Amendment No. 501.

SUMMARY—~~Creates an exemption from licensing requirements for investment advisers to certain private funds.~~ **Makes certain changes relating to securities.** (BDR 7-423)

AN ACT relating to securities; creating an exemption from licensing requirements for investment advisers to certain private funds; **requiring the Administrator of the Securities Division of the Office of the Secretary of State, who is the Deputy of Securities, to submit a biennial report relating to securities to the Legislative Commission and publish the report by certain other means; revising provisions relating to the adoption of regulations by the Administrator;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Dodd-Frank Wall Street Reform and Consumer Protection Act created an exemption from the requirement that investment advisers to certain private funds register with the Securities and Exchange Commission. This exemption applies to investment advisers who: (1) manage less than \$150 million in assets; and (2) advise qualifying private funds. (15 U.S.C. § 80b-3(m); 17 C.F.R. 275.203(m)-1)

Existing state law makes it unlawful for a person to transact business in this State as an investment adviser unless the person is: (1) licensed; or (2) exempt from the licensing requirements of this State. (NRS 90.330) **Section 2-4** of this bill create a state-level exemption from the requirement for licensure for investment advisers to certain qualifying private funds.

Section 4 provides that the exemption applies to an investment adviser if: (1) the investment adviser solely advises one or more qualifying private funds; (2) the investment adviser is not required to register with the Securities and Exchange Commission; (3) neither the investment adviser nor any of its advisory affiliates have engaged in certain bad acts; (4) the investment adviser

files certain reports with the Administrator, who is the Deputy of Securities appointed by the Secretary of State; and (5) the investment adviser pays a fee prescribed by the Administrator.

Section 4 also provides that if the investment adviser advises one or more eligible funds, in addition to the other requirements for the exemption, the investment adviser must: (1) advise only those eligible funds whose outstanding securities are beneficially owned entirely by qualified clients; (2) make certain disclosures to the beneficial owners of the eligible fund; and (3) annually obtain an audited financial statement of each eligible fund and deliver the statement to each beneficial owner of the respective eligible fund. **Section 4** provides a grandfather provision for an investment adviser to an eligible fund whose beneficial ownership does not consist entirely of qualified clients if: (1) the eligible fund existed before July 1, 2022; and (2) the investment adviser complies with certain minimum requirements on or after July 1, 2022.

Section 4 also provides that if an investment adviser becomes ineligible for the exemption, the investment adviser has 90 days after the date of ineligibility to become compliant with any applicable laws for licensing.

Existing law also exempts from the licensing requirements investment advisers who are registered or not required to be registered under the Investment Advisers Act of 1940 if: (1) the only clients of the investment adviser are other investment advisers, broker-dealers or financial or institutional investors; (2) the investment adviser has no place of business in this State and directs business communications in this State to a person who is an existing client of the investment adviser and whose principal place of residence is not in this State; or (3) the investment adviser has no place of business in this State and during any 12 consecutive months it does not direct business communications in this State to more than five present or prospective clients under certain circumstances, whether or not the person or client to whom the communication is directed is present in this State. (NRS 90.340) **Section 6** of this bill provides that regardless of whether an investment adviser qualifies for an exemption from the licensing requirements under existing law, if the investment adviser advises a qualifying private fund, the investment adviser must also satisfy the requirements of **section 4** in order to qualify for an exemption.

Existing law also requires a representative of an investment adviser to be licensed or exempt from the licensing requirements before transacting business in this State. (NRS 90.330) **Section 6** provides that if a representative of an investment adviser is employed by an investment adviser who is exempt from the licensing requirements pursuant to **section 4**, then the representative of the investment adviser is also exempt from his or her respective licensing requirements.

Section 4.5 of this bill requires the Administrator to submit a written report biennially to the Director of the Legislative Counsel Bureau for submission to the Legislative Commission and to publish the report on an Internet website of the Secretary of State or by similar means. Section 4.5

requires the report to include, without limitation: (1) a summary of the states that adopted a model rule, regulation, exemption or like provision of the North American Securities Administrators Association within the 5 years immediately preceding the publication of the report; (2) a summary of the states that did not adopt any such model rule, regulation, exemption or like provision within the 5 years immediately preceding the publication of the report and a description of why each state did not adopt any such rule, regulation, exemption or like provision; (3) a determination of whether the Securities Division of the Office of the Secretary of State has the resources necessary to achieve its objectives; and (4) any recommendations for legislation relating to the protection of investors in this State.

