) Posting the notice on the official website of the State pursuant to NRS 232.2175 not later than 9 a.m. of the third working day before the meeting is to be held, unless the public body is unable to do so because of technical problems relating to the operation or maintenance of the official website of the State. [and]

The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

1. Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

(a) The date and time when the person posted the copy of the public notice;
(b) The address of the location where the person posted the copy of the public notice; and
(c) The name, title and signature of the person who posted the copy of the notice.

6. Except as otherwise provided in paragraph (a) of subsection 4, if a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 4. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

7. Upon any request, a public body shall provide, at no charge, at least one copy of:

a. If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or

b. If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

If the requester has agreed to receive the information and material set forth in subsection 7 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

9. Unless the supporting material must be posted at an earlier time pursuant to NRS 288.153, and except as otherwise provided in subsection 11, the governing body of a county or city whose population is 45,000 or more shall post the supporting material described in paragraph (c) of subsection 7 to its website not later than the time the material is provided to the members of the governing body or, if the supporting material is provided to the members of the governing body at a meeting, not later than 24 hours after the conclusion of the meeting. Such posting is supplemental to the right of the public to request the supporting material pursuant to subsection 7. The inability of the governing body, as a result of technical problems with its website, to post supporting material pursuant to this subsection shall not be deemed to be a violation of the provisions of this chapter.

10. Except as otherwise provided in subsection 11, a public body may provide the public notice, information or supporting material required by this section by electronic mail. Amendment No. 201.

compensating a student athlete for the use of the name, image or likeness of
the student athlete; providing that a student athlete may be compensated for
the use of the name, image or likeness of the student athlete by certain
organizations; directing the Legislative Committee on Education to appoint a
committee to conduct an interim study relating to the use of the name, image
or likeness of a student athlete; and providing other matters properly relating
thereto.
Legislative Counsel's Digest:
This bill establishes various provisions relating to student athletes at the
postsecondary level. Section 5 of this bill generally prohibits an institution or
a national collegiate athletic association from: (1) preventing a student athlete
from being compensated for the use of the name, image or likeness of the
student athlete or obtaining professional services, with certain exceptions; and
(2) compensating a student athlete for the use of the name, image or likeness
of the student athlete.
Section 6 of this bill authorizes a student athlete to enter into a contract with
an organization other than an institution or a national collegiate athletic
association that provides for the student athlete to be compensated for the use
of the name, image or likeness of the student athlete. Section 6 prohibits such
a contract from conflicting with a contract between the student athlete and the
institution in which the student athlete is enrolled. Section 6 sets forth the
responsibilities of a student athlete and the institution regarding such a
contract.
Section 6.3 of this bill authorizes an institution to require a student
athlete to receive education to prepare a student athlete to enter into
contracts. Section 6.7 of this bill requires a student athlete to disclose any
previous or existing contracts held by the student athlete that provided or
provides for the student athlete to be compensated for the use of the name,
image or likeness of the student athlete.
Section 8 of this bill requires the Legislative Committee on Education to
appoint a committee to conduct an interim study concerning the use of the
name, image and likeness of a student athlete.
Sections 2-4 of this bill define related terms. Section 7 of this bill makes a
conforming change to indicate the proper placement of sections 2-4 in the
Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

The following amendment was proposed by the Committee on Education:

Amendment No. 346.

AN ACT relating to school property; requiring the Office of the Governor to award a grant to the board of trustees of a school district or the governing body of a charter school or a business to assess and improve certain ventilation and filtration systems of a school to the extent that money is available; establishing requirements for such assessments and improvements; requiring certain personnel to complete an assessment report; requiring the board of trustees of a school district or the governing body of a charter school or a business to prepare a report; providing that a generally accepted industry standard prevails over any requirement of this bill that conflicts with the industry standard; requiring certain local educational agencies to include certain information in a plan to return to in-person instruction; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 6 of this bill requires [the Office of Energy within the Office of the Governor, the board of trustees of a school district or governing body of a charter school, to the extent that money is available, to award a grant to the board of trustees of a school district, the sponsor of a charter school or a business to employ a certified technician] to assess the status of and make improvements to the ventilation and filtration systems of a school and ensure that the systems are performing adequately and efficiently. Sections 7-10 of this bill set forth the requirements for [a certified technician] qualified adjusting personnel or qualified testing personnel to assess and perform updates to: (1) a filtration system of a school; (2) the ventilation rates of a school; (3) the heating, ventilation and air conditioning system of a school; and (4) the carbon dioxide monitors in a school, respectively. Sections 7-10 generally require such systems, rates and monitors to meet certain standards. Section 10.5 of this bill sets forth requirements for an assessment of a school with a limited or no ventilation system. Section 11 of this bill requires [a certified technician] qualified adjusting personnel or qualified testing personnel to prepare an assessment report including certain information relating to the assessments conducted pursuant to sections 7-10. Section 12 of this bill requires the board of trustees of a school district or the governing body of a charter school or a business that receives a grant to complete a report on the work performed by a [certified technician] qualified adjusting personnel or qualified testing personnel pursuant to sections 7-10.5 and make the report available to the Office of Energy and the public upon request. Existing federal law requires a local educational agency that receives certain federal money to develop a plan for the safe return to in-person instruction and continuity of services. (American Rescue Plan Act of 2021, Pub. L. No. 117-2, § 2001(i)) Section 13.5 of this bill [provides that if a requirement of this bill conflicts with a generally accepted industry standard, the industry standard prevails.]

2. Ventilation systems that are not properly installed, inadequate, inefficient or poorly maintained can significantly increase costs to a public school.
3. Ventilation systems should operate as efficiently as possible and inspections and repairs should be performed by qualified personnel.
4. In addition to increasing the risk of infectious, airborne diseases, inadequate ventilation systems in public schools negatively impact the health and learning of pupils.
5. Improving indoor air quality in public schools may protect the health of pupils and school staff, improve attendance, improve pupil performance, reduce the risk of infectious, airborne diseases and save energy.
6. Public schools should have functioning ventilation systems that meet or exceed recommended health and safety standards for classrooms.
7. Consistent, statewide standards are necessary to protect the health and safety of pupils, the ability of pupils to learn effectively and the health and safety of school staff in this State.

Sec. 6. 1. To the extent that money is available, the Office of Energy created pursuant to NRS 701.150 shall award a grant to the board of trustees of a school district, or the governing body of a charter school, or a business to ensure that each school in the school district or the charter school, as applicable, is equipped with functional ventilation systems that are tested, adjusted and, if necessary or cost-effective, repaired, upgraded or replaced to increase efficiency and performance.

(h) Ensure that the coil velocities and the coil and unit discharge air temperatures maintain the desired indoor conditions and avoid moisture carryover from the cooling coils;

(i) Ensure that the separation between the outdoor air intakes and the exhaust discharge outlets is in accordance with the International Uniform Mechanical Code;

(j) Verify that the air handling unit is bringing in outdoor air and removing exhaust air as intended by the design of the filtration system;

(k) Measure the air volume for the exhaust fans and document any discrepancies in volume between the measurements and the original volume of the design of the filtration system;

(l) Verify that the coil condition, condensate drainage, air temperature differentials of the cooling coils, operation of the heat exchangers and drive assembly meet applicable industry standards;

(m) Review the control sequences to verify that the systems will maintain the intended ventilation, temperature and humidity during school operation;

Assembly Bill No. 266.
Bill read second time.
The following amendment was proposed by the Committee on Education:
Amendment No. 302.

AN ACT relating to education; requiring only certain personnel be counted in determining the ratio of pupils per licensed teacher; establishing provisions relating to job vacancies in a school district; requiring the board of trustees of a school district to post certain information on its Internet website; revising provisions relating to the statewide performance evaluation system for teachers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires that the ratio of pupils per licensed teacher in certain classes not exceed certain ratios. (NRS 388.700) Under existing law, the State Board of Education is required to develop nonbinding recommendations for the ratio of pupils per licensed teacher for kindergarten and grades 1 to 12, inclusive. (NRS 388.890) Sections 1 and 2 of this bill prohibit administrators and other licensed educational personnel, including, without limitation, counselors, coaches and special education teachers, who may be present in a classroom but do not teach every pupil in the classroom and teachers who are not actively teaching during a class period from being counted in determining the ratio of pupils per licensed teacher. Section 3 of this bill requires the board of trustees of a school district, to the extent that money is available, to determine the number of job vacancies in the school district based on the number of teachers that would be required to achieve the ratio of pupils per licensed teacher recommended by the State Board. Section 3 also requires the board of trustees of a school district to post on its Internet website the number of positions in the school district that are held by full-time substitutes and teachers who are licensed or working towards obtaining a license through an alternative route to licensure. Section 3 also requires the board of trustees of a school district to report certain information regarding teachers participating in an alternative route to licensure to the Legislative Committee on Education.

Existing law requires the State Board to adopt regulations establishing a statewide performance evaluation system. Under existing law, the statewide performance evaluation system must consider whether the classes for which an employee is responsible exceed the recommended ratio of pupils per licensed teacher. (NRS 391.465) Section 4 of this bill requires a person who, under the statewide performance evaluation system, evaluates a teacher who is responsible for a class that exceeds the recommended ratio of pupils per

       3, must not exceed 18 to 1; or
   (b) If a plan is approved pursuant to subsection 3 of NRS 388.720, must not
       exceed the ratio set forth in that plan for the grade levels specified in the plan.

   In determining this ratio, all licensed educational personnel who teach a
grade level specified in paragraph (a) or a grade level specified in a plan that

justification for exceeding the applicable prescribed ratio of pupils per class and a plan of actions that the school district will take to reduce the ratio of pupils per class.

4. The State Board may grant to a school district a variance from the limitation on the number of pupils per class set forth in paragraph (a), (b) or (c) of subsection 3 for good cause, including the lack of available financial support specifically set aside for the reduction of pupil-teacher ratios.

5. The State Board shall, on a quarterly basis, submit a report to the Interim Finance Committee on each variance requested by a school district pursuant to subsection 4 during the preceding quarter and, if a variance was granted, an identification of each elementary school for which a variance was granted and the specific justification for the variance.

4. Not later than 30 days after the beginning of each school year, the board of trustees of each school district shall post on an Internet website maintained by the school district the ratio of pupils per licensed teacher that has been approved for each class in the district.

2. The statewide performance evaluation system must:

      (1) Highly effective;
      (2) Effective;
      (3) Developing; or
      (4) Ineffective.
   (b) Include the criteria for making each designation identified in paragraph (a), which must include, without limitation, consideration of whether the classes for which the employee is responsible exceed the applicable recommended ratios of pupils per licensed teacher prescribed by the State Board pursuant to NRS 388.890 and, if so, the degree to which the ratios affect:

Assemblywoman Bilbray-Axelrod moved the adoption of the amendment. Remarks by Assemblywoman Bilbray-Axelrod. Amendment adopted. Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 277.
Bill read second time. The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 370. AN ACT relating to insurance; requiring the amount paid by an insurance company for the coverage of certain medical expenses resulting from the crash of a passenger car to be based on the actual charges for the locality where the medical expenses were incurred; providing that an insured person may request that certain payments made to the insured person be deposited to the trust account maintained by the attorney of the insured person; revising provisions relating to the exchange of medical and insurance information by certain persons involved in a claim for personal injury asserted under a policy of insurance covering certain motor vehicles and motorcycles; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law requires insurance companies transacting motor vehicle insurance in this State to offer to insured persons the option of purchasing coverage in an amount of at least $1,000 for the payment of reasonable and necessary medical expense resulting from a crash. Under existing law, this option only applies to policies that cover passenger cars. (NRS 687B.145) If an insured person purchases this option, section 1 of this bill requires that the amount paid by the insurance company to cover medical expenses resulting from the crash of a passenger car be based on the [usual and customary] actual charges [for the locality where the medical expenses were] incurred. Section 1 defines [“usual and customary”] actual charges [“incurred”] to mean the [usual and customary] charges that a provider of health care would bill an uninsured patient [in the locality where the medical expenses were incurred]. Finally, section 1 provides that any such payment made to an insured person by the insurance company may be deposited to the trust account maintained by the attorney of the insured person under certain circumstances. Section 1 provides that such a deposit to a trust account can only occur if the insured person requests in writing that payment be deposited to the trust account.

Section 2 of this bill [authorizes] requires the insurer of a party against whom a claim is asserted for personal injury under a policy of motor vehicle insurance covering a passenger car [to require] or a motorcycle to immediately disclose to the claimant all pertinent facts or provisions of the policy relating to any coverage at issue, including policy limits. Section 2 requires an insurer to disclose policy limits by certain means. Section 2 requires the claimant or the claimant’s attorney to provide to the party or the party’s attorney and the insurer, not more than once every 90 days, all medical reports, records and bills concerning the claim. Section 2 provides that in lieu of the claimant or the claimant’s attorney providing such reports, records and bills, the claimant or the claimant’s attorney may provide a written authorization to allow the party or the party’s attorney and the insurer to receive the reports, records and bills from the claimant’s provider of health care. If the reports, records and bills are provided pursuant to a written authorization, section 2 authorizes the claimant or the claimant’s attorney to request copies of all such reports, records and bills from the party, the party’s attorney or the insurer. [Section 2 also requires that upon the request of any claimant who has asserted a claim for personal injury compensation under a policy of motor vehicle insurance covering a passenger car, the insurer who issued the policy must immediately disclose to the claimant all pertinent facts or provisions of the policy relating to any coverage at issue, including policy limits. Section 2 requires an insurer to disclose policy limits by certain means and provides that an insurer may, but is not required to, obtain the consent or permission of the insured for the disclosure of the policy limits.}
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 687B.145 is hereby amended to read as follows:

687B.145 1. Any policy of insurance or endorsement providing
coverage under the provisions of NRS 690B.020 or other policy of casualty
insurance may provide that if the insured has coverage available to the insured
under more than one policy or provision of coverage, any recovery or benefits
may equal but not exceed the higher of the applicable limits of the respective
coverages, and the recovery or benefits must be prorated between the
applicable coverages in the proportion that their respective limits bear to the
aggregate of their limits. Any provision which limits benefits pursuant to this
section must be in clear language and be prominently displayed in the policy,
binder or endorsement. Any limiting provision is void if the named insured has
purchased separate coverage on the same risk and has paid a premium
Calculated for full reimbursement under that coverage.

2. Except as otherwise provided in subsection 5, insurance companies
transacting motor vehicle insurance in this State must offer, on a form
approved by the Commissioner, uninsured and underinsured vehicle coverage
in an amount equal to the limits of coverage for bodily injury sold to an insured
under a policy of insurance covering the use of a passenger car. The insurer is
not required to reoffer the coverage to the insured in any replacement,
reinstatement, substitute or amended policy, but the insured may purchase the
coverage by requesting it in writing from the insurer. Each renewal must
include a copy of the form offering such coverage. Uninsured and
underinsured vehicle coverage must include a provision which enables the
insured to recover up to the limits of the insured’s own coverage any amount
of damages for bodily injury from the insured’s insurer which the insured is
legally entitled to recover from the owner or operator of the other vehicle to
the extent that those damages exceed the limits of the coverage for bodily
injury carried by that owner or operator. If an insured suffers actual damages
subject to the limitation of liability provided pursuant to NRS 41.035,
underinsured vehicle coverage must include a provision which enables the
insured to recover up to the limits of the insured’s own coverage any amount
of damages for bodily injury from the insured’s insurer for the actual damages
suffered by the insured that exceed that limitation of liability.

3. An insurance company transacting motor vehicle insurance in this State
must offer an insured under a policy covering the use of a passenger car, the
option of purchasing coverage in an amount of at least $1,000 for the payment
of reasonable and necessary medical expenses resulting from a crash. The offer
must be made on a form approved by the Commissioner. The insurer is not
required to reoffer the coverage to the insured in any replacement,
reinstatement, substitute or amended policy, but the insured may purchase the
coverage by requesting it in writing from the insurer. Each renewal must
include a copy of the form offering such coverage. If an insured purchases
coverage in an amount of at least $1,000 for the payment of reasonable and necessary medical expenses resulting from a crash and an applicable claimant seeks the payment of reasonable and necessary medical expenses resulting from a crash, the amount paid by the insurance company must be based on the usual and customary actual charges for the locality where the medical expenses were incurred. If the claimant is represented by an attorney, any payment made to the claimant pursuant to this section may be deposited to the trust account maintained by the attorney of the claimant if the claimant requests in writing that the payment be deposited to the trust account.

4. An insurer who makes a payment to an injured person on account of underinsured vehicle coverage as described in subsection 2 is not entitled to subrogation against the underinsured motorist who is liable for damages to the injured payee. This subsection does not affect the right or remedy of an insurer under subsection 5 of NRS 690B.020 with respect to uninsured vehicle coverage. As used in this subsection, “damages” means the amount for which the underinsured motorist is alleged to be liable to the claimant in excess of the limits of bodily injury coverage set by the underinsured motorist’s policy of casualty insurance.

5. An insurer need not offer, provide or make available uninsured or underinsured vehicle coverage in connection with a general commercial liability policy, an excess policy, an umbrella policy or other policy that does not provide primary motor vehicle insurance for liabilities arising out of the ownership, maintenance, operation or use of a specifically insured motor vehicle.

6. As used in this section:
   (a) “Actual charges incurred” means the charges that an applicable provider of health care would bill an uninsured patient for the applicable health care services. The term does not include charges which the provider of health care would bill based upon any discounts or reduced rates resulting from any:
      (1) Policy of health insurance; or
      (2) Payment rates or schedules for Medicare, Medicaid or any other similar public welfare program.
   (b) “Excess policy” means a policy that protects a person against loss in excess of a stated amount or in excess of coverage provided pursuant to another insurance contract.
   (c) “Health care services” has the meaning ascribed to it in NRS 695G.022.
   (d) “Passenger car” has the meaning ascribed to it in NRS 482.087.
   (e) “Provider of health care” has the meaning ascribed to it in NRS 629.031.
   (f) “Umbrella policy” means a policy that protects a person against losses in excess of the underlying amount required to be covered by other policies.
“(f) “Usual and customary charges” mean the usual and customary charges that an applicable provider of health care would bill an uninsured patient for the applicable health care services in the locality where the medical expenses were incurred. The term does not include charges which the provider of health care would bill based upon any discounts or reduced rates resulting from any:

—(1) Policy of health insurance; or
—(2) Payment rates or schedules for Medicare, Medicaid or any other similar public welfare program.

Sec. 2. NRS 690B.024 is hereby amended to read as follows:

690B.024  1. An insurer shall disclose policy limits by sending to the electronic mail address or mailing to the postal address of the claimant or any attorney representing the claimant a copy of the policy, including, without limitation, the declarations page of the policy.

The insurer may redact personal and private information from the declarations page of the policy.

2. Except as otherwise provided in this subsection, the claimant or any attorney representing the claimant shall provide to the party or any attorney of the party, not more than once every 90 days, all medical reports, records and bills concerning the claim.

In lieu of providing medical reports, records and bills pursuant to this subsection, the claimant or any attorney representing the claimant may provide to the party or any attorney of the party and to the insurer a written authorization to receive all the medical reports, records and bills related to the claim from the provider of health care. An authorization so provided may not be revoked without cause.

3. At the written request of the claimant or the attorney of the claimant, copies of all medical reports, records and bills obtained by a written authorization pursuant to subsection 2 must be provided to the claimant or the attorney of the claimant within 30 days after the date they are received by the party, any attorney of the party or the insurer. If the claimant or the attorney of the claimant makes a written request for the medical reports, records and bills, the claimant or the attorney of the claimant shall pay for the reasonable costs of copying the medical reports, records and bills.

Within 10 days after receipt of a written authorization pursuant to subsection 1,

4. Upon the request of any claimant who has asserted a claim for compensation or damages for personal injury under a policy of motor vehicle insurance covering a passenger car, the insurer who issued the policy...

(NRS 202.340) Section 8 of this bill requires firearms confiscated from the possession of a person who commits a third or subsequent violation of Section 2 to be disposed of in the manner provided for dangerous instruments and weapons.

Assembly Bill No. 287.
Bill read second time.
The following amendment was proposed by the Committee on Health and Human Services:
   Amendment No. 209.
AN ACT relating to health care; revising certain terminology relating to pregnancy and birth; providing for the licensing and regulation of freestanding birthing centers; requiring a freestanding birthing center to perform certain screening, report certain information to the local health officer and make certain information available to the Chief Medical Officer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires a midwife to perform certain duties relating to the registration of a birth and the care of a person who is pregnant or a newborn infant. (NRS 440.280, 440.340, 440.740, 440.770, 442.008, 442.030-442.110, 442.600-442.680) Sections 1 and 3 of this bill define the term “midwife” for those purposes to include a Certified Professional Midwife, a Certified Nurse-Midwife or any other type of midwife. Sections 1.3-2.9, 4, 5, 6.3, 6.7, 7.2-7.7, 8.5, 9.3, 9.7 and 33.5 of this bill replace the term “mother” with references to a person who is pregnant, a person giving birth, a person who gave birth or a person who has given birth, as appropriate, for purposes relating to vital statistics, maternal and child health and medical facilities and related entities. Section 22 of this bill replaces the term “gender transition” with the term “gender-affirming surgery.” Section 23 of this bill replaces a reference to lesbian, gay, bisexual, transgender and questioning persons with a reference to persons with various sexual orientations and gender identities and expressions.

Existing law: (1) defines the term “obstetric center” to mean a facility that is not part of a hospital and provides services for normal, uncomplicated births; and (2) provides for the regulation of an obstetric center as a medical facility. (NRS 449.0155, 449.0302) Sections 3 and 11 of this bill define the term “freestanding birthing center” to mean a facility that provides maternity care and birthing services in a location similar to a residence. Section 14 of this bill clarifies that a freestanding birthing center is not subject to the same requirements as an obstetric center. Section 12 of this bill requires the State Board of Health to adopt regulations providing for the licensure of
freestanding birthing centers separately from medical facilities. Section 12 also: (1) requires a freestanding birthing center to be located within 30 miles of a hospital that offers services relating to pregnancy; and (2) prohibits the performing of surgery at a freestanding birthing center. Sections 13 and 15 of this bill make conforming changes to indicate the proper placement of sections 11 and 12 in the Nevada Revised Statutes. Sections 17, 18, 20, 25-29 and 31-33 of this bill authorize certain actions to enforce provisions governing freestanding birthing centers. Sections 16, 19, 21-24 and 30 of this bill make various other changes to ensure that freestanding birthing centers are treated similarly to other licensed facilities that provide health-related services.

Existing law requires the Board to develop and distribute to each hospital and obstetric center in the State forms for a voluntary acknowledgement of paternity or parentage. (NRS 440.283, 440.285) Sections 1.9 and 2 of this bill additionally require the Board to distribute these forms to each freestanding birthing center.

Existing law requires certain persons and entities that provide care for pregnant women and newborn infants to: (1) screen a newborn infant for certain conditions; (2) report information concerning certain conditions to the local health officer; and (3) make certain information concerning birth defects available to the Chief Medical Officer. (NRS 442.008, 442.040, 442.325, 442.610, 442.680) Sections 4, 5 and 7-9 of this bill make these requirements applicable to freestanding birthing centers. Section 6 of this bill provides for the imposition of a fine against a freestanding birthing center that fails to perform the required screening for ophthalmia neonatorum.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 242.

AN ACT relating to vehicles; [requiring the Commissioner of Financial Institutions to prescribe forms for use in the leasing of vehicles under certain circumstances] setting forth certain requirements for a [noncommercial] consumer vehicle lease; [requiring certain lessors to use a lease agreement that satisfies those requirements; authorizing certain civil actions; revising [the definition of the term "vehicle lease"] certain definitions for certain purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law [requires] imposes certain requirements on the lessor of a vehicle [to disclose certain information to a lessee before the consummation of a "commercial vehicle lease," which is generally defined by existing law to mean a lease of a single vehicle for a period of more than 4 months primarily for business or commercial purposes. (NRS 100.095, 100.105) ]Existing law further requires the Commissioner of Financial Institutions to prescribe forms for the application for credit and contracts that are required to be used in the sale of vehicles if the seller is a dealer, the sale is not a commercial transaction and the sale meets certain other conditions. (NRS 97.299, 97.301) Under existing law, such forms are required to meet certain requirements set forth in existing law for retail installment contracts. (NRS 97.165, 97.300)

Section 2 of this bill requires the Commissioner to prescribe forms to be used for the lease of a vehicle if the lessor is a dealer and the lease is a "noncommercial"

Sections 1.5-5.5 of this bill establish provisions that govern a "consumer vehicle lease," which is generally defined in section 6 of this bill to mean a lease of a single vehicle for a period of more than 4 months, primarily for personal, family or household purposes. [Section 2 of this bill requires that whenever a vehicle is leased in this State under the circumstances described in section 2, the lessor and any other person necessary to effectuate the lease are required to use the forms prescribed by the Commissioner.] Section 1.5 of this bill requires a lessor who is a dealer to use a lease agreement for a
consumer vehicle lease of a new vehicle that establishes the conditions under which the lessor can enforce a term regarding a default by the lessee. Section 2 of this bill requires a lessor who is a dealer to use a lease agreement for a consumer vehicle lease of a used vehicle that satisfies certain requirements and includes certain provisions, notices and disclosures that are established by that section. Sections 4 and 5 of this bill set forth certain requirements for a [noncommercial] consumer vehicle lease which are similar to certain requirements for retail installment contracts set forth in existing law. (NRS 97.165, 97.215) Section 5.5 of this bill provides that a violation of existing law concerning vehicle leases or sections 1.5-5.5 constitutes a deceptive trade practice, and authorizes a lessee and certain other persons to bring a civil action against a lessor for the violation. Section 5.5 further provides that if the person bringing the action is the prevailing party, the court is required to award: (1) the person's actual damages; (2) any appropriate equitable relief; and (3) the person's costs and attorney's fees.

Existing law defines the term “vehicle lease” to generally include only leases of a single vehicle for a period of more than 4 months where the lessee’s obligation upon termination or expiration of the lease is based on the excess of the unamortized capitalized cost of the vehicle over its residual value. (NRS 100.095) Existing law sets forth certain requirements for the establishment of the residual value of the vehicle at the termination or expiration of such a lease. (NRS 100.145, 100.155) Section 6 defines the terms “closed-end vehicle lease” and “consumer vehicle lease” and revises the definition of the term “open-end vehicle lease” to establish that the lessee’s obligation upon termination or expiration of the lease is based on the difference between the residual value of the leased vehicle and its realized value. Sections 6-9 of this bill change the term “vehicle lease” to “open-end vehicle lease” to account for the addition of the provisions of sections 1.5-5.5 concerning a [noncommercial] consumer vehicle lease while maintaining the requirements of existing law concerning the establishment of the residual value of a [lease for a] leased vehicle, [where the lessee’s obligation upon termination or expiration of the lease is based on the excess of the unamortized capitalized cost of the vehicle over its residual value.]

Section 10 of this bill makes a conforming change to indicate the proper placement of sections 1.5-5.5 in the Nevada Revised Statutes.

NOTICE TO LESSEE

THERE IS NO COOLING-OFF PERIOD

Nevada law does not provide for a “cooling off” or other cancellation period for vehicle leases. Therefore, you cannot later cancel the lease simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. Sec. 5. The lessor shall not obtain the signature of the lessee to any consumer vehicle lease when it contains blank spaces of items which are essential provisions of the transaction, except that if delivery of the vehicle leased or any goods purchased under the lease are not made at the time of the execution of the consumer vehicle lease, the identifying numbers or marks of the vehicle or goods or similar information and the due date of the first installment may be inserted by the lessor in the lessor’s counterpart of the consumer vehicle lease after it has been signed by the lessee.

The term includes a bailment or lease where the lessee becomes or may become owner of the vehicle by payment to the lessor of an amount which is substantially equal to the residual value or the unamortized capitalized cost, if the payment is not nominal. The term does not include a bailment or lease where the lessee contracts to pay as compensation for use of the vehicle a sum substantially equivalent to or in excess of the capitalized cost of the vehicle and it is agreed that the lessee may become the owner for no other consideration or for a nominal consideration.

3. “Consumer vehicle lease” means a contract in the form of a bailment or lease of a single vehicle by a person for a period of more than 4 months, primarily for personal, family or household purposes, whether or not thelessee’s obligation upon termination of the lease is based on the excess of the unamortized capitalized cost of the vehicle over its residual value as established pursuant to NRS 100.145. (a) A closed-end vehicle lease;

5. “Open-end vehicle lease” means a lease of a single vehicle by a person for a period of more than 4 months consumer vehicle lease where the lessee’s obligation upon termination or expiration of the lease is based on the excess of the unamortized capitalized cost of the vehicle over its residual value as established pursuant to NRS 100.145. The term includes a bailment or lease where the lessee becomes or may become owner of the vehicle by payment to the lessor of an amount which is substantially equal to the residual value or the unamortized capitalized cost, if the payment is not nominal.

6. “Person” includes any governmental entity.

Where the lessee’s liability on the date any open-end vehicle lease or commercial vehicle lease terminates or expires is based on the residual value of the vehicle at that time and the lessor and lessee do not agree in writing on that value or on another method of establishing it, the lessor may, subject to the provisions of NRS 100.165, for the purpose of establishing residual value and thereby providing the basis for determining the lessee’s liability, obtain written bids from third persons.
2. The lessor shall act in good faith and in a commercially reasonable manner in obtaining bids for the vehicle. The fact that a better price could have been obtained at a different time or in a different method from that selected by the lessor is not of itself sufficient to establish that the lessor did not act in a commercially reasonable manner. If the lessor obtains bids at the price current in any recognized market for such a vehicle at the time of the bidding, the lessor has acted in a commercially reasonable manner.

2. The notice must:

notwithstanding any possible limitations on the liability of the lessee provided by the Consumer Leasing Act of 1976 (15 U.S.C. § 1667b);

(b) Inform the lessee that the lessee has the right to submit a written bid for the purchase of the vehicle before its value is established; and

(c) Inform the lessee of the probable residual value of comparable vehicles on the date of the notice as estimated in the then current version of the Kelley Blue Book or its equivalent.

3. If the lease is not in default and has not been terminated before its scheduled expiration, the notice must also inform the lessee that his or her maximum total liability under the open-end vehicle lease or commercial vehicle lease is limited to three times the average payment allocable to a monthly period under the lease if the estimated residual value exceeds the actual residual value and the difference is not the result of physical damage to the vehicle beyond reasonable wear and use or to excessive use.

Section 9. NRS 100.175 is hereby amended to read as follows:

100.175 If the lessor under an open-end vehicle lease or a commercial vehicle lease fails to comply with NRS 100.145 to 100.165, inclusive, the lessor may not recover any deficiency from the lessee.

Section 10. NRS 104A.2104 is hereby amended to read as follows:

104A.2104 1. A lease, although subject to this Article, is also subject to any applicable:

3. Failure to comply with an applicable law has only the effect specified therein.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 479.
AN ACT relating to motor vehicles; requiring a tow operator to immediately release to the owner at no charge a vehicle that has been connected to a tow car or that has been towed for certain reasons related to registration of the vehicle if the owner provides proof in physical or certain electronic formats that the vehicle is registered; revising provisions governing certain fees for towing a motor vehicle; requiring the owner of real property, or authorized agent of the owner, who requests that a vehicle be towed from a residential complex to make reasonable efforts to notify the owner or operator of the vehicle of the date and time after which the vehicle will be towed; if the vehicle is parked in an assigned or designated parking space; requiring a tow operator to independently verify by use of the Internet website of the Department of Motor Vehicles the registration status of a vehicle before towing the vehicle in certain situations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires an operator of a tow car to allow the owner, or agent of the owner, of a motor vehicle that has been connected to a tow car to obtain the release of the vehicle at the point of origination of the towing if: (1) a request is made to release the vehicle; and (2) the owner or agent pays a fee established by the operator for releasing the vehicle. (NRS 706.4469) If a vehicle that has been connected to a tow car due to the vehicle not being registered or due to the vehicle having an expired registration and the owner of the motor vehicle or agent of the owner of the motor vehicle provides proof that the vehicle is registered, section 1 of this bill: (1) requires the operator to immediately release the motor vehicle to the owner or agent of the motor vehicle; and (2) provides that the owner or agent is not responsible for paying the fee established by the operator for releasing the vehicle. [Under section 1, if the owner of the motor vehicle or the agent of the owner of the motor vehicle does not provide proof that the motor vehicle is registered, the fee for releasing the vehicle must not exceed $50.]

