SECOND READING AND AMENDMENT

Senate Bill No. 2.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 216.

SUMMARY—Revises provisions relating to education. (BDR 34-429)

AN ACT relating to education; revising requirements to conduct certain assessments; revising requirements to measure the height and weight of certain pupils; revising provisions relating to budgeting; eliminating certain reporting requirements; removing the requirement to take an examination relating to civics to graduate from high school; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the board of trustees of a school district or the governing body of a charter school to develop a plan to assess the proficiency of a pupil in reading when the pupil enters kindergarten or enrolls in an elementary school. (NRS 388.157) Section 1 of this bill instead requires a pupil to take such an assessment during each grade level of elementary school as is determined to be necessary. Section 1 requires the Department of Education to prescribe by regulation procedures for assessing the development of pupils enrolled in kindergarten across early learning domains within 45 days of the start of school. Existing law requires the board of trustees of a school district and the governing body of a charter school to report certain information concerning pupils with disabilities to the Department of Education. (NRS 388.422) Section 2 of this bill removes this requirement. Existing law requires the board of trustees of a school district in certain counties to direct certain employees of a school to measure the height and weight of a representative sample of pupils in certain grades. (NRS 392.420) Section 3 of this bill revises this requirement to no longer apply in grade 10 and requires a representative sample of such pupils to be measured only every other year.

Existing law requires a school district to submit a tentative budget for the ensuing fiscal year to the Department of Taxation and the Department of Education on or before April 15 of each year. Existing law also requires that the board of trustees of a school district hold a public hearing on the tentative budget not sooner than the third Monday in May and not later than the last day in May of each year. (NRS 354.596) Existing law requires the board of trustees of a school district to adopt a final budget on or before June 8 of each year. (NRS 354.598) Under existing law, a school district is also required to adopt an amendment to its final budget on or before January 1 of each year after the average daily enrollment of pupils is reported for the preceding quarter. (NRS 354.598005) Section 4 of this bill requires a school district to submit a tentative budget to the Department of Taxation and the Department
of Education on or before June 8 of each year. Section 4 also requires the board of trustees of a school district to hold a public hearing on the tentative budget not sooner than the third Monday in July and not later than the last day in July. Section 5 of this bill requires the board of trustees of a school district to adopt a final budget before December 31 of each year, while section 6 of this bill removes the requirement that a school district adopt an amendment to its final budget.

Section 8 of this bill eliminates the requirement in existing law that the Department of Education report to the Aging and Disability Services Division of the Department of Health and Human Services certain information relating to pupils with autism spectrum disorders. (NRS 388.451)

—Section 8 also removes the requirement in existing law that pupils take an examination in civics in order to graduate from high school. (NRS 389.009)

Section 7 of this bill makes conforming changes to remove references to repealed sections.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.157 is hereby amended to read as follows:

388.157 1. The board of trustees of each school district and the governing body of each charter school shall prepare a plan to improve the literacy of pupils enrolled in an elementary school. Such a plan must include, without limitation:

(a) A program to provide intervention services and intensive instruction to pupils who have been identified as deficient in the subject area of reading to ensure that those pupils achieve adequate proficiency in the requisite reading skills and reading comprehension skills necessary to perform at a level determined by a statewide assessment to be within a level determined by the State Board for a pupil enrolled in the same grade in which the pupil is enrolled. Such a program must include, without limitation, regularly scheduled reading sessions in small groups and specific instruction designed to target any area of reading in which the pupil demonstrates a deficiency, including, without limitation, phonological and phonemic awareness, decoding skills, reading fluency and vocabulary and reading comprehension strategies;

(b) Procedures for assessing a pupil’s proficiency in the subject area of reading using valid and reliable standards-based assessments that have been approved by the State Board by regulation:

— (1) Within the first 30 days of school after the pupil enters kindergarten or upon enrollment in the elementary school if the pupil enrolls after that period and has not previously been assessed; and

— (2) During each grade level of the elementary school at which the pupil is enrolled as determined necessary;

(c) A program to improve the proficiency in reading of pupils who are English learners; and
(d) Procedures for facilitating collaboration between licensed teachers designated as literacy specialists and classroom teachers.

2. The board of trustees of each school district or the governing body of a charter school, as applicable, shall:
   (a) Submit its plan to the Department for approval on or before the date prescribed by the Department on a form prescribed by the Department; and
   (b) Make such revisions to the plan as the Department determines are necessary.

3. The Department shall adopt regulations that prescribe procedures for assessing the development across early learning domains of a pupil enrolled in kindergarten within the first 45 days of school in a school year.

Sec. 2. NRS 388.422 is hereby amended to read as follows:

388.422 1. On or before July 1 of each year, the board of trustees of each school district and the governing body of each charter school shall report to the Department:
   (a) The number of pupils enrolled in each school in the district or charter school, as applicable, during the immediately preceding school year who had an individualized education program or a plan developed in accordance with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; and
   (b) The disabilities with which those pupils were diagnosed.

2. On or before August 1 of each year, the Department shall compile a report of the information reported pursuant to subsection 1 and post the report on an Internet website maintained by the Department.

3. The Department shall provide to each school district and charter school in this State information concerning services for children with disabilities provided by the Aging and Disability Services Division of the Department of Health and Human Services. The board of trustees of a school district or the governing body of a charter school shall ensure that the information described in this section is provided to the parent or guardian of each pupil enrolled in the school district or charter school, as applicable, who has an individualized education program or a plan developed in accordance with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794.

Sec. 3. NRS 392.420 is hereby amended to read as follows:

392.420 1. In each school at which a school nurse is responsible for providing nursing services, the school nurse shall plan for and carry out, or supervise qualified health personnel in carrying out, a separate and careful observation and examination of every child who is regularly enrolled in a grade specified by the board of trustees or superintendent of schools of the school district in accordance with this subsection to determine whether the child has scoliosis, any visual or auditory problem, or any gross physical defect. The grades in which the observations and examinations must be carried out are as follows:
   (a) For visual and auditory problems:
(1) Before the completion of the first year of initial enrollment in elementary school;
(2) In at least one additional grade of the elementary schools; and
(3) In one grade of the middle or junior high schools and one grade of the high schools; and

(b) For scoliosis, in at least one grade of schools below the high schools.

Any person other than a school nurse, including, without limitation, a person employed at a school to provide basic first aid and health services to pupils, who performs an observation or examination pursuant to this subsection must be trained by a school nurse to conduct the observation or examination.

2. In addition to the requirements of subsection 1, the board of trustees of each school district in a county whose population is 100,000 or more shall direct school nurses, qualified health personnel employed pursuant to subsection 6, teachers who teach physical education or health or other licensed educational personnel who have completed training in measuring the height and weight of a pupil provided by the school district, to measure the height and weight of a representative sample of pupils who are enrolled in grades 4 and 7 in the schools within the school district. The Division of Public and Behavioral Health of the Department of Health and Human Services, in consultation with the board of trustees of each school district and each local health district, as applicable, shall determine the number of pupils necessary to include in the representative sample. The height and weight of a representative sample of pupils must be measured every other year at the same time other observations or examinations are conducted pursuant to this section.

3. If any child is attending school in a grade above one of the specified grades and has not previously received such an observation and examination, the child must be included in the current schedule for observation and examination. Any child who is newly enrolled in the district must be examined for any medical condition for which children in a lower grade are examined.

4. A special examination for a possible visual or auditory problem must be provided for any child who:
(a) Is enrolled in a special program;
(b) Is repeating a grade;
(c) Has failed an examination for a visual or auditory problem during the previous school year; or
(d) Shows in any other way that the child may have such a problem.

5. The school authorities shall notify the parent or guardian of any child who is found or believed to have scoliosis, any visual or auditory problem, or any gross physical defect, and shall recommend that appropriate medical attention be secured to correct it. Any written notice provided to the parent or guardian of a child pursuant to this subsection must include, to the extent that information is available, a list of any resources that may be
available in the community to provide such medical attention, including, without limitation, resources available at no charge or at a reduced cost. If such a list is provided, the principal, his or her designee, or any employee of the school or the school district is not responsible for providing such resources to the pupil or ensuring that the pupil receives such resources.

6. In any school district in which state, county or district public health services are available or conveniently obtainable, those services may be used to meet the responsibilities assigned under the provisions of this section. The board of trustees of the school district may employ qualified personnel to perform them. Any nursing services provided by such qualified personnel must be performed in compliance with chapter 632 of NRS.

7. The board of trustees of a school district may adopt a policy which encourages the school district and schools within the school district to collaborate with:

(a) Qualified health care providers within the community to perform, or assist in the performance of, the services required by this section; and

(b) Postsecondary educational institutions for qualified students enrolled in such an institution in a health-related program to perform, or assist in the performance of, the services required by this section.

8. Except as otherwise provided in subsection 9, the school authorities shall provide notice to the parent or guardian of a child before performing on the child the examinations required by this section. The notice must inform the parent or guardian of the right to exempt the child from all or part of the examinations. Any child must be exempted from an examination if the child’s parent or guardian files with the teacher a written statement objecting to the examination.

9. The school authorities are not required to provide notice to the parent or guardian of a child before measuring the child’s height or weight pursuant to subsection 2 if it is not practicable to do so.

10. Each school nurse or a designee of a school nurse, including, without limitation, a person employed at a school to provide basic first aid and health services to pupils, shall report the results of the examinations conducted pursuant to this section in each school at which he or she is responsible for providing services to the Chief Medical Officer in the format prescribed by the Chief Medical Officer. Each such report must exclude any identifying information relating to a particular child. The Chief Medical Officer shall compile all such information the Officer receives to monitor the health status of children and shall retain the information.

11. The Division of Public and Behavioral Health of the Department of Health and Human Services shall:

(a) Compile a report relating to each region of this State for which data is collected regarding the height and weight of pupils measured pursuant to subsection 2 and reported to the Chief Medical Officer pursuant to subsection 10:
(b) Publish and disseminate the reports not later than 12 months after receiving the results of the examinations pursuant to subsection 10; and

(c) Submit a copy of the report disseminated pursuant to paragraph (b) to the superintendent of each school district located in a county whose population is 100,000 or more.

Sec. 4. [NRS 354.596 is hereby amended to read as follows:

354.596  1. The officer charged by law shall prepare, or the governing body shall cause to be prepared, on appropriate forms prescribed by the Department of Taxation for the use of local governments, a tentative budget for the ensuing fiscal year. The tentative budget for the following fiscal year must be submitted to the county auditor and filed for public record and inspection in the office of:

(a) The clerk or secretary of the governing body; and

(b) The county clerk.

2. [On except as otherwise provided in subsection 7, on or before April 15, a copy of the tentative budget must be submitted:

(a) To the Department of Taxation; and

(b) In the case of school districts, to the Department of Education.]

3. At the time of filing the tentative budget, the governing body shall give notice of the time and place of a public hearing on the tentative budget and shall cause a notice of the hearing to be published once in a newspaper of general circulation within the area of the local government not more than 14 nor less than 7 days before the date set for the hearing. The notice of public hearing must state:

(a) The time and place of the public hearing;

(b) That a tentative budget has been prepared in such detail and on appropriate forms as prescribed by the Department of Taxation;

(c) The places where copies of the tentative budget are on file and available for public inspection.

4. [The except as otherwise provided in subsection 7, the public hearing on the tentative budget must be held by the governing body not sooner than the third Monday in May and not later than the last day in May.

5. The Department of Taxation shall examine the submitted documents for compliance with law and with appropriate regulations and shall submit to the governing body at least 3 days before the public hearing a written certificate of compliance or a written notice of lack of compliance. The written notice must indicate the manner in which the submitted documents fail to comply with law or appropriate regulations.

6. Whenever the governing body receives from the Department of Taxation a notice of lack of compliance, the governing body shall forthwith proceed to amend the tentative budget to effect compliance with the law and with the appropriate regulation.

7. On or before June 8, a school district shall submit a copy of the tentative budget to the Department of Taxation and the Department of Education. The
Sec. 5.  NRS 354.598 is hereby amended to read as follows:

354.598  1.  At the time and place advertised for public hearing, or at any time and place to which the public hearing is from time to time adjourned, the governing body shall hold a public hearing on the tentative budget, at which time interested persons must be given an opportunity to be heard.

2.  At the public hearing, the governing body shall indicate changes, if any, to be made in the tentative budget and shall adopt a final budget by the favorable votes of a majority of all members of the governing body. Except as otherwise provided in this subsection, the final budget must be adopted on or before June 1 of each year. The final budgets of school districts must be adopted on or before December 31 of each year and after the average daily enrollment of pupils is reported for the immediately preceding quarter pursuant to subsection 1 of NRS 387.1223. Should the governing body fail to adopt a final budget that complies with the requirements of law and the regulations of the Committee on Local Government Finance on or before the required date, the budget adopted and used for certification of the combined ad valorem tax rate by the Department of Taxation for the current year, adjusted as to content and rate in such a manner as the Department of Taxation may consider necessary, automatically becomes the budget for the ensuing fiscal year. When a budget has been so adopted by default, the governing body may not reconsider the budget without the express approval of the Department of Taxation. If the default budget creates a combined ad valorem tax rate in excess of the limit imposed by NRS 361.453, the Nevada Tax Commission shall adjust the budget as provided in NRS 361.4547 or 361.455.

3.  The final budget must be certified by a majority of all members of the governing body, and a copy of it, together with an affidavit of proof of publication of the notice of the public hearing, must be transmitted to the Nevada Tax Commission. If a tentative budget is adopted by default as provided in subsection 2, the clerk of the governing body shall certify the budget and transmit to the Nevada Tax Commission a copy of the budget, together with an affidavit of proof of the notice of the public hearing, if that notice was published. Certified copies of the final budget must be distributed as determined by the Department of Taxation.

4.  Upon the adoption of the final budget or the amendment of the budget in accordance with NRS 354.508005, the several amounts stated in it as proposed expenditures are appropriated for the purposes indicated in the budget.

5.  No governing body may adopt any budget which appropriates for any fund any amount in excess of the budget resources of that fund.
Sec. 6. NRS 354.598005 is hereby amended to read as follows:

354.598005. 1. If anticipated resources actually available during a budget period exceed those estimated, a local government may augment a budget in the following manner:

(a) If it is desired to augment the appropriations of a fund to which ad valorem taxes are allocated as a source of revenue, the governing body shall, by majority vote of all members of the governing body, adopt a resolution reciting the appropriations to be augmented, and the nature of the unanticipated resources intended to be used for the augmentation. Before the adoption of the resolution, the governing body shall publish notice of its intention to act thereon in a newspaper of general circulation in the county for at least one publication. No vote may be taken upon the resolution until 3 days after the publication of the notice.

(b) If it is desired to augment the budget of any fund other than a fund described in paragraph (a) or an enterprise or internal service fund, the governing body shall adopt, by majority vote of all members of the governing body, a resolution providing therefor at a regular meeting of the body.

2. A budget augmentation becomes effective upon delivery to the Department of Taxation of an executed copy of the resolution providing therefor.

3. Nothing in NRS 354.470 to 354.626, inclusive, precludes the amendment of a budget by increasing the total appropriation for any fiscal year to include a grant-in-aid, gift or bequest to a local unit of government which is required to be used for a specific purpose as a condition of the grant. Acceptance of such a grant and agreement to the terms imposed by the granting agency or person constitutes an appropriation to the purpose specified.

4. A local government need not file an augmented budget for an enterprise or internal service fund with the Department of Taxation but shall include the budget augmentation in the next quarterly report.

5. Budget appropriations may be transferred between functions, funds or contingency accounts in the following manner, if such a transfer does not increase the total appropriation for any fiscal year and is not in conflict with other statutory provisions:

(a) The person designated to administer the budget for a local government may transfer appropriations within any function.

(b) The person designated to administer the budget may transfer appropriations between functions or programs within a fund, if:

(1) The governing body is advised of the action at the next regular meeting; and

(2) The action is recorded in the official minutes of the meeting.
(c) Upon recommendation of the person designated to administer the budget, the governing body may authorize the transfer of appropriations between funds or from the contingency account if:

1. The governing body announces the transfer of appropriations at a regularly scheduled meeting and sets forth the exact amounts to be transferred and the accounts, functions, programs and funds affected;
2. The governing body sets forth its reasons for the transfer; and
3. The action is recorded in the official minutes of the meeting.

6. In any year in which the Legislature by law increases or decreases the revenues of a local government, and that increase or decrease was not included or anticipated in the local government's final budget as adopted pursuant to NRS 354.598, the governing body of any such local government may, within 30 days of adjournment of the legislative session, file an amended budget with the Department of Taxation increasing or decreasing its anticipated revenues and expenditures from that contained in its final budget to the extent of the actual increase or decrease of revenues resulting from the legislative action.

7. In any year in which the Legislature enacts a law requiring an increase or decrease in expenditures of a local government, which was not anticipated or included in its final budget as adopted pursuant to NRS 354.598, the governing body of any such local government may, within 30 days of adjournment of the legislative session, file an amended budget with the Department of Taxation providing for an increase or decrease in expenditures from that contained in its final budget to the extent of the actual amount made necessary by the legislative action.

8. An amended budget, as approved by the Department of Taxation, is the budget of the local government for the current fiscal year.

9. On or before January 1 of each school year, each school district shall adopt an amendment to its final budget after the average daily enrollment of pupils is reported for the preceding quarter pursuant to subsection 1 of NRS 387.1223. The amendment must reflect any adjustments necessary as a result of the report.

Sec. 7. [NRS 427A.872 is hereby amended to read as follows:

427A.872 1. The Division, in cooperation and guidance with the Department of Education, representatives of the school districts in this State and the Commission, shall prescribe by regulation a statewide standard for measuring outcomes and assessing and evaluating persons with autism spectrum disorders through the age of 21 years who receive services through the State or a local government or an agency thereof. autism spectrum disorders through the age of 21 years and by the persons with whom the State or a local government or an agency thereof contracts to provide assessments, interventions and diagnoses of persons with autism spectrum disorders through the age of 21 years. The protocol must require that the direct observation conducted by a professional pursuant to this subsection include, without limitation, an evaluation to measure behaviors of the person which are consistent with autism spectrum disorder, cognitive functioning, language functioning and adaptive functioning.

2. The protocol designated pursuant to subsection 1 must be used upon intake of a person suspected of having autism spectrum disorder or at any later time if a person is suspected of having autism spectrum disorder after intake. The results of an assessment must be provided to the parent or legal guardian of the person, if applicable.

3. The Division shall prescribe the form and content of reports relating to persons with autism spectrum disorders through the age of 21 years that must be reported to the Division pursuant to NRS 388.451 and 615.205. The Division shall ensure that the information is reported in a manner which:

(a) Allows the Division to document the services provided to and monitor the progress of each person with autism spectrum disorder through the age of 21 years who receives services from the State or an agency thereof; and

(b) Ensures that information reported for each person who receives services which identifies the person is kept confidential, consistent with applicable state and federal privacy laws.

4. The Division shall prepare annually a summary of the reports submitted pursuant to NRS 388.451 and 615.205 and make the summary publicly available. The Division shall ensure that information contained in the summary does not identify a person who received services.

Sec. 8. NRS 388.451 and 389.009 are hereby repealed.

Sec. 9. This act becomes effective on July 1, 2021.

Senator Denis moved the adoption of the amendment.

Remarks by Senator Denis.

The amendment keeps the civics examination as a high school graduation requirement. It continues the reporting related to pupils with autism spectrum disorders submitted by Nevada's Department of Education. The bill removes the provisions regarding the adjustment of budget timelines. It also allows the Department of Education to prescribe regulations for assessing the development of pupils enrolled in kindergarten. It continues the collection of anonymous height and weight measurements in certain large school districts. The bill revises the measurement requirements to specify that a representative sample be measured every other year and that such measurements are no longer required in grade 10.

Amendment No. 7.

SUMMARY—Revises various provisions relating to education. (BDR 34-326)

AN ACT relating to education; authorizing the Superintendent of Public Instruction to investigate persons subject to his or her jurisdiction; creating the Account for Teacher Incentives and authorizing certain uses of money in the Account; repealing provisions which abolished the Teachers’ School Supplies Assistance Account; [and revising the authorized uses of money in the Account]; revising the membership of the Commission on Professional Standards in Education; [creating additional kinds of licenses for teachers and other educational personnel]; authorizing the State Board of Education to delegate authority to suspend or revoke a license to the Department of Education; revising provisions relating to the Teach Nevada Scholarship Program; revising provisions relating to the policy for parental involvement required by federal law; revising provisions relating to the Nevada Institute on Teaching and Educator Preparation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law makes the Superintendent of Public Instruction the educational leader for the system of K-12 public education in Nevada and establishes various duties of the Superintendent. (NRS 385.175) Existing law also authorizes the Superintendent to investigate certain persons involved with private elementary or secondary schools. (NRS 394.231) Section 1 of this bill additionally authorizes the Superintendent to investigate certain persons involved with public schools.

The Nevada Legislature has appropriated money in previous sessions for the payment of incentives for teachers who agree to teach in certain kinds of public schools in certain circumstances. (Sections 29 and 30 of Senate Bill No. 555,
chapter 376, Statutes of Nevada 2019, at pages 2384-85; section 1 of Assembly Bill No. 196, chapter 488, Statutes of Nevada 2019, at page 2895) Section 4 of this bill creates the Account for Teacher Incentives to receive such appropriations and authorizes the use of money in the Account to pay such incentives.

Existing law establishes the Teachers’ School Supplies Assistance Account and authorizes the money in the Account to be used to reimburse a teacher for out-of-pocket expenses incurred for necessary school supplies for the pupils instructed by the teacher or to purchase such necessary school supplies directly in certain other ways. (NRS 387.1253-387.1257) Section 6 of this bill removes the ability to use money in the Account to provide for the direct purchase of necessary school supplies, with the effect of allowing money in the Account to be used only for reimbursement of a teacher for the purchase of such supplies. Sections 5 and 6 authorize the Department of Education to require a school district or charter school that receives money from the Account to annually account for the money. Section 7 of this bill makes conforming changes to account for the elimination of the ability to purchase necessary school supplies directly using money from the Account.

Existing law abolishes the Account on July 1, 2021, which has the effect of eliminating, as of July 1, 2021, the program that allows for a teacher to be reimbursed for out-of-pocket expenses incurred for necessary school supplies for pupils instructed by the teacher. (Section 80 of Senate Bill No. 543, chapter 624, Statutes of Nevada 2019, at page 4253) Section 21 of this bill removes the prospective abolition of the Account, thereby allowing the program for reimbursement of teacher expenses to continue on and after July 1, 2021.

Existing law establishes the membership of the Commission on Professional Standards in Education, which is required to prescribe qualifications for the licensing of teachers, administrators and other educational personnel. Existing law requires the membership of the Commission to include the dean of the College of Education of one of the universities in the Nevada System of Higher Education or such a dean’s representative. (NRS 391.011, 391.019) Section 8 of this bill additionally authorizes the Governor to appoint to this seat on the Commission the dean of the College or School of Education, as applicable, of one of the colleges in the Nevada System of Higher Education or such a dean’s representative.

Existing law establishes the kinds of licenses for teachers and other educational personnel, including, without limitation, licenses for teaching in a program of early childhood education or teaching pupils with disabilities or gifted and talented pupils. (NRS 391.031) Section 9 of this bill creates two additional kinds of licenses: (1) a special license which authorizes the holder to perform the duties of a paraprofessional; and (2) a special license which authorizes the holder to perform the duties of athletic coaches or
Sections 2, 3 and 10-12 of this bill make conforming changes relating to the licensure of paraprofessionals.

Existing law authorizes the State Board of Education to suspend or revoke the license of any teacher for any cause specified by law. (NRS 391.320) Section 14 of this bill authorizes the State Board to delegate authority to suspend or revoke the license of a teacher to the Department of Education for certain causes specified by the State Board by regulation. If the State Board delegates such authority to the Department, section 14 requires the Department to: (1) publish on its Internet website a list of the causes for which it has been delegated authority to impose discipline; (2) send written notice to a licensee before imposing discipline; and (3) forward any request for a hearing resulting from discipline imposed by the Department to the Superintendent of Public Instruction to carry out the hearing. Section 13 of this bill makes a conforming change relating to the ability of the Department to impose discipline when delegated such authority. Sections 15 and 16 of this bill make conforming changes to the disciplinary hearing process relating to the ability of the Department to impose discipline when delegated such authority.

Existing law establishes the Teach Nevada Scholarship Program, which allows public or private universities, colleges and other providers of alternative licensure programs in Nevada to apply for a grant to award scholarships to certain students who, upon completion of their program of study, will become licensed to teach in Nevada and obtain an endorsement to teach English as a second language or special education. (NRS 391A.550-391A.590) Section 17 of this bill removes the requirement for a university, college or other provider offering an approved program to be located in Nevada and transfers responsibility to approve such programs from the State Board of Education to the Commission on Professional Standards in Education. Section 17 also removes the requirement for a student receiving the scholarship to agree to complete the requirements to obtain an endorsement to teach English as a second language or special education. Existing law authorizes the State Board to prioritize the awarding of grants to a university, college or other provider of an alternative licensure program that will provide a greater number of scholarships to certain groups, including, without limitation, veterans or their spouses or recipients who will be eligible to teach in subject areas for which a shortage of teachers exist. (NRS 391A.580) Section 17 adds recipients who agree to complete the requirements to obtain an endorsement to teach special education as an additional such group. If a recipient fails to complete the program for which a scholarship was awarded, existing law requires the university, college or other provider to repay any money received but not yet disbursed and up to $1,000 of any amount already disbursed to the recipient. If a recipient completes the program, the State Board is required to pay the university, college or other provider $1,000. (NRS 391A.590) Section 18 of this bill eliminates both: (1) the requirement for a university, college or other provider to repay up to $1,000 of any amount already disbursed to a recipient...
who fails to complete a program; and (2) the requirement for the State Board to pay $1,000 to a university, college or other provider if a recipient completes a program.

As a condition for the receipt of certain federal education funding, existing federal law requires each local educational agency to create a written policy for parent and family engagement that includes a variety of provisions. (20 U.S.C. § 6318) Existing law carries out this federal requirement by requiring the Department of Education to prescribe a form for educational involvement accords to be used by all public schools in this State and establishing the contents of the accords. (NRS 392.4575) Section 19 of this bill replaces the requirement for the Department to adopt such a form with a requirement for each public school to create a school-family compact that complies with the requirements of federal law and any guidelines issued by the Department. Section 19 also authorizes the Department to review school-family compacts for compliance.

Existing law authorizes a college or university within the Nevada System of Higher Education to apply to the State Board of Education for a grant of money to establish the Nevada Institute on Teaching and Educator Preparation, which is required to perform certain duties to increase the number of highly qualified, licensed teachers in Nevada. (NRS 396.5185) Section 20 of this bill requires any money appropriated to the Institute to: (1) be accounted for separately; (2) not revert to the State General Fund at the end of any fiscal year; and (3) be carried forward to the next fiscal year.

Existing law requires the Department to prescribe a form for teachers in elementary schools to provide reports to parents and legal guardians of pupils including a variety of information, including, without limitation, a checklist regarding the timely completion of homework assignments by a pupil and a list of resources available within the community to assist parents and legal guardians in addressing issues identified on the checklist. (NRS 392.456) Section 22 of this bill repeals this requirement.

