MOTIONS, RESOLUTIONS AND NOTICES

Pursuant to Senate Standing Rule No. 134.1(a), Senate Majority Leader Cannizzaro has authorized Senator Cannizzaro to use remote-technology systems to attend, participate, vote and take any other action in the proceedings of the Senate.

Senator Spearman has returned to full participation in the Senate Chamber, and the use of remote-technology systems to attend, participate, vote and take any other action in the proceedings of the Senate is no longer necessary.

Senate Concurrent Resolution No. 5.

Resolution read.

Senator Spearman moved the adoption of the resolution.

Remarks by Senators Spearman, Donate, Hansen and Hardy.

SENATOR SPEARMAN:

Senate Concurrent Resolution No. 5 declares that systemic racism and structures of racial discrimination constitute a public-health crisis magnified by the disproportionately high impact of the Coronavirus Disease of 2019 on communities of color. The resolution affirms a commitment to incorporate issues related to systemic racism and structures of racial discrimination into the regular business of the Legislature. It requests that federal funding be distributed equitably based on the percentage of members of black, indigenous and other persons of color communities to address issues that disproportionately affect such persons in direct proportion to their disadvantages by individual racial category. It urges support for local, State, regional, and federal initiatives to understand, address and dismantle systemic racism and its impact on economic development, public safety and the delivery of human and social services.

SENATOR DONATE:

I would like to commend my colleague from Senate District 1 for bringing this resolution forward. Systemic racism is a public-health crisis. Senate Concurrent Resolution No. 5 reestablishes an observation we have known for many years and that lies with the negative implications that have resulted in society through the presence of racism, xenophobia and discrimination.

COVID-19 has magnified the disparities that affect marginalized communities and the injustices that thrive amongst Nevada families who have been ignored for far too long. We need to do everything we can to limit the progression of disease. That means bringing to light the barriers that have existed for centuries in our governmental institutions. To eliminate systems of oppression, we need to prioritize efforts and policies that will reduce racial hierarchies, most of which were established through colonization. This means standing up against the vilification of others and removing barriers that stand in the way for access to health care.

This resolution clarifies that Nevada stands together to defeat racism in the public-health sector. I urge my colleagues to support this resolution.

SENATOR HANSEN:

I am going to vote against Senate Concurrent Resolution No. 5. I wish I could go back and change my vote on another bill, S.C.R. No. 1, which was in the 2020 Special Session, where we are claiming the health-care system of Nevada, and apparently across the United States, is systemically racist. That is absurd. My son is a doctor. My mom was a nurse and a close friend of Bernice Martin Mathews. The whole concept that there is a form of systemic racism in the health-care industry is total nonsense. For decades, they have gone out of their way to try to help everyone, irrespective of race, creed or color. This is an insult to all of those who work in our health-care industry. It says they are all a bunch of racists. They came up with statistics that seem to point out our health-care system in Nevada has been forever discriminating against everybody. I have watched people in this industry and know a bunch of them. Three of my four daughters are nurses as is one of my daughters-in-law. This is an insult to that entire industry. I am tired of

everything, from the HOAs to the food-distribution industry, being seen as inherently biased and racist. I do not buy it and am voting "no."

SENATOR SPEARMAN:

Senate Concurrent Resolution No. 5 does not say the system is racist. It does say, however, that there is structural racism in the system. I have family and friends in the health-care system, so I would not dare denigrate the work they do. I applaud the efforts of health-care systems across the world who have helped us get through most of the pandemic. We still have a ways to go.

A doctor in Indiana went into a hospital and knew exactly what was wrong, she had COVID-19. The medical staff, primarily the attending physician, did not listen to her. This doctor, who had a medical degree, died because they did not listen to her.

I could go on and on about this, but we do not have that many days left in the Session. This does not say the system is racist. It says structural racism occurs. It may be difficult for some who have not experienced the cold-hard reality of racism to see that. We all learn, and we all grow. I was not born with privilege, and I have lived with structural racism all of my life. Last week, the Director of the CDC said the same thing. Racism is a public- health crisis. That is why Senate Concurrent Resolution No. 5 is necessary.

SENATOR HARDY:

Individually, we have relationships with people who come from different backgrounds. We pride ourselves on the reality that we are friends. We enjoy their company, and we do things with them. It is sometimes difficult to extrapolate our individual experiences to the grander society. I remember Senator Washington, who served in this Body, talking to us privately about giving a lecture to her children. It was about how to behave when going out and how to comport themselves to stay out of trouble. For me, it was an insight that helped me realize there are people who suffer and who do not understand why someone looks at them differently.

I go back to the reality of demographic changes including where one lives, where one is from or what one's job is. Demographism and racism are closely linked to the process of how we deal with one another. Individually, we can feel good about how we feel about one another. Institutionally, we would not be able to see clearly that some do not see others as we do.

I would be supportive of Senate Concurrent Resolution No. 5 to the point where, when talking about COVID-19, we know some people were at higher risk than others. One of the things I regret is we did not say those who are at higher risk should be vaccinated first. We missed an opportunity to do that.

When we start looking at others and ourselves, we have to look at others through their eyes instead of our own. If someone else perceives it, that is their reality. I hope I would be sensitive enough to see life through other people's eyes and be able to appreciate where they are coming from and treat them appropriately. One blood is as precious in the eyes of my Heavenly Father as any other is. I hope I can portray that, and that I can learn how to do that in a way that will lift everyone and help everyone be able to see themselves in the mirror of life as one Eternal Father in heaven.

SECOND READING AND AMENDMENT

Senate Bill No. 107.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 100.

SUMMARY—Makes various changes relating to the statute of limitations for certain causes of action. (BDR 2-872)

AN ACT relating to civil actions; establishing ~~for a 4-year~~ provisions relating to the statute of limitations for commencing an action in tort for common-law wrongful termination of employment; revising provisions relating to the

default statute of limitations for certain causes of action whose statute of limitations is not otherwise expressly prescribed by law; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth a 2-year statute of limitations for commencing an action to recover damages for personal injury. (NRS 11.190) By default, existing law also applies a 4-year statute of limitations to certain causes of action whose statute of limitations is not otherwise expressly prescribed by law. (NRS 11.220) Existing law does not expressly prescribe a statute of limitations for commencing actions in tort for common-law wrongful termination of employment, and the Nevada Supreme Court has held that such actions are governed by the 2-year statute of limitations for commencing actions to recover damages for personal injury. (*Patush v. Las Vegas Bistro, LLC*, 135 Nev. 353 (2019)) Section ~~11~~ 1.5 of this bill expressly establishes a ~~4-year~~ 2-year statute of limitations for commencing an action in tort for common-law wrongful termination of employment. However, section 1.5 provides that the statute of limitations for such an action is tolled from the date that an administrative complaint relating to the termination of employment is filed with a federal or state agency until 93 days after the conclusion of the administrative proceedings concerning the complaint. Section 2 of this bill requires the default statute of limitations to apply to certain causes of action whose statute of limitations is not otherwise prescribed by law, regardless of whether the underlying cause of action is analogous to any other cause of action with a statute of limitations expressly prescribed by law. Section 3 of this bill provides that the amendatory provisions of this bill apply to an action commenced on or after the effective date of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~NRS 11.190 is hereby amended to read as follows:~~
~~11.190 Except as otherwise provided in NRS 40.4639, 125B.050 and 217.007, actions other than those for the recovery of real property, unless further limited by specific statute, may only be commenced as follows:~~
~~1. Within 6 years:~~
~~(a) Except as otherwise provided in NRS 62B.420 and 176.275, an action upon a judgment or decree of any court of the United States, or of any state or territory within the United States, or the renewal thereof.~~

~~—(d) Except as otherwise provided in NRS 112.230 and 166.170, an action for relief on the ground of fraud or mistake, but the cause of action in such a case shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the fraud or mistake.~~

~~—(e) An action pursuant to NRS 40.750 for damages sustained by a financial institution or other lender because of its reliance on certain fraudulent conduct of a borrower, but the cause of action in such a case shall be deemed to accrue upon the discovery by the financial institution or other lender of the facts constituting the concealment or false statement.~~

~~(b) An action against an officer, or officer de facto for money paid to the officer under protest, or seized by the officer in his or her official capacity, as a collector of taxes, and which, it is claimed, ought to be refunded. (Deleted by amendment.)~~

Sec. 1.5. Chapter 11 of NRS is hereby amended by adding thereto a new section to read as follows:

1. An action in tort for common-law wrongful termination of employment must be commenced within 2 years after the date of the termination of employment.