Existing law authorizes the Administrator to adopt certain regulations and requires the Administrator to take into consideration: (1) the regulations adopted by the Securities and Exchange Commission; and (2) the regulations of securities agencies and administrators in other states. (NRS 90.750) Section 8.5 of this bill additionally requires the Administrator to consider any model rule, regulation, exemption or like provision adopted by the North American Securities Administrators Association.

~~Sections 5 and 7-11~~ of this bill ~~make~~ makes a conforming ~~change~~ change to indicate the appropriate placement of sections ~~2-4~~ 2 and 3 of this bill in the Nevada Revised Statutes. Sections 7, 8 and 9-11 of this bill make conforming changes relating to the exemption from the licensing requirements for investment advisers pursuant to section 4.

Senate Bill No. 332.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 510.

AN ACT relating to structured settlements; requiring structured settlement purchase companies to register with the Consumer Affairs Division of the Department of Business and Industry; prohibiting certain activities by structured settlement purchase companies and their employees and representatives; setting forth procedures and requirements concerning the transfer of structured settlement payment rights; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Structured settlements are arrangements in which periodic payments are made to a person who, because of a settlement or a judgment of a court, is entitled to receive payments for damages from a tort claim or workers' compensation claim. Such a person, known as a payee, may transfer the right to receive some or all of those periodic payments to another person, known as a structured settlement purchase company, in exchange for consideration such as a lump-sum payment. Existing law requires such transfers to be approved by a court and sets forth certain requirements relating to such transfers. (NRS 42.030) This bill replaces the existing requirements concerning such transfers with new requirements.

Sections 4-28 of this bill define necessary terms for the regulation of structured settlement purchase companies and their activities, including, without limitation, "payee," "structured settlement purchase company" and "transfer."

Section 29 of this bill: (1) requires structured settlement purchase companies to register with the Consumer Affairs Division of the Department of Business and Industry; and (2) sets forth requirements concerning registration, such as obtaining a surety bond, letter of credit or cash bond in the amount of \$50,000. **Sections 30 and 31** of this bill set forth further requirements concerning registration, **section 33** of this bill sets forth further requirements concerning surety bonds obtained for registration and **section 34** of this bill provides that certain persons are not required to register.

Section 35 of this bill: (1) prohibits structured settlement purchase companies and their employees and representatives from engaging in various specified actions; and (2) provides a private right of action to payees and other structured settlement purchase companies to pursue and obtain damages and other remedies from a person who engages in prohibited activities. **Section 32** of this bill requires a structured settlement purchase company to notify the Division and, if applicable, the surety which issued the applicable surety bond, if a judgment is obtained against the structured settlement purchase company.

Section 37 of this bill requires a structured settlement purchase company to provide to a payee an extensive disclosure statement before a transfer may occur.

Sections 36, 38 and 40 of this bill set forth requirements concerning: (1) the filings a structured settlement purchase company must make with a court before a transfer may occur; (2) the findings a court must make before a transfer may occur; and (3) procedures to be followed in obtaining court approval of a transfer, including, without limitation, notice requirements.

Section 39 of this bill describes the rights of various interested parties after the transfer of structured settlement payment rights, **section 41** of this bill sets forth various protections for payees and **sections 41 and 43** of this bill provide that the provisions of this bill apply only to transfer agreements entered into on or after October 1, 2021.

Section 44 of this bill repeals the existing statute which is being replaced by the provisions of this bill, and **section 42** of this bill makes a conforming change to delete a reference to the repealed statute and add a new reference to the appropriate section in this bill.

3. (d) Intentionally file a structured settlement transfer proceeding in any court other than the court specified in section 40 of this act, unless the transferee is required to file in a different court by applicable law.

(e) Except as otherwise provided in this paragraph, pay a commission or finder's fee to any person for facilitating or arranging a structured settlement transfer with a payee. The provisions of this paragraph do not prevent a structured settlement purchase company from paying:

(2) To third parties any routine transfer expenses, including, without limitation, court filing fees, escrow fees, lien recordation fees, judgment and lien search fees, attorney's fees and other similar types of fees relating to a transfer; and

(3) A reasonable referral fee to an attorney, certified public accountant, actuary, licensed insurance agent or other licensed professional adviser in connection with a transfer.

(h) Attempt to defraud a payee or any party to a structured settlement transfer or any interested party in a structured settlement transfer proceeding by means of forgery or false identification.