Remarks by Senator Denis.
Amendment No. 7 to Senate Bill No. 27 removes language regarding professional standards and licenses for school paraprofessionals. It removes language concerning licenses for coaches. I preserves the Teachers' School Supplies Assistance Account and the various ways districts have selected to disburse funds to teachers in their schools. The bill clarifies that the decision regarding the purchase of school supplies is the purview of the teacher, not the school administrators. It clarifies that investigations by the state superintendent of public instruction are related only to licensed employees.

Amendment No. 228.

SUMMARY—Revises provisions concerning the judicial review of decisions of the Public Utilities Commission of Nevada. (BDR 58-331)

AN ACT relating to the Public Utilities Commission of Nevada; [limiting the scope of the judicial review of decisions of the Commission to final decisions in contested cases;] prohibiting the filing of certain [briefs] memoranda in a proceeding for judicial review of a final decision of the Commission; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under the Nevada Administrative Procedure Act, any party who is identified in an administrative proceeding as a party of record by an agency to which the Act applies and who is aggrieved by a final decision in a contested case is entitled to judicial review of the decision. (NRS 233B.130) The provisions of the Nevada Administrative Procedure Act do not apply to the judicial review of decisions of the Public Utilities Commission of Nevada. (NRS 233B.039) However, existing law entitles any party of record to a proceeding before the Commission to judicial review of a final decision of the Commission. (NRS 703.373) This bill limits the judicial review of decisions of the Commission in a manner similar to the Nevada Administrative Procedure Act. Under this bill, a person is entitled to judicial review of a final decision of the Commission if: (1) the decision was a final decision in a contested case; and (2) the person seeking judicial review was a party of record in the contested case. Under existing law, after a petitioner seeking judicial review of a final decision of the Commission serves and files a memorandum of points and authorities, the Commission and any other respondents are required to serve and file a reply memorandum of points and authorities within 30 days. (NRS 703.373) This bill prohibits the filing of additional [briefs] memoranda after the Commission and any other respondents have served and filed a reply memorandum.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 703.373 is hereby amended to read as follows:

703.373 1. Any party of record to a proceeding in a contested case before the Commission is entitled to judicial review of the final decision in the contested case upon the exhaustion of all administrative remedies by the party of record seeking judicial review.

2. Proceedings for review may be instituted by filing a petition for judicial review in the District Court in and for Carson City, in and for the county in which the party of record seeking judicial review resides, or in and for the county where the act on which the proceeding is based occurred.
3. A petition for judicial review must be filed within 30 days after final action by the Commission on reconsideration or rehearing, or if the Commission takes no action on reconsideration or rehearing, within 30 days after the date on which reconsideration or rehearing is deemed denied. Copies of the petition for judicial review must be served upon the Commission and all other parties of record.

4. The Commission shall participate in the judicial review. Any party of record desiring to participate in the judicial review must file a statement of intent to participate in the petition for judicial review and serve the statement upon the Commission and every party within 15 days after service of the petition for judicial review.

5. Within 30 days after the service of the petition for judicial review or such time as is allowed by the court, the Commission shall transmit to the reviewing court a certified copy of the entire record of the proceeding under review, including a transcript of the evidence resulting in the final decision of the Commission. The record may be shortened by stipulation of the parties to the proceedings.

6. A petitioner who is seeking judicial review must serve and file a memorandum of points and authorities within 30 days after the Commission gives written notice to the parties that the record of the proceeding under review has been filed with the court.

7. The Commission and any other respondents shall serve and file a reply memorandum of points and authorities within 30 days after service of the memorandum of points and authorities. Upon service and filing of the reply memorandum by the Commission and any other respondents:
   (a) No further briefs may be filed; and
   (b) The action is at issue; and the
   (c) The parties must be ready for a hearing upon 20 days’ notice.

8. Judicial review of a final decision of the Commission must be:
   (a) Conducted by the court without a jury; and
   (b) Confined to the record.

9. In cases concerning alleged irregularities in procedure before the Commission that are not shown in the record, the court may receive evidence concerning the irregularities.

10. The final decision of the Commission shall be deemed reasonable and lawful until reversed or set aside in whole or in part by the court. The burden of proof is on the petitioner to show that the final decision is invalid pursuant to subsection 11.

11. All actions brought under this section have precedence over any civil action of a different nature pending in the court.

12. The court shall not substitute its judgment for that of the Commission as to the weight of the evidence on questions of fact. The court may affirm the decision of the Commission or set it aside in whole or in part if substantial
rights of the petitioner have been prejudiced because the final decision of the Commission is:
(a) In violation of constitutional or statutory provisions;
(b) In excess of the statutory authority of the Commission;
(c) Made upon unlawful procedure;
(d) Affected by other error of law;
(e) Clearly erroneous in view of the reliable, probative and substantial evidence on the whole record; or
(f) Arbitrary or capricious or characterized by abuse of discretion.

Senate Bill No. 70.

The following amendment was proposed by the Committee on Health and Human Services:
Amendment No. 51.
SUMMARY—Revises provisions governing mental health. (BDR 39-418)
AN ACT relating to mental health; revising provisions governing the use of chemical restraints on persons with disabilities; establishing procedures for placing a person on and releasing a person from a mental health crisis hold; revising provisions governing the emergency admission of a person to a mental health facility or hospital; revising provisions governing involuntary court-ordered admission to a mental health facility and assisted outpatient treatment; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law defines the term “chemical restraint” to mean the administration of drugs for the specific and exclusive purpose of controlling an acute or episodic aggressive behavior when alternative intervention techniques have failed to limit or control the behavior. (NRS 388.476, 394.355, 433.5456, 449A.206) Existing law prescribes the conditions under which a medical facility, facility for the dependent, psychiatric hospital or psychiatric unit of a hospital or public or private school may use a chemical restraint on a person with a disability and prohibits the use of a chemical restraint on such a person under certain circumstances. (NRS 388.473, 388.497, 394.354, 394.366, 433.548, 433.549, 433.5503, 449A.236, 449A.245, 449A.248)
Sections 2, 65, 66 and 68 of this bill redefine the term “chemical restraint” for those purposes.
Existing law uses the term “consumer” to describe persons who receive various mental health services. (Chapter 433A of NRS) Section 3.5 of this bill specifically defines that term to mean any person who voluntarily or involuntarily seeks and may benefit from certain mental health services.

Existing law authorizes an officer authorized to make arrests in this State, certain providers of health care, or the spouse, parent, adult child or legal guardian of a person alleged to be a person in a mental health crisis to apply for the emergency admission of a person alleged to be a person in a mental health crisis to a mental health facility or hospital. (NRS 433A.160) Existing law requires the release of a person admitted under an emergency admission within 72 hours after the submission of the application for emergency admission unless: (1) a petition is filed for the involuntary court-ordered admission of the person; or (2) the admission is changed to a voluntary admission. (NRS 433A.145, 433A.150, 433A.200)

Section 6 of this bill defines the term “mental health crisis hold” to mean the detention of a person alleged to be a person in a mental health crisis at a public or private mental health facility or hospital for transport to, and assessment, evaluation, intervention and treatment at, a public or private mental health facility or hospital. Section 4 of this bill defines the term “emergency admission” to mean the involuntary admission of a person who has been placed on a mental health crisis hold to a public or private mental health facility or a hospital. Sections 9, 10 and 28-35 of this bill prescribe separate processes for the detention of a person on a mental health crisis hold and the emergency admission of such a person. Specifically, section 30 of this bill authorizes an officer authorized to make arrests in this State or certain providers of health care to place a person alleged to be a person who is in a mental health crisis on a mental health crisis hold. Section 9 of this bill authorizes such an officer or provider of health care, certain family members, a person who is providing case management, support and supervision to a person who has been conditionally released from a mental health facility or any other person with a legitimate interest in a person alleged to be a person in a mental health crisis to petition for a court order to place a person alleged to be a person with a mental illness on a mental health crisis hold. Section 29 of this bill prescribes the conditions under which a person may be detained if the person is placed on a mental health crisis hold. Section 35 of this bill prescribes the requirements for releasing a person from a mental health crisis hold. Sections 10, 28, 31 and 32 of this bill prescribe the procedure for admitting a person to a mental health facility or hospital under an emergency admission. Sections 10, 28 and 29 require the release of a person placed on a mental health crisis hold within 72 hours after the initiation of the hold, regardless of whether the person is admitted under an emergency admission, unless: (1) a petition is filed for the involuntary court-ordered admission of the person; or (2) the admission is changed to a voluntary admission. Sections 1, 23, 37, 40, 55, 64, 67 and 70-72 of this bill make conforming changes.
Existing law establishes a procedure for the involuntary court-ordered admission of a person to a mental health facility or a program of community-based or outpatient services. (NRS 433A.200-433A.330) Section 24 of this bill replaces the term “program of community-based or outpatient services” with the term “assisted outpatient treatment,” which is defined to mean outpatient services provided pursuant to a court order to a person with a mental illness for the purpose of treating the mental illness, assisting the person to live and function in the community or prevent a relapse or deterioration. Sections 11-21 of this bill prescribe a separate process for the issuance of a court order requiring a person to receive [involuntary] assisted outpatient treatment. Specifically, section 11 of this bill authorizes: (1) the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services, certain providers of health care and certain persons who have an interest in a person to petition the district court to commence a proceeding for [involuntary] the issuance of a court order requiring assisted outpatient treatment of the person; and (2) a criminal defendant or the district attorney to make a motion to the district court to commence a proceeding for [involuntary] the issuance of a court order requiring assisted outpatient treatment of the defendant or the district court to commence such a proceeding on its own motion. Section 11 prescribes the criteria for determining whether a person may be ordered to receive [involuntary] assisted outpatient treatment. Section 13 of this bill requires certain persons who have evaluated a person who is the subject of a petition or motion for [involuntary] assisted outpatient treatment to submit to the court a recommended treatment plan for the person. Section 14 of this bill requires a person who is the subject of a petition or motion for [involuntary] assisted outpatient treatment to submit to the court a recommended treatment plan for the person. Section 18 of this bill authorizes a court to order [involuntary] a person to receive assisted outpatient treatment if [ ]: (1) at the conclusion of the proceedings, there is clear and convincing evidence that the person to be treated meets the applicable criteria for the initiation or renewal of such treatment [ ]; Section 43 of this bill additionally authorizes a court to order involuntary assisted outpatient treatment if, at the conclusion of proceedings for involuntary court-ordered admission to a mental health facility, the court determines that the subject of the hearing meets those criteria. If a person who has been ordered to receive involuntary assisted outpatient treatment fails to comply with the order, section 20 of this bill authorizes certain persons to submit a petition for a court to order that the person be taken into custody to determine whether he or she is a person in a mental health crisis [ ]; and (2) a person professionally qualified in the field of psychiatric mental health is able to treat the person in the county where the person to receive the treatment resides. Section 21 of this bill prescribes a procedure for renewing an order for [involuntary] assisted outpatient treatment. Section 23.5 of this bill revises the definition of “person professionally qualified in the field of psychiatric mental
“health” for purposes relating to eligibility to provide assisted outpatient treatment and certain other purposes. Sections 1, 27, [26] 38, [41-46, 48-54, 56-63,] 41, 44, 45, 49, 51-54, 57-63, 69 and 72-75 of this bill make conforming changes.

Section 25 of this bill provides that a person who is at risk of suffering severe abnormal mental, emotional or physical harm that significantly impairs judgment, reason, behavior or the capacity to recognize reality presents a substantial likelihood of serious harm to himself or herself or others for the purpose of determining whether to: (1) place the person on a mental health crisis hold; (2) order the involuntary admission of the person to a mental health facility; or (3) order the person to receive involuntary assisted outpatient treatment. Section 26 of this bill requires the Division and the Attorney General to approve all forms for the detainment, evaluation, treatment and conditional release of any person under chapter 433A of NRS and furnish the forms to the clerks of district courts in each county. Section 36 of this bill revises requirements governing a petition for involuntary court-ordered admission. Section 39 of this bill requires a person who submits such a petition to notify the court if the subject of the petition is currently admitted to a mental health facility or hospital and is transferred to another mental health facility or hospital.

Existing law: (1) requires the transfer of proceedings for the involuntary admission of a person if professionals who are qualified to examine the person are not available in the county where the petition is filed; and (2) provides that the expense of proceedings for involuntary admission are to be paid by the county where the petition is filed or, if the subject of the petition does not reside in that county, the county of the State where he or she last resided. (NRS 433A.260) Section 41.5 of this bill imposes specific requirements for the transfer of proceedings from a county where qualified professionals are not available to conduct the examination to a county where qualified professionals are available. Section 41.5 also revises requirements governing the payment of the cost of proceedings for involuntary admission to require such cost to be paid by the county in which the subject of the petition resides. Section 42 of this bill removes a requirement that the same counsel must continue to represent a person who is involuntarily admitted to a program of community-based or outpatient services until the person is unconditionally released. Section 43 of this bill provides that, once a person is involuntarily admitted to a mental health facility: (1) the admitting court is prohibited from transferring the case; and (2) the mental health facility is required to notify the court if the person is transferred. Section 50 of this bill prohibits the transfer of a consumer who has been admitted to a mental health facility or required to receive assisted outpatient treatment to another facility or provider of treatment, as applicable, unless arrangements relating to the costs of treatment are made between the facility or provider and the consumer or the person who requested the admission or treatment.
Section 47 of this bill: (1) requires the notification of the court when a person who has been involuntarily admitted to a mental health facility is conditionally released; (2) revises the criteria for determining whether such a person may be conditionally released; and (3) authorizes the court to periodically review the terms of the conditional release. Sections 22, 39 and 47 of this bill revise the procedure for admitting a person who has been conditionally released to a mental health facility or hospital when conditional release is no longer appropriate. Section 48 of this bill: (1) abolishes a requirement that an evaluation team evaluate a person who is involuntarily admitted by court order to a mental health facility or required to receive assisted outpatient treatment before the person may be unconditionally released before the expiration of the order; and (2) makes certain other minor revisions concerning unconditional release. Sections 47 and 48 impose specific requirements concerning notification of the guardian of a person who is conditionally released from a mental health facility or unconditionally released from a mental health facility or assisted outpatient treatment.

Existing law requires a court to seal all records related to the admission and treatment of any person admitted to a mental health facility or a program of community-based or outpatient services. (NRS 433A.715) Section 56 of this bill additionally requires a court to seal records governing any other proceedings conducted under chapter 433A of NRS.

The compensation must be charged against the estate of the person for whom the counsel was appointed or, if the person is indigent, against the county where the person alleged to be a person in a mental health crisis who is the subject of the petition or motion last resided.

3. The court shall, at the request of counsel representing the subject of the petition or motion in proceedings before the court relating to involuntary assisted outpatient treatment, grant a recess in the proceedings for the shortest time possible, but for not more than 7 days, to give the counsel an opportunity to prepare his or her case.

4. If the person who is the subject of the petition or motion is ordered to receive involuntary assisted outpatient treatment, counsel must continue to represent the person until the person is released from the program. The court shall serve notice upon such counsel of any action that is taken involving the person while the person is required by the order to receive involuntary assisted outpatient treatment.

Sec. 15. 1. The district attorney of a county in which a petition is filed or motion is made pursuant to section 11 or 21 of this act or his or her deputy:

(b) May appear and represent the State in the proceedings for involuntary assisted outpatient treatment in any other case where the district attorney determines that there is clear and convincing evidence that the criteria prescribed in subsection 3 of section 11 of this act or subsection 1 of section 21 of this act, as applicable, are met.
2. If the district attorney does not appear and represent the State in a proceeding for involuntary assisted outpatient treatment, the petitioner is responsible for presenting the case in support of the petition.

Sec. 16. 1. In proceedings for involuntary assisted outpatient treatment, the court shall hear and consider all relevant testimony, including, without limitation:

(a) The testimony of the person who made a sworn statement or declaration pursuant to paragraph (a) of subsection 4 of section 11 of this act, any personnel of the Division responsible for a clinical determination made pursuant to paragraph (c) of subsection 2 of section 11 of this act or the person or entity responsible for the decision to submit a petition pursuant to section 21 of this act, as applicable;

2. The court may consider testimony relating to any past actions of the person who is the subject of the petition or motion if such testimony is probative of the question of whether the person currently meets the criteria prescribed by subsection 3 of section 11 of this act or subsection 1 of section 21 of this act, as applicable.

Sec. 17. 1. Except as otherwise provided in subsection 2, the person who is the subject of a petition or motion for involuntary assisted outpatient treatment must be present at the proceedings on the petition or motion, as applicable, and may, at the discretion of the court, testify.

2. The court may conduct the hearing on a petition or motion for involuntary assisted outpatient treatment in the absence of the person who is the subject of the petition or motion if:

(a) The person has waived his or her right to attend the hearing after receiving notice pursuant to section 12 of this act and being advised of his or her right to be present and the potential consequences of failing to attend; and

(b) The counsel for the person is present.

Sec. 18. 1. If the district court finds, after proceedings for the involuntary assisted outpatient treatment of a person:

(a) That the person professionally qualified in the field of psychiatric mental health who made the sworn statement or declaration pursuant to paragraph (b) of subsection 4 of section 11 of this act or submitted the petition pursuant to section 21 of this act, as applicable, is not able to provide treatment to the person who is the subject of the proceedings in the county where he or she resides or that there is not clear and convincing evidence that
the person who is the subject of the proceedings meets the criteria prescribed in subsection 3 of section 11 of this act or subsection 1 of section 21 of this act, as applicable, the court must enter its finding to that effect and the person must not be ordered to receive assisted outpatient treatment.

(b) That the person professionally qualified in the field of psychiatric mental health who made the sworn statement or declaration pursuant to paragraph (b) of subsection 4 of section 11 of this act or submitted the petition pursuant to section 21 of this act, as applicable, is able to provide treatment to the person who is the subject of the proceedings in the county where he or she resides and that there is clear and convincing evidence that the person who is the subject of the proceedings meets the criteria prescribed in subsection 3 of section 11 of this act or subsection 1 of section 21 of this act, as applicable, the court may order the person to receive assisted outpatient treatment. The order of the court must be interlocutory and must not become final if, within 30 days after the issuance of the order, the person is unconditionally released pursuant to NRS 433A.390.

2. If the district court finds, after proceedings for the assisted outpatient treatment of a defendant in a criminal proceeding pursuant to subsection 2 of section 11 of this act:

(a) That the person professionally qualified in the field of psychiatric mental health who made the sworn statement or declaration pursuant to paragraph (b) of subsection 4 of section 11 of this act or submitted the petition pursuant to section 21 of this act, as applicable, is not able to provide treatment to the defendant in the county where he or she resides or that there is not clear and convincing evidence that the defendant meets the criteria prescribed in subsection 3 of section 11 of this act or subsection 1 of section 21 of this act, as applicable, the court must enter its finding to that effect and the defendant must not be ordered to receive assisted outpatient treatment.

(b) That the person professionally qualified in the field of psychiatric mental health who made the sworn statement or declaration pursuant to paragraph (b) of subsection 4 of section 11 of this act or submitted the petition pursuant to section 21 of this act, as applicable, is able to provide treatment to the defendant in the county where he or she resides and that there is clear and convincing evidence that the defendant meets the criteria prescribed in subsection 3 of section 11 of this act or subsection 1 of section 21 of this act, as applicable, except as otherwise provided in this paragraph, the court must order the defendant to receive assisted outpatient treatment and suspend further proceedings in the criminal proceeding against the defendant until the defendant completes the treatment or the treatment is terminated. If the offense allegedly committed by the defendant is a category A or B felony or involved the use or threatened use of force or violence, the court must not order the defendant to receive assisted outpatient
treatment pursuant to this paragraph unless the prosecuting attorney stipulates to the assignment. The order of the court must be interlocutory and must not become final if, within 30 days after the issuance of the order, the person is unconditionally released pursuant to NRS 433A.390. If the defendant successfully completes the assisted outpatient treatment to the satisfaction of the court, the court must dismiss the criminal charges against the defendant with prejudice.

3. An order for a person to receive assisted outpatient treatment must:
   
   (a) Provide for a period of assisted outpatient treatment that does not exceed 6 months unless the order is renewed or extended pursuant to section 21 of this act;
   
   (b) Specify the services that the person who is to be treated must receive; and
   
   (c) Direct the person professionally qualified in the field of psychiatric mental health who made the sworn statement or declaration pursuant to paragraph (b) of subsection 4 of section 11 of this act or submitted the petition pursuant to section 21 of this act, as applicable, to provide the services pursuant to paragraph (b) for the duration of the order.

4. If an order for a person to receive assisted outpatient treatment requires the administration of medication, the order must state the classes of medication and the reasons for ordering the medication, which must be based on the proposed written treatment plan submitted pursuant to section 13 of this act. The order may require the person who is to be treated to self-administer the medication or accept the administration of the medication by a specified person. The court shall not order the use of physical force or restraints to administer medication.

5. An order for a person to receive assisted outpatient treatment must not prescribe treatment that differs from the treatment not recommended by the proposed written treatment plan submitted pursuant to section 13 of this act. If a surrogate, supporter or legal guardian of a person to be treated testified at the hearing or the person to be treated has executed an advance directive for psychiatric care pursuant to NRS 449A.600 to 449A.645, inclusive, an order for the person to receive involuntary assisted outpatient treatment must not require treatment that conflicts with the preferences expressed in the testimony or advance directive, as applicable, unless good cause is shown.

6. If the court issues an order requiring a person to receive assisted outpatient treatment, the court must, notwithstanding the provisions
of NRS 433A.715, cause, within 5 business days after the order becomes final pursuant to this section, on a form prescribed by the Department of Public Safety, a record of the order to be transmitted to:

(a) The Central Repository for Nevada Records of Criminal History, along with a statement indicating that the record is being transmitted for inclusion in each appropriate database of the National Instant Criminal Background Check System; and

(b) Each law enforcement agency of this State with which the court has entered into an agreement for such transmission, along with a statement indicating that the record is being transmitted for inclusion in each of this State’s appropriate databases of information relating to crimes.

7. A court may periodically review an order for a person to receive involuntary assisted outpatient treatment to determine whether there is an available alternative treatment that is the least restrictive treatment that is appropriate for the person, is in the best interest of the person and will not be detrimental to the public welfare. If the court determines that such a treatment is available, the court must amend the order to require such treatment.

8. As used in this section, “National Instant Criminal Background Check System” has the meaning ascribed to it in NRS 179A.062.

Sec. 19. The order for any person to receive involuntary assisted outpatient treatment must be accompanied by a clinical abstract, including a history of illness, diagnosis, treatment and the names of relatives or correspondents. (Deleted by amendment.)

Sec. 20. When a person who is involuntarily required to receive assisted outpatient treatment fails to participate in the treatment or otherwise fails to carry out the plan of treatment ordered pursuant to section 18 of this act or subsection 3 of NRS 433A.310, as applicable, despite efforts by the professional responsible for providing or coordinating the involuntary assisted outpatient treatment for the person to solicit the person’s compliance, the professional may petition the court to issue an order requiring a peace officer to take into custody and deliver the person to the appropriate location to determine whether the person is a person in a mental health crisis. The petition must be accompanied by:

(a) A copy of the order for involuntary assisted outpatient treatment;

(b) A copy of the plan of treatment ordered by the court pursuant to section 18 of this act or subsection 3 of NRS 433A.310, as applicable;

(c) A list that sets forth the specific provisions of the plan of treatment which the person has failed to carry out; and

(d) A statement by the petitioner which explains how the person’s failure to receive involuntary assisted outpatient treatment or failure to carry out the plan of treatment will likely cause the person to harm himself or herself or others.
2. If the court determines that there is probable cause to believe that the person is likely to harm himself or herself or others if the person does not comply with the plan of treatment, the court may issue an order requiring a peace officer to take into custody and deliver the person to an appropriate location for a determination of whether the person is a person in a mental health crisis.

3. As used in this section, “appropriate location” does not include a jail or prison. (Deleted by amendment.)

Sec. 21. 1. Not later than 7 judicial days before the end of a period of [involuntary] assisted outpatient treatment ordered by a court pursuant to section 18 of this act, [or NRS 433A.310,] the Administrator or his or her designee, the medical director of a division facility through which the person who is the subject of the order is receiving [involuntary] assisted outpatient treatment or his or her designee or another [professional] person professionally qualified in the field of psychiatric mental health responsible for providing [or coordinating] the [involuntary] assisted outpatient treatment may petition to renew the order for [involuntary] assisted outpatient treatment for additional periods not to exceed 6 months each. For each renewal, the petition must allege that the person to be treated:

(a) Is capable of surviving in the community in which he or she resides without presenting a substantial likelihood of serious harm to himself or herself or others, as determined pursuant to NRS 433A.0195, if he or she receives assisted outpatient treatment;

(b) Requires assisted outpatient treatment to prevent further disability or deterioration that presents a substantial likelihood of serious harm to himself or herself or others, as determined pursuant to NRS 433A.0195; and

(c) Has a limited ability to make an informed decision to voluntarily seek or comply with treatment for his or her mental illness as a result of his or her mental illness.

2. A copy of a petition filed pursuant to subsection 1 must be served upon the person who is the subject of the petition or his or her counsel and, if applicable, his or her legal guardian.

3. Upon receiving a petition filed pursuant to subsection 1, the court shall schedule a hearing on the petition pursuant to section 12 of this act. If the order for [involuntary] assisted outpatient treatment that is effective at the time of the petition is scheduled to expire before the hearing, the order is extended and remains in effect until the date of the hearing.

Sec. 22. 1. If a person described in subsection 2 determines that conditional release for a person pursuant to NRS 433A.380 is no longer appropriate because the person is in a mental health crisis, the person may petition the district court in the county where the person determined to be in a mental health crisis resides for an order requiring a peace officer to take the person into custody and transport the person to a mental health facility or hospital or arrange for the person to be transported to a mental health facility.
or hospital by a person or entity listed in subparagraph (2) of paragraph (b) of subsection 1 of NRS 433A.160.

2. A petition described in subsection 1 may be filed by:
(a) A member of the staff of a community treatment program, social services organization, mobile crisis unit or a member of a multi-disciplinary team that is providing care management, support and supervision to the person who is the subject of the petition;
(b) The spouse, parent, adult child or guardian of the person who is the subject of the petition; or
(c) A member of the staff of a mental health facility or hospital at which the person who is the subject of the petition is receiving treatment.

3. The district court may issue an order pursuant to subsection 1 only if it concludes that there is probable cause to believe that conditional release is no longer appropriate because the person is a person in a mental health crisis. If the district court issues such an order, the court shall ensure the delivery of the order to the sheriff of the county. The sheriff shall:
(a) Provide the order to the public or private mental health facility or hospital to which the person is transported; or
(b) Arrange for the person who transports the person alleged to be a person in a mental health crisis to a public or private mental health facility or hospital to provide the order to the facility or hospital.