2. The time limitation set forth in subsection 1 is tolled from the date that an administrative complaint relating to the termination of employment is filed with a federal or state agency until 93 days after the conclusion of the administrative proceedings concerning the complaint.

Sec. 2. NRS 11.220 is hereby amended to read as follows:

11.220 An action for relief, not hereinbefore provided for, must be commenced within 4 years after the cause of action shall have accrued ~~{ }~~, regardless of whether the underlying cause of action is analogous to that of any other cause of action with a statute of limitations expressly prescribed by law.

Sec. 3. The amendatory provisions of this act apply to an action commenced on or after the effective date of this act.

Sec. 4. This act becomes effective upon passage and approval.

Senator Scheible moved the adoption of the amendment.

Remarks by Senator Scheible.

Amendment No. 100 to Senate Bill No. 107 provides for a two-year statute of limitations to commence an action for wrongful termination. The statute of limitation is tolled during consideration of any pending related State or federal administrative charge on the matter and begins 93 days after the exhaustion of any such claim if that exhaustion occurs after two years from the date the claim accrues.

Senate Bill No. 19.

Bill read third time.

Remarks by Senator Ohrenschaal.

Senate Bill No. 19 establishes provisions in accordance with federal law that allow certain qualified entities to obtain information on the records of criminal history of employees, volunteers, applicants and other covered individuals of the entity who have access to children, elderly persons or disabled persons. Such a qualified entity must create an account with the Central Repository for Nevada Records of Criminal History, Repository, provide any person subject to these requirements written notification of his or her rights and obtain a signed waiver prior to conducting a records screening. The person's fingerprints must be submitted to the Repository and forwarded to the Federal Bureau of Investigation as part of this process. Qualified entities must determine, after receiving information under these provisions, whether the person is fit to have access to vulnerable persons.

The bill contains certain liability protections for the qualified entity and the State, its political subdivisions, agencies and employees regarding this process and authorizes the Repository to audit any qualified entity that submits a request for screening for compliance with all applicable State and federal laws.

Senate Bill No. 66.

Bill read third time.

Remarks by Senator Denis.

Senate Bill No. 66 requires the Office of Science, Innovation and Technology in the Office of the Governor to develop a Statewide system of gathering data relating to residential internet service and telecommunications technology accessibility. The bill also requires the Office to collaborate with various entities to ensure pupils have access to Internet and technology. It recommends minimum standards for devices and provides to conduct a gap analysis regarding the lack of pupil connectivity. A plan is to be developed concerning such gaps and report on these responsibilities to the Governor, the State Board of Education and the Legislature.

Furthermore, Senate Bill No. 66 requires school districts and the State Public Charter School Authority to report related information to the Office of Science, Innovation and Technology, and it authorizes the Office and Nevada's Department of Education to adopt any necessary regulations.

Remarks by Senator Ohrenschall.

Senate Bill No. 71 revises various portions of the Uniform Unclaimed Property Act. Among other things, the bill defines "virtual currency" to exclude "game-related digital content" such as digital tokens or points that cannot be used outside of a game or game platform or otherwise monetized. It allows the unclaimed property administrator to initiate and facilitate the payment or delivery of property to an owner without the owner filing a claim in certain circumstances upon review and confirmation of the identity of the apparent owner. It revises provisions concerning a property holder's domicile, shortens the timeline for a holder to deliver property to the administrator, and it requires a person making a claim on behalf of an estate to prove that they are affiliated with the estate. Documents generated in connection with such a claim are confidential and requires the administrator to make a "good faith" effort to notify persons who have a statutory duty with respect to unclaimed property that the administrator intends to examine pertinent records. It allows the administrator to require that records be furnished in certain formats and authorizes the administrator to issue and enforce administrative subpoenas to obtain such records. It requires a property holder to maintain any records used to justify excluding certain information from a report required to be filed with the administrator. The bill increases from 10 percent to 20 percent the maximum percentage of the value of property that a firm hired to locate, deliver, recover or assist in the recovery of property may charge the property owner as a commission under certain circumstances.

Remarks by Senators Ohrenschall and Pickard.

SENATOR OHRENSCHALL:

Senate Bill No. 95 is an omnibus measure that revises various provisions governing Nevada business entities. Among other things, the bill transfers, from the clerk of the court to the party who serves the document, responsibility for mailing certain documents to a company's management. It moves the definition of "publicly traded corporation" to a different section of statute to make it more generally applicable. It allows a corporation to include a federal forum selection clause in its articles of incorporation or bylaws. It clarifies a corporation's fiduciary duties and expands the definition of "distribution" regarding classes or series of shares. The bill revises provisions concerning the ability of a corporation to hold virtual meetings and who may attend such meetings.

Senate Bill No. 95 revises provisions concerning the applicability of certain voting agreements and time limits placed on such agreements as well as clarifying the voting requirements for certain types of business entities. It expands a corporation's ability to indemnify managers in certain circumstances. It clarifies that certificate of membership interest requirements for some associations do not apply to common-interest communities. It clarifies the terms "distribution" and "in interest" as it relates to limited-liability companies and their members. It revises provisions concerning the notification of stockholders concerning actions that create dissenter's rights. The bill clarifies provisions governing a stockholder's demand for payment of shares and requires a stockholder to file a statement of intent under certain circumstances.

SENATOR PICKARD:

I want to commend my colleague from Senate District 21 for his work, particularly with Mr. Robert Kim from the Business Law section of the Nevada State Bar. They worked long hours to hone Senate Bill No. 95 and resolve some discrepancies and problems.

Remarks by Senators Harris and Hansen.

SENATOR HARRIS:

Senate Bill No. 108 requires instruction relating to implicit bias and cultural competency be provided to any person who is employed in the juvenile-justice system and who has routine contact with juveniles in their work, including employees of regional facilities for treatment and rehabilitation. The impact of trauma and adverse childhood experiences on decision making and behavior must be included in the training. Regulations governing the implementation of such training must be developed by the Division of Child and Family Services of the Department of Health and Human Services. The responsibility for providing the training rests with an individual's employer. The Nevada Supreme Court is authorized to provide by rule for training for any magistrate, judge, master or employee in the juvenile court system who routinely interacts with system-involved juveniles.

SENATOR HANSEN:

Senate Bill No. 108 is redundant; they are already doing that. After working for a decade with the fine people in the juvenile-justice system, I have a hard time accepting there is systemic racism there and that they all need to take re-education courses in implicit bias theory every two years. It is an insult to all of the people who have worked hard to help these almost disproportionately minority kids, based on numerous discussions I have had with them on these issues. My vote is symbolic because they are already doing it. It is wrong to tell the people who have dedicated their lives to helping all children, of all ethnic backgrounds, work their way through the criminal-justice system and, in effect, claim that even though they did not realize it, they all have some systemic racism and need to take re-education courses. I am a "no" on this bill. I salute the criminal-justice people for all the great work they have done for decades for all of the children of the State of Nevada.

Senate Bill No. 109.

Bill read third time.

Remarks by Senators Spearman and Hansen.