(i) Except as otherwise provided in this paragraph, intervene in a pending structured settlement transfer proceeding if the transferee or structured settlement purchase company is not a party to the proceeding or an interested party relative to the proposed transfer which is the subject of the pending structured settlement transfer proceeding. The provisions of this paragraph do not prevent a structured settlement purchase company from intervening in a pending structured settlement transfer proceeding if the payee has signed a transfer agreement with the structured settlement purchase company within 60 days before the filing of the pending structured settlement transfer proceeding and the structured settlement purchase company which filed the pending structured settlement transfer proceeding

violated any provision of sections 2 to 41, inclusive, of this act in connection with the proposed transfer that is the subject of the pending structured settlement transfer proceeding.

(j) Except as otherwise provided in this paragraph, knowingly contact a payee who has signed a transfer agreement and is pursuing a proposed transfer with another structured settlement purchase company for the purpose of inducing the payee into cancelling the proposed transfer or transfer agreement with the other structured settlement purchase company if a structured settlement transfer proceeding has been filed by the other structured settlement purchase company and is pending. The provisions of this paragraph do not apply if no hearing has been held in the pending structured settlement transfer proceeding within 90 days after the filing of the pending structured settlement transfer proceeding.

(k) Fail to dismiss a pending structured settlement transfer proceeding at the request of the payee. A dismissal of a structured settlement proceeding after a structured settlement purchase company has violated the provisions of this paragraph does not exempt the structured settlement purchase company from any liability under this paragraph.

2. A payee may pursue a private action as a result of a violation of subsection 1 and may recover all damages and pursue all rights and remedies to which the payee may be entitled pursuant to sections 2 to 41, inclusive, of this act or any other applicable law.

3. A structured settlement purchase company may pursue a private action to enforce paragraphs (d), (g), (i), (j) and (k) of subsection 1 and may recover all damages and pursue all remedies to which the structured settlement purchase company may be entitled pursuant to sections 2 to 41, inclusive, of this act or any other applicable law.

(b) Suspend the registration of the structured settlement purchase company for a period to be determined at the discretion of the court; and

(c) Enjoin the structured settlement purchase company or transferee from filing new structured settlement transfer proceedings in this State or otherwise pursuing transfers in this State.

Sec. 36. 1. At the time an application is made under sections 2 to 41, inclusive, of this act for the approval of a transfer of structured settlement payment rights, the application of the transferee must include evidence that the transferee is registered to do business in this State as a structured settlement purchase company.

2. Except as otherwise provided in this subsection, a transfer order signed by a district court of competent jurisdiction pursuant to sections 2 to 41, inclusive, of this act constitutes a qualified order under 26 U.S.C. § 5891. If a transferee to which the transfer order applies is not registered as a

structured settlement purchase company pursuant to sections 2 to 41, inclusive, of this act at the time the transfer order is signed, the transfer order does not constitute a qualified order under 26 U.S.C. § 5891.

Sec. 37. Not less than 3 days before the date on which a payee signs a transfer agreement, the transferee shall provide to the payee a separate disclosure statement, in bold type no smaller than 14-point font, setting forth the following:

1. The amounts and due dates of the structured settlement payments to be transferred.

On the basis of the net amount that you will receive from us and the amounts and timing of the structured settlement payments that you are transferring to us, you will, in effect be paying interest to us at a rate of ___ percent per year.

7. The net advance amount.

8. The amount of any penalties or liquidated damages payable by the payee in the event of any breach of the transfer agreement by the payee.

11. That the payee has the right to seek out and consider additional offers for transferring the structured settlement payment rights and should do so.

3. *A transfer of structured settlement payment rights must not extend to any payments that are life-contingent unless, before the date on which the payee signs the transfer agreement, the transferee has established and has agreed to maintain procedures reasonably satisfactory to the structured settlement obligor and the annuity issuer for periodically confirming the payee's survival and giving the structured settlement obligor and the annuity issuer prompt written notice in the event of the payee's death.*

104.9406 1. Subject to subsections 2 to 8, inclusive, an account debtor on an account, chattel paper or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

2. Subject to subsection 8, notification is ineffective under subsection 1:

(a) If it does not reasonably identify the rights assigned;

(b) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(c) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(1) Only a portion of the account, chattel paper or payment intangible has been assigned to that assignee;

(2) A portion has been assigned to another assignee; or

(3) The account debtor knows that the assignment to that assignee is limited.

3. Subject to subsection 8, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. 4. Except as otherwise provided in subsection 5 and NRS 104.9407 and 104A.2303, and subject to subsection 8, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(b) Provides that the assignment or transfer, or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible or promissory note.