4. A mental health facility or hospital to which a person is transported pursuant to this section shall provide for the evaluation of the person by a physician, a licensed psychologist, a physician assistant under the supervision of a psychiatrist, a clinical social worker who has the psychiatric training and experience prescribed by the Board of Examiners for Social Workers pursuant to NRS 641B.160 or an advanced practice registered nurse who has the psychiatric training and experience prescribed by the State Board of Nursing pursuant to NRS 632.120. If the physician, psychologist, physician assistant, clinical social worker or advanced practice registered nurse conducting the evaluation determines that the person is a person in a mental health crisis, the physician, psychologist, physician assistant, clinical social worker or advanced practice registered nurse must:
(a) Place the person on a mental health crisis hold pursuant to NRS 433A.160;

Legislative Counsel’s Digest:
Existing law requires each school district and charter school to enter into a cooperative agreement with a community college, state college or university to offer dual credit courses to pupils enrolled in the school district or charter school. Under existing law, a community college, state college or university is required to provide a copy of any such cooperative agreement to the Nevada System of Higher Education and the Department of Education. (NRS 389.310)
Section 2 of this bill authorizes a university school for profoundly gifted pupils to enter into a cooperative agreement to offer dual credit courses. Section 2 also clarifies that the community college, state college or university with which a school district, charter school or university school for profoundly gifted pupils enters into such a cooperative agreement must be located in this State and accredited by a regional accrediting agency recognized by the United States Department of Education. Section 2 also authorizes a school district, charter school or university school for profoundly gifted pupils to similarly enter into a cooperative agreement with a regionally accredited institution of higher education located in another state to offer dual credit courses that are not offered by a community college, state college or university located in this State to pupils enrolled in the school district, charter school or university school for profoundly gifted pupils. Finally, section 2 requires an institution of higher education located in another state that enters into a cooperative agreement with a school district, charter school or university school for profoundly gifted pupils in this State to provide a copy of the agreement to the Department. Section 1 of this bill makes a conforming change relating to university schools for profoundly gifted pupils entering into cooperative agreements to offer dual credit courses.

SUMMARY—[Revises provisions relating to victims of human trafficking] Directs the Legislative Commission to appoint a committee to conduct an interim study concerning sex trafficking. (BDR [15-57]) S-57

AN ACT relating to crimes; [providing that victims of human trafficking are immune from civil and criminal liability for the commission of certain offenses; prohibiting a law enforcement officer from arresting or issuing a citation to a victim of human trafficking for certain offenses relating to prostitution; requiring the release from custody of or dismissal of charges against a person who is determined to be a victim of human trafficking in certain circumstances; requiring that victims of human trafficking be referred to certain local resources, programs and services; requiring that certain state agencies be notified of certain victims of human trafficking; revising provisions governing the requirement for persons who are arrested for certain crimes to submit to a test to detect exposure to the human immunodeficiency virus;] directing the Legislative Commission to appoint a committee to conduct an interim study concerning sex trafficking in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

—Existing law prohibits pandering, sex trafficking, living from the earnings of a prostitute and advancing prostitution. (NRS 201.300, 201.320, 201.205)

Section 1 of this bill defines a victim of those crimes as a “victim of human trafficking.”

Section 1 provides that any person who is determined by a law enforcement officer, prosecuting attorney or court to be a victim of human trafficking is immune from any civil or criminal liability for: (1) unlawfully engaging in
prostitution or solicitation for prostitution; (2) unlawfully offering or agreeing
to engage in or aiding and abetting any act of prostitution; or (3) any other
crime that the person committed in his or her capacity as a victim of human
trafficking. Section 1 also prohibits a law enforcement officer from arresting
or issuing a citation to a person who has or is alleged to have unlawfully
engaged in prostitution or solicitation for prostitution or offered or agreed to
engage in or aided and abetted any act of prostitution if it reasonably appears
to the law enforcement officer that the person is a victim of human trafficking.

Section 1 additionally provides that if a person is arrested for or charged
with engaging in prostitution or solicitation for prostitution or offering or
agreeing to engage in or aiding and abetting any act of prostitution, and the
person is subsequently determined by a law enforcement officer, prosecuting
attorney or court to be a victim of human trafficking, the charges against the
person must be dismissed and, unless the person has been charged with another
offense, he or she must be released from custody. Section 1 further provides
that if a person is arrested for or charged with the commission of any crime
other than such offenses relating to prostitution and is subsequently determined
by a law enforcement officer, prosecuting attorney or court to be a victim of
human trafficking and to have committed the crime in his or her capacity as
such a victim, the charges against the person must be dismissed and the person
must be released from custody. Finally, section 1 requires law enforcement
officers, prosecuting attorneys and courts to: (1) refer victims of human
trafficking to available local resources, programs or services for victims of
human trafficking; (2) notify the Division of Child and Family Services of the
Department of Health and Human Services if a victim of human trafficking is
less than 18 years of age; and (3) notify the Aging and Disability Services
Division of the Department of Health and Human Services if a victim of human
trafficking is an older person or a vulnerable person.

Section 2 of this bill makes a conforming change to indicate the placement
of section 1 in the Nevada Revised Statutes. Sections 3 and 5 of this bill make
conforming changes to indicate that the provisions of section 1 constitute an
exception to the provisions of law that prohibit offenses relating to prostitution.
Sections 3 and 6 of this bill remove provisions of existing law that are no
longer necessary because of the provisions of section 1.

Existing law requires any person who is arrested for unlawfully engaging
in prostitution or solicitation for prostitution to submit to a test to detect exposure
to the human immunodeficiency virus. (NRS 201.356) Section 4 of this bill
provides that such a person is exempt from that requirement if the person is
determined to be a victim of human trafficking after his or her arrest but before
the test is performed.

Section 7 of this bill provides that the amendatory provisions of this bill
apply to an offense committed: (1) on or after October 1, 2021; and (2) before
October 1, 2021, if the person is not convicted before October 1, 2021.

Existing law: (1) sets forth certain acts that constitute the crimes of sex
trafficking and facilitating sex trafficking; and (2) imposes various penalties upon a person who is found guilty of such crimes, depending on the age of the victim. (NRS 201.300, 201.301) This bill directs the Legislative Commission to appoint a committee to conduct an interim study concerning issues relating to sex trafficking in this State. This bill requires the committee to examine, research and identify: (1) the existing laws governing sex trafficking and related offenses; (2) alternatives to arrest and immunity from civil liability for victims of sex trafficking; (3) programs which provide resources to such victims; and (4) statistical information concerning sex trafficking.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 7 of this bill and replace with the following new sections 1 and 2:

Section 1. 1. The Legislative Commission shall appoint a committee to conduct an interim study concerning issues relating to sex trafficking in this State.

2. The interim committee must be composed of six Legislators as follows:
   (a) Two members appointed by the Majority Leader of the Senate;

Amendment No. 354.
SUMMARY—Revises provisions relating to crimes motivated by certain characteristics of the victim. (BDR 15-246)
AN ACT relating to crimes; revising provisions relating to crimes motivated by certain characteristics of the victim; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law provides that if a person commits certain crimes ordinarily punishable as misdemeanors because of certain characteristics of the victim including race, color, religion, national origin, physical or mental disability, sexual orientation or gender identity or expression, then the crime committed is punishable as a gross misdemeanor. (NRS 207.185) Existing law also provides that if a person commits certain crimes punishable as felonies because a certain characteristic of the victim, including race, color, religion, national origin, physical or mental disability, sexual orientation or gender identity or expression, is different from that characteristic of the perpetrator, then the crime is punishable by an additional penalty. (NRS 193.1675) For these crimes punishable as felonies, section 1 of this bill removes the requirement that the perpetrator must have a characteristic that is different from the characteristic of the victim for the additional penalty to apply and instead provides that the perpetrator may be punished by an additional penalty if the perpetrator committed the crime because of the characteristics of the victim, thereby making the standard the same for these crimes as it is for certain crimes punishable as misdemeanors under existing law. Section 1 also adds to the list of such crimes punishable as felonies the crime of making threats or conveying false information concerning acts of terrorism, weapons of mass destruction or lethal agents or toxins.
Section 2 of this bill adds to the list of crimes ordinarily punishable as misdemeanors that are punishable as gross misdemeanors if committed because of certain characteristics of the victim the crime of threatening to cause bodily harm or death to a pupil or employee of a school district or charter school.
Existing law authorizes a person who has suffered injury as the proximate result of the commission of certain crimes by a perpetrator who was motivated by certain characteristics of the injured person to bring a civil action to recover his or her actual damages and punitive damages. (NRS 41.690) Section 3 of this bill adds to the list of such crimes for which such a person may bring such a civil action the crimes of: (1) making threats or conveying false information concerning acts of terrorism, weapons of mass destruction or lethal agents or...
toxins; and (2) threatening to cause bodily harm or death to a pupil or employee
of a school district or charter school.

Amendment No. 453.

SUMMARY—Revises provisions relating to cannabis. (BDR 56-135)

AN ACT relating to cannabis; [prohibiting] authorizing the Cannabis Compliance Board [or a local government from] to adopt regulations imposing
requirements relating to the packaging and labeling of cannabis and cannabis products; authorizing a cannabis sales facility to engage in curbside pickup under certain circumstances; revising certain requirements relating to the labeling of cannabis and cannabis products; revising requirements relating to information that is required to be provided to purchasers of cannabis or cannabis products; requiring the Board to adopt regulations allowing for certain records of a cannabis establishment to be created and maintained in an electronic format; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the licensure and regulation of persons and establishments involved in the cannabis industry in this State by the Cannabis Compliance Board. (Title 56 of NRS) Existing law authorizes the Board to adopt regulations imposing reasonable restrictions on signage, marketing, display and advertising of cannabis establishments, but prohibits the Board from imposing a restriction that requires a cannabis establishment to obtain the approval of the Board before using a logo, sign or advertisement. (NRS 678A.450) Section 1 of this bill similarly authorizes the Board to adopt regulations imposing reasonable requirements for the packaging and labeling of cannabis and cannabis products, but prohibits the Board from imposing a restriction that requires a cannabis establishment to obtain the approval of the Board or a local government before using such packaging. Section 7 of this bill requires the Board to revise its regulations to conform with the provisions of section 1.

Section 3 of this bill: (1) authorizes a cannabis sales facility to engage in curbside pickup in accordance with regulations adopted by the Board; and (2) requires the Board to adopt regulations governing curbside pickup conducted by cannabis sales facilities. Section 3 defines “curbside pickup” to mean the delivery of cannabis or cannabis products by a cannabis sales facility to a consumer in a motor vehicle at a designated parking space on the premises of the cannabis sales facility. Section 3 requires a cannabis sales facility that wishes to engage in curbside pickup to submit a plan for the implementation of curbside pickup to the Board for approval. Section 3 prescribes the required contents of such a plan, which include, among other requirements, procedures setting forth the manner in which curbside pickup will be conducted and procedures to ensure the security of the cannabis sales facility and consumers during curbside pickup. Under also provides that nothing in section 3, if the Board approves the plan and the cannabis sales facility is not otherwise prohibited by, prohibits a local government from adopting and enforcing an ordinance or rule (the
prohibiting a cannabis sales facility [is authorized to engage] from engaging in curbside pickup [in accordance with the terms of the approved plan.]

Existing law and regulations impose various requirements on the labeling of cannabis products. (NRS 678B.520, 678D.420; Nevada Cannabis Compliance Regulations §§ 12.010-12.065) Section 4 of this bill authorizes a cannabis establishment, with certain exceptions, to satisfy any requirement relating to the labeling of a cannabis product which requires the cannabis establishment to include certain information on a label affixed to a cannabis product by including the required information in a pamphlet that is clear and legible and providing the pamphlet to the purchaser of the product at the time of sale.

Existing law [imposes certain restrictions on the advertising of] requires each cannabis [establishments] establishment to, in consultation with the Board, cooperate to ensure that all cannabis products offered for sale meet certain requirements, including, without limitation, certain requirements relating to the labeling of such products. Existing law requires a cannabis production facility to affix a label on each cannabis product containing certain specified information. (NRS 678B.520) Section 5 of this bill [provides that the placement of a sign inside an establishment does not constitute advertising for the purposes of such restrictions.] removes this requirement and instead requires each cannabis establishment [that is not visible from outside the establishment does not constitute advertising for the purposes of such restrictions.] to, in consultation with the Board, cooperate to ensure that all cannabis products offered for sale are labeled with certain specified information and any other information the Board may require by regulation.

Existing law requires a cannabis sales facility to include with each sale of cannabis or cannabis products a written notification containing certain information. (NRS 678B.520) Section 5 revises this requirement to require a cannabis sales facility to, instead of providing a written notification, convey the information to each purchaser of cannabis or cannabis products in a manner prescribed by the Board.

Existing law requires the Board to adopt regulations concerning the operation of cannabis establishments, including, without limitation, regulations setting forth minimum requirements for the keeping of records by cannabis establishments. (NRS 678B.650) Section 6 of this bill additionally requires the Board to adopt regulations allowing for any record relating to the delivery of cannabis or cannabis products that is required to be kept by a cannabis establishment to be created and maintained in an electronic format.

The failure of a cannabis sales facility to comply with the terms of the approved plan constitutes grounds for disciplinary action.

The following amendment was proposed by the Committee on Health and Human Services:
Amendment No. 454.
SUMMARY—Establishes programs for certain persons of low-income and persons in foster care. (BDR 38-711)

AN ACT relating to public assistance; requiring the Office of the State Treasurer to solicit gifts, grants and donations to establish the Individual Development Account Program under which certain persons may establish an individual development account; creating the Nevada Statewide Council on Financial Independence; prohibiting certain entities from considering money deposited into an individual development account by certain persons to be income under certain circumstances; requiring certain entities to ensure that instruction in financial literacy is provided to certain persons if money is available to provide such instruction; requiring the State Treasurer to ensure that certain instruction and training is provided to a tenant of a housing project if money is available to provide such instruction and training; and providing other matters properly relating thereto.
The Oregon Individual Development Account Initiative program allows certain persons from low-income households to establish an individual development account into which the person deposits money to save and later use for certain purposes. A fiduciary organization manages the Program and matches the amounts deposited by a person. (Or. Rev. Stat. §§ 458.670-458.700) Sections 15-25 of this bill provide for the establishment of a similar program in this State entitled the Individual Development Account Program. Section 20 of this bill requires the Office of the State Treasurer to: (1) solicit gifts, grants and donations to carry out the Program; and (2) establish the Program if sufficient money is obtained. Section 20 authorizes the Office to: (1) select one or more fiduciary organizations to administer the money in the Program pursuant to section 24 of this bill; and (2) distribute a portion of the money obtained to the Department of Health and Human Services, foster care licensing agencies and housing authorities to provide instruction in financial literacy to account holders.

Section 21 of this bill generally provides that if the Program is established, a person who qualifies to become an account holder is authorized to establish an individual development account. To qualify to become an account holder, section 21 requires a person to be: (1) a resident of this State; (2) twelve years of age or older; and (3) a tenant of a housing project for persons of low income in this State, a recipient of Medicaid or a provider of foster care who is creating such an account for a child placed in his or her care. Section 21 further provides that to establish an individual development account, the account holder and the fiduciary organization must enter into an agreement wherein the account holder deposits funds into a financial institution and the fiduciary organization deposits matching funds into the financial institution pursuant to section 23 of this bill, with the goal of enabling the account holder to accumulate assets for use toward achieving a specific purpose authorized by the fiduciary organization pursuant to section 22 of this bill. Section 23 authorizes a fiduciary organization to accept and solicit gifts, grants and donations to fund the Program and requires the fiduciary organization to match deposits made by the account holder by not more than $5 for each $1 deposited by the account holder in his or her individual development account. Section 23 further prohibits an account holder from accruing more than $3,000 of matching funds in any 12-month period.

Sections 5-14 of this bill create the Nevada Statewide Council on Financial Independence. Section 6 of this bill sets forth the membership of the Council. Section 10 of this bill requires the Council to: (1) develop statewide priorities and strategies for helping persons who receive public assistance or social services to increase the financial independence of such persons; (2) coordinate with certain state agencies; and (3) oversee the Individual Development Account Program, if that Program is established.
Section 2 of this bill prohibits the Department of Health and Human Services, under certain circumstances, from considering the money deposited in an individual development account by a recipient of Medicaid to be income for the purpose of determining the recipient’s eligibility to receive benefits provided by Medicaid. If the Department receives money from the State Treasurer pursuant to section 20, section 3 of this bill requires the Department to ensure that instruction in financial literacy is provided to a recipient of Medicaid who deposits a portion of his or her income into an individual development account. Section 3 authorizes the Department to contract for the services of an independent contractor to provide such instruction in financial literacy. Section 34 of this bill makes a conforming change by including the provisions of sections 2 and 3 in the duties of the Director of the Department.

Existing law defines “provider of foster care” to mean a person who is licensed by the licensing authority to conduct a foster home. (NRS 424.017) Existing law defines “foster home” as a home that receives, nurtures, supervises and ensures routine educational services and medical, dental and mental health treatment for children and includes: (1) a family foster home; (2) a specialized foster home; (3) an independent living foster home; and (4) a group foster home. (NRS 424.014) Section 27 of this bill authorizes a provider of foster care to, upon receiving the approval of the licensing authority: (1) establish an individual development account for a child placed in the care of the provider of foster care; and (2) deposit into the individual development account money received by the provider of foster care to pay for the cost of providing care to the child if such use does not conflict with or prevent the provider of foster care from providing care to the child. Section 27 additionally provides that: (1) the money in the individual development account is the property of the child for whom the account was established; (2) the child has access to the money in the individual development account upon reaching 18 years of age or being declared emancipated; and (3) the child may use the money in the individual development account only for certain purposes, as set forth in section 22. If the licensing authority receives money from the State Treasurer pursuant to section 20, section 28 of this bill requires the licensing authority to ensure that instruction in financial literacy is provided to a child for whom an individual development account is established. Section 28 authorizes the licensing authority to contract for the services of an independent contractor to provide such instruction in financial literacy. Sections 29 and 30 of this bill make conforming changes by exempting sections 27 and 28 from certain requirements relating to foster homes. Section 31 of this bill authorizes the Division of Child and Family Services of the Department of Health and Human Services to use the money in the Normalcy for Foster Youth Account to provide monetary support to a provider of foster care to establish and fund an individual development account.

Existing law creates local housing authorities and the Nevada Rural Housing Authority to operate housing projects for persons of low income in this State.
Existing law also prohibits a housing authority from accepting a tenant who earns more than a prescribed maximum income. (NRS 315.510, 315.994) Sections 36 and 38 of this bill prohibit each local housing authority and the Nevada Rural Housing Authority from considering the money deposited in an individual development account by a tenant to be income for the purpose of determining the tenant’s eligibility to remain in the housing project.

If a local housing authority or the Nevada Rural Housing Authority receives money from the State Treasurer pursuant to section 20, sections 37 and 39 of this bill require those organizations to ensure that instruction in financial literacy is provided to a tenant who deposits a portion of his or her income in an individual development account. Sections 37 and 39 authorize each local housing authority and the Nevada Rural Housing Authority to contract for the services of an independent contractor to provide such instruction in financial literacy. Sections 40-45 of this bill make conforming changes to indicate the proper placement of sections 36-39 in the Nevada Revised Statutes.

Existing law sets forth the general powers and duties of the State Treasurer. (NRS 226.110) To the extent that money is available, section 33 of this bill requires the State Treasurer to ensure that instruction and training in business opportunities and any benefits available to certain business enterprises are provided to a tenant of each local housing authority, the Nevada Rural Housing Authority and certain nonprofit organizations. Existing law authorizes the State Treasurer to appoint and employ certain Deputies. (NRS 226.100) Section 32 of this bill authorizes the State Treasurer to appoint and employ a Deputy of Financial Literacy and Security.

Amendment No. 452.

SUMMARY—Provides regulatory exemptions for certain types of residential and commercial boilers. (BDR 40-839)

AN ACT relating to public safety; exempting certain types of residential and commercial water heaters from the standards that an owner of a boiler must comply with; providing that such standards apply to certain other types of boilers; requiring the Division of Industrial Relations of the Department of Business and Industry to adopt regulations establishing requirements relating
to certain systems which include multiple water heaters; requiring the Division to revise its regulations to conform with the exemption for certain types of residential and commercial water heaters; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth various standards that an owner of a boiler must comply with. (Chapter 455C of NRS) Existing regulations provide that boilers installed or used in a single family residence are exempt from these standards if the boiler is a hot water supply tank that has a storage capacity which does not exceed 120 gallons. (NAC 455C.114) Section 1.2 of this bill generally defines the term “water heater” and section 1.4 of this bill provides that the standards governing boilers do not apply to any boiler used to heat water. Section 1 provides that these standards do apply to a boiler used for space heating in a residential or commercial building or structure or on residential or commercial premises. If a boiler that is used for space heating in a residential or commercial building or structure or on residential or commercial premises does not exceed these specifications, then the standards do not apply to the boiler. Section 1.6 of this bill makes a conforming change to indicate the placement of section 1.2 within the Nevada Revised Statutes. Section 1.8 of this bill requires the Division of Industrial Relations of the Department of Business and Industry to adopt regulations establishing requirements for equipment and apparatuses used in connection with a system that includes the serial interconnection of multiple water heaters. Section 2 of this bill requires the Division to revise its regulations to conform with the provisions of section 1.4.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 455C of NRS is hereby amended by adding thereto the provisions set forth as sections 1.2 and 1.4 of this act.

Sec. 1.2. “Water heater” means an appliance that is:
1. Designed primarily to supply hot water for domestic or commercial purposes; and
2. Equipped with automatic controls which limit water temperature to a maximum of 210 degrees Fahrenheit (99 degrees Centigrade).

Sec. 1.4. Except as otherwise provided in subsection 2, NRS 455C.110, the provisions of this chapter do not apply to any boiler used to heat water for any purpose.

2. The provisions of this chapter apply to a boiler:
   (a) Used for space heating in a residential or commercial building or structure or on residential or commercial premises; and
   (b) That exceeds that:
1. Is not included in a serial interconnection of multiple water heaters; and
2. Does not exceed any of the following:
   (a) An input of heat of 199,999 British thermal units per hour (58,600 watts); or
   (2) A water temperature of 210 degrees Fahrenheit (99 degrees Centigrade); or
   (3) A water capacity of 120 gallons (450 liters).

Sec. 1.6. NRS 455C.010 is hereby amended to read as follows:
455C.010 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 455C.020 to 455C.080, inclusive, and section 1.2 of this act have the meanings ascribed to them in those sections.

Sec. 1.8. NRS 455C.110 is hereby amended to read as follows:
455C.110 The Division shall adopt regulations that establish:
1. Standards and procedures relating to the installation, inspection, operation, maintenance, relocation, improvement, alteration and repair of boilers, elevators and pressure vessels, including, without limitation, regulations:
   (a) Providing an exemption from those standards and procedures:
      (1) In the case of an emergency; or
      (2) If the Division determines that it is in the best interests of the general public; and
   (b) Establishing requirements for the inspection of boilers, elevators and pressure vessels.
2. Requirements regarding the equipment and apparatuses used in connection with a system that includes the serial interconnection of multiple water heaters including, without limitation, water heaters described in section 1.4 of this act.
3. The requirements for the issuance and renewal of a certificate as:
   (a) A boiler inspector; and
   (b) An elevator mechanic.
4. The grounds for initiating disciplinary action against a holder of a certificate, including, without limitation, the grounds for:
   (a) The suspension or revocation of a certificate; and
   (b) Requiring the holder of a certificate to pay an administrative fine.
5. The methods of enforcement the Division will use to ensure compliance with NRS 455C.100 and the regulations adopted pursuant to subsections 1 and 2, including, without limitation:
   (a) Notifying an owner of a boiler, elevator, pressure vessel or water heater that the owner has violated a provision of the regulations adopted pursuant to subsection 1 or 2 and establishing a period within which the owner must correct the violation;
   (b) Requiring the owner to pay an administrative fine; and
Suspending or revoking a permit issued by the Division pursuant to NRS 455C.100.

Sec. 2. 1. The provisions of any regulation adopted by the Division of Industrial Relations of the Department of Business and Industry which conflict with the provisions of section 1.4 of this act are void and must not be given effect to the extent of the conflict.

2. The Division of Industrial Relations of the Department of Business and Industry shall amend or repeal any of its existing regulations that conflict or are inconsistent with the provisions of section 1.4 of this act as soon as practicable after the effective date of this act.

Sec. 3. This act becomes effective upon passage and approval.

[2. Sections 1 and 2 of this act become effective:
(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

Amendment No. 191.
SUMMARY—Makes various changes relating to public safety.
(BDR 23-217)
AN ACT relating to public safety; requiring law enforcement agencies to establish early warning systems to identify peace officers who display bias indicators or other problematic behavior; authorizing the Peace Officers’ Standards and Training Commission to adopt regulations relating to such early warning systems; [revising the qualifications for certification as a peace officer by the Commission; imposing liability on peace officers who subject another person or cause another person to be subjected to the deprivation of certain constitutional rights;] establishing provisions relating to the recording, collection and review of information concerning traffic stops [and other stops] made by law enforcement officers; imposing certain duties on the Department of Public Safety and law enforcement agencies regarding the recording, collection and review of such information; authorizing the Department to adopt regulations relating to the recording, collection and review of such information; requiring the Legislative Commission to appoint a committee to conduct an interim study relating to the establishment of crisis response call centers; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law sets forth provisions governing peace officers and establishes the Peace Officers’ Standards and Training Commission (hereinafter “POST”), which generally provides for the training and education of peace officers. (Chapter 289 of NRS) Section 1 of this bill requires every law enforcement agency to establish an early warning system for the purpose of identifying peace officers employed by the law enforcement agency who display bias indicators or other problematic behavior. Section 1 requires that if a peace officer is identified by the early warning system as displaying bias indicators or other problematic behavior, the law enforcement agency that employs the peace officer is required to increase its supervision of the peace officer and provide additional training and, if appropriate, counseling to the peace officer. If a peace officer is repeatedly identified by the early warning system as displaying bias indicators or other problematic behavior, the law enforcement agency that employs the peace officer is required to consider the consequences that should be imposed, including transferring the peace officer from any high-profile assignments or subjecting the peace officer to any discipline. Section 1 also authorizes POST to adopt any regulations necessary to carry out the provisions relating to such early warning systems.

Existing law generally requires a person upon whom some or all of the powers of a peace officer are conferred to be certified by POST. (NRS 289.550) Section 2 of this bill provides that before such a person may be certified, the person is required to have: (1) at a minimum, received an associate’s degree; or (2) completed at least 2 years of military service. Section 2 also specifies that a person does not need to satisfy such a requirement before he or she participates in any training required as a condition of certification as a peace officer.
Existing law establishes provisions relating to the liability of and actions against this State, its agencies, and its political subdivisions. (NRS 41.0305-41.0309) Section 3 of this bill imposes liability on any peace officer who subjects another person or causes another person to be subjected to the deprivation of any individual constitutional rights that create binding obligations on government actors. Section 3 also provides that in an action brought as a result of a deprivation of such constitutional rights, qualified immunity can only be used as a defense in certain circumstances. Section 3 additionally requires the employer of a peace officer to indemnify the peace officer for any liability incurred by, and any judgment or settlement entered against, the peace officer unless the actions of the peace officer were malicious, wanton or willful.