SENATOR SPEARMAN:

Senate Bill No. 109 requires a governmental agency that collects demographic information related to a person's race or ethnicity to also request information related to a person's sexual orientation and gender identity or expression. The bill provides, with limited exception, that such information is confidential. It authorizes the agency to use such information only for certain purposes. It provides that no person shall be required to provide information related to the person's sexual orientation and gender identity or expression. The bill requires a governmental agency to submit to the Director of the Legislative Counsel Bureau an annual report regarding information received regarding sexual orientation and gender identity or expression.

Agencies without the necessary funding and resources to begin implementing the collection of sexual orientation and gender identity or expression data are not required to collect such data until January 1, 2024. Agencies that have not implemented collection of the data on or before January 1, 2022, must submit a progress report by December 31, 2022, and annually thereafter, setting forth reasons for not implementing the data collection and the actions taken by the agency toward the data collection.

SENATOR HANSEN:

It amazes me how much we have changed in Nevada. There was a time when the idea of asking about someone's sexuality or race was forbidden, and it was none of our business. People have an inherent right to privacy regarding certain things. I realize this bill is supposedly going to be voluntary, but the reality is that if any of this data is collected, it must have some level of compliance to be of any value. This is incredibly invasive. It is none of our business to be asking people about their sexual preferences. The idea that we will create a database based on highly invasive questions about people's rights to complete privacy is wrong. It is none of our business what others do sexually. I am amazed at the transition we have had to where we now want the government to ask about people's race, ethnicity and even personal things regarding their sexuality.

I urge my colleagues to recognize that all Nevadans have an inherent right to privacy. It is not the government's business to be asking these types of questions or to be collecting data on the answers. Many people will be highly offended to be asked these questions, therefore skewing the data so it has no value in the real world. I urge my colleagues to vote for privacy and to keep the government out of our bedrooms and racial backgrounds. Vote "no" on Senate Bill No. 109.

Remarks by Senators Ratti, SeEVERS Gansert, Scheible and Spearman:

SENATOR RATTI:

Senate Bill No. 156 expands the authority of the Division of Public and Behavioral Health of the Department of Health and Human Services (DHHS) to issue an endorsement as a crisis-stabilization center not only to a psychiatric hospital but also to any licensed hospital that meets certain requirements. The bill expands the list of organizations by which a hospital may be accredited to qualify for renewal of an endorsement, and it exempts rural hospitals from the accreditation requirement.

Senate Bill No. 156 expands the existing requirement that DHHS take any action necessary to ensure crisis-stabilization services provided at a psychiatric hospital with a crisis-stabilization center endorsement are reimbursable under Medicaid to include such services provided at any hospital with this endorsement.

Finally, the bill makes conforming changes to existing law requiring health-maintenance organizations or managed-care organizations that provide services through Medicaid or the Children's Health Insurance Program to negotiate in good faith to include a hospital with an endorsement as a crisis-stabilization center in their provider network.

SENATOR SEEVERS GANSERT:

I urge support of Senate Bill No. 156. I agree with my colleague from Sparks. We need to be able to provide greater access. The funding mechanism from Medicaid in this bill will help that, as will availability throughout the State. I would also like to thank those who have been on the frontlines for so long. They are finally getting more support. I urge your support.

SENATOR SCHEIBLE:

I want to express my support for Senate Bill No 156. I encounter many people in the criminal-justice system who will be affected by this bill. I am heartened to see that throughout the process, there are many people who would rather utilize a mental-health response to those crises. This will help everybody.

It will allow first responders to have additional tools in their tool belt. It will give them options and keep people safe who are experiencing a mental-health crisis. I hope we see fewer of them in our jails and courtrooms and more of them getting the treatment they need.

SENATOR SPEARMAN:

I strongly support Senate Bill No. 156. Although it is not explicitly stated, this will help veterans who have not received the kind of medical attention for their mental-health issues they should have. Until we get to the place where we are properly funding the Veteran's Administration, this is one way we can ensure our veterans get the help they need.

Bill read third time.

Remarks by Senator Ohrenschall.

Senate Bill No. 344 makes it unlawful for a person, unless he or she meets one of several exemptions, to import, possess, sell, transfer or breed a dangerous, wild animal or allow any member of the public to come in direct contact with a dangerous, wild animal. Among the exemptions are certain resort hotels and qualified visual-media productions. Veterinarians and certain law enforcement personnel are authorized to deal with dangerous, wild animals in carrying out their duties. A person who possesses a dangerous, wild animal before July 1, 2021, is allowed to keep that animal if the person meets certain requirements, including registering with the sheriff or metropolitan police department, as applicable, and the local animal-control authority with jurisdiction over the premises where the dangerous, wild animal is located within two months after July 1, 2021, and annually thereafter.

A law enforcement officer or an animal-control agent may seize a dangerous, wild animal if the agent believes the owner of the animal has violated certain provisions. A person or entity given temporary custody of a dangerous, wild animal may petition a court to gain compensation from the person from whom the animal was seized.

Lastly, this bill provides that a violation of the provisions regarding the breeding, importation, possession, sale or transfer of dangerous, wild animals is punishable as a misdemeanor. This bill provides that its provisions must not be construed as prohibiting a county or a city from adopting or enforcing any rule of law that places additional restrictions or requirements on the breeding, importation, possession, sale or transfer of a dangerous wild animal.

Amendment No. 176.

SUMMARY—Revises provisions governing the program for the operation of vending facilities by licensees who are blind. (BDR 38-320)

AN ACT relating to persons with disabilities; providing for the training of licensees under the program for the operation of vending facilities by licensees who are blind; establishing procedures for the resolution of certain disputes related to the program; revising certain terminology related to the program; revising provisions establishing a priority of right for the operation by licensees of vending facilities in or on certain public buildings and properties; authorizing the operation of vending facilities by licensees in or on the buildings and properties of certain agencies; providing for the election of the Nevada Committee of Vendors Who Are Blind and prescribing certain duties of the Committee; authorizing contracts under which a licensee operates a vending facility on certain private property to provide for the payment of an incentive to the owner of the property; making certain other revisions relating to the operation of the program; adding exceptions to criminal provisions governing certain unauthorized sales, solicitations of orders and deliveries in or on public buildings or property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates a program to establish vending stands on public property to be operated by persons who are blind. (NRS 426.630-426.720) Sections 5-19 of this bill revise certain terminology, including: (1) substituting the term "vending facility" for "vending stand"; (2) using the term "licensee" to describe a person who is blind and who is licensed by the Bureau of Services to Persons Who Are Blind or Visually Impaired in the Department of Employment, Training and Rehabilitation to operate a vending facility; and (3) using the standard term ~~["department or agency"]~~ "public entity that has care, custody and control of a public building or property" to refer to the governmental agency in charge of a public building or property. Section 2 of this bill requires the Bureau to provide certain training and assistance for licensees and persons who wish to become licensees.

Existing law: (1) defines the term "public building" or "property" to mean any building, land or real property owned, leased or occupied by a department or agency of the State or its political subdivisions, except for public elementary

and secondary schools, the Nevada System of Higher Education, the Nevada State Park System and the Department of Corrections; and (2) provides that licensees have priority of right to operate vending stands in or on any such public buildings or properties with suitable locations for a vending stand. (NRS 426.630, 426.640) Section 6 of this bill expands the definition to include an airport authority operating in this State and a department of aviation which is operated by a political subdivision of this State, excluding certain building, land or other real property that is leased or operated for the purposes of live entertainment. Section 7 of this bill grants the Bureau the right of first refusal, on behalf of licensees, with regard to the operation of a vending facility in or on a public building or property. Section 11 of this bill: (1) removes authorization for the Bureau to establish a vending facility in or on a public building or property with the consent of the head of a department or agency responsible for the maintenance of a public building or property; and (2) if the Bureau has determined that the public building or property is a suitable site for a vending facility, instead requires the ~~department or agency~~ public entity having care, custody and control of a public building or property to cooperate with the Bureau to discuss options for a vending facility and, upon reaching agreement, cooperate to establish a vending facility. ~~if the Bureau has determined that the public building or property is a suitable site for a vending facility.~~ Section 3 of this bill provides for the resolution of a dispute between the Bureau and a ~~department or agency~~ public entity that has care, custody and control of a public building or property by the Hearings Division of the Department of Administration. Section 24 of this bill makes a conforming change to remove a provision establishing procedures for resolving a dispute when a department or agency rejects establishment of a vending facility.