5. Subsection 4 does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

6. Subject to subsections 7 and 8, a rule of law, statute, or regulation, that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute or regulation:

(a) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account or chattel paper; or

(b) Provides that the assignment or transfer, or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

7. Subject to subsection 8, an account debtor may not waive or vary its option under paragraph (c) of subsection 2.

8. This section is subject to law other than this article which establishes a different rule for an account debtor who is a natural person and who incurred the obligation primarily for personal, family or household purposes.

9. This section does not apply to an assignment of a health-care-insurance receivable or to a transfer of a right to receive payments pursuant to ~~NRS 42.030-section 36~~ **sections 2 to 41, inclusive, of this act.**

Sec. 43. 1. The provisions of this act do not apply to a transfer agreement entered into before October 1, 2021.

Sec. 44. NRS 42.030 is hereby repealed.

Sec. 45. 1. This act becomes effective on October 1, 2021.

2. Assembly Bill No. 61.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 492.

AN ACT relating to trade practices; increasing penalties for certain offenses relating to the use of a device for automatic dialing and announcing; establishing certain practices as deceptive trade practices; authorizing the imposition of additional civil penalties for certain deceptive trade practices in certain actions and proceedings under certain circumstances; revising provisions relating to certain administrative hearings; revising the penalties for willfully and knowingly engaging in a deceptive trade practice; ~~revising provisions relating to credit service organizations;~~ eliminating the statute of limitations for certain civil actions involving deceptive trade practices which are brought by the Attorney General; authorizing the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to have access to certain records; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines activities that constitute deceptive trade practices and provides for the imposition of civil and criminal penalties against persons who engage in deceptive trade practices. (Chapter 598 of NRS) **Sections 1, 3, 6.5, 7 and 19** of this bill establish certain additional activities as deceptive trade practices.

Existing law makes it a misdemeanor to use a device for automatic dialing and announcing to disseminate a prerecorded message in a telephone call under certain circumstances. (NRS 597.814, 597.818) **Section 1** of this bill revises the punishment for such action to make: (1) the first offense a misdemeanor; (2) the second offense a gross misdemeanor; and (3) the third or subsequent offense a category E felony. Additionally, **section 1** provides

that such action constitutes a deceptive trade practice and provides for a civil penalty of not more than \$10,000.

Section 3 of this bill makes it a deceptive trade practice to sell, rent or offer to sell or rent certain goods and services during a state of emergency or declaration of disaster that has been in effect for 75 days or less for a price that is grossly in excess of the usual price for that good or service. **Section 3** sets forth certain criteria for determining whether a price for a good or service is grossly in excess of its usual price. **Section 3.5** of this bill requires the Attorney General to prepare a report for each state of emergency or declaration of disaster concerning complaints received by the Attorney General of deceptive trade practices of the type described in **section 3**.

Existing law makes it a deceptive trade practice to engage in certain actions during a solicitation by telephone or sales presentation. (NRS 598.0918) **Section 6.5** of this bill: (1) expands the circumstances under which such actions constitute a deceptive trade practice to include a solicitation by text message; and (2) makes it a deceptive trade practice to engage in certain additional actions during a solicitation by telephone or text message or during a sales presentation. **Section 7** of this bill makes it a deceptive trade practice to use an “unconscionable practice” in a transaction. **Sections 32-35** of this bill make conforming changes to reflect the addition of the provisions of **section 7**.

Existing law imposes certain requirements on certain entities that handle personal nonpublic information relating to the security of such information. (NRS 603A.010-603A.290) **Section 19** of this bill makes it a deceptive trade practice to violate any of these requirements.

Existing law authorizes the Director of the Department of Business and Industry to impose certain penalties upon a person who has engaged in a deceptive trade practice after a hearing that is initiated by the Commissioner of Consumer Affairs serving an order upon the person. (NRS 598.0971) **Section 12** of this bill authorizes the Attorney General to also initiate such a hearing before the Director and provides additional means for serving an order upon a person. If a person fails to comply with an order issued by the Director or his or her designee, existing law authorizes the Commissioner or the Director, through the Attorney General, to bring an action requesting a court enforce the order and requires the court to issue an order enforcing the order of the Director or his or her designee if the court makes certain findings. (NRS 598.0971) **Section 12**: (1) additionally authorizes the Attorney General to bring an action requesting a court to enforce an order issued by the Director or his or her designee; and (2) requires the court to issue an order enforcing the order of the Director or his or her designee if the court finds that the person has failed to comply with the order.