Existing law provides that the owner of real property, or an authorized agent of the owner, may only have a vehicle towed: (1) because of a parking violation; (2) if the vehicle is not registered; (3) if the registration of the vehicle has been expired for not less than 60 days or is expired; or (4) if the vehicle is blocking a fire hydrant, fire lane or parking space designated for the handicapped or is posing an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the residents of a residential complex. (NRS 706.4477) If a vehicle has been towed due to the vehicle having expired registration and the registered owner of the vehicle provides proof that the vehicle is registered, section 2 of this bill: (1) requires the operator to immediately release the vehicle to the registered owner of the vehicle; and (2) provides that the registered owner is
not responsible for the cost of removal and storage of the vehicle. Sections 1 and 2 provide that a person may provide proof by providing current registration documents in a physical format or in certain electronic formats that predate the date on which the vehicle was connected or towed.

Existing law provides that the owner of real property, or an authorized agent of the owner, who requests that a vehicle be towed from a residential complex at which the vehicle is located may not have a vehicle towed until 48 hours after affixing a notice to the vehicle which explains when the vehicle is to be towed, unless the tow is requested for an issue relating to the health, safety or welfare of the residents of the residential complex. (NRS 706.4477) Section 2 requires the owner of real property, or the authorized agent of the owner, to, in addition to affixing the notice to the vehicle, make reasonable efforts to notify the owner or operator of the vehicle to explain that the vehicle will be towed if the vehicle is parked in an assigned or designated parking space. Section 2 provides that such reasonable efforts include the use of a telephone number or electronic mail address, if available. Section 2 additionally requires such an owner or authorized agent of the owner to affix a notice to the door of the residential unit whose assigned or designated parking space is being occupied by the vehicle. Furthermore, section 2 requires that a vehicle may not be towed until 5 days after such notices are provided and efforts are made.

Section 2 requires a tow operator who has been requested by the owner of real property, or an authorized agent of the owner, to tow a vehicle if the registration of the vehicle has expired to independently verify the registration status of the vehicle before towing the vehicle by using the Internet website of the Department of Motor Vehicles. Section 2 requires the tow operator to retain evidence of such verification for not less than 1 year and further provides that a tow operator who fails to comply with this requirement is responsible for the cost of the removal and storage of the vehicle.

Existing law provides that, in certain situations, a registered owner of a motor vehicle that is towed is responsible for the cost of removal and storage of the motor vehicle and further provides that an operator of a tow car may impose a fee on the owner of the motor vehicle for the towing and storage of the vehicle. (NRS 706.4477, 706.4479) The vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the registered owner of the vehicle does not provide proof that the vehicle is registered. Section 2 provides that (1) the fee for removing the motor vehicle must be not more than $50; and (2) that the operator shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage. If a vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the registered owner of the vehicle does not provide proof that the vehicle is registered, section 2 provides that (1) the fee for removing the motor vehicle must be not more than $50; and (2) that the operator shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage. [Section 2 of this bill makes changes similar to those in sections 1 and 2 that apply to the fee that an operator may impose for the towing and storage of the vehicle. If a vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the registered owner of the vehicle does not provide proof that the vehicle is registered, section 2 provides that (1) the fee for removing the motor vehicle must be not more than $50; and (2) that the operator shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage. [Section 2 of this bill makes changes similar to those in sections 1 and 2 that apply to the fee that an operator may impose for the towing and storage of the vehicle. If a vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the registered owner of the vehicle does not provide proof that the vehicle is registered, section 2 provides that (1) the fee for removing the motor vehicle must be not more than $50; and (2) that the operator shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage. [Section 2 of this bill makes changes similar to those in sections 1 and 2 that apply to the fee that an operator may impose for the towing and storage of the vehicle. If a vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the vehicle has been towed due to the vehicle not being registered or due to the vehicle having an expired registration and the registered owner of the vehicle does not provide proof that the vehicle is registered, section 2 provides that (1) the fee for removing the motor vehicle must be not more than $50; and (2) that the operator shall not charge any fee or cost for the storage of the motor vehicle until at least 48 hours has passed since the motor vehicle arrived and was registered at the place of storage. [Section 2 of this bill makes changes similar to those in sections 1 and 2 that apply to the fee that an operator may impose for the towing and storage of the vehicle.]
registered owner of the vehicle does not provide proof that the vehicle is registered, section 2 provides that a registered owner shall pay a hardship tariff for the removal and storage of a towed motor vehicles if, for reasons outside of the registered owner’s control, the registered owner is incapable of paying the normal rate for the removal and storage of the towed motor vehicle. Section 2 requires the Nevada Transportation Authority to adopt regulations to carry out the hardship tariff program.

Amendment No. 360.
SUMMARY—Revises various provisions governing common-interest communities and condominium hotels. (BDR 10-228)

AN ACT relating to common-interest communities; property rights; authorizing the use of electronic ballots for the election and removal of members of the executive board of a unit-owners’ association of a common-interest community and for the election of delegates or representatives to exercise the voting rights of units’ owners in an association; authorizing a member of the executive board who is subject to removal to submit a written request for a meeting of the executive board to discuss the member’s removal; specifying that an association is authorized to conduct a vote for the election or removal of a member of the executive board without a meeting; providing that a unit’s owner is responsible in certain circumstances for the cost of the deductible of property insurance maintained by an association; authorizing an association that conducts a vote without a meeting to allow the units’ owners to vote by using a voting machine; establishing requirements relating to the use of electronic voting for the election or removal of a member of the executive board without a meeting; authorizing money in the operating account of an association to be withdrawn without the usual required signatures for the purpose of making certain automatic and annual payments; requiring the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the requirements relating to the transfer of certain items upon the termination or assignment of a management agreement; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law: (1) establishes the procedures for the election and removal of members of the executive board of a unit-owners’ association of a common-interest community and the election of delegates or representatives to exercise the voting rights of units’ owners in certain common-interest communities; and (2) requires that the election and removal of such members, as applicable, be conducted by secret written ballot. (NRS 116.31034, 116.31036, 116.31105) Sections 1 and 2 of this bill, respectively, authorize the use of secret electronic ballots for the election or removal of any member of the executive board and require that the results of such ballots be reviewed, announced and entered into the record at a meeting of the association. Section
Section 2 additionally provides that, with regard to the removal of a member of the executive board that will be voted on by secret ballot, the member who is the subject of the removal may submit a written request for a meeting of the executive board, which must occur before the meeting scheduled for a vote on the member’s removal, at which the removal will be discussed as an agenda item. Section 2 requires notice of such a requested meeting to be given to the units’ owners not later than 5 days after receipt of the written request.

Existing law authorizes an association to conduct a vote without a meeting unless conducting a vote in such a manner is prohibited by the declaration or bylaws of the association. (NRS 116.311) Section 3 of this bill removes such an exception and specifies that an association is authorized to conduct a vote for the election or removal of a member of the executive board without a meeting.

Existing law requires an association to maintain certain property insurance, to the extent reasonably available and subject to reasonable deductibles. (NRS 116.3113) Section 5 of this bill provides that if the executive board determines that the cause of any loss to any portion of the common-interest community that is covered by such property insurance originated from a unit and the association has provided the unit’s owner with notice and an opportunity for a hearing, the unit’s owner is responsible for the cost of the deductible for such property insurance, in an amount not to exceed $50,000. Section 6 of this bill makes a conforming change to reflect the change in section 5. Section 3 authorizes an association that conducts a vote without a meeting to allow the units’ owners to vote by using a voting machine that meets certain requirements. Section 3 also provides that if an association conducts a vote for the election or removal of a member of the executive board without a meeting and the association allows the use of electronic voting: (1) a unit’s owner may opt out of receiving an electronic ballot; (2) the association is required to deliver a paper ballot to a unit’s owner in certain circumstances; (3) if the association allows units’ owners to vote by using a voting machine, the association is required to provide to a unit’s owner the opportunity to opt out of voting by using a voting machine and instead receive a paper ballot; (4) a meeting of the units’ owners must be held to open and count the paper ballots and review and announce the results obtained from the electronic ballots or voting machine and enter the results into the meeting record; and (5) any electronic voting must be conducted by an independent third-party who meets certain requirements.

Existing law generally prohibits money in the operating account of an association from being withdrawn without the signatures of certain persons, but also establishes certain purposes for which money in the operating account
may be withdrawn without such signatures. (NRS 116.31153) **Section 7** of this bill additionally provides that money in the operating account of an association may be withdrawn without the usual required signatures for the purpose of making: (1) automatic payments for the cost of certain insurance policies; (2) telecommunication services maintained by the association; (3) loans obtained to provide for the indemnification of the officers and executive board of the association and to maintain certain liability insurance; and (4) services to the association that are billed on a monthly basis and (2) annual payments to the Office of the Ombudsman.

Existing law imposes certain requirements on community managers regarding the transfer of the possession of all books, records and other papers of a client upon the termination or assignment of a management agreement. (NRS 116A.620) **Section 8** of this bill instead requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the requirements relating to such a transfer. **Section 9** of this bill makes a conforming change to remove the provisions of existing law relating to such a transfer when the commission has adopted the regulations required by **section 8**.

**Sections 9.2, 9.4 and 9.6** of this bill generally replicate the changes made by sections 1, 2 and 3 in the corresponding provisions of law that apply to condominium hotels. **Section 9.8** of this bill replicates the existing provisions of and changes made to **section 7** and applies such provisions to condominium hotels.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all of whom must be units’ owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and
(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit’s owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then:

(a) The association will not prepare or provide any ballots to units’ owners pursuant to this section; and

(b) The nominated candidates shall be deemed to be duly elected to the executive board at the meeting of the units’ owners at which the ballots would have been counted pursuant to paragraph (e) of subsection 15.

6. If the executive board makes the determination set forth in subsection 5, the secretary or other officer specified in the bylaws of the association shall disclose the determination and the provisions of subsection 5 with the notice given pursuant to subsection 4.

7. If, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is less than the number of members to be elected to the executive board at the election, the executive board may fill the remaining vacancies on the executive board by appointment of the executive board at a meeting of the executive board held after the candidates are elected pursuant to subsection 5. Any such person appointed to the executive board shall serve as a member of the executive board until the next regularly scheduled election of members of the executive board. An executive board member elected to a previously appointed position which was temporarily filled by board appointment pursuant to this subsection may only be elected to fulfill the remainder of that term.

8. If, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and provide ballots to the units’ owners pursuant to this section; and
(b) Conduct an election for membership on the executive board pursuant to this section.

9. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

− The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and [mailed] provided pursuant to subsection 5, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

10. Except as otherwise provided in subsections 11 and 12, unless a person is appointed by the declarant:

(a) A person may not be a candidate for or member of the executive board or an officer of the association if:

A quorum is not required to be present when the secret ballots physically received by the association are opened and counted or the results of the secret ballots received by the association by electronic means are reviewed, announced and entered into the record at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for membership on the executive board may not possess, be given access to or participate in the opening or counting of the secret ballots that are returned to the association physically receives, or the collection of data regarding the secret ballots that the association receives by electronic means, before those secret ballots have been opened and counted or reviewed, announced and entered into the record, as applicable, at a meeting of the association.

16. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate’s campaign for election as a member of the executive board, except that the candidate’s campaign may be limited to 90 days before the date that ballots are required to be returned to the association.

17. A candidate who has submitted a nomination form for election as a member of the executive board may request that the association or its agent either:

(a) Send before the date of the election and at the association’s expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner a candidate informational statement. The candidate informational statement:

      (II) The voting rights of those owners are not exercised by delegates or representatives, the mailing address of the association established pursuant to NRS 119A.520. If the mailing address of the association is provided to the candidate pursuant to this sub-subparagraph, the association must send to each owner of a time share within the time share plan the campaign material provided by the candidate. If the campaign material will be sent by mail, the candidate who provides the campaign material must provide to the association a separate copy of the campaign material for each owner and must pay the actual costs of mailing before the campaign material is mailed. If the campaign material will be sent by electronic transmission, the candidate must provide to the association one copy of the campaign material in an electronic format.
   ➡️ The information provided pursuant to this paragraph must not include the name of any unit’s owner or any tenant of a unit’s owner. If a candidate who makes a request for the information described in this paragraph fails or refuses to provide a written statement signed by the candidate which states that the candidate is making the request to allow the candidate to communicate campaign material directly to units’ owners and that the candidate will not use the information for any other purpose, the association or its agent may refuse the request.

Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of
that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 2. NRS 116.31036 is hereby amended to read as follows:

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section, the number of votes cast in favor of removal constitutes:
   (a) At least 35 percent of the total number of voting members of the association; and
   (b) At least a majority of all votes cast in that removal election.

2. A removal election may be called by units’ owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. To call a removal election, the units’ owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this subsection and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If a removal election is called pursuant to this subsection and:
   (a) The voting rights of the units’ owners will be exercised through the use of secret ballots pursuant to this section:
      (1) The secret ballots for the removal election must be mailed, provided or made available in the manner required by this section not less than 15 days or more than 60 days after the date on which the petition is received.
      (2) The executive board shall set the date for the meeting to open and count the secret ballots received by the association by electronic means so that the meeting is held not more than 15 days after the deadline for returning the secret ballots by physical or electronic means and not later than 90 days after the date on which the petition was received.
   (3) Upon written request submitted to the community manager, president or secretary of the association by a member of the executive board who is the subject of the removal election, the secretary or other officer specified in the bylaws of the association shall cause notice of a meeting of the executive board to be given to the units’ owners not later than 3 days after receipt of the written request. The notice must include the date, time and location of the meeting, as requested by the member of the executive board who is the subject of the removal election, and identify the removal of the member from the executive board as an agenda item listed for discussion. A meeting requested pursuant to this subparagraph must occur before the date for the meeting set by the executive board pursuant to subparagraph (2).
(b) The voting rights of the owners of time shares will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 90 days after the date on which the petition is received.

- The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Except as otherwise provided in NRS 116.311 or 116.31105, the removal of any member of the executive board must be conducted by secret ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret paper or electronic ballot to be provided to each unit's owner and:

   (1) If a paper ballot is provided, shall send the ballot and an envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner; or

   (2) If an electronic ballot is provided, shall provide the ballot or make the ballot available by electronic means to each unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret ballot is mailed, provided or made available to the unit's owner to return the secret ballot to the association by physical or electronic means.

(c) Only the secret ballots that are returned to the association physically or by electronic means may be counted to determine the outcome.

(d) The secret ballots must be opened and counted at a meeting of the association. The secret ballots physically received by the association must be opened and counted and the results of the secret ballots received by the association by electronic means must be reviewed, announced and entered into the record. A quorum is not required to be present when the secret ballots physically received by the association are opened and counted or the results of the secret ballots received by the association by electronic means are reviewed, announced and entered into the record at the meeting.

(e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret ballots that are returned to the association physically receives, or the collection of data regarding the secret ballots that the association receives by electronic means, before those secret ballots have been opened and counted or reviewed, announced and entered into the record, as applicable, at a meeting of the association.
Sec. 3. NRS 116.311 is hereby amended to read as follows:

116.311 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, units’ owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by electronic or paper ballot pursuant to subsection 9.

2. At a meeting of units’ owners, the following requirements apply:
   (a) Units’ owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of units’ owners, as designated by the person presiding at the meeting.
   (b) If only one of several owners of a unit is present, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.
   (c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.
   (d) Subject to subsection 1, a unit’s owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to an owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.
   (e) When a unit’s owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit’s owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit’s owner. A unit’s owner may give a proxy only to a member of his or her immediate family, a tenant of the unit’s owner who resides in the common-interest community, another unit’s owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit’s owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

4. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
   (c) The proxy must designate the meeting for which it is executed, and such a designation includes any recessed session of that meeting.
(d) The proxy must designate each specific item on the agenda of the meeting for which the unit’s owner has executed the proxy, except that the unit’s owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit’s owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit’s owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit’s owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed and any recessed session of that meeting the number of proxies pursuant to which the holder will be casting votes.

5. A proxy terminates immediately after the conclusion of the meeting, and any recessed sessions of the meeting, for which it is executed.

6. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

7. The holder of a proxy may not cast a vote on behalf of the unit’s owner who executed the proxy in a manner that is contrary to the proxy.

8. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 3 to 7, inclusive.

9. Unless prohibited or limited by the declaration or bylaws of an association, an association may conduct a vote without a meeting. Except as otherwise provided in NRS 116.31034 and 116.31036, including, without limitation, a vote for the election or removal of a member of the executive board. If an association conducts a vote without a meeting, the following requirements apply:

(a) The association shall notify the units’ owners that the vote will be taken by ballot.

(b) The association shall deliver a paper or electronic ballot to every unit’s owner entitled to vote on the matter, and may allow the units’ owners to vote by using a voting machine. Any such voting machine must be a mechanical voting system that has been approved by the Secretary of State in accordance with chapter 293B of NRS and, once voting begins, must be available for use between the hours of 8 a.m. and 8 p.m. each day for a period of 15 consecutive days.
(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(d) When the association delivers the ballots, it shall also:

1. Indicate the number of responses needed to meet the quorum requirements;
2. State the percentage of votes necessary to approve each matter other than election of directors;
3. Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and
4. Describe the time, date and manner by which units’ owners wishing to deliver information to all units’ owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the vote is for the election or removal of a member of the executive board and the association allows the use of electronic voting:

1. Upon the request of a unit’s owner, an association shall provide a form to the unit’s owner that allows the unit’s owner to opt out of receiving electronic ballots.
2. If a unit’s owner has not given the association an electronic mail address or has opted out of using electronic ballots by returning to the association the form provided pursuant to subparagraph (1) at any time not less than 5 days before the date of the meeting when the votes will be counted, the association shall send a paper ballot and a return envelope, prepaid by United States mail, to the mailing address of the unit’s owner or to any other mailing address designated in writing by the unit’s owner.
3. If the association allows units’ owners to vote by using a voting machine, the association must provide to each unit’s owner, not less than 15 days before the date on which voting begins, a notice of the opportunity to vote by using a voting machine that provides the location at which the voting machine will be available for use and the days and times during which the voting machine will be available for use. The association shall also provide with the notice a form that allows a unit’s owner to opt out of voting by using a voting machine and instead receive a paper ballot. If a unit’s owner returns the form to the association within 15 days after receiving the notice, the association shall send a paper ballot and a return envelope, prepaid by United States mail, to the mailing address of the unit’s owner or to any other mailing address designated in writing by the unit’s owner.
4. A meeting of the units’ owners must be held in the manner set forth in NRS 116.31034 or 116.31036 to open and count the paper ballots and
review and announce the results obtained from the electronic ballots or
voting machine, as applicable, and enter the results into the meeting record.
Any paper ballots must be opened and counted in a manner that may be
readily observed by the units’ owners in attendance at the meeting and must
not occur privately behind closed doors or in an area that is not open to
observation by the units’ owners in attendance.

(5) Any electronic voting must be conducted by an independent third-
party through the use of an online voting system, a voting machine, or both
an online voting system and a voting machine. The independent third-party
shall be deemed to be a data collector pursuant to NRS 603A.030 and is
subject to the obligations and liabilities of chapter 603A of NRS with regard
to the security and privacy of any personal information, as that term is
defined in NRS 603A.040, that is provided or maintained through the use of
an online voting system or voting machine. The independent third-party
conducting the electronic voting may not be any of the following persons and
may not share voting results or information with any of the following
persons before the meeting held pursuant to subparagraph (4):

(I) A candidate for or member of the executive board or an officer of
the association;

(II) A person who resides in a unit with, is married to, is domestic
partners with, or is related by blood, adoption or marriage within the third
degree of consanguinity or affinity to another person who is a member of the
executive board or an officer of the association or performs the duties of a
community manager for the association;

(III) An officer, employee, agent or director of a corporate owner of
a unit, a trustee or designated beneficiary of a trust that owns a unit, a
partner of a partnership that owns a unit, a member or manager of a limited-
liability company that owns a unit or a fiduciary of an estate that owns a unit
if the unit is also owned by another person who is a member of the executive
board or an officer of the association or serves as the community manager
for the association;

(IV) A person who performs the duties of a community manager for
the association, an affiliate of the community manager, an employee of the
company by whom the community manager is employed or an affiliate of the
company, the spouse of any such person or the parent or child of any such
person by blood, adoption or marriage;

(V) The declarant of the association or an affiliate of the declarant;

(VI) A unit’s owner or resident of the association; or

(VII) Any person who stands to gain any personal profit or
compensation of any kind from a matter before the executive board of the
association other than payment only for conducting voting services for the
association.

10. If the declaration requires that votes on specified matters affecting the
common-interest community must be cast by the lessees of leased units rather
than the units’ owners who have leased the units:
(a) This section applies to the lessees as if they were the units’ owners;
(b) The units’ owners who have leased their units to the lessees may not cast votes on those specified matters;
(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units’ owners; and
(d) The units’ owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.
11. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.
12. As used in this section, “online voting system” means an Internet-based voting system with a process that has the ability:
   (a) To authenticate:
       (1) The identity of a unit’s owner; and
       (2) The validity of each electronic vote to ensure that the vote is not altered in transit;
   (b) To enable a unit’s owner to transmit an electronic ballot to the online voting system in a way that ensures the secrecy and integrity of the ballot;
   (c) To transmit an electronic receipt to each unit’s owner who casts an electronic vote;
   (d) To separate any authenticating or identifying information from an electronic ballot, thereby rendering it impossible to match an electronic ballot to a specific unit’s owner;
   (e) To store electronic votes and keep them accessible to units’ owners and the Office of the Ombudsman for the purposes of recounts, inspections and reviews;
   (f) To count all lawful votes; and
   (g) To identify, reject and record the basis for rejection of all unlawful votes, including, without limitation, a vote by a unit’s owner whose voting rights have been suspended, a vote by a person who is not a unit’s owner and duplicate votes.
Sec. 4. NRS 116.31105 is hereby amended to read as follows:
116.31105 1. Except as otherwise provided in subsection 8, if the declaration so provides, in a common-interest community that consists of at least 1,000 units, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.
2. Except as otherwise provided in subsection 8, in addition to a common-interest community identified in subsection 1, if the declaration so provides, in a common-interest community created before October 1, 1999, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.
3. In addition to a common-interest community identified in subsections 1 and 2, if the declaration so provides, the voting rights of the owners of time shares within a time-share plan created pursuant to chapter 119A of NRS which is governed by a master association may be exercised by delegates or representatives.

4. For the purposes of subsection 1, each unit that a declarant has reserved the right to create pursuant to NRS 116.2105 and for which developmental rights exist must be counted in determining the number of units in a common-interest community.

5. For the purposes of subsection 3, each time share that a developer has reserved the right to create pursuant to paragraph (g) of subsection 2 of NRS 119A.380 must be counted in determining the number of time shares in a time-share plan.

6. Notwithstanding any provision in the declaration, the election of any delegate or representative must be conducted by secret written ballot.

7. When an election of a delegate or representative is conducted by secret written ballot:
   (a) The secretary or other officer of the association specified in the bylaws of the association shall cause a secret written paper or electronic ballot to be provided to each unit’s owner and:
      (1) If a paper ballot is provided, shall send the ballot and a return envelope, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner; or
      (2) If an electronic ballot is provided, shall provide the ballot or make the ballot available by electronic means to each unit’s owner.
   (b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed, provided or made available to the unit’s owner to return the secret written ballot to the association by physical or electronic means.
   (c) Only the secret written ballots that are returned to the association in the manner prescribed on the ballot receives by physical or electronic means may be counted to determine the outcome of the election.
   (d) The secret written ballots must be opened and counted at a meeting called for the purpose of electing delegates or representatives, the secret ballots physically received by the association must be opened and counted and the results of the secret ballots received by the association by electronic means must be reviewed, announced and entered into the record. A quorum is not required to be present when the secret written ballots physically received by the association are opened and counted or the results of the secret ballots received by the association by electronic means are reviewed, announced and entered into the record at the meeting.
   (e) A candidate for delegate or representative may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association in the manner prescribed on the ballot.
physically receives, or the collection of data regarding the secret ballots that the association receives by electronic means, before those secret ballots have been opened and counted or reviewed, announced and entered into the record, as applicable, at a meeting called for that purpose.

8. Except as otherwise provided in subsection 9, the voting rights of the units’ owners in the association for a common-interest community may be exercised by delegates or representatives only during the period that the declarant is in control of the association and during the 2-year period after the declarant’s control of the association is terminated pursuant to NRS 116.31032.

9. The provisions of subsection 8 do not apply to:
(a) A time-share plan created pursuant to chapter 119A of NRS which is governed by a master association; or
(b) A condominium or cooperative containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted.

Sec. 5. NRS 116.3113 is hereby amended to read as follows:

(a) Property insurance on the common elements and, in a planned community, also on property that must become common elements, insuring against risks of direct physical loss commonly insured against, which insurance, after application of any deductibles, must be not less than 80 percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies;
(b) Commercial general liability insurance, including insurance for medical payments, in an amount determined by the executive board but not less than any amount specified in the declaration, covering all occurrences commonly insured against for bodily injury and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, also of all units;
(c) Crime insurance which includes coverage for dishonest acts by members of the executive board and the officers, employees, agents, directors and volunteers of the association and which extends coverage to any business entity that acts as the community manager of the association and the employees of that entity. Such insurance may not contain a conviction requirement, and the minimum amount of the policy must be not less than an amount equal to 3 months of aggregate assessments on all units plus reserve funds or $5,000,000, whichever is less;
(d) Directors and officers insurance that is a nonprofit organization errors and omissions policy in a minimum aggregate amount of not less than $1,000,000 naming the association as the owner and the named insured. The coverage must extend to the members of the executive board and the officers,
employees, agents, directors, and volunteers of the association and to the community manager of the association and any employee thereof while acting as agents as insured persons under the policy terms. Coverage must be subject to the terms listed in the declaration.

2. In the case of a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under paragraph (a) of subsection 1, to the extent reasonably available, must include the units, but need not include improvements and betterments installed by units’ owners.

3. If the executive board determines that the cause of any loss to any portion of a common-interest community that is covered by insurance maintained pursuant to paragraph (a) of subsection 1 originated from a unit and the association has provided the unit’s owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the unit’s owner is responsible for the cost of the deductible for such insurance, in an amount not to exceed $50,000. The association may adopt and establish written, nondiscriminatory policies and procedures relating to the submission of claims, responsibility for deductibles and any other matters relating to the adjustment of claims.

4. If the insurance described in subsections 1 and 2 is not reasonably available, the association promptly shall cause notice of that fact to be given to all units’ owners. The declaration may require the association to carry any other insurance, and the association may carry any other insurance it considers appropriate to protect the association or the units’ owners.

An insurance policy issued to the association does not prevent a unit’s owner from obtaining insurance for the unit’s owner’s own benefit.

Sec. 6. NRS 116.31133 is hereby amended to read as follows:

116.31133  1. Insurance policies carried pursuant to NRS 116.3113 must provide that:

(a) Each unit’s owner is an insured person under the policy with respect to liability arising out of the unit’s owner’s interest in the common elements or membership in the association;

(b) Except as otherwise provided in subsection 2 of NRS 116.3113, the insurer waives its right to subrogation under the policy against any unit’s owner or member of his or her household;

(c) No act or omission by any unit’s owner, unless acting within the scope of his or her authority on behalf of the association, voids the policy or is a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit’s owner covering the same risk covered by the policy, the association’s policy provides primary insurance.

2. Any loss covered by the property policy under subsections 1 and 2 of NRS 116.3113 must be adjusted with the association, but the proceeds for that loss are payable to any insurance trustee designated for that purpose, or
otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association shall hold any insurance proceeds in trust for the association, units’ owners and lienholders at their interests may appear. Subject to NRS 116.31135, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the association, units’ owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the common interest community is terminated.

3. An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit’s owner or holder of a security interest. The insurer issuing the policy may not cancel or refuse to renew it until 30 days after notice of the proposed cancellation or nonrenewal has been mailed to the association, each unit’s owner and each holder of a security interest to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. 

Sec. 7. NRS 116.31153 is hereby amended to read as follows:

116.31153

   (f) Make automatic payments for any services to the association that are billed on a monthly basis;
   (g) Make an electronic transfer of money to a state agency pursuant to NRS 353.1467; or
(d) Make an electronic transfer of money to the United States Government, or any agency thereof, pursuant to any federal law requiring transfers of money to be made by an electronic means authorized by the United States Government or the agency thereof.

4. An association may use electronic signatures to withdraw money in the operating account of the association if:
   (a) The electronic transfer of money is made pursuant to a written agreement entered into between the association and the financial institution where the operating account of the association is maintained;
   (b) The executive board has expressly authorized the electronic transfer of money; and
   (c) The association has established internal accounting controls which comply with generally accepted accounting principles to safeguard the assets of the association.

5. As used in this section, “electronic transfer of money” has the meaning ascribed to it in NRS 353.1467.

The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116B.625.

Sec. 9.6. NRS 116B.550 is hereby amended to read as follows:

116B.550 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, the units’ owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by paper or electronic ballot pursuant to subsection 9.

2. At a meeting of the units’ owners, the following requirements apply:

(a) Units’ owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of the units’ owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a unit is present, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.

(d) Subject to the provisions of subsection 1, a unit’s owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to a unit’s owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.

(e) When a unit’s owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit’s owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit’s owner. A unit’s owner may give a proxy only to a member of his or her immediate family, a tenant of the unit’s owner who resides in the condominium hotel, the hotel unit owner
or another unit’s owner who resides in the condominium hotel. If a unit is
owned by more than one person, each owner of the unit may vote or register
protest to the casting of votes by the other owners of the unit through an
executed proxy. A unit’s owner may revoke a proxy given pursuant to this
section only by actual notice of revocation to the person presiding over a
meeting of the association.

4. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
   (c) The proxy must designate the meeting for which it is executed, and such
a designation includes any recessed session of the meeting.
   (d) The proxy must designate each specific item on the agenda of the
meeting for which the unit’s owner has executed the proxy, except that the
unit’s owner may execute the proxy without designating any specific items on
the agenda of the meeting if the proxy is to be used solely for determining
whether a quorum is present for the meeting. If the proxy designates one or
more specific items on the agenda of the meeting for which the unit’s owner
has executed the proxy, the proxy must indicate, for each specific item
designated in the proxy, whether the holder of the proxy must cast a vote in
the affirmative or the negative on behalf of the unit’s owner. If the proxy does
not indicate whether the holder of the proxy must cast a vote in the affirmative
or the negative for a particular item on the agenda of the meeting, the proxy
must be treated, with regard to that particular item, as if the unit’s owner were
present but not voting on that particular item.
   (e) The holder of the proxy must disclose at the beginning of the meeting
for which the proxy is executed and any recessed session of that meeting the
number of proxies pursuant to which the holder will be casting votes.

5. A proxy terminates immediately after the conclusion of the meeting,
and any recessed sessions of the meeting, for which it is executed.

6. A vote may not be cast pursuant to a proxy for the election or removal
of a member of the executive board of an association.

7. The holder of a proxy may not cast a vote on behalf of the unit’s owner
who executed the proxy in a manner that is contrary to the proxy.