Section 7 authorizes the operation of vending facilities by licensees in or on buildings or properties of an airport authority or department of aviation, under certain conditions, the Nevada System of Higher Education, the Nevada State Park System and the Department of Corrections with the approval of the Bureau and the applicable state agency.

Existing law requires a state or local department or agency to notify the Bureau at least 30 days before reactivation, leasing, releasing, licensing or issuing a permit for the operation of a vending facility in or on a public building or property. (NRS 426.650) Section 8 of this bill: (1) moves back the deadline for such notification to at least ~~90~~ 60 days before the planned action; and (2) additionally requires a state or ~~local department or agency~~ public entity to notify the Bureau at least ~~90~~ 60 days before requesting proposals for, or occupying, a vending facility in or on a public building or property. Section 9 of this bill removes a requirement for annual notification of the Bureau concerning new construction, remodeling, leasing, acquisition or improvement of public buildings or properties at certain airports and instead requires notice to be provided within 30 days after the commencement of planning and design of the project, as is required by existing law for such a project on any other public building or property. (NRS 426.660)

Existing federal regulations: (1) require the state agency in charge of licensing blind vendors to provide for the biennial election of a State Committee of Blind Vendors; and (2) prescribe the duties of the Committee. (34 C.F.R. § 395.14) Existing regulations create the Nevada Committee of Vendors Who Are Blind. (NAC 426.080) Section 11 requires the Bureau to provide for the election of the Nevada Committee of Vendors Who Are Blind and provides for the active participation of the Committee in administrative decisions concerning the Vending Facility Program.

Section 11 also authorizes the Bureau to: (1) adopt certain regulations relating to the operation of the Vending Facility Program; and (2) enter into certain contracts relating to the operation of vending facilities. ~~Section 11 authorizes a licensee, with the approval of the Bureau, to utilize a third-party vendor to carry out any responsibilities relating to the operation of a vending facility.~~ Section 12 of this bill authorizes the Bureau to use certain money it receives pursuant to the Vending Facility Program for services related to the management of the Program.

Existing law: (1) authorizes the Bureau to establish a checking account for the interim operation of a vending facility if the licensee who operates the facility is unavailable; and (2) requires the Bureau to close such an account and make a check payable to the licensee for the remaining balance of the account if the licensee returns after a temporary disability. (NRS 426.677) Section 13 of this bill requires the Bureau to make a check payable to the licensee for the remaining balance of the account if the licensee is unable to return to operating the vending facility within 6 months after becoming unable to work.

Existing law authorizes the Bureau to establish a vending facility on private property if the property owner consents and enters into a contract with the Bureau. (NRS 428.685) Section 14 of this bill authorizes the Bureau to enter into such a contract pursuant to which the licensee may pay an incentive to the property owner for certain locations. Section 18 of this bill: (1) authorizes the Bureau, after actively consulting with the Committee of Vendors Who Are Blind, to utilize a nonprofit organization to manage any portion of the operations of the Vending Facility Program; and (2) requires any such arrangement to comply with certain federal regulations. Section 19 of this bill adds further exceptions from the existing criminal penalties for certain sales, solicitations of orders for or deliveries of commodities authorized for sale in or on any public building or property.

Sections 8 and 24 of this bill eliminate certain obsolete provisions.

Remarks by Senator Ratti.

Amendment No. 176 to Senate Bill No. 61 revises certain timelines and clarifies certain processes. It clarifies that a final decision by a hearing officer may be appealed to the district court. It revises the definition of "public building or property" to exclude an airport authority or department of aviation operated by a political subdivision of the State and any building, land or real property that is leased to a private entity or operated under an operating agreement for the purposes of live entertainment. It provides that vending facilities may be operated on the property of an airport authority or department of aviation if such entities choose to participate in the program.

Remarks by Senator Ratti.

Amendment No. 177 to Senate Bill No. 96 deletes the bill as introduced and, instead, makes various changes related to services for individuals with autism spectrum disorder. Specifically, it requires the Department of Health and Human Services (DHHS) to annually establish Medicaid fee-for-service reimbursement rates comparable to rates paid in other states for behavior analysts, assistant behavior analysts and registered behavior technicians. The Department must also establish reasonable limits on the number of hours such providers can bill for services provided to Medicaid recipients in a 24-hour period.

In addition, the Division of Health Care Financing and Policy of DHHS must provide training to such providers concerning these limits and annually report to the Legislature certain information regarding the provision of services to Medicaid recipients diagnosed with an autism spectrum disorder.

The amendment requires the Autism Treatment Assistance Program (ATAP) within the Aging and Disability Services Division of DHHS to post certain information online to help people obtain a diagnosis and services related to autism spectrum disorders and, when there is a waitlist for ATAP services, to use a risk-assessment tool to assess and identify those on the waitlist who have higher needs.

Senate Bill No. 284.

Bill read second time.

The following amendment was proposed by the Committee on Revenue and Economic Development:

Amendment No. 232.

SUMMARY—Revises provisions relating to transferable tax credits for affordable housing. (BDR 32-651)

AN ACT relating to taxation; revising the procedure for applying for and issuing transferable tax credits for affordable housing; requiring the recapture of transferable tax credits under certain circumstances; revising provisions limiting the amount of transferable tax credits for affordable housing that may be issued; eliminating the prospective expiration of the program of transferable tax credits for affordable housing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Housing Division of the Department of Business and Industry to issue transferable tax credits that are authorized to be taken against certain state taxes to the sponsor of a project for the acquisition, development, construction, improvement, expansion, reconstruction or rehabilitation of low-income housing, as defined by existing federal law. (NRS 360.860-360.870; 26 U.S.C. § 42(g))

Existing law requires a project sponsor who is applying for such transferable tax credits to submit to the Division, upon the completion of the project, a final application, a certification of costs and such other information as the Division may deem necessary to determine whether the project qualifies for the issuance of transferable tax credits. (NRS 360.867) Section 1 of this bill revises the procedure for the issuance of transferable tax credits so that transferable tax credits are issued before, rather than after, the project is completed. Specifically, section 1 requires the final application for transferable tax credits to be submitted not less than 45 days before the project is closed rather than upon completion of the project. Section 1 further requires that, upon completion of the project: (1) the project sponsor must submit to the Division a certification of costs of the project and such other information as the Division deems necessary to determine the final cost of the project; (2) the Division must determine, based on the final cost of the project as indicated in the certification of costs, whether the amount of transferable tax credits issued to the project sponsor is greater than the amount of transferable tax credits to which the project sponsor is entitled; (3) the Division must notify the project sponsor, the Department of Taxation, the Office of Finance, the Fiscal Analysis Division of the Legislative Counsel Bureau and the Nevada Gaming Control Board if the Division determines that the project sponsor is not entitled to any portion of the transferable tax credits issued to the project sponsor; and (4) the project sponsor is required to repay to the Department of Taxation or the Nevada Gaming Control Board, as applicable, the amount of transferable tax credits to which the project sponsor is not entitled. Finally, section 1 authorizes an entity to which a project sponsor transfers transferable tax credits to transfer those tax credits to ~~an affiliate or subsidiary~~ one or more of its subsidiaries or affiliates and requires the entity to notify the Division of such a transfer.