Existing law establishes provisions relating to the rules of the roads in this State. (Chapter 484B of NRS) Sections 7-21 of this bill establish provisions relating to the recording, collection, and review of information concerning traffic stops and other stops made by law enforcement officers. Section 17 of this bill requires the Department of Public Safety to develop and implement, not later than January 1, 2022: (1) a standardized method to be used by law enforcement officers to record certain information concerning traffic stops, including certain demographic information of the person who was stopped; and (2) training and procedures to facilitate the collection of such information. Section 17 also requires: (1) law enforcement officers that make a traffic or other stop to record such information beginning on January 1, 2022; and (2) law enforcement agencies that retain such information to report such information for each calendar year to the Department beginning not later than February 1, 2023. Section 17 additionally requires that any such information be used by the Department for statistical purposes only and provides that any identifying information relating to a law enforcement officer who performed a traffic stop or other stop or a person who was stopped that could reveal the identity of such a law enforcement officer or person that is collected or held by the Department is confidential.

Section 18 of this bill authorizes the Department, to the extent that money is available, to contract with a third party to review all public information reported by law enforcement agencies concerning traffic stops and other stops and conduct a statistical analysis of the data to identify patterns or practices of profiling. Section 18 requires the Department to seek any available gifts, grants, or donations to assist in enabling the Department to contract with a third party to conduct such a statistical analysis. Section 18 also requires such a third party with whom the Department contracts to submit, during the year in which a statistical analysis is conducted, a report of the results of the analysis to the Governor, the Department, and the Chairs of the Senate and Assembly Standing Committees on Judiciary. Section 19 of this bill authorizes the
Department, after reviewing the report, to provide advice or technical assistance to any law enforcement agency mentioned in the report and, if such advice or technical assistance is provided, requires the Department to present to POST a summary of the advice or technical assistance given.

Section 20 of this bill requires the Department to: (1) record information collected from law enforcement agencies concerning traffic stops (and other stops) that is not confidential in a central repository created by the Department to track data electronically concerning (such) traffic stops on a statewide basis; and (2) make such data available to the public. However, section 25 of this bill provides that, unless the Department is able to perform such information duties using existing resources, such requirements only become effective on the date on which federal funding is obtained for the recording, collection and review of information concerning traffic stops (and other stops) made by law enforcement officers.

Section 21 of this bill authorizes the Department to adopt any regulations necessary to carry out the provisions relating to the recording, collection and review of information concerning traffic stops (and other stops) made by law enforcement officers.

Section 22 of this bill requires the Legislative Commission to appoint a committee to conduct an interim study relating to the establishment of crisis response call centers. Section 22 requires that such a study include: (1) an examination of certain proposals relating to responses to non-violent and non-emergency situations; (2) a determination of how information should be provided to the public regarding when to call an emergency number, a non-emergency number or another help line; (3) the consideration of alternative models regarding responses to crises that do not require armed law enforcement officers; and (4) a determination of the feasibility of establishing a pilot program relating to crisis response call centers. Section 22 requires the interim committee to submit a report of its findings and any recommendations for legislation to the Governor and the Director of the Legislative Counsel Bureau for transmittal to the 82nd Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 289 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Each law enforcement agency shall establish an early warning system for the purpose of identifying peace officers employed by the law enforcement agency who:

Legislative Counsel’s Digest:
Existing law establishes that it is the policy of this State to foster the right of all persons to reasonably seek, obtain and hold employment without discrimination, distinction or restriction because of race, religious creed, color, age, sex, disability, sexual orientation, gender identity or expression, national origin or ancestry. (NRS 233.010) In addition, existing law prohibits certain employers, employment agencies, labor organizations, joint labor-management committees or contractors from engaging in certain discriminatory employment practices. For example, it is an unlawful employment practice to fail to hire or to fire or otherwise discriminate against a person, or to limit or segregate or classify an employee on the basis of race, color, religion, sex, sexual orientation, age, disability or national origin, except in certain circumstances. (NRS 338.125, 613.330, 613.340, 613.350, 613.380) Sections [1], 13, 2, 4, 9 and 14 of this bill define “race” to include [ancestry, color, ethnic group identification, ethnic background and] traits [historically] associated with race, including, without limitation, hair texture and protective hairstyles. Similar protections are provided in other contexts by the following sections. Section 10 of this bill defines “race” to include [certain characteristics] traits associated with race for the purpose of prohibiting discrimination on the basis of race within the State Personnel System. (NRS 284.150, 284.385) Section 12 of this bill revises provisions governing relations with local government employers to prohibit discrimination on the basis of [certain characteristics] traits associated with race. (NRS 288.270) Section 15 of this bill revises the restrictions for commercial advertising on a
school bus by prohibiting advertising that attacks groups based on \[\text{certain characteristics}\] traits associated with race. (NRS 386.845) Section 16 of this bill prohibits a dress code or policy that requires pupils to wear school uniforms to discriminate against a pupil based on \[\text{his or her}\] race. (NRS 386.855) Sections 21, 22 and 25 of this bill prohibit discrimination based upon \[\text{certain characteristics}\] traits associated with race for enrollment in a charter school, a university school for profoundly gifted pupils or the Nevada System of Higher Education. (NRS 388A.453, 388C.010, 396.530) Section 24 of this bill prohibits a pupil from being disciplined based on his or her race.

Existing law authorizes the Nevada Equal Rights Commission to investigate tensions, practices of discrimination and acts of prejudice against any person with regard to employment based on race, color, creed, sex, age, disability, gender identity or expression, national origin or ancestry. (NRS 233.150) [Section 6 of this bill provides that, if the Commission determines to conduct an investigation, the Commission is required to complete the investigation not later than 13 months after the complaint was filed with the Commission. (NRS 233.170)] Existing law provides that, if the Commission does not conclude that an unfair employment practice has occurred, the Commission is required to provide certain information to a complainant regarding his or her rights. (NRS 613.420) Section 3 of this bill requires the Commission to provide the complainant with certain information relating to the filing of a charge alleging an unlawful employment practice with the United States Equal Employment Opportunity Commission and the process by which the Equal Employment Opportunity Commission conducts a review of the Nevada Equal Rights Commission’s conclusion. Section 5 of this bill defines “race” to include \[\text{certain characteristics}\] traits associated with race for the purpose of serving as the basis upon which the Commission may investigate an allegation of discrimination.

Sections 7, 8 and 23 of this bill set forth certain requirements governing testing that is used by a county, city or school district, respectively, for a decision regarding the promotion of an employee and make it a category E felony to tamper with the score of a test taken by an employee.

Existing law sets forth the subjects that are subject to negotiation with an employee organization for the purposes of a collective bargaining agreement. (NRS 288.150) Section 11 of this bill provides that the requirements governing testing that is used by a county, city or school district, respectively, for a decision regarding the promotion of an employee are not subject to such negotiation. Section 13 of this bill makes conforming changes to revise internal references. (NRS 288.500)

Existing law requires the Department of Education to prescribe a policy for all school districts and schools in this State to provide a safe and respectful learning environment that is free of bullying and cyber-bullying, including the provision of training to school personnel and requirements for reporting
violations of the policy. (NRS 388.133) Sections 18 and 19 of this bill define “race” to include [certain characteristics] traits associated with race for the purposes of those provisions which require safe and respectful learning environments and prohibit bullying and cyber-bullying. Section 20 of this bill makes a conforming change to indicate the placement of sections 18 and 19 of this bill within the Nevada Revised Statutes.

4. Delegate its power to hold hearings and issue subpoenas to any of its members or any hearing officer in its employ.

Sec. 6. NRS 233.170 is hereby amended to read as follows:

233.170  1. When a complaint is filed whose allegations if true would support a finding of unlawful practice, the Commission shall determine whether to hold an informal meeting to attempt a settlement of the dispute in accordance with the regulations adopted pursuant to NRS 233.157. If the Commission determines to hold an informal meeting, the Administrator may, to prepare for the meeting, request from each party any information which is reasonably relevant to the complaint. No further action may be taken if the parties agree to a settlement.

2. If an agreement is not reached at the informal meeting, the Administrator shall determine whether to conduct an investigation into the alleged unlawful practice in accordance with the regulations adopted pursuant to NRS 233.157. If the Administrator makes a determination to conduct an investigation, the investigation must be completed not later than 13 months after the date on which the complaint was filed with the Commission. After the investigation, if the Administrator determines that an unlawful practice has occurred, the Administrator shall attempt to mediate between or reconcile the parties. The party against whom a complaint was filed may agree to cease the unlawful practice. If an agreement is reached, no further action may be taken by the complainant or by the Commission.

3. If the attempts at mediation or conciliation fail, the Commission may hold a public hearing on the matter. After the hearing, if the Commission determines that an unlawful practice has occurred, it may:
   (a) Serve a copy of its findings of fact within 10 calendar days upon any person found to have engaged in the unlawful practice, and
   (b) Order the person to:
      (1) Cease and desist from the unlawful practice. The order must include, without limitation, the corrective action the person must take.
      (2) In cases involving an unlawful employment practice, restore all benefits and rights to which the aggrieved person is entitled, including but not limited to, rehiring, back pay for a period described in subsection 4, annual leave time, sick leave time or pay, other fringe benefits and seniority, with interest thereon from the date of the Commission’s decision at a rate equal to the prime rate at the largest bank in Nevada, as ascertained by the Commissioner of Financial Institutions, on January 1 or July 1, as the case may be, immediately preceding the date of the Commission’s decision,
plus 2 percent. The rate of interest must be adjusted accordingly on each January 1 and July 1 thereafter until the judgment is satisfied.

(2) In cases involving an unlawful employment practice relating to discrimination on the basis of sex, pay an amount determined to be appropriate by the Commission for lost wages that would have been earned in the absence of discrimination or other economic damages resulting from the discrimination, including, without limitation, lost payment for overtime, shift differential, cost of living adjustments, merit increases or promotions, or other fringe benefits.

(3) In cases involving an unlawful employment practice relating to discrimination on the basis of sex, pay an amount determined to be appropriate by the Commission for lost wages that would have been earned in the absence of discrimination or other economic damages resulting from the discrimination, including, without limitation, lost payment for overtime, shift differential, cost of living adjustments, merit increases or promotions, or other fringe benefits.

(4) In cases involving an unlawful employment practice committed by an employer with 50 or more employees that the Commission determines was willful, pay a civil penalty of:

(I) For the first unlawful employment practice that the person has engaged in during the immediately preceding 5 years which the Commission determines was willful, not more than $5,000.

(III) For the third and any subsequent unlawful employment practice that the person has engaged in during the immediately preceding 5 years which the Commission determines was willful, not more than $15,000.

4. For the purposes of subparagraph (2) of paragraph (b) of subsection 3, the period for back pay must not exceed a period beginning 2 years before the date on which the complaint was filed and ending on the date the Commission issues an order pursuant to paragraph (b) of subsection 3.

5. Before imposing a civil penalty pursuant to subparagraph (4) of paragraph (b) of subsection 3, the Commission must allow the person found to have willfully engaged in an unlawful employment practice 30 days to take corrective action from the date of service of the order pursuant to paragraph (a) of subsection 3. If the person takes such corrective action, the Commission shall not impose the civil penalty.

6. The order of the Commission is a final decision in a contested case for the purpose of judicial review. If the person fails to comply with the Commission’s order, the Commission shall apply to the district court for an order compelling such compliance, but failure or delay on the part of the Commission does not prejudice the right of an aggrieved party to judicial review. The court shall issue the order unless it finds that the Commission’s findings or order are not supported by substantial evidence or are otherwise arbitrary or capricious. If the court upholds the Commission’s order and finds that the person has violated the order by failing to cease and desist from the unlawful practice or to make the payment ordered, the court shall award the aggrieved party actual damages for any economic loss and no more.
7. After the Commission has held a public hearing and rendered a decision, the complainant is barred from proceeding on the same facts and legal theory before any other administrative body or officer.

8. For the purposes of this section, an unlawful employment practice shall be deemed to be willful if a person engages in the practice with knowledge that it is unlawful or with reckless indifference to whether it is lawful or unlawful.

Senate Bill No. 366.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 214.
SUMMARY—Revises provisions relating to juvenile competency. (BDR 5-498)
AN ACT relating to juvenile justice; authorizing a juvenile court to order a child who has been found incompetent (for the purpose of certification for criminal proceedings as an adult) to receive treatment at certain facilities operated by the Division of Child and Family Services of the Department of Health and Human Services; requiring such a facility to accept such a child for treatment; and providing other matters properly relating thereto.
Subject to the jurisdiction of the juvenile court, in a case to determine the competence of a child, existing law requires a juvenile court to certify a child for criminal proceedings as an adult under certain circumstances. However, existing law prohibits a juvenile court from certifying a child for criminal proceedings as an adult if the juvenile court finds by clear and convincing evidence that: (1) the child is developmentally or mentally incompetent to understand the situation and the proceedings of the court or to aid the child’s attorney in those proceedings; or (2) the child has a substance use disorder or emotional or behavioral problems and the substance use disorder or emotional or behavioral problems may be appropriately treated through the jurisdiction of the juvenile court. (NRS 62B.390)

Section 1 of this bill suspend the case until the question of competence is determined if doubt arises as to the competence of the child. (NRS 62D.145)

Existing law requires a juvenile court which has determined a child to be developmentally or mentally incompetent (for the purpose of certification for criminal proceedings as an adult) to determine: (1) whether the child is a danger to himself or herself or society; (2) whether providing services to the child will assist the child in attaining competence and further the state policy goals for the juvenile justice system; and (3) the best form of any services to be provided to the child, including whether such services would be best provided to the child as an outpatient or inpatient. Existing law requires the juvenile court to issue all necessary and appropriate recommendations and orders after making such determinations. (NRS 62D.180) Existing law also prohibits the commitment of a child by court order to a facility of the Division of Child and Family Services of the Department of Health and Human Services if the administrative officer of the facility or the administrative officer’s designee determines that the treatment available at the facility is not appropriate or necessary for the child’s health and welfare. (NRS 433B.320)

Section 1 also 1.3 of this bill authorizes a juvenile court to issue an order to join any governmental entity or other person as a party to enforce a legal obligation of the entity or person to the child who is the subject of the proceeding if, before issuing the order, the court provides notice and an opportunity to be heard to the entity or person. Section 1.7 of this bill authorizes the juvenile court to order a facility of the Division (of Child and Family Services of the Department of Health and Human Services) to accept and provide services to a child who has been determined to be incompetent (for the purpose of certification for criminal proceedings as an adult.) Section 3 of this bill requires a facility of the Division to accept and provide services to a child who has been determined to be incompetent (for the purpose of certification for criminal proceedings as an adult) when ordered pursuant to section 1.7 or 2 of this bill. Section 4 of this bill: (1) exempts an admission to a facility of the Division ordered pursuant to section 1.7 or 2 from the requirement that admission to such a facility is only authorized after...
consultation with and approval by the administrative officer of the facility or the administrative officer’s designee; and (2) requires the administrative officer of the facility or the administrative officer’s designee to assist the juvenile court in identifying an alternative facility if the administrative officer or the administrative officer’s designee determines that the treatment available at the facility is not appropriate or necessary for the child’s health and welfare. (NRS 433B.320)

[Section 2 of this bill makes a conforming change that] Existing law requires the juvenile court to conduct a periodic review to determine whether a child who has been determined to be incompetent for the purpose of certification for criminal proceedings as an adult has attained competence. [Section 1 requires] Existing law requires a juvenile court which has determined that a child has not attained competence and is unlikely to attain competence in the foreseeable future to: (1) dismiss the motion for certification for criminal proceedings as an adult; and (2) hold a hearing to consider the best interest of the child and the safety of the community and determine whether to dismiss any proceedings against the child and terminate its jurisdiction. (NRS 62D.185) Section 2: (1) requires the juvenile court to issue all necessary and appropriate recommendations and orders; and (2) authorizes the juvenile court to order a facility of the Division to accept and provide services to the child.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel’s Digest:

Existing law requires a juvenile court to certify a child for criminal proceedings as an adult under certain circumstances. However, existing law prohibits a juvenile court from certifying a child for criminal proceedings as an adult if the juvenile court finds by clear and convincing evidence that: (1) the child is developmentally or mentally incompetent to understand the situation and the proceedings of the court or to aid the child’s attorney in those proceedings; or (2) the child has a substance use disorder or emotional or behavioral problems and the substance use disorder or emotional or behavioral problems may be appropriately treated through the jurisdiction of the juvenile court. (NRS 62B.390)

Section 1 of this bill requires a juvenile court which has determined a child to be developmentally or mentally incompetent for the purpose of certification for criminal proceedings as an adult to determine: (1) whether the child is a danger to himself or herself or society; (2) whether providing services to the child will assist the child in attaining competence and further the state policy goals for the juvenile justice system; and (3) the best form of any services to be provided to the child, including whether such services would be best provided to the child as an outpatient or inpatient. Section 1 also authorizes the juvenile court to order a facility of the Division of Child and Family Services of the Department of Health and Human Services to accept and provide services to a child who has been determined to be incompetent for the purpose of certification for criminal proceedings as an adult. Section 3 of this bill requires a facility of the Division to accept and provide services to a child who has been determined to be incompetent for the purpose of certification for criminal proceedings as an adult when ordered pursuant to section 1. Section 4 of this bill exempts an admission to a facility of the Division ordered pursuant to section 1 from the requirement that admission to such a facility is only authorized after consultation with and approval by the administrative officer of the facility or the administrative officer’s designee. (NRS 433B.320)

Section 2 of this bill makes a conforming change that requires the juvenile court to conduct a periodic review to determine whether a child who has been determined to be incompetent for the purpose of certification for criminal proceedings as an adult has attained competence. Section 1 requires a juvenile court which has determined, for the purpose of certification for criminal proceedings as an adult, that a child has not attained competence and is unlikely to attain competence in the foreseeable future to: (1) dismiss the motion for certification for criminal proceedings as an adult; and (2) determine
whether to dismiss any proceedings against the child and terminate its jurisdiction.

Existing law provides that a child found to be incompetent may not be adjudicated delinquent or placed under the supervision of a juvenile court. (NRS 62D.190) Section 2.3 of this bill provides that a child found to be incompetent may not be committed to the custody of a correctional facility. Additionally, section 2.3 authorizes a child found to be incompetent to request that his or her records be sealed. Section 2.7 of this bill makes conforming changes to reflect the change regarding the sealing of records in section 2.3.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 62B of NRS is hereby amended by adding thereto a new section to read as follows:

1. If the juvenile court finds that a child is developmentally or mentally incompetent pursuant to paragraph (a) of subsection 3 of NRS 62B.390, the juvenile court shall determine whether:

   (b) Providing services to the child will assist the child in attaining competence and further the policy goals set forth in NRS 62A.360; and
   (c) Any services provided to the child are best provided to the child as an outpatient or inpatient, by commitment to an institution for persons with intellectual disabilities or mental illness pursuant to NRS 62E.160, or as otherwise allowed by law.

2. After the juvenile court makes the determinations set forth in subsection 1, the juvenile court shall issue all necessary and appropriate recommendations and orders. The juvenile court may order a division facility to accept and provide services to the child. As used in this subsection, “division facility” has the meaning ascribed to it in NRS 433B.070.

3. Any treatment ordered by the juvenile court must provide the level of care, guidance and control that will be conducive to the child’s welfare and the best interests of this State.

4. The juvenile court shall conduct a periodic review to determine whether the child has attained competence pursuant to NRS 62D.185. If the juvenile court determines that the child has not attained competence and is unlikely to attain competence in the foreseeable future, the juvenile court shall:

(e) At shorter intervals as ordered by the juvenile court.

2. Before a periodic review is conducted pursuant to subsection 1, any person ordered by the juvenile court to provide services to a child pursuant to NRS 62D.180 or section 1 of this act must provide a written report to the juvenile court, the parties, and the department of juvenile services or Youth Parole Bureau, as applicable.

3. After a periodic review is conducted pursuant to subsection 1, if the juvenile court determines that the child:

Amendment No. 458.
SUMMARY—Revises provisions relating to electric bicycles.

(BDR 43-835)

AN ACT relating to bicycles; revising provisions relating to the classifying, operating, labeling and equipping of electric bicycles; including riding an electric bicycle as a recreational activity for the purposes of the provision governing liability to persons using premises for recreational activities; providing that certain crimes against property apply to electric bicycles; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel's Digest:

Existing law defines an electric bicycle for various purposes as a device upon which a person may ride that is generally recognized as a bicycle, is propelled by an electric engine that must not produce more than 1 gross brake horsepower or achieve a speed of more than 20 miles per hour while traveling on a flat surface and that has certain other specifications. (NRS 482.0287, 483.067, 484B.017) Existing law: (1) excludes electric bicycles from vehicle licensing and registration requirements; (2) excludes electric bicycles from the provisions requiring vehicle drivers’ licenses; and (3) provides that electric bicycles are subject to the same traffic laws and various other requirements as bicycles (NRS 482.210, 483.090, 483.230, 484B.763)

Section 10 of this bill establishes three classes of electric bicycles and establishes separate maximum speed and propulsion requirements for each class. Sections 1, 2, 4, 6 and 11-13 of this bill make conforming changes to uniformly apply this definition of “electric bicycle.” Section 8 of this bill: (1) prohibits a person under the age of 16 years from operating a class 3 bicycle; (2) authorizes a person under the age of 16 years to ride as a passenger on a class 3 bicycle if allowed by the design; and (3) requires the operator and any passenger of a class 3 electric bicycle to wear a helmet. Section 9 of this bill: (1) requires a manufacturer or distributor of an electric bicycle in this State to apply certain labeling to an electric bicycle that it manufactures or distributes on or after January 1, 2022; (2) provides that an electric bicycle operating or sold in this State must comply with certain equipment, manufacturing and operational requirements; and (3) requires that a class 3 electric bicycle be equipped with a speedometer.
Existing law requires that electric bicycles be allowed on any trail or pedestrian walkway that is intended for use by bicycles and is constructed using certain federal funding. (NRS 408.579) Section 18 of this bill eliminates
this requirement and instead, section 5 of this bill, with certain exceptions, authorizes an electric bicycle to be ridden in places where bicycles are allowed.

Section 14 of this bill includes riding an electric bicycle in the nonexclusive list of activities in existing law that are considered recreational activities for the purposes of the provision governing liability to persons using premises for recreational activities. (NRS 41.510) Existing law also provides that it is unlawful for any person to throw a projectile or substance at, or wrongfully damage, bicycles, motor vehicles or certain other devices and vehicles. (NRS 205.2741) Section 15 of this bill adds electric bicycles to that list of devices and vehicles.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Existing law requires the Department of Wildlife to designate the form of a tag for certain species of wildlife. AN ACT relating to insurance; imposing certain requirements governing coverage of behavioral health services; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law defines the term “telehealth” to mean the delivery of services from a provider of health care to a patient at a different location through the use of information and audio-visual communication technology, not including standard telephone, facsimile or electronic mail. (NRS 629.515) Existing law imposes certain requirements concerning coverage of telehealth services by insurers and certain other third-party payers. Those requirements: (1) include a requirement that an insurer or other third-party payer must cover services provided through telehealth to the same extent as if provided in person or by other means; and (2) apply to health coverage, including Medicaid and health coverage.
plans for state and local government employees, and workers' compensation coverage. (NRS 287.010, 287.04335, 422.2721, 616C.730, 689A.0463, 689B.0369, 689C.195, 695A.265, 695B.1904, 695C.1708, 695E.090, 695G.162) [This] Sections 1-5.3 and 6.6 of this bill [(1) extend] extend those requirements, as they apply to health insurers other than Medicaid, to also apply to behavioral health services provided by standard telephone. [(2) require] Sections 1-5.3 and 6.6 require such health insurers to cover behavioral health services provided by [telehealth] standard telephone in the same amount as if those services were provided in person or by other means.

Section 8 of this bill requires the Director of the Department of Health and Human Services to: (1) apply for any waiver of federal law necessary to receive federal financial participation to include in Medicaid coverage for behavioral health services provided by standard telephone; and (2) include such coverage in Medicaid if a waiver is obtained or federal financial participation is otherwise available. Sections 5.3, 5.6, 6.3 and 6.6 of this bill require Medicaid managed care plans to provide such coverage if federal financial participation is obtained pursuant to section 8.

Additionally, sections 1-5, 6, 7 and 8 of this bill [prohibits] prohibit a [third party] health insurer, including Medicaid, from issuing coverage of behavioral health services provided in a person's home that depends on the geographic location of the home.

Section 6.3 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of authority of a health maintenance organization that fails to comply with the requirement in section 5.3 to provide coverage for behavioral health services provided by standard telephone to the same extent and in the same amount as if those services were provided in person or by other means. The Commissioner would also be authorized to take such action against other health insurers who fail to comply with the requirements of this bill. (NRS 680A.200)

AN ACT relating to employment; requiring an employer in private employment to provide paid leave for the purpose of the employee receiving a vaccination for SARS-CoV-2; requiring an employer in private employment to allow certain uses of paid leave; requiring the Legislative Committee on Health Care to conduct an interim study concerning the long-term implications of the response by this State to SARS-CoV-2 on casino workers and frontline workers and to make recommendations for legislation concerning the response by this State to future public health crises; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires an employer in private employment who has 50 or more employees in this State to provide at least 0.01923 hours of paid leave to

Section 1 prohibits an employer from: (1) denying an employee the right to use such paid leave; (2) penalizing the employee for using such paid leave; or (3) retaliating against the employee for using such paid leave. Section 1 provides that such paid leave must not be used in calculating the number of hours for which an employee is entitled to be compensated for overtime. Finally, section 1: (1) provides that an employer who provides an on-premises vaccination clinic is not required to provide such paid leave; and (2) includes requirements and restrictions which mirror those in existing language in section 1.5 of this act.

Section 1.5 of this bill allows an employee to use paid leave for any use, including: (1) treatment of a medical or physical illness, injury or health condition; (2) receiving a medical diagnosis or medical care; (3) receiving or participating in preventative care; (4) receiving a vaccination, including a vaccination for SARS-CoV-2; (5) participating in caregiving; or (6) addressing other personal needs related to the health of the employee.

Existing law creates the Legislative Committee on Health Care. (NRS 439B.200) Section 2 of this bill requires the Committee to: (1) conduct a study during the 2021-2022 interim concerning the long-term health implications of response by this State to SARS-CoV-2 for casino workers and frontline workers, including workers living in this State who do not have lawful immigration status.; and (2) make recommendations for legislation to the Governor and the 82nd Session of the Nevada Legislature concerning the response by this State to future public health crises. Section 2: (1) requires the Committee, in conducting this study, to appoint a representative of minority communities; and (2) authorizes the Committee to appoint additional representatives of other affected communities.] authorizes the Committee to examine and consider various items and recommendations related to the public health infrastructure in this State and to SARS-CoV-2. The following amendment was proposed by the Committee on Health and Human Services:
   Amendment No. 182.
   SUMMARY—Establishes requirements relating to testing for sexually transmitted diseases. (BDR 40-563)
AN ACT relating to public health; requiring certain providers of emergency medical services in a hospital or primary care to consult with certain patients as to whether they wish to be tested for sexually transmitted diseases; requiring such a provider to test a patient who wishes to be tested or assist the patient in obtaining a test where practicable and medically indicated; requiring a hospital to ensure the performance of such consultation and testing under certain circumstances; authorizing the imposition of disciplinary action against a hospital or provider for certain violations; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes requirements concerning the control, prevention and treatment of the human immunodeficiency virus and other sexually transmitted diseases. (NRS 441A.240-441A.336) Section 1 of this bill requires, with certain exceptions, a physician, physician assistant, advanced practice registered nurse or midwife who provides or supervises the provision of emergency medical services in a hospital or primary care to a patient who is at least 15 years of age to: (1) consult with the patient to ascertain whether he or she wishes to be tested or assisted with obtaining testing for sexually transmitted diseases and to determine which tests, if any, are medically indicated; and (2) to the extent practicable and that testing is medically indicated, test a patient who wishes to be tested for sexually transmitted diseases or help such a patient obtain a test.