Existing law authorizes a court, in certain actions relating to the enforcement of the provisions prohibiting deceptive trade practices, to impose an additional maximum civil penalty of \$12,500 if the court finds that a person has engaged in a deceptive trade practice directed toward an elderly person or a person with

a disability. (NRS 598.0973) **Section 13** of this bill authorizes such a civil penalty to be imposed by the Director or his or her designee in a proceeding before the Director or his or her designee. **Section 5** of this bill similarly authorizes the imposition of an additional maximum civil penalty in certain actions or proceedings if the court or the Director or his or her designee finds that a person has engaged in a deceptive trade practice directed toward a person who is 17 years of age or younger.

Section 17 of this bill revises the criminal penalties imposed for engaging in a deceptive trade practice. Under **section 17**, knowingly and willfully engaging in a deceptive trade practice is a misdemeanor, except if the offense involves a loss of property or services of at least \$1,200. For those offenses, **section 17** establishes a tier of penalties based on the value of the property or services which generally mirror the penalties for theft. (NRS 205.0835, 598.0999)

~~Sections 17.3-17.9 of this bill transfer authority for the registration and regulation of credit service organizations from the Division of Mortgage Lending of the Department of Business and Industry and the Commissioner of Mortgage Lending to the Consumer Affairs Division of the Department of Business and Industry and the Commissioner of Consumer Affairs, respectively.~~

Existing law requires, in general, a civil action against a person alleged to have committed a deceptive trade practice to be commenced within 4 years. (NRS 11.190) **Sections 25 and 26** of this bill create an exception to this requirement for actions brought by the Attorney General. **Section 25** provides that there is no limitation on the time in which a civil action brought by the Attorney General against a person alleged to have committed a deceptive trade practice is required to be commenced.

Section 31 of this bill authorizes the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to have access to all records in the possession of any agency, board or commission of this State that he or she determines are necessary to exercise his or her powers relating to consumer protection.

Sections 6, 8-11, 14-16, 21, 22 and 27 of this bill make conforming changes to indicate the proper placement of language added to the Nevada Revised Statutes by this bill.

Amendment No. 505.

AN ACT relating to public health; revising provisions relating to the reporting of cases of syphilis; requiring, with certain exceptions, the testing of pregnant women for certain sexually transmitted infections; revising provisions concerning the testing and treatment of pregnant women for syphilis; restricting the amount that certain persons and facilities may require a third party insurer to pay for certain testing; revising penalties for failure to comply with provisions concerning testing of pregnant women for sexually transmitted infections; providing a civil penalty; requiring certain third party insurers to cover the testing of pregnant women for certain sexually transmitted infections; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires the State Board of Health to prescribe by regulation the diseases that are known to be communicable; and (2) requires a provider of health care who knows of, or provides services to, a person who has or is suspected of having a communicable disease to report that fact to the local health authority. (NRS 441A.120, 441A.150) **Section 1** of this bill requires the Board to designate syphilis as a communicable disease. **Section 1.2** of this bill requires a report of a pregnant woman who has syphilis to include certain information relating to the treatment, if any, provided to the pregnant woman.

Existing law: (1) generally requires physicians and other persons who attend to a pregnant woman for conditions relating to her pregnancy to conduct a test for syphilis on the pregnant woman during the first and third trimesters of pregnancy; (2) requires a pregnant woman who tests positive for syphilis to receive treatment; and (3) provides that a violation of those requirements is a misdemeanor. (NRS 442.010, 442.020) **Section 1.6** of this bill requires physicians and other persons who attend to pregnant women to make or ensure the performance of an examination and testing of a pregnant woman for *Chlamydia trachomatis*, gonorrhea, hepatitis B and hepatitis C, unless the pregnant woman opts out of such examination and testing. **Section 2** of this bill expands the requirement to test a pregnant woman for syphilis by requiring certain medical facilities, other than a hospital, and an emergency department or labor and delivery unit in a hospital evaluating or treating a pregnant woman

to test the pregnant woman for syphilis if the pregnant woman indicates she has not had certain prenatal screenings and tests. **Section 2** additionally removes: (1) a requirement that a pregnant woman infected with syphilis commence treatment and instead requires the person or facility performing the testing to provide or refer for treatment if the woman consents; and (2) a restriction that a pregnant woman is only authorized to refuse testing for syphilis for religious reasons, thereby authorizing a pregnant woman to refuse such testing for any reason. **Section 2** also revises the times at which a pregnant woman must be tested for syphilis. **Section 1.8** of this bill restricts the amount that a physician or other person who attends a pregnant woman, a hospital or other medical facility or a medical laboratory is authorized to require a third party insurer to pay for the testing and treatment required by **sections 1.6 and 2**. **Section 3** of this bill: (1) replaces the misdemeanor violation for violating syphilis testing requirements with a civil penalty ~~for~~ **for persons who willfully violate those requirements; and** (2) authorizes the imposition of a civil penalty against a person who **willfully** violates the requirements of **section 1.6** concerning testing for other sexually transmitted infections or the provisions of **section 1.8** restricting the amount that a third party may be billed.