Existing law prohibits the Division from approving an application for transferable tax credits that is submitted after July 1, 2023, and provides for the expiration of the program of transferable tax credits for affordable housing

on January 1, 2030. (NRS 360.868; section 14 of chapter 594, Statutes of Nevada 2019, at page 3766) Section 2 of this bill removes the prohibition against approving an application received after July 1, 2023. Section 2 prohibits the Division from approving an application for transferable tax credits if doing so would cause the total amount of transferable tax credits approved over the lifetime of the program of transferable tax credits for affordable housing to exceed \$40,000,000. Section 3 of this bill removes the expiration date for the program of transferable tax credits for affordable housing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 360.867 is hereby amended to read as follows:

360.867 1. On behalf of a project, the project sponsor may apply to the Division for a certificate of eligibility for transferable tax credits which may be applied to:

- (a) Any tax imposed by chapter 363A or 363B of NRS;
- (b) The gaming license fees imposed by the provisions of NRS 463.370;
- (c) Any tax imposed by chapter 680B of NRS; or
- (d) Any combination of the fees and taxes described in paragraphs (a), (b) and (c).

2. To apply for a certificate of eligibility for transferable tax credits, the project sponsor must:

- (a) Submit an application on a form prescribed by the Division; and
- (b) Comply with the requirements to obtain an allocation of federal low-income housing tax credits which are set forth in the qualified allocation plan.

3. The Division shall:

(a) Review each application for a certificate of eligibility for transferable tax credits submitted pursuant to subsection 2 and any supporting documents to determine whether the requirements for eligibility for a reservation of transferable tax credits are met and the amount of transferable tax credit threshold points awarded to the project;

(b) Determine the amount of transferable tax credits for which the project may be eligible, which amount must equal the amount determined by the Division to be necessary to make the project financially feasible after considering all other sources of financing for the project; and

(c) Reserve the amount of transferable tax credits for which each project is determined to be eligible pursuant to paragraph (b) in the order of the amount of transferable tax credit threshold points awarded to each such project pursuant to paragraph (a) until a reservation is made for each project or the amount of transferable credits reserved for the fiscal year is equal to the amount of transferable tax credits which the Division is authorized to approve for the fiscal year pursuant to NRS 360.868, whichever occurs first. If the amount of transferable tax credits reserved for the fiscal year reaches the amount of transferable tax credits which the Division is authorized to approve

for the fiscal year pursuant to NRS 360.868 before each eligible project is reserved the full amount of transferable tax credits for which it is determined to be eligible pursuant to paragraph (b), the Division may take any action that the Division determines will ensure the maximum development of affordable housing in this State, including, without limitation, proportionally reducing the reservation of each project for which transferable tax credits are reserved or reserving for the last project to receive a reservation of transferable tax credits an amount of transferable tax credits that is less than the full amount of transferable tax credits for which the project was determined to be eligible pursuant to paragraph (b).

4. If the Division reserves transferable tax credits for a project pursuant to subsection 3, the Division shall provide written notice of the reservation which identifies the amount of the tax credits reserved for the project to:

- (a) The project sponsor;
- (b) The Department;
- (c) The Nevada Gaming Control Board;
- (d) The Office of Finance; and
- (e) The Fiscal Analysis Division of the Legislative Counsel Bureau.

5. The Division:

(a) Shall terminate a reservation of transferable tax credits if the project for which the reservation is awarded is not closed within the period specified in paragraph (a) of subsection 6 unless, before the expiration of that period, the Division receives from the project sponsor a written request for an extension of not more than 45 days. The Division may grant only one extension pursuant to this paragraph and, if the project is not closed before the expiration of the extension period, the Division must terminate the reservation of transferable tax credits. A request for an extension submitted pursuant to this paragraph must be accompanied by proof satisfactory to the Division that:

(1) The requirements for financing the project have been substantially completed;

(2) The delay in closing was the result of circumstances that could not have been anticipated by and were outside the control of the project sponsor at the time the application was submitted by the project sponsor; and

(3) The project will be closed not later than 45 days after the Division receives the request.

(b) May terminate a reservation of transferable tax credits if the Division determines that any event, circumstance or condition occurs for which a reservation of federal low-income housing tax credits may be terminated. If transferable tax credits are terminated pursuant to this paragraph, the Division may issue a reservation for the amount of transferable tax credits terminated to other projects eligible for transferable tax credits in the order of the amount of transferable tax credit threshold points awarded to each such project pursuant to paragraph (a) of subsection 3.

6. Except as otherwise provided in this section, to be issued transferable tax credits:

(a) Not later than 270 days after the Division provides written notice of the reservation of transferable tax credits pursuant to subsection 4, the project sponsor must demonstrate to the Division that the project has been closed by providing proof satisfactory to the Division that the project sponsor has:

(1) Purchased and holds title in fee simple to the project site in the name of the project sponsor.

(2) Entered into a written agreement with a contractor who is licensed in this State to begin construction.

(3) Obtained adequate financing for the construction of the project. The applicant must provide written commitments or contracts from third parties.

(4) Executed a written commitment for a loan for permanent financing for the construction of the project in an amount that ensures the financial feasibility of the project. The commitment may be subject to the condition that the construction is completed and the project is appraised for an amount sufficient to justify the loan in accordance with the requirements of the lender for credit. If the project is a rural development project that receives loans or grants from the United States Department of Agriculture, the applicant must provide a form approved by the Division that indicates that money has been obligated for the construction of the project before the expiration of the period. An advance of that money is not required before the expiration of the period.

(b) ~~{Upon completion of the project,}~~ *Not less than 45 days before the project is closed,* the project sponsor must submit to the Division a final application for transferable tax credits on a form provided by the Division ~~{a certification of costs on a form provided by the Division}~~ and such other information as the Division deems necessary to determine whether the project qualifies for the issuance of transferable tax credits. Upon receipt of a final application pursuant to this paragraph, the Division shall complete a review of the project ~~{,}~~ and the project sponsor. ~~{and the certification of costs.}~~ If, after such review, the Division determines that the project complies with the requirements upon which transferable tax credits were reserved pursuant to this section and a declaration of restrictive covenants and conditions ~~{has been}~~ *will be* recorded in the office of the county recorder for the county in which the project is located:

(1) The Division shall:

(I) Determine the appropriate amount of transferable tax credits for the project, which must be the amount the Division determines is necessary to make the project financially feasible after all other sources of funding are allocated and paid toward the final cost of the project ~~{indicated in the certification of costs}~~ and may not exceed the amount of transferable tax credits reserved for the project pursuant to this section; and

(II) Notify the project sponsor that the transferable tax credits will be issued;

(2) Within 30 days after the receipt of the notice, the project sponsor shall make an irrevocable declaration of the amount of transferable tax credits that

will be applied to each fee or tax set forth in subsection 1, thereby accounting for all of the credits which will be issued; and

(3) Upon receipt of the declaration described in subparagraph (2), issue transferable tax credits to the project sponsor in the amount approved by the Division. The project sponsor shall notify the Division upon transferring any transferable tax credits. *An entity to which a project sponsor transfers any transferable tax credits may transfer those transferable tax credits to one or more of its subsidiaries or affiliates and shall notify the Division upon making any such transfer.* The Division shall notify the Department of Taxation, the Office of Finance, the Fiscal Analysis Division of the Legislative Counsel Bureau and the Nevada Gaming Control Board of all transferable tax credits issued, segregated by each fee or tax set forth in subsection 1, and of all transferable tax credits transferred, segregated by each fee or tax set forth in subsection 1.

7. *Upon completion of the project, the project sponsor shall submit to the Division a certification of costs on a form provided by the Division and such other information as the Division deems necessary to determine the final cost of the project. If, based upon the final cost of the project indicated in the certification of costs, the Division determines that the amount of transferable tax credits issued by the Division to the project sponsor is greater than the amount of transferable tax credits to which the project sponsor is entitled:*

(a) The Division shall notify the project sponsor, the Department of Taxation, the Office of Finance, the Fiscal Analysis Division of the Legislative Counsel Bureau and the Nevada Gaming Control Board that the project sponsor is required to repay the portion of the transferable tax credits to which the project sponsor is not entitled. The notice must specify the amount of transferable tax credits that the project sponsor is required to repay.