Section 1 similarly requires a hospital that provides emergency medical service or primary care to a patient who is at least 15 years of age to ensure such consultation and the provision of such testing or assistance. A physician, physician assistant, advanced practice registered nurse or midwife is not required to comply with those requirements if the patient is being treated for a life-threatening emergency, has recently been offered or undergone such a test or lacks the capacity to consent to testing. Sections 1-6 of this bill provide that a hospital, physician, physician assistant, advanced practice registered nurse or midwife that fails to comply with the requirements of section 1 is not subject to a criminal penalty or an administrative fine imposed by the State Board of Health, but it is subject to disciplinary action where applicable.

Amendment No. 183.
SUMMARY—Revises provisions relating to genetic counseling and testing. (BDR 40-478)

AN ACT relating to health care; requiring certain providers of health care to screen women for harmful BRCA gene mutations and provide referrals for genetic counseling and testing under certain circumstances; requiring notice concerning genetic counseling and testing to be provided with the results of a mammogram; authorizing certain providers of health care to receive credit for continuing education relating to genetic counseling and testing; requiring certain policies of health insurance to include coverage for screening, genetic counseling and testing for harmful BRCA gene mutations for certain women; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:

Existing federal law [prescribes certain requirements relating to cancer, including: (1) requirements governing the regulation of drugs, medicines, compounds and devices used in the diagnosis, treatment or cure of cancer; (2) requirements governing the operation of a radiation machine for mammography; and (3) requirements for the reporting and analysis of certain information relating to cancer and other neoplasms. (Chapter 457 of NRS)] requires a health insurer issuer to cover certain preventive services, including evidence-based items or services that have in effect a rating of “A” or “B” in the current recommendations of the United States Preventive Services Task Force. (42 U.S.C. § 300gg-13) The United States Preventive Services Task Force has recommended with a rating of “B” that: (1) primary care clinicians assess women with a personal or family history of breast, ovarian, tubal or peritoneal cancer or who have an ancestry associated with breast cancer susceptibility 1 and 2 (BRCA1/2) gene mutations with an appropriate brief familial risk assessment tool; and (2) women with a positive result on the risk assessment tool should receive genetic counseling and, if indicated after counseling, genetic testing. (United States Preventive Services Task Force, Risk Assessment, Genetic Counseling, and Genetic Testing for BRCA-Related Cancer, 322 JAMA 7, at pages 652-65, August 20, 2019) Section 1 of this bill requires a primary care provider to [1] screen each adult female patient to determine whether the family history of the patient indicates an increased risk for a harmful mutation in the BRCA gene; and (2) if the screening indicates an increased risk for such a mutation, take certain actions to ensure that the woman receives genetic testing and, if the genetic testing is positive for such a mutation, genetic counseling:] conduct screening, conduct or refer for genetic counseling and conduct or refer for genetic testing in accordance with those federal recommendations.

Section 2 of this bill requires a notice to be sent to a woman with the results of a mammogram advising the woman to talk to her doctor about genetic counseling and testing if there is a history of certain types of cancer in her family. Existing law provides that a person who violates certain provisions relating to cancer is guilty of a misdemeanor or, for a third or subsequent violation, a category D felony. (NRS 457.200, 457.220) A person who fails to provide the notice required by section 2 would be subject to these penalties. [Sections] Sections 1, 2.5 and 3 of this bill [exempt] exempt a [person] primary care provider who [violates] fails to comply with the provisions of section 1 from [the felony charge for a third or subsequent violation, meaning that any violation of section 1 would be a misdemeanor.] those criminal penalties. Sections 1 and 9.5 of this bill additionally provide that a primary care provider who fails to comply with the provisions of section 1 is not subject to professional discipline.

Sections [8-11] 8, 10 and 11 of this bill authorize a physician, physician assistant or advanced practice registered nurse to receive credit toward
applicable continuing education requirements for completing a course of instruction relating to genetic counseling and genetic testing.

Existing law requires public and private policies of insurance regulated under Nevada law to include certain coverage. (NRS 287.010, 287.04335, 422.2712-422.27241, 689A.04033-689A.0465, 689B.0303-689B.0379, 689C.1655-689C.169, 689C.194-689C.195, 695A.184-695A.1875, 695B.1901-695B.1948, 695C.1691-695C.176, 695G.162-695G.177) Existing law also requires employers to provide certain benefits to employees, including the coverage required of health insurers, if the employer provides health benefits for its employees. (NRS 608.1555) Sections 5-7, 12, 14, 15, 17-20 and 22 of this bill require certain public and private health plans, including Medicaid, to provide coverage for screening, genetic counseling [and testing for harmful mutations in the BRCA gene [for women who meet certain criteria]], where such screening, genetic counseling or testing, as applicable, is required by section 1. Sections 4, 13 and 16 of this bill make conforming changes to indicate the placement of sections 7, 12 and 15 in the Nevada Revised Statutes. Section 21 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirement of section 19 of this bill to provide coverage for screening, genetic counseling [and testing for harmful mutations in the BRCA gene [for women who meet certain criteria]], where such screening, genetic counseling or testing, as applicable, is required by section 1. The Commissioner would also be authorized to take such action against other health insurers who fail to comply with the requirements of sections 12, 14, 15, 17, 18 and 22 of this bill. (NRS 680A.200)

   (b) If the primary care provider determines that an adult woman to whom he or she provides care meets the criteria described in paragraph (a) and has not previously undergone genetic testing for a harmful mutation in the BRCA gene, use an appropriate brief familial risk assessment tool to screen for a risk of such a mutation.
2. If such a screening indicates that a woman is at risk of a harmful mutation in the BRCA gene, the primary care provider must:
   (a) provide the woman with written notice of the need to discuss genetic counseling and testing with the provider;
   (b) if a genetic test for harmful mutations in the BRCA gene is clinically indicated as a result of the genetic counseling, ensure that the woman is referred for genetic counseling; and
   (c) if the testing conducted pursuant to paragraph (b) is positive for a harmful mutation in the BRCA gene, ensure that the woman is referred for genetic counseling.

3. A primary care provider who fails to comply with this section is not subject to criminal penalties or professional discipline for such failure to comply.

4. As used in this section, “primary care provider” means:

Together, you can decide which screening options are right for you. A report of your results was sent to your physician.

3. The report described in subsection 1 must include a notice in the following form:

SUMMARY—Enacts provisions relating to prescription drugs for the treatment of cancer. (BDR 57-973)

AN ACT relating to insurance; requiring [an insurer] certain insurers to allow a person who has been diagnosed with stage 3 or 4 cancer and is covered by the insurer to apply for an exemption from required step therapy for certain drugs; requiring [an insurer] such insurers to grant such an exemption in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires local governments that provide health coverage for employees through a self-insurance reserve fund, private sector employers who provide health benefits for their employees, insurers who issue individual or group health policies, medical services corporations and health maintenance organizations to cover certain prescription drugs for the treatment of cancer.
(NRS 287.010, 608.1555, 689A.0404, 689B.0365, 695B.1908, 695C.1733)
Sections 1, 3, 4, 6-8, 11, 12 and [11-14] 13 of this bill require all health insurers, including [Medicaid and] public and private sector employers that provide health benefits for their employees [but excluding Medicaid] to allow a covered person who has been diagnosed with stage 3 or 4 cancer or the attending practitioner of such a covered person to apply for an exemption from step therapy that would otherwise be required for a prescription drug in the formulary of the insurer to treat the cancer or any symptom thereof of the covered person. Sections 1, 3, 4, 6-8, 11, 12 and [11-14] 13 require an insurer to: (1) grant such an exemption in certain circumstances; and (2) post [certain information about the application process] a form for applying for such an exemption in an easily accessible location on the Internet [website of the insurer]. Sections 2 [and 5 [10, 15 and 16]] of this bill make conforming changes to indicate the placement of sections 2 [and 4 [8 and 14]] in the Nevada Revised Statutes. Sections 9 and 11.5 of this bill exempt from the provisions of sections 8 and 11, respectively, a health maintenance organization or other managed care organization that provides health care services to recipients of Medicaid under the State Plan for Medicaid or insurance pursuant to the Children’s Health Insurance Program. Section 10 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the
requirements of section 8. The Commissioner is also authorized to take such action against other health insurers who fail to comply with the requirements of sections 1, 3, 4, 6, 7 and 11 of this bill. (NRS 680A.200)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 689A of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 9, an insurer that offers or issues a policy of health insurance which provides coverage of a prescription drug for the treatment of cancer or any symptom of cancer that is part of a step therapy protocol shall allow an insured who has been diagnosed with stage 3 or 4 cancer or the attending practitioner of the insured to apply for an exemption from the step therapy protocol. The application process for such an exemption must:

   (a) Allow the insured or attending practitioner, or a designated advocate for the insured or attending practitioner, to present to the insurer the clinical rationale for the exemption and any relevant medical information.

   (b) Clearly prescribe the information and supporting documentation that must be submitted with the application, the criteria that will be used to evaluate the request and the conditions under which an expedited determination pursuant to subsection 4 is warranted.

   (c) Require the review of each application by at least one physician [who specializes in oncology], registered nurse or pharmacist.

2. The information and supporting documentation required pursuant to paragraph (b) of subsection 1:

   (a) May include, without limitation:

      (I) The medical history or other health records of the insured demonstrating that the insured has:

         (I) Tried other drugs included in the pharmacological class of drugs for which the exemption is requested without success; or

         (II) Taken the requested drug for a clinically appropriate amount of time to establish stability in relation to the cancer and the guidelines of the prescribing practitioner; and

      (2) Any other relevant clinical information.

   (b) Must not include any information or supporting documentation that is not necessary to make a determination about the application.

3. Except as otherwise provided in subsection 4, an insurer that receives an application for an exemption pursuant to subsection 1 shall:

   (a) Make a determination concerning the application if the application is complete or request additional information or documentation necessary to complete the application not later than 72 hours after receiving the application; and
(b) If it requests additional information or documentation, make a determination concerning the application not later than 72 hours after receiving the requested information or documentation.

4. If, in the opinion of the attending practitioner, a step therapy protocol may seriously jeopardize the life or health of the insured, an insurer that receives an application for an exemption pursuant to subsection 1 must:
   (a) Except as otherwise provided in paragraphs (b) and (c), make an expedited determination concerning the application not later than 24 hours after receiving the application or, if additional information or documentation is necessary to make the determination, request such information or documentation within 24 hours after receiving the application;
   (b) If it requests additional information or documentation, make the determination not later than 24 hours after receiving the additional information or documentation; and
   (c) In any case, make a determination concerning the application as expeditiously as necessary to avoid serious jeopardy to the life or health of the insured.

5. An insurer shall disclose to the insured or attending practitioner who submits an application for an exemption from a step therapy protocol pursuant to subsection 1 the name and qualifications of each person who will review the application.

6. An insurer must grant an exemption from a step therapy protocol in response to an application submitted pursuant to subsection 1 if:
   (a) Any treatment otherwise required under the step therapy or any drug in the same pharmacological class or having the same mechanism of action as the drug for which the exemption is requested has not been effective at treating the cancer or symptom of the insured when prescribed in accordance with clinical indications, clinical guidelines or other peer-reviewed evidence;
   (b) Delay of effective treatment would have severe or irreversible consequences for the insured and the treatment otherwise required under the step therapy is not reasonably expected to be effective based on the physical or mental characteristics of the insured and the known characteristics of the treatment;
   (c) Each treatment otherwise required under the step therapy:
      (1) Is contraindicated for the insured or has caused or is likely, based on peer-reviewed clinical evidence, to cause an adverse reaction or other physical harm to the insured; or
      (2) Has prevented or is likely to prevent the insured from performing the responsibilities of his or her occupation or engaging in activities of daily living, as defined in 42 C.F.R. § 441.505;
   (d) The condition of the insured is stable while being treated with the prescription drug for which the exemption is requested and the insured has previously received approval for coverage of that drug; or
(e) Any other condition for which such an exemption is required by regulation of the Commissioner is met.

7. If an insurer approves an application for an exemption from a step therapy protocol pursuant to this section, the insurer must cover the prescription drug to which the exemption applies in accordance with the terms of the applicable policy of health insurance. The insurer may initially limit the coverage to a 1-week supply of the drug for which the exemption is granted. If the attending practitioner determines after 1 week that the drug is effective at treating the cancer or symptom for which it was prescribed, the insurer must continue to cover the drug for as long as it is necessary to treat the insured for the cancer or symptom. The insurer may conduct a review not more frequently than once each quarter to determine, in accordance with available medical evidence, whether the drug remains necessary to treat the insured for the cancer or symptom. The insurer shall provide a report of the review to the insured.

8. An insurer shall post in an easily accessible location on an Internet website maintained by the insurer

   (c) Require the review of each application by at least one physician who specializes in oncology, registered nurse or pharmacist.

2. The information and supporting documentation required pursuant to paragraph (b) of subsection 1:
   (a) May include, without limitation:
      (1) The medical history or other health records of the insured demonstrating that the insured has:
         (I) Tried other drugs included in the pharmacological class of drugs for which the exemption is requested without success; or

      (2) Any other relevant clinical information.
   (b) Must not include any information or supporting documentation that is not necessary to make a determination about the application.

3. Except as otherwise provided in subsection 4, an insurer that receives an application for an exemption pursuant to subsection 1 shall:

6. An insurer must grant an exemption from a step therapy protocol in response to an application submitted pursuant to subsection 1 if:
   (a) Any treatment otherwise required under the step therapy or any drug in the same pharmacological class or having the same mechanism of action as the drug for which the exemption is requested has not been effective at treating the cancer or symptom of the insured when prescribed in accordance with clinical indications, clinical guidelines or other peer-reviewed evidence;
   (b) Delay of effective treatment would have severe or irreversible consequences for the insured and the treatment otherwise required under the step therapy is not reasonably expected to be effective based on the physical or mental characteristics of the insured and the known characteristics of the treatment;

If the attending practitioner determines after 1 week that the drug is effective at treating the cancer or symptom for which it was prescribed, the health maintenance organization must continue to cover the drug for as long as it is necessary to treat the enrollee for the cancer or symptom. The health maintenance organization may conduct a review not more frequently than once each quarter to determine, in accordance with available medical evidence, whether the drug remains necessary to treat the enrollee for the cancer or symptom. The health maintenance organization shall provide a report of the review to the enrollee.

8. A health maintenance organization shall post in an easily accessible location on an Internet website maintained by the health maintenance organization:
   (a) The procedure to apply for an exemption from a step therapy protocol pursuant to this section, any forms prescribed by the health maintenance organization for the submission of such an application and a list of any supporting information or documentation that must be included in such an application; and
   (b) The contact information of any person that an enrollee or attending practitioner who submits an application for exemption from a step therapy protocol pursuant to this section is required to contact concerning the application or may contact for assistance in completing and submitting the application; a form for requesting an exemption pursuant to this section.

9. If a health care plan uses a formulary, the health maintenance organization is not required to allow an enrollee to apply for an exemption from a step therapy protocol pursuant to this section for a drug that is not included in the formulary.

10. A health care plan subject to the provisions of this chapter that is delivered, issued for delivery or renewed on or after October 1, 2021, has the legal effect of including the coverage required by this section, and any provision of the health care plan that conflicts with this section is void.

11. As used in this section, “attending practitioner” means the practitioner, as defined in NRS 639.0125, who has primary responsibility for the treatment of the cancer or any symptom of such cancer of an enrollee.
Sec. 9. NRS 695C.050 is hereby amended to read as follows:

695C.050 1. Except as otherwise provided in this chapter or in specific provisions of this title, the provisions of this title are not applicable to any health maintenance organization granted a certificate of authority under this chapter. This provision does not apply to an insurer licensed and regulated pursuant to this title except with respect to its activities as a health maintenance organization authorized and regulated pursuant to this chapter.

2. Solicitation of enrollees by a health maintenance organization granted a certificate of authority, or its representatives, must not be construed to violate any provision of law relating to solicitation or advertising by practitioners of a healing art.

This subsection does not exempt a health maintenance organization from any provision of this chapter for services provided pursuant to any other contract.

5. The provisions of NRS 695C.1694 to 695C.1698, inclusive, 695C.1701, 695C.1708, 695C.1728, 695C.1731, 695C.1739, 695C.1735, 695C.1745 and 695C.1757 and section 8 of this act apply to a health maintenance organization that provides health care services through managed care to recipients of Medicaid under the State Plan for Medicaid.

Sec. 10. NRS 695C.330 is hereby amended to read as follows:

   (1) Does not meet the requirements of subsection 1 of NRS 695C.080; or
   (2) Is unable to fulfill its obligations to furnish health care services as required under its health care plan;
(e) The health maintenance organization is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to enrollees or prospective enrollees;

The application process for such an exemption must:
   (a) Allow the insured or attending practitioner, or a designated advocate for the insured or attending practitioner, to present to the managed care organization the clinical rationale for the exemption and any relevant medical information.
   (b) Clearly prescribe the information and supporting documentation that must be submitted with the application, the criteria that will be used to evaluate the request and the conditions under which an expedited determination pursuant to subsection 4 is warranted.
   (c) Require the review of each application by at least one physician who specializes in oncology, a registered nurse or pharmacist.

2. The information and supporting documentation required pursuant to paragraph (b) of subsection 1:
   (a) May include, without limitation:
      (I) The medical history or other health records of the insured demonstrating that the insured has:
         (I) Tried other drugs included in the pharmacological class of drugs for which the exemption is requested without success; or
         (II) Taken the requested drug for a clinically appropriate amount of time to establish stability in relation to the cancer and the guidelines of the prescribing practitioner; and
      (2) Any other relevant clinical information.
   (b) Must not include any information or supporting documentation that is not necessary to make a determination about the application.

3. Except as otherwise provided in subsection 4, a managed care organization that receives an application for an exemption pursuant to subsection 1 shall:
   (a) Make a determination concerning the application if the application is complete or request additional information or documentation necessary to complete the application not later than 72 hours after receiving the application; and
   (b) If it requests additional information or documentation, make a determination concerning the application not later than 72 hours after receiving the requested information or documentation.
4. If, in the opinion of the attending practitioner, a step therapy protocol may seriously jeopardize the life or health of the insured, a managed care organization that receives an application for an exemption pursuant to subsection 1 must:

(a) Except as otherwise provided in paragraphs (b) and (c), make an expedited determination concerning the application not later than 24 hours after receiving the application or, if additional information or documentation is necessary to make the determination, request such information or documentation within 24 hours after receiving the application;

(b) If it requests additional information or documentation, make the determination not later than 24 hours after receiving the additional information or documentation; and

5. A managed care organization shall disclose to the insured or attending practitioner who submits an application for an exemption from a step therapy protocol pursuant to subsection 1 the name and qualifications of each person who will review the application.

6. A managed care organization must grant an exemption from a step therapy protocol in response to an application submitted pursuant to subsection 1 if:

(a) Any treatment otherwise required under the step therapy or any drug in the same pharmacological class or having the same mechanism of action as the drug for which the exemption is requested has not been effective at treating the cancer or symptom of the insured when prescribed in accordance with clinical indications, clinical guidelines or other peer-reviewed evidence;

(b) Delay of effective treatment would have severe or irreversible consequences for the insured and the treatment otherwise required under the step therapy is not reasonably expected to be effective based on the physical or mental characteristics of the insured and the known characteristics of the treatment;

(c) Each treatment otherwise required under the step therapy:

(1) Is contraindicated for the insured or has caused or is likely, based on peer-reviewed clinical evidence, to cause an adverse reaction or other physical harm to the insured; or

(2) Has prevented or is likely to prevent the insured from performing the responsibilities of his or her occupation or engaging in activities of daily living, as defined in 42 C.F.R. § 441.505;

(d) The condition of the insured is stable while being treated with the prescription drug for which the exemption is requested and the insured has previously received approval for coverage of that drug; or

(e) Any other condition for which such an exemption is required by regulation of the Commissioner is met.
7. If a managed care organization approves an application for an exemption from a step therapy protocol pursuant to this section, the managed care organization must cover the prescription drug to which the exemption applies in accordance with the terms of the applicable health care plan. The managed care organization may initially limit the coverage to a 1-week supply of the drug for which the exemption is granted. If the attending practitioner determines after 1 week that the drug is effective at treating the cancer or symptom for which it was prescribed, the managed care organization must continue to cover the drug for as long as it is necessary to treat the insured for the cancer or symptom. The managed care organization may conduct a review not more frequently than once each quarter to determine, in accordance with available medical evidence, whether the drug remains necessary to treat the insured for the cancer or symptom. The managed care organization shall provide a report of the review to the insured.

8. A managed care organization shall post in an easily accessible location on an Internet website maintained by the managed care organization:
   (a) The procedure to apply for an exemption from a step therapy protocol pursuant to this section; any forms prescribed by the managed care organization for the submission of such an application and a list of any supporting information or documentation that must be included in such an application; and
   (b) The contact information of any person that an insured or attending practitioner who submits an application for exemption from a step therapy protocol pursuant to this section is required to contact concerning the application or may contact for assistance in completing and submitting the application.

9. If a health care plan uses a formulary, the managed care organization is not required to allow an insured to apply for an exemption from a step therapy protocol pursuant to this section for a drug that is not included in the formulary.

10. A health care plan subject to the provisions of this chapter that is delivered, issued for delivery or renewed on or after October 1, 2021, has the legal effect of including the coverage required by this section, and any provision of the health care plan that conflicts with this section is void.

11. As used in this section, “attending practitioner” means the practitioner, as defined in NRS 639.0125, who has primary responsibility for the treatment of the cancer or any symptom of such cancer of an insured.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 230.

SUMMARY—Revises provisions relating to elections. (BDR 24-999)

AN ACT relating to public office; requiring a ballot in the general election to have an option to vote a straight ticket for partisan races; revising the qualification requirements for a minor political party; revising the deadline to challenge the qualification of a minor political party; revising provisions for filling a vacancy in the office of United States Senator, Representative in Congress or State Legislator; repealing various provisions relating to major political parties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires a mechanical voting system to permit a voter to vote for all the candidates of one party or in part for the candidates of one party and in part for the candidates of one or more other parties. (NRS 293B.080)

Section 1 of this bill requires a ballot used for the general election to permit a voter to vote for all the candidates of one political party on the ballot in partisan races by marking the name of the political party at the top of the ballot, which must be available for every major political party and minor political party. Section 1 also provides that if a voter selects the straight ticket option on the ballot and also votes for an individual candidate who is a member of a political party that is different from the political party that was selected in the straight ticket option in a partisan race, the vote for the individual candidate must prevail over the straight ticket option if the votes conflict.

Section 4 of this bill requires a voter education program provided by a county to include information concerning straight ticket voting. Section 5 of this bill makes conforming changes relating to the requirements for straight ticket and split ticket voting on a mechanical voting device.

Existing law establishes certain requirements for a minor political party to qualify as a minor political party in this State, which include filing a petition.
with the Secretary of State not later than the third Friday in June preceding the general election which is signed by a number of registered voters equal to at least 1 percent of the number of voters who cast votes at the last preceding general election for the offices of Representative in Congress. (NRS 293.1715) Section 2 of this bill revises this requirement to instead provide that to qualify as a minor political party, the minor political party must file a petition by June 1 preceding the general election or, if that date falls on a weekend, the first Monday in June and signed by the number of registered voters equal to at least 2 percent of the number of voters who cast votes at the last preceding general election for the offices of Representative in Congress, which required to sign the petition must be equally divided among the petition districts. Section 3 of this bill makes conforming changes to move the deadline to file a challenge on the qualification of a minor political party to place the names of candidates on the ballot from the fourth Friday in June to the second Monday in June. (NRS 293.174)

Existing law requires the Governor to appoint a person to fill a vacancy in the office of United States Senator. (NRS 304.030) Section 6 of this bill requires the Governor to appoint a person who is of the same political party as the former Senator.

Existing law requires the Governor to fill a vacancy in the office of Representative in Congress by calling for a special election. Such a special election may be consolidated with a statewide election or local election under certain circumstances. (NRS 304.230, 304.240) Sections 8 and 9 of this bill require a candidate for a major political party to be nominated at a special primary election before the special general election and require the Governor to specify a date for a special primary election to be held not less than 60 days before the date of the special general election. Sections 8 and 13.5 of this bill require the cost of a special primary election and special general election to be paid from the Reserve for Statutory Contingency Account unless such elections are consolidated with a statewide election or local election.

Section 8 removes a requirement for a special election to be conducted not more than 90 days after the issuance of a proclamation by the Governor if a vacancy is caused by a catastrophe. Sections 7, 10 and 15 of this bill make conforming changes by: (1) removing definitions relating to a catastrophe; and (2) revising certain references relating to such provisions.

Under existing law, a vacancy in the office of Legislator is filled by appointment by the board of county commissioners of the county in which the legislative district of the former Legislator is located or, if the legislative district of the former Legislator comprises more than one county, the boards of county commissioners of each county within or partly within the legislative district of the former Legislator. (Nev. Art. 4, §12; NRS 218A.260, 218A.262) Existing law requires the board or boards of county commissioners, as applicable, to establish an application process by which persons may file applications with the board or boards to fill the vacancy. (NRS 218A.262)
Sections 11 and 12 of this bill: (1) require the Majority or Minority Leader of the House of which the former Legislator was a member who is of the same political party as the former Legislator to submit to the board or boards of county commissioners, as applicable, a list of qualified nominees to fill the vacancy; and (2) require, with certain exceptions, the board or boards of county commissioners to fill the vacancy by appointing a person from the list of qualified nominees. The board or boards of county commissioners may vote to reject all of the qualified nominees on the list and request the Majority or Minority Leader of the House of which the former Legislator was a member who is of the same political party as the former Legislator to submit to the board or boards of county commissioners, as applicable, a new list of qualified nominees to fill the vacancy. In such a circumstance, the board or boards of county commissioners must appoint a qualified nominee to fill the legislative vacancy from the second list of qualified nominees submitted by the applicable Majority or Minority Leader.

If the former Legislator is not of the same political party as the Majority or Minority Leader of the House of which the former Legislator was a member, sections 11 and 12 require the board or boards of county commissioners, as applicable, to establish an application process by which persons may file applications with the board or boards to fill the vacancy. Section 13 of this bill makes a conforming change to require a nominee or applicant to fill a vacancy to file a declaration of eligibility with the board or boards of county commissioners.

Existing law sets forth various requirements for the internal organization and procedures of major political parties, including requirements for the election of delegates to county and state conventions, the manner of organization of county conventions and provisions governing state and central committees. (NRS 293.130-293.163) Section 15 of this bill removes these provisions.

