

**THE FIFTIETH DAY**

---

CARSON CITY (Monday), March 22, 2021

Senate called to order at 11:51 a.m.

President Marshall presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Don Baumann.

Almighty God, as we begin this week and this day for the Senate, we thank You for the dedication of each Senator, each staff member and all of the support personnel who make government work in our State. We know that a heart to serve Nevada and make it a little bit better than it was before unites everyone who serves in this Chamber.

Your timeless counsel, to "do to others what you would have them do to you" is so appropriate today. As our Nation has been wracked by strife and incivility, may this Chamber and this Session be marked by that respect and kindness with which we ourselves would want to be treated.

We ask this in the Name of the Author of this teaching, the Lord Jesus.

AMEN.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

#### GENERAL FILE AND THIRD READING

Senate Bill No. 25.

Bill read third time.

Remarks by Senator Denis.

Senate Bill No. 25 repeals provisions in NRS chapter 372, State 2-percent rate, and NRS chapter 374, 2.6 percent Local School Support Tax rate, to maintain the State's compliance with the Streamlined Sales and Use Tax Agreement of which Nevada is a full member state.

The bill eliminates a requirement of existing law which predates Nevada's adoption of the Streamlined Sales and Use Tax Agreement and which requires the Department of Taxation (DOT), in determining whether food intended for human consumption is subject to the sales and use tax, to base its determination on whether the food is intended for immediate consumption and not on the type of establishment where the food is sold.

Based on regulations adopted pursuant to Legislative Counsel Bureau File No. R056-18, filed on June 8, 2020, the DOT makes its determination on whether food for human consumption is subject to the sales and use tax based on the percentage of food sold by the seller that qualifies as prepared food.