(b) The project sponsor shall repay to the Department of Taxation or the Nevada Gaming Control Board, as applicable, the portion of the transferable tax credits to which the project sponsor is not entitled.

8. The project sponsor may submit a request to the Administrator of the Division to protect from disclosure any information in the application which, under generally accepted business practices, would be considered a trade secret or other confidential proprietary information of the business. After consulting with the business, the Administrator of the Division shall determine whether to protect the information from disclosure. The decision of the Administrator of the Division is final and is not subject to judicial review. If the Administrator of the Division determines to protect the information from disclosure, the protected information:

- (a) Is confidential proprietary information of the business;
- (b) Is not a public record;
- (c) Must be redacted by the Administrator of the Division from any copy of the application that is disclosed to the public; and
- (d) Must not be disclosed to any person who is not an officer or employee of the Division unless the lead participant consents to the disclosure.

~~{8.}~~ 9. The Division may adopt any regulations necessary to carry out the provisions of NRS 360.860 to 360.870, inclusive.

~~{9.}~~ 10. The Nevada Tax Commission and the Nevada Gaming Commission:

(a) Shall adopt regulations prescribing the manner in which transferable tax credits described in this section will be administered.

(b) May adopt any other regulations that are necessary to carry out the provisions of NRS 360.860 to 360.870, inclusive.

~~{10.}~~ 11. As used in this section:

(a) "*Affiliate*" means a person who, directly or indirectly through one or more intermediaries, controls, is controlled by or is under common control with a specified person.

(b) "Certification of costs" means a report from an independent certified public accountant attesting:

(1) To the amount of the actual costs of construction of the project; and

(2) That those costs may be included in the eligible basis of the project pursuant to the provisions of 26 U.S.C. § 42.

~~{(b)}~~ (c) "*Subsidiary*" means an entity in which a person owns beneficially or of record 50 percent or more of the outstanding equity interests.

(d) "Transferable tax credit threshold points" means points awarded based on specific objectives determined by the Division through the dissemination of a strategic plan for the development of affordable housing created by the Division, the review of housing data and the receipt of input from persons interested in the development of affordable housing.

Sec. 2. NRS 360.868 is hereby amended to read as follows:

360.868 1. Except as otherwise provided in this subsection, the Division shall not approve any application for transferable tax credits submitted pursuant to NRS 360.867 if:

(a) Approval of the application would cause the total amount of transferable tax credits approved pursuant to NRS 360.867 for each fiscal year to exceed \$10,000,000. Any portion of the \$10,000,000 per fiscal year for which transferable tax credits have not previously been approved may be carried forward and made available for approval during the next or any future fiscal year . ~~ending on or before June 30, 2023.~~ If the Division determines that approval of an application that would cause the total amount of transferable tax credits approved pursuant to NRS 360.867 in a fiscal year to exceed \$10,000,000 is necessary to ensure the maximum development of affordable housing in this State through the approval of transferable tax credits pursuant to NRS 360.867, the Division may approve the application unless the approval of the application would cause the total amount of transferable tax credits approved pursuant to NRS 360.867 in the fiscal year to exceed \$13,000,000. If the Division approves an application for transferable tax credits that causes the total amount of transferable tax credits approved pursuant to NRS 360.867 in a fiscal year to exceed \$10,000,000, the Division must reduce the amount of transferable tax credits which may be approved pursuant to NRS 360.867 in

the next fiscal year by the amount of transferable tax credits approved in excess of \$10,000,000 in the previous fiscal year.

(b) ~~{The Division receives the application on or after July 1, 2023.}~~
Approval of the application would cause the total amount of transferable tax credits approved for all fiscal years pursuant to NRS 360.867 to exceed \$40,000,000.

2. The transferable tax credits issued to a project sponsor pursuant to NRS 360.867 expire 4 years after the date on which the transferable tax credits are issued to the project sponsor.

Sec. 3. Section 14 of chapter 594, Statutes of Nevada 2019, at page 3766, is hereby amended to read as follows:

Sec. 14. This act ~~is~~

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 348.

SUMMARY—Revises provisions governing orders for protection against high-risk behavior. (BDR 3-394)

AN ACT relating to public safety; ~~revising the persons authorized to file an application for an order for protection against high risk behavior; renaming~~ replacing the term "ex parte order" ~~to "temporary"~~ with "emergency order"; making various changes relating to applications for and the issuance of orders for protection against high-risk behavior; revising the persons to whom an adverse party must surrender ~~his or her~~ firearms; requiring a court to order the return of any surrendered firearm of an adverse party upon the expiration of an extended order for protection against high-risk behavior; revising provisions relating to the dissolution of orders for protection against high-risk behavior; eliminating the requirement for a court clerk or designee to provide assistance to certain persons relating to such orders; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~Existing law authorizes a family or household member who reasonably believes, or a law enforcement officer who has probable cause to believe, that a person poses a risk of causing personal injury by having or purchasing a firearm, to file a verified application for an ex parte or extended order for protection against high-risk behavior. (NRS 33.560) Section 4 of this bill removes the ability of a family or household member to file an application for an ex parte or extended order for protection against high-risk behavior.~~

Existing law establishes various provisions relating to ex parte and extended orders for protection against high-risk behavior. (NRS 33.500-33.670) Sections ~~1.1,~~ 1.7, 3, 7, 9, 10, 12-14 and 16-18 of this bill replace the term "ex parte order" with ~~"temporary"~~ "emergency order." Section 19 of this bill requires the term changes to be construed as having the same meaning for judicial interpretations that are rendered, issued or entered before the effective date of this bill.

Existing law authorizes a family or household member who reasonably believes, or a law enforcement officer who has probable cause to believe, that a person poses a risk of causing personal injury to himself or herself or another person by possessing or purchasing a firearm, to file a verified application for an ex parte or extended order for protection against high-risk behavior. (NRS 33.560) Section 4 of this bill requires: (1) an applicant to show that the person poses an imminent risk to the person or to others; and (2) removes the distinction between an application for an ex parte order and an application for an extended order, and instead requires the applicant to file a single application for an order for protection against high-risk behavior.

Existing law requires an application for an ex parte or extended order for protection to include: (1) the name of the person seeking the order; (2) the name and address, if known, of the adverse party; and (3) a detailed description of the conduct and acts constituting high-risk behavior. (NRS 33.560) In addition to the existing application requirements, section 4 requires the application to include any supplemental documents or information.

Section 1.3 of this bill establishes various procedures relating to hearings on an application for an order for protection against high-risk behavior.

Section 1.3: (1) requires a hearing on the application to be held within 1 judicial day after the filing of the application; and (2) authorizes a court to issue an emergency order or an extended order under certain circumstances, to schedule a future hearing on the application under certain circumstances or to dismiss the application under certain circumstances. Section 1.3 also: (1) authorizes a court to hold a telephonic hearing on an application for an order for protection against high-risk behavior filed by a law enforcement officer; (2) requires the hearing to be held within 1 day after the filing of the application; and (3) establishes various requirements relating to recordings of the telephonic hearing. At any such telephonic hearing, section 1.3 prohibits a court from issuing an extended order.

If an emergency order was issued pursuant to section 1.3, section 1.5 of this bill: (1) provides that the emergency order expires not later than 7 days after the date of the filing of the application; and (2) requires the court to hold a hearing before the expiration of the emergency order to determine whether to issue an extended order, unless the emergency order is dissolved before such time. Section 1.5 provides that a court may extend the duration of an emergency order for a period not to exceed 7 days to effectuate service of the emergency order on the adverse party, or for good cause shown.

If a court schedules a future hearing pursuant to section 1.3, section 1.5: (1) requires the hearing to be scheduled within 7 days after the filing of the application; and (2) authorizes the court to issue an extended order at the scheduled hearing under certain circumstances.

If an extended order was issued at the hearing pursuant to section 1.3 or at the hearing pursuant to section 1.5, section 1.5 provides that the extended order expires not later than 1 year after the date of its issuance.