8. A proxy is void if the proxy or the holder of the proxy violates any
provision of subsections 3 to 7, inclusive.

9. Unless prohibited or limited by the declaration or bylaws, an association
may conduct a vote without a meeting. Except as otherwise provided in NRS 116B.445 and 116B.450, an association, including, without limitation,
a vote for the election or removal of a member of the executive board. If an
association conducts a vote without a meeting, the following requirements

by ballot.
   (b) The association shall deliver a paper or electronic ballot to every unit’s
owner entitled to vote on the matter, and may allow the units’ owners to
vote by using a voting machine. Any such voting machine must be a mechanical voting system that has been approved by the Secretary of State in accordance with chapter 293B of NRS and, once voting begins, must be available for use between the hours of 8 a.m. and 8 p.m. each day for a period of 15 consecutive days.

(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(d) When the association delivers the ballots, it shall also:

(1) Indicate the number of responses needed to meet the quorum requirements;

(2) State the percentage of votes necessary to approve each matter other than election of directors;

(3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and

(4) Describe the time, date and manner by which units’ owners wishing to deliver information to all units’ owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the vote is for the election or removal of a member of the executive board and the association allows the use of electronic voting:

(1) Upon the request of a unit’s owner, an association shall provide a form to the unit’s owner that allows the unit’s owner to opt out of receiving electronic ballots.

(2) If a unit’s owner has not given the association an electronic mail address or has opted out of using electronic ballots by returning to the association the form provided pursuant to subparagraph (1) at any time not less than 5 days before the date of the meeting when the votes will be counted, the association shall send a paper ballot and a return envelope, prepaid by United States mail, to the mailing address of the unit’s owner or to any other mailing address designated in writing by the unit’s owner.

(3) If the association allows units’ owners to vote by using a voting machine, the association must provide to each unit’s owner, not less than 15 days before the date on which voting begins, a notice of the opportunity to vote by using a voting machine that provides the location at which the voting machine will be available for use and the days and times during which the voting machine will be available for use. The association shall also provide with the notice a form that allows a unit’s owner to opt out of voting by using a voting machine and instead receive a paper ballot. If a unit’s owner returns the form to the association within 15 days after receiving the notice, the
association shall send a paper ballot and a return envelope, prepaid by United States mail, to the mailing address of the unit’s owner or to any other mailing address designated in writing by the unit’s owner.

(4) A meeting of the units’ owners must be held in the manner set forth in NRS 116B.445 or 116B.450 to open and count the paper ballots and review and announce the results obtained from the electronic ballots or voting machine, as applicable, and enter the results into the meeting record. Any paper ballots must be opened and counted in a manner that may be readily observed by the units’ owners in attendance at the meeting and must not occur privately behind closed doors or in an area that is not open to observation by the units’ owners in attendance.

(5) Any electronic voting must be conducted by an independent third-party through the use of an online voting system, a voting machine, or both an online voting system and a voting machine. The independent third-party shall be deemed to be a data collector pursuant to NRS 603A.030 and is subject to the obligations and liabilities of chapter 603A of NRS with regard to the security and privacy of any personal information, as that term is defined in NRS 603A.040, that is provided or maintained through the use of an online voting system or voting machine. The independent third-party conducting the electronic voting may not be any of the following persons and may not share voting results or information with any of the following persons before the meeting held pursuant to subparagraph (4):

Legislative Counsel's Digest:

Existing law requires each proposal for a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas), to include an employment plan which must include: (1) a description of the existing opportunities for employment within
the area; (2) a projection of the effect that the redevelopment project will have on employment opportunities within the area; (3) a description of the manner in which an employer relocating a business into the area plans to employ certain persons, including persons who have a physical disability; (4) a description of the manner in which the developer will, in hiring for construction jobs for the project, use its best efforts to hire certain persons; and (5) a description of the manner in which each employer relocating a business into the area will use its best efforts to hire certain persons living within certain areas. (NRS 279.482)

Sections 2 and 5 of this bill reorganize existing requirements for an employment plan that apply to a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas). Section 2 requires the employment plan to include:

1. certain information about persons with any disability; and
2. a description of how the developer will seek the participation in the redevelopment project of local small business contractors and subcontractors who are licensed in this State and whose place of business is located within 100 miles of the project. Section 2 also requires that a redevelopment agency submit the employment plan to the Nevada Commission on Minority Affairs and the Southern Nevada Enterprise Community Board. Section 2 further provides that an employment plan is a public record.

Sections 3 and 4 of this bill require, respectively, developers and businesses that receive incentives from an agency for a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas) to submit progress reports on the employment plan to the agency. Sections 3 and 4 also require the progress reports to be submitted by the agency to the Nevada Commission on Minority Affairs and the Southern Nevada Enterprise Community Board. Sections 3 and 4 also provide that the progress reports are public records.

Section 6 of this bill provides that sections 2-4 apply only to a redevelopment project undertaken in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas).

Existing law requires a public agency that uses redevelopment funds for the design or construction of a redevelopment project being built as a public work in a redevelopment area of a city whose population is 500,000 or more (currently the City of Las Vegas) to submit an employment plan. (NRS 279.6094) Section 7 of this bill provides that the employment plan must meet the requirements of section 2.

Section 8 of this bill requires the Nevada Commission on Minority Affairs to analyze the information provided in the employment plans and progress reports that it receives pursuant to sections 2-4.

SUMMARY—Requires the Legislative Committee on Health Care to study certain issues related to the economics of health care. (BDR 38-541) S-541)
CONTAINS UNFUNDED MANDATE ($21)
(Not Requested by Affected Local Government)

AN ACT relating to health care; authorizing the Division of Health Care Financing and Policy of the Department of Health and Human Services to impose an assessment on certain health care providers; prescribing the authorized uses of the revenue generated by such an assessment; requiring the Division to adopt regulations establishing administrative penalties against a health care provider who does not pay an assessment in a timely manner; authorizing the Division to take certain measures to collect an unpaid assessment or administrative penalty; establishing procedures for fixing the rates charged by certain hospitals, independent centers for emergency medical care, surgical centers for ambulatory patients and physicians for certain services; authorizing the imposition of a civil penalty and initiation of disciplinary action against such a facility or a physician who fails to comply with provisions concerning rate fixing; creating certain causes of action to
enforce those provisions] requiring the Legislative Committee on Health Care to study matters relating to the economics of health care in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

[Existing law authorizes the Division of Health Care Financing and Policy of the Department of Health and Human Services to impose an assessment on agencies to provide personal care services in the home or medical facilities that are required to obtain a certain type of license after obtaining the approval of at least 67 percent of the operators of such agencies or facilities. (NRS 422.3794) Existing law requires the Division to expend the revenue generated from the assessment to provide increased payments to operators of agencies to provide personal care in the home and operators of medical facilities for services rendered to recipients of Medicaid and to pay administrative costs. (NRS 422.37945) Sections 2-8 of this bill authorize the imposition of a similar assessment on groups of health care providers who provide similar services or physicians who practice in a specialty area. Sections 3-5 of this bill define necessary terms. Section 6 of this bill provides for the imposition of the assessment upon the affirmative vote of at least 67 percent of the affected providers. Section 7 of this bill creates the Account to Improve Health Care Quality and Access for Patients of Certain Providers and requires the Division to deposit the proceeds from the assessment into the Account. Section 7 authorizes the Division to use the money in the Account to: (1) increase the rates of reimbursement of providers in the assessed group receive from Medicaid to rates equal to those paid by Medicare; and (2) pay administrative costs related to the assessment. Section 8 of this bill requires the Division to adopt regulations establishing administrative penalties against a health care provider who fails to pay an assessment in a timely manner. Section 8 also authorizes the Division, after notifying the provider, to deduct the amount of an unpaid assessment or administrative penalty from future payments owed to the operator under the State Plan for Medicaid. Finally, section 8 authorizes the Division to negotiate a payment plan with a health care provider before making such deductions. Section 9 of this bill makes a conforming change to indicate the proper placement of sections 2-8 in the Nevada Revised Statutes.]

Sections 14-23 of this bill establish procedures for fixing the rates charged by certain hospitals, independent centers for emergency medical care, surgical centers for ambulatory patients and physicians for services that are reimbursable through Medicare when provided to a patient who is not indigent and is not covered by Medicare or Medicaid. Sections 15-17 of this bill define necessary terms. Section 18 of this bill generally prohibits such a health care facility or a physician from charging rates different from those established under sections 14-23. Section 19 of this bill requires the Division to fix rates to ensure that each health care facility and physician is able to cover reasonable costs and earn a fair and reasonable
profit; and (2) fix rates at that amount. However, section 19 authorizes a health care facility, physician or group of physicians to request a different rate if the health care facility, physician or group of physicians determine the rates paid by Medicare do not allow the health care facility, physician or physicians in the group to cover reasonable costs and earn a fair and reasonable profit. Section 20 of this bill: (1) requires the Administrator of the Division to appoint a panel of employees who are experienced or trained in rate fixing to evaluate such requests; and (2) prescribes the procedure for evaluating such a request and the criteria that the panel is required to consider during the evaluation. Section 21 of this bill prescribes requirements concerning an order relating to such a request. Section 21 provides that such an order is valid for 1 year and authorizes a health care facility, physician or group of physicians to request to renew a rate.

Section 22 of this bill requires the Division to adopt certain regulations governing rate fixing, including regulations establishing civil penalties to be imposed against a health care facility or physician that violates provisions governing rate fixing. Sections 23, 26, 32 and 33 of this bill provide for the imposition of disciplinary action against a health care facility or physician for such a violation. Section 23 also authorizes: (1) the Division or Attorney General to maintain a suit for an injunction against such a violation; and (2) any person or entity injured by such a violation to maintain a suit for damages. Sections 10-12, 24, 25, 27-21, 24 44 and 47 of this bill make conforming changes to clarify the application of or remove existing provisions concerning the rates that a health care facility or physician may charge for certain services.

Existing law establishes the Legislative Committee on Health Care to review and examine certain issues relating to the provision of health care in this State. (NRS 439B.200, 439B.220) This bill requires the Legislative Committee on Health Care, during the 2021-2023 legislative interim, to study: (1) the economics of the system of setting reimbursement rates for health care services by private and public health insurers; (2) the impact of current reimbursement rates paid by insurers for health care services on patients; (3) opportunities to set rates charged for health care services at a level to allow providers of health care, including health care institutions, to cover and reduce costs and make a reasonable profit; (4) incentives for providers of health care to provide services to recipients of Medicaid; and (5) make recommendations to the 82nd Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 48 of this bill and replace with the following new sections 1 and 2:
Section 1. 1. As part of its review of health care during the 2021-2023 legislative interim, the Legislative Committee on Health Care shall study:

(b) The impact of current reimbursement rates paid by health insurers for health care services on patients in this State, including, without limitation, costs relating to health care services imposed on such patients and the cost of premiums for health insurance;

(c) Opportunities and options to set rates charged for health care services at a level that would allow providers of health care to cover reasonable costs of providing health care services, earn a fair and reasonable profit and reduce administrative costs relating to billing for health care; and

(1) Increasing reimbursement rates for Medicaid by imposing assessments on certain groups of providers of health care; and

2. On or before September 1, 2022, the Legislative Committee on Health Care shall submit its findings and any recommendations to the Director of the Legislative Counsel Bureau for transmittal to the 82nd Session of the Nevada Legislature.

(b) “Provider of health care” has the meaning ascribed to it in NRS 695G.070.

Sec. 2. This act becomes effective on July 1, 2021.
control of emissions from engines as long as they are not used for general transportation and further providing that such vehicles which are used for general transportation shall not receive special license plates, except in certain situations, and instead must comply with the provisions governing the control of emissions from engines; requiring the owner of an Old Timer vehicle, classic rod or classic car to pay a certain fee annually instead of only once; authorizing approved inspectors to work at any authorized inspection station, authorized station or any class of fleet station or multiple locations of such stations; authorizing the Department of Motor Vehicles to establish a remote sensing system to test the emissions from motor vehicles operating in certain counties; exempting a new motor vehicle from emissions testing for the first 3 years of the life of the motor vehicle and then requiring that emissions testing be conducted on new motor vehicles annually after the fourth registration of the motor vehicle; prohibiting the State Environmental Commission from issuing certain waivers to the owner of a motor vehicle who performs repairs on the motor vehicle; increasing certain fees relating to emissions testing stations and forms certifying emission control compliance; requiring certain fees charged for certain electronic monitoring programs to be equal in amount to the fee charged for forms certifying emission control compliance; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes special license plates and registration certificates to be issued to residents of Nevada for antique motor vehicles that qualify as Old Timer vehicles, classic rods or classic cars. (NRS 482.381, 482.3812, 482.3814, 482.3816) Existing law provides that such vehicles are exempt from certain regulations governing exhaust emissions, fuel evaporative emissions and visible emissions of smoke from certain engines if the owner of the vehicle certifies to the Department of Motor Vehicles that the vehicle was not driven more than 5,000 miles during the immediately preceding year. (NRS 445B.760) Sections 1, 3 and 4 of this bill provide that such motor vehicles must not be used for general transportation, defined as being driven more than 5,000 miles during the immediately preceding year, but may be used for club activities, exhibitions, tours, parades or similar activities and for such other uses as are necessary for the operation and maintenance of the vehicle. Sections 1, 3 and 4 provide that such motor vehicles not used for general transportation are exempt from the provisions governing the control of emissions from engines and that, if the owner of such a motor vehicle elects to use the motor vehicle for general transportation, he or she: (1) shall not be issued special license plates or a registration certificate; and (2) must comply with the provisions governing the control of emissions from engines. Existing law requires that such vehicles be used for general transportation and required to comply with the provisions governing the control of emissions from engines which fail the emissions test shall not be issued the special license plates for a period of 90 days after failing the emissions test. (NRS
Section 11 of this bill repeals this provision, which is replaced by the changes made in sections. Sections 1, 3 and 4 provide that this 90-day period is an exception to the prohibition for issuing a special license plate to a vehicle that is used for general transportation.

Existing law requires that the owner of an Old Timer vehicle, street rod, classic rod or classic vehicle which is exempt from the provisions governing the control of emissions from engines pay a one-time fee to the Department, to be accounted for in the Pollution Control Account, in an amount equal to the cost for a certificate of compliance with emissions standards. (NRS 482.381, 482.3812, 482.3814, 482.3816) Sections 1, 3 and 4 require this fee to be paid annually.

Sections 1, 3 and 4 require for the issuance of special license plates and a registration certificate for an Old Timer vehicle, street rod, classic rod or classic vehicle that the motor vehicle must have proof satisfactory to the Department that the vehicle is covered by insurance that: (1) is designed or designated specifically for classic or antique vehicles; or (2) includes an endorsement that is designed or designated specifically for classic or antique vehicles.

Existing law provides that an approved inspector is a person who is licensed by the Department to inspect motor vehicles and devices for the control of pollution for an authorized station or authorized inspection station. (NRS 445B.705) Existing law provides that: (1) an authorized inspection station is a station that is licensed to inspect vehicles and devices for emissions; and (2) an authorized station is a station that is licensed to inspect vehicles and devices for emissions and is also licensed to install, repair and adjust such devices. (NRS 445B.710, 445B.720) Existing regulations provide that for an authorized inspection station or a class 1 fleet station which only tests exhaust emissions to be licensed, the station must employ at least one: (1) class 1 approved inspector who is licensed only to test exhaust emissions; or (2) class 2 approved inspector who is licensed to test exhaust emissions and to diagnose, repair and service devices for the control of exhaust emissions. (NAC 445B.4096-445B.4098, 445B.462) Existing regulations provide that for an authorized station or a class 2 fleet station which tests exhaust emissions and diagnoses, repairs and services devices for the control of exhaust emissions to be licensed, the station must employ at least one approved inspector who is licensed to test exhaust emissions and to diagnose, repair and service devices for the control of exhaust emissions. (NAC 445B.4096, 445B.4098, 445B.4099, 445B.462) Sections 6 and 7 of this bill require the regulations adopted by the State Environmental Commission and the Department for the licensing of such stations to authorize any approved inspector who is licensed: (1) only to test exhaust emissions to work at any authorized inspection station, any authorized station or any class of fleet station or multiple locations of such stations, provided that the approved inspector only tests exhaust emissions; and (2) to test exhaust emissions and to diagnose, repair and service devices for the control of exhaust emissions to work at any authorized inspection station, any authorized station or any class of fleet station or multiple locations of such stations.
station, any authorized station or any class of fleet station or multiple locations of such stations.

Existing law authorizes the Department, in a county whose population is 100,000 or more (currently Clark and Washoe Counties), to conduct a test of the emissions from a motor vehicle which is being operated on a highway in that county to determine whether the vehicle complies with the emissions standards. (NRS 445B.798) Section 8 of this bill authorizes the Department, in a county whose population is 100,000 or more, to establish a remote sensing system to test the emissions from a motor vehicle which is being operated on a highway in that county to determine whether the vehicle complies with the emissions standards. If the Department establishes such a remote sensing system, section 8 requires the Department to adopt regulations: (1) to carry out the remote sensing system; (2) that provide how a person may register to participate in the remote sensing system, including requiring the person to pay a fee; and (3) that allow for the collection of data from the remote sensing system for use by the Department and other agencies of this State.

Existing law requires the State Environmental Commission, in cooperation with the Department and any local air pollution control agency, to adopt regulations for the control of emissions from motor vehicles in areas designated by the Commission that are in any county whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 445B.770) Existing law also authorizes the Commission to exempt designated classes of motor vehicles, including classes based upon the year of manufacture of motor vehicles, from having to comply with the emissions standards. (NRS 445B.825) Existing regulations exempt new motor vehicles from compliance with emissions standards until the third registration of the vehicle, which is the first 2 years of the life of the motor vehicle. (NAC 445B.592) Section 9 of this bill exempts new motor vehicles from the test of emissions conducted by the Department until the third registration of the vehicle, which is the first 3 years of the life of the motor vehicle, and requires the Department to conduct the test annually after the fourth registration of the motor vehicle. Finally, section 9 makes a technical change to reference a federal regulation relating to the exemption afforded to hybrid electric vehicles. Sections 5 and 8 of this bill make conforming changes.

Existing law requires the Commission to: (1) provide for a waiver from having to comply with the provisions governing the control of emissions from engines if compliance involves repair and equipment costs which exceed the limits set by the Commission; and (2) establish such limits in a manner which avoids unnecessary financial hardship to motor vehicle owners. (NRS 445B.825) Section 9 requires the Commission to provide for an additional waiver if the vehicle is repaired by the owner of the vehicle in any situation and clarifies that such repairs include: (1) the owner purchasing parts for the repair of the vehicle; (2) the owner buying equipment for the repair of the vehicle; and (3) the owner performing labor for the repair of the vehicle.
Existing law requires certain fees to be paid to the Department and accounted for in the Pollution Control Account where a program governing the control of emissions from engines is commenced. (NRS 445B.830) Section 10 of this bill increases: (1) from $25 to $100 the fee for the issuance and annual renewal of a license for an authorized inspection station, authorized station or fleet station; (2) from $150 to $250 the fee for each set of 25 forms certifying emission control compliance; and (3) from $6 to $8.50 the fee for each form issued to a fleet station. Existing law authorizes the Commission, in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to adopt regulations to establish a voluntary program of electronic monitoring of emission information from certain vehicles. Existing law requires the Department to charge an annual fee of $6 for each vehicle electronically monitored in such a manner. (NRS 445B.767) Section 5.5 of this bill instead requires the Department to charge an annual fee that is equal in amount to the fee for each form issued to a fleet station.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.381 is hereby amended to read as follows:

482.381 1. Except as otherwise provided in subsection 4, the Department may issue special license plates and registration certificates to residents of Nevada for any motor vehicle which:

The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 471.
AN ACT relating to trade practices; providing that it is a deceptive trade practice not to provide certain translations in a language other than English of certain contracts, agreements or disclosures to certain persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Section 4 of this bill requires a business and an agent or employee of a business that advertises in a language other than English and negotiates certain transactions in a language other than English to provide a translation of the contract or agreement that results from such advertising and negotiation to the person who is party to the contract. Section 4 requires such translated contracts or agreements to be provided before the execution of the contract or agreement and to include every term and condition in the contract or agreement. Section 5 of this bill provides that if the business is a financial institution that is required to provide certain disclosures to comply with the federal Consumer Leasing Act and the Truth in Lending Act, such disclosures are required to be translated into the same language as the contract or agreement. Section 5 requires such translated disclosures to be provided before the execution of the contract or agreement. Sections 7 and 8 of this bill provide certain exceptions to those requirements for translations. Section 7 of this bill provides that such contracts or agreements or disclosures, if applicable, are not required to be translated if the person who is party to the contract participated in negotiations through the person’s own interpreter. Section 8 of this bill provides that certain words, expressions and numerals are not required to be translated. Section 6 of this bill requires certain businesses to: (1) post a notice that such translations are required in a
conspicuous place in the business’s place of business; and (2) notify the person who is being negotiated with in a language other than English that such translations are required.] **Section 9** of this bill authorizes a person who is aggrieved by a party that fails to comply with the provisions of **sections 3-9** of this bill to rescind the contract or agreement.

Existing law provides that a variety of actions constitute deceptive trade practices. (NRS 118A.275, 205.377, 228.620, 370.695, 597.997, 603.170, 604B.910, 676A.770; chapter 598 of NRS) Existing law provides that evidence which shows that a person has engaged in a deceptive trade practice is prima facie evidence of intent to injure competitors and to destroy or substantially lessen competition. (NRS 598.0953) Unless a fine has been previously imposed against a person committing a deceptive trade practice by the Department of Motor Vehicles, existing law authorizes a court to impose a civil penalty of not more than $12,500 for each violation upon a person whom the court finds has engaged in a deceptive trade practice. (NRS 598.0973) Additionally, existing law authorizes a court to make such additional orders or judgments as may be necessary to restore to any person in interest any money or property which may have been acquired by means of any deceptive trade practice. (NRS 598.0993) In addition to these mechanisms, existing law provides that when the Commissioner of Consumer Affairs or the Director of the Department of Business and Industry has cause to believe that a person has engaged or is engaging in any deceptive trade practice, the Commissioner or Director may request that the Attorney General represent him or her in instituting an appropriate legal proceeding, including an application for an injunction or temporary restraining order. (NRS 598.0979) Existing law provides that if a person violates a court order or injunction resulting from a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General, the person is required to pay a civil penalty of not more than $10,000 for each violation. Furthermore, if a court finds that a person has willfully engaged in a deceptive trade practice, the person who committed the violation: (1) may have to pay not more than $5,000 for each violation; and (2) is guilty of a misdemeanor for the first offense, a gross misdemeanor for the second offense and a category D felony for the third and all subsequent offenses. (NRS 598.0999) **Section 2** of this bill provides that a person engages in a deceptive trade practice when, in the course of his or her business or occupation, he or she knowingly violates the provisions of **sections 3-9**. **Sections 10-22** of this bill make conforming changes to indicate the placement of **section 2** in the Nevada Revised Statutes.

Existing law provides that certain deceptive trade practices constitute consumer fraud. (NRS 41.600) Existing law additionally authorizes the Department of Motor Vehicles to impose an administrative fine of not more than $10,000 against any person who engages in a deceptive trade practice. (NRS 482.554) Existing law provides that a person is deemed to engage in a deceptive trade practice in the business of automotive repairs if the person engages in certain deceptive trade practices that involve the repair of a motor
vehicle set forth in existing law. (NRS 487.6889, 598.0915-598.0925)
Sections 20-22 of this bill include the deceptive trade practice created by
section 2 in the list of actions that qualify as deceptive trade practices.

ASSAMBLEYMAN HAFEN; AND HARDY
SUMMARY—Revises provisions relating to vapor tobacco products.

AN ACT relating to vapor tobacco products; requiring a manufacturer of vapor products sold in this State to certify that it has complied with certain federal requirements and submit a list of its vapor products sold in this State to the Department of Taxation; requiring the Department of Taxation to create and maintain a directory of certain vapor products; prohibiting the sale of vapor products not included in the directory maintained by the Department; a person to conduct age verification through enhanced controls before selling cigarettes, cigarette paper or other tobacco products to a person under 40 years of age; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Before marketing a tobacco product that was not commercially marketed in the United States before February 15, 2007, or a modification of a tobacco product where the modified product was commercially marketed in the United States after February 15, 2007, federal law requires a manufacturer of such a tobacco product to obtain from the United States Secretary of Health and Human Services an order that the tobacco product is substantially similar to a tobacco product commercially marketed as of February 15, 2007, or an order of exemption. (21 U.S.C. § 387j(a)(2)(A)) Section 2 of this bill requires a manufacturer of vapor products whose vapor products are sold in this State to execute and deliver to the Department of Taxation on or before April 30 of each year a certification that the manufacturer of vapor products is in compliance with these federal requirements with respect to each vapor product of the manufacturer to which those requirements apply. Section 2 requires the manufacturer to include in this certification a list of each vapor product of the manufacturer that is sold in this State and to update this list at least 30 days before modifying the selection of vapor products sold in this State.

Section 3 of this bill requires the Department of Taxation to create and maintain a directory of vapor products which are listed in the certifications submitted by vapor product manufacturers. Section 3 prohibits the sale of
vapor products not included in the directory maintained by the Department.

Existing law prohibits a person from selling, distributing or offering to sell cigarettes, cigarette paper or other tobacco products to a child under the age of 18 years. (NRS 202.24935, 370.521) Section 5 of this bill prohibits a person from selling, distributing or offering to sell cigarettes, cigarette paper or other tobacco products to a person under 40 years of age without first conducting age verification through enhanced controls to verify that the person is at least 18 years of age and imposes a civil penalty of $100 on a person who fails to do so.

Section 6 of this bill makes a conforming change.

The following amendment was proposed by the Committee on Revenue:
Amendment No. 258.
AN ACT relating to tourism improvement districts; revising the reporting
requirements for the Department of Taxation related to tourism improvement
districts; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law requires, with certain exceptions, the Department of Taxation to prepare and submit a semiannual report to the Director of the Legislative Counsel Bureau and the governing body of a municipality related to a tourism improvement district (TID) that states: (1) the amount of revenue from the taxable sales made each month by the businesses within a TID; (2) the portion of revenue which is attributable to persons who are not residents of this State; (3) the amount of the wages paid each month by the businesses within the TID; and (4) the number of full-time and part-time employees employed each month by businesses within the TID. The report must provide the information separately for each TID in the municipality unless reporting the information separately would disclose or result in the disclosure of information about an individual business. Further, the Department is not required to prepare and submit the report if the report cannot be prepared in a manner which would not disclose or result in the disclosure of information about an individual business. (NRS 271A.105)

Section 1 of this bill additionally requires the report to state: (1) the name and geographic location of the TID; (2) the total amount of money pledged and distributed to the municipality; and (3) the remaining number of payments, and the amount of those payments, on any bonds or notes issued by the municipality. Section 1 requires the Department to report alternate information if the Department determines that reporting the prescribed information for a district which includes more than one business would disclose or result in the disclosure of proprietary information about an individual business. Section 1 also requires, to the extent possible, the report to provide the information separately for each TID unless reporting the information separately would disclose or result in the disclosure of proprietary information about an individual business. Section 1 also provides that the Department is not required to prepare and submit the report if the report cannot be prepared in a manner which would not disclose or result in the disclosure of proprietary information about an individual business that includes more than one business. Section 2 of this bill makes a conforming change to make an exception to the law that provides that records and files of the Department concerning the administration or collection of any tax, fee, assessment or other amount required by law to be collected are confidential and privileged.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 271A.105 is hereby amended to read as follows:

271A.105 1. On or before September 1 of each year, the governing body of a municipality that creates a district before, on or after July 1, 2011, shall prepare and submit to the Director of the Legislative Counsel Bureau for submission to the Legislature, or to the Legislative Commission when the Legislature is not in regular session, an annual report containing:
(a) A statement of the status of each project located or expected to be located in the district, and of any changes in that status since the last annual report.
(b) An assessment of the financial impact of the district on the provision of local governmental services, including, without limitation, services for police protection and fire protection.

2. If the governing body of a municipality creates a district before, on or after July 1, 2011, the Department of Taxation shall:

- On or before April 1 and October 1 of each year, except as otherwise provided in subsection 3, prepare and submit to the Director of the Legislative Counsel Bureau for submission to the Legislature, or to the Legislative Commission when the Legislature is not in regular session, and to the governing body of the municipality a semiannual report which states:

- The name and geographic location of the district and:
  - (a) The amount of revenue from the taxable sales made each month by the businesses within the district;
  - (b) To the extent that the pertinent information is available, the portion of that revenue which is attributable to persons who are not residents of this State;
  - (c) The total amount of money pledged pursuant to NRS 271A.070 and distributed to the municipality;
  - (d) The remaining number of payments, and the amounts of those payments, on any bonds or notes issued by the municipality pursuant to NRS 271A.120;
  - (e) The amount of the wages paid each month by the businesses within the district; and
  - (f) The number of full-time and part-time employees employed each month by the businesses within the district.

The report must provide the information separately for each district in the municipality unless reporting the information separately would disclose or result in the disclosure of proprietary information about an individual business, in which case the report must provide the information in the aggregate.

- Require each for two or more districts in the municipality in a manner that does not result in the disclosure of proprietary information about an individual business. To the extent possible, the report must provide the information separately for each district which includes more than one business.

3. Except as otherwise provided in subsection 5, if the Department of Taxation determines that reporting the information set forth in paragraphs (a) to (f), inclusive, of subsection 2 for a district that includes more than one business would disclose or result in the disclosure of proprietary information about an individual business, the Department shall provide the following information for that district:
(a) The taxable sales and the amount of money pledged pursuant to NRS 271A.070 from the taxable sales in a manner that reports the number of businesses, taxable sales and pledged money in ranges of taxable sales and does not result in the disclosure of proprietary information about individual businesses in the district;

(b) The number of businesses in the district;

(c) The amount of revenue from taxable sales made each month in the district; and

(d) The amount of money pledged pursuant to NRS 271A.070 and distributed to the municipality.

4. Each business within the district shall report to the Department of Taxation, at such times as the Department may specify on a form provided by the Department, such information as the Department determines to be necessary to carry out the provisions of subsections 2 and 3.

5. The Department of Taxation is not required to prepare and submit a report pursuant to paragraph (a) of subsection 2 if the report cannot be prepared in a manner which would not disclose or result in the disclosure of proprietary information about an individual business.

6. As used in this section, “taxable sales” means any sales that are taxable pursuant to chapter 372 of NRS.

AN ACT relating to education; establishing provisions relating to discrimination based on race; including discrimination based on race in existing law relating to bullying and cyber-bullying; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:

Existing law creates the Office for a Safe and Respectful Learning Environment within the Department of Education. (NRS 388.1323) Existing law prohibits bullying and cyber-bullying on the premises of a school, at an activity sponsored by a school or on any school bus. (NRS 388.135) Existing law establishes various provisions relating to the protocol for addressing incidents of bullying and cyber-bullying. (NRS 388.135-388.137) Under existing law, a principal, administrator or other person in charge of a school must investigate a report of an incident of bullying or cyber-bullying and take various actions to address the incident. (NRS 388.1351) This bill extends those provisions to additionally prohibit and address incidents of discrimination based on race.

Section 4 of this bill defines the term “discrimination based on race.” Section 20 of this bill prohibits discrimination based on race in addition to bullying or cyber-bullying on the premises of any school, at an activity sponsored by a school or on a school bus. Section 5 of this bill authorizes a pupil or parent or legal guardian of a pupil who witnesses an incident of discrimination based on race to report the incident to an administrator. Section 5 requires a board of trustees of a school district and a governing body of a charter school to categorize an incident of discrimination based on race as a racially motivated or hate incident. Section 21 of this bill adds to the list of information required to be included in a report submitted to the direct supervisor of a principal or the Office the number of reports concerning incidents of discrimination based on race. Section 21 requires the Office, in consultation with the direct supervisor, after reviewing the reports, to make recommendations for intervention or training to address discrimination based on race, bullying or cyber-bullying. Section 6 of this bill requires the board of trustees of a school district or the governing body of a charter school to develop restorative practices for both victims and perpetrators of discrimination based on race.