SECOND READING AND AMENDMENT

Senate Bill No. 8.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 190.
SUMMARY—Revises provisions governing guardianship of minors. (BDR 13-390)

AN ACT relating to guardianship of minors; establishing provisions relating to the transfer of jurisdiction of a guardianship of a minor to or from another state; establishing provisions relating to the registration and recognition of guardianship orders concerning minors that were issued in another state; revising provisions relating to the appointment of guardians by a court; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law establishes provisions relating to: (1) the transfer of jurisdiction of a guardianship of an adult to or from another state; and (2) the registration and recognition of guardianship orders concerning adults that were issued in another state. (NRS 159.2023-159.2027) Sections 2-5 of this bill establish such provisions for the guardianship of minors.

Section 2 of this bill authorizes a guardian appointed in this State to petition a court to transfer the jurisdiction of the guardianship to another state and requires the court to issue an order provisionally granting the petition if the court makes certain findings. Section 2 also requires the court to issue a final order confirming the transfer and terminating the guardianship upon a petition for termination and the filing of a provisional order accepting the proceeding from the court to which the proceeding is to be transferred.

Section 3 of this bill requires a guardian or other interested party who wishes to transfer jurisdiction of a guardianship from another state to this State to petition a court of this State to accept guardianship and requires that such a petition contain certain information. Section 3 generally requires the court to issue a provisional order granting such a petition after a hearing is held and to issue a final order granting guardianship upon the filing of a final order issued by the other state that terminates the proceedings in that state and transfers the proceedings to this State. Section 3 additionally requires the court to determine whether the guardianship needs to be modified to conform to the laws of this State and, if so, to order any such modifications.

Section 4 of this bill provides that: (1) if a petition for the appointment of a guardian is not pending in this State and a guardian has been appointed in another state, the guardian is authorized to petition the court to register the guardianship order in this State; and (2) after a hearing on the petition, the court is required to issue an order granting the petition if there is no contest to the petition. Section 5 of this bill authorizes the guardian, after the registration of such a guardianship, to exercise all powers authorized in the order of appointment except as otherwise prohibited by law. Section 5 also requires a
court of this State to recognize and enforce such a registered guardianship but prohibits the court from modifying such a registered guardianship.

Section 6 of this bill revises the definition of “home state” for the purposes of determining the home state of a child who is less than 6 months of age, and section 7 of this bill authorizes a court to appoint: (1) a guardian of the person or guardian of the person and estate for a minor whose home state is not this State under certain circumstances if the minor is physically present in Nevada; and (2) a guardian of the person, guardian of the estate, or guardian of the person and estate for a minor if the court has jurisdiction to make an initial child custody determination under the Uniform Child Custody Jurisdiction and Enforcement Act. (Chapter 125A of NRS)

concerning the database; prescribing authorized uses for certain administrative penalties; requiring the Department to compile a report containing an inventory of certain data; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law creates the Patient Protection Commission, which is made up of certain stakeholders in the delivery of health care. (NRS 439.908) Existing law requires the Commission to systematically review issues related to the health care needs of residents of this State and the quality, accessibility and affordability of health care. (NRS 439.916) Existing law: (1) authorizes the Executive Director of the Commission to request any information maintained by a state agency that is necessary for the performance of his or her duties; and (2) prohibits the Executive Director from disclosing confidential information obtained from a state agency to any person or entity, including the Commission or a member thereof. (NRS 439.914) Section 1 of this bill additionally authorizes the Commission to request not more than two reports each year concerning certain issues relating to health care from a state or local governmental entity. Section 1 requires any governmental entity that receives such a request to submit the report to provide the report to the Executive Director of the Commission and a copy of the report to the Attorney General, to the extent that the entity has resources to compile the report and disclosure of the information requested would not violate the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.

Existing law provides for the collection and maintenance of data and the issuance of reports concerning: (1) the prices of prescription drugs for the treatment of diabetes and asthma; and (2) cancer. (NRS 439B.600-439B.695, 457.230-457.280) Section 9 of this bill requires the Department of Health and Human Services to establish an all-payer claims database of information relating to health insurance claims resulting from medical, dental or pharmacy benefits provided in this State. Sections 3-8.5 of this bill define terms relevant to the all-payer claims database. Section 9 : (1) requires the Department to adopt regulations to establish an advisory committee to make recommendations concerning the collection, analysis and reporting of data in the database, secure access to such data and the release of such data; and (2) authorizes the Department to establish an advisory committee to assist the Department in establishing and maintaining the database. Section 10 of this bill requires any public or private insurer that provides health benefits and is regulated under state law, with certain exceptions, to submit data to the database. Section 10 also authorizes certain insurers that are regulated under federal law to submit data to the database. Section 10 requires any entity submitting information to the database to remove information that can be used to directly identify a patient and instead assign a unique identifier that can be
used to track data pertaining to a specific patient without identifying the patient.

Sections 11 and 19 of this bill provide for the confidentiality of the data contained in the database. Section 12 of this bill requires a person or entity that wishes to obtain data from the database to submit a request to the Department. Section 13 of this bill [prescribes the conditions under which such a request may be granted, which: (1) differ depending on the sensitivity of the data requested; and (2) include the payment of a fee] : (1) authorizes the Department to access and use information in the database; and (2) requires the Department to release the information in the database to the Attorney General for purposes relating to unfair or deceptive trade practices. Section 13 authorizes the release from the database of: (1) de-aggregated data to certain governmental entities or an entity that submits information to the database pursuant to section 10; or (2) aggregated data to other persons and entities. Section 13 also prohibits a person or entity to whom data is released from using or disclosing the data in [certain circumstances] a manner not specified in the request made by the person or entity. Section 13 requires any published document that contains or uses data from the database to contain certain information. Section 14 of this bill requires the Department to publish a report at least annually concerning the quality, efficiency and cost of health care in this State using data from the database. Sections 15 and 21 of this bill require the Department to submit certain reports to the Legislature concerning the establishment, operation and funding of the database.

Section 16 of this bill provides an exemption from civil and criminal liability to: (1) a person or entity that provides information to the Department, including data submitted to the database, in good faith; and (2) the Department and its members, officers and employees for failing to provide data from the database or providing incorrect data from the database. Section 17 of this bill requires the Department to adopt regulations necessary for the establishment and maintenance of the database. Section 17 requires such regulations to establish administrative penalties to be imposed against [ (1) an insurer that fails to submit data to the database; and (2) any person or entity that accesses, maintains, uses or discloses data from the database in an unauthorized manner] persons and entities that fail to comply with provisions of law or regulations governing the database. Section 17 authorizes the Department to use those administrative penalties to: (1) maintain the all-payer claims database and the program to collect and maintain data concerning prescription drugs; and (2) establish and carry out programs to educate patients concerning ways to reduce the cost of health care and prescription drugs. Section 18 of this bill authorizes the use of administrative penalties collected for failure to comply with requirements to provide certain information relating to prescription drugs for similar purposes. Section 19.5 of this bill also authorizes the Commissioner of Insurance to refuse to continue, suspend, limit or revoke
an insurer’s certificate of authority for failure to comply with provisions of law
or regulations governing the database.

Section 20 of this bill requires the Department of Health and Human
Services and the Division of Insurance of the Department of Business and
Industry to develop and submit to the Patient Protection Commission and the
Legislature a report containing an inventory of certain types of data reported
to the Department of Health and Human Services or the Division of Insurance
of the Department of Business and Industry.

SUMMARY—Revises provisions relating to unemployment compensation.

AN ACT relating to unemployment compensation; revising provisions relating to [unemployment contribution rates; revising the base period for determining entitlement to unemployment benefits; personnel of the Employment Security Division of the Department of Employment, Training and Rehabilitation; revising requirements relating to the confidentiality of information concerning unemployment compensation; authorizing an extended benefit period to begin before the 14th week following the end of a prior extended benefit period under certain circumstances; revising provisions governing the electronic transmission of certain communications related to unemployment compensation; revising provisions relating to eligibility for unemployment benefits under certain circumstances; revising provisions relating to the judicial review of a decision of the Board of Review; revising requirements for the payment of certain refunds and adjustments; modifying certain requirements concerning unemployment benefits paid in calendar year 2020; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Unemployment Compensation Law generally: (1) requires employers to pay contributions into the Unemployment Compensation Fund at a certain rate of the wages paid by the employer for employment; and (2) makes persons who have become unemployed and comply with certain requirements eligible for benefits from the Unemployment Compensation Fund in an amount based on the person’s previous wages for employment. (Chapter 612 of NRS)

Existing law [separates the contribution rates of employers into a number of classes. The] requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation [is required to prescribe annually a contribution rate schedule that determines how each employer will be classified. (NRS 612.550) Section 14 of this bill requires employers to be distributed among the contribution rate classes in such a manner that the average overall employer contribution rate is a certain percentage calculated in a method prescribed by section 1 of this bill.

To be eligible for unemployment benefits, a person is required to have been paid a certain amount of wages during a specified period of time referred to as the person’s “base period.” (NRS 612.375) Section 2 of this bill revises the definition of the term “base period” to remove provisions providing for the use of an alternative base period for persons who would otherwise be ineligible for unemployment benefits.

To fill all positions in the Division, except the post of Administrator and Senior Attorney, from registers prepared by the Division of Human Resource Management of the Department of Administration. (NRS 612.230) Section 2.5 of this bill exempts from this requirement any positions for attorneys.
Existing federal law imposes various requirements on states concerning the confidentiality and disclosure of information related to unemployment compensation. (20 C.F.R. Part 603) Sections 3 and 19 of this bill revise and remove certain provisions of existing law concerning the confidentiality of such information and the circumstances under which the Administrator is authorized to disclose such information for the purposes of complying with federal law. (NRS 612.265)

Existing law requires an eligible person who is unemployed in any week to be paid a benefit for that week in the amount of the person’s weekly benefit amount, less 75 percent of the remuneration payable to the person for that week. (NRS 612.350) Section 4 of this bill reduces this percentage to 66 2/3 percent of the remuneration payable to the person beginning January 1, 2022.

Existing law provides for the payment of extended unemployment benefits to a person who has exhausted his or her regular unemployment benefits and who meets certain eligibility requirements during an extended benefit period. (NRS 612.377, 612.3774) Under existing law, an extended benefit period: (1) begins after the Administrator makes certain determinations relating to the level of unemployment in this State; and (2) is prohibited from lasting more than 13 consecutive weeks. Existing law also prohibits an extended benefit period from beginning before the 14th week following the end of a prior extended benefit period which was in effect for Nevada. (NRS 612.377) Section 5.5 of this bill authorizes an extended benefit period to begin before the 14th week following the end of a prior extended benefit period if authorized by the United States Department of Labor. Section 20 of this bill applies this authorization retroactively on and after December 27, 2020.

Existing federal law requires that unemployment benefits be denied to certain employees of educational institutions for any period between successive academic years or terms, a vacation or a recess for a holiday, if there is reasonable assurance that the employee will return to service in the ensuing academic year for any educational institution. (26 U.S.C. § 3304(a)(6)) The United States Department of Labor has issued guidance setting forth certain procedures concerning the application of this requirement to employees of multiple educational institutions. (U.S. Dept. of Labor UIPL 5-17 (2016)) Sections 6 and 7 of this bill set forth requirements for determining the eligibility for unemployment benefits of persons who provide services in multiple capacities for educational institutions in accordance with federal guidance.

Under existing law, the Administrator or Division is authorized to provide documents or communications to a person electronically if the person has requested to receive documents or communications electronically. (NRS 612.253) Sections 5, 8-13, 15, 17 and 18, and 15-17 and 18 of this bill revise provisions of existing law requiring certain notices, bills, and other communications relating to unemployment compensation to be mailed or
personally served for the purposes of allowing such notices, bills, and communications to be provided electronically.

Section 13.5 of this bill specifies that a petition for judicial review of a decision of the Board of Review that is required to be served upon the Administrator under existing law is required to be served upon the Administrator at a designated office of the Administrator in Carson City. (NRS 612.530)

Existing law requires an employer who wishes to make an application for a refund or adjustment relating to a payment of contributions, forfeit or interest which has been erroneously collected to make such an application not later than 3 years after the date on which such payments become due. (NRS 612.655) Section 17.5 of this bill removes the 3-year limitation with respect to applications for refunds. Under existing law, an adjustment or refund will not be made with respect to contributions on wages which have been included in the determination of an eligible claim for benefits unless it is shown to the satisfaction of the Administrator that the determination was due entirely to the fault or mistake of the Division. (NRS 612.655) Section 17.5 removes these limitations with respect to the making of refunds.

Section 18.5 of this bill prohibits the State of Nevada from being charged fees of any kind in any proceeding under the Unemployment Compensation Law.

Under existing law, an employer’s contribution rate is based on the employer’s experience rating, which reflects the amount of unemployment compensation benefits that are paid to former employees and charged to the employer’s experience rating record. Existing law requires, in general, that a certain percentage of unemployment benefits paid to a person be charged against the experience rating record of each employer from which the person received wages during his or her base period. (NRS 612.550) Section 19.5 of this bill provides that benefits paid to a person during the second or third calendar quarter of calendar year 2020 are prohibited from being charged against the experience rating record of any of the person’s base period employers.

Existing law authorizes certain employers to reimburse the Unemployment Compensation Fund for benefits paid to their former employees rather than making quarterly contributions to the Fund. Existing law requires the Administrator to, after the end of each calendar quarter or at the end of any other period as determined by the Administrator, determine the amount of reimbursement due from each employer who has elected to make reimbursement in lieu of contributions and bill each such employer for that amount. (NRS 612.553) Section 19.5 of this bill requires the Administrator, in determining the amount of reimbursement due from an employer who has elected to make reimbursement in lieu of contributions, to reduce by the maximum amount authorized by federal law the amount of reimbursement that
is attributable to benefits paid to a person during the second, third or fourth calendar quarter of calendar year 2020.

2. There is a “Nevada ‘on’ indicator” for a week if the Administrator determines, in accordance with the regulations of the Secretary of Labor, that:

3. The Board of Review may affirm, modify or reverse the findings or conclusions of the Appeal Tribunal solely on the basis of evidence previously submitted, or upon the basis of such additional evidence as it may direct to be taken.

4. Each party, including the Administrator, must be promptly furnished a copy of the decision and the supporting findings of the Board of Review.

Sec. 13. NRS 612.525 is hereby amended to read as follows:

612.525 1. Any decision of the Board of Review in the absence of an appeal therefrom as herein provided becomes final 11 days after the date of notification by electronic transmission or mailing thereof, and judicial review thereof is permitted only after any party claiming to be aggrieved thereby has exhausted administrative remedies as provided by this chapter.

2. The Administrator shall be deemed to be a party to any judicial action involving any such decision, and may be represented in any such judicial action by:

(a) Any qualified attorney employed by the Administrator and designated by the Administrator for that purpose; or

(b) The Attorney General, at the Administrator’s request.

3. The Administrator may appeal from any decision of the Board of Review to the courts as may any other party to that decision.

Sec. 13.5. NRS 612.530 is hereby amended to read as follows:

612.530 1. Within 11 days after the decision of the Board of Review has become final, any party aggrieved thereby or the Administrator may secure judicial review thereof by commencing an action in the district court of the county where the employment which is the basis of the claim was performed for the review of the decision, in which action any other party to the proceedings before the Board of Review must be made a defendant.

2. In such action, a petition which need not be verified, but which must state the grounds upon which a review is sought, must, within 45 days after the commencement of the action, be served upon the Administrator at a designated office of the Administrator in Carson City, unless the Administrator is the appellant, or upon such person as the Administrator may designate, and such service shall be deemed completed service on all parties, but there must be left with the party so served as many copies of the petition as there are defendants, and the Administrator shall forthwith mail one such copy to each defendant.

3. The Administrator shall file with the court an answer within 45 days after being served with a petition pursuant to subsection 2 or, if the Administrator is the appellant, the Administrator shall serve the petition upon each other party within 45 days after commencement of the action. With the Administrator’s answer or petition, the Administrator shall certify and file with the court originals or true copies of all documents and papers and a transcript of all testimony taken in the matter, together with the Board of Review’s
findings of fact and decision therein. The Administrator may certify to the court questions of law involved in any decision.

4. In any judicial proceedings under this section, the finding of the Board of Review as to the facts, if supported by evidence and in the absence of fraud, is conclusive, and the jurisdiction of the court is confined to questions of law.

5. Such actions, and the questions so certified, must be heard in a summary manner and must be given precedence over all other civil cases except cases arising under chapters 616A to 616D, inclusive, or chapter 617 of NRS.

6. An appeal may be taken from the decision of the district court to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court of Nevada pursuant to Section 4 of Article 6 of the Nevada Constitution in the same manner, but not inconsistent with the provisions of this chapter, as is provided in civil cases.

7. It is not necessary, in any judicial proceeding under this section, to enter exceptions to the rulings of the Board of Review, and no bond may be required for entering the appeal.

8. Upon the final determination of the judicial proceeding, the Board of Review shall enter an order in accordance with the determination.

9. A petition for judicial review does not act as a supersedeas or stay unless the Board of Review so orders.

Sec. 14. [NRS 612.550 is hereby amended to read as follows:]

612.550. (a) “Average actual duration” means the number of weeks obtained by dividing the number of weeks of benefits paid for weeks of total unemployment in a consecutive 12-month period by the number of first payments made in the same 12-month period.

(b) “Average annual payroll” for each calendar year means the annual average of total wages paid by an employer subject to contributions for the 3 consecutive calendar years immediately preceding the computation date. The average annual payroll for employers first qualifying as eligible employers must be computed on the total amount of wages paid, subject to contributions, for not less than 10 consecutive quarters and not more than 12 consecutive quarters ending on December 31, immediately preceding the computation date.

(c) “Beneficiary” means a person who has received a first payment.

(d) “Computation date” for each calendar year means June 30 of the preceding calendar year.

(e) “Covered worker” means a person who has worked in employment subject to this chapter.

(f) “First payment” means the first weekly unemployment insurance benefit paid to a person in the person’s benefit year.

(g) “Reserve balance” means the excess, if any, of total contributions paid by each employer over total benefit charges to that employer’s experience rating record.
(b) “Reserve ratio” means the percentage ratio that the reserve balance bears to the average annual payroll.

(i) “Total contributions paid” means the total amount of contributions, due on wages paid on or before the computation date, paid by an employer not later than the last day of the second month immediately following the computation date.

(j) “Unemployment risk ratio” means the ratio obtained by dividing the number of first payments issued in any consecutive 12-month period by the average monthly number of covered workers in employment as shown on the records of the Division for the same 12-month period.

2. The Administrator shall, as of the computation date for each calendar year, classify employers in accordance with their actual payrolls, contributions and benefit experience, and shall determine for each employer the rate of contribution which applies to that employer for each calendar year in order to reflect his or her experience and classification. The contribution rate of an employer may not be reduced below 2.95 percent, unless there have been 12 consecutive calendar quarters immediately preceding the computation date throughout which the employer has been subject to this chapter and his or her account as an employer could have been charged with benefit payments except that an employer who has not been subject to the law for a sufficient period to meet this requirement may qualify for a rate less than 2.95 percent if his or her account has been chargeable throughout a lesser period not less than the 10-consecutive-calendar-quarter period ending on the computation date.

3. Any employer who qualifies under paragraph (b) of subsection and receives the experience record of a predecessor employer must be assigned the contribution rate of the predecessor.

4. Benefits paid to a person up to and including the computation date must be charged against the records, for experience rating, of the person’s base period employers in the same percentage relationship that wages reported by individual employers represent to total wages reported by all base period employers, except that:

(a) If one of the base period employers has paid 75 percent or more of the wages paid to the person during the person’s base period, and except as otherwise provided in NRS 612.551, the benefits, less a proportion equal to the proportion of wages paid during the base period by employers who make reimbursement in lieu of contributions, must be charged to the records for experience rating of that employer. The proportion of benefits paid which is equal to the part of the wages of the claimant for the base period paid by an employer who makes reimbursement must be charged to the record of that employer.

(b) No benefits paid to a multistate claimant based upon entitlement to benefits in more than one state may be charged to the experience rating record of any employer when no benefit would have been payable except pursuant to NRS 612.295.
(c) Except for employers who have been given the right to make reimbursement in lieu of contributions, extended benefits paid to a person must not be charged against the accounts of the person's base-period employers.

5. The Administrator shall, as of the computation date for each calendar year, compute the reserve ratio for each eligible employer and shall classify those employers on the basis of their individual reserve ratios. The contribution rate assigned to each eligible employer for the calendar year must be determined by the range within which the employer's reserve ratio falls. The Administrator shall, by regulation, prescribe the contribution rate schedule to apply for each calendar year by designating the ranges of reserve ratios to which must be assigned the various contribution rates provided in subsection 6. The lowest contribution rate must be assigned to the designated range of highest reserve ratios and each succeeding higher contribution rate must be assigned to each succeeding designated range of lower reserve ratios, except that, within the limits possible, the differences between reserve ratio ranges must be uniform. The regulations prescribing the contribution rate schedule to apply for a calendar year must distribute eligible employers among the various contribution rates in such a manner that the average contribution rate for all eligible employers is equal to the average overall employer contribution rate determined by the Administrator pursuant to section 1 of this act.

6. Each employer eligible for a contribution rate based upon experience and classified in accordance with this section must be assigned a contribution rate by the Administrator for each calendar year according to the following classes:

7. [On September 30 of each year, the Administrator shall determine:
(a) The highest of the unemployment risk ratios experienced in the 109 consecutive 12-month periods in the 10 years ending on March 31;
(b) The potential annual number of beneficiaries found by multiplying the highest unemployment risk ratio by the average monthly number of covered workers in employment as shown on the records of the Division for the 12 months ending on March 31;
(c) The potential annual number of weeks of benefits payable found by multiplying the potential number of beneficiaries by the highest average actual duration experienced in the 109 consecutive 12-month periods in the 10 years ending on September 30; and
(d) The potential maximum annual benefits payable found by multiplying the potential annual number of weeks of benefits payable by the average payment made to beneficiaries for weeks of total unemployment in the 12 months ending on September 30.

8. The Administrator shall issue an individual statement, itemizing benefits charged during the 12-month period ending on the computation date, total benefit charges, total contributions paid, reserve balance and the rate of contributions to apply for that calendar year, for each employer whose account is in active status on the records of the Division on January 1 of each year and whose account is chargeable with benefit payments on the computation date of that year.

9. If an employer transfers its trade or business, or a portion thereof, to another employer:
   (a) And there is substantially common ownership, management or control of the employers, the experience record attributable to the transferred trade or business must be transferred to the employer to whom the trade or business is transferred. The rates of both employers must be recalculated, and the recalculated rates become effective on the date of the transfer of the trade or business. If the Administrator determines, following the transfer of the experience record pursuant to this paragraph, that the sole or primary purpose of the transfer of the trade or business was to obtain a reduced liability for contributions, the Administrator shall combine the experience rating records of the employers involved into a single account and assign a single rate to the account.
   (b) And there is no substantially common ownership, management or control of the employers, the experience record of an employer may be transferred to a successor employer as of the effective date of the change of ownership if:
   (1) The successor employer acquires the entire or a severable and distinct portion of the business, or substantially all of the assets, of the employer;
   (2) The successor employer notifies the Division of the acquisition in writing within 90 days after the date of the acquisition;
   (3) The employer and successor employer submit a joint application to the Administrator requesting the transfer; and
(4) The joint application is approved by the Administrator.

The joint application must be submitted within 1 year after the date of issuance by the Division of official notice of eligibility to transfer.

(c) Except as otherwise provided in paragraph (a), a transfer of the experience record must not be completed if the Administrator determines that the acquisition was effected solely or primarily to obtain a more favorable contribution rate.

(d) Any liability to the Division for unpaid contributions, interest or forfeit attributable to the transferred trade or business must be transferred to the successor employer. The percentage of liability transferred must be the same as the percentage of the experience record transferred.

[10.] 9. Whenever an employer has paid no wages in employment for 8 consecutive calendar quarters following the last calendar quarter in which the employer paid wages for employment, the Administrator shall terminate the employer’s experience rating account, and the account must not thereafter be used in any rate computation.

[11.] 10. The Administrator may adopt reasonable accounting methods to account for those employers which are in a category for providing reimbursement in lieu of contributions.

[12.] 11. To the extent allowed by federal law, the Administrator may, by regulation, suspend, modify, amend or waive any requirement of this section for the duration of a state of emergency or declaration of disaster proclaimed pursuant to NRS 414.070 and for any additional period of time during which the emergency or disaster directly affects the requirement of this section if:

(a) The Administrator determines the action is:

(1) In the best interest of the Division, this State or the general health, safety and welfare of the citizens of this State; or

(2) Necessary to comply with instructions received from the Department of Labor; and

(b) The action of the Administrator is approved by the Governor. [Deleted by amendment.]

Sec. 15. NRS 612.551 is hereby amended to read as follows:

612.551 1. Except as otherwise provided in subsections 2, 3 and 7, if the Division determines that a claimant has earned 75 percent or more of his or her wages during his or her base period from one employer, it shall notify the employer by mail or electronic transmission of its determination and advise him or her that he or she has a right to protest the charging of benefits to his or her account pursuant to subsection 4 of NRS 612.550.

2. Benefits paid pursuant to an elected base period in accordance with NRS 612.344 must not be charged against the record for experience rating of the employer.

3. Except as otherwise provided in subsection 7, if a claimant leaves his or her last or next to last employer to take other employment and leaves or is
discharged by the latter employer, benefits paid to the claimant must not be charged against the record for experience rating of the former employer.

4. If the employer provides evidence within 10 working days after the notice required by subsection 1 was mailed or electronically transmitted which satisfies the Administrator that the claimant:
   (a) Left his or her employment voluntarily without good cause or was discharged for misconduct connected with the employment; or
   (b) Was the spouse of an active member of the Armed Forces of the United States and left his or her employment because the spouse was transferred to a different location,
   the Administrator shall order that the benefits not be charged against the record for experience rating of the employer.

5. The employer may appeal from the ruling of the Administrator relating to the cause of the termination of the employment of the claimant in the same manner as appeals may be taken from determinations relating to claims for benefits.

6. A determination made pursuant to this section does not constitute a basis for disqualifying a claimant to receive benefits.

7. If an employer who is given notice of a claim for benefits pursuant to subsection 1 fails to submit timely to the Division all known relevant facts which may affect the claimant’s rights to benefits as required by NRS 612.475, the employer’s record for experience rating is not entitled to be relieved of the amount of any benefits paid to the claimant as a result of such failure that were charged against the employer’s record pursuant to NRS 612.550 or 612.553.

8. To the extent allowed by federal law, the Administrator may, by regulation, suspend, modify, amend or waive any requirement of this section for the duration of a state of emergency or declaration of disaster proclaimed pursuant to NRS 414.070 and for any additional period of time during which the emergency or disaster directly affects the requirement of this section if:
   (a) The Administrator determines the action is:
      (1) In the best interest of the Division, this State or the general health, safety and welfare of the citizens of this State; or
      (2) Necessary to comply with instructions received from the Department of Labor; and
   (b) The action of the Administrator is approved by the Governor.