Existing law requires a court to issue an ex parte or extended order if the court under certain circumstances finds that: (1) the person poses an imminent risk of causing personal injury to himself or herself or another person by possessing or having under his or her custody or control or by purchasing or otherwise acquiring any firearm; (2) the person engaged in high-risk behavior; and (3) less restrictive options have been exhausted or are not effective. (NRS 33.570, 33.580) Sections 5 and 6 of this bill remove custody of a firearm from the list of factors a court may consider in finding whether a person poses an imminent risk ~~[to himself or herself]~~ of causing a self-inflicted injury or injuring another person.

~~[Existing law requires a court to consider the facts from a verified application in determining whether to grant an ex parte or extended order. (NRS 33.570, 33.580) Sections 5 and 6 authorize the court to consider any additional information presented to the court in making such a determination. Section 5 removes the requirement in existing law that a court hold a hearing on an ex parte order. (NRS 33.570)~~

~~— Additionally, existing law authorizes a court to hold a telephonic hearing on an ex parte order under certain circumstances. Existing law requires that: (1) the telephonic hearing be recorded, in the presence of a magistrate or within~~

~~the vicinity of a magistrate, by a certified court reporter or by electronic means; and (2) the recording of the telephonic hearing be transcribed, certified by the court reporter, if applicable, and certified by the magistrate. (NRS 33.570) Section 5 removes the requirement that the recording of the telephonic hearing be made in the presence or vicinity of a magistrate. Section 5 also: (1) authorizes a court to rule on an application for a temporary order by telephone; and (2) requires the communications of such a ruling to be recorded by a court reporter or contemporaneously recorded by alternative means. Finally, section 5 requires a judicial officer, not a magistrate, to certify the transcript of the telephonic determination.~~

~~Section 5 also authorizes a court to issue an extended order, in lieu of determining whether to issue a temporary order, if: (1) the application for the extended order was filed before the determination on the application for the temporary order; (2) proper notice was afforded to the adverse party; and (3) the court holds a hearing on the application for the extended order. Section 15 of this bill makes a conforming change to authorize a court to receive certain communications and for the issuance of such an order outside normal business hours.]~~

Existing law requires an adverse party to surrender his or her firearm after an ex parte or extended order is issued by a court to: (1) a law enforcement agency designated by the court in the order; or (2) a person, who does not reside with the adverse party, designated by the court in the order. (NRS 33.600) Section 8 of this bill requires any firearm in the possession or control of the adverse party to be surrendered to: (1) a law enforcement agency designated by the court, if the application was filed by a family or household member; or (2) the law enforcement agency of the officer who filed the application for the temporary or extended order.

Existing law requires the law enforcement agency holding any surrendered firearm to provide the adverse party with a receipt which includes a description of each firearm being held by the law enforcement agency. Existing law requires the adverse party to provide the original receipt to the court within 72 hours or 1 business day, whichever is later, after surrendering any such firearm. (NRS 33.600) Section 8 instead requires the adverse party to provide the original receipt to the court within 1 business day after the surrender of any firearm.

~~[Existing law provides that: (1) an ex parte order expires after 7 days, or if an extended order is filed within the period of an ex parte order, the ex parte order remains in effect until the hearing on the extended order is held; and (2) an extended order expires after 1 year. (NRS 33.640)]~~ Existing law requires a law enforcement agency to return any surrendered firearm not later than 14 days after the dissolution or expiration of an ex parte or extended order for protection. (NRS 33.600) Section 11 of this bill requires the court to: (1) issue an order for the return of any surrendered firearm of the adverse party upon the expiration or dissolution of an extended order; and (2) provide a copy of the order to the adverse party and the law enforcement agency holding the

surrendered firearm. Section 8 requires a law enforcement agency to return any surrendered firearm to the adverse party not later than 30 days after: (1) the dissolution or expiration of ~~the~~ an emergency order; or (2) receiving an order from the court to return any firearm surrendered pursuant to an extended order.

Existing law requires a court to dissolve an ex parte or extended order for protection if all parties agree to the dissolution of the order, upon a finding of good cause. (NRS 33.640) Section 11 instead requires the court to dissolve ~~the~~ an emergency or extended order if all parties stipulate to the dissolution, upon a finding of good cause.

Section 20 of this bill eliminates the requirement in existing law that the clerk of a court or another person designated by the court: (1) provide certain information to an adverse party or a family or household member who files a verified application for an ex parte or extended order; and (2) assist any person in filing an application, response or certain other documents related to an ex parte or extended order. (NRS 33.610)

Senator Scheible moved the adoption of the amendment.

Remarks by Senator Scheible.

Amendment No. 348 to Senate Bill No. 6 changes "temporary" in the original bill to "emergency" which replaces "ex parte" in statute for the purposes of this bill. It retains the ability of a family or household member to file an application for a protective order but requires a showing of imminent risk to the person or others. It removes the distinction between an ex parte order and an extended order and instead requires a single application for an order for high-risk protection. It adds to existing requirements for an application a requirement to include any supplemental documents or information.

It also establishes procedures for a hearing on an application, including a hearing must be held within one judicial day of the application filing. A court may issue an emergency or extended order, schedule a future hearing or dismiss the application. A court may hold a telephonic hearing on an application filed by a law enforcement officer. A court is prohibited from issuing an extended order at a telephonic hearing. The amendment states that if an emergency order is issued, it expires no longer than seven days after the filing of the application. A court must hold a hearing during this time period to determine whether to issue an extended order, unless the emergency order is dissolved prior to the deadline, and a court may extend an emergency period for seven days to effectuate service of an order or for good cause shown.

The amendment further states that if a court schedules a future hearing, it must be held within seven days of the application filing. A court may issue an extended order under certain circumstances. The amendment states that if an extended order is issued at a hearing, it expires not later than one year after issuance.

Amendment No. 99.

SUMMARY—Requires certain notices before the termination, expiration or ending of a restriction relating to the affordability of certain housing. (BDR 25-372)

AN ACT relating to housing; requiring an owner of certain housing that is financed by tax credits or other money provided by a government agency to provide certain notices before ~~terminating~~ the termination, expiration or ending of a restriction relating to the affordability of the housing; setting forth requirements for such notice; authorizing the Housing Division of the Department of Business and Industry to impose an administrative fine upon an owner who fails to provide ~~such~~ notice ~~of~~ of the termination or expiration of a restriction; authorizing the Division to prohibit an owner who terminates an affordability restriction from applying for certain tax credits; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law establishes a federal income tax credit in an amount equal to a certain percentage of the costs of constructing a low-income housing project. Under existing federal law, to be eligible for this credit, a certain percentage of the residential units in the project are required to be subject to certain affordability restrictions that set a limit on the income level of occupants of the units and restrict the amount of rent that may be charged to such occupants. An owner of property that is part of the low-income housing project that wishes to receive the federal low-income housing tax credit is required to enter into an agreement with a housing credit agency in which the owner commits to maintain the affordability restrictions on the property for a compliance period of 15 years and an additional period of time of at least 15 years following the compliance period. However, existing federal law authorizes an owner, after the 14th year of the compliance period, to request that the housing credit agency find a buyer to purchase the property. The housing credit agency then has 1 year to find a buyer for the property that will maintain the affordability restrictions. If the housing credit agency does not present the owner with a qualified contract for the acquisition of the property within the 1-year period, the affordability restrictions on the property terminate, subject to a 3-year period in which the owner is generally prohibited from raising certain rents and evicting existing tenants. (26 U.S.C. § 42) Existing state law designates the Housing Division of the Department of Business and Industry as the housing credit agency for the State that allocates and distributes the federal low-income housing credit. (NRS 319.145)

~~[This]~~ Sections 3 and 4 of this bill ~~[requires]~~ require the owner of any housing which has been financed by the federal low-income housing tax credit or any other money provided by a governmental agency and that is subject to affordability restrictions similar to those required for eligibility for the federal low-income housing tax credit to provide written notice before terminating an affordability restriction ~~[. This bill sets]~~ or before the expiration of the affordability restriction, as applicable. Sections 3 and 4 also set forth the contents for such a notice and ~~[requires]~~ require the notice to be provided to each tenant, the Division and certain other persons not less than: (1) twelve months before the owner submits a request to the Division for a qualified contract; or (2) if such a request is not applicable, 12 months before the date upon which the affordability restriction will ~~terminate. Under the provisions of this bill, an owner who fails to provide the required notice is required to extend the affordability restrictions until 12 months following the date upon which the owner does provide such notice. Additionally, this bill authorizes]~~ expire. Sections 3 and 4 further authorize the Division to: (1) impose an administrative penalty upon an owner who fails to provide the required notice; and (2) prohibit an owner who terminates an affordability restriction from applying to the Division for an allocation of federal low-income housing tax credits for a period not to exceed 5 years.

