Legislative Counsel’s Digest:

Existing law authorizes certain governmental agencies to collect certain personal information. (Chapter 239B of NRS) Existing law also prohibits, with certain exceptions, a governmental agency from requiring a person to include personal information on any document submitted to the governmental agency after a certain date. (NRS 239B.030) **Section 2** of this bill requires, with certain exceptions, a governmental entity to keep confidential any personal information in the records of the governmental entity that identifies a person as a donor, member or volunteer of a nonprofit organization. **Section 2** also prohibits, with certain exceptions, a governmental entity from: (1) requiring that any person or nonprofit organization provide the governmental entity with personal information that identifies a donor, member or volunteer of a nonprofit organization; (2) releasing, publicizing or otherwise publicly disclosing personal information that identifies a donor, member or volunteer of a nonprofit organization; or (3) requesting or requiring a current or prospective contractor or grantee to provide a list of nonprofit organizations to which the contractor or grantee has provided support. **Section 2** provides that the personal information that identifies a donor, member or volunteer of a nonprofit organization includes any list, record, register, roster or other data of any kind that includes a donation, name, address or telephone number that directly or indirectly identifies a person as a donor of financial or nonfinancial support, member or volunteer of any nonprofit organization.

Section 2 provides that a person who alleges that a governmental entity or an officer or employee of a governmental entity has violated these provisions may bring a civil action to obtain certain relief, including damages in an amount of not less than: (1) \$2,500 for a violation; and (2) \$7,500 for an intentional violation.

Section 1 of this bill makes a conforming change to provide that such personal information is not a public record.

Section 3 of this bill makes a conforming change to prohibit the Secretary of State, in carrying out certain requirements of existing law, from collecting or disclosing any information that directly identifies a person as a donor of financial support to a nonprofit organization.

Section 4 of this bill makes a conforming change to provide that any information collected by the Attorney General in an audit, examination, review or investigation of a corporation for public benefit or a corporation holding assets in a charitable trust may only be used in connection with the audit, examination, review or investigation and is otherwise subject to the requirements of **section 2**.