Existing law provides that the provisions of NRS 388.1351 do not apply to a violation of the prohibition against bullying and cyber-bullying committed by an employee of a school or school district against another employee. (NRS 388.13535) Section 22 of this bill removes that exemption. Existing law requires the State Board of Education to adopt regulations to establishing a statewide performance evaluation system for employees. (NRS 391.465) Section 25 of this bill requires an evaluation to include whether an employee knowingly and willfully violated the provisions of NRS 388.1351.

Existing law requires annual reports of accountability to include information related to bullying and cyber-bullying. (NRS 385A.250, 385A.460) Existing law prohibits a pupil publication from being used to engage in bullying or cyber-bullying. (NRS 388.077) Existing law establishes various provisions related to the provision of a safe and respectful learning environment that is free from bullying and cyber-bullying. (NRS 388.132, 388.1321, 388.1323, 388.1325, 388.1327, 388.133, 388.1341-388.1344, 388.13535, 388.139,
Under existing law, a department of juvenile services or court that determines that a child has unlawfully engaged in bullying or cyber-bullying must provide certain information to a court or the school district in which the child is enrolled, as appropriate. (NRS 62C.400, 62E.030) Existing also requires the Governor annually to proclaim a “Week of Respect” that includes providing information relating to bullying and cyber-bullying. (NRS 236.073) Sections 1, 2, 7, 9, 10, 12-19, 22-24 and 26-28 of this bill add discrimination based on race to those provisions.

Sections 8-11 of this bill make conforming changes to indicate the proper placement of sections 4-6 in the Nevada Revised Statutes.

The notification must be provided:

When necessary, the administrator or his or her designee shall give priority to ensuring the safety and well-being of the victim or victims over any interest of the perpetrator or perpetrators when determining the actions to take.

7. If a violation is found not to have occurred, information concerning the incident must not be included in the record of the reported aggressor.
8. Such a list may include, without limitation, resources available at no charge or at a reduced cost and may be provided in person or by electronic or regular mail. If such a list is provided, the administrator, his or her designee, or any employee of the school or the school district is not responsible for providing such resources to the pupil or ensuring the pupil receives such resources.

10. The parent or guardian of a pupil involved in the reported violation of NRS 388.135 may appeal a disciplinary decision of the administrator or his or her designee, made against the pupil as a result of the violation, in accordance with the policy governing disciplinary action adopted by the governing body. Not later than 30 days after receiving a response provided in accordance with such a policy, the parent or guardian may submit a complaint to the Department. The Department shall consider and respond to the complaint pursuant to procedures and standards prescribed in regulations adopted by the Department.

Upon receiving such a request, the board of trustees shall, in consultation with the parent or guardian of the pupil, assign the pupil to a different school.

12. A principal or his or her designee shall submit a monthly report to the direct supervisor of the principal that includes for the school the number of:

protecting the reported victim or victims over any interest of the reported perpetrator or perpetrators when determining how to carry out the plan.

4. If the administrator or designee determines that a violation of NRS 388.135 was caused by the disability of the pupil who committed the violation:
   (a) The provisions of NRS 388.135 do not apply to the same or similar behavior if the behavior is addressed in the pupil’s individualized education program; and

Assembly Bill No. 376. Bill read second time. The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 212.
AN ACT relating to immigration; enacting the Keep Nevada Working Act; prohibiting certain state and local agencies from performing certain actions relating to immigration enforcement; prohibiting certain state or local law enforcement agencies, school police units and campus police departments from collecting, using and providing certain information to federal immigration authorities; requiring state or local law enforcement agencies to provide certain written disclosures to persons before making inquiries relating to immigration; limiting the circumstances under which a state or local law enforcement agency may permit federal immigration authorities to interview persons who are under state or local custody; prohibiting state or local law enforcement agencies from detaining persons on the basis of a hold request or for the purpose of determining the immigration status of the person; prohibiting state or local law enforcement agencies from contracting for or otherwise using the language services of federal immigration authorities; creating the Keep Nevada Working Task Force and establishing the power and duties of the Task Force; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 2 of this bill declares that the primary purpose of certain law enforcement agencies and related entities in this State is not to enforce immigration. Sections 4-7 of this bill define the terms “campus police department,” “federal immigration authority,” “notification request” and “state or local law enforcement agency,” respectively, for the purposes of sections 2-14 of this bill.

Sections 8 and 9 of this bill prohibit state or local law enforcement agencies, school police units and campus police departments from providing certain information pursuant to a notification request from a federal immigration authority. Section 9 of this bill additionally prohibits state or local law enforcement agencies from providing federal immigration authorities with certain personal demographic information of persons subject to the custody or supervision of the state or local law enforcement agency.

Section 8 of this bill also prohibits school police units and campus police departments from inquiring into and collecting information concerning the immigration or citizenship status of a person or the place of birth of the person. Section 9 sets forth the same prohibition for state or local law enforcement agencies unless there is a direct connection between the information sought and a criminal violation of a state law or local ordinance. In such circumstances where the state or local law enforcement agency is permitted to make such an inquiry, section 9 requires the state or local law enforcement agency, before making the inquiry, to provide certain written disclosures to the person and an interpreter for the disclosures under certain circumstances. Section 29 of this bill makes a conforming change by repealing provisions of law which require certain disclosures be made to a person in a county or city jail or a detention facility before questioning the person regarding his or her immigration status, as such disclosures are encompassed by and expanded under section 9.
Additionally, section 10 of this bill prohibits state or local law enforcement agencies from using agency funds, facilities, property, equipment or personnel to investigate, question, interrogate, detain, detect or arrest a person for the purpose of immigration enforcement.

Section 11 of this bill prohibits state or local law enforcement agencies from detaining a person solely for the purpose of determining the immigration status of the person. Additionally, section 11 prohibits state or local law enforcement agencies from detaining a person on the basis of a hold request relating to immigration enforcement unless the hold request is accompanied by a warrant for the arrest of the person, or supported by probable cause that the person has committed a crime independent of the crime for which the state or local law enforcement agency originally asserted custody over the person.

Section 12 of this bill prohibits state or local law enforcement agencies from permitting federal immigration authorities to interview a person who is subject to state or local custody concerning a noncriminal matter unless: (1) the interview is required by law or court order; or (2) the person gives informed consent in writing to the interview. Specifically, section 12 requires the state or local law enforcement agency to provide certain oral and written disclosures to the person before obtaining such written consent and requires the use of an interpreter for the disclosures under certain circumstances.

Section 13 of this bill prohibits school police units, campus police departments and state or local law enforcement agencies from entering into contracts for the provision of language services by federal immigration authorities or otherwise accepting the provision of such language services.

Section 14 of this bill requires the Attorney General to publish model policies which provide guidance and training recommendations to state or local law enforcement agencies and which must be consistent with sections 2-14. Section 14 also requires each state or local law enforcement agency to: (1) adopt policies that are consistent with the model policies of the Attorney General; or (2) notify the Attorney General that the state or local law enforcement agency is not adopting policies consistent with the model policies.

Section 18 of this bill creates the Keep Nevada Working Task Force and sets forth the membership of the Task Force. Section 26 of this bill provides for the appointment of the members to the Task Force. Section 19 of this bill requires the Task Force to meet quarterly and sets forth various other administrative functions. Finally, section 20 of this bill: (1) prescribes the duties of the Task Force; (2) requires the Task Force to submit an annual report to the Director of the Legislative Counsel Bureau for transmission to the Legislative Commission; (3) authorizes the Lieutenant Governor to accept gifts, grants or donations for the purpose of the Task Force; and (4) requires state and local agencies, boards, commissions, departments and officers, employees and agents thereof to assist the Task Force under certain circumstances.
Section 21.5 of this bill declares that it is not the primary purpose of an agency or regulatory body of this State or a political subdivision thereof to enforce civil federal immigration law. Section 22 of this bill prohibits state or local agencies and regulatory bodies from using agency funds, facilities, property, equipment or personnel to investigate, enforce, cooperate with or assist in the investigation or enforcement of any federal registration or surveillance program or any other law, rule or policy that targets residents exclusively on the basis of race, religion, immigration or citizenship status or national or ethnic origin. Section 23 and 25 of this bill require certain agencies of this State to publish agency policies which are consistent with section 22 and which relate to the collection, use and disclosure of information by the agency and the provision of its services.

Section 24 of this bill requires the Attorney General to publish model policies which provide recommendations to limit immigration enforcement at public schools, institutions of higher education, certain health care facilities, courthouses and other state and local governmental agencies. Additionally, section 24 requires such entities to: (1) adopt policies consistent with the model policies of the Attorney General; or (2) notify the Attorney General that the entity is not adopting policies consistent with the model policies of the Attorney General. Section 24 also encourages certain other organizations to adopt policies consistent with the model policies of the Attorney General.

Assemblyman Flores moved the adoption of the amendment.
Amendment adopted.
Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 378.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 292.
AN ACT relating to public lands; revising the purpose of the State Land Office; eliminating provisions relating to the State providing land use planning assistance in areas of critical environmental concern; revising provisions relating to the duties of the State Land Use Planning Agency; repealing various provisions relating to public lands; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law creates the State Land Office for the purpose of selecting and disposing of certain lands granted by the United States to the State of Nevada. (NRS 321.010) Section 1 of this bill provides, instead, that the purpose of the State Land Office is for selecting and, where appropriate, disposing of such lands.

Existing law provides that it is the intent of the Legislature to limit the participation of the State in land use planning to certain activities. (NRS 321.640) Section 2 of this bill removes language that allowed the participation of the State in land use planning to include providing land use planning assistance in areas of critical environmental concern when directed by the Governor or requested by local governments.

Section 3 of this bill eliminates the definition of “areas of critical environmental concern” and “public lands” for purposes of state planning for the use of certain lands.
Existing law designates the Division of State Lands of the State Department of Conservation and Natural Resources as the State Land Use Planning Agency and sets forth various duties and responsibilities of the Agency. (NRS
Section 5 of this bill eliminates from the list of priorities of the Agency: (1) activities relating to federal lands in this State; and (2) investigation and review of proposals for the designation of areas of critical environmental concern and the development of standards and plans therefor.

Section 6 of this bill revises the duties of the Administrator of the Division of State Lands with respect to the State Land Use Planning Agency to require that the Administrator provide assistance to counties in developing plans and policies, in addition to programs, to increase the involvement of local governments in the coordinated management of lands in the State that are under federal management.

Section 7 of this bill revises the duties of the State Land Use Planning Agency concerning the purchase by the Federal Government of private land or the exchange of public land for private land to remove the requirement that the State Land Use Planning Agency include comments received from the governing body of an affected county or city in any written comments submitted by the State Land Use Planning Agency to the Federal Government and instead authorizes the State Land Use Planning Agency to include such comments received from the governing body of an affected county or city.

Section 8 of this bill removes from the duties of the State Land Use Planning Agency the duty to prepare plans concerning the acquisition and use of lands in the State that are under federal management and (2) identify lands that are suitable for acquisition. [Sections 9, 11 and 12 make conforming changes to remove references to such plans.]

Section 14 of this bill repeals various provisions relating to public lands, including provisions: (1) creating the Board of Review to review regulations, decisions and plans or statements of policy of the State Registrar and State Land Use Planning Agency; (2) directing the management of certain public lands; (3) creating the Public Land Trust Fund; (4) authorizing the State Land Use Planning Agency to represent interests of certain entities that are affected by policies and activities involving the use of federal law; and (5) setting forth procedures for state consent to the federal use of public lands. Section 14 also repeals language declaring the intent of the State to seek the acquisition of lands retained by the Federal Government within the borders of the State.

Sections 4, 10 and 13 make conforming changes to remove references to these repealed provisions.

Assemblyman Flores moved the adoption of the amendment. Amendment adopted. Bill ordered reprinted, engrossed and to third reading.
Assembly Bill No. 379.
Bill read second time.
The following amendment was proposed by the Committee on Growth and Infrastructure:
Amendment No. 376.
SUMMARY—Revises provisions governing license plates and license plate decals for certain vehicles. (BDR 43-985)
AN ACT relating to motor vehicles: removing provisions governing the issuance and display of license plate decals evidencing the registration status of a motor vehicle; removing the requirement for a license plate to display the month and year the vehicle registration expires; vehicles registered through the fleet registration program; requiring the Department of Motor Vehicles to establish a program allowing the issuance of license plates by short-term lessors for vehicles registered through the fleet registration program; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law requires every motor vehicle license plate to have displayed on it: (1) the year the registration of the motor vehicle expires, if issued for the calendar year; or (2) the month and year the registration of the motor vehicle expires, if issued for a registration period other than a calendar year. (NRS 482.270) Existing law authorizes the Department of Motor Vehicles, upon renewal of registration, to issue one or more license plate stickers, tabs or other suitable devices in lieu of new license plates. (NRS 482.265) Section 5 of this bill provides that the license plates issued by the Department are not required to display the year or the month and year, as applicable, that the registration expires. Section 4 of this bill removes the authorization for the Department to issue license plate stickers, tabs or other suitable devices in lieu of new license plates.
Existing law requires the Department of Motor Vehicles to issue a permanent license plate decal to a short-term lessor of vehicles who registers through the fleet registration program established by the Department for such lessors. (NRS 482.2085) This bill removes the requirement for the Department to issue such a permanent license plate decal and requires the Department to adopt regulations relating to the manner in which the registration status of a vehicle in a fleet is indicated. This bill also requires the Department to establish a program to allow short-term lessors to issue on behalf of the Department license plates for vehicles of the short-term lessor which are registered through the fleet registration program.
Existing law requires a person to whom any license plate decal is issued to immediately make application for and obtain a substitute decal if the decal is lost, mutilated, illegible or stolen. (NRS 482.285) Section 9 of this bill removes this requirement.
Sections 3, 6-8 and 10-25 of this bill remove references to the issuance and display of license plate registration decals, stickers and tabs.

Legislative Counsel's Digest:

Sections 2-30 of this bill establish definitions for terms related to the energy efficiency of appliances.

Section 31 of this bill requires the Director of the Office of Energy to adopt regulations establishing minimum standards of energy efficiency for certain appliances sold in this State and methods for verifying whether appliances comply with those standards. Section 31 prohibits, after certain dates, the sale, lease, rental or installation of a new appliance that does not meet the standards for energy efficiency adopted by the Director. Section 31 prescribes minimum standards of energy efficiency which the standards of energy efficiency adopted by the Director must meet or exceed.

Section 32 of this bill authorizes the Director, if certain findings are made, to adopt standards of energy efficiency for appliances other than the appliances for which standards of energy efficiency are specifically required to be adopted by this bill. Section 32 prohibits, after certain dates, the sale, lease, rental or installation of a new appliance that does not meet the standards for energy efficiency adopted by the Director pursuant to that section.

Section 33 of this bill requires the Director to seek a waiver of preemption from the Secretary of Energy of the United States Department of Energy if the Director has adopted or proposes to adopt a standard of energy efficiency for an appliance which is more stringent than the standard of energy efficiency for that appliance which exists under federal law.

Section 34 of this bill requires a manufacturer, before an appliance is made available for sale, lease or rent in this State, to submit to the Director a certification for the appliance demonstrating that the appliance complies with the energy efficiency standards established by the Director unless the manufacturer has obtained a certification for the appliance from the Director. Section 34 requires a manufacturer to ensure that a new appliance that has received a certification demonstrating that it complies with the minimum standards of energy efficiency includes a mark, label or tag at the time of sale or installation identifying the appliance as a certified appliance. Section 34 requires the Director to adopt regulations prescribing the procedures for governing the certification of appliances and the labeling of certified appliances.

Section 35 of this bill authorizes the Director to test appliances for compliance with the energy efficiency standards established by the Director and to conduct periodic inspections of the premises of manufacturers, distributors, retailers and installers of new appliances and newly constructed buildings which contain new appliances to determine whether there has been compliance with the provisions of this bill. Section 35 requires the Director to investigate complaints concerning alleged violations of the provisions of this bill. Section 35 establishes a civil penalty for violations of the provisions of this bill and authorizes the Attorney General to institute a civil action against a manufacturer, distributor, retailer or installer for such violations.
Section 36 of this bill authorizes the Director to adopt regulations to carry out the provisions of this bill.

Section 37 of this bill authorizes the Director to adopt standards for appliances and other provisions to facilitate the deployment of flexible demand technologies.

Section 38 of this bill excludes certain appliances from the provisions of this bill.

Additionally, the Director may act in coordination with any official responsible for enforcing a building code adopted by a local government in this State to make inspections of newly constructed buildings which contain regulated appliances or appliances for which standards of energy efficiency have been adopted pursuant to section 32 of this act to determine whether there has been compliance with the requirements of sections 2 to 38, inclusive, of this act.
The Director may investigate complaints received concerning alleged violations of sections 2 to 38, inclusive, of this act and may report any alleged violation of sections 2 to 38, inclusive, of this act which the Director verifies or discovers after investigation to the Attorney General.

Whenever it appears that a manufacturer, distributor, retailer or installer has violated or is violating the provisions of sections 2 to 38, inclusive, of this act, the Attorney General may institute a civil action in any district court of this State for injunctive relief to restrain the violation and, if a violation has occurred, for the assessment and recovery of a civil penalty.

2. The Director shall establish an effective date for regulations adopted pursuant to subsection 1 which must be not earlier than 365 days after the date on which the regulations are filed with the Secretary of State pursuant to NRS 233B.070.

(b) Determine the cost effectiveness of any standards adopted.
Consult with the Public Utilities Commission of Nevada and electric utilities to better align the flexible demand appliance standards with demand response programs and to incentivize the deployment of flexible demand appliances.

Amendment No. 366.

AN ACT relating to dispensing opticians; authorizing the Board of Dispensing Opticians to employ an Executive Director; providing immunity from civil liability to the Board and any of its members, staff and employees for certain acts; expanding the purposes for which the Board is authorized to accept gifts, grants, donations and contributions; requiring the Board to perform certain duties relating to the issuance, renewal, reinstatement, revocation and suspension of licenses; prescribing requirements for the submission of an application for licensure; requiring the Board to adopt certain regulations relating to licensure; requiring the Board to establish a schedule of fees and charges; prescribing criteria for eligibility for a license as an apprentice dispensing optician; clarifying certain requirements relating to eligibility for a license as a dispensing optician; removing the authority of the Board to issue a special license as a dispensing optician; reorganizing certain provisions; increasing the amount of the administrative fine for engaging in certain activity without holding a license; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 2 of this bill makes a legislative declaration that the purpose of the provisions regulating the practice of ophthalmic dispensing are to protect the public safety and welfare by ensuring: (1) only competent and scrupulous people practice ophthalmic dispensing in this State; and (2) persons who practice ophthalmic dispensing in this State maintain an appropriate standard of professional conduct.

Existing law creates the Board of Dispensing Opticians to regulate the practice of ophthalmic dispensing and requires the Governor to appoint members to the Board. (NRS 637.030) Section 14 of this bill: (1) requires the Governor to appoint a replacement member if a vacancy occurs during a member’s term; and (2) removes certain requirements relating to the removal of a member for cause. Sections 15 and 18 of this bill reorganize provisions governing the employment of personnel by the Board, and section 15 authorizes the Board to employ an Executive Director. Section 4 of this bill provides that the Board and any of its members, staff and employees are immune from civil liability for any act performed in good faith and without malicious intent or gross negligence in the execution of any duty of the Board. Section 16 of this bill: (1) specifically requires the Board to comply with the Open Meeting Law; (2) prescribes requirements for determining whether a
quorum is present at a meeting of the Board; and (3) removes provisions
designating a principal office of the Board. Sections 16 and 28 of this bill
reorganize certain provisions relating to the election of officers. Sections 17
and 24 of this bill expand the purposes for which the Board is authorized to
accept gifts, grants, donations and contributions. Section 18: (1) requires the
Board to perform certain duties relating to the issuance, renewal,
reinstatement, revocation and suspension of licenses; and (2) removes a
requirement that the Board adopt a seal. Sections 18 and 28 also reorganize
provisions requiring the Board to adopt certain regulations. Section 19 of this
bill removes certain redundant requirements relating to documents which are
subject to the Nevada Public Records Act.

Existing law authorizes the Board to issue a license as a dispensing optician,
a special license as a dispensing optician, a limited license as a dispensing
optician and a license as an apprentice dispensing optician. (NRS 637.120-
637.123, 637.127) Section 3 of this bill defines “license as a dispensing
optician” for purposes of the chapter to mean a license issued to a dispensing
optician who does not hold a limited license. Section 11 of this bill makes a
conforming change to indicate the proper placement of section 3 in the Nevada
Revised Statutes. Section 12 of this bill revises the definition of “dispensing
optician” to clarify that the term includes a person who holds a license as a
dispensing optician or a limited license as a dispensing optician. Section 13 of
this bill revises the definition of “ophthalmic dispensing” to clarify that a
licensee is not required to physically deliver a product to the intended wearer.

Section 5 of this bill requires an applicant for a license to: (1) submit an
application on a form furnished by the Board; and (2) provide evidence that he
or she possesses the qualifications required for the type of license for which he
or she is applying. Section 8 of this bill requires the Board to adopt regulations
relating to: (1) the issuance, renewal and reinstatement of a license; (2) the
placement of a license on inactive status; (3) the reactivation of a license placed
on inactive status; and (4) the program of apprenticeship for apprentice
dispensing opticians.

Existing law authorizes an apprentice dispensing optician to perform the
services of a dispensing optician under the direct supervision of a dispensing
optician, licensed ophthalmologist or licensed optometrist. (NRS 637.125)
Section 7 of this bill prescribes criteria for eligibility for a license as an
apprentice dispensing optician. Sections 7 and 22 of this bill reorganize
certain provisions relating to the practice of ophthalmic dispensing by a
licensed apprentice dispensing optician.

Existing law provides that, in order to be eligible to hold a limited license as
a dispensing optician, a person must have held such a license on February 1,
2004. Existing law: (1) authorizes the holder of such a license to practice
ophthalmic dispensing; and (2) prohibits the holder of such a license from
selling, furnishing or fitting contact lenses. (NRS 637.121) Section 21 of this
bill clarifies that, in order to be eligible for a limited license as a dispensing
optician, a person must have held such a license since February 1, 2004. A
person who held such a license on that date whose license expired at any time after that date is not eligible to hold a limited license as a dispensing optician. **Section 21** also removes certain requirements relating to a limited license as a dispensing optician, and **sections 8 and 9** of this bill instead require the Board to adopt regulations governing such a license. **Section 22** of this bill clarifies that a holder of a limited license as a dispensing optician may not supervise an apprentice dispensing optician in the performance of any service relating to dispensing contact lenses.

**Section 20** of this bill revises the qualifications required for a license as a dispensing optician by: (1) removing certain requirements relating to the moral character of an applicant; (2) removing certain requirements relating to examinations, coursework and training and instead requiring an applicant to satisfy criteria prescribed by regulations adopted by the Board pursuant to **section 8**; and (3) revising the required amount of time an applicant must serve as an apprentice dispensing optician.

Existing law requires the Board to issue a special license as a dispensing optician to certain applicants who: (1) have an active license as a dispensing optician issued by the District of Columbia or any state or territory of the United States; or (2) have not less than 5 years of experience as a dispensing optician. (NRS 637.127) **Section 28** removes this type of license and instead **section 6** of this bill authorizes the Board to waive certain requirements for the issuance of a license as a dispensing optician if an applicant submits to the Board proof that he or she: (1) **received an education in ophthalmic dispensing from** is a graduate of a foreign school and has acquired certain education and experience in ophthalmic dispensing; (2) holds an active license as a dispensing optician in the District of Columbia or any state or territory of the United States **whose requirements for licensure are at least equivalent to the requirements for licensure in this State**; or (3) has at least 5 years of work experience in the practice of ophthalmic dispensing in the District of Columbia or any state or territory of the United States whose requirements for licensure are not at least equivalent to the requirements for licensure in this State. Thus, **section 6** makes an applicant who would have been eligible for a special license eligible for a waiver from certain requirements for licensure as a dispensing optician. If the Board grants such a waiver, the applicant will be licensed as a dispensing optician.

Existing law establishes maximum fees relating to licenses issued by the Board, which the Board sets by regulation. (NRS 637.110, 637.120, 637.121, 637.123, 637.140) **Sections 21 and 28** remove such maximum fees from statute and **section 9** of this bill instead requires the Board to **adopt by regulation reasonable** establish a schedule of fees and charges, each of which **are all** is subject to a maximum **of $500** amount established in **section 9**.

**Section 23** of this bill makes certain nonsubstantive changes to provisions authorizing the Board to refuse to grant a license to an applicant or take disciplinary action against a licensee. **Sections 10, 24, 25 and 28** of this bill
Sections 10 and 19 reorganize provisions relating to investigations conducted by the Board. Section 27 of this bill makes a conforming change as a result of this reorganization.

Existing law establishes various penalties the Board may impose against a person who engages in certain activity without holding a license. (NRS 637.181, 637.183) Sections 25 and 26 of this bill: (1) authorize the Board to issue a citation to a person who engages in certain activities without holding a license; and (2) increase the maximum administrative fine the Board may impose upon such persons who employ licensees from $1,000 for the first violation and $5,000 for the second violation to $10,000 for each violation; and (3) reorganize provisions relating to the unlicensed practice of ophthalmic dispensing.

Assembly Bill No. 397. Bill read second time. The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 340. AN ACT relating to county clerks; requiring the county clerk to pay certain fees to the county treasurer on or before the fifth day of the month; revising the permissible uses of certain fees collected by a county clerk; eliminating certain provisions related to the issuance of a marriage license during certain office hours or during other hours by a commercial wedding chapel; requiring that a county clerk in certain counties issue a marriage license during certain hours; making various other changes relating to county clerks; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law provides that a county clerk may charge and collect an additional fee not to exceed $3 for filing a certificate of marriage if the board of county commissioners has adopted an ordinance authorizing the additional fee. (NRS 246.180) Existing law also requires the county clerk to pay these collected fees to the county treasurer to be deposited in a separate account in the county general fund, which may only be used to acquire or improve technology used by the office of the county clerk for the issuance of marriage licenses and the filing of marriage certificates. (NRS 246.180, 246.190). Section 1 of this bill requires the county clerk to pay such fees to the county treasurer on or before the fifth day of each month. Section 2 of this bill revises the permitted uses of these proceeds by providing that the fees may be used in the office of the county clerk to: (1) acquire, improve, support or maintain technology; (2) train employees in the operation of the technology; and (3) acquire temporary or permanent staff or professional services to implement, support or maintain technology that enhances customer service, improves efficiency or promotes transparency in government.

Existing law provides that a county clerk may charge and collect an additional fee not to exceed $5 for filing and recording or issuing certain bonds, declarations and certificates. (NRS 19.013) Existing law also requires the county clerk to pay these collected fees to the county treasurer to be deposited in a separate account in the county general fund, which may only be used in the office of the county clerk for costs related to acquiring or improving technology for converting and archiving records, purchasing hardware and software, maintaining the technology, training employees in the operation of the technology, and contracting for professional services relating to the technology. (NRS 19.013, 19.016) Section 3 of this bill revises the permitted uses of these proceeds by providing that the fees may be used in the office of the county clerk to: (1) acquire, improve, support or maintain technology; (2) train employees in the operation of the technology; and (3) acquire temporary or permanent staff or professional services to implement, support or maintain technology that enhances customer service, improves efficiency or promotes transparency in government.

Existing law authorizes a county whose population is 100,000 or more (currently Clark and Washoe Counties) to provide a space outside each office and branch office of the county clerk where a commercial wedding chapel, a business licensed to perform weddings or a church or religious organization may place informational brochures for display. (NRS 122.280) Section 5 of this bill authorizes such a county to provide such a space to display printed or digital information.

Existing law requires the board of county commissioners in each county whose population is 100,000 or more but less than 700,000 (currently Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m.
to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Existing law also authorizes the board of county commissioners in each county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) and in which a commercial wedding chapel has been in business for 5 years or more to provide for the establishment of a program whereby such a commercial wedding chapel may issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. (NRS 122.0615) Section 6 of this bill repeals this section of NRS. Section 4 of this bill makes a conforming change to eliminate a reference to the repealed section.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 246.180 is hereby amended to read as follows:

2. The money in the account must be used only in the office of the county clerk, including, without limitation, to:

(a) Acquire, improve, support or maintain technology for or to improve the technology used in the office of the county clerk for the issuance of marriage licenses and the filing of certificates of marriage, including, without limitation, costs related to acquiring or improving technology for converting and archiving records, purchasing hardware and software, maintaining the technology, training;

Sec. 3. NRS 19.016 is hereby amended to read as follows:

2. The money in the account must be used only in the office of the county clerk, including, without limitation, to:
   (a) Acquire, improve, support or maintain technology,
   (b) Train employees in the operation of the technology,
   (c) Acquire temporary or permanent staff or professional services to
   implement, support or maintain technology that enhances customer service,
   improves efficiency or promotes transparency in government.

Sec. 4. NRS 122.040 is hereby amended to read as follows:

122.040 1. Except as otherwise provided in NRS 122.0615, before
persons may be joined in marriage, a license must be obtained for that
purpose from the county clerk of any county in the State. Except as otherwise
provided in this subsection, the license must be issued at the county seat of that
county. The board of county commissioners:
   (a) In a county whose population is 700,000 or more may, at the request of
       the county clerk, designate not more than five branch offices of the county
       clerk at which marriage licenses may be issued, if the designated branch offices
       are located outside of the county seat.
   (b) In a county whose population is less than 700,000 may, at the request of
       the county clerk, designate one branch office of the county clerk at which
       marriage licenses may be issued, if the designated branch office is established
       in a county office building which is located outside of the county seat.

2. Except as otherwise provided in this section, before issuing a marriage
license, the county clerk shall require each applicant to provide proof of the
applicant’s name and age. The county clerk may accept as proof of the
applicant’s name and age an original or certified copy of any of the following:
   (a) A driver’s license, instruction permit or identification card issued by this
       State or another state, the District of Columbia or any territory of the United
       States.
   (b) A passport.
   (c) A birth certificate and:
       (1) Any secondary document that contains the name and a photograph of
           the applicant; or
       (2) Any document for which identification must be verified as a condition
           to receipt of the document.
   (d) A military identification card or military dependent identification card
       issued by any branch of the Armed Forces of the United States.

(f) Any other document that provides the applicant’s name and age. If the applicant clearly appears over the age of 25 years, no documentation of proof of age is required.

3. Except as otherwise provided in subsection 4, the county clerk issuing the license shall require each applicant to answer under oath each of the questions contained in the form of license. The county clerk shall, except as otherwise provided in this subsection, require each applicant to include the applicant’s social security number on the affidavit of application for the marriage license. If a person does not have a social security number, the person must state that fact. The county clerk shall not require any evidence to verify a social security number. If any of the information required is unknown to the person, the person must state that the answer is unknown. The county clerk shall not deny a license to an applicant who states that the applicant does not have a social security number or who states that any requested information concerning the applicant’s parents is unknown.

4. Upon finding that extraordinary circumstances exist which result in only one applicant being able to appear before the county clerk, the county clerk may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk, or may refer the applicant to the district court. If the applicant is referred to the district court, the district court may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk. If the district court waives the requirements of subsection 3, the district court shall notify the county clerk in writing. If the county clerk or the district court waives the requirements of subsection 3, the county clerk shall require the applicant who is able to appear before the county clerk to:

(a) Answer under oath each of the questions contained in the form of license. The applicant shall answer any questions with reference to the other person named in the license.

(b) Include the applicant’s social security number and the social security number of the other person named in the license on the affidavit of application for the marriage license. If either person does not have a social security number, the person responding to the question must state that fact. The county clerk shall not require any evidence to verify a social security number.

