Eighty-First Session, 2021

ASSEMBLY DAILY JOURNAL

THE NINETY-FOURTH DAY

CARSON CITY (Wednesday), May 5, 2021

Assembly called to order at 12:05 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Father James Setelik.

Omniscient, generous God, You have blessed us with a tremendous state, a good place to raise up families, and a land filled with natural resources. Thank You for the things we often take for granted, despite their wonder and beauty. Continue to bless our land and keep us safe from fire, drought, and other tragedies and disasters.

Inspire the legislators of our state who gather from north, south, east, and west. May they work for the upbuilding of our cities, towns, rural areas, federal lands, and First People's territories. May they be tireless in creating something that is good and beneficial. May they return from their work day with a feeling of positive accomplishment. Grace us each day with the divine blessing.

AMEN.

Pledge of allegiance to the Flag.

Assemblywoman Benitez-Thompson moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

ASSEMBLYMAN O'NEILL:

Senate Bill 25 repeals provisions in NRS Chapters 372 and 374 to maintain the state's compliance with the Streamlined Sales and Use Tax Agreement, of which Nevada is a full member state. The bill eliminates a requirement of existing law which predates Nevada's adoption of the Streamlined Sales and Use Tax Agreement and which requires the Department of Taxation, in determining whether food intended for human consumption is subject to the sales and use tax, to base its determination on whether the food is intended for immediate consumption and not on the type of establishment where the food is sold.