Sec. 16. NRS 612.553 is hereby amended to read as follows:

   612.553  For the purposes of this section:
   (a) “Indian tribe” includes any entity described in subsection 10 of NRS 612.055.
   (b) “Nonprofit organization” means any entity described in subsection 1 of NRS 612.121.
   (c) “Political subdivision” means any entity described in subsection 9 of NRS 612.055.
2. Any nonprofit organization, political subdivision or Indian tribe which is subject to this chapter:
   (a) Shall pay contributions to the Unemployment Compensation Fund in the manner provided in NRS 612.535 to 612.550, inclusive, unless it elects, in accordance with this section, to pay into the Unemployment Compensation Fund, in lieu of contributions, as reimbursement an amount equivalent to the amount of regular unemployment compensation benefits and one-half of the extended benefits paid to claimants that is attributable to wages paid, except that after December 31, 1978, a political subdivision, and after December 21, 2000, an Indian tribe, shall reimburse an amount equal to the regular unemployment compensation benefits and all of the extended benefits. An Indian tribe may elect to become liable for payments by way of reimbursement in lieu of contributions for the tribe as a whole, or for any political subdivision, subsidiary, wholly owned business, or any combination thereof. The amount of benefits payable by each employer who elects to make payments by way of reimbursement in lieu of contributions must be an amount which bears the same ratio to the total benefits paid to a person as the total base-period wages paid to that person by the employer bear to the total base-period wages paid to that person by all of the person’s base-period employers. Two or more employers who have become liable for payments by way of reimbursement in lieu of contributions may file a joint application, in accordance with regulations of the Administrator, for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. 
   (b) May elect to become liable for payments by way of reimbursement in lieu of contributions for a period of not less than 4 consecutive calendar quarters beginning with the first day of the calendar quarter on which it became subject to this chapter by filing a written notice with the Administrator not later than 30 days immediately following the date of the determination that it is subject to this chapter. The organization remains liable for payments by way of reimbursement in lieu of contributions until it files with the Administrator a written notice terminating its election not later than 30 days before the beginning of the taxable year for which the termination is first effective.
3. Any nonprofit organization, political subdivision or Indian tribe which is paying contributions as provided in NRS 612.535 to 612.550, inclusive, may change to a reimbursement-in-lieu-of-contributions basis by filing with the Administrator not later than 30 days before the beginning of any taxable year a written notice of its election to become liable for payments by way of reimbursements in lieu of contributions. The election is not terminable by the organization for that and the next taxable year.
4. The Administrator may for a good cause extend the period in which a notice of election or a notice of termination must be filed and may permit an
election to be retroactive, but not any earlier than with respect to benefits paid after December 31, 1970, for a nonprofit organization, December 31, 1976, for a political entity, or December 21, 2000, for an Indian tribe.

5. The Administrator shall notify each nonprofit organization, political subdivision and Indian tribe of any determination which the Administrator may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. The Administrator’s determination is subject to reconsideration, petitions for hearing and judicial review in accordance with the provisions of this chapter.

6. The amount of reimbursement in lieu of contributions due from each employing unit which elects to make reimbursement in lieu of contributions must be determined by the Administrator as soon as practicable after the end of each calendar quarter or at the end of any other period as determined by the Administrator. The Administrator shall bill each employing unit which makes reimbursement in lieu of contributions for an amount determined pursuant to paragraph (a) of subsection 2. Amounts due under this subsection must be paid not later than 30 days after a bill is mailed to the last known address of the employing unit or electronically transmitted to the employing unit. If payment is not made on or before the date due and payable, the whole or any part thereof remaining unpaid bears interest at the rate of one-half percent per month or fraction thereof, from and after the due date until payment is received by the Administrator. The amount of payments due, but not paid, may be collected by the Administrator, together with interest and penalties, if any, in the same manner and subject to the same conditions as contributions due from other employers. The amount due specified in any bill from the Administrator is conclusive and binding on the employing unit, unless not later than 15 days after the bill was mailed to its last known address, the employing unit files an application for redetermination. A redetermination made under this subsection is subject to petition for hearing and judicial review in accordance with the provisions of this chapter. Payments made by any nonprofit organization, political subdivision or Indian tribe under the provisions of this section must not be deducted, in whole or in part, from the wages of any person employed by that organization.

7. The Administrator shall:
(a) Suspend the election of an Indian tribe to become liable for payments by way of reimbursement in lieu of contributions if the tribe fails to make payment, together with interest and penalties, if any, within 90 days after the tribe receives a bill from the Administrator.
(b) Require an Indian tribe whose election to become liable for payments by way of reimbursement in lieu of contributions is suspended pursuant to subsection 1 to pay contributions as set forth in NRS 612.535 to 612.550, inclusive, for the following taxable year unless the Administrator receives its payment in full before the Administrator computes the contribution rates for that year.
(c) Reinstate the election of an Indian tribe to become liable for payments by way of reimbursement in lieu of contributions that is suspended pursuant to subsection 1 if the tribe:

1. Has paid all contributions pursuant to NRS 612.535 to 612.550, inclusive, 
2. Has no unpaid balance owing to the Administrator for any contribution, payment in lieu of contributions, penalty or interest.

8. Benefits are payable on the basis of employment to which this section applies, in the same amount, on the same terms and subject to the same conditions as benefits payable on the basis of other employment subject to this chapter.

9. In determining contribution rates assigned to employers under this chapter, the payrolls of employing units liable for payments in lieu of contributions must not be included in computing the contribution rates to be assigned to employers under this chapter. The reimbursement in lieu of contributions is paid by or due from such employing units must be included in the total assets of the fund in the same manner as contributions paid by other employers.

10. The provisions of NRS 612.550 do not apply to employers who elect reimbursement in lieu of contributions.

11. Except as inconsistent with the provisions of this section, the provisions of this chapter and regulations of the Administrator apply to any matter arising pursuant to this section.

Sec. 17. NRS 612.630 is hereby amended to read as follows:

612.630 1. In addition to or independently of the remedy by civil action provided in NRS 612.625, the Administrator, or the Administrator’s authorized representative, after giving to any employer who defaults in any payment of contributions, interest or forfeit provided by this chapter 15 days’ notice by registered or certified mail, addressed to the employer’s last known place of business or address, 
or notice by electronic transmission, may file in 
the office of the clerk of the district court in the county in which the employer has his or her principal place of business, or if there is no such principal place of business, then in Carson City, a certificate, which need not be verified, but which must specify the amount of contribution, interest and forfeit due, the name and last known place of business of the employer liable for the same, and which must contain a statement that the Division has complied with all the provisions of this chapter in relation to the computation and levy of the contribution, together with the request that judgment be entered for the State of Nevada, and against the employer named, in the amount of the contribution, interest and forfeit set forth in the certificate.

2. Within the 15-day period, the employer may pay the amount specified in such notice, under protest, to the Administrator, and thereupon has the right to initiate, within 60 days following such payment, and to maintain his or her
action against the Division for a refund of all or any part of any such amount and to recover so much thereof as may have been erroneously assessed or paid. Such an action by the employer must be commenced and maintained in the district court in the county wherein is located the principal place of business of the employer. In the event of entry of judgment for the employer, the Division shall promptly refund such sum without interest as may be determined by the court.

3. If no such payment under protest is made as provided in subsection 2, upon filing the certificate as provided in subsection 1, the clerk of the district court shall immediately enter a judgment in favor of the Division and against the employer in the amount of the contributions, interest and forfeit set forth in the certificate.

Sec. 17.5. NRS 612.655 is hereby amended to read as follows:

612.655 1. Where a payment of contributions, forfeit or interest has been erroneously collected, an employer may [not later than 3 years after the date on which such payments became due] make application for [an adjustment thereof in connection with subsequent contributions, forfeit or interest payments or for] a refund. All such [adjustments or] refunds will be made without interest. [Am]

2. Where a payment of contributions, forfeit or interest has been erroneously collected, an employer may, not later than 3 years after the date on which such payments became due, make application for an adjustment [or refund] thereof in connection with subsequent contributions, forfeit or interest payments. An adjustment will not be made in any case with respect to contributions on wages which have been included in the determination of an eligible claim for benefits, unless it is shown to the satisfaction of the Administrator that such determination was due entirely to the fault or mistake of the Division.

3. Refunds of interest and forfeit collected under NRS 612.618 to 612.675, inclusive, 612.7102 to 612.7116, inclusive, and 612.740 and paid into the Employment Security Fund established by NRS 612.615 must be made only from the Employment Security Fund.

Sec. 18. NRS 612.686 is hereby amended to read as follows:

612.686 1. If a person is notified of a delinquency pursuant to NRS 612.685, the person shall neither transfer, pay over nor make any other disposition of money or property belonging to the delinquent employing unit, or any portion thereof, until the Administrator consents thereto in writing.

2. A person so notified shall, within 11 days after receipt of the notice, advise the Administrator of all credits, debts or other personal property of the delinquent employing unit in the person’s possession, under the person’s control or owing by the person, as the case may be.

3. The Administrator may, [personally or] by registered or certified mail [or electronic transmission], give the person so notified a demand to transmit.
Upon receipt of the demand, that person shall transmit to the Division, within the time and in the manner stated in the demand, the lesser of:
(a) All the credits, debts or other personal property of the delinquent employing unit in the person’s possession, under the person’s control or owing by the person; or
(b) The amount specified in the demand.
Except as otherwise provided in subsection 4, no further notice is required.
4. If the property of the delinquent employing unit consists of a series of payments owed to it, the person who owes or controls the payments shall transmit them to the Division until otherwise notified by the Administrator. If the debt is not paid within 1 year after the demand to transmit was given, the Administrator shall give another demand to the person who owes or controls the payments, instructing the person to continue to transmit the payments or informing the person that the person’s duty to transmit them has ceased.
5. A person notified of a delinquency who makes any transfer or other disposition of property required to be withheld or transmitted to the Division is liable for the amount of the delinquency to the extent of the value of the property or the amount of the debt so transferred or paid.
6. The Division shall determine as promptly as practicable whether sufficient liquid assets have been withheld or transmitted to satisfy its claim. As soon as the Division determines that the assets are sufficient, it shall consent in writing to a transfer or other disposition of assets in excess of the amount needed.
Sec. 18.5. NRS 612.705 is hereby amended to read as follows:
612.705 1. Neither the State of Nevada nor any person claiming benefits may be charged fees of any kind in any proceeding under this chapter by the Board of Review, the Administrator, or representatives of the Board of Review or the Administrator, or by any court or officer thereof.
2. Any person claiming benefits in any proceeding before the Administrator or the Board of Review, or representatives of the Board of Review or the Administrator, or a court, may be represented by counsel or other duly authorized agent, but no such counsel or agents may either charge or receive for such services more than an amount approved by the Board of Review.
3. Any person, firm or corporation who exacts or receives any remuneration or gratuity for any services rendered on behalf of a claimant except as allowed by this section and in an amount approved by the Board of Review is guilty of a misdemeanor.
4. Any person, firm or corporation who solicits the business of appearing on behalf of a claimant or who makes it a business to solicit employment for another in connection with any claim for benefits under this chapter is guilty of a misdemeanor.
Sec. 19. NRS 6.045 is hereby amended to read as follows:

6.045 1. The district court may by rule of court designate the clerk of the court, one of the clerk’s deputies or another person as a jury commissioner, and may assign to the jury commissioner such administrative duties in connection with trial juries and jurors as the court finds desirable for efficient administration.

2. If a jury commissioner is so selected, the jury commissioner shall from time to time estimate the number of trial jurors which will be required for attendance on the district court and shall select that number from the qualified electors of the county not exempt by law from jury duty, whether registered as voters or not. The jurors may be selected by computer whenever procedures to assure random selection from computerized lists are established by the jury commissioner.

3. The jury commissioner shall, for the purpose of selecting trial jurors, compile and maintain a list of qualified electors from information provided by:
   (a) A list of persons who are registered to vote in the county;
   (b) The Department of Motor Vehicles pursuant to NRS 482.171 and 483.225; and
   (c) The Employment Security Division of the Department of Employment, Training and Rehabilitation pursuant to NRS 612.265; and
   (d) A public utility pursuant to NRS 704.206.

4. In compiling and maintaining the list of qualified electors, the jury commissioner shall avoid duplication of names.

5. The jury commissioner shall:
   (a) Keep a record of the name, occupation, address and race of each trial juror selected pursuant to subsection 2;
   (b) Keep a record of the name, occupation, address and race of each trial juror who appears for jury service; and
   (c) Prepare and submit a report to the Court Administrator which must:

SUMMARY—Requires certain health and safety training for certain employees of cannabis establishments. (BDR 53-663)

AN ACT relating to occupational safety; requiring certain employees of a cannabis establishment to receive certain health and safety training; requiring a cannabis establishment to suspend or terminate the employment of an employee who fails to complete such training; requiring the Cannabis Compliance Board to suspend the license of a cannabis establishment that fails to suspend or terminate the employment of such an employee; providing administrative penalties; and providing other matters properly relating thereto.

LEGISLATIVE COUNSEL’S DIGEST:

Existing law requires certain employees performing work on construction sites, certain sites related to the entertainment industry and certain sites where exhibitions, conventions or trade shows occur to complete certain training courses relating to occupational health and safety. (NRS 618.950-618.9931)

This bill enacts similar requirements for certain employees of cannabis establishments.

Section 11 of this bill requires: (1) employees of cannabis establishments who are not supervisory employees to complete a specified 10-hour health and safety course not later than 1 year after being hired; and (2) supervisory employees of cannabis establishments to complete a specified 30-hour course
not later than 1 year after being hired. Section 11 requires that any costs associated with an employee completing such a course be paid by the cannabis establishment by which the employee is employed. Section 4 of this bill defines “employee” to mean a person who performs work at a cannabis establishment. However, section 4 excludes from the definition of “employee” a person: (1) whose primary occupation is to provide photography, media, marketing or legal services; or (2) who is a shareholder, officer, board member or advisory board member of a cannabis establishment and who does not have an active role in the day-to-day operation of the cannabis establishment.

Section 9 of this bill requires the Division of Industrial Relations of the Department of Business and Industry to adopt regulations approving courses which may be used to fulfill the requirements of section 11. It establishes a registry to track providers of the required health and safety courses. Section 10 of this bill requires providers of approved health and safety courses to display the card evidencing their authorization by the Occupational Safety and Health Administration of the United States Department of Labor to provide such a course in a conspicuous manner at the location at which the course is being provided.

Section 12 of this bill requires a cannabis establishment to suspend or terminate the employment of an employee who fails to complete the required health and safety course. Section 13 of this bill provides that if the Division finds that a cannabis establishment that has failed to suspend or terminate an employee as required by section 12, the Division is required to report the violation to the Executive Director of the Cannabis Compliance Board. Section 14 of this bill authorizes the Executive Director to respond to a report of a violation of section 12 in the same manner as other reports of violations of existing law which are committed by cannabis establishments. Section 15 of this bill requires the Cannabis Compliance Board to suspend the license of a cannabis establishment that violates the provisions of section 12.

Section 16 of this bill requires an employee of a cannabis establishment who was initially hired before July 1, 2021, to complete the 10-hour or 30-hour course specified in section 11, as applicable, not later than July 1, 2022.

SUMMARY—Revises provisions relating to library services in public schools. (BDR 34-76)

AN ACT relating to education; requiring each public school in a school district in certain larger counties and each large charter school in certain larger counties to establish and maintain a school library that meets certain standards; requiring the State Board of Education to adopt regulations prescribing the minimum standards for a school library; prescribing requirements and exceptions for employing a teacher librarian in a public school; and providing other matters properly relating thereto.

Section 9 of this bill requires each public school in a school district located in a county whose population is 100,000 or more and each large charter school located in such a county (currently Clark and Washoe Counties) to establish and maintain a school library that provides library services to the pupils, teachers and administrators of the school. Section 11 provides that a school is not required to employ a teacher librarian if: (1) the school is unable to employ a teacher librarian and is granted a waiver by the superintendent of schools of the school district or the sponsor of the large charter school, as applicable, to jointly employ a teacher librarian with another such school; or (2) the school is located in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), is unable to employ certain persons to provide library services and is granted a waiver by the State Board of Education.

Section 12 of this bill deems any school library assistant who is employed at a school in a school district or a large charter school to be a teacher librarian at that school for purposes of sections 10 and 11 of this bill until July 1, 2027, so that those school library assistants may perform the duties assigned to a teacher librarian set forth in this bill without obtaining a license to teach or any other credentials or endorsements until that date.

AN ACT relating to public welfare; revising requirements for a relative of a child in foster care to be eligible for assistance from the Kinship Guardianship Assistance Program; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Department of Health and Human Services to establish and administer the Kinship Guardianship Assistance Program to provide assistance to a relative who becomes the legal guardian of a child in foster care. This bill eliminates the requirement that the child must not be able to permanently return to his or her home or be adopted. (NRS 432B.623) This bill revises that requirement to require that, for a relative to be eligible for such assistance, an agency which provides child welfare services must determine that being returned home or adopted are not appropriate permanency options for the child.

2. For not less than 6 consecutive months, have resided with a relative of the child;

3. Not have as an option for permanent placement the return to the home or the adoption of the child;

4. Demonstrate a strong attachment to the relative; and
If the child is 14 years of age or older, be consulted regarding the guardianship arrangement.

(b) A relative of the child must:

(3) Enter into a written agreement for assistance with an agency which provides child welfare services before the relative is appointed as the legal guardian of the child; and

(4) Be appointed as the legal guardian of the child by a court of competent jurisdiction and comply with any requirements imposed by the court.

(c) An agency which provides child welfare services must determine that being returned home or adopted are not appropriate permanency options for the child.

2. If the sibling of a child who is eligible for assistance pursuant to the Program is not eligible for such assistance, the sibling may be placed with the child who is eligible for assistance upon approval of the agency which provides child welfare services and the relative. In such a case, payments may be made for the sibling so placed as if the sibling is eligible for the Program.

Amendment No. 220.
SUMMARY—Revises provisions relating to education. (BDR 34-676)
AN ACT relating to education; establishing a State Seal of Civics Program; requiring the Superintendent of Public Instruction to establish criteria for certain designations related to civics; [establishing the Pupil Civic Advisory Panel] requiring a public high school to report certain test results to the Department of Education; requiring instruction provided in social studies to include civics and a service learning project; requiring that various
communities be included in the standards of content and performance for ethnic and diversity studies; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Superintendent of Public Instruction to establish various state seals to be awarded to pupils who graduate high school with a high level of proficiency in certain subjects. (NRS 388.591, 388.594, 388.596, 388.597) Section 2 of this bill similarly establishes a State Seal of Civics Program. Section 3 of this bill sets forth the criteria for earning a State Seal of Civics. Section 4 of this bill requires the Superintendent of Public Instruction to enter into a cooperative agreement with one or more community colleges, state colleges and universities to grant credit for courses in a subject at the community college, state college or university for which a pupil is awarded a State Seal.

Section 5 of this bill requires the Superintendent of Public Instruction to adopt regulations that establish criteria for the Superintendent to designate a school, pupil or teacher or other school employee as a School of Civic Excellence, Student Civic Leader or Educator Civic Leader, respectively. Section 6 of this bill requires the Superintendent of Public Instruction to establish the Pupil Civic Advisory Panel.

Under existing law, a public high school must administer an examination with questions identical to the questions contained in the civics portion of the naturalization test adopted by the United States Citizenship and Immigration Services of the Department of Homeland Security and report the aggregate results of the examination to the board of trustees of the school district in which the high school is located. (NRS 389.009) Section 8 of this bill requires the board of trustees of each school district to report the results of the examination to the Department of Education.

Existing law designates various core academic subjects, including, without limitation, social studies, which includes only the subjects of history, geography, economics and government. (NRS 389.018) Section 9 of this bill adds civics to the list of subjects included within social studies. Beginning with the graduating class of 2027, section 9 requires instruction in social studies to require a pupil to complete a service learning project during high school. Section 10 of this bill makes a conforming change related to the addition of civics to social studies.

Under existing law, the Council to Establish Academic Standards for Public Schools is required to establish standards of content and performance for ethnic and diversity studies for certain pupils. The standards must, without limitation, examine the culture, history and contributions of certain American communities. (NRS 389.525) Section 11 of this bill includes additional communities in the list of communities whose culture, history and contributions must be examined.

Amendment No. 221.
SUMMARY—Revises provisions relating to education. (BDR 34-181)

AN ACT relating to education; revising provisions relating to a program of instruction based on an alternative schedule; revising certain provisions relating to programs of distance education; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law requires that boards of trustees of school districts provide a minimum of 180 days of free school. Existing law authorizes the Superintendent of Public Instruction to authorize a school district to provide a program of instruction on an alternative schedule if the number of minutes of instruction to be provided is equal to or greater than the number of minutes of instruction provided in a program consisting of 180 days. (NRS 388.090) Section 1 of this bill removes certain limitations imposed by existing law on a program of instruction based on an alternative schedule. Existing law similarly requires the minutes of instruction provided by a full-time program of distance education to be equal to or greater than the number of minutes of instruction provided in a program consisting of 180 days. (NRS 388.842) Section 3 of this bill authorizes a pupil who demonstrates sufficient proficiency to meet the objectives of a course of distance education to complete the course in a shorter period of time than is normally allotted.

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to provide a program of distance education. (NRS 388.820-388.874) Under existing law, the Department of Education is required to publish a list of courses of distance education. (NRS 388.834) Existing law authorizes the board of trustees of a school district or the governing body of a charter school to apply to the Department to provide a program of distance education. (NRS 388.838) Section 2 of this bill requires the board of trustees of a school district and the governing body of a charter university school for profoundly gifted pupils to: (1) develop a plan for...
conducted a program of distance education; (2) present the plan to the public or the sponsor of the [charter] university school for profoundly gifted pupils, as applicable; (3) provide a copy of the plan to the school community, parents and employees of the school district or [charter] university school for profoundly gifted pupils; and (4) identify pupils and school employees who do not have access to the technology necessary to participate in a program of distance education; and (5) develop and implement a plan to make necessary technology available to such pupils and school employees. Section 2 of this bill imposes similar requirements on the governing body of a charter school and additionally requires a governing body to submit such a plan in a request to amend the charter contract of the charter school. Section 4.5 of this bill makes a conforming change related to a program of distance education provided by a university school for profoundly gifted pupils. Existing law also requires the board of trustees of a school district or the governing body of a charter school to ensure that in a course offered through a program of distance education, a teacher enters into a written agreement with the pupil and the parent or legal guardian of the pupil regarding the course. (NRS 388.866) Section 4 of this bill instead requires the teacher to provide information regarding the course to the pupil and the parent or legal guardian of the pupil. Section 1.5 of this bill amends the definition in existing law of “distance education” to include both synchronous and asynchronous instruction. (NRS 388.826) Existing law establishes the eligibility of a pupil to enroll in a program of distance education. (NRS 388.850) Section 3.5 of this bill revises the circumstances in which a pupil is eligible to enroll in such a program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.090 is hereby amended to read as follows:

388.090 1. Except as otherwise provided in this section and NRS 388D.330, boards of trustees of school districts shall schedule and provide a minimum of 180 days of free school in the districts under their charge.

2. Except for an alternative schedule described in subsection 3, the Superintendent of Public Instruction may, upon application by the board of trustees of a school district, authorize the school district to provide a program of instruction based on an alternative schedule if the number of minutes of instruction to be provided is equal to or greater than the number of minutes of instruction that would be provided in a program of instruction consisting of 180 school days. The Superintendent of Public Instruction shall notify the board of trustees of the school district of the approval or denial of the application not later than 30 days after the Superintendent of Public Instruction receives the application. An alternative schedule proposed pursuant to this subsection must be developed in accordance with chapter 288 of NRS. If a school district is located in a county whose population is 100,000 or more, the board of trustees of the school district may not submit an application pursuant
to this subsection unless the proposed alternative schedule of the school district:

(a) Will apply only to a rural portion or a remote portion of the county in which the school district is located, as defined by the State Board pursuant to subsection 6; or

(b) Is designed solely for the purpose of providing regular professional development to educational personnel and such professional development is focused on analyzing and discussing measures of the performance of pupils and identifying appropriate instructional strategies to improve the achievement of pupils.

3. The Superintendent of Public Instruction may, upon application by the board of trustees of a school district, authorize a reduction of not more than 15 school days in that particular district to establish or maintain an alternative schedule consisting of a 12-month school program if the board of trustees demonstrates that the proposed alternative schedule for the program provides for a number of minutes of instruction that is equal to or greater than that which would be provided under a program consisting of 180 school days. [Before authorizing a reduction in the number of required school days pursuant to this subsection, the Superintendent of Public Instruction must find that the proposed alternative schedule will be used to alleviate problems associated with a growth in enrollment or overcrowding.]

4. The Superintendent of Public Instruction may, upon application by a board of trustees, authorize the addition of minutes of instruction to any scheduled day of free school if days of free school are lost because of any interscholastic activity. Not more than 5 days of free school so lost may be rescheduled in this manner. The provisions of this subsection do not apply to an alternative schedule approved pursuant to subsection 2.

5. The number of minutes of instruction required for a particular group of pupils in a program of instruction based on an alternative schedule approved pursuant to this section and NRS 388.095 and 388.097 must be determined by multiplying the appropriate minimum daily period of instruction established by the State Board by regulation for that particular group of pupils by 180. [6. The State Board shall adopt regulations defining a rural portion of a county and a remote portion of a county for the purposes of subsection 2.]

Sec. 1.5. NRS 388.826 is hereby amended to read as follows:

   (c) A description of how the program will ensure access to technology for pupils and teachers or other school employees and communicate with pupils, their families and staff regarding the program of distance education.
4. Except as otherwise provided in this subsection, the Department shall approve an application submitted pursuant to this section if the application satisfies the requirements of NRS 388.820 to 388.874, inclusive, and all other applicable statutes and regulations. The Department shall deny an application to provide a program of distance education submitted by a committee to form a charter school if the Department denies the application to form a charter school submitted by that committee. Legislative Counsel’s Digest:

Existing law deems certain employment practices as unlawful and prohibits
certain employers, employment agencies and labor organizations from

employer or an employment agency from: (1) seeking the wage or salary

agency may ask an applicant for employment about his or her wage or salary expectation for the position for which the applicant is applying.
Furthermore, section [1] 1.3 provides that: (1) a violation of section [1] 1.3 is
an unlawful employment practice; (2) a person may file a complaint with the
Labor Commissioner concerning such a violation; and [that]: (3) a violation
of section 1.3 may be subject to administrative penalties. If a person files such a complaint, section 1.7 of this act requires the Labor Commissioner to issue, upon request, a right-to-sue notice if at least 180 days have passed after the complaint was filed. Sections 2-8 of this bill make conforming changes by applying certain provisions and prohibitions to section 1.3. Section 5 of this bill provides that nothing contained in section 1.3 applies to certain businesses or enterprises on or near an Indian reservation. Additionally, sections 6-8 of this bill apply certain procedures involving complaints filed with the Nevada Equal Rights Commission to a violation of section 1.1.

Section 9 of this bill prohibits the governing body of a county, a county officer or other person acting on behalf of a county from: (1) seeking the wage or salary history of an applicant for employment; (2) relying on the wage or salary history of an applicant to determine whether to offer employment to the applicant or to determine the rate of pay for the applicant; or (3) refusing to interview, hire, promote or employ an applicant or discriminating or retaliating against an applicant because the applicant does not provide wage or salary history. Finally, section 9 provides that the governing body of a county, county officer or other person may ask an applicant for employment about his or her wage or salary expectation for the position for which the applicant is applying. Sections 10-12 of this bill establish similar provisions for the governing body of an incorporated city, a city officer, the governing body of an unincorporated town or any other person acting on behalf of an unincorporated town or an appointing authority.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 166.