If any of the information required on the application is unknown to the person responding to the question, the person must state that the answer is unknown. The county clerk shall not deny a license to an applicant who states that the applicant does not have a social security number or who states that any requested information concerning the parents of either the person who is responding to the question or the person who is unable to appear is unknown.
5. When the authorization of a district court is required because the marriage involves a minor, the county clerk shall issue the license if that authorization is given to the county clerk in writing.

6. At the time of issuance of the license, an applicant or both applicants may elect to change the middle name or last name, or both, by which an applicant wishes to be known after solemnization of the marriage. The first name of each applicant selected for use by the applicant after solemnization of the marriage must be the same as the first name indicated on the proof of the applicant’s name submitted pursuant to subsection 2. An applicant may change his or her name pursuant to this subsection only at the time of issuance of the license. One or both applicants may adopt:

(a) As a middle name, one of the following:
   (1) The current last name of the other applicant.
   (2) The last name of either applicant given at birth.
   (3) A hyphenated combination of the current middle name and the current last name of either applicant.
   (4) A hyphenated combination of the current middle name and the last name given at birth of either applicant.

(b) As a last name, one of the following:
   (1) The current last name of the other applicant.
   (2) The last name of either applicant given at birth.
   (3) A hyphenated combination of the potential last names described in paragraphs (a) and (b).

7. All records pertaining to marriage licenses are public records and open to inspection pursuant to the provisions of NRS 239.010.

8. A marriage license issued on or after July 1, 1987, expires 1 year after its date of issuance.

Sec. 5. NRS 122.280 is hereby amended to read as follows:

122.280 In each county whose population is 100,000 or more, the county may provide a space outside at each office and branch office of the county clerk in which a commercial wedding chapel, a licensed business which operates principally for the performance of weddings in the county or a church or religious organization incorporated, organized or established in this State may [place informational brochures for display.] display printed or digital information.

Sec. 6. NRS 122.0615 is hereby repealed.

Sec. 7. This act becomes effective on July 1, 2021.

AN ACT relating to taxation; revising provisions relating to the imposition of transient lodging taxes on the gross receipts of room remarketers from the reserving of, arranging for, conveying of or furnishing of the right to use or occupy transient lodging; directing the Legislative Commission to appoint a committee to conduct an interim study concerning the role of online travel companies in promoting tourism in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

[Existing law governs the imposition and collection of taxes on the gross receipts of a person engaged in the business of providing transient lodging from the rental of transient lodging in a county or incorporated city. (See, e.g., NRS 244.3351, 244.3352, 244.33561, 268.096) Existing law requires each board of county commissioners and the city council or other governing body of each incorporated city to define the term “transient lodging” for the purpose of such taxes. (NRS 244.33565, 268.0195)]
requires the board of county commissioners of each county and the city council or other governing body of each incorporated city to adopt an ordinance to: (1) require a room remarketer who reserves, arranges for, conveys or furnishes the right to use or occupy transient lodging in a county or incorporated city in this State in exchange for an amount of consideration determined by the room remarketer, to impose, collect and remit transient lodging taxes on the gross receipts of the room remarketer from reserving, arranging for, conveying or furnishing the right to use or occupy transient lodging; (2) require the room remarketer to include in the gross receipts on which the tax is imposed the amounts received by the room remarketer for reserving, arranging for, conveying or furnishing the right to use or occupy transient lodging, including any service or other charge or amount required to be paid as a condition to the right to use or occupy the transient lodging, and (3) authorize the room remarketer to claim a refund or credit for any transient lodging taxes paid by the room remarketer to the provider of the transient lodging. It directs the Legislative Commission to appoint a committee to conduct an interim study concerning the role of online travel companies in promoting tourism in this State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 244 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Each board of county commissioners shall adopt an ordinance that:
   (a) Defines a room remarketer who reserves, arranges for, conveys or furnishes the right to use or occupy transient lodging in the county to another person for consideration in an amount determined by the room remarketer, to be a person providing transient lodging in the county for the purposes of imposing, collecting and remitting taxes on the gross receipts from the rental of transient lodging in the county. The provisions of this paragraph, or an ordinance adopted pursuant thereto, must not be interpreted or construed to create, expand or alter any other liability, duty, obligation or responsibility of the room remarketer for, or relating to, the transient lodging.
   (b) Requires the gross receipts of a room remarketer from reserving, arranging for, conveying or furnishing the right to use or occupy transient lodging in the county to another person for consideration in an amount determined by the room remarketer, including any service or other charge or amount required to be paid as a condition to the right to use or occupy the transient lodging, to be gross receipts from the rental of transient lodging in the county for the purpose of imposing, collecting and remitting taxes on the gross receipts from the rental of transient lodging in the county.

reserving, arranging for, conveying or furnishing the right to use or occupy transient lodging in the county. The refund or credit must equal the amount of the tax on the gross receipts from the rental of transient lodging that the room remarketer paid to the provider of the transient lodging upon acquiring the ability or authority to reserve, arrange for, convey or furnish the right to use or occupy such transient lodging. Assembly Bill No. 410.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 295.
AN ACT relating to public works; revising qualifications for entering into a contract with a public body as a construction manager at risk; requiring [a contract] certain contracts between a public body and a construction manager as agent to be awarded [through a] on the basis of competence and qualifications and not on the basis of competitive bidding process; fees; removing the prospective expiration of provisions relating to construction managers at risk; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law prescribes qualifications that a construction manager at risk must satisfy to be eligible to enter into a contract with a public body. (NRS 338.1691) Section 1 of this bill additionally requires that a construction manager at risk must not have entered into a contract with a public body to act as a construction manager as agent during the 5 years immediately preceding the date of the advertisement for proposals pursuant to which a contract is awarded in order to be eligible to enter into such a contract.

Existing law: (1) prohibits the State of Nevada or any of its political subdivisions from selecting a professional engineer, professional land surveyor or registered architect to perform certain services on a public work on the basis of competitive fees; and (2) instead requires that the selection of such persons be made on the basis of the competence and qualifications of the engineer, land surveyor or architect for the type of service to be performed. (NRS 625.530) Existing law authorizes a public body to employ a construction manager as agent to assist the public body in overseeing the construction of a public work. Existing law requires a construction manager as agent to: (1) be a licensed contractor; (2) hold a certificate of registration to practice architecture, interior design or residential design; or (3) be licensed as a professional engineer.
Existing law provides that a contract between a public body and a construction manager as agent is not required to be awarded by competitive bidding. (NRS 338.1718) Section 2 of this bill requires such a contract to be awarded through a process that bases the selection of a construction manager as agent upon the same criteria as the selection of a professional engineer, professional land surveyor or registered architect on a public work. Specifically, section 2 requires the selection of a construction manager as agent to be made on the basis of the competence and qualifications of the construction manager as agent for the type of services to be performed and not on the basis of competitive bidding process fees. Section 2 exempts from this requirement contracts between a public body and a construction manager as agent to perform services for a public work for which the estimated cost is $100,000 or less.

Under existing law, public bodies are authorized to construct public works under certain circumstances through a method by which a construction manager at risk provides preconstruction services on the public work and, under certain circumstances, construction services on the public work with a guaranteed maximum price, a fixed price or a fixed price plus reimbursement for certain costs. (NRS 338.1685-338.16995) Existing law eliminates the authority for public bodies to enter into contracts with construction managers at risk effective June 30, 2021. (Chapter 487, Statutes of Nevada 2013, at page 2986, chapter 562, Statutes of Nevada 2017, at page 4035) Sections 3-5 of this bill remove the prospective expiration of this authority, thereby making the authorization to enter into contracts with construction managers at risk permanent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.1691 is hereby amended to read as follows:

338.1691 To qualify to enter into contracts with a public body for preconstruction services and to construct a public work, a construction manager at risk must:

1. Not have been found liable for breach of contract with respect to a previous project, other than a breach for legitimate cause, during the 5 years immediately preceding the date of the advertisement for proposals pursuant to NRS 338.1692;

2. Not have been disqualified from being awarded a contract pursuant to NRS 338.017, 338.13895, 338.1475 or 408.333;

3. Not have entered into a contract with a public body to act as a construction manager as agent during the 5 years immediately preceding the date of the advertisement for proposals pursuant to NRS 338.1692;

4. Be licensed as a contractor pursuant to chapter 624 of NRS; and

4A. If the project is for the construction of a public work of the State, be qualified to bid on a public work of the State pursuant to NRS 338.1379.
Sec. 2. NRS 338.1718 is hereby amended to read as follows:

338.1718 1. A construction manager as agent:
(a) Must:
   (1) Be a contractor licensed pursuant to chapter 624 of NRS;
   (2) Hold a certificate of registration to practice architecture, interior
design or residential design pursuant to chapter 623 of NRS; or
   (3) Be licensed as a professional engineer pursuant to chapter 625 of
NRS.
(b) May enter into a contract with a public body to assist in the planning,
scheduling and management of the construction of a public work without
assuming any responsibility for the cost, quality or timely completion of the
construction of the public work. A construction manager as agent who enters
into a contract with a public body pursuant to this section may not:
   (1) Take part in the design or construction of the public work; or
   (2) Act as an agent of the public body to select a subcontractor if the work
to be performed by the subcontractor is part of a larger public work.
2. Except as otherwise provided in subsection 3, the selection of a
construction manager as agent to perform services pursuant to subsection 1
must be made on the basis of the competence and qualifications of the
construction manager as agent for the type of services to be performed and
not on the basis of
competitive fees. If, after selection of the construction manager as agent, an
agreement upon a fair and reasonable fee cannot be reached with him or
her, the public body may terminate negotiations and select another
construction manager as agent. Except as otherwise provided in this
subsection, in assigning the relative weight to each factor for selecting a
construction manager as agent pursuant to this subsection, the public body
shall assign, without limitation, a relative weight of 5 percent to the
possession of a certificate of eligibility to receive a preference when
competing for public works. If any federal statute or regulation precludes
the granting of federal assistance or reduces the amount of that assistance
for a particular public work because of the provisions of this subsection
relating to a preference when competing for public works, those provisions
of this subsection do not apply insofar as their application would preclude
or reduce federal assistance for that public work.
3. The provisions of subsection 2 do not apply to a contract between a

Section 6 of this bill requires the governing body of a charter school that receives services from an educational management organization to disclose certain information regarding the educational management organization and certain contracts held by members of the governing body of the charter school on the Internet website of the charter school and to the sponsor of the charter school. Section 6 also authorizes the sponsor of a charter school to request certain information and conduct investigations.

Existing law establishes a statewide system of accountability for public schools. (NRS 385A.600-385A.840) Under existing law, the governing body of a charter school is authorized to request a change in the sponsorship of the charter school. (NRS 388A.231) Existing law also authorizes the sponsor of a charter school to reconstitute the governing body of a charter school or terminate a charter contract in certain circumstances. (NRS 388A.330) Section 8 of this bill clarifies that the governing body of a charter school is authorized to request to be sponsored by the State Public Charter School Authority. Section 7 of this bill requires the sponsor of a charter school that has received one of the two lowest ratings of performance pursuant to the statewide system of accountability for public schools in each of the last 3 consecutive years and has not requested a change in sponsorship to submit a report to the Legislative Committee on Education of information relating to actions the sponsor of the charter school has taken to reconstitute the governing body of the charter school or terminate the charter contract.

Existing law sets forth various requirements for a proposed sponsor of a charter school to review an application to form a charter school. Sections 10-12 of this bill make conforming changes relating to the requirement to deny an application to form a charter school if the charter school will be operated by certain operators. Section 11.3 of this bill imposes similar requirements on the sponsor of a charter school that requests to amend its charter contract.

the imposition of bail or conditions of release; creating a mechanism to bring a
person back to court if such a person cannot afford the imposed amount of bail
or costs associated with conditions of release; revising provisions relating to persons who fail to comply with a condition
of release; revising provisions relating to the disposition of money
deposited as bail; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Nevada Constitution prohibits the imposition of excessive bail and
requires all persons arrested for offenses other than murder of the first degree
to be admitted to bail. (Nev. Const. Art. 1, §§ 6, 7)

Recently, the Nevada Supreme Court held that a provision of law requiring
an arrested person to show good cause before being released without bail
violated his or her constitutional right to nonexcessive bail. Specifically, the
Nevada Supreme Court held that the provision of law was unconstitutional
because it: (1) did not require the court to consider less restrictive conditions
of release before determining that the imposition of bail was necessary; and
(2) effectively relieved the State from its burden of proving that the imposition
of bail was necessary to protect the safety of the community and to ensure the
appearance of the person in court. (Valdez-Jimenez v. Eighth Jud. Dist. Court,
136 Nev. 155 (2020); Nev. Const. Art. 1, §§ 6, 7; NRS 178.4851) Section 8
of this bill removes the provision of law that was found unconstitutional and
section 9 of this bill makes a conforming change.

Existing law sets forth separate procedures for releasing persons with bail
and releasing persons without bail. (NRS 178.484, 178.4851) Section 8
consolidates the existing procedures for releasing persons with bail and
releasing persons without bail into a standard procedure for courts to follow in
making pretrial custody determinations. Section 8 also requires courts to hold a
pretrial release hearing, in open court or telephonically, to determine the
custody status of a person within [a reasonable amount of time] 24 hours
after the person has been taken into custody. Finally, section 8 prohibits the use of
standardized bail schedules. Sections 1, 2 and 10 [-12], 11 and 12 of this bill
make conforming changes.

Existing law authorizes certain governmental entities, other than a court, to
admit a person to bail if the person has been arrested for a felony while released
on parole or probation, after being released on a suspended sentence or while
serving a term of residential confinement. (NRS 178.484) Section 7 of this bill
removes the authority for such entities to make admissions to bail and instead
requires courts to determine the custody status of such persons at a pretrial
release hearing pursuant to section 8.
Existing law mandates the imposition of specific amounts of bail for persons arrested for offenses involving domestic violence and violations of certain orders for protection. (NRS 178.484) **Section 7** removes the mandatory amounts of bail and instead requires courts to determine the custody status of persons arrested for such offenses at a pretrial release hearing pursuant to **section 8**.

**Existing law authorizes a court to admit a person arrested for murder of the first degree to bail unless proof is evident and the presumption is great.** (NRS 178.484) **Section 8** establishes a uniform standard for pretrial release determinations, regardless of the underlying offense. Specifically, **section 8** provides that a court may only impose bail or a condition of release, or both, on a person if the imposition is necessary to protect the community and to ensure the appearance of the person in court.

Existing law sets forth certain factors that courts are required to consider when determining whether to release persons without bail. (NRS 178.4853) Existing law also sets forth certain factors that courts are required to consider when determining the amount of bail. (NRS 178.498) In addition to the existing factors, **section 8** requires courts to consider the federal poverty guidelines and any financial document of a person when making a pretrial custody determination.

**Section 8** requires a pretrial custody determination to be made in the following order of priority: (1) release without monetary bail with no additional conditions of release except the promise of good behavior and the promise to appear in court; (2) release without monetary bail with conditions of release; and (3) release with monetary bail.

**Section 8** affords a person certain rights concerning his or her pretrial release hearing, including, the right to counsel, the right to review certain documents in the custody of the prosecuting attorney or the court, the right to present evidence and the right to cross-examine witnesses.

**Additionally, section 8 provides that if a prosecuting attorney requests the imposition of bail or a condition of release, or both, on a person at the pretrial release hearing, the prosecuting attorney must prove by clear and convincing evidence that the imposition is necessary to protect the safety of the community and to ensure the appearance of the person in court.**

**Section 8** also requires the court to make certain findings related to the denial of bail or the imposition of bail or a condition of release, as applicable.

**Existing law authorizes a court to deem a person in contempt or increase the amount of monetary bail if the person fails to comply with a condition of release.** (NRS 178.484) **Section 8** authorizes a court to deem
the person in contempt or impose additional conditions of release if the person fails to comply with a condition of release.

Existing law requires money deposited as bail to be applied towards the payment of fines and costs assessed against the defendant. (NRS 178.528) Section 11.5 of this bill prohibits money deposited as bail from being applied to such fines or costs if the bail was posted by a pretrial release organization.

Existing law prohibits a court from admitting a person to bail in an amount less than the amount of certain fines if the person is arrested for a violation of certain laws relating to vehicles. (NRS 484D.680, 706.756) Sections 13 and 14 of this bill remove the provisions tying the amount of bail to the amount of the fines, meaning that a court is required to determine the amount of bail, if applicable, at a pretrial release hearing pursuant to section 8.

Section 4 of this bill expresses the intent of the Legislature to discourage courts from imposing bail or a condition of release, or both, on a person in a manner that would cause the person to remain detained because of his or her inability to pay the amount of bail or costs associated with the condition of release.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 171.178 is hereby amended to read as follows:

171.178 1. Except as otherwise provided in [subsections] subsection 5, 6, a peace officer making an arrest under a warrant issued upon a complaint or without a warrant shall take the arrested person without unnecessary delay before the magistrate who issued the warrant or the nearest available magistrate empowered to commit persons charged with offenses against the laws of the State of Nevada.

2. A private person making an arrest without a warrant shall deliver the arrested person without unnecessary delay to a peace officer. Except as otherwise provided in [subsections] subsection 5, 6, and NRS 171.1772, the peace officer shall take the arrested person without unnecessary delay before the nearest available magistrate empowered to commit persons charged with offenses against the laws of the State of Nevada.

3. If an arrested person is not brought before a magistrate within 72 hours after arrest, excluding nonjudicial days, the magistrate:

   (a) Shall give the prosecuting attorney an opportunity to explain the circumstances leading to the delay; and

   (b) May release the arrested person if the magistrate determines that the person was not brought before a magistrate without unnecessary delay.

4. When a person arrested without a warrant is brought before a magistrate, a complaint must be filed forthwith.

5. [Except as otherwise provided in NRS 178.484 and 178.487, where the defendant can be admitted to bail without appearing personally before a magistrate, the defendant must be so admitted with the least possible delay,
and required to appear before a magistrate at the earliest convenient time thereafter.
6. A peace officer may immediately release from custody without any further proceedings any person the peace officer arrests without a warrant if the peace officer is satisfied that there are insufficient grounds for issuing a criminal complaint against the person arrested. Any record of the arrest of a person released pursuant to this subsection must also include a record of the release. A person so released shall be deemed not to have been arrested but only detained.

Sec. 2. NRS 171.1845 is hereby amended to read as follows:

171.1845 1. If a person is brought before a magistrate under the provisions of NRS 171.178 or 171.184, and it is discovered that there is a warrant for the person’s arrest outstanding in another county of this State, the magistrate may release the person in accordance with the provisions of NRS [178.484 or] 178.4851 if:
(a) The warrant arises out of a public offense which constitutes a misdemeanor; and
(b) The person provides a suitable address where the magistrate who issued the warrant in the other county can notify the person of a time and place to appear.
2. If a person is released under the provisions of this section, the magistrate who releases the person shall transmit the cash, bond, notes or agreement submitted under the provisions of NRS 178.502 or 178.4851, together with the person’s address, to the magistrate who issued the warrant. Upon receipt of the cash, bonds, notes or agreement and address, the magistrate who issued the warrant shall notify the person of a time and place to appear.
3. Any bail set under the provisions of this section must be in addition to and apart from any bail set for any public offense with which a person is charged in the county in which a magistrate is setting bail. In setting bail under the provisions of this section, a magistrate shall set the bail in an amount which is sufficient to induce a reasonable person to travel to the county in which the warrant for the arrest is outstanding.
4. A person who fails to appear in the other county as ordered is guilty of failing to appear and shall be punished as provided in NRS 199.335. A sentence of imprisonment imposed for failing to appear in violation of this section must be imposed consecutively to a sentence of imprisonment for the offense out of which the warrant arises.

Sec. 3. [Chapter 178 of NRS is hereby amended by adding thereto the provisions set forth as sections 4 and 5 of this act.] (Deleted by amendment.)

Sec. 4. Chapter 178 of NRS is hereby amended by adding thereto a new section to read as follows:

_The Legislature hereby finds and declares that:
1. Bail must only be imposed on persons in a manner that is consistent with the United States Constitution and to the extent permitted by the Nevada Constitution._
2. A central tenet in our criminal justice system is that persons are innocent until proven guilty and, therefore, the detention of persons who have not been convicted is generally disfavored.

3. If the imposition of bail or a condition of release, or both, on a person is necessary, courts are encouraged to make the imposition in a manner that ensures that the person will not remain detained because of his or her inability to pay the amount of bail or any costs associated with the condition of release.

Sec. 5. If a court imposes bail or a condition of release, or both, on a person pursuant to NRS 178.4851 and the person remains in jail because of his or her inability to pay the amount of bail or any costs associated with the condition, or both, the person shall be brought before a court within 24 hours after the imposition and the court shall review and may modify the original imposition in the manner prescribed in NRS 178.4851. (Deleted by amendment.)

Sec. 6. NRS 178.483 is hereby amended to read as follows:

178.483 As used in NRS 178.483 to 178.548, inclusive, and sections 4 and 5 of this act unless the context otherwise requires, “electronic transmission,” “electronically transmit” or “electronically transmitted” means any form or process of communication not directly involving the physical transfer of paper or another tangible medium which:
1. Is suitable for the retention, retrieval and reproduction of information by the recipient; and
2. Is retrievable and reproducible in paper form by the recipient through an automated process used in conventional commercial practice.

Sec. 7. NRS 178.484 is hereby amended to read as follows:

178.484 1. Except as otherwise provided in this section, a person arrested for an offense other than murder of the first degree must be admitted to bail:
2. A person arrested for a felony who has been released on probation or parole for a different offense must not be admitted to bail unless:
   (a) A court issues an order directing that the person be admitted to bail;
   (b) The State Board of Parole Commissioners directs the detention facility to admit the person to bail; or
   (c) The Division of Parole and Probation of the Department of Public Safety directs the detention facility to admit the person to bail.
3. A person arrested for a felony whose sentence has been suspended pursuant to NRS 4.373 or 5.055 for a different offense or who has been sentenced to a term of residential confinement pursuant to NRS 4.3762 or 5.076 for a different offense must not be admitted to bail unless:
   (a) A court issues an order directing that the person be admitted to bail; or
   (b) A department of alternative sentencing directs the detention facility to admit the person to bail.
4. A person arrested for murder of the first degree may be admitted to bail unless the proof is evident or the presumption great by any competent court or
magistrate authorized by law to do so in the exercise of discretion, giving due weight to the evidence and to the nature and circumstances of the offense.

5. A person arrested for a violation of NRS 484C.110, 484C.120, 484C.130, 484C.430, 488.410, 488.420 or 488.425 who is under the influence of intoxicating liquor must not be admitted to bail or released on the person’s own recognizance brought before a court for a pretrial release hearing pursuant to NRS 178.4851 unless the person has a concentration of alcohol of less than 0.04 in his or her breath. A test of the person’s breath pursuant to this subsection to determine the concentration of alcohol in his or her breath as a condition of admission to bail or release is not admissible as evidence against the person.

6. A person arrested for a violation of NRS 484C.110, 484C.120, 484C.130, 484C.430, 488.410, 488.420 or 488.425 who is under the influence of a controlled substance, is under the combined influence of intoxicating liquor and a controlled substance, or inhales, ingests, applies or otherwise uses any chemical, poison or organic solvent, or any compound or combination of any of these, to a degree which renders the person incapable of safely driving or exercising actual physical control of a vehicle or vessel under power or sail must not be admitted to bail or released on the person’s own recognizance brought before a court for a pretrial release hearing pursuant to NRS 178.4851 sooner than 12 hours after arrest.

If the person is admitted to bail more than 12 hours after arrest, without appearing personally before a magistrate or without the amount of bail having been otherwise set by a magistrate or a court, the amount of bail must be:

   (a) Three thousand dollars, if the person has no previous convictions of battery that constitute domestic violence pursuant to NRS 33.018 and there is no reason to believe that the battery for which the person has been arrested resulted in substantial bodily harm or was committed by strangulation;

   (b) Five thousand dollars, if the person has:

      (2) One previous conviction of battery that constitutes domestic violence pursuant to NRS 33.018, but there is no reason to believe that the battery for which the person has been arrested resulted in substantial bodily harm or was committed by strangulation; or

   (c) Fifteen thousand dollars, if the person has:

      (1) One previous conviction of battery that constitutes domestic violence pursuant to NRS 33.018 and there is reason to believe that the battery for which
the person has been arrested resulted in substantial bodily harm or was committed by strangulation; or

For the purposes of this subsection, a person shall be deemed to have a previous conviction of battery that constitutes domestic violence pursuant to NRS 33.018 if the person has been convicted of such an offense in this State or has been convicted of violating a law of any other jurisdiction that prohibits the same or similar conduct.

4. A person arrested for violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or for violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or for violating a temporary or extended order for protection against stalking, aggravated stalking or harassment issued pursuant to NRS 200.591, or for violating a temporary or extended order for protection against sexual assault pursuant to NRS 200.378 must not be admitted to bail for a pretrial release hearing pursuant to NRS 178.4851 sooner than 12 hours after arrest if:

(a) Three thousand dollars, if the person has no previous convictions of violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or of violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or of violating a temporary or extended order for protection against stalking, aggravated stalking or harassment issued pursuant to NRS 200.591.

The provisions of this subsection do not affect the authority of a magistrate or a court to set the amount of bail when the person personally appears before the magistrate or the court or when a magistrate or a court has otherwise been contacted to set the amount of bail. For the purposes of this subsection, a person shall be deemed to have a previous conviction of violating a temporary or extended order for protection against domestic violence issued pursuant to NRS 33.017 to 33.100, inclusive, or of violating a restraining order or injunction that is in the nature of a temporary or extended order for protection against domestic violence issued in an action or proceeding brought pursuant to title 11 of NRS, or of violating a temporary or extended order for protection against stalking, aggravated stalking, or harassment issued pursuant to NRS 200.591, or of violating a temporary or extended order for protection against sexual assault pursuant to NRS 200.378, if the person has been convicted of such an offense in this State or has been convicted of violating a law of any other jurisdiction that prohibits the same or similar conduct.

10. The court may, before releasing a person arrested for an offense punishable as a felony, require the surrender to the court of any passport the person possesses.

11. Before releasing a person arrested for any crime, the court may impose such reasonable conditions on the person as it deems necessary to protect the health, safety and welfare of the community and to ensure that the person will appear at all times and places ordered by the court, including, without limitation:
(a) Requiring the person to remain in this State or a certain county within this State;
(b) Prohibiting the person from contacting or attempting to contact a specific person or from causing or attempting to cause another person to contact that person on the person's behalf;
(c) Prohibiting the person from entering a certain geographic area; or
(d) Prohibiting the person from engaging in specific conduct that may be harmful to the person's own health, safety or welfare, or the health, safety or welfare of another person.

In determining whether a condition is reasonable, the court shall consider the factors listed in NRS 178.4853.

12. If a person fails to comply with a condition imposed pursuant to subsection 11, the court may, after providing the person with reasonable notice and an opportunity for a hearing:
(a) Deem such conduct a contempt pursuant to NRS 22.010; or
(b) Increase the amount of bail pursuant to NRS 178.499.

13. An order issued pursuant to this section that imposes a condition on a person admitted to bail must include a provision ordering any law enforcement officer to arrest the person if the officer has probable cause to believe that the person has violated a condition of bail.

14. Before a person may be admitted to bail, the person must sign a document stating that:
(a) The person will appear at all times and places as ordered by the court releasing the person and as ordered by any court before which the charge is subsequently heard;
(b) The person will comply with the other conditions which have been imposed by the court and are stated in the document; and
(c) If the person fails to appear when so ordered and is taken into custody outside of this State, the person waives all rights relating to extradition proceedings.

The signed document must be filed with the clerk of the court of competent jurisdiction as soon as practicable, but in no event later than the next business day.

15. If a person admitted to bail fails to appear as ordered by a court and the jurisdiction incurs any cost in returning the person to the jurisdiction to stand trial, the person who failed to appear is responsible for paying those costs as restitution.

16. For the purposes of [subsection 4, subsection 8 and 9, subsection 4,] an order or injunction is in the nature of a temporary or extended order for protection against domestic violence if it grants relief that might be given in a temporary or extended order issued pursuant to NRS 33.017 to 33.100, inclusive.

17. As used in this section, “strangulation” has the meaning ascribed to it in NRS 200.481.
Sec. 8. NRS 178.4851 is hereby amended to read as follows:

178.4851 1. Upon a showing of good cause, a court may release without bail any person entitled to bail if it appears to the court that it can impose conditions on the person that will adequately protect the health, safety and welfare of the community and ensure that the person will appear at all times and places ordered by the court. Unless a person is released pursuant to subsection 9, and except as otherwise provided in NRS 178.484, a court shall, within a reasonable amount of time 24 hours after a person has been taken into custody, hold a pretrial release hearing in open court or telephonically, to determine the custody status of the person.

2. Before the pretrial release hearing:
   (a) The person must be appointed an attorney, free of charge, to represent the person at the pretrial release hearing; and
   (b) The person and his or her attorney must be granted access to all arrest, charging and other relevant documents that are accessible to the prosecuting attorney and the court.

3. At the pretrial release hearing:
   (a) The person has the right to:
      (1) Present evidence; and
      (2) Cross-examine witnesses who testify for the State; and
   (b) If a prosecuting attorney requests that the court impose bail or a condition of release, or both, on a person, the prosecuting attorney must prove by clear and convincing evidence that the request is the least restrictive means necessary to protect the safety of the community and ensure that the person will appear at all times and places ordered by the court.

4. If a person has been arrested for an offense other than murder of the first degree, the court shall consider the release of the person in the following order of priority:
   (a) Release without monetary bail, with no additional conditions of release other than the promise of good behavior and the promise to appear in court, as required.
   (b) Release without monetary bail with additional conditions of release.
   (c) Release with monetary bail.

5. Except as otherwise provided in subsection 6, the court shall only impose bail or a condition of release, or both, on a person as it deems necessary to protect the health, safety and welfare of the community and to ensure that the person will appear at all times and places ordered by the court, having regard to:
   (a) The factors set forth in NRS 178.4853 and 178.498, as applicable;
   (b) The federal poverty guidelines published by the United States Department of Health and Human Services; and
   (c) Any affidavit document submitted by the person attesting to his or her financial circumstances.
6. A person arrested for murder of the first degree may be admitted to bail unless the proof is evident or the presumption great by any competent court or magistrate authorized by law to do so in the exercise of discretion, giving due weight to the evidence and to the nature and circumstances of the offense.

7. A court may, after conducting an individualized hearing, impose any reasonable condition of release, including, without limitation:

(a) Requiring the person to remain in this State or a certain county within this State;

(b) Prohibiting the person from contacting or attempting to contact a specific person or from causing or attempting to cause another person to contact that person on the person’s behalf;

(c) Prohibiting the person from entering a certain geographic area;

(d) Prohibiting the person from engaging in specific conduct that may be harmful to the person’s own safety or the safety of another person; or

(e) If the person was arrested for an offense punishable as a felony, requiring the person to surrender to the court any passport he or she possesses.

8. Upon determining that the imposition of bail or any condition of release, or both, is necessary, the court shall make findings concerning the following:

(a) If the person was arrested for murder of the first degree and the person was denied bail, the reasoning underlying the decision to deny bail;

(b) If any condition of release was imposed on the person, the reasoning underlying the necessity for the condition, including a finding relating the imposed condition to the specific circumstances of the person;

(c) If bail was imposed on the person, a finding that the court considered the financial circumstances of the person; and

(d) If bail was imposed on the person in an amount that exceeds the ability of the person to pay, a finding as to the necessity of the specified amount.

9. Upon a showing of good cause, a sheriff or chief of police may release without bail any person charged with a misdemeanor pursuant to standards established by a court of competent jurisdiction.

10. The person must file with the clerk of the court of competent jurisdiction a signed document stating that:
(a) The person will appear at all times and places as ordered by the court releasing the person and as ordered by any court before which the charge is subsequently heard;
(b) The person will comply with the other conditions which have been imposed by the court and are stated in the document;
(c) If the person fails to appear when so ordered and is taken into custody outside of this State, the person waives all rights relating to extradition proceedings; and
(d) The person understands that any court of competent jurisdiction may revoke the order of release without bail and may order the person into custody or require the person to furnish bail or otherwise ensure the protection of the health, safety, and welfare of the community or the person’s appearance.