Existing law requires public and private policies of insurance regulated under Nevada law to include certain coverage. (NRS 287.010, 287.04335, 422.2712-422.27421, 689A.04033-689A.0465, 689B.0303-689B.0379, 689C.1655-689C.169, 689C.194, 689C.1945, 689C.195, 695A.184-695A.1875, 695B.1901-695B.1948, 695C.1691-695C.176, 695G.162-695G.177) Existing law also requires employers to provide certain benefits to employees, including the coverage required of health insurers, if the employer provides health benefits for its employees. (NRS 608.1555) **Sections 5-9, 11, 12, 14-17 and 19** of this bill require certain public and private health plans, including Medicaid, to provide coverage without prior authorization for an examination and testing of a pregnant woman for: (1) *Chlamydia trachomatis*, gonorrhea, hepatitis B and hepatitis C in accordance with **section 1.6**; and (2) syphilis in accordance with **section 2**. **Sections 4, 10 and 13** of this bill make conforming changes to indicate the proper placement of **sections 7, 9 and 12** of this bill in the Nevada Revised Statutes. **Section 18** of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirement of **section 16** of this bill to provide coverage for the examination and testing described in **sections 1.6 and 2**. The Commissioner would also be authorized to take such action against other health insurers who fail to comply with the requirements of **sections 9, 11, 12, 14, 15 and 19** of this bill. (NRS 680A.200)

AN ACT relating to domestic violence; establishing provisions relating to the proper venue for filing an application for an order for protection against domestic violence; revising provisions relating to the information included in an application for an order for protection against domestic violence; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes a person to file an application for a temporary or extended order for protection against domestic violence but does not specify which county is the proper venue for filing such an application. (NRS 33.020) **Section 1** of this bill authorizes an applicant to file an application in the county in which: (1) the applicant resides; (2) the applicant is temporarily located, away from the county in which he or she resides, to avoid the threat of domestic violence from the adverse party; (3) the adverse party resides; or (4) the act of domestic violence against the applicant by the adverse party occurred or there exists a threat of domestic violence against the applicant from the adverse party. **Section 2** of this bill makes a conforming change to indicate the placement of **section 1** within the Nevada Revised Statutes.

Section 3 of this bill authorizes an applicant for a temporary or extended order for protection against domestic violence to decline to disclose his or her address and contact information in an application under certain circumstances. **Section 3** provides that if the applicant reasonably believes that disclosing his or her address and contact information in the application would jeopardize his or her safety, the applicant may decline to disclose such information. If the applicant declines to disclose such information, then such information: (1) must be disclosed to the court and , for criminal justice purposes, to any ~~appropriate law enforcement~~ other authorized agency ~~of criminal justice~~; (2) must be maintained in a separate, confidential, electronic document or database which is not publicly accessible; and (3) must not be released, disclosed or made accessible to the public, except as authorized by the court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 33 of NRS is hereby amended by adding thereto a new section to read as follows:

An application for a temporary or extended order may be filed in the county in which:

1. *The applicant resides;*
2. *The applicant is temporarily located, away from the county in which he or she resides, to avoid the threat of domestic violence from the adverse party;*
3. *The adverse party resides; or*

4. The act of domestic violence committed against the applicant by the adverse party occurred or there exists a threat of domestic violence against the applicant from the adverse party.

Sec. 2. NRS 33.017 is hereby amended to read as follows:

33.017 As used in NRS 33.017 to 33.100, inclusive, **and section 1 of this act**, unless the context otherwise requires:

1. “Extended order” means an extended order for protection against domestic violence.

2. “Temporary order” means a temporary order for protection against domestic violence.

Sec. 3. NRS 33.020 is hereby amended to read as follows:

33.020 1. If it appears to the satisfaction of the court from specific facts shown by a verified application that an act of domestic violence has occurred or there exists a threat of domestic violence, the court may grant a temporary or extended order. A court shall only consider whether the act of domestic violence or the threat thereof satisfies the requirements of NRS 33.018 without considering any other factor in its determination to grant the temporary or extended order.