SUMMARY—Revises provisions governing collective bargaining by local government employers. (BDR 23-254)

AN ACT relating to local governments; revising provisions relating to collective bargaining between local government employers and employee organizations; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, if a local government employer and an employee organization that represents local government employees, other than firefighters, police officers, teachers and educational support personnel, fail to resolve a disputed issue in negotiating a collective bargaining agreement, either party may submit the dispute to an impartial fact finder. Before submitting the dispute to the fact finder, the parties may agree to make the findings and recommendations of the fact finder final and binding. If the parties cannot agree, either party may request the formation of a panel to determine whether the findings and recommendations of the fact finder on certain issues are to be final and binding. (NRS 288.200) Sections 1, 2 and 5 of this bill remove or repeal the provisions relating to such panels. Section 4 of this bill makes a conforming change by eliminating the authorization of the expenditure of funds from the Reserve for Statutory Contingency Account in the State General Fund for expenses related to such panels. (Section 2 provides that the findings and award of the fact finder are final and binding on the parties.)

Existing law establishes certain procedures and requirements applicable to the fact-finding process in negotiations between local government employers and recognized employee organizations representing firefighters and police...
officers. (NRS 288.205, 288.215) Those procedures and requirements differ in certain respects from the procedures and requirements applicable to fact-finding in labor negotiations involving other local government employees. Section [3] 1 of this bill makes [additional] changes applicable only to labor disputes involving firefighters and police officers, between local government employers which are cities and employee organizations which represent employees other than firefighters and police officers. Specifically, if a city and such an employee organization do not agree on whether to make the findings and recommendations of a fact finder final and binding, section [3] provides that unless the parties agree to make the findings and recommendations of the fact finder to a second fact finder to serve as an arbitrator and issue a decision which is final and binding, the report of the fact finder must include recommendations for settlement of the dispute, in lieu of an award, and the findings and recommendations of the fact finder are not binding on the parties.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 288 of NRS is hereby amended by adding thereto a new section to read as follows:

In the case of an employee organization and a local government employer which is a city and to which NRS 288.215 does not apply, the following departures from the provisions of NRS 288.200 apply:

1. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the submission of the findings and recommendations of the fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 10 of NRS 288.200 to a second fact finder to serve as an arbitrator and issue a decision which is final and binding.

2. The parties shall select a second fact finder to serve as an arbitrator pursuant to subsection 1 using the process established in subsection 2 of NRS 288.200.

Sec. 1.5. NRS 288.044 is hereby amended to read as follows:

288.044 “Fact-finding” means the formal procedure by which an investigation of a labor dispute is conducted by a [person] fact finder at which:

1. Evidence is presented; and

2. A written report is issued by the fact finder describing the issues involved, making findings and setting forth recommendations for settlement which may or may not be binding, as provided in NRS 288.200, or an award.

Sec. 2. NRS 288.200 is hereby amended to read as follows:

288.200 Except in cases to which NRS 288.205 and 288.215, or NRS 288.217 or section 1 of this act apply:

1. If:
(a) The parties have failed to reach an agreement after at least six meetings of negotiations; and
(b) The parties have participated in mediation and by April 1, have not reached agreement,
either party to the dispute, at any time after April 1, may submit the dispute to an impartial fact finder for the findings and recommendations of the fact finder. The findings and recommendations of the fact finder are not binding on the parties except as provided in subsections 5, 6 and 11. The mediator of a dispute may also be chosen by the parties to serve as the fact finder.
2. If the parties are unable to agree on an impartial fact finder within 5 days, either party may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a list of seven potential fact finders. If the parties are unable to agree upon which arbitration service should be used, the Federal Mediation and Conciliation Service must be used. Within 5 days after receiving a list from the applicable arbitration service, the parties shall select their fact finder from this list by alternately striking one name until the name of only one fact finder remains, who will be the fact finder to hear the dispute in question. The employee organization shall strike the first name.
3. The local government employer and employee organization each shall pay one-half of the cost of fact-finding. Each party shall pay its own costs of preparation and presentation of its case in fact-finding.
4. A schedule of dates and times for the hearing must be established within 10 days after the selection of the fact finder pursuant to subsection 2, and the fact finder shall report the findings and recommendations of the fact finder to the parties to the dispute within 30 days after the conclusion of the fact-finding hearing.
5. The parties to the dispute may agree, before the submission of the dispute to fact-finding, to make the findings and recommendations on all or any specified issues final and binding on the parties.
6. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the formation of a panel to determine whether the findings and recommendations of a fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 11 are to be final and binding. The determination must be made upon the concurrence of at least two members of the panel and not later than the date which is 30 days after the date on which the matter is submitted to the panel, unless that date is extended by the Commissioner of the Board. Each panel shall, when making its determination, consider whether the parties have bargained in good faith and whether it believes the parties can resolve any remaining issues. Any panel may also consider the actions taken by the parties in response to any previous fact-finding between those parties, the best interests of the State and all its
citizens, the potential fiscal effect both within and outside the political subdivision, and any danger to the safety of the people of the State or a political subdivision.

Except as otherwise provided in subsection 10, any fact finder, whether the fact finder’s recommendations are to be binding or not, shall base such recommendations or award on the following criteria:

(a) A preliminary determination must be made as to the financial ability of the local government employer based on all existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision. If the local government employer is a school district, any money appropriated by the State to carry out increases in salaries or benefits for the employees of the school district must be considered by a fact finder in making a preliminary determination.

(b) Once the fact finder has determined in accordance with paragraph (a) that there is a current financial ability to grant monetary benefits, and subject to the provisions of paragraph (c), the fact finder shall consider, to the extent appropriate, compensation of other government employees, both in and out of the State and use normal criteria for interest disputes regarding the terms and provisions to be included in an agreement in assessing the reasonableness of the position of each party as to each issue in dispute and the fact finder shall consider whether the Board found that either party had bargained in bad faith.

(c) A consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multiyear contract, the fact finder must consider the ability to pay over the life of the contract being negotiated or arbitrated.

The fact finder’s report must contain the facts upon which the fact finder based the fact finder’s determination of financial ability to grant monetary benefits and the fact finder’s recommendations or award. The award is final and binding on the parties.

Within 45 days after the receipt of the report from the fact finder, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:

(a) The issues of the parties submitted pursuant to this section;

(b) The report of findings and recommendations of the fact finder; and

(c) The overall fiscal impact of the findings and recommendations, which must not include a discussion of the details of the report.

The fact finder must not be asked to discuss the decision during the meeting.

The chief executive officer of the local government shall report to the local government the fiscal impact of the findings and recommendations.
The report must include, without limitation, an analysis of the impact of the findings and recommendations on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

Any sum of money which is maintained in a fund whose balance is required by law to be:

(a) Used only for a specific purpose other than the payment of compensation to the bargaining unit affected; or

(b) Carried forward to the succeeding fiscal year in any designated amount, to the extent of that amount,

must not be counted in determining the financial ability of a local government employer and must not be used to pay any monetary benefits recommended or awarded by the fact finder.

The issues which may be included in a recommendation or award by a panel’s order pursuant to subsection 6 of a fact finder are:

(a) Those enumerated in subsection 2 of NRS 288.150 as the subjects of mandatory bargaining, unless precluded for that year by an existing collective bargaining agreement between the parties; and

(b) Those which an existing collective bargaining agreement between the parties makes subject to negotiation in that year.

This subsection does not preclude the voluntary submission of other issues by the parties pursuant to subsection 5.

Except for the period prescribed by subsection 7, any time limit prescribed by this section may be extended by agreement of the parties.

Sec. 3. NRS 288.205 is hereby amended to read as follows:

In the case of an employee organization and a local government employer to which NRS 288.215 applies, the following departures from the provisions of NRS 288.200 also apply:

(a) If the parties have not reached agreement by April 10, either party may submit the dispute to an impartial fact finder at any time for the findings of the fact finder.

(b) In a regular legislative year, the fact-finding hearing must be stayed up to 20 days after the adjournment of the Legislature sine die.

Unless the parties otherwise agree before the submission of the dispute to fact finding to make the findings of the fact finder on all or any specified issues final and binding on the parties:

(1) The report of the fact finder must include recommendations for settlement on the issues submitted to the fact finder, in lieu of an award;

(2) The provisions of NRS 288.200 applicable to an award apply to the recommendations of the fact finder; and

(3) The findings and recommendations of the fact finder are not binding on the parties.

Any time limit prescribed by this section [or NRS 288.200] may be extended by agreement of the parties. [Deleted by amendment.]
Sec. 4. NRS 353.264 is hereby amended to read as follows:

353.264 1. The Reserve for Statutory Contingency Account is hereby created in the State General Fund.

2. The State Board of Examiners shall administer the Reserve for Statutory Contingency Account. The money in the Account must be expended only for:

(d) The payment of claims which are obligations of the State pursuant to NRS 41.950; and

(e) The payment of claims which are obligations of the State pursuant to NRS 535.030 arising from remedial actions taken by the State Engineer when the condition of a dam becomes dangerous to the safety of life or property.

3. The State Board of Examiners may authorize its Clerk or a person designated by the Clerk, under such circumstances as it deems appropriate, to approve, on behalf of the Board, the payment of claims from the Reserve for Statutory Contingency Account. For the purpose of exercising any authority granted to the Clerk of the State Board of Examiners or to the person designated by the Clerk pursuant to this subsection, any statutory reference to the State Board of Examiners relating to such a claim shall be deemed to refer to the Clerk of the Board or the person designated by the Clerk.

2. Within 8 days after receiving the lists, the parties shall choose one name from each list by alternately striking one name until the names of only one attorney and one accountant remain, who will each be a member of the panel. The following amendment was proposed by the Committee on Judiciary:

Amendment No. 357.

SUMMARY—Revises provisions relating to juvenile justice.

An Act relating to juvenile justice; revising provisions governing employment with a department of juvenile justice services; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the board of county commissioners of a county whose population is 700,000 or more (currently Clark County) to establish by ordinance a department of juvenile justice services to administer certain provisions of existing law relating to juvenile delinquency and the abuse and neglect of children. (NRS 62G.200-62G.240) If the board of county commissioners of such a county has not established a department of juvenile justice services, the juvenile court is required to: (1) establish by court order a probation committee; and (2) appoint a director of the department of juvenile
justice services to administer certain functions of the juvenile court. (NRS 62G.300-62G.370)

Existing law authorizes a department of juvenile justice services to deny employment to an applicant or terminate the employment of an employee against whom certain criminal charges are pending. Existing law also: (1) requires a department of juvenile justice services to allow such an employee a reasonable amount of time of not more than 180 days to resolve the pending charges against the employee; and (2) authorizes a department of juvenile justice services to, upon request from the employee and good cause shown, allow the employee additional time to resolve the pending charges against the employee. Existing law further authorizes a department of juvenile justice services to place such an employee on leave without pay during the period in which the employee seeks to resolve the pending charges against the employee. (NRS 62G.225, 62G.355)

[Sections 1 and 2 of this bill authorize an employee of a department of juvenile justice services who has been placed on leave without pay during a period in which the employee seeks to resolve pending charges against the employee to elect to use any sick leave, annual vacation or compensatory time accrued by the employee until the employee exhausts any such sick leave, annual vacation or compensatory time.] Sections 1 and 2 further of this bill require a department of juvenile justice services to award back pay to such an employee for the duration of the unpaid leave if: (1) the charges against the employee are dismissed; (2) the employee is found not guilty at trial; or (3) the employee is not subjected to punitive action in connection with the alleged misconduct. Sections 1 and 2 also specify that the amount of time which existing law requires a department of juvenile justice services to allow such an employee to resolve the pending charges against the employee, which is a reasonable amount of time of not more than 180 days, begins after arraignment. Section 3 of this bill makes the amendatory provisions of this bill applicable to an employee of a department of juvenile justice services who, on or after July 1, 2021, has a pending charge against the employee for an offense alleged to have been committed before, on or after July 1, 2021.

(b) The employee is found not guilty at trial; or
(c) The employee is not subjected to punitive action in connection with the alleged misconduct.

SUMMARY—Revises provision relating to the wages and working conditions of certain employees. (BDR 53-573)

AN ACT relating to employment; requiring the Director of the Department of Health and Human Services to establish a home care employment standards board under certain circumstances; prescribing the membership of a home care employment standards board; requiring such a board to conduct an investigation into certain matters relating to the employment of home care employees; requiring such a board to develop recommendations concerning the minimum wage for home care employees or the working conditions of such employees; authorizing the Director to adopt regulations implementing such recommendations; revising provisions governing the administration and enforcement of provisions governing the minimum wage paid to employees in this State; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires an employer to pay an employee a wage of not less than a certain minimum wage. (Nev. Const. Art. 15, § 16; NRS 608.250)

Existing law requires the Labor Commissioner to administer and enforce the provisions of existing law governing the minimum wage. (NRS 608.270)

Existing law provides for the establishment of certain programs to provide services to certain elderly persons or persons with disabilities to allow such persons to remain in their homes or in the community. (NRS 422.396, 427A.250-427A.280, 427A.793) Section 8 of this bill designates such a program, and any similar program established by a state agency or a local government, as a “home care program.”
Existing law authorizes an agency licensed as an agency to provide personal care services in the home to provide certain authorized medical services to persons with disabilities and certain nonmedical services related to personal care to elderly persons or persons with disabilities. (NRS 449.1935) Under existing law, certain providers of temporary respite services are not required to be licensed as an agency to provide personal care services in the home. (NRS 449.0021) Existing law authorizes a certified intermediary service organization to provide certain services related to the employment of a personal assistant who is selected by a person with a disability or other responsible person to provide certain nonmedical and authorized medical services to the person with a disability. (NRS 449.4308)

Section 6 of this bill designates an agency to provide personal care services in the home, an intermediary service organization and certain providers of temporary respite services that have entered into a contract with a state agency or a local government to provide certain services under a home care program as "home care employers." Section 5 of this bill designates a person who is an employee of a home care employer and who provides personal care services, personal assistance or temporary respite services through a home care program as a "home care employee."

Section 13 of this bill requires the Director of the Department of Health and Human Services to establish a home care employment standards board if the Director determines that it is necessary or upon the petition of 50 or more home care employees. Section 13 sets forth the membership of such a board, which consists of certain representatives of home care employers and home care employees and certain other persons. Section 14 of this bill provides that if the Director establishes a home care employment standards board upon the petition of 50 or more home care employees, the Director or his or her designee is required to meet with representatives of the petitioners and discuss certain matters relating to the employment of home care employees. Section 15 of this bill requires the Director and the Labor Commissioner to conduct an investigation into certain matters relating to the employment of home care employees and present the findings of the investigation to a home care employment standards board at the first meeting of the board.

Section 16 of this bill requires a home care employment standards board to conduct an investigation into certain matters of its choosing related to the wages and working conditions of home care employees and the compliance of home care employers with applicable laws. Section 16 also requires a home care employment standards board to, based on such an investigation, develop recommendations regarding: (1) the minimum wage that may be paid to a home care employee; or (2) safe and healthful working conditions for home care employees. Section 16 requires a home care employment standards board to submit to the Director a report with its findings and recommendations not later than 1 year after the date of its first meeting. Section 16.5 of this bill
requires the Director to make any report submitted by a home care employment standards board available on an Internet website maintained by the Director.

Section 17 of this bill authorizes the Director to take certain actions with respect to the report of a home care employment standards board. Under section 18 of this bill, if the Director approves of a recommendation of such a board, the Director is required to adopt regulations as necessary to: (1) establish the minimum wage recommended by the home care employment standards board as the minimum wage which may be paid by a home care employer to a home care employee in this State; or (2) provide for safe and healthful working conditions for home care employees in accordance with the recommendation of the home care employment standards board. Section 18 also provides that if the Director establishes a minimum wage for a home care employee, the Director is also authorized to adopt regulations concerning the payment of overtime for such employees. Section 21 of this bill provides that such regulations prevail over the provisions of existing law governing the payment of overtime generally. (NRS 608.018)

Section 20 of this bill makes it a misdemeanor for a home care employer to take certain actions against a home care employee because the home care employee engages in or is believed to have engaged in certain activities relating to a home care employment standards board.

Section 22 of this bill revises provisions of existing law which authorize an employee to bring a civil action against an employer who pays the employee less than the minimum wage for the purpose of allowing a home care employee to bring such an action against a home care employer who pays the homecare employee less than the minimum wage for a home care employee established by regulation pursuant to section 18. (NRS 608.260)

Section 23 of this bill provides for the enforcement of the provisions governing the minimum wage for a home care employee established pursuant to section 18 in the same manner in which the minimum wage established under existing law is enforced. (NRS 608.270)

Existing law provides that a person who violates the provisions of existing law governing the minimum wage is guilty of a misdemeanor and is subject to an administrative fine of not more than $5,000. (NRS 608.290) Section 24 of this bill applies these same penalties to a person who violates the provisions governing the minimum wage for a home care employee established by the Director pursuant to section 18.

Section 25 of this bill authorizes a home care employment standards board or the Labor Commissioner to develop certain recommendations related to the outbreak of the disease identified by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services as COVID-19 and submit such recommendations to the Governor and the Legislature.

The following amendment was proposed by Senator Settelmeyer:
Amendment No. 449.
SUMMARY—Revises provisions governing orders for protection against high-risk behavior. (BDR 3-394)
AN ACT relating to public safety; replacing the term “ex parte order” with “emergency order”; making various changes relating to applications for and the issuance of orders for protection against high-risk behavior; revising the persons to whom an adverse party must surrender firearms; requiring a court to order the return of any surrendered firearm of an adverse party upon the expiration of an extended order for protection against high-risk behavior; revising provisions relating to the dissolution of orders for protection against high-risk behavior; eliminating the requirement for a court clerk or designee to provide assistance to certain persons relating to such orders; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law establishes various provisions relating to ex parte and extended orders for protection against high-risk behavior. (NRS 33.500-33.670) Sections 1.7, 3, 7, 9, 10, 12-14 and 16-18 of this bill replace the term “ex parte order” with “emergency order.” Section 19 of this bill requires the term changes to be construed as having the same meaning for judicial interpretations that are rendered, issued or entered before the effective date of this bill.
Existing law authorizes a family or household member who reasonably believes, or a law enforcement officer who has probable cause to believe, that a person poses a risk of causing personal injury to himself or herself or another person by possessing or purchasing a firearm, to file a verified application for an ex parte or extended order for protection against high-risk behavior. (NRS 33.560) Section 4 of this bill requires: (1) an applicant to show that the person poses an imminent risk to the person or to others; and (2) removes the distinction between an application for an ex parte order and an application for an extended order, and instead requires the applicant to file a single application for an order for protection against high-risk behavior.
Existing law requires an application for an ex parte or extended order for protection to include: (1) the name of the person seeking the order; (2) the name and address, if known, of the adverse party; and (3) a detailed description of the conduct and acts constituting high-risk behavior. (NRS 33.560) In addition to the existing application requirements, section 4 requires the application to include any supplemental documents or information.
Section 1.3 of this bill establishes various procedures relating to hearings on an application for an order for protection against high-risk behavior. Section 1.3: (1) requires a hearing on the application to be held within 1 judicial day after the filing of the application; and (2) authorizes a court to issue an emergency order or an extended order under certain circumstances, to schedule a future hearing on the application under certain circumstances or to dismiss the application under certain circumstances. Section 1.3 also: (1) authorizes a court to hold a telephonic hearing on an application for an order for protection against high-risk behavior filed by a law enforcement officer; (2) requires the hearing to be held within 1 day after the filing of the application; and (3) establishes various requirements relating to recordings of the telephonic hearing. At any such telephonic hearing, section 1.3 prohibits a court from issuing an extended order.

If an emergency order was issued pursuant to section 1.3, section 1.5 of this bill: (1) provides that the emergency order expires not later than 7 days after the date of the filing of the application; and (2) requires the court to hold a hearing before the expiration of the emergency order to determine whether to issue an extended order, unless the emergency order is dissolved before such time. Section 1.5 provides that a court may extend the duration of an emergency order for a period not to exceed 7 days to effectuate service of the emergency order on the adverse party, or for good cause shown.

If a court schedules a future hearing pursuant to section 1.3, section 1.5: (1) requires the hearing to be scheduled within 7 days after the filing of the application; and (2) authorizes the court to issue an extended order at the scheduled hearing under certain circumstances.

If an extended order was issued at the hearing pursuant to section 1.3 or at the hearing pursuant to section 1.5, section 1.5 provides that the extended order expires not later than 1 year after the date of its issuance.

Existing law requires a court to issue an ex parte or extended order if the court under certain circumstances finds that: (1) the person poses an imminent risk of causing personal injury to himself or herself or another person by possessing or having under his or her custody or control or by purchasing or otherwise acquiring any firearm; (2) the person engaged in high-risk behavior; and (3) less restrictive options have been exhausted or are not effective. (NRS 33.570, 33.580) Sections 5 and 6 of this bill remove custody of a firearm from the list of factors a court may consider in finding whether a person poses an imminent risk of causing a self-inflicted injury or injuring another person.

Existing law requires an adverse party to surrender his or her firearm after an ex parte or extended order is issued by a court to: (1) a law enforcement agency designated by the court in the order; or (2) a person, who does not reside with the adverse party, designated by the court in the order. (NRS 33.600) Section 8 of this bill requires any firearm in the possession or control of the adverse party to be surrendered to: (1) a law enforcement agency designated by the court, if the application was filed by a family or household
member; or (2) the law enforcement agency of the officer who filed the application for the temporary or extended order.

Existing law requires the law enforcement agency holding any surrendered firearm to provide the adverse party with a receipt which includes a description of each firearm being held by the law enforcement agency. Existing law requires the adverse party to provide the original receipt to the court within 72 hours or 1 business day, whichever is later, after surrendering any such firearm. (NRS 33.600) Section 8 instead requires the adverse party to provide the original receipt to the court within 1 business day after the surrender of any firearm.

Existing law requires a law enforcement agency to return any surrendered firearm not later than 14 days after the dissolution or expiration of an ex parte or extended order for protection. (NRS 33.600) Section 11 of this bill requires the court to: (1) issue an order for the return of any surrendered firearm of the adverse party upon the expiration or dissolution of an extended order; and (2) provide a copy of the order to the adverse party and the law enforcement agency holding the surrendered firearm. Section 8 requires a law enforcement agency to return any surrendered firearm to the adverse party not later than 14 days after: (1) the dissolution or expiration of an emergency order; or (2) receiving an order from the court to return any firearm surrendered pursuant to an extended order.

Existing law requires a court to dissolve an ex parte or extended order for protection if all parties agree to the dissolution of the order, upon a finding of good cause. (NRS 33.640) Section 11 instead requires the court to dissolve an emergency or extended order if all parties stipulate to the dissolution, upon a finding of good cause.

Section 20 of this bill eliminates the requirement in existing law that the clerk of a court or another person designated by the court: (1) provide certain information to an adverse party or a family or household member who files a verified application for an ex parte or extended order; and (2) assist any person in filing an application, response or certain other documents related to an ex parte or extended order. (NRS 33.610)

Sec. 18. NRS 202.3657 is hereby amended to read as follows:

202.3657 1. Any person who is a resident of this State may apply to the sheriff of the county in which he or she resides for a permit on a form prescribed by regulation of the Department. Any person who is not a resident of this State may apply to the sheriff of any county in this State for a permit on a form prescribed by regulation of the Department. Application forms for permits must be furnished by the sheriff of each county upon request.

2. A person applying for a permit may submit one application and obtain one permit to carry all handguns owned by the person. The person must not be required to list and identify on the application each handgun owned by the person. A permit is valid for any handgun which is owned or thereafter obtained by the person to whom the permit is issued.

3. Except as otherwise provided in this section, the sheriff shall issue a permit to any person who is qualified to possess a handgun under state and federal law, who submits an application in accordance with the provisions of this section and who:

(a) Is:
   (1) Twenty-one years of age or older; or
   (2) At least 18 years of age but less than 21 years of age if the person:
      (I) Is a member of the Armed Forces of the United States, a reserve component thereof or the National Guard; or
      (II) Was discharged or released from service in the Armed Forces of the United States, a reserve component thereof or the National Guard under honorable conditions;

      (2) Successfully completed a course in firearm safety offered by a federal, state or local law enforcement agency, community college, university or national organization that certifies instructors in firearm safety.

   Such a course must include instruction in the use of handguns and in the laws of this State relating to the use of a firearm. A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs’ and Chiefs’ Association or, if the Nevada Sheriffs’ and Chiefs’ Association ceases to exist, its legal successor.

4. The sheriff shall deny an application or revoke a permit if the sheriff determines that the applicant or permittee:
   (a) Has an outstanding warrant for his or her arrest.
   (b) Has been judicially declared incompetent or insane.
(c) Has been voluntarily or involuntarily admitted to a mental health facility during the immediately preceding 5 years.

   (1) Been convicted of violating the provisions of NRS 484C.110; or
   (2) Participated in a program of treatment pursuant to NRS 176A.230 to 176A.245, inclusive.

   (2) Suspension of sentence for the conviction of a felony.

(l) Has been discharged or released from service in the Armed Forces of the United States, a reserve component thereof or the National Guard under conditions other than honorable conditions and is less than 21 years of age.

5. 6. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit
has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person’s permit or the processing of the person’s application until the final disposition of the charges against the person. If a permittee is acquitted of the charges, or if the charges are dropped, the sheriff shall restore his or her permit without imposing a fee.

7. An application submitted pursuant to this section must be completed and signed under oath by the applicant. The applicant’s signature must be witnessed by an employee of the sheriff or notarized by a notary public. The application must include:
   (a) The name, address, place and date of birth, social security number, occupation and employer of the applicant and any other names used by the applicant;

   (e) If the applicant is not a resident of this State, the driver’s license number or identification card number of the applicant issued by another state or jurisdiction;
   (f) If the applicant is a person described in subparagraph (2) of paragraph (a) of subsection 3, proof that the applicant:
      (1) Is a member of the Armed Forces of the United States, a reserve component thereof or the National Guard, as evidenced by his or her current military identification card; or
      (2) Was discharged or released from service in the Armed Forces of the United States, a reserve component thereof or the National Guard under honorable conditions, as evidenced by his or her DD Form 214, “Certificate of Release or Discharge from Active Duty,” or other document of honorable separation issued by the United States Department of Defense;
   (g) A nonrefundable fee equal to the nonvolunteer rate charged by the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation to obtain the reports required pursuant to subsection 1 of NRS 202.366; and
   (h) A nonrefundable fee set by the sheriff not to exceed $60.

Sec. 19. 1. Sections 1.7, 3, 4, 5, 7 and 9 to 18, inclusive, of this act shall be construed as making amendments to provisions of state law for the purpose of substituting the term “emergency order” for “ex parte order.”

2. Any judicial interpretation of a state law that is rendered, issued or entered before July 1, 2021, which includes an interpretation of the term “ex
parte order” which is amended by or as a result of this act to refer instead to “emergency order” shall be deemed to have the same meaning as though the term had remained unchanged.

Sec. 20. NRS 33.610 is hereby repealed.

Sec. 21. This act becomes effective on July 1, 2021.