10. The document signed pursuant to subsection 9 must be filed with the clerk of the court:
(a) Before the person is released, if the person is released without bail; or
(b) As soon as practicable, but in no event later than the next business day, if bail is imposed by the court.

11. If a person fails to comply with a condition of release imposed pursuant to this section, the court may, after providing the person with reasonable notice and an opportunity for a hearing:
(a) Deem such conduct a contempt pursuant to NRS 22.010; or
(b) Increase the amount of monetary bail pursuant to NRS 178.499, if applicable.

12. If a person fails to appear as ordered by the court and a jurisdiction incurs any costs in returning a person to the jurisdiction to stand trial, the person failing to appear is responsible for paying those costs as restitution.

13. An order issued pursuant to this section that imposes a condition on a person must include a provision ordering a law enforcement officer to arrest the person if the law enforcement officer has probable cause to believe that the person has violated a condition of release.

14. Nothing in this section shall be construed to authorize a person to be admitted to bail pursuant to a bail schedule.

Sec. 9. NRS 178.4853 is hereby amended to read as follows:
NRS 178.4853 In deciding whether there is good cause to release the custody status of a person, without bail, the court at a minimum shall consider the following factors concerning the person:
1. The length of residence in the community;
2. The status and history of employment;
3. Relationships with the person’s spouse and children, parents or other family members and with close friends;
4. Reputation, character and mental condition;
5. Prior criminal record, including, without limitation, any record of appearing or failing to appear after release on bail or without bail;
6. The identity of responsible members of the community who would vouch for the reliability of the person;
7. The nature of the offense with which the person is charged, the apparent probability of conviction and the likely sentence, insofar as these factors relate to the risk of not appearing;
8. The nature and seriousness of the danger to the alleged victim, any other person or the community that would be posed by the person’s release;
9. The likelihood of more criminal activity by the person after release; and
10. Any other factors concerning the person’s ties to the community or bearing on the risk that the person may willfully fail to appear.

Sec. 10. NRS 178.498 is hereby amended to read as follows:

178.498 If the defendant is admitted to bail, the bail must be set at an amount which in the judgment of the magistrate will reasonably determine that the imposition of conditions of release alone would not ensure the appearance of the defendant person at the times and places ordered by the court and protect the safety of other persons and of the community, having regard to:

In deciding the amount of bail to impose on a person, the court shall consider the following factors in determining the amount of bail to impose on the person:

1. The nature and circumstances of the offense charged;
2. The financial ability of the defendant person to give bail;
3. The character of the defendant; and
4. The factors listed in NRS 178.4853.

Sec. 11. NRS 178.502 is hereby amended to read as follows:

178.502 1. A person required or permitted to give bail shall execute a bond for the person’s appearance. 2. Any bond or undertaking for bail must provide that the bond or undertaking:
   (a) Extends to any action or proceeding in a justice court, municipal court or district court arising from the charge on which bail was first given in any of these courts; and
   (b) Remains in effect until exonerated by the court.

This subsection does not require that any bond or undertaking extend to proceedings on appeal.

3. If an action or proceeding against a defendant who has been admitted to bail is transferred to another trial court, the bond or undertaking must be transferred to the clerk of the court to which the action or proceeding has been transferred.
4. Except as otherwise provided in subsection 5, the court shall exonerate the bond or undertaking for bail if:
   (a) The action or proceeding against a defendant who has been admitted to bail is dismissed; or
   (b) No formal action or proceeding is instituted against a defendant who has been admitted to bail.

5. The court may delay exoneration of the bond or undertaking for bail for a period not to exceed 30 days if, at the time the action or proceeding against a defendant who has been admitted to bail is dismissed, the defendant:
   (a) Has been indicted or is charged with a public offense which is the same or substantially similar to the charge upon which bail was first given and which arises out of the same act or omission supporting the charge upon which bail was first given; or
   (b) Requests to remain admitted to bail in anticipation of being later indicted or charged with a public offense which is the same or substantially similar to the charge upon which bail was first given and which arises out of the same act or omission supporting the charge upon which bail was first given.

If the defendant has already been indicted or charged, or is later indicted or charged, with a public offense arising out of the same act or omission supporting the charge upon which bail was first given, the bail must be applied to the public offense for which the defendant has been indicted or charged or is later indicted or charged, and the bond or undertaking must be transferred to the clerk of the appropriate court. Within 10 days after its receipt, the clerk of the court to whom the bail is transferred shall mail or electronically transmit notice of the transfer to the surety on the bond and the bail agent who executed the bond.

6. Bail given originally on appeal must be deposited with the magistrate or the clerk of the court from which the appeal is taken.

Sec. 11.5. NRS 178.528 is hereby amended to read as follows:

1. Except as otherwise provided in subsection 2, when money has been deposited, if it remains on deposit at the time of a judgment for the payment of a fine, the court, or the clerk under the direction of the court, shall apply the money in satisfaction thereof, and after satisfying the fine and costs shall refund the surplus, if any, to the person who deposited the bail, unless that person has directed, in writing, that any surplus be refunded to another.

2. When money has been deposited by a pretrial release organization, any fines or costs attributable to the defendant may not be satisfied with funds deposited by the pretrial release organization and the full amount of the deposit must be refunded to the pretrial release organization.

3. As used in this section, “pretrial release organization” means an entity:
   (a) Recognized as exempt under section 501(c)(3) of the Internal Revenue Code; and
(b) Whose purpose includes, without limitation, posting bail for defendants who are indigent.

Sec. 12. NRS 484A.760 is hereby amended to read as follows:

Sec. 13. NRS 484D.680 is hereby amended to read as follows:

484D.680 1. Except as otherwise provided in subsection 5, a person convicted of a violation of any limitation of weight imposed by NRS 484D.615 to 484D.675, inclusive, shall be punished by a fine as specified in the following table:

Sections 4, 5 and 5.5 of this bill define certain terms for the purpose of the Act, including the term "minor currency," which means United States currency totaling $5,000 or less. Section 7 of this bill sets forth the Legislature's findings and declarations concerning the Act.

Section 8 of this bill provides that the Act: (1) governs the seizure, forfeiture and disposition of minor currency used in or derived from crimes relating to the transportation, sale or use trafficking of controlled substances, notwithstanding any other provision of law relating to the seizure, forfeiture and disposition of property attributable to certain crimes apply to such property or contraband. Sections 36, 37, 38, 40, 41, 42, 45, 46 and 46.5 of this bill make conforming changes relating to the applicability of the Act.

Section 9 of this bill provides that the court with jurisdiction over the underlying criminal proceedings has jurisdiction over any proceedings relating to the seizure, forfeiture and disposition of minor currency under the Act. Section 9 also requires the attorney appointed to represent the defendant in the criminal proceedings to also represent the defendant in proceedings relating to the seizure, forfeiture and disposition of minor currency under the Act.

Section 10 of this bill authorizes minor currency to be seized if the minor currency was used in or derived from an unlawful act relating to the transportation, sale or use trafficking of controlled substances. Section 10 establishes an exemption from seizure under the Act for money totaling $200 or less and motor vehicles valued at $2,000 or less, unless the office of a prosecuting attorney establishes higher dollar amounts for the seizure of money or motor vehicles. Section 11 of this bill: (1) authorizes a state or local law enforcement agency to seize contraband at any time without a court order if the contraband was seized incident to a lawful search; and (2) requires the State to seek a court order authorizing a state or local law enforcement agency to dispose of the contraband in accordance with state law at the time that the contraband is no longer needed as evidence in the criminal proceedings of the defendant.
Section 12 of this bill authorizes the State to file a verified application with the court for the seizure of real property or personal property by a state or local law enforcement agency. Section 12 authorizes the court to issue a preliminary order for the seizure of the property if the State proves by a preponderance of the clear and convincing evidence that the property is subject to forfeiture. Section 12 provides that the preliminary order: (1) may be granted without notice to the defendant or any party with an interest in the property; and (2) expires not later than 90 days after its issuance by the court. Finally, section 12 authorizes: (1) the State to file a verified application for an extension of the preliminary order; and (2) the court to grant the extension upon the provision of notice to the defendant and any person with an interest in the property and a hearing on the application.

Section 13 of this bill authorizes a state or local law enforcement agency to seize personal property without a court order if: (1) the seizure is incident to a lawful arrest or search; (2) the property is subject to a previous judgment of forfeiture in this State; or (3) the State has probable cause to believe that the property will be destroyed or removed during the time it would take the State to obtain a court order.

Section 14 of this bill requires the state or local law enforcement agency who seized the contraband, real property or personal property to give an itemized receipt to the person whose contraband or property was seized or to leave the itemized receipt at the place where the contraband or property was seized.

After real property or personal property is seized by a state or local law enforcement agency, section 15 of this bill requires the State to perform a reasonable search of public records and notify the defendant and other persons with an interest in the property that the property has been seized by a state or local law enforcement agency. The notice must include certain language relating to the right of the defendant and other persons with an interest in the seized property to a pretrial hearing on the seizure. Section 16 of this bill establishes provisions relating to such a pretrial hearing, including, those circumstances where a court is required to order the return of seized property to the defendant or another person with an interest in the property.

Legislative Counsel’s Digest:
Existing law requires the Department of Motor Vehicles (hereinafter “Department”), after receiving a record of a driver’s final conviction of certain offenses, to revoke the license, permit or privilege of the driver for a period of 185 days, 1 year or 3 years, depending on the offense committed. (NRS 483.460) Section 5 of this bill additionally requires the Department to make such a revocation for a period of either 3 or 5 years for offenses relating to driving without or tampering with an ignition interlock device.

Existing law establishes the circumstances in which the Department is authorized to issue a restricted driver’s license to a person whose license has been suspended or revoked, which enables the person to drive to and from certain places for certain purposes. (NRS 483.490) Existing law also requires a court to order certain persons to install for a certain period, depending on the offense committed, an ignition interlock device in any motor vehicle that the person operates as a condition to obtaining such a restricted license. (NRS
Section 28 of this bill requires a court to order certain persons to install an ignition interlock device for a period of 185 days, 1 year or 3 years, depending on the offense committed, which aligns such periods with the periods of the revocation of person’s license, permit or privilege to drive under section 5. Section 7 of this bill requires the Department to issue an ignition interlock privilege in lieu of a restricted driver’s license to such persons who have been ordered by the court to install an ignition interlock device after such persons provide proof of compliance with the order. Section 7 also provides that any person for whom a court has provided an exception relating to the installation of an ignition interlock device is eligible for a restricted driver’s license while participating in and complying with the requirements of the statewide sobriety and drug monitoring program. Section 14 of this bill requires a court to give day-for-day credit to certain persons who install an ignition interlock device before the court orders the installation if such persons provide proof satisfactory to the court that the ignition interlock device was installed.

Section 7 provides that a person who violates any condition of an ignition interlock privilege is guilty of a misdemeanor and shall be punished by: (1) imprisonment in jail for not less than 30 days or more than 6 months, or by serving a term of residential confinement for not less than 60 days or more than 6 months; and (2) a fine of not less than $500 and not more than $1,000. Section 6 of this bill additionally authorizes the Department to suspend the license of a driver without a preliminary hearing upon a sufficient showing that he or she failed to comply with the conditions of the issuance of an ignition interlock privilege.

Section 11 of this bill requires the Director of the Department of Public Safety to establish the Ignition Interlock Program and adopt rules and regulations that are necessary to carry out the Program. Section 11 also establishes the Account for the Ignition Interlock Program and requires the Director or his or her designee to administer the Account, which can only be used to pay the expenses of the Program and must be funded by fees charged by the Department of Public Safety relating to ignition interlock devices. Section 11 requires the Department of Public Safety to adopt regulations establishing reasonable fees for: (1) the certification, recertification and reinstatement of the certification of manufacturers and vendors of ignition interlock devices; (2) the installation of an ignition interlock device by such manufacturers and vendors; and (3) repeat violations relating to an ignition interlock device.

Existing law requires the Committee on Testing for Intoxication to adopt regulations concerning the certification of and other matters relating to ignition interlock devices, and to establish its own standards and procedures for evaluating the models of ignition interlock devices. Section 31 of this bill transfers such responsibility to the Department of Public Safety, and requires that such regulations provide for the certification of manufacturers and vendors of ignition interlock
devices to allow such manufacturers and vendors to conduct business in this State.

Existing law requires a police officer to seize the driver’s license or permit of a person who fails to submit to a preliminary breath test to determine the concentration of alcohol in his or her breath at the request of the police officer. (NRS 484C.150) Section 13 of this bill removes such a requirement.

Existing law requires that certain offenders be evaluated before being sentenced to determine whether the offender has an alcohol or other substance use disorder and can be successfully treated for the disorder, and requires the person conducting the evaluation to forward the results of the evaluation to the Director of the Department of Corrections. (NRS 484C.300) Section 17 of this bill provides that if the offender is assigned to any specialty court or diversionary program, the person conducting the evaluation is instead required to forward the results of the evaluation to the court having jurisdiction over the offender.

Existing law authorizes a person who is found guilty of a first or second violation within 7 years of driving under the influence of alcohol or a prohibited substance to apply to the court to undergo a program of treatment for an alcohol or other substance use disorder for at least 6 months or 1 year, respectively. The court is required to authorize the treatment if the offender satisfies certain requirements, including if the offender has served or will serve a term of imprisonment in jail of 1 day or 5 days, respectively. If the offender satisfactorily completes the treatment, his or her sentence will be reduced to a term of imprisonment that is no longer than the applicable 1-day or 5-day period. (NRS 484C.320, 484C.330) Sections 18 and 19 of this bill, respectively, instead provide that such a term of imprisonment must be not less than 1 day or 5 days, as applicable.

Existing law also authorizes a person who pleads guilty or nolo contendere to a third violation within 7 years of driving under the influence of alcohol or a prohibited substance to apply to the court to undergo a program of treatment for an alcohol or other substance use disorder for a period of at least 3 years. If the court grants the application for treatment, the court is required to advise the offender that the court may order him or her to be admitted to a residential treatment facility or be provided with outpatient treatment in the community. (NRS 484C.340) Section 20 of this bill removes such an option for outpatient treatment. Section 20 also requires that as a condition of participating in a program of treatment, the offender must be placed under a system of active electronic monitoring and pay, to the extent of his or her ability to pay, any costs associated with his or her participation under the system of active electronic monitoring. Section 20 provides that a person who intentionally removes or disables or attempts to remove or disable in an unlawful manner an electronic monitoring device placed on an offender is guilty of a gross misdemeanor.

Existing law enacts the Nevada 24/7 Sobriety and Drug Monitoring Program Act, which generally establishes a statewide sobriety and drug monitoring
program that provides for the frequent testing of persons assigned to the program to determine the presence of alcohol or a prohibited substance in their system. (NRS 484C.372-484C.397) A court is authorized to assign an offender to the program who is found guilty of a second or third violation within 7 years of driving under the influence of alcohol or a prohibited substance. (NRS 484C.394) Sections 23-26 and 45 of this bill make various changes to the program. Section 23 requires a participant in the program to be subject to: (1) testing to determine the presence of alcohol or a prohibited substance in his or her system at least twice each day or by using any other method approved under federal regulations; and (2) if appropriate, random testing to determine the presence of a prohibited substance in his or her system at least two times each week using any method approved under federal regulations. Section 23 also provides that any person who uses alcohol or a prohibited substance while assigned to the program or fails or refuses to undergo required testing must be subject to an immediate sanction unless the approved testing method used does not allow for the imposition of an immediate sanction, in which case the person must be subject to a timely sanction. Section 22.5 of this bill revises the definition of the term “timely sanction.” Section 23 additionally removes a provision allowing other testing methodologies to be used in cases of economic hardship or when a participant is rewarded with less stringent testing requirements. Section 45 repeals certain provisions that have been included in or are amended by section 23. Section 24 of this bill authorizes a person who was arrested or found guilty, as applicable, of a first, second or third violation within 7 years of driving under the influence of alcohol or a prohibited substance to be assigned to the program as a condition of pretrial release, a sentence, or suspension of sentence or probation. Section 24 requires a person who committed: (1) a first violation within 7 years of driving under the influence of alcohol or a controlled substance to participate in the program for not less than 90 days; and (2) a second or third violation within 7 years of driving under the influence of alcohol or a prohibited substance to participate in the program for not less than 1 year or 18 months, respectively, and receive an assessment of whether the person has an alcohol or other substance use disorder and any appropriate treatment. If any such repeat offender successfully completes the program, his or her sentence will be reduced, but the minimum mandatory term of imprisonment the person serves must not be less than 5 or 10 days, respectively. Section 26 of this bill specifies that if rewards are given to participants in the program who meet certain standards of compliance, such a reward cannot include undergoing less frequent testing than that which is required.

Existing law generally provides that a person who commits a first violation within 7 years of driving under the influence of alcohol or a prohibited substance must be sentenced to imprisonment for not less than 2 days and not more than 6 months in jail, and a person who commits a second violation
within 7 years of driving under the influence of alcohol or a prohibited substance must be sentenced to imprisonment in jail or residential confinement for not less than 10 days and not more than 6 months. (NRS 484C.400) **Section 27** of this bill authorizes a person who commits a first violation within 7 years of driving under the influence of alcohol or a prohibited substance to be sentenced to residential confinement in lieu of being sentenced to imprisonment in jail. **Section 27** also provides that a person who commits a third violation within 7 years of driving under the influence of alcohol or a prohibited substance may be ordered to attend a program of treatment for an alcohol or other substance use disorder if the person has been evaluated and the results of the evaluation indicate that the person has such a disorder and can be treated successfully for the condition.

Existing law authorizes a court to establish a program for the treatment of veterans and members of the military to which certain eligible defendants may be assigned. (NRS 176A.280) If the defendant was charged with a violation of certain provisions of law, including driving under the influence of alcohol or a prohibited substance, the court is authorized to conditionally dismiss the charges against the defendant upon his or her fulfillment of the terms and conditions of the program. (NRS 176A.290) Not sooner than 7 years after the charges are conditionally dismissed, the records relating to the case can be sealed by court order. (NRS 176A.295) **Section 37** of this bill additionally authorizes the court to set aside the judgment of conviction against such a defendant, if applicable, and provides that any judgment of conviction that is set aside is a conviction for certain purposes, including for the purpose of additional penalties imposed for second or subsequent convictions. **Section 38** of this bill authorizes the records relating to the case to be sealed by court order not sooner than 7 years after the judgment of conviction is set aside.

Existing law also authorizes a court to establish a program for the treatment of alcohol or other substance use disorders and a program for the treatment of mental illness or intellectual disabilities to which certain eligible defendants may be assigned. (NRS 176A.230, 176A.250) **Sections 33-36** of this bill establish provisions that mirror the provisions in **sections 37 and 38** and authorize: (1) a court to conditionally dismiss the charges or set aside the judgment of conviction against a defendant who was charged with a violation of certain provisions of law, including driving under the influence of alcohol or a prohibited substance, upon the defendant’s fulfillment of the terms and conditions of the respective program; and (2) the records relating to such a case to be sealed by court order not sooner than 7 years after the charges are conditionally dismissed or the judgment of conviction is set aside. **Sections 33 and 35** of this bill also specify that any charge that is conditionally dismissed or judgment of conviction that is set aside is a conviction for the purpose of additional penalties imposed for second or subsequent convictions. **Section 39** of this bill provides that the provisions of law which prohibit a person who was convicted of a violation of driving under the influence of alcohol or a prohibited substance that is punishable as a felony from being able
to petition the court to seal the records relating to such a conviction must not be construed to preclude certain persons from petitioning the court for the sealing of records.

7. As used in this section, “device” has the meaning ascribed to it in NRS 484C.450.

Sec. 6. NRS 483.470 is hereby amended to read as follows:

483.470 1. The Department may suspend the license of a driver without preliminary hearing upon a showing by its records or other sufficient evidence that the licensee:
   (a) Has committed an offense for which mandatory revocation of license is required upon conviction;
   (b) Has been involved as a driver in any crash resulting in the death or personal injury of another or serious property damage;
   (c) Is physically or mentally incompetent to drive a motor vehicle;

2. Upon suspending the license of any person as authorized in this section, the Department shall immediately notify the person in writing, and upon his or her request shall afford the person an opportunity for a hearing as early as practical within 20 days after receipt of the request in the county wherein the person resides unless the person and the Department agree that the hearing may be held in some other county. The Administrator, or an authorized agent thereof, may issue subpoenas for the attendance of witnesses and the production of relevant books and papers, and may require a reexamination of the licensee in connection with the hearing. Upon the hearing, the Department
shall either rescind its order of suspension or, for good cause, extend the suspension of the license or revoke it.

Sec. 7. NRS 483.490 is hereby amended to read as follows:

483.490  1. Except as otherwise provided in this section, after a driver’s license has been suspended or revoked for an offense other than a violation of NRS 484C.110, and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension or revocation prohibits the issuance of a restricted license, issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:

(a) To and from work or in the course of his or her work, or both; or
(b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself, herself or a member of his or her immediate family.

Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if the applicant is issued a restricted license.

2. A person who is required to install a device in a motor vehicle pursuant to NRS 484C.210 or 484C.460:

   (a) Shall install the device not later than 14 days after the date on which the order was issued; and
   (b) May not receive a restricted license pursuant to this section until:

   (1) After at least 1 year of the period during which the person is not eligible for a license, if the person was convicted of:

   (I) A violation of NRS 484C.430 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484C.110, 484C.130 or 484C.430; or

   (II) A violation of NRS 484C.110 that is punishable as a felony pursuant to NRS 484C.410 or 484C.420; or

   (2) After at least 180 days of the period during which the person is not eligible for a license, if the person was convicted of a violation of subsection 9 of NRS 484B.653.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484C.460 or following an order of revocation issued pursuant to NRS 484C.220, the Department shall not issue a restricted driver’s license to such a person pursuant to this section unless the applicant has submitted proof of compliance with the order and subsection 2.

4. If the driver’s license of a person assigned to a program established pursuant to NRS 484C.392 is suspended or revoked, the Department may, after verifying the proof of compliance submitted pursuant to subsection 3, if applicable, issue a restricted driver’s license to such an applicant that is valid while he or she is participating in and complying with the
requirements of the program and that permits the applicant to drive a motor vehicle:
(a) To and from a testing location established by a designated law enforcement agency pursuant to NRS 484C.393;
(b) If applicable, to and from work or in the course of his or her work, or both;
(c) To and from court appearances;
(d) To and from counseling; or
(e) To receive regularly scheduled medical care for himself or herself.
§ 3. Except as otherwise provided in NRS 62E.630, after a driver’s license has been revoked or suspended pursuant to title 5 of NRS or NRS 392.148, the Department may issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
(a) If applicable, to and from work or in the course of his or her work, or both; or
(b) If applicable, to and from school.
§ 4. After a driver’s license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
(a) If applicable, to and from work or in the course of his or her work, or both;
(b) To receive regularly scheduled medical care for himself, herself or a member of his or her immediate family; or
(c) If applicable, as necessary to exercise a court-ordered right to visit a child.
§ 5. A driver who violates a condition of a restricted license issued pursuant to subsection 1 or by another jurisdiction is guilty of a misdemeanor and, if the license of the driver was suspended or revoked for:
(a) A violation of NRS 484C.110, 484C.210 or 484C.430;
(b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484C.110, 484C.130 or 484C.430; or
(c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b), the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.
§ 6. The periods of suspensions and revocations required pursuant to this chapter and NRS 484C.210 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.
§ 7. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.
8. Any person for whom a court provides an exception relating to the installation of an ignition interlock device pursuant to subsection 4 of NRS 484C.210 or subsection 2 of NRS 484C.460 is eligible for a restricted driver’s license under this section while the person is participating in and complying with the requirements of a program established pursuant to NRS 484C.392.

9. If the Department receives a copy of an order requiring a person to install an ignition interlock device in a motor vehicle pursuant to NRS 484C.460, the Department shall issue an ignition interlock privilege to the person after he or she submits proof of compliance with the order. A person who is required to install an ignition interlock device pursuant to NRS 484C.210 or 484C.460 shall install the device not later than 14 days after the date on which the order was issued. A driver who violates any condition of an ignition interlock privilege issued pursuant to this subsection is guilty of a misdemeanor and shall be punished in the same manner provided in subsection 2 of NRS 483.560 for driving a vehicle while a driver’s license is cancelled, revoked or suspended.

Sec. 8. Chapter 484C of NRS is hereby amended by adding thereto the provisions set forth as sections 9, 10 and 11 of this act.

Sec. 9. “Ignition interlock device” means a mechanism that:
1. Tests a person’s breath to determine the concentration of alcohol in his or her breath; and
2. If the results of the test indicate that the person has a concentration of alcohol of 0.02 or more in his or her breath, prevents the motor vehicle in which it is installed from starting.

Sec. 10. “Ignition interlock privilege” means a license issued by the Department which authorizes the holder to operate a motor vehicle that has an ignition interlock device installed.

Sec. 11. 1. The Director of the Department of Public Safety shall:
(a) Establish the Ignition Interlock Program; and
(b) Adopt rules and regulations which are necessary to carry out the Program.

2. The Director may contract for the provision of services necessary for the Program.

3. The Account for the Ignition Interlock Program is hereby created as a special account in the State Highway Fund. The Director, or his or her designee, shall administer the Account.

4. The Account must be funded through the fees established by regulation pursuant to subsection 7. The money in the Account may only be used to pay the expenses of the Program, including, without limitation:
(a) Enforcement activities relating to driving under the influence of alcohol or a prohibited substance;
(b) The creation and maintenance of a case management statistical tracking system;
(c) An on-site audit program;
(d) Treatment assistance;
(e) Educational programs and training for law enforcement officers; and
(f) Outreach programs.

5. The interest and income earned on the money in the Account, after deducting any applicable charges, must be credited to the Account.

6. Any money remaining in the Account at the end of each fiscal year does not revert to the State Highway Fund but must be carried over into the next fiscal year.

7. The Department of Public Safety shall adopt regulations to establish a fee schedule that includes reasonable fees for:
   (a) The certification of [a vendor] manufacturers and vendors of ignition interlock devices;
   (b) The annual recertification of [a vendor] manufacturers and vendors of ignition interlock devices;
   (c) The reinstatement of the certification of [a vendor] manufacturers and vendors of ignition interlock devices;
   (d) The installation of an ignition interlock device by [a vendor] manufacturers and vendors of ignition interlock devices; and
   (e) Repeat violations relating to an ignition interlock device.

Sec. 12. NRS 484C.010 is hereby amended to read as follows:

484C.010 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 484C.020 to 484C.105, inclusive, and sections 9 and 10 of this act have the meanings ascribed to them in those sections.

Sec. 13. NRS 484C.150 is hereby amended to read as follows:

484C.150 1. Any person who drives or is in actual physical control of a vehicle on a highway or on premises to which the public has access shall be deemed to have given his or her consent to a preliminary test of his or her breath to determine the concentration of alcohol in his or her breath when the test is administered at the request of a police officer at the scene of a vehicle crash or where the police officer stops a vehicle, if the officer has reasonable grounds to believe that the person to be tested was:
   (a) Driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance; or
   (b) Engaging in any other conduct prohibited by NRS 484C.110, 484C.120, 484C.130 or 484C.430.

2. If the person fails to submit to the test, the officer shall:
   (a) Seize the license or permit of the person to drive as provided in NRS 484C.220; and
   (b) If reasonable grounds otherwise exist, arrest the person and take him or her to a convenient place for the administration of a reasonably available evidentiary test under NRS 484C.160.

3. The result of the preliminary test must not be used in any criminal action, except to show there were reasonable grounds to make an arrest.
Sec. 14. NRS 484C.210 is hereby amended to read as follows:

484C.210 1. If a person fails to submit to an evidentiary test as requested by a police officer pursuant to NRS 484C.160, the license, permit or privilege to drive of the person must be revoked as provided in NRS 484C.220, and the person is not eligible for a license, permit or privilege to drive for a period of:
(a) One year; or
(b) Three years, if the license, permit or privilege to drive of the person has been revoked during the immediately preceding 7 years for failure to submit to an evidentiary test.

2. If the result of a test given under NRS 484C.150 or 484C.160 shows that a person had a concentration of alcohol of 0.08 or more in his or her blood or breath or a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 678C.080, at the time of the test, the license, permit or privilege of the person to drive must be revoked as provided in NRS 484C.220 and the person is not eligible for a license, permit or privilege for a period of 185 days.

3. Except as otherwise provided in subsection 1, at any time while a person is not eligible for a license, permit or privilege to drive following a revocation under subsection 1 or 2, which was based on the person having a concentration of alcohol of 0.08 or more in his or her blood or breath, the person shall install, at his or her own expense, an ignition interlock device in any motor vehicle which the person operates as a condition to obtaining a restricted license pursuant to NRS 483.490.

4. The Department may provide for an exception to the requirements of subsection 3 and issue a restricted license pursuant to subsection 1 of NRS 483.490 if the Department determines that the person is not a repeat intoxicated driver, as that term is defined in 23 C.F.R. § 1275.3(k) and:
(a) The person is unable to provide a deep lung breath sample for analysis by an ignition interlock device, as certified in writing by a physician or an advanced practice registered nurse of the person; or
(b) The person resides more than 100 miles from a manufacturer of an ignition interlock device or its agent.

5. If a revocation of a person’s license, permit or privilege to drive under NRS 62E.640 or 483.460 follows a revocation under subsection 2 which was based on the person having a concentration of alcohol of 0.08 or more in his or her blood or breath, the Department shall cancel the revocation under that subsection and give the person credit for any period during which the person was not eligible for a license, permit or privilege.

6. If an order to install an ignition interlock device pursuant to NRS 62E.640 or 483.460 follows the installation of an ignition interlock device pursuant to subsection 3, the court may give the person day-for-day credit for any period during which the person can provide proof satisfactory to the court that he or she had an ignition interlock device
installed as a condition to obtaining a restricted license.

7. Periods of ineligibility for a license, permit or privilege to drive which are imposed pursuant to this section must run consecutively.

Sec. 15. NRS 484C.220 is hereby amended to read as follows:

484C.220 1. As agent for the Department, the officer who requested that a test be given pursuant to NRS 484C.150 or 484C.160 or who obtained the result of a test given pursuant to NRS 484C.150 or 484C.160 shall immediately serve an order of revocation of the license, permit or privilege to drive on a person who failed to submit to a test requested by the police officer pursuant to NRS 484C.150 or 484C.160 or who has a concentration of alcohol of 0.08 or more in his or her blood or breath or has a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 678C.080, if that person is present, and shall seize the license or permit to drive of the person. The officer shall then, unless the information is expressly set forth in the order of revocation, advise the person of his or her right to administrative and judicial review of the revocation pursuant to NRS 484C.230 and, except as otherwise provided in this subsection, that the person has a right to request a temporary license. The officer shall also, unless the information is expressly set forth in the order of revocation, advise the person that he or she is required to install an ignition interlock device pursuant to NRS 484C.210. If the person currently is driving with a temporary license that was issued pursuant to this section or NRS 484C.230, the person is not entitled to request an additional temporary license pursuant to this section or NRS 484C.230, and the order of revocation issued by the officer must revoke the temporary license that was previously issued. If the person is entitled to request a temporary license, the officer shall issue the person a temporary license on a form approved by the Department if the person requests one, which is effective for only 7 days including the date of issuance. The officer shall immediately transmit the person’s license or permit to the Department along with the written certificate required by subsection 2.