2. A temporary or extended order must not be granted to the applicant or the adverse party unless the applicant or the adverse party has requested the order and has filed a verified application that an act of domestic violence has occurred or there exists a threat of domestic violence. ***If the applicant reasonably believes that disclosing his or her address and contact information in the application would jeopardize his or her safety, the applicant may decline to disclose his or her address and contact information in the application. If the applicant declines to disclose his or her address and contact information in the application, then such information:***

(a) Must be disclosed to the court and, for criminal justice purposes, to any ~~appropriate law enforcement~~ other authorized agency of criminal justice to allow the ~~law enforcement~~ agency of criminal justice to carry out any duty required pursuant to NRS 33.017 to 33.100, inclusive, and section 1 of this act;

(b) Must be maintained in a separate, confidential, electronic document or database which is not publicly accessible; and

(c) Must not be released, disclosed or made accessible to the public, except as authorized by the court.

3. The court may require the applicant or the adverse party, or both, to appear before the court before determining whether to grant the temporary or extended order.

4. A temporary order may be granted with or without notice to the adverse party. An extended order may only be granted after notice to the adverse party and a hearing on the application.

5. A hearing on an application for an extended order must be held within 45 days after the date on which the application for the extended order is filed. If the adverse party has not been served pursuant to NRS 33.060 or 33.065 and

fails to appear at the hearing, the court may, upon a showing that law enforcement, after due diligence, has been unable to serve the adverse party or that the adverse party has sought to avoid service by concealment, set a date for a second hearing which must be held within 90 days after the date on which the first hearing was scheduled.

6. If the adverse party has not been served pursuant to NRS 33.060 or 33.065 and fails to appear on the date set for a second hearing on an application for an extended order pursuant to subsection 5, the court may, upon a showing that law enforcement, after due diligence, has been unable to serve the adverse party or that the adverse party has sought to avoid service by concealment, set a date for a third hearing which must be held within 90 days after the date on which the second hearing was scheduled.

7. The court shall rule upon an application for a temporary order within 1 judicial day after it is filed.

8. If it appears to the satisfaction of the court from specific facts communicated by telephone to the court by an alleged victim that an act of domestic violence has occurred and the alleged perpetrator of the domestic violence has been arrested and is presently in custody pursuant to NRS 171.137, the court may grant a temporary order. Before approving an order under such circumstances, the court shall confirm with the appropriate law enforcement agency that the applicant is an alleged victim and that the alleged perpetrator is in custody. Upon approval by the court, the signed order may be transmitted to the facility where the alleged perpetrator is in custody by electronic or telephonic transmission to a facsimile machine. If such an order is received by the facility holding the alleged perpetrator while the alleged perpetrator is still in custody, the order must be personally served by an authorized employee of the facility before the alleged perpetrator is released. The court shall mail a copy of each order issued pursuant to this subsection to the alleged victim named in the order and cause the original order to be filed with the court clerk on the first judicial day after it is issued.

9. In a county whose population is 52,000 or more, the court shall be available 24 hours a day, 7 days a week, including nonjudicial days and holidays, to receive communications by telephone and for the issuance of a temporary order pursuant to subsection 8.

10. In a county whose population is less than 52,000, the court may be available 24 hours a day, 7 days a week, including nonjudicial days and holidays, to receive communications by telephone and for the issuance of a temporary order pursuant to subsection 8.

11. The clerk of the court shall inform the protected party upon the successful transfer of information concerning the registration to the Central Repository for Nevada Records of Criminal History as required pursuant to NRS 33.095.

12. As used in this section, “agency of criminal justice” has the meaning ascribed to it in NRS 179A.030.

Sec. 4. This act becomes effective on July 1, 2021.

Assemblywoman Carlton moved the adoption of the amendment.

Remarks by Assemblywoman Carlton.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 451.

Bill read third time.

Remarks by Assemblywomen Jauregui, Black, and Carlton.

ASSEMBLYWOMAN JAUREGUI:

Assembly Bill 451 appropriates \$2,530,292 from the State General Fund to the Office of the Secretary of State for the replacement of computer hardware and software.

ASSEMBLYWOMAN BLACK:

In March 2020, the Governor overreacted to the COVID pandemic and shut down the state without consulting with, let alone getting approval from the Nevada Legislature. Because of the hole the Governor's shutdown orders created in our budget, this body convened in a special session last July, drained our Rainy Day Fund, and approved various spending cuts. Since that time, legislators have found some extra money in sofa cushions and it is burning a hole in our pocket.