Section 5 of this bill requires an owner that will voluntarily maintain an affordability restriction on housing after the expiration of the affordability restriction to provide written notice to the Division not less than 12 months before the expiration of the affordability restriction and, thereafter, submit an annual report to the Division for as long as the owner voluntarily maintains the affordability restriction. Section 5 also requires the owner to provide written notice at least 12 months before ending the voluntary affordability restriction to the county, the city, the Division and each tenant.

Section 6 of this bill provides that the provisions of this bill apply to: (1) every owner of housing that is subject to an affordability restriction on or after October 1, 2021; and (2) every owner of housing that on October 1, 2021, has voluntarily maintained an affordability restriction after the expiration of the affordability restriction.

(NRS 244.360-244.3605, 244.3694) Section 1 of this bill authorizes a board of county commissioners to also recover an unpaid fine or fee for an offense relating to real property by making the unpaid fine or fee a special assessment against the real property, which may be collected at the same time and in the same manner as ordinary county taxes.

Under existing law, a special assessment for civil penalties relating to chronic nuisances, public nuisances or dangerous structures or conditions may not be imposed unless: (1) for chronic nuisances, at least 180 days have elapsed after the date specified in a court order or appellate court order for the abatement of the chronic nuisance, and for public nuisances or dangerous structures or conditions, at least 12 months have elapsed after the date specified in the notice by the board of county commissioners or governing body of a city or a court order for the abatement of the public nuisance; (2) the owner has been notified that the civil penalties are due; and (3) the amount of the uncollected civil penalties is more than \$5,000. (NRS 244.3603, ~~244.3605~~, 244.3605, 268.4122, 268.4124) Sections ~~2 and 3~~ 2-5 of this bill eliminate the ~~requirements~~ requirement that 180 days or 12 months, as applicable, have elapsed ~~and that the amount of the civil penalties be more than \$5,000 for a special assessment for civil penalties to be imposed.~~

Legislative Counsel's Digest:

Existing law provides for the regulation of the practice of interpreting and the practice of realtime captioning by the Aging and Disability Services Division of the Department of Health and Human Services. (Chapter 656A of NRS) Existing law defines the term "practice of interpreting" to mean translating spoken language into certain visual or tactile representations of spoken language and vice versa. (NRS 656A.060) Section 6 of this bill: (1) changes the term "practice of interpreting" to "practice of sign language interpreting" and (2) amends the definition to mean interpreting or translating between any spoken language and certain visual or tactile representations of

spoken language. Section 7 of this bill removes an exemption from provisions of existing law governing the practice of sign language interpreting and the practice of realtime captioning for persons who engage in the practice of sign language interpreting or the practice of realtime captioning solely for meetings of nonprofit civic organizations, thereby requiring, under certain circumstances, such persons to register with the Division to engage in the practice of sign language interpreting or the practice of realtime captioning, as applicable. (NRS 656A.070)

Existing law establishes requirements for an applicant for registration to engage in the practice of interpreting in: (1) a community setting as an apprentice level interpreter, a skilled interpreter or an advanced certified interpreter; and (2) an educational setting as an apprentice level, intermediate or advanced interpreter. (NRS 656A.100) Section 9 of this bill eliminates the apprentice, intermediate, skilled and advanced levels of interpreter and instead establishes qualifications for registration or provisional registration as an interpreter. Section 9 also: (1) requires an applicant for provisional registration to submit proof of ongoing participation in a program of professional development for interpreters and engagement with a professional mentor; and (2) prohibits provisional registration in a professional classification for longer than 3 years in total. Section 9 additionally eliminates a supplemental registration to practice in a legal or medical setting. Section 18 of this bill provides that an interpreter who is registered to engage in the practice of interpreting on July 1, 2021, but who does not meet the requirements for such a registration, as amended by section 9, must be issued a provisional registration that expires on July 1, 2024. Sections 5 and 8 of this bill make conforming changes to reflect that interpreters may be either registered or provisionally registered.

Sections 1, 3, 4, 9 and 14-17 of this bill make revisions so that an interpreter must register to practice as an interpreter in: (1) a primary or secondary educational setting if the person wishes to facilitate communication relating to educational programming or other school activities provided through grade 12; and (2) a community setting if the person wishes to facilitate communication in any other setting, including a postsecondary educational setting, a legal setting or a medical setting. Section 10 of this bill: (1) requires the Division to adopt regulations prescribing qualifications for professional mentors; and (2) authorizes the Division to establish additional professional classifications of the practice of sign language interpreting.

Sections 9-12 of this bill replace the term "certification" with the term "credentialing" in provisions governing the qualifications of sign language interpreters and realtime captioning providers.

Existing law prohibits a person from holding himself or herself out as certified to engage in the practice of interpreting or the practice of realtime captioning unless he or she is registered with the Division. (NRS 656A.800) Section 13 of this bill removes the term "certified" and instead prohibits a person from holding himself or herself out as registered or provisionally

registered to engage in the practice of sign language interpreting or registered to engage in the practice of realtime captioning unless he or she is registered or provisionally registered, as applicable, with the Division. Section 20 of this bill removes a definition of a term that is no longer used in the relevant portion of the Nevada Revised Statutes. Section 2 of this bill makes a conforming change to indicate the proper placement in the Nevada Revised Statutes of a new definition added by section 1.

TEXT OF REPEALED SECTION

656A.023 "Charter school" defined. "Charter school" has the meaning ascribed to it in NRS 385.007.

Senator Hardy moved the adoption of the amendment.

Remarks by Senator Hardy.

Amendment No. 427 makes two changes to Senate Bill No. 179. The amendment clarifies that the definition of "primary or secondary educational setting" to include all communication within a school setting, and it clarifies the definition of "interpreter" to include the practice of "sign language" interpreting.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

REMARKS FROM THE FLOOR

Senator Hansen requested that his remarks be entered in the Journal.

Growing up, two of my heroes were Willy Mays and Willy McCovey who both played for the San Francisco Giants. My mom took me to a game when I was a little kid. She was the nurse I was talking about earlier. She never told me I could not like these two players because they were black. It was quite the opposite. They were both incredibly talented athletes.

To bring this back to politics, this is one of the reasons I reject the concept of Senate Concurrent Resolution No. 5 that we voted on today. It is an insult to my mom and all of the people in the health-care system. I want to make sure the record reflects that I voted against that resolution. During the 32nd Special Session, we had Senate Concurrent Resolution No. 1, which we voted unanimously to pass. I cannot go back and change that vote, but I would like the record to reflect that I now wish I could have that vote back. That resolution also was an insult to my mom and all of the people in the health-care system.

We should give a big shout-out to Operation Warp Speed and the fact a vaccine was created in a miraculously short period of time. This vaccine benefits people of every race, creed or color. This all came about because of a man who was viciously attacked as being a racist from the day of his election to the day he left office, our former, President Donald Trump. I would like to give a big shout-out to Donald Trump for helping save many lives, of every race, creed and color, in the United States and around the world.