2. When a police officer has served an order of revocation of a driver’s license, permit or privilege on a person pursuant to subsection 1, or later receives the result of an evidentiary test which indicates that a person, not then present, had a concentration of alcohol of 0.08 or more in his or her blood or breath or had a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 678C.080, the officer shall immediately prepare and transmit to the Department, together with the seized license or permit and a copy of the result of the test, if any, a written certificate that the officer had...
reasonable grounds to believe that the person had been driving or in actual physical control of a vehicle:

(a) With a concentration of alcohol of 0.08 or more in his or her blood or breath or with a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 678C.080, as determined by a chemical test; or
(b) While under the influence of intoxicating liquor or a controlled substance or with a prohibited substance in his or her blood or urine and the person refused to submit to a required evidentiary test.

The certificate must also indicate whether the officer served an order of revocation on the person and whether the officer issued the person a temporary license.

3. The Department, upon receipt of such a certificate for which an order of revocation has not been served, after examining the certificate and copy of the result of the chemical test, if any, and finding that revocation is proper, shall issue an order revoking the person’s license, permit or privilege to drive by mailing the order to the person at the person’s last known address. The order must indicate the grounds for the revocation and the period during which the person is not eligible for a license, permit or privilege to drive and state that the person has a right to administrative and judicial review of the revocation and to have a temporary license. The order must also indicate whether the person is required to install an ignition interlock device pursuant to NRS 484C.210. The order of revocation becomes effective 5 days after mailing.

4. Notice of an order of revocation and notice of the affirmation of a prior order of revocation or the cancellation of a temporary license provided in NRS 484C.230 is sufficient if it is mailed to the person’s last known address as shown by any application for a license. The date of mailing may be proved by the certificate of any officer or employee of the Department, specifying the time of mailing the notice. The notice is presumed to have been received upon the expiration of 5 days after it is deposited, postage prepaid, in the United States mail.

Sec. 16. NRS 484C.230 is hereby amended to read as follows:

484C.230 1. At any time while a person is not eligible for a license, permit or privilege to drive following an order of revocation issued pursuant to NRS 484C.220, the person may request in writing a hearing by the Department to review the order of revocation, but the person is only entitled to one hearing. The hearing must be conducted as soon as is practicable at any location, if the hearing officer permits each party and witness to attend the hearing by telephone, videoconference or other electronic means. The Director or agent of the Director may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a
reexamination of the requester. Unless the person is ineligible for a temporary license pursuant to NRS 484C.220, the Department shall issue an additional temporary license for a period which is sufficient to complete the administrative review. A person who is issued a temporary license is not subject to and is exempt during the period of the administrative review from the requirement to install an ignition interlock device pursuant to NRS 484C.210.

2. The scope of the hearing must be limited to the issue of whether the person:
   (a) Failed to submit to a required test provided for in NRS 484C.150 or 484C.160; or
   (b) At the time of the test, had a concentration of alcohol of 0.08 or more in his or her blood or breath or a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 678C.080.
   Upon an affirmative finding on either issue, the Department shall affirm the order of revocation. Otherwise, the order of revocation must be rescinded.

3. If, after the hearing, the order of revocation is affirmed, the person whose license, permit or privilege to drive has been revoked shall, if not previously installed, install an ignition interlock device pursuant to NRS 484C.210.

4. If, after the hearing, the order of revocation is affirmed, the person whose license, privilege or permit has been revoked is entitled to a review of the same issues in district court in the same manner as provided by chapter 233B of NRS. The court shall notify the Department upon the issuance of a stay, and the Department shall issue an additional temporary license for a period which is sufficient to complete the review. A person who is issued a temporary license is not subject to and is exempt during the period of the judicial review from the requirement to install an ignition interlock device pursuant to NRS 484C.210.

5. If a hearing officer grants a continuance of a hearing at the request of the person whose license was revoked, or a court does so after issuing a stay of the revocation, the officer or court shall notify the Department, and the Department shall cancel the temporary license and notify the holder by mailing the order of cancellation to the person’s last known address.

6. As used in this section, “device” has the meaning ascribed to it in NRS 484C.450.

Sec. 17. NRS 484C.300 is hereby amended to read as follows:

484C.300 1. Before sentencing an offender for a violation of NRS 484C.110 or 484C.120 that is punishable as a felony pursuant to NRS 484C.400 or 484C.410, other than an offender who has been evaluated pursuant to NRS 484C.340, or a violation of NRS 484C.130 or 484C.430, the court shall require that the offender be evaluated to determine whether the
offender has an alcohol or other substance use disorder and whether the offender can be treated successfully for the condition.

2. The evaluation must be conducted by:
   (a) An alcohol and drug counselor who is licensed or certified, or a clinical alcohol and drug counselor who is licensed, pursuant to chapter 641C of NRS, to make such an evaluation;
   (b) A physician who is certified to make such an evaluation by the Board of Medical Examiners;
   (c) An advanced practice registered nurse who is certified to make such an evaluation by the State Board of Nursing; or
   (d) A psychologist who is certified to make such an evaluation by the Board of Psychological Examiners.

3. The alcohol and drug counselor, clinical alcohol and drug counselor, physician, advanced practice registered nurse or psychologist who conducts the evaluation shall immediately forward the results of the evaluation to the Director of the Department of Corrections or, if the offender is assigned to any specialty court or diversionary program, to the court having jurisdiction over the offender.

Sec. 18. NRS 484C.320 is hereby amended to read as follows:

484C.320 1. An offender who is found guilty of a violation of NRS 484C.110 or 484C.120 that is punishable pursuant to paragraph (a) of subsection 1 of NRS 484C.400, other than an offender who is found to have a concentration of alcohol of 0.18 or more in his or her blood or breath, may, at that time or any time before the offender is sentenced, apply to the court to undergo a program of treatment for an alcohol or other substance use disorder for at least 6 months. The court shall authorize that treatment if:
   (a) The offender is diagnosed as a person with an alcohol or other substance use disorder by:
       (1) An alcohol and drug counselor who is licensed or certified, or a clinical alcohol and drug counselor who is licensed, pursuant to chapter 641C of NRS, to make that diagnosis;
       (2) A physician who is certified to make that diagnosis by the Board of Medical Examiners; or
       (3) An advanced practice registered nurse who is certified to make that diagnosis by the State Board of Nursing;
   (b) The offender agrees to pay the cost of the treatment to the extent of his or her financial resources; and
   (c) The offender has served or will serve a term of imprisonment in jail of not less than 1 day, or has performed or will perform 24 hours of community service.

2. A prosecuting attorney may, within 10 days after receiving notice of an application for treatment pursuant to this section, request a hearing on the question of whether the offender is eligible to undergo a program of treatment for an alcohol or other substance use disorder. The court shall order a hearing on the application upon the request of the prosecuting attorney or may order a
hearing on its own motion. The hearing must be limited to the question of whether the offender is eligible to undergo such a program of treatment.

3. At the hearing on the application for treatment, the prosecuting attorney may present the court with any relevant evidence on the matter. If a hearing is not held, the court shall decide the matter upon affidavits and other information before the court.

4. If the court grants an application for treatment, the court shall:
   (a) Immediately sentence the offender and enter judgment accordingly.
   (b) Suspend the sentence of the offender for not more than 3 years upon the condition that the offender be accepted for treatment by a treatment provider that is approved by the court, that the offender complete the treatment satisfactorily and that the offender comply with any other condition ordered by the court. If the court has a specialty court program for the supervision and monitoring of the person, the treatment provider must comply with the requirements of the specialty court, including, without limitation, any requirement to submit progress reports to the specialty court.
   (c) Advise the offender that:
      (1) He or she may be placed under the supervision of a treatment provider for a period not to exceed 3 years.
      (2) The court may order the offender to be admitted to a residential treatment facility or to be provided with outpatient treatment in the community.
      (3) If the offender fails to complete the program of treatment satisfactorily, the offender shall serve the sentence imposed by the court. Any sentence of imprisonment must be reduced by a time equal to that which the offender served before beginning treatment.
      (4) If the offender completes the treatment satisfactorily, the offender’s sentence will be reduced to a term of imprisonment which is not less than that provided for the offense in paragraph (c) of subsection 1 day and a fine of not more than the minimum fine provided for the offense in NRS 484C.400, but the conviction must remain on the record of criminal history of the offender for the period prescribed by law.

5. The court shall administer the program of treatment pursuant to the procedures provided in NRS 176A.230 to 176A.245, inclusive, except that the court:
   (a) Shall not defer the sentence, set aside the conviction or impose conditions upon the election of treatment except as otherwise provided in this section.
   (b) May immediately revoke the suspension of sentence for a violation of any condition of the suspension.

6. The court shall notify the Department, on a form approved by the Department, upon granting the application of the offender for treatment and his or her failure to be accepted for or complete treatment.
Sec. 19. NRS 484C.330 is hereby amended to read as follows:

3. At the hearing on the application for treatment, the prosecuting attorney may present the court with any relevant evidence on the matter. If a hearing is not held, the court shall decide the matter upon affidavits and other information before the court.

4. If the court grants an application for treatment, the court shall:

(a) Immediately sentence the offender and enter judgment accordingly.

(b) Suspend the sentence of the offender for not more than 3 years upon the condition that the offender be accepted for treatment by a treatment provider that is approved by the court, that the offender complete the treatment satisfactorily and that the offender comply with any other condition ordered by the court. If the court has a specialty court program for the supervision and monitoring of the person, the treatment provider must comply with the requirements of the specialty court, including, without limitation, any requirement to submit progress reports to the specialty court.

(c) Advise the offender that:

(1) He or she may be placed under the supervision of the treatment provider for a period not to exceed 3 years.

(3) If the offender fails to complete the program of treatment satisfactorily, the offender shall serve the sentence imposed by the court. Any sentence of imprisonment must be reduced by a time equal to that which the offender served before beginning treatment.

(4) If the offender completes the treatment satisfactorily, the offender’s sentence will be reduced to a term of imprisonment which is not less than 5 days and a fine of not more than the minimum provided for the offense in NRS 484C.400, but the conviction must remain on the record of criminal history of the offender for the period prescribed by law.

5. The court shall administer the program of treatment pursuant to the procedures provided in NRS 176A.230 to 176A.245, inclusive, except that the court:
   (a) Shall not defer the sentence, set aside the conviction or impose conditions upon the election of treatment except as otherwise provided in this section.
   (b) May immediately revoke the suspension of sentence for a violation of a condition of the suspension.

6. The court shall notify the Department, on a form approved by the Department, upon granting the application of the offender for treatment and his or her failure to be accepted for or complete treatment.

Sec. 20. NRS 484C.340 is hereby amended to read as follows:

The court may authorize that treatment if:
   (a) The offender is diagnosed as a person with an alcohol or other substance use disorder by:

2. A prosecuting attorney may, within 10 days after receiving notice of an application for treatment pursuant to this section, request a hearing on the matter. The court shall order a hearing on the application upon the request of the prosecuting attorney or may order a hearing on its own motion.

3. At the hearing on the application for treatment, the prosecuting attorney may present the court with any relevant evidence on the matter. If a hearing is not held, the court shall decide the matter and other information before the court.

If the court has a specialty court program for the supervision and monitoring of the person, the treatment provider must comply with the requirements of the specialty court, including, without limitation, any requirement to submit progress reports to the specialty court.
   (c) Advise the offender that:
      (1) He or she may be placed under the supervision of a treatment provider for not more than 5 years.

      (3) The court will enter a judgment of conviction for a violation of paragraph (c) of subsection 1 of NRS 484C.400 if a treatment provider fails to accept the offender for a program of treatment for an alcohol or other substance use disorder or if the offender fails to complete the program of treatment satisfactorily. Any sentence of imprisonment may be reduced by a time equal to that which the offender served before beginning treatment.

   (a) Without entering a judgment of conviction and with the consent of the defendant, suspend or defer further proceedings and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.230 if the court determines that the defendant is eligible for participation in such a program; or
   (b) Enter a judgment of conviction and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.230 if the court determines that the defendant is eligible for participation in such a program.

2. Except as otherwise provided in subsection 4, a defendant is eligible for participation in a program established pursuant to NRS 176A.230 if the defendant is diagnosed as having a substance use disorder or any co-occurring disorder:
   (a) After an in-person clinical assessment by:
      (1) A counselor who is licensed or certified to make such a diagnosis; or
      (2) A duly licensed physician qualified by the Board of Medical Examiners to make such a diagnosis; or
   (b) Pursuant to a substance use assessment.
3. A counselor or physician who diagnoses a defendant as having a substance use disorder shall submit a report and recommendation to the court concerning the length and type of treatment required for the defendant.

4. If the offense committed by the defendant is a category A felony or a sexual offense as defined in NRS 179D.097 that is punishable as a category B felony, the defendant is not eligible for assignment to the program.

5. Upon violation of a term or condition:
   (a) The court may enter a judgment of conviction, if applicable, and proceed as provided in the section pursuant to which the defendant was charged.
   (b) Notwithstanding the provisions of paragraph (e) of subsection 2 of NRS 193.130, the court may order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison.

6. Upon fulfillment of the terms and conditions, the court:
   (a) Shall discharge the defendant and dismiss the proceedings or set aside the judgment of conviction, as applicable, unless the defendant:

      (1) Has been previously convicted in this State or in any other jurisdiction of a felony; or

7. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. If a court conditionally dismisses the charges or sets aside the judgment of conviction, the court shall notify the defendant that any conditionally dismissed charge or judgment of conviction that is set aside is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail in a future case, but is not a conviction for purposes of employment, civil rights or any statute or
regulation or license or questionnaire or for any other public or private purpose. Conditional dismissal or having a judgment of conviction set aside restores the defendant, in the contemplation of the law, to the status occupied before the arrest, complaint, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, complaint, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

The justice court, municipal court or district court, as applicable, shall order those records sealed without a hearing unless the Division petitions the court, for good cause shown, not to seal the records and requests a hearing thereon.

(a) Without entering a judgment of conviction and with the consent of the defendant, suspend or defer further proceedings and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.250 if the court determines that the defendant is eligible for participation in such a program; or

3. A counselor or physician who diagnoses a defendant as having a mental illness or intellectual disability shall submit a report and recommendation to the court concerning the length and type of treatment required for the defendant within the maximum probation terms applicable to the offense for which the defendant is convicted.

4. If the offense committed by the defendant is a category A felony or a sexual offense as defined in NRS 179D.097 that is punishable as a category B felony, the defendant is not eligible for assignment to the program.

5. Upon violation of a term or condition:

(a) The court may enter a judgment of conviction, if applicable, and proceed as provided in the section pursuant to which the defendant was charged.

(b) Notwithstanding the provisions of paragraph (e) of subsection 2 of NRS 193.130, the court may order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison.

6. Upon fulfillment of the terms and conditions, the court:

(a) Shall discharge the defendant and dismiss the proceedings or set aside the judgment of conviction, as applicable, unless the defendant:
   (1) Has been previously convicted in this State or in any other jurisdiction of a felony; or
   (2) Has previously failed to complete a specialty court program; or

7. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

8. If the defendant was charged with a violation of NRS 200.485, 484C.110 or 484C.120, upon fulfillment of the terms and conditions, the district court, justice court or municipal court, as applicable, may conditionally dismiss the charges or set aside the judgment of conviction, as applicable. If a court conditionally dismisses the charges or sets aside the judgment of conviction, the court shall notify the defendant that any conditionally dismissed charge or judgment of conviction that is set aside is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail in a future case, but is not a conviction for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose. Conditional dismissal or having a judgment of conviction set aside restores the defendant, in the contemplation of the law, to the status occupied before the arrest, complaint, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, complaint, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

2. If the defendant is charged with a violation of NRS 200.485, 484C.110 or 484C.120 and the charges are conditionally dismissed or the judgment of conviction is set aside as provided in NRS 176A.260, not sooner than 7 years after the charges are conditionally dismissed or the judgment of conviction is set aside and upon the filing of a petition by the defendant, the justice court, municipal court or district court, as applicable, shall order that all

(1) Must be in accordance with any applicable guidelines for sanctions established by the National Association of Drug Court Professionals or any successor organization; and

(2) May include, without limitation, imprisonment in a county or city jail or detention facility for a term set by the court, which must not exceed 25 days.

Assemblyman Yeager moved the adoption of the amendment. Amendment adopted. Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 429. Bill read second time. The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 380. AN ACT relating to motor vehicles; establishing provisions governing the licensing and operation of a peer-to-peer car sharing program; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 20 of this bill requires a person to obtain a license from the Department of Motor Vehicles before operating a peer-to-peer car sharing program in this State and establishes provisions governing the issuance and renewal of such a license. Section 21 of this bill establishes the grounds upon which the Department may refuse to issue or suspend or revoke a license. Sections 22 and 23 of the bill establish procedures to review a decision of the Department to refuse to issue or suspend or revoke a license. Section 24 of this bill provides for the filing of a bond or, alternatively, a deposit by a licensee. Sections 3-11 of this bill define terms relating to peer-to-peer car sharing programs.
Section 12 of this bill requires the Director of the Department to adopt regulations to carry out the provisions of law relating to peer-to-peer car sharing programs.

Section 13 of this bill provides that a peer-to-peer car sharing program assumes liability for certain damages on behalf of a shared vehicle owner. Section 13 also requires a peer-to-peer car sharing program to ensure that, during each car sharing period, the shared vehicle owner and the shared vehicle driver are insured under a motor vehicle liability insurance policy meeting certain requirements. If the insurance policy used to satisfy these requirements has lapsed or does not meet the requirements, the peer-to-peer car sharing program assumes liability for damages up to the required level of coverage.

Section 15 of this bill authorizes an authorized insurer to exclude from coverage claims afforded under a shared vehicle owner’s motor vehicle liability insurance policy.

Sections 14 and 25 of this bill require a peer-to-peer car sharing program to make certain disclosures to shared vehicle owners and shared vehicle drivers.

Section 16 of this bill requires a peer-to-peer car sharing program to maintain certain records.

Existing federal law provides that a vehicle owner who rents or leases the vehicle is not vicariously liable for harm to persons or property that results or arises out of the use, operation or possession of the vehicle during the period of the rental or lease under certain circumstances. (49 U.S.C. § 30106) Section 17 of this bill provides that the provisions of sections 2-29 of this bill are not be construed to impose liability which is inconsistent with this federal law.

Section 18 of this bill authorizes an insurer who defends or indemnifies certain claims to seek recovery from the motor vehicle insurer of the peer-to-peer car sharing program under certain circumstances.

Section 19 of this bill provides that a peer-to-peer car sharing program has an insurable interest in the shared vehicle during the car sharing period and may own and maintain certain types of motor vehicle liability insurance.

Section 26 of this bill prohibits a peer-to-peer car sharing program from entering into a car sharing program agreement with a person who does not possess a valid driver’s license.

Section 27 of this bill establishes liability for the loss of or damage to equipment placed in or on a shared vehicle.

Section 28 of this bill establishes provisions relating to safety recalls on shared vehicles.

Section 29 of this bill prohibits a local governmental entity from imposing additional taxes, fees or licensing requirements on a peer-to-peer car sharing program, shared vehicle owner, shared vehicle driver or shared vehicle, other than those which are applicable, in general, to all businesses.

Existing law prohibits a person from engaging in the activities of a short-term lessor unless such person has obtained a license to do so. (NRS 482.300) Section 31 of this bill provides that a peer-to-peer car sharing program and a vehicle owner who makes a vehicle available through such a program are not
engaged in the activities of a short-term lessor. Section 30 of this bill provides that the sharing of a vehicle through a peer-to-peer car sharing program is not a lease for certain purposes.

   (b) Any insurance policy used to satisfy the requirements of paragraph (a):
      (1) Expressly recognizes that the shared vehicle insured under the policy is made available and used through a peer-to-peer car sharing program;
      (2) Does not prohibit or exclude the use of the shared vehicle by a shared vehicle driver.

5. The insurance policy used to satisfy the requirements of subsection 4 may be a policy maintained by:
   (a) The shared vehicle owner;
   (b) The shared vehicle driver;
   (c) The peer-to-peer car sharing program; or
   (d) The shared vehicle owner, shared vehicle driver and peer-to-peer car sharing program.

6. The insurance policy used to satisfy the requirements of subsection 4 provides primary insurance during each car sharing period. If, during the car sharing period, a claim arises in another state with minimum financial responsibility requirements that are higher than the amounts set forth in paragraph (a) of subsection 4, the insurance policy used to satisfy the requirements of subsection 4 must satisfy the difference in minimum coverage amounts, up to the applicable policy limits.

7. The insurer providing the insurance used to satisfy the requirements of subsection 4 shall assume primary liability for a claim when:
(a) A dispute exists as to who was in control of the shared vehicle at the time of the occurrence out of which liability arose and the peer-to-peer car sharing program does not have available, did not retain or fails to provide the information required by section 16 of this act; or
(b) A dispute exists as to whether the shared vehicle was returned to an alternatively agreed upon location.

8. If the insurance used to satisfy the requirements of subsection 4 has lapsed or does not provide the coverage required pursuant to subsection 4, the peer-to-peer car sharing program:
(a) Shall assume liability for damages up to the amounts set forth in subsection 1, which may be satisfied through the peer-to-peer car sharing program's own insurance policy, beginning with the first dollar of any claim; and
(b) Is responsible for defending against any such claim, except in the situation where the shared vehicle owner acts in concert with a shared vehicle driver who fails to return the shared vehicle pursuant to the terms of the car sharing program agreement.

9. Coverage under a motor vehicle liability insurance policy maintained by a peer-to-peer car sharing program must not be dependent on another insurer first denying a claim or require another motor vehicle liability insurance policy to first deny a claim.

10. Nothing in this chapter shall be construed to:
(a) Limit the liability of a peer-to-peer car sharing program for any act or omission of the peer-to-peer car sharing program that results in injury to any person as a result of the use of a shared vehicle through the peer-to-peer car sharing program; or
(b) Limit the ability of a peer-to-peer car sharing program to, by contract, seek indemnification from the shared vehicle owner or shared vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the terms and conditions of the car sharing program agreement.

11. As used in this section, “alternatively agreed upon location” means a location alternatively agreed upon by the shared vehicle owner and shared vehicle driver as communicated through a peer-to-peer car sharing program for the return of the shared vehicle.

Sec. 14. At the time when the owner of a motor vehicle registers as a shared vehicle owner through a peer-to-peer car sharing program and before the shared vehicle owner is permitted to make his or her vehicle available for car sharing through a peer-to-peer car sharing program, the peer-to-peer car sharing program shall notify the shared vehicle owner that, if the shared vehicle has a lien against it, the use of the shared vehicle through a peer-to-peer car sharing program, including, without limitation, use without insurance coverage for physical damage, may violate the terms of the contract with the lienholder.
Sec. 15. 1. An authorized insurer that writes motor vehicle liability insurance in this State may exclude any and all coverage for and any duty to defend or indemnify for any claim afforded under a shared vehicle owner’s motor vehicle liability insurance policy, including, without limitation:
   (a) Liability coverage for bodily injury and property damage;
   (b) Personal injury protection coverage;
   (c) Uninsured and underinsured motorist coverage;
   (d) Medical payments coverage;
   (e) Comprehensive physical damage coverage; and
   (f) Collision physical damage coverage.

2. Nothing in this section shall be construed to:
   (a) Invalidate or limit an exclusion contained in a motor vehicle liability insurance policy, including, without limitation, any insurance policy in use or approved for use that excludes coverage for motor vehicles made available for rent, sharing or hire or for any business use.
   (b) Invalidate, limit or restrict an insurer’s ability to underwrite an insurance policy or to cancel or decline to renew a policy.

3. As used in this section, “authorized insurer” has the meaning ascribed to it in NRS 679A.030.

Sec. 16. 1. A peer-to-peer car sharing program shall collect and maintain the following records relating to peer-to-peer car sharing of a shared vehicle through the peer-to-peer car sharing program in such format as the Director may prescribe:
   (a) The exact car sharing start time and car sharing termination time, plus the exact start and end time of any car sharing delivery period;
   (b) The pick-up and drop-off locations for each car sharing period;
   (c) The amount of any fees paid by the shared vehicle driver for each car sharing period;
   (d) The amount of any revenues received by the shared vehicle owner for each car sharing period; and
   (e) Such other records as the Director may require by regulation.

2. The peer-to-peer car sharing program shall maintain the peer-to-peer car sharing records required pursuant to subsection 1 for a period of not less than 6 years after the record is created.

3. Upon request, the peer-to-peer car sharing program shall provide copies of the peer-to-peer car sharing records maintained pursuant to this section and section 26 of this act to the shared vehicle owner, shared vehicle driver, insurer of the shared vehicle owner or shared vehicle driver or a claimant alleging damages related to the use of the shared vehicle to facilitate a claim coverage investigation or the settlement, negotiation or litigation of a claim.

4. Upon request, each peer-to-peer car sharing record maintained pursuant to this section and section 26 of this act must be made available for inspection by a shared vehicle owner, shared vehicle driver, the insurer of a
shared vehicle owner or shared vehicle driver or the Department or its
designee at any time during regular business hours, subject to the provisions
of any applicable data security or data privacy law.

5. A peer-to-peer car sharing program that keeps outside of this State
any books, papers and records maintained pursuant to this section and
section 26 of this act shall pay to the Department an amount equal to the
allowance provided for state officers and employees generally while
traveling outside of the State for each day or fraction thereof during which
an employee of the Department is engaged in examining those documents,
plus any other actual expenses incurred by the employee while he or she is
absent from his or her regular place of employment to examine those
documents.

6. The Director shall adopt such regulations as the Director determines
are necessary to carry out the provisions of this section.

Sec. 17. The provisions of this chapter shall not be construed to impose
liability which is inconsistent with the provisions of 49 U.S.C. § 30106.

Sec. 18. A motor vehicle insurer that defends or indemnifies a claim
arising from the use of a shared vehicle shall have the right to seek recovery
against the motor vehicle insurer of the peer-to-peer car sharing program if
the claim is:

1. Made against the shared vehicle owner or shared vehicle driver for
loss or injury that occurs during the car sharing period; and

2. Excluded under the terms of the motor vehicle liability insurance
policy of the motor vehicle insurer who is not the motor vehicle insurer of
the peer-to-peer car sharing program.

Sec. 19. 1. Notwithstanding any other provision of law, a peer-to-peer
car sharing program shall be deemed to have an insurable interest in a
shared vehicle during the car sharing period.

2. A peer-to-peer car sharing program may own and maintain as the
named insured one or more policies of motor vehicle liability insurance that
provides coverage for:

(a) Liabilities assumed by the peer-to-peer car sharing program under a
peer-to-peer car sharing program agreement;

(b) Any liability of a shared vehicle owner;

(c) Any liability of a shared vehicle driver; or

(d) Damage or loss to a shared motor vehicle.

3. Nothing in this section shall be construed to require a peer-to-peer car
sharing program to obtain or maintain the motor vehicle liability insurance
policy necessary to satisfy the requirements of subsection 4 of section 13 of
this act or to impose any liability on the peer-to-peer car sharing program
which does not obtain or maintain such a policy.

Sec. 20. 1. A peer-to-peer car sharing program shall not engage in
business in this State unless the person who operates the peer-to-peer car
sharing program holds a valid license issued by the Department pursuant to
this chapter.
2. A person who desires to operate a peer-to-peer car sharing program in this State must:
   (a) Submit to the Department an application for the issuance of a license to operate a peer-to-peer car sharing program in such form and including such information and documentation as the Director may require by regulation.
   (b) Provide evidence of insurance coverage to satisfy any liability that accrues to a peer-to-peer car sharing program for damage that arises from the failure of the peer-to-peer car sharing program to comply with the provisions of this chapter in an amount established by the Director by regulation, which is separate from any insurance coverage a peer-to-peer car sharing program may use to satisfy the liability which may accrue to a peer-to-peer car sharing program pursuant to section 13 of this act or which may be used to satisfy the requirements of subsection 4 of section 13 of this act, or file a bond or make a deposit pursuant to section 24 of this act.
   (c) Pay a fee of $125.

3. Licenses issued pursuant to subsection 2 expire on December 31 of each year. Before December 31 of each year, licensees shall furnish the Department with an application for renewal of the license in such form and including such information and documentation as the Director may require by regulation accompanied by an annual renewal fee of $50.

Sec. 21. The Department may refuse to issue or suspend or revoke a license as a peer-to-peer car sharing program upon any of the following grounds:
1. Material misstatement in the application for a license.
2. Willful failure to comply with any provision of this chapter or regulations adopted pursuant thereto. If the Department notifies a peer-to-peer car sharing program that the peer-to-peer car sharing program has violated the provisions of this chapter or the regulations adopted pursuant thereto and the peer-to-peer car sharing program fails to take corrective action within 10 days after having received the notice or continues to violate the provisions of this chapter or the regulations adopted pursuant thereto, the failure to take corrective action or the continuing violation, as applicable, shall be deemed prima facie evidence of willful failure to comply with the provisions of this chapter or the regulations adopted pursuant thereto.
3. Failure or refusal to furnish and keep in force any bond or maintain insurance in an amount established by the Director in regulations adopted pursuant to section 20 of this act to satisfy any liability that accrues to a peer-to-peer car sharing program for damage that arises from the failure of the peer-to-peer car sharing program to comply with the provisions of this chapter.
4. Failure or refusal to pay or otherwise discharge any final judgement entered against the licensee arising out of a violation of this chapter.
Sec. 22. 1. An applicant or licensee may, within 30 days after receipt of the notice of denial, suspension or revocation, petition the Director in writing for a hearing.

2. Except as otherwise provided in subsection 3, the Director shall make written findings of fact and conclusions and grant or finally deny the application or suspend or revoke the license within 15 days after the hearing unless by interim order the Director extends the time to 30 days after the hearing. If the license has been temporarily suspended, the suspension expires not later than 15 days after the hearing.

3. If the Director finds that the action is necessary in the public interest, upon notice to the licensee, the Director may temporarily suspend or refuse to renew the license issued to a peer-to-peer car sharing program for a period not to exceed 30 days. A hearing must be held, and a final decision rendered, within 30 days after notice of the temporary suspension.

4. The Director may issue subpoenas for the attendance of witnesses and the production of evidence.

Sec. 23. Upon judicial review of the denial or revocation of a license, the court for good cause shown may order a trial de novo.

Sec. 24. 1. In lieu of insurance coverage to satisfy any liability that accrues to a peer-to-peer car sharing program for damage that arises from the failure of the peer-to-peer car sharing program to comply with the provisions of this chapter, a peer-to-peer car sharing program may:

(a) File with the Department a bond of a surety company authorized to transact business in this State in an amount not less than $5,000 conditioned that the peer-to-peer car sharing program will comply with the provisions of this chapter in the operation of the peer-to-peer car sharing program.

(b) Deposit with the Department, under such terms as the Director may prescribe, a like amount of lawful money of the United States or a savings certificate of a bank, credit union, savings and loan association or savings bank situated in Nevada, which must state that the amount is unavailable for withdrawal except upon order of the Director. Interest earned on the amount accrues to the account of the licensee or applicant.

2. The bond must be continuous in form, and the total aggregate liability on the bond must be limited to the payment of the total amount of the bond.

3. The bond must provide that a shared vehicle owner or shared vehicle driver injured by the failure of the licensee to provide the disclosure required by section 25 of this act or to otherwise comply with the provisions of this chapter may apply to the Director for compensation from the bond. The Director, for good cause shown and after notice and opportunity for hearing, may determine the amount of compensation and the person to whom it is to be paid. The surety shall then make the payment.