So instead of first replenishing the Rainy Day Fund, there is a rush to spend the money on restoring cuts that were deemed nonessential last July. When you add up all these items, a penny here and a penny there, we are talking some real money. By my calculation, over \$155 million in total spending. This is fiscally reckless, especially in light of today's ruling by the Nevada Supreme Court that the 2019 Legislature unlawfully imposed around \$100 million in tax hikes that now must be returned to taxpayers.

Most of these appropriations are included in next year's budget. Instead of spending the money this year, we should do the fiscally responsible thing and use this money to replenish the Rainy Day Fund that was drained last summer or use the money to cover the loss because of the Nevada Supreme Court's decision. As such, I will be voting against all appropriation requests and encourage my colleagues to do the same.

ASSEMBLYWOMAN CARLTON:

This is an appropriation for computer hardware. It is perfectly acceptable to process this at this time. Typically, the process is to get all the Assembly bills out of the Assembly and into the Senate so that when we get closer to the end of session, everything is staged in the right place so that we can move it all appropriately. This is fiscally sound; I would never insinuate that our staff or the Committee would do something that was not fiscally sound.

There are ongoing conversations, in an open forum, about how the CARES [Coronavirus Aid, Relief, and Economic Security Act] money, the HEERF [Higher Education Emergency Relief Fund] money, the GEAR [Gaining Early Awareness and Readiness] money, and the Rescue [American Rescue Plan of 2021] money will be handled in committee. With that, Mr. Speaker, I believe we have cleared the record on this.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 460. This appropriation hits to the heart of kids going on field trips. I do not know about you, but those were some of the best days in elementary and high school, when we got to go on field trips. When we come out of this pandemic and children can get back to what they really need to do, this gives the resources to the school districts to be able to provide children busses to go on field trips.

I will give the body a clear heads-up. As AB 460 leaves this room and passes the Wallie Warren clock, and enters the Senate, I plan on proposing an amendment to the bill, if the time is appropriate, to make sure that there are more dollars available for field trips in the future.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 467. Over the years, we have made numerous appropriations to the radio system in this state. There was a day, when my husband was riding in a car as a Parole and Probation officer, where when he made the call, the call went to Carson City, and maybe the backup showed up in Las Vegas when he needed it.

These dollars going to this shared radio system will mean public safety officers, and everyone who needs this system, especially when we get into fire season, will be able to have the communicability they need to take care of the business of this state.

ASSEMBLYMAN ROBERTS:

I rise in support of this Assembly Bill 467 because public safety is important. Our public safety officers are important, and they need this equipment to remain safe in this state. I would appreciate everyone's support.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 475. This appropriation goes to the Governor Guinn Millennium Scholarship Program. I had the honor in my first session here in this building, at the north end of the building, to support this scholarship program. I remember the evening that Governor Guinn and I stood in the Old Globe and debated how this money should be spent. It is a very dear memory to me. I really wanted it to focus more on health care, but he truly believed that making sure that our Nevada students that graduated from a Nevada high school had an opportunity to go to college when there were not other opportunities there for them. He convinced me and it has gone forward. We have done everything we can to shore this up over the years and I believe, no matter what happens in the future, I would hope all of my colleagues that follow behind me value this scholarship and keep it going. We always hear the good stories of the kids for whom this scholarship made the difference in their lives.

ASSEMBLYMAN HAFEN:

I rise in support of Assembly Bill 475. I would like to thank my colleague from District 14. I am a recipient of the Millennium Scholarship, as I know a few other of my colleagues are. Without that, a lot of us would not have been able to go to college. I urge my colleagues to also support this bill. Our education in this state is in dire need of additional help, and today we have the opportunity to send kids to school for a higher education and to further their degrees.

ASSEMBLYWOMAN TOLLES:

I rise in support of Assembly Bill 475. I have had countless students over the years who have taken advantage of these scholarships, and it has made a difference for their future and the rest of their lives. It is part of building our workforce here in Nevada and making sure that we keep our Nevada students here, contributing to our economy. I urge all my colleagues to support.

ASSEMBLYWOMAN HANSEN:

I rise in support of Assembly Bill 475 to fund Millennium Scholarships. As the mother of eight children who, I am proud to say, were all recipients of the Millennium Scholarship, it was a great blessing for them and an incredible blessing in our personal lives. We all know that college is expensive. I am grateful to the state for this program, and I am proud to be able to support this measure.

ASSEMBLYMAN WHEELER:

I also rise in support of Assembly Bill 475. For those of us that were thinking that this should be in some other budget and not a line item, this has always been a line item. There is no other budget it could go into. This is a great program. I will be supporting it.