4. A deposit made pursuant to paragraph (b) of subsection 1 may be disbursed by the Director, for good cause shown and after notice and an opportunity for hearing, in an amount determined by the Director to compensate a shared vehicle owner or shared vehicle driver for an injury
incurred due to the failure of the licensee to provide the disclosure required by section 25 of this act or to otherwise comply with the provisions of this chapter, or released upon receipt of:
(a) A court order requiring the Director to release all or a specified portion of the deposit; or
(b) A statement signed by the licensee requesting the Director to release the deposit, or a specified portion thereof, and stating the purpose for which the release is requested.
5. When a deposit is made pursuant to paragraph (b) of subsection 1, liability under the deposit is in the amount prescribed by the Department. If the amount of the deposit is reduced or there is an outstanding court judgment for which the licensee is liable under the deposit, the license as a peer-to-peer car sharing program is automatically suspended. The license must be reinstated if the licensee:
(a) Files an additional bond pursuant to subsection 1;
(b) Restores the deposit with the Department to the original amount required under this section; or
(c) Satisfies the outstanding judgment for which the licensee is liable under the deposit.
6. A deposit made pursuant to paragraph (b) of subsection 1 may be refunded:
(a) By order of the Director, 3 years after the date the licensee ceases to be licensed by the Department, if the Director is satisfied that there are no outstanding claims against the deposit; or
(b) By order of court, at any time within 3 years after the date the licensee ceases to be licensed by the Department, upon evidence satisfactory to the court that there are no outstanding claims against the deposit.
Sec. 25. Each car sharing program agreement entered into between a peer-to-peer car sharing program and a shared vehicle driver or shared vehicle owner shall disclose:
1. Any right of the peer-to-peer car sharing program to seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the terms and conditions of the car sharing program agreement.
2. That a motor vehicle liability insurance policy issued to the shared vehicle owner for the shared vehicle or to the shared vehicle driver does not provide a defense or indemnification for any claim asserted by the peer-to-peer car sharing program.
3. That the insurance coverage of the peer-to-peer car sharing program on the shared vehicle owner and the shared vehicle driver is in effect only during each car sharing period and that, for any use of the shared vehicle by the shared vehicle driver after the car sharing termination time, the shared vehicle driver and shared vehicle owner may not have insurance coverage.
4. The daily rate, fees and, if applicable, any insurance or protection package costs that are charged to the shared vehicle owner or the shared vehicle driver.

5. That the motor vehicle liability insurance of the shared vehicle owner may not provide coverage for a shared vehicle.

6. An emergency telephone number to personnel capable of fielding roadside assistance and other customer service inquiries.

7. If there are conditions under which a shared vehicle driver must maintain a personal motor vehicle liability insurance policy with certain applicable coverage limits on a primary basis in order to book a shared motor vehicle.

Sec. 26. 1. A peer-to-peer car sharing program may not enter into a car sharing program agreement with a person to be a shared vehicle driver unless the person:

(a) Possesses a valid driver’s license issued by the Department that authorizes the person to operate vehicles of the class of the shared vehicle; or

(b) Is exempt from the requirement to obtain a Nevada driver’s license pursuant to subsection 3 of NRS 483.240 and possesses a valid driver’s license issued to the person in his or her home state or country that authorizes the person to operate vehicles of the class of the shared vehicle in that home state or country.

2. A peer-to-peer car sharing program shall keep a record of:

(a) The name and address of each shared vehicle driver;

(b) The number of the driver’s license of each shared vehicle driver and each other person, if any, who will operate the shared vehicle; and

(c) The place of issuance of each driver’s license described in paragraph (b).

Sec. 27. A peer-to-peer car sharing program shall have sole responsibility for any equipment, such as a GPS system or other special equipment, that is put in or on the shared vehicle to monitor or facilitate the car sharing transaction and shall indemnify and hold harmless the shared vehicle owner for any damage to or theft of such equipment during the sharing period not caused by the shared vehicle owner. A peer-to-peer car sharing program may enter into an agreement with a shared vehicle driver wherein the shared vehicle driver agrees to indemnify the peer-to-peer car sharing program for any loss or damage to such equipment that occurs during the car sharing period.

Sec. 28. 1. At the time when a motor vehicle owner registers as a shared vehicle owner through a peer-to-peer car sharing program and before being permitted to make a shared vehicle available for car sharing through the peer-to-peer car sharing program, the peer-to-peer car sharing program shall:

(a) Verify that the shared vehicle is not subject to any safety recalls on the vehicle for which the repairs have not been made; and
(b) Notify the shared vehicle owner of the requirements under subsections 2, 3 and 4.

2. If a shared vehicle owner has received an actual notice of a safety recall on the vehicle, the shared vehicle owner may not make the vehicle available as a shared vehicle on a peer-to-peer car sharing program until the safety recall repair has been made.

3. If a shared vehicle owner receives an actual notice of a safety recall on a shared vehicle while the shared vehicle is made available through a peer-to-peer car sharing program, the shared vehicle owner shall remove the shared vehicle from being made available through the peer-to-peer car sharing program as soon as possible after receiving the notice of the safety recall and until the safety recall repair has been made.

4. If a shared vehicle owner receives an actual notice of a safety recall on a shared vehicle while the shared vehicle is in the possession of a shared vehicle driver, the shared vehicle owner shall notify the peer-to-peer car sharing program as soon as possible after receiving the notice of the safety recall so that the shared vehicle owner may address the safety recall repair.

Sec. 29. 1. Except as otherwise provided in subsection 2, a local governmental entity shall not:

(a) Impose any tax or fee on:

(1) Any peer-to-peer car sharing [company] program operating within the scope of a valid license issued pursuant to section 20 of this act;

(2) Any shared vehicle driver;

(3) Any shared vehicle owner; or

(4) Any shared vehicle.

(b) Require:

(1) A peer-to-peer car sharing program operating within the scope of a valid license issued pursuant to section 20 of this act to obtain from the local government any certificate, license or permit to operate as a peer-to-peer car sharing [company] program; or

(2) A shared vehicle owner who makes a shared vehicle available through a peer-to-peer car sharing program to obtain from the local government any certificate, license or permit to make the shared vehicle available through a peer-to-peer car sharing program.

(c) Impose any other requirement on a peer-to-peer car sharing program, shared vehicle owner or shared vehicle driver which is not of general applicability to all similarly situated persons or entities within the jurisdiction of the local government.

2. Nothing in this section shall be construed to:

(a) Prohibit a local government from requiring a peer-to-peer car sharing program to obtain from the local government a business license or to pay any business license fee in the same manner that is generally applicable to any other business that operates within the jurisdiction of the local government.
(b) Prohibit an airport or its governing body from requiring a peer-to-peer car sharing program or shared vehicle owner to:

(1) Obtain a permit or certification to operate at the airport; or

(2) Pay a fee to operate at the airport; or

(3) Comply with any other requirement to operate at the airport.

(c) Exempt a shared vehicle from any tax imposed pursuant to NRS 354.705, 371.043 or 371.045.

3. Nothing in this section shall be construed to exempt a peer-to-peer car sharing program from the requirement to obtain a state business license pursuant to chapter 76 of NRS.

Sec. 30. NRS 482.053 is hereby amended to read as follows:

2. “Long-term lessee” means a person who has leased a vehicle from another person for a fixed period of more than 31 days.

Sec. 31. NRS 482.300 is hereby amended to read as follows:

Assembly Bill No. 440.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 331.
AN ACT relating to crimes; defining the terms “aggregate” “repeat offense” and “crime of violence”; requiring a peace officer to issue a misdemeanor citation in lieu of executing a warrant by arresting the defendant if the warrant is issued upon an offense punishable as a misdemeanor and the offense does not constitute an aggregate offense or a crime of violence; requiring certain persons to issue misdemeanor citations, traffic citations, vessel citations and wildlife citations under certain circumstances for offenses punishable as misdemeanors that do not constitute aggregate repeat offenses or crimes of violence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law requires a warrant of arrest to be executed by the arrest of the defendant unless certain circumstances apply and a peace officer issues a misdemeanor citation in lieu of executing the warrant. (NRS 171.122) Section 5 of this bill requires a peace officer to issue a misdemeanor citation in lieu of executing such a warrant unless the warrant is issued upon an offense punishable as a misdemeanor that is an aggregate offense or a crime of violence, in which case, the peace officer is authorized to issue the misdemeanor citation.

Existing law provides that a peace officer, whenever any person is detained by the peace officer for any violation of an ordinance or a state law punishable as a misdemeanor and the person is not otherwise required to be taken before a magistrate, is required to be given to issue the person a misdemeanor citation as to be taken instead of taking the person before the proper magistrate. (NRS 171.1771) Existing law similarly-authorizes a peace officer to issue a misdemeanor citation in lieu of taking a person before a magistrate if the person is arrested by a private person for any violation of an ordinance or a state law punishable as a misdemeanor. (NRS 171.1772) Existing law, however, removes the discretion of the peace officer to issue the misdemeanor citation and requires the person to be taken before a magistrate if the identity of the person cannot be verified or the peace officer believes the person will disregard a written promise to appear in court. (NRS 171.1771, 171.1772) Sections 6 and 7 of this bill: (1) require a
peace officer to issue a misdemeanor citation for any such violation unless the violation is a repeat offense or a crime of violence, in which case, the peace officer is authorized to issue the misdemeanor citation:

(2) expand the circumstances under which a peace officer is prohibited from issuing the misdemeanor citation to include those circumstances in which the peace officer believes the violation will continue if the person is not taken before a magistrate or the peace officer believes another person or property is in imminent danger. Section 8 of this bill makes a conforming change related to the issuance of misdemeanor citations.

Section (2) 3.5 of this bill defines the term “aggregate” “repeat offense” for the purposes of sections 6 and 7. Additionally, section 3 of this bill defines the term “crime of violence” for the purposes of sections 6 and 7 9-14 of this bill. Section 4 of this bill makes a conforming change related to the proper placement of sections [2 and] 3 and 3.5 in the Nevada Revised Statutes.

Existing law authorizes a peace officer to issue a traffic citation or a misdemeanor citation at the scene of a crash so long as the offense is not a felony or certain other traffic offenses. (NRS 484A.660) While retaining the existing exceptions, section 21 of this bill revises the discretionary issuance of such citations by requiring a peace officer to issue a traffic citation or a misdemeanor citation for an offense punishable as a misdemeanor that does not constitute an aggregate offense or a crime of violence.

Existing law also provides that whenever any person is halted by a peace officer for a violation of certain traffic laws and is not otherwise required to be taken before a magistrate, the person may be given a traffic citation or be taken before the proper magistrate. (NRS 484A.730) Section 24 of this bill revises the discretionary issuance of such citations by instead requiring a peace officer to issue a traffic citation for an offense punishable as a misdemeanor that does not constitute an aggregate offense or a crime of violence.

Sections [16 and] 17 and 17.5 of this bill define the terms “aggregate offense” and “crime of violence” and “repeat offense” for the purposes of sections 21 and 24. Section 18 of this bill makes a conforming change to indicate the proper placement of sections [16 and] 17 and 17.5 in the Nevada Revised Statutes.

Sections 19, 20 and 23 of this bill make conforming changes related to the requirement to issue a traffic citation for traffic offenses punishable as misdemeanors that do not constitute an aggregate offense or crimes of violence.

Existing law authorizes a peace officer to arrest a person, with or without a warrant, who commits certain traffic offenses. (NRS 484A.710) Section 22 of this bill (1) removes those offenses punishable as misdemeanors which are now required to be issued traffic citations pursuant to section 21 or 24; and (2) provides an exception for the discretionary issuance of traffic citations or misdemeanor citations pursuant to section 21 or 24, as applicable.

Existing law authorizes a game warden, sheriff or peace officer to issue a citation for certain offenses relating to vessels. (NRS 488.920) While retaining
the existing discretionary issuance of citations for offenses relating to vessels that are punishable as felonies or gross misdemeanors, section 25 of this bill requires a game warden, sheriff or peace officer to issue a citation for such an offense punishable as a misdemeanor unless the offense is an aggregate repeat offense or a crime of violence, in which case, the game warden, sheriff or peace officer is authorized to issue the citation.

Existing law also authorizes a game warden to issue a citation for certain offenses relating to wildlife. (NRS 501.386) While retaining the existing discretionary issuance of citations for offenses relating to wildlife that are punishable as felonies or gross misdemeanors, section 26 of this bill requires a game warden to issue a citation for an offense punishable as a misdemeanor unless the offense is an aggregate repeat offense or a crime of violence, in which case, the game warden is authorized to issue the citation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 169 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3.5 of this act.

Sec. 2. “Aggregate offense” means an offense for which a penalty is determined by a previous conviction, or lack thereof, of the same offense.

Sec. 3. “Crime of violence” has the meaning ascribed to it in NRS 200.408.

Sec. 3.5. “Repeat offense” means an offense for which the person has previously been arrested, convicted or issued a citation.

Sec. 4. NRS 169.045 is hereby amended to read as follows:

169.045  As used in this title, unless the context otherwise requires, the words and terms defined in NRS 169.049 to 169.205, inclusive, and sections 2 and 3 and 3.5 of this act have the meanings ascribed to them in those sections.

Sec. 5. NRS 171.122 is hereby amended to read as follows:

171.122  1. Except as otherwise provided in subsection 2, the warrant must be executed by the arrest of the defendant. The officer need not have the warrant in the officer’s possession at the time of the arrest, but upon request the officer must show the warrant to the defendant as soon as possible. If the officer does not have a warrant in the officer’s possession at the time of the arrest, the officer shall then inform the defendant of the officer’s intention to arrest the defendant, of the offense charged, the authority to make it and of the fact that a warrant has or has not been issued. The defendant must not be subjected to any more restraint than is necessary for the defendant’s arrest and detention. If the defendant either flees or forcibly resists, the officer may, except as otherwise provided in NRS 171.1455, use only the amount of reasonable force necessary to effect the arrest.
2. Assembly Bill No. 442.
Bill read second time.
The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 245.
AN ACT relating to health care; requiring certain providers of health care to complete training in the screening, brief intervention and referral to treatment approach to substance use disorder; authorizing such a provider of health care to use such training to complete certain continuing education requirements; authorizing a physician, physician assistant or advanced practice registered nurse to use a federal registration to dispense narcotic drugs for maintenance treatment or detoxification treatment to satisfy certain continuing education requirements; and providing other matters properly relating thereto.
Existing law requires providers of health care who are authorized to prescribe controlled substances, including physicians, physician assistants, dentists, advanced practice registered nurses, podiatrists and opticians, to complete training relating specifically to persons with substance use and other addictive disorders and the prescribing of opioids during each period of licensure. (NRS 630.2535, 631.344, 632.2375, 633.473, 635.116, 636.2881) Sections 1, 16, 21, 26, 41 and 47 of this bill define the term “screening, brief intervention and referral to treatment approach” to mean an evidence-based method of delivering early intervention and treatment to persons who have or are at risk of developing a substance use disorder. Sections 2, 17, 22, 27 and 48 of this bill make conforming changes to indicate the proper placement of sections 1, 16, 21, 26 and 47 in the Nevada Revised Statutes.

Sections 3, 10-12, 18, 22, 28, 33-35, 42 and 49 of this bill require each applicant for the issuance of a renewable license, other than a license by endorsement and certain specialized medical licenses, as a physician, physician assistant, dentist, advanced practice registered nurse, podiatrist or optometrist on or after January 1, 2024, to have completed at least 2 hours of training in the screening, brief intervention and referral to treatment approach to substance use disorder. Sections 4-6, 9, 13, 14, 18, 22, 29, 30, 34, 36, 37, 42, 44, 50 and 51 of this bill require each person to whom a license by endorsement as a physician, physician assistant, dentist, advanced practice registered nurse, podiatrist or optometrist is issued on or after January 1, 2024, to complete at least 2 hours of such training within 6 months after the date on which the license was issued. Sections 15, 20, 25, 40 and 46 of this bill authorize disciplinary action against a holder of a license by endorsement as a physician, physician assistant, dentist, advanced practice registered nurse, podiatrist or optometrist who fails to complete such training. The Nevada State Board of Optometry would also be authorized to take disciplinary action against a holder of a license by endorsement as an optometrist who fails to complete such training. (NRS 636.295) Existing law requires physicians, physician assistants, dentists, advanced practice registered nurses, podiatrists and optometrists to complete certain continuing education as a condition to the renewal of a license. (NRS 630.253, 631.342, 632.343, 633.471, 635.115, 636.260) Sections 7, 18.5, 24.5, 38, 45 and 51.5 of this bill require those providers to complete a certain number of hours of training in the screening, brief intervention and referral to treatment approach to substance use disorder within the first 2 years of licensure. Section 53 of this bill requires a person who holds a license as a physician, physician assistant, dentist, advanced practice registered nurse, podiatrist or optometrist on January 1, 2024, to complete at least 2 hours of such training before renewing his or her license. Sections 7, 19, 24, 38, 39, 45, 52 and 53 of this bill authorize a physician, physician assistant, dentist, advanced practice registered nurse, podiatrist or optometrist to use training in the screening, brief intervention and referral to treatment approach to substance use disorder to
satisfy certain continuing education requirements on or after the date on which this bill is approved by the Governor.

Existing federal law requires a practitioner who dispenses narcotic drugs to individuals for maintenance treatment or detoxification treatment to obtain annually a registration for that purpose. (21 U.S.C. § 823) Sections 8, 24 and 39 of this bill: (1) exempt a physician, physician assistant or advanced practice registered nurse who obtains such a registration from requirements to complete continuing education relating specifically to substance use and other addictive disorders and the prescribing of opioids for one period of licensure; and (2) authorize such a physician, physician assistant or advanced practice registered nurse to use the registration to satisfy 4 hours of any applicable continuing education requirement.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 382.
AN ACT relating to limousines; authorizing a transportation network company to contract with a limousine motor carrier to provide limousine services through the use of the digital network or software application service of the transportation network company; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes a transportation network company to enter into an agreement with one or more drivers to receive connections to potential passengers from the company in exchange for the payment of a fee by the driver to the company. (NRS 706A.160) Section 5 of this bill authorizes a transportation network company to enter into a contract with certain limousine motor carriers who hold a certificate of public convenience and necessity to operate a limousine to allow drivers employed by the limousine motor carrier to receive connections to potential passengers from the transportation network
company in exchange for the payment of a fee by the limousine motor carrier.  
Section 5 authorizes a transportation network company to charge a fare on behalf of a limousine motor carrier for limousine services provided pursuant to such a contract and requires the method of calculating the fare and, if a passenger elects to receive it, an estimate of the fare to be disclosed by the transportation network company before the passenger enters the limousine of the limousine driver.  Section 5 applies certain excise taxes imposed on common motor carriers of passengers to limousine services provided pursuant to a contract with a transportation network company.  Sections 2-4 of this bill define terms relating to limousines.  
Section 7 of this bill amends the term “driver” as used in the provisions of NRS governing transportation network companies to exclude a limousine driver providing limousine services pursuant to a contract between a transportation network company and a limousine motor carrier.  
Sections 8-10 of this bill make conforming changes to reflect that a limousine driver and limousine motor carrier remain subject to the provisions of NRS governing motor carriers.  
Existing law requires a transportation network company to obtain certain information concerning a driver before allowing the driver to be connected to potential passengers.  Section 11 of this bill exempts a limousine driver who is providing limousine services pursuant to an agreement with a limousine motor carrier from these requirements.  
Section 12 of this bill requires a transportation network company to transmit to a passenger a photo of the limousine driver who will be providing limousine services and the license plate of the limousine before the passenger enters the limousine.  
Section 13 of this bill requires a transportation network company to transmit an electronic receipt to a passenger who receives limousine services through the transportation network company.  
Section 14 of this bill authorizes a transportation network company to transmit the name and telephone number of a passenger to a limousine driver for the purposes of correctly identifying and communicating with the passenger.

Federal Assistance; revising the duties of the Office relating to the procurement, coordination and management of federal assistance; creating the Nevada Grant Matching Program to provide funds to certain public agencies, tribal governments and nonprofit organizations as matching funds for federal grants; requiring that certain money from the Abandoned Property Trust Account be transferred to a trust fund established as part of the Program; revising the membership and duties of the Nevada Advisory Council on Federal Assistance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law creates the Office of Grant Procurement, Coordination and Management of the Department of Administration to assist state agencies with identifying, obtaining and managing federal grants. (NRS 232.213, 232.222-232.227) Sections 2-25, 27.5, 29 and 34 of this bill transfer the Office of Grant Procurement, Coordination and Management into the Office of the Governor on July 1, 2022, and rename the Office as the Office of Federal Assistance. Sections 17-19, 23-25 and 29 of this bill make conforming changes relating to the transfer and renaming of this Office. Section 8 (new) of this bill requires: (1) the Governor to propose a budget for the Office; and (2) the Office to maintain an office in northern Nevada and southern Nevada. Section 20 of this bill requires the Governor to appoint a Director of the Office, who serves in the nonclassified service of the State. Subject to the limits of available funding, section 21 of this bill: (1) authorizes the Director to employ such persons as are necessary to carry out the duties of the Office; and (2) provides that such persons serve in the nonclassified service of the State. Section 16 of this bill makes a conforming change relating to the employment by the Director of certain persons in the nonclassified service of the State.

Section 9 of this bill requires the Director to develop a State Plan for Maximizing Federal Assistance and post the plan on the Internet website maintained by the Office. Section 22 of this bill requires the Director to: (1) carry out the State Plan developed pursuant to section 9; (2) administer a grant management system; (3) develop a manual of policies and procedures relating to federal assistance and post the manual on the Internet website maintained by the Office; (4) serve as the designated entity to perform certain duties for purposes of an Executive Order; and (5) perform certain duties previously performed by the Administrator of the Office of Grant Procurement, Coordination and Management.

Existing law: (1) directs the Administrator of the Office of Grant Procurement, Coordination and Management to create a pilot program to provide funds as grants to state agencies, local governments, tribal governments and nonprofit organizations for the purpose of satisfying the matching requirement for a federal or nongovernmental organization grant; and (2) creates the Grant Matching Fund to hold money for the pilot program to provide such grants to satisfy grant matching requirements. (Sections 1.5-5 of chapter 575, Statutes of Nevada 2019, at page
The pilot program expires on June 30, 2021. (Section 8 of chapter 575, Statutes of Nevada 2019, at page 3710) Sections 29.3, 29.5 and 34 of this bill extend the pilot program until June 30, 2022, and revise it to: (1) prohibit money deposited in the Grant Matching Fund from being used for the purpose of providing grants to satisfy matching requirements for nongovernmental organization grants; (2) authorize the Office to use not more than 10 percent of the amount deposited in the Grant Matching Fund to pay administrative and personnel costs; and (3) provide that the balance remaining at the end of the fiscal year, except any money received from a gift, grant or donation, reverts to the State General Fund. Sections 11 and 34 of this bill create the Nevada Grant Matching Program within the Office of Federal Assistance. Section 11 requires effective July 1, 2022, and require the Program to serve the same purpose the pilot program served, except that the Program will not provide funds for the purpose of satisfying any matching requirement for any nongovernmental organization grant. Section 12 of this bill creates the Grant Matching Fund as part of the Program, and requires the Fund to be administered by the Office of Federal Assistance. Section 12 also: (1) prohibits the Office from using more than 10 percent of the amount deposited in the same manner as the Grant Matching Fund to pay administrative and personnel costs; and (2) provides that any balance remaining at the end of an odd-numbered fiscal year reverts to the State General Fund created for the pilot program.

Existing law provides for the creation of the Abandoned Property Trust Account into which proceeds from the sale of abandoned property are deposited. Under existing law, the first $7,600,000 of the balance in the Account is required to be transferred to the Millennium Scholarship Trust Fund at the end of each fiscal year. (NRS 120A.620) Sections 26 and 29.7 of this bill provide for the transfer of the next $1,000,000 of the balance in the Account to be transferred to the Grant Matching Fund Account created by section 12 at the end of each fiscal year, commencing with a transfer from the balance in the Account at the end of the Fiscal Year 2020-2021.

Section 13 of this bill requires the Director to: (1) consult with the Nevada Advisory Council on Federal Assistance and certain other persons to develop certain processes relating to the Program; and (2) administer all applicable aspects of those processes. Section 14 of this bill adopts the same criteria for eligibility for a grant from the Grant Matching Fund as were adopted for eligibility for a grant under the pilot program. Section 15 of this bill requires the Director to prepare and submit a biennial report to the Legislature that includes certain information relating to grant requests received and approved by the Director.

Existing law creates the Nevada Advisory Council on Federal Assistance for the purposes of advising and assisting state and local agencies with respect to obtaining and maximizing federal assistance that may be available from any

Amendment No. 120.
SUMMARY—Makes various changes relating to the recovery of certain expenses and costs incurred in extinguishing certain fires and emergencies. (BDR 42-111)
AN ACT relating to wildfires; emergencies; revising provisions relating to the recovery of expenses incurred by certain governmental entities in extinguishing a fire or meeting an emergency; authorizing, with certain exceptions, counties, cities and certain general improvement districts to bring an action to recover certain expenses related to wildfires; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law provides that a person, firm, association or agency who willfully or negligently causes a fire or other emergency which threatens human life may, in certain circumstances, be liable for the expenses incurred in extinguishing the fire or meeting the emergency to the federal, state, county or municipal agency which incurred those expenses. (NRS 472.540, 474.550) Sections 1 and 2 of this bill: (1) revise the circumstances under which a person, firm, association or agency may be liable for such expenses to remove the requirement that the fire or other emergency must have threatened human life for expenses to be recovered; and (2) provide that, with certain exceptions, a person, firm, association or agency may also be liable for the expenses incurred in extinguishing a fire or meeting an emergency by a city agency or general improvement district created to furnish fire protection.
Sections 3-5 of this bill authorize, with certain exceptions, the governing body of a county, city or general improvement district created to furnish fire protection to bring an action against a person, firm, association or agency that is responsible for willfully or negligently causing a wildfire to recover any expenses incurred in extinguishing the wildfire and reasonable attorney’s fees and litigation expenses.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. NRS 472.540 is hereby amended to read as follows:
472.540 1. Except as otherwise provided in this section or by specific statute, if the State Forester Firewarden determines that a person, firm, association or agency is responsible for willfully or negligently causing any fire or other emergency, which threatens human life, the person, firm, association or agency may be charged with the expenses incurred in extinguishing the fire or meeting the emergency, together with the cost of
necessary patrol. This charge constitutes a debt of the person, firm, association or agency charged and is collectible by the federal, state, county, city or municipal agency, or general improvement district created pursuant to NRS 318.1181 for the purpose of furnishing fire protection, incurring such expenses in the same manner as in the case of an obligation under a contract, express or implied.

2. In determining whether a person, firm, association or agency is responsible for willfully or negligently causing a fire pursuant to subsection 1, the State Forester Firewarden shall consider, without limitation, whether the person, firm, association or agency failed to exercise reasonable care given:
   (a) The forecasted and existing weather conditions;
   (b) The conditions of fuel moisture; and
   (c) The topography of the area of the fire.

3. Notwithstanding the provisions of subsections 1 and 2, a person, firm, association or agency is immune from liability for the payment of expenses and costs described in subsection 1 if the person, firm, association or agency immediately notified the nearest fire-fighting agency of the fire, was forthright and truthful in responding to questions from the State Forester Firewarden, any fire-fighting agency and any other state or local agency investigating the fire, and at least one of the following circumstances apply:

Assembly Bill No. 118.
Bill read third time.
The following amendment was proposed by Assemblywoman Bilbray-Axelrod:
Amendment No. 462.
AN ACT relating to motor vehicles; revising provisions relating to the transportation of children in motor vehicles; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:

Existing law generally requires a person transporting a child who is less than 6 years of age and who weighs 60 pounds or less in a motor vehicle to secure the child in a child restraint system that meets certain requirements. (NRS 484B.157) Existing law also generally requires any other person in a motor vehicle to wear a safety belt while the motor vehicle is being driven. (NRS 484D.495) Section 2 of this bill: (1) increases the age requirement at which a child is required to be secured in a child restraint system from less than 6 years of age to less than 8 years of age; (2) removes the weight requirement; (3) for a child who is less than 6 years of age: (2) adds the requirement that the child be less than 57 inches tall; and (3) adds the requirement that a child less than 2 years of age generally be secured in a rear-facing child restraint system in the back seat of the motor vehicle. [Additionally, section 2 provides that if the child is at least 8 years of age but less than 13 years of age, then the child must be secured in a safety belt in the back seat unless the air bag on the passenger’s side of the front seat, if any, is deactivated and (1) special health care needs of the child require the child to ride in the front seat and a written statement signed by a physician certifying the requirement is carried in the motor vehicle; (2) all back seats are in use by other children who are less than 12 years of age; or (3) the motor vehicle is not equipped with back seats.] Section 2 also authorizes the Department of Public Safety to accept gifts, grants and donations from any source for the purpose of purchase or donation of child restraint systems for persons who are in financial need.

Existing law requires a citation to be issued to: (1) any driver or adult passenger who fails to wear a safety belt; or (2) any driver who fails to require a child to wear a safety belt if the child is not required to be secured in a child restraint system. [However, under existing law, such violations are not primary offenses, which means that a citation for such violations may only be issued if the violations are discovered when the vehicle is halted or the driver arrested for another alleged violation or offense.] (NRS 484D.495) Section 3 of this bill provides that: (1) it remains a secondary offense, not a primary offense, for a driver or an adult passenger to fail to wear a safety belt himself or herself, but it is a primary offense for a driver to fail to require a child to wear a safety belt if the child is required by law to wear a safety belt; and (2) if the driver of the motor vehicle is not the parent or guardian of the child who is not wearing a safety belt, then the parent or guardian of the child must also be cited if the parent or guardian is a passenger in the motor vehicle. [makes conforming changes to the requirements relating to the use of safety belts and child restraint systems to reflect the changes made in section 2.]

Existing law requires a short-term lessor who offers or provides a waiver of damages to disclose certain information, including the existing law of this State relating to the use of safety belts. (NRS 482.3156) Section 1 of this bill makes conforming changes to that disclosure to reflect the changes made in this bill.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.3156 is hereby amended to read as follows:

2. A statement that the short-term lessee’s personal insurance policy may
provide coverage for all or a portion of the lessee’s potential liability.
3. A statement that the short-term lessee should consult with his or her
insurer to determine the scope of insurance coverage.
4. A statement that the short-term lessee may purchase an optional waiver

6. A statement that Nevada law requires [any], with certain exceptions:

REMARKS FROM THE FLOOR

Mr. Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Today, we mourn the loss of our own, Marsheilah Lyons. I struggled to think of what to say after that because sometimes the loss is just too great, the hurt is just too deep, the pain is just too intense. But Marsheilah experienced all of these things far more than any one person should have had to endure. So if she could be strong through it all, if she could help this institution for all those
years that she had, if she could do that while also tending to her family tragedies over the past several years, if she could work for all of you until her final weeks out of love and dedication for this state and this institution, then we can be strong in her honor.

Marsheilah was not just our Deputy Research Director. She was my friend, and whether you knew it or not, she was your friend. She prayed for me, and whether you knew it or not, she prayed for you too. She was not just someone who worked here and helped us get our work done. She was a wife and a mother, a woman of faith and principle. There is not much more one can say about someone who was simply an angel in our midst.

I would urge everyone to hug your loved ones just a little tighter, engage with your colleagues a little more kindly, and treat this institution with a little more reverence, remembering that the people who work for us here have no agenda other than making sure that, even through their last days, Nevada is able to endure. We love you Marsheilah, we will miss you terribly but we know that you are now at peace and in no more pain.

Assemblywoman Benitez-Thompson requested that the following remarks be entered in the Journal.

ASSEMBLYMAN C.H. MILLER:

I would like to ask the members of the body to join me in a prayer for Marsheilah.

Father God, we come to you this evening with heavy hearts as we mourn the loss of our very own Marsheilah Lyons. We thank you for the gift that she was to her family, friends, her colleagues, this body, and our state. We know that, according to her faith, You know the precise time to call us home and deliver us from the sufferings of this world. We know that according to her faith, to be absent from the body is to be present with You Lord. And we know that, according to her faith, we have hope that we will see our loved ones again.

So through this difficult time, please help us to find the joy needed to celebrate the gift and blessing she was to the rest of us as we look forward to seeing her again. We ask You to comfort her family and friends like only You can. Please heal the broken hearts of her loved ones and provide wise counsel to help the minds of those of us that have a hard time understanding Your ways in times like these. Father God, I ask you to release Your peace that passes all understanding to the family of Marsheilah Lyons and everyone that know and love her.

In Jesus’ name. Amen.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.
